spatial frequency & contrast & exposure duration, separation discrimination thresholds for embedded visual targets with vs without masking, adults, 16163
spatial frequency & retinal illuminance & exposure time in wave display, contrast sensitivity to spatial noise, 25–27 yr olds, 43996
spatial frequency adaptation & test duration, elevation of detection thresholds for patterns of spatial frequency & orientation, adults, 44013
stimuli meaningfulness & repeated exposure, mere exposure effect with emotional responses for stimuli with durations below threshold of recognition, college students, replication, 36267
stimulus duration & global & local information eccentricity in hierarchical patterns, processing dominance, 22–35 yr olds, 43983
stimulus duration & instructions, voluntary control of penile responses to preferred vs nonpreferred stimuli, 21–32 yr old males, 16696
stimulus duration & intensity, auditory EP mismatch negativity amplitude, college students, 40448
stimulus duration & intensity, lingual vibrotactile threshold shift recovery times, adults, 39972
stimulus duration & spatial separation, auditory apparent motion perception, female adults, 4285
stimulus duration ratio discrimination in forced choice 2 alternative paradigm, college students, comparison with pigeons, 24278
stimulus duration, RT, hyperactive vs nonhyperactive 6–7.9 yr olds, England, 6260
sweetener & acid level & type, temporal perception of sweetness vs sourness vs fruitiness in solution, adults, conference presentation, 43933
target visibility & contrast & exposure duration & separation, role of putative spatial filter & local sign mechanisms in line vernier detection thresholds, adults, 36097
temporal vs color stimuli associated with same comparison choice in many to one delayed matching to sample task, retention, male pigeons, 44255
VI reinforcement & component duration, key press contrast & functional differences in response, rats, 8490
visibility & target exposure duration & contrast & spatiotemporal mask, vernier & contrast detection thresholds for lines & sinusoidal gratings, adults, 36099
1st paired asynchronous auditory stimulus duration, 2nd paired stimulus onset induced auditory EP, adults, Finland, 24769

Stimulus Duration—Chapters

Absolute and relational control in a temporal comparison task, 425
Time perception: Reproduction of duration by two cultural groups, 4236
"Time present and time past.", 470

Stimulus Frequency—Serials

dissociative effect of auditory vs visual massed repetition vs single presentation of words, implicit & explicit memory, college students, Canada, 16331
electric shock frequency & risk, meal size & frequency, female rats, 44238
frequent vs infrequent visual vs auditory stimuli & event probability, P300 component of ERPs during attention task, 18–21 vs 56–71 yr olds, 44471
increasing number of nonsignal tones, individual differences in improved threshold for spectral shape discrimination, college students, 36117
knowledge of probability distribution of stimulus ensemble, estimation of stimuli from noisy neural responses beyond Nyquist frequency limit using discrete receptor array, 20581
meaning frequency, lexical processing of ambiguous words, college students, 8324
modulated vs constant amplitude high frequency peripheral electrical nerve stimulation with vs without naloxone, antinociception, rats, 621
naltrexone & single vs repeated exposure to restraint stress, endogenous opioid peptide mediated LH release, male rats, 12744
number of stimuli & speed & accuracy of choices & self report contingency, control of self reports about matching to sample, 18–46 yr olds, 28306
presentation frequency bias & word frequency estimation, 18–41 yr olds, implications for encoding dimensions, Canada, 40118
presentation of words semantically similar to target word, frequency judgments for target word, college students, test of total similarity model, 44082
presentation rate, individual differences in learning arbitrary sentences, college students, 20331
psychophysical determination of frequency & duration, work rest schedules in manual handling tasks, male vs female college students, 39521
rapid presentation of stimuli, electrical response to recognizable vs unrecognizable images, English- vs Chinese-speaking adults, 8723
rehearsal, word frequency effect in recognition memory, college students, 4381
repetition & distinctiveness & semantic priming, recognition of familiar faces, college & postgraduate students, 36223
repetitive tactile stimulation of receptive fields, somatosensory EPs & neuronal response modification, monkeys, 20668
reward frequency, response rates & activity level, male SHR spontaneously hypertensive vs Wistar-Kyoto rats, animal model of attention deficit hyperactivity disorder, 40256
sex & sensation seeking, stimulus frequency & positive affect pattern in ratings of Japanese ideographs, African American college students, 37514
shock frequency reduction avoidance response, time out from avoidance reinforcement efficacy, male rats, 16433
song model exposure frequency, serial order effect on song acquisition, male nightingales, 20428

stimulus repetition, change in somatosensory EPs & adaptation, humans, research review, 44490
tone pips presented at high rates to left or right ear, ERPs & RT & negative difference waves in selective task, adults, 44499
TV advertising clutter, memory for brand names, consumers, 47494
varied relative frequency of knowledge of results, acquisition vs retention of motor skill learning, female college students, 295
visual vs auditory relative stimulus frequency, expectancy & RT & attention, male rats vs adult humans, 4463
vividness of visual imagery, reality monitoring of presentation frequency, college students, 43982
word frequency & multiple repetition in semantic classification task, EPs, 19–33 yr olds, 20688
word repetition, word recall, elderly with Alzheimer's disease vs alcohol amnestic disorder vs major depression, 41436
Stimulus Frequency—Chapters
Neighbourhood frequency and stimulus frequency effects: Two different but related phenomena?, 16324
Stimulus Generalization—Serials
benzodiazepine receptor partial inverse agonist FG 7142 vs yohimbine, stimulus discrimination generalization in operant learning, male rats, 16807
buspirone & other 5-HT receptor selective drugs, stimulus generalization, 1-3-trifluoromethylphenyl piperazine discriminating male rats, 20877
condition inhibition training & stimulus inflation, associative conditioned inhibition, rats, application of R. R. Miller & L. D. Matzel's comparator hypothesis, 8473
d-amphetamine discrimination, generalization to dopamine uptake inhibitor GBR 12909 & other dopamine agonists & antagonists, male rats, 21027
diprenorphine discrimination, generalization to opiate antagonists naltrexone vs naloxone vs nalorphine vs morphine vs pentobarbital in conditioned taste aversion, female rats, 21001
discrimination training to dextroamphetamine & morphine, generalization to doses of dextroamphetamine &/vs morphine, male pigeons, 44677
drug discrimination of PCP & sigma ligand N-allynormetazocine & stimulus generalization to PCP-like & opioid & other drugs, male squirrel monkeys, implications for sigma site vs PCP receptor binding, 36789
forgetting of stimulus attributes, generalization & perception of stimulus similarity, methodological implications for assessment of associative phenomena, 12289
go/no go choice paradigms, stimulus generalization vs frame of reference effects, college students, 4347
haloperidol vs serotonin antagonists, stimulus generalization, male rats trained in clozapine discrimination, 21041
level of adulteration & genetic strain of urine odor stimuli with generalization stimuli, response latency in odor discrimination, male rats, 12356
line drawing discrimination, stimulus generalization of deleted contours, pigeons, implications for weight of features in object recognition, 28410
low efficacy dopamine agonists preclamol & SDZ 208-911, antagonism of & generalization to dextroamphetamine discriminative cue, male rats, 28703
MDMA analogs, stimulus generalization, male rats trained to discriminate saline from MDMA, 20864
methcathinone or 4-methylaminorex, cocaine stimulus generalization, male rats, 40709
specificity of drug cue vs training dose, nicotine & midazolam mixture discrimination & generalization to amphetamine vs morphine vs quipazine, male rats, 4797
stimulus functions transference through derived arbitrary & nonarbitrary stimulus relations, college students, 28302
stimulus generalization to sinusoidal gratings of different spatial frequencies, goldfish, implications for training in testing animal visual thresholds, 16398
stimulus orientation & extrapolation & feedback, long term learning of hyperacuity, Os, Germany, 32077
stimulus-stimulus relations & behavioral vs mathematical equivalence analogy, 4194
tactile stimulus, control & generalization of conditioned lip press response, horses, 40242
8-OH-DPAT, drug discrimination & generalization & hippocampal 5-HT-1A receptor binding, male rats, 757
Stimulus Generalization—Chapters
Pigeon's concept of experienced and nonexperienced real-world locations: Discrimination and generalization across seasonal variation, 466
Stimulus Intensity—Serials
adaptation to 2nd achromatic color stimulus, stimuli luminance influenced achromatic color lightness, Os, application of ratio principle for color channels, 36067
alcohol & sleep deprivation, stimulus intensity & quality & response compatibility induced choice RT, male 21–35 yr old social drinkers, 16801
attention constraint, effect of message vividness on persuasiveness or on memory of its contents, college students, 40093
auditory stimulus, individual differences in auditory EP N1 amplitude & EEG theta rhythm, college students, 32481
auditory stimulus intensity vs test repetition vs presentation mode, P50 amplitude & suppression, 19–51 yr olds, 12612
concentration of formaldehyde, odor detection thresholds & perceived odor intensities, 20–45 yr old female cigarette smokers, 4225
constant light intensity, splitting in circadian activity rhythms, male golden hamsters, 44520
contingent shock intensity, severe self injurious behavior, blind profoundly mentally retarded female 24 yr old, 46308
coulometric relation, prediction of emergence or form of shock induced hypoalgesia & activation of brain stem & spinal cord opioid & nonopioid systems, male rats, 44426
electrical brain stimulation strength & site, growth of subjective magnitude of reward, male rats, 28527
electrical stimulation to ventrolateral pons & superior colliculus pathways, frequency intensity required in ipsiversive turning, male rats, implications for tectopontine pathway mediation, 36489
forced extinction, passive avoidance response consolidation gradient & UCS intensity & engram strength relationship, male rats, 40250
forward vs backward masking, intensity discrimination & Weber fraction for brief tone bursts, normal hearing adults, 24347
functional measurement in psychophysics & relation between perception of mixed & nonmixed taste & odor stimuli, 43938
instructional cues to aversion & auditory stimulus intensity, avoidance behavior, female college students, Germany, test of computer analog shuttle box paradigm utility, conference presentation, 40108
intensity & comparative vs noncomparative advertising, product recall & attitudes toward ads, college students, 19802
intensity & duration of final syllable of sentence, perception of vowel & syllable duration, adults, letter, 24346
intensity of prepulse stimuli against background noise, startle reflex, patients with chronic paranoid schizophrenia or schizoaffective disorder, 21800
interaural intensity differences sensitivity & generation & plasticity of auditory cortex frequency & space maps, mammals, implications for sound localization, 28516
interpositus lesions, eyeblink CR, rabbits trained with low UCS intensities, 44405
irradiation to head & neck, taste intensity perception, male 34–72 yr olds with cancer, 46693
light intensity during light phase, diurnal sleep wake distribution, 6–8 vs 30–32 mo old male rats, implications for light therapy in elderly, 28632
loudness & sound pressure & sensation level, just noticeable differences in sound intensity, 21–67 yr olds with or without hearing loss, 38343
loudness of tonal stimuli, just noticeable differences for intensity, graduate students, 36115
low level vs gradually increasing constant electrical field, formation & extinction of conditioned reflex & orienting & motoric activity, male rats, translated article, 24537

masker & pedestal level, intensity discrimination & dynamic range of hearing without peripheral suppression & spread of excitation, normal hearing adults, 36124
mathematical modeling of & theoretical results for light intensity dependent spread functions in human vision, 16190
nicotine in brain stem hyperalgesic system & thermal stimulus intensity, thermally evoked tail avoidance reflexes, female rats, 20873
notched noise, auditory intensity discrimination under forward masking, adults, 12192
odor additivity vs compromise vs level dependency vs symmetry, intensity summation perception of mixtures vs single substances, 17–40 yr olds, 28167
perceived sweetness & bitterness intensity of sucrose &/vs aspartame &/vs acesulfame-K, 18–35 yr olds, 4224
photophase contrast & light intensity, photostimulation & subjective interpretation of day vs night, male blackheaded buntings, 643
physical vs symbolic presentation of odor taste mixtures, perceived vs mental intensity, volunteers, 43925
previous stimulus intensity & length of intertrial interval, perceptual vs memory effects in magnitude estimation & cross modality matching, adults, 12129
pulse frequency & duration, subjective reward magnitude of medial forebrain self stimulation, rats, 32493
response to prophylactic lithium, slope of amplitude/stimulus intensity function of N1/P2 component of auditory EP, patients with affective disorder, Germany, replication, 30471
sex & intensity of auditory vs visual vs electrocutaneous stimuli, direction & acceleration & habituation of cardiac defense response, college students, Spain, 20775
sex & sound intensity & power function parameters, scales of subjective time duration, 21–57 yr olds, 28213
slope of loudness function, discrimination of pure tone intensity, normal hearing adults, 44031
stimulus conditions, discrimination of intensity & interaural time difference of tones, male 25–29 yr olds, test of model of auditory object formation, 4287
stimulus duration & intensity, auditory EP mismatch negativity amplitude, college students, 40448
stimulus duration & intensity, lingual vibrotactile threshold shift recovery times, adults, 39972
stimulus energy, ECT induced prolactin release, 26–75 yr olds with major depressive episode, Canada, 34611
stimulus intensity & background noise, waveform periodicity & 8th nerve representation of synthetic communication sound, bullfrogs, replication & extension, 4621
stimulus intensity & contralateral masking & handedness, amplitude & latency of temporal T complex & N1 components of auditory N1 wave, adults, 28579
stimulus intensity & novelty, phasic electrodermal orienting response amplitude, male college students, Australia, 44528
stimulus intensity & right unilateral vs bilateral electrode placement, efficacy & cognitive effects of ECT, depressed patients, 34604
stimulus intensity & rise & fall time & tonal frequency in NREM sleep, evoked K-complex, 20–35 yr olds, 618
stimulus intensity & specific time goal, time estimation, college students experiencing induced cold pressor pain, 40479
stimulus intensity dependence of auditory evoked N1/P2 component in auditory cortex, behaviorally relevant serotonergic neurotransmission, 32399
stimulus intensity, maintenance of passive auditory attention, listeners, 8241
stimulus intensity, short latency auditory EPs, 10–17 yr olds with Down's syndrome, 10173
stimulus luminance vs brightness, achromatic form perception, adults, 16197
stimulus onset & intensity, olfactory mucosa mitral layer response to electrical stimulation of olfactory nerve bundles, frogs, 36531
sweetener & acid level & type, temporal perception of sweetness vs sourness vs fruitiness in solution, adults, conference presentation, 43933
taste intensities of unmixed components vs specific components within mixture, prediction of total taste intensity of mixture, adults, evaluation of component models, 39975
temperature vs concentration, perceived tactile intensity & quality of carbonation, 22–30 yr olds, 12131
temporal interval & frequency across channel discrimination of intensity of simultaneous vs successive tones, college students, 4276
thresholds & psychometric functions for detection of changes in amplitude &/or frequency modulation, adults, test of single vs independent mechanism hypothesis, 24345
toluene odor pulse intensity, olfactory EPs, male 18–30 yr olds, 12614
tone burst stimulus intensity, auditory EP latency, 16–32 yr olds, 28581
unpredictable increase in painful electrical stimulus intensity, acquired fear & heart rate & skin conductance response & respiration, 18–28 yr olds, 12676
varying area &/vs luminance of visual stimulus, simple RT, adults, 8186
visual & auditory stimulus intensity, auditory & visual EP amplitude augmentation or reduction, 18–50 yr olds, 40431
visual EP stimulus intensity & sensation seeking, 19–59 yr old thrill seekers, 36655
2-deoxy-D-glucose or insulin induced glucoprivation, low vs high current hypothalamic self stimulation rate frequency functions, male rats, 12777

Stimulus Intensity—Chapters

Evidence that adaptation of suppression cannot account for auditory enhancement or enhanced forward masking, 44043

Stimulus Intervals [See Also Interstimulus Interval, Intertrial Interval]—Serials

age, duration discrimination of brief auditory intervals, 20–29 vs 40–49 vs 60–78 yr old males, US & Germany, 44893
changes in interfood interval duration, temporal discrimination & wait time responses, male pigeons, 40245
discrimination training with pictorial stimuli followed by removal & time delay, response to mirror image & self evaluation of performance, normal vs mildly & moderately retarded 4–13 yr olds, 2055
implicit vs explicit preparation instructions & random vs blocked preparation intervals, RT & hand advantage in spatial precuing task, college students, 12128
interval between test & forward or backward auditory masking stimuli, recognition & mismatch negativity amplitude, 18–32 yr olds, implications for memory trace hypothesis, 44498
intervals & onset delay of magnetic coil stimulation of calcarine cortex, visual perception depression, adults, implications for information processing delays, 36481
length of presentation interval causing temporal asynchronies, discrimination of coherent motion of vertically oriented bars defined by difference of spatial Gaussian functions, adults, 16185
LH releasing hormone & conditioning interval variation, place preference, gonadectomized male rats with testosterone implants, 4779
nontarget presentation to adjacent vs nonadjacent fingers vs fingers on other hand & temporal separations of target & nontarget, response competition effect, adults, 16125
preparatory interval & RT to tone, schizophrenic vs bipolar patients, erratum, 29558
preparatory interval & RT to tone, schizophrenic vs bipolar patients, 25729
rhythm stimulus pattern, perceptual grouping of tapping response, college students, Canada, 44029
short term memory for timing of irregular sequences of auditory vs visual signals, college students, 4400
stimulus conditions, discrimination of intensity & interaural time difference of tones, male 25–29 yr olds, test of model of auditory object formation, 4287
stimulus delay & taste discrimination, memory for tastes, female rats, 8461
temporal interval & frequency across channel discrimination of intensity of simultaneous vs successive tones, college students, 4276

varying delay interval & pattern size, visuospatial memory, 17–59 yr olds, 8181
Stimulus Intervals [See Also Interstimulus Interval, Intertrial Interval]—Chapters
Tracking simple rhythms: On-best versus off-beat performance, 16253
Stimulus Novelty—Serials
amygdala vs hippocampal lesions, open field & novelty stimulus reaction behaviors, male C57BL/6 vs DBA/2 mice, 16577
attention to unfamiliar odors on path during stereotyped walking, zoo polar bears, 4543
auditory selective attention task with infrequent novel sounds, RT & auditory EPs, 26–53 vs 60–74 yr olds, 12622
auditory stimulus novelty, generation of P3-like EPs, male rats, comparison with results in humans, 40456
chlordiazepoxide, reactivity to conspecific vs novel or antagonistic odors, mice, 40579
climatogeographic conditions, recall & functional asymmetry of new vs neutral vs emotiogenic words, 20–50 yr olds in mountainous vs maritime vs other geographic areas, Russia, translated article, 36238
clonidine vs yohimbine, novelty induced hypoalgesia, rats, 751
comprehension of personally relevant vs novel language, male 67 & 68 yr olds with poststroke global aphasia, 30250
deviant auditory stimuli, epidural auditory EPs, male monkeys, 8713
domain & level of expertise & familiarity & distinctiveness of to be remembered items, generation effect for words, college students vs teachers, Turkey, 40183
environmental responsiveness to novel visual & olfactory & auditory & tactual & complex stimulation, sows, 32280
event duration & memory & typicality, duration information reconstruction & estimation, college students, New Zealand, 28305
exposure duration for arrays with repeated familiar &/vs novel words, novel popout & familiar sink-in for recall of position of words, college students, 20217
facilitation & self cue training, labeling of novel stimuli, 29–66 yr olds with aphasia, 30215
forced exposure to & perceived danger & expectation for dislike of novel foods, willingness to eat novel food, college students, implications for neophobia, 40209
forward pairing of auditory stimulus with facial expression, potentiation of visual fixation of novel pattern, 4 mo olds, 5107
hippocampal mossy fiber area & novelty exploratory vs forced choice behavior, various hybrid mouse strains, implications for anxiety behavior, 24647
inattention trial & unknown stimulus objects in visual distraction task, line judgment & shape & color & other visual perception, 12–53 yr olds, 13066
inquisitive exploration of novel object & play, 5–6 wk old domestic piglets, commentary, 28449
inquisitive exploration of novel object & play, 5–6 wk old domestic piglets, commentary reply, 28463
interstimulus interval & standard vs deviant auditory stimuli, EPs, younger vs older adults, 4646
intralexical & semantic relatedness of compound members & targets, interactive meaning activation of ambiguous nouns in novel nominal compounds, adults, 36153
lithium chloride, consumption & preferences for novel diet & body weight gain, male rats with area postrema lesions, 36760
maternal separation vs environmental novelty, attachment behavior, infant macaques reared in low vs variable foraging demand environments, 24553
memory of weight perception in lifting common vs novel objects, 21–46 yr olds, Sweden, 44145
nontaste stimulus distractor, habituation to repeated taste stimulus & dishabituation to novel taste & salivation & hedonic responses, adult females, 8742
novel predictor vs conspecific vs food odors, flinch & jump threshold indications of avoidance & hypoalgesia, male mice, 12361
novel vs fractional component of original auditory stimulus, heart rate indicated nonassociative memory reactivation, preweanling rats, 32553
novelty & exposure duration of multiple stimuli, response rate & long term retention, pigeons, 4458
novelty vs height cues vs open spaces, avoidance of open arms of elevated plus maze, male rats, 36348
ordered series of 5 olfactory stimuli, inference about novel stimulus pair, rats, 12353
orientation & viewpoint & depth cues & mono vs stereo conditions, recognition of familiar & novel views of 3-dimensional objects, adults, 16167
physostigmine vs neostigmine, novelty related location preference & locomotion & grooming & defecation, rats, 16789
potassium chloride in frontal cortex & exposure to novel environment, forebrain 5-HT release, isolation vs socially reared male rats, 44381
repeated novel stimulus, resting vs morning blood cortisol, 20–39 yr old males with borderline hypertension, 46021
retrieval difficulty & novelty vs motivation in deception, electrodermal differentiation, 18–24 yr olds, Canada, 16639
self organization of cognitive processing of novel vs familiar stimuli, 8–18 yr olds with infantile autism & 20–50 yr olds with schizophrenia in remission, application of two process theory, 21805
short term exposure to artificial odor, preference durability for familiar vs novel odor, 2–20 day old spiny mouse pups, 32298
standard vs deviant stimuli & task difficulty, EPs & orienting responses, college students, Netherlands, 4653
stimuli meaningfulness & repeated exposure, mere exposure effect with emotional responses for stimuli with durations below threshold of recognition, college students, replication, 36267
stimulus familiarity & local vs global context, recognition memory for faces, college students, 36228
stimulus intensity & novelty, phasic electrodermal orienting response amplitude, male college students, Australia, 44528
training to discriminate between slides of familiar vs unfamiliar conspecifics, speed of learning & discrimination ability for novel views, laying hens, 36323
triazolam vs placebo vs d-amphetamine, discrimination in standard 2 response vs novel response procedures, male 19–32 yr olds, 28670
unexpected color or word in semantic context, N400 EPs component, 20–29 yr olds, Japan, 16625
unimodal vs bimodal presentation of novel stimulus in passive vs active attention processing tasks, spatial & magnitude components of early ERPs, adults, 44468
5-HT agonist m-chlorophenylpiperazine, locomotion & rearing & novelty preference in free exploration situation, male mice, implications for anxiogenic properties, 36780
Stimulus Offset—Serials
delay in sample offset & comparison onset in conditional discrimination training, strength of internal stimulus representations, pigeons, 44261
discrimination training with pictorial stimuli followed by removal & time delay, response to mirror image & self evaluation of performance, normal vs mildly & moderately retarded 4–13 yr olds, 2055
ongoing sound interruption, long latency monaural offset responses & EPs, normal hearing adults, implications for sound lateralization theory, 24352
stimulus parameters, discrimination of synchronous vs asynchronous onset or offset of individual or groups of components in multicomponent harmonic or inharmonic complex, adults, 36132
Stimulus Onset—Serials
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, 12300
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, commentary reply, 40198
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, commentary, 40201

auditory EPs vs oddball vs omitted stimulus paradigm, delta vs theta amplitude in P300 response, 19–21 yr olds, 16611
central vs peripheral vs abrupt onset arrow cues, visual attention in character recognition task, college students, 20220
delay in sample offset & comparison onset in conditional discrimination training, strength of internal stimulus representations, pigeons, 44261
expectancy of abrupt onset near vs far peripheral cues & target duration, attention & latency of visual target discrimination, college students, 4266
fine structure vs gating delays in binaural system as source of discrepancies in research findings on influence of interaural onset delay cues in sound localization & lateralization, letter, 36134
intervals & onset delay of magnetic coil stimulation of calcarine cortex, visual perception depression, adults, implications for information processing delays, 36481
onset asynchrony & ear of presentation, pitch perception with mistuned component, adults, 8237
single shock presentation, fear response onset in presence of temporal cues, rats, 8487
stimulus onset & intensity, olfactory mucosa mitral layer response to electrical stimulation of olfactory nerve bundles, frogs, 36531
stimulus onset asynchrony & speed goal pressure, cross language primed lexical decision, bilingual college students, Netherlands, 36168
stimulus onset asynchrony of closely spaced percutaneous stimulus pairs, amplitude & latency & disynaptic pathway mediation of early component of blink reflex, 18–46 yr olds, 44511
stimulus parameters, discrimination of synchronous vs asynchronous onset or offset of individual or groups of components in multicomponent harmonic or inharmonic complex, adults, 36132
visual vs auditory EPs & omitted stimulus, theta response during cognitive performance, 19–21 yr olds, 16616
1st paired asynchronous auditory stimulus duration, 2nd paired stimulus onset induced auditory EP, adults, Finland, 24769

Stimulus Parameters [See Also Interstimulus Interval, Size, Spatial Frequency, Stimulus Attenuation, Stimulus Complexity, Stimulus Duration, Stimulus Frequency, Stimulus Intensity, Stimulus Intervals, Stimulus Novelty, Stimulus Offset, Stimulus Onset, Stimulus Salience, Stimulus Similarity, Stimulus Variability, Temporal Frequency]—Serials

absolute bandwidth & frequency region, thresholds & psychometric functions for amplitude modulation detection, 20–36 yr olds, 36112
age & object category typicality vs size, encoding of perceptual vs conceptual attributes & probability of recall of objects, preschoolers, 17062
amplitude discriminations of sinusoids vs narrow band noise with Rayleigh properties, adult Os, New Zealand, 274
aperture configuration & duration & color, perception of sliding & coherence in moving plaid pattern, adults, 24307
attentional vs intentional precuing of likely stimulus location vs response, Simon effect on RT, college students, 12240
audiometric pattern & stimulus presentation level, difference limen for frequency, adults with cochlear impairment, India, 22433
bandwidth & pedestal & sensation level & carrier center frequency, role of envelope & fine structure based detection strategies in discrimination of tone without level cues, 19–29 yr olds, 36118
bandwidth of amplitude modulated vs filtered random masking noise, binaural masking level differences, normal hearing 18–32 yr olds, 8240
briefly presented flashing lines to left vs right visual field, illusions of movement perception, right handed adults, test of correlation type direction detection model, 244
changes in surface reflection vs spectral composition of scene, color constancy discrimination, adults, 4252
changing state of speech, disruption of short term memory & irrelevant speech effect, college students, 356
cigarette smoking, novel & signal & frequent tone stimulus evoked skin conductance response, adult male smokers in abstinent vs smoking conditions, Japan, 36678
coherence of visual displays &/vs simultaneous story, recognition memory for detail, adults, 20309
color wavelength, time perception, adults, 43927
conditioned drug interoceptive & visual exteroceptive stimuli, development of equivalence relations, 20–23 yr olds, 8171
conjunctions of spatial frequency & orientation as function of stimulus parameters & response requirements, EPs, male graduate students, 32489
context & stimulus quality & word frequency, visual word recognition RT in lexical decision task, college students, implications for multistage activation model of word recognition processes, 44062
demographic & diagnostic & personality variables, self reported stimuli for substance use, alcohol dependent clients with vs without concurrent drug dependency, 1880
diazepam & stimulus quality & response compatibility, binary choice RT, male 21–35 yr olds, 8975
different stimulus conditions, somatosensory EPs & signals processing, college students, 12603
direction & velocity & contrast & pattern configuration of stimulus, visual response properties of units in cerebellar cortex, turtles with vs without ventrocaudal brain stem transection, 40438
display size, visual search with symmetric vs asymmetric target distractor pairs, chimpanzees vs adult males, 44262
divided attention to prespecified stimulus color & letter, RT & accuracy, college students, test on interactive race & coactivation models, 44172
duration & interstimulus interval & contrast & spatial & temporal frequency of pattern adapter vs forward pattern masker, contrast threshold of Gabor pattern, adults, 36077
duration & interval parameters of voice samples, identification of mock abductor's voice immediately vs 24 hrs vs 1 wk following voice exposure, college students, 8265
duration of pauses & expiratory sounds, perceptions of infant crying, 18–21 yr olds, 9591
edge sharpness of blurred disks & spatial frequency of concentric cosine gratings, matching of center brightness maxima vs minima vs apparent contrast, adult male, 28185
electrical stimulus train duration or frequency or current or pulse width or strength duration, hypothalamic self stimulation under FI schedule, male rats, 8642
exposure duration & stimulus area & vector density of dynamic random dot stimuli, discrimination of perceived global direction, Os, application of ideal observer model, 24330
facial motion & temporal correspondence, intermodal perception of happy vs angry expressive events, 7 mo olds, 970
feature vs holistic individuation of item features, exemplar based classification, college students, Canada, 20283
forgetting of stimulus attributes, generalization & perception of stimulus similarity, methodological implications for assessment of associative phenomena, 12289
frequency & bandwidth of ipsilateral vs contralateral tone vs noise, masking of external sound induced tinnitus, 21–38 yr olds, 14429
frequency & intensity of electrical stimulation, U50,488H & sufentanil modulation of methionine enkephalin release from myenteric plexus neurons, guinea pigs, 20589
global vs local stimuli, RT in directed vs divided attention task, elderly with Alzheimer's disease, 14299
half image separation magnitude & crossed vs uncrossed separation direction & viewing distance & stimulus size & exposure duration, depth perception in stereoscopic displays, college students, 24314
high vs low contrast & spatial frequency pattern reversal vs flash stimulation, P1 & P2 & P100 components of visual EPs, elderly with Alzheimer's disease, 2245
individual vs paired stimulus & multiple schedule reinforcement, preference & contrast in keypecking, pigeons, 8505
intensity & duration of electrotactile & corneal airpuff UCS, likelihood & amplitude & time course of nictitating membrane UCR, albino rabbits, 16444

interaural level & time delay & envelope fluctuation & orientation & number of maskers, intelligibility of & recognition thresholds for monaural vs binaural speech, normal vs hearing impaired adults, 26366
inverted stimuli, recognition of unfamiliar faces vs natural handwriting, 19–72 yr old experts vs novices, replication, 12274
light intensity & stimulus length & similarity & confusion, slowing of preprocessing & identification stages of visual processing, adults with induced hypoxia, 38092
line contrast & length & duration of motion, motion sensitive units involved in direction discrimination for lines, adults, 40389
nonaccidental properties & symmetry in object recognition experiments, Ss, 12179
novelty vs height cues vs open spaces, avoidance of open arms of elevated plus maze, male rats, 36348
object stimulus features vs location, spatial memory, food storing marsh vs nonstoring great tits, 439
pattern & component duration & number & target location in sequence, discrimination of complex unfamiliar auditory patterns of tones, college students, test of proportion of total duration rule, 24340
perception of depth & structure from motion vs surface transparency, Os, 8203
perceptual sensitivity to object identity vs difference relations, cognitive processing & perception of multidimensional stimuli, 3.4–6.5 vs 10–12.4 vs 17.5–19 yr olds, 9131
phase shift & drift & illusion cues, bias & perceived direction of square wave illusion & phase discrimination, adults, 20233
physical & semantic stimulus attributes, multiunit responses in reticular nucleus of thalamus & striopallidal system & premotor cortex, patients with Parkinson's disease, 2283
primacy of dimensions & interaction, multidimensional stimuli processing & pitch & loudness in vibrotactile perception, adults, 227
probability & proportions of warning stimuli, oddball contingent negative variation & P300 EPs, 20–45 yr olds, 4644
probe vs contact parameters vs welding conditions, hand held probe length vs surface distance perception, college students, 4226
psychological stress controllability vs predictability, peripheral benzodiazepine receptors, male rats, 4587
reduced spectral contrast & loss of frequency resolution simulated by short term spectral envelope smearing, speech reception threshold & vowel & consonant identification in noise, college students, 4286
repeated stimuli & transfer of matching & nonmatching concept, male rats, 24541
serial vs spatially distributed visual presentation, processing time during vs after display & saccadic overhead, adults, 44093
shape & directionality of geometrical vs biological vs calligraphical stimulus, bias in apparent forward facing motion, college students, 20223
size & visual field of stimulus, hemispheric processing of global vs local information in divided attention task, right handed college students, Spain, 546
spatial proximity & similarity of stimulus & response sets, precuing benefits in choice RT keypressing task, college students, 16249
state & trait anxiety & personal relevance of stimulus materials & awareness induced by backward masking, selective processing of emotionally valenced stimuli, college students, 314
stimulus & response latency differences & ratio of reinforcer rates, conditioned discrimination, pigeons, 28405
stimulus color &/or letter, target detection RT, college students, implications for visual information processing, 43985
stimulus conditions favoring monocular dominance vs superimposition vs transparency in binocular vision, adults, 8234
stimulus congruence & stimulus-response compatability & mapping in auditory RT task, 23–38 yr olds, France, replication, 16237
stimulus context, judgments of equal loudness & individual tones, adults, 8247
stimulus degradation & semantic priming, N400 EPs & RT during lexical decision, college students, 24765
stimulus features, effects of precued attention to target location on visual discrimination, adults, 24296
stimulus intensity vs response type vs memory set size, information processing stages of memory search task using EPs, male college students, 12620
stimulus orientation congruency, visual search time, college students, 12159
stimulus response compatibility task without visual cues marking stimulus position, spatial distribution of selective attention, 17–36 yr olds, 17004
stimulus time course, temporal & spatial aspects of sensory interactions during fusional response in binocular vision, adults, 40002
superimposed vs nonsuperimposed configuration, paired associate learning of complex Blissymbols, 54–65 mo olds, 17025
target & nontarget stimuli, brain EPs as indicators of clairvoyance & precognition, psi talented male, 8439
temporal relationship of feature & target, ambiguous discrimination in autoshaping, pigeons, 449
temporal stimulus accents, verbal production & motor accompaniment synchronization, 5.5 yr old musicians vs nonmusicians, France, 9147
test stimulus size & wavelength, loss of foveal vs parafoveal flicker sensitivity during dark adaptation, adults, 8196
thresholds & psychometric functions for detection of changes in amplitude &/or frequency modulation, adults, test of single vs independent mechanism hypothesis, 24345
time uncertainty & stimulus reaction compatability & movement direction, RT & EPs in motor programing processes, 24–37 yr olds, 4649
tone pattern frequency vs intensity vs duration vs serial position, short term acoustic recognition memory, 23–41 yr olds, 24466
trimethyl pyrazine & 2-propionyl-3-methyl furan, olfactory self vs cross adaptation as function of odor similarity, young adults, 16122
velocity & direction of cutaneous stimuli across fields, responses of guard vs down hair vs field afferents vs type I mechanoreceptors in hairy skin, cats, 16618
vertical separation & spatial frequency of strips of horizontal gratings, vernier acuity, adults, 24331
VI reinforcement & discriminative stimuli, choice behavior, pigeons, 8477
vibrator probe contractor position, lingual vibrotactile thresholds of sensitivity, 18–26 yr olds, 43939
visual pattern discrimination & perceptual metricity, honeybees, 8449

Stimulus Parameters [See Also Interstimulus Interval, Size, Spatial Frequency, Stimulus Attenuation, Stimulus Complexity, Stimulus Duration, Stimulus Frequency, Stimulus Intensity, Stimulus Intervals, Stimulus Novelty, Stimulus Offset, Stimulus Onset, Stimulus Salience, Stimulus Similarity, Stimulus Variability, Temporal Frequency]—Chapters
Dimensional overlap and dimensional relevance in stimulus-response and stimulus-stimulus compatibility, 24275
The effects of stimulus symmetry and task requirements on scanning patterns, 40022
Imitatio Estes: Stimulus sampling origins of Weber's Law, 12
Pitch related to spectral edges of broadband signals, 44038
Reducing interference in distributed memories through episodic gating, 385
Stimulus organization and stimulus detection: Intelligence-related differences, 43924

Stimulus Pattern [See Stimulus Variability]

Stimulus Presentation Methods [See Also Stereoscopic Presentation, Tachistoscopic Presentation]—Serials
attentional bias & visual field effects, bilateral visual presentation task performance, college students, 32090
audio vs visual headphone vs soundfield presentation of speech stimuli from 4–5 yr olds, judgments of phoneme errors, graduate students, 8248
auditory stimulus intensity vs test repetition vs presentation mode, P50 amplitude & suppression, 19–51 yr olds, 12612

backward paired aversive shock UCS & visual CS, conditioned inhibition of analgesia, rats, 24550
blocked vs random presentation with vs without retrieval cues, immediate vs delayed recall, 2nd vs 4th graders, 25151
facilitated communication with vs without distractor condition, picture labeling performance, autistic 16.3–30.3 yr olds, 26062
FI vs fixed delay terminal link schedules & cued keylight stimulus conditions, matching of response ratio, pigeons, 32304
implicit vs explicit preparation instructions & random vs blocked preparation intervals, RT & hand advantage in spatial precuing task, college students, 12128
mass vs distributed presentation of unsignaled shock, contextual conditioning deficit, rats, 24530
massed vs distributed exposure & face imaging & same vs different study to test view, facial recognition, college students, erratum, 12180
order of presentation & style of counselor, ratings of performance & perceptions of counselor, 19–58 yr olds, replication & extension, 6512
presentation mode & practice, latency of transcription & transliteration & pronunciation of Kanji characters, college students, 16958
sex & intensity of auditory vs visual vs electrocutaneous stimuli, direction & acceleration & habituation of cardiac defense response, college students, Spain, 20775
simultaneous presentation procedure, selection of preferred reinforcers, male developmentally delayed mute 4 yr old identical twins, 29942
subliminal vs supraliminal exposure to abandonment stimulus, mood & eating rate & relation to bulimia & scores on eating disorder inventory, female college students, 2082
symmetry & plane presentation, determination of perceptual center of flat figures, college students, 4254
tabular vs graphic quantitative information presentation, mathematics performance, male vs female college students, 4349
tone light compound with vs without food reinforcement or shock with appetitive contingencies, selective association responses, male rats, 32311
unimodal vs bimodal presentation of novel stimulus in passive vs active attention processing tasks, spatial & magnitude components of early ERPs, adults, 44468

Stimulus Presentation Methods [See Also Stereoscopic Presentation, Tachistoscopic Presentation]—Chapters

Methodological issues in the investigation of spelling and spelling development, 17117

Stimulus Salience—Serials

attribute prominence, choice & strength of preference judgments for alternatives with 2 attributes, college & graduate students, test of strategy & scale compatibility hypotheses, 40091
color vs form salience, perceptual selectivity in visual search, 18–25 yr olds, 4267
conditioned taste aversion & extinction of overshadowing CS, rats, 455
descriptive vs injunctive norm salience, littering behavior, adolescent to elderly library visitors, 21509
dominance of category exemplars presented to left vs right visual field, semantic priming & lexical decision & pronunciation of loosely associated words, right handed adults, erratum, 16530
facial characteristics vs characteristic configuration of synthetic models, discrimination of conspecific faces, budgerigars, implications for sociobiological behavior, 24567
information importance & long term recall, 18–48 yr olds with closed head injury, Israel, 6407
line drawing discrimination, stimulus generalization of deleted contours, pigeons, implications for weight of features in object recognition, 28410
living vs nonliving stimuli, visual recognition performance, 21 yr old male with presumptive herpes encephalitis, 6391
motivationally significant cues, ability to shift attention from dominant to nondominant task features or alter dominant response set, college students, 40207
predator silhouettes vs naturally occurring stimuli, alarm response vocalizations, male vs female adult vs juvenile captive vervets, 12389
repetition & distinctiveness & semantic priming, recognition of familiar faces, college & postgraduate students, 36223
salience of discrete target elements, global effect on saccades, college students, 43970
salience of visual stimulus context, closure & division & visibility outcomes, college students, test of salience independence theory, 43979
salient vs nonsalient targets & favorable vs unfavorable testing conditions in ESP experiment, displacement & psi missing, college students, reanalysis, 28366
selective associations in tone plus light compound stimulus conditioning context based on food vs shock avoidance related contingencies, male rats, 44263
status conspicuity & peripheral presentation of text editing information, eye movements, 21–55 yr olds with computer keyboard expertise, implications for human factors engineering, 28203
stimulus extinction & validity in conditional discrimination learning, pigeons, 4474
stimulus feature dimensions, face perception, pigeons, application of polymorphous feature learning model, 28399
target stimulus salience, operant feature positive discrimination learning, rats, 44240
2 stimuli signalling reward vs nonreward & irrelevant 3rd stimulus, stimulus discrimination, pigeons, 24543
5 dimensional visual stimuli, category discrimination, pigeons, implications for feature analysis, 28403

Stimulus Salience—Chapters

The effects of representation on the processing of probabilistic information, 24432
Importance, interest, and selective attention, 3482

Stimulus Similarity—Serials

act prototypicality vs conceptual similarity, ratings of interpersonal traits based on behavior, adults, 25507
age & subtask similarity, performance in dual compensatory tracking tasks, 19–30 vs 64–77 yr olds, 36262
autocorrelation model of mechanism underlying pattern similarity judgment, college students, Taiwan, 24398
bias in lineups based on target/suspect similarity, suggestiveness in selection of foils, college students, 9589
element similarity & line orientation, texture segmentation & pop out & grouping of targets in preattentive vision, adults, 16187
general recognition theory model of identification, prediction of similarity judgment & categorization of multidimensional perceptual stimuli, adults, commentary reply, 296
individual differences multidimensional scaling method, ratings of painful electrocutaneous stimuli similarity, healthy male 18–46 yr olds, 32011
learning & transfer of identity & difference relationships in toy discrimination, 25–33 wk olds, 28963
near miss vs unrelated contrasting story, problem solving schema acquisition & analogical transfer from convergence stories, college students, 28245
object similarity, interpretation of relations among word meanings, 2 yr olds, 987
organization of visual pattern information by Gestalt principle of lightness similarity, 3 mo olds, 28949
phonologic similarity of visually presented letter sequences & silent mouthing of irrelevant words during study, sequence memory, college students, implications for working memory model, 36244
phonological & categorical similarity of words in list, long term memory for word order in incidental learning tasks, college students, 20319
phonological similarity & concurrent irrelevant articulation, short term memory recall of repeated & novel word lists, college & postgraduate students, 44136
phonological similarity of visual letter sequences, immediate serial recall during simple vs complex rhythmic finger tapping, college students, 36243
presentation of related events & retention interval, retroactive interference in matching recognition task, college students, 44134

presentation of words semantically similar to target word, frequency judgments for target word, college students, test of total similarity model, 44082
priming, visual &/vs semantic errors in naming to deadline for pictures of objects from categories with structurally similar vs dissimilar exemplars, college students, England, 20291
prior social knowledge & similarity based information, categorization accuracy of biographical descriptions, 6.2–7.1 vs 11.3–12.5 yr olds, Australia, 9153
semantic similarity & affect homogeneity of word list, free recall & recognition & discrimination of frequency of words, college students, 16345
similarity in problem equation vs structure, algebra word problem classification & solution, college students, 12259
similarity judgment as construct & process, college students, 28260
stimulus functions transference through derived arbitrary & nonarbitrary stimulus relations, college students, 28302
title confusion & similarity, measured magazine audience levels, respondents, 31660
transfer & learning of new programing language similar vs dissimilar to known language, graduate students vs professional programers, 12290
trimethyl pyrazine & 2-propionyl-3-methyl furan, olfactory self vs cross adaptation as function of odor similarity, young adults, 16122
visual similarity & typicality, categorization of pictures vs word stimuli, college students, Italy, replication, 4315

Stimulus Similarity—Chapters

The concept of perceptual similarity: From psychophysics to cognitive psychology, 16151

Stimulus Variability—Serials

access to external information & stimulus complexity & variability in information processing tasks, RT & correlation with cognitive ability, college students, Germany, 16295
auditory stimuli repetition & change, N2b & mismatch negativity EPs, 20–35 yr olds, 20677
code regularity & complexity in serial pattern interpretation, college students, 20232
conditions of task bias, accuracy of observed judgment, group members, 16289
dissimilar left & right eye stimuli, binocular vision, adults, translated article, 16193
flash & pattern reversal visual EPs, cortical response, 6 wk to 10 yr olds with cerebral blindness, 2349
pattern onset stimuli, visual evoked magnetic response, 23–41 yr olds, 16615
predictability of food acquisition, escape performance, rats, 24547
pulse jitter in electrical stimulation of lateral hypothalamus, kindling & brain self stimulation, rats, 16635
stimulus variability & partial reinforcement contingencies, discrimination learning with light signals, adults, application of statistical model, reprint, 12279
stimulus variability & partial reinforcement contingencies, discrimination learning with light signals, adults, application of statistical model, commentary on reprint, 12292
stimulus variability in speech production, perception & memory & retention & detection of differences between speech sounds, 2 mo olds, 933
variability of sample stimuli & interstimulus interval, delayed discrimination learning, pigeons, implications for memory processing, 32297
visual stimulus variety on VI schedule, choice behavior during visual pattern sequences, college students, Japan, 16199

Stimulus Variability—Chapters

Emergent properties of complex arrays, 465
The Modality Shift Effect: Further explorations at the crossroads, 21844
A new theory of disuse and an old theory of stimulus fluctuation, 374
The perception of the extended stimulus, 228

Stipends [See Educational Financial Assistance]

Stochastic Modeling [See Also Markov Chains]—Serials

consumption containment rate distribution curves & model of dynamic change in alcohol drinking history, comparison of data from countries with high vs low alcohol consumption, 39922
decision field theory as mathematical foundation for & dynamic stochastic theory of decision behavior in uncertain environment, 40080
FR schedule with vs without feeder reinforcement & travel time between feeder patches, baited vs empty patch leaving behavior, pigeons, test of stochastic foraging model, 32305
game theoretic approach to binary stochastic choice problem, 20127
game theoretic approach to stochastic choice problem, 20137
Markov process modeling of visual fixation sequences while looking at familiar objects, 8199
statistical theory of learning curves under entropic loss criterion in stochastic multilayer neural network, 39637
stochastic formulation of attitude change based on direct pair interaction, attitude formulation model, 4185
stochastic model for incomplete knowledge, random guessing & multiple choice decision making behavior, examinees, 4178
stochastic model of male daily time allocation to song production & foraging routines & female mate selection, birds, 44297

Stochastic Modeling [See Also Markov Chains]—Chapters

Stimulus sampling and distributed representation in adaptive network theories of learning, 375
Stochastic models of juror decision making, 43629

Stomach—Serials

chronic subdural hematoma, male 35 yr olds with dural metastasis from gastric cancer, case report with research review, 18305
recombinant bovine cytokines interleukin-1 beta vs interleukin-2 vs interferon gamma, food intake & forestomach contractions, dwarf goats, 21028
structural strategic family therapy, 13 yr old male with chronic stomach pain & his family, 34702

Storytelling—Serials

acculturation to moderately or exclusively oral cultures through narratives, literate missionaries, Kenya & Papua New Guinea & US, 41036
age & discourse context & plot centrality & type of narrative, referential strategies in narrative discourse, 3.7–7.3 vs 18–24 yr olds, Japan, 37022
allegorical tales in psychotherapy vs bibliotherapy vs mutual storytelling, children of divorced parents, 42208
clue preview & story composition vs prediction listing, story recall, junior high school students, 19469
coherence of visual displays &/vs simultaneous story, recognition memory for detail, adults, 20309
construction of social stories for teaching social behavior, autistic students, 39336
content of & interaction during collaborative description of shared vacation, young vs elderly married couples, Canada, 25125
coping benefits & limitations of positive vs negative stories about others in similar stressful events, 30–66 yr old cancer patients & college students facing midterm exams, 41336
cultural role of dream sharing & visionary narrative interpretation, Mayan Indians, Meso-America, 25368
development of grammatical aspects of narrative structure, 3–8 yr old 1st language vs adult 2nd language learners, Sweden, 40851
development of hierarchical goal plan of action in coherent narration of picture story, 3 vs 4 vs 5 vs 9 vs 20 yr olds or older, 21198
encoding & recall of self generated narration, female 18–20 vs 61–91 yr olds, 40808
focusing & storytelling & other elicitation procedures for personal constructs, 25546
grammar & cohesion & developmental level of spontaneously generated oral narratives, 4.4–16.1 yr olds treated for posterior fossa tumor, 30198
hypothesizing & storytelling in family therapy training, trainees, 35142

imagination & elaboration in account of historical event, 4th graders without systematic US history instruction, 28964
individualism & cooperation & competition in staffroom stories & work & professional culture, high school teachers, Israel, 2 yr study, 23449
language attitudes & bilingualism, humor & dialect stories, tellers in German-American bilingual communities of southern Indiana, 16952
listening to & discussion of contextual vs media stories, conceptions of death, kindergartners vs 2nd vs 4th graders, conference presentation, 27426
listening to stories in literary Arabic, comprehension & literacy skills in diglossic language, 5.1–6 yr olds, Israel, 28916
literary analysis vs experience, felt involvement in & aesthetic experiences & responses to picture book stories, 3rd graders, 19480
meaning of relationship narratives in psychotherapy, outpatients, 26450
mother's contextual vs event elaboration focuses in narrative elicitation, narrative structure & content, 44 mo olds followed since 27 mo, longitudinal study, 17056
narrative ability & story retelling, male 7–11 yr olds with vs without attention deficit hyperactivity disorder, 26058
narrative style in spontaneous storytelling, bilingual 4 yr old, 909
narrative vs nonnarrative comprehension & use in literacy development ability, kindergartners, 39267
narratives & social bonding in community identity & land use decisions & other political economy issues, 17457
near miss vs unrelated contrasting story, problem solving schema acquisition & analogical transfer from convergence stories, college students, 28245
oral storytelling task with no prop vs picture vs drawing, story structure & descriptive nature & fluency & vocabulary, kindergartners, educational implications, 40858
personal knowledge & sharing stories on astronomical research in science education, teachers & students, 47176
problems & symptoms embedded & retained in stories narrated in family therapy, transformations & narrative changes through therapy, 10570
psychotherapy as reconstruction of life narrative, 6514
reading comprehension & oral storytelling abilities, learning handicapped Latino junior high school students, 22102
storytelling & family therapy, 46329
storytelling as teaching method, development of clinical values & attitudes & healthy doctor patient relations, medical students & residents, 7310
storytelling task, spoken language skills, learning disabled 2nd–4th graders, 1 yr study, 18103
storytelling technique in person centered death education, college students, 7398
use of Family Interaction Test in therapy, interpretation of perceptions of family life & interactions, 6–13 yr olds, 10493
use of narrative & elements of literature in doctor patient encounter, 46775
use of play narrative story stem technique for assessment & intervention, maltreated 4–5 yr olds, 26423
use of stories & meaningful narratives about research in educational psychology & influence on education practice & policy, 11342
use of stories & meaningful narratives about research in educational psychology & influence on education practice & policy, commentary, 47113
4 step process for product & service design using storytelling in visualization, elderly, US vs Europe, 23831

Storytelling—Books

Clinical use of story telling: Emphasizing the T.A.T. with children and adolescents, 31934
Homemade books to help kids cope: An easy-to-learn technique for parents and professionals, 18675

Storytelling—Chapters

Children's Apperceptive Story-Telling Test: Social-emotional assessment, 24099
A constructivist narrative perspective on stress and coping: Stress inoculation applications, 34432
Creative characters, 46249
How individuals control their own minds: A constructive narrative perspective, 33372
Mutual storytelling, 46260
Parent goals and styles of storytelling, 37340
Placing affect and narrative in developmental and cultural context: Comments on Miller et al, 44927
A proposal for a re-authoring therapy: Rose's revisioning of her life and a commentary, 14537
Self-definition and social definition: Personal styles reflected in narrative style, 7981
Storytelling as collaborative reasoning: Co-narratives in incest case accounts, 3914
Telling and enacting stories in psychoanalysis, 10637
Troubles in the garden and how they get resolved: A young child's transformation of his favorite story, 44935

Storytelling Technique [See Mutual Storytelling Technique]

Strabismus—Serials

contrast sensitivity & spatial localization deficits, strabismic vs anisometric amblyopic patients, 6430
dichoptic masking, binocular integration in contrast, 18–43 yr olds with strabismus &/or amblyopia, 18443
experimental strabismic amblyopia, development of neural mechanisms of vernier vs grating acuity, infant macaques, longitudinal study, 12467
monocular optokinetic nystagmus induced by horizontally moving square wave gratings, 2.5–8 yr olds with amblyopia &/or strabismus, UK, 14447

Strain Differences (Animal) [See Animal Strain Differences]

Stranger Reactions—Serials

attachment behavior toward mother vs network member vs stranger, 12–15 mo olds, 25227
behavioral & heart rate responses to stranger in sociability vs wariness situation, 10–13 mo olds, Sweden, followup study, 28989
constant time delay procedure with multiple exemplars, teaching appropriate responses to lures of strangers, severely mentally retarded 38 & 40 & 48 yr olds, 38462
constant time delay procedure with multiple exemplars, teaching appropriate responses to lures of strangers, severely mentally retarded 38 & 40 & 48 yr olds, commentary, 38461
cross cultural validity of Strange Situation procedure, assessment of infant parent attachment, 4 mo olds & their mothers, Japan, 4 & 8 mo followups, 5199
evaluation of infants' attachment behavior in Strange Situation procedure, Jewish day care providers, Israel, comparison with Western data, 5225
facial gesturing of stranger vs mother, imitation of facial expressions, 6 wk vs 2–3 mo olds, 21255
planned conception, vocal response to mother vs stranger, 3 mo olds & their mothers, US vs Greece, 21262
reaction to mothers and strangers vs objects, 3–6 mo olds, analysis of still face effect, 17149
stranger behavior, wariness of stranger, 6 vs 12 vs 18 mo olds, 1100
training in safe responding to strangers' lures, developmentally delayed preschool students, 23615

Stranger Reactions—Chapters

Features of speech in inhibited and uninhibited children, 29099
Wariness to strangers: A behavior systems perspective revisited, 29103

Strategies [See Also Learning Strategies]—Serials

activation of concordant vs discordant strategies in gesture & speech in explanation of solution to math task, transition in learning & effort in subsequent word recall task, 9.3–10.5 yr olds, 21173
alcohol, planning & strategies in complex task performance, male managers & professional personnel, 44730
apparent movement cue use strategy, inspection time & IQ, adult Air Force recruits, 40083
assessment of discrete quantity estimation strategy & skills, 3rd vs 5th vs 7th graders, 3430
attitudes toward & strategy effectiveness of bicycle helmet promotion campaign, parents of 5–18 yr olds, 38779
audience address & context creation & persuasion strategies in letter writing, 6th graders, 17061

causal attributions & beliefs about memory performance & strategies, 20–41 vs 60–88 yr olds, 20308
compatible vs noncompatible forced decision making strategies, postdecisional confidence, male college students, Israel, 28275
competition based development of peer oriented alcohol education & behavior redirection strategy, college students, 43220
computational practice, estimation strategies & errors in overt strategies prohibited task in mental addition, kindergartners, 9125
conceptual shortcut vs familiar computing strategy in solution of mathematical inversion vs standard problems, 2nd–4th graders, Germany, 974
congruence among complex task & goal & feedback interdependence, task strategy & intragroup conflict & group performance quantity & quality, college students, development of model, 21484
constructional copying strategies, right handed unifocally brain damaged patients, Italy, conference presentation, 34238
daters' perceived proactive & constructive maintenance strategies, escalation vs stability vs deescalation vs termination of relationship, college students, 8 wk followup, 37422
deception strategy typologies & impression management, undercover narcotics agents, 27888
development of strategies for solving 2- & 3-dimensional hands-on combinatorial problems, 7–12 yr olds, Australia, 37027
difficulty of task & quality vs quantity goal, strategy development & decision outcome, college students, 4309
discourse strategies & cognitive maneuvers & communicative goals, female speakers, 9076
domain knowledge & experimentation strategy proficiency, understanding of physical system, college students, 8323
expert vs novice baseball knowledge, strategic sorting & recall of baseball terms, 2nd & 4th–5th graders, replication, 923
forward reasoning strategy in drug dose adjustment for epileptic seizure control, physicians vs medical students, 18871
global mental processing & use of strategy & heuristic subroutines & task performance in problem solving, learning disabled vs nondisabled elementary age children, 45819
handedness & spatial processing strategy preference, image generation skills, college math & science vs art students & 7th–9th graders, 37019
historical survey of inheritance practices & parental bias in primogeniture, farming families, implications for Darwinian parental strategies & social change, 41060
individual & organizational strategies for coping with employee stress & related problems during organizational change, 43484
individual differences in confidence in pretraining knowledge & awareness of training performance, accession of prior knowledge & strategy transfer in problem solving, college students, 318
information seeking & strategic sexual communication in condom use resistance & response, college students, 1333
intercorrelation of attribute values & conflict in choice problem, adaptation of information processing & decision strategies, college students, 44058
interest in text, reading strategies & recall, college students, 32172
intervention strategies for large scale organizational change, managers & consultants & researchers, 7680
issues & strategies in negotiation of leisure time constraints, 35630
knowledge of relevant reading strategies in given situation, reading situations typology, college students, 32152
macroprocessing & microprocessing strategies instruction, text learning, high school remedial students, 47270
memory load & verbal vs visual presentation, role of working memory & strategies in syllogistic reasoning, Scotland, 40096
mental addition & subtraction processing strategies for numbers to 100, problem solving, 2nd graders, Netherlands, implications for teaching models, 47216
mental preparation strategies & precompetitive cognition & affect prior to best vs worst performance, Olympic wrestlers, 1988, 19763
microsegmentation tailored marketing strategies, mature industrial market managers & salespersons, application of buyer behavior framework, 31661
modeling & coaching of metacognitive strategies underlying expert behavior, learning affect & cognitive ability, college students, 27470
opposing coach's time out prior to free throw, shooting percentage, basketball players, 1977–89, 35621
Payne's vs Van Raaij's indexes vs single Markov model to test 2 phased decision strategy, decision making with variously complex tasks, college students, conference presentation, 12251
perceived maintenance strategies as correlates of relationship satisfaction at varying dialectical moments, romantic & married couples, 37412
power & market position & influence strategy, perceived channel control & satisfaction, office systems & furniture dealers, 43486
practice, reasoning strategies for making inferences from metadeductions, adults, Wales, 8285
reliability & validity of retrospective accounts as indicators of past business strategy, CEOs, 15627
retention interval & stay vs shift response strategies, spatial memory in radial maze task, nutcrackers, 24542
S. Touval & I. W. Zartman's taxonomy of communication & formulation & manipulation in international mediation strategies, 1179
search for information about interaction context before vs after planning, modification & elaboration of plans to reach social goal, college students, 21466
self directed investigation & strategy change in scientific reasoning development, 4th–6th graders, 32881
sex & systematic feedback, use of behavioral strategies & success in predictions of computer random numbers, college students, 36192
social marginality & strategies for adaptation to prison culture, 1st time short term inmates, 23319
strategies & speed of processing in solution of simple vs complex mental subtraction problems, 18–38 vs 61–80 yr olds, 40811
strategies adopted to cope with changing gender role orientations, males vs females, conference presentation, 13356
strategies in identification of polysyllabic words, 6th graders with high vs moderate vs poor abilities, 968
strategy for regulation of attachment system, skin conductance during Adult Attachment Interview, college students, 12682
strategy formation & metacognitive control, visual inspection duration during single vs dual task, adolescents, 5087
strategy of dimensional based elimination as 1st phase before alternative based processing of remaining options in decision making, college students, conference presentation, 12219
structural information processing deficit & feature attentional strategy use in object recognition, female 58 yr old with Alzheimer's disease & visual agnosia, case report, England, 22406
teaching of literacy strategies, elementary school teachers, 3376
textmarking strategy transfer, college developmental reading students, 39206
theory of strategic agency & alteration of power through negotiation & manipulation of network linkages, experimental Ss, 17455
think aloud self report instructions, strategies & performance in decision making, young vs older adults, 40822
transactional strategies instruction & direct explanation vs teacher & student interaction with material, reading comprehension, elementary school students & teachers, 3375
unconscious mathematic & geometric strategies used to catch ball, skilled male fielder, 35623
use & effectiveness of self efficacy building strategies, high school & age group tennis coaches, replication, 19774
use of cognitive preparation strategies before competition, college basketball players & skiers, 7712

Strategies [See Also Learning Strategies]—Books
Dynamics of competitive strategy, 19740
Strategies [See Also Learning Strategies]—Chapters
The bottom line: Naturalistic decision aiding, 36204
Constraints on the problem solving of persons with mental retardation, 38046
Developmental differences in phonological spelling strategies, 17127
Emotional intelligence and the self-regulation of affect, 33381
Evolutionary design of systems to support decision making, 39630
Manifesto on dyslexia, 41847
On the strategies that Blacks employ in deductive reasoning, 16325
Problem solving strategies: Comparison between Australian and Japanese children, 5147
Strategic decision making, 31543
Strategies (Learning) [See Learning Strategies]
Strength (Physical) [See Physical Strength]
Stress [See Also Environmental Stress, Occupational Stress, Physiological Stress, Psychological Stress, Social Stress, Stress Reactions]—Serials
academic setting & risk for psychological dysfunction of psychosocial stressors, African American students at predominantly Black vs White university, 3508
acculturation experience & stress, attitudes, 13–83 yr old Asian Indian immigrants, US, 29193
acculturation status & ethnic identity, stressors & headaches & health, Mexican American vs White high school & college students from extreme south Texas, 9399
acute restraint stress, serum IgE antiovalbumin antibody production, male mice, 28622
adjustment processes, stress & health, 18–75 yr old Iranian immigrants, 1983–86, implications for health care professionals, 13268
adjustment to stress from developmental & family systems perspective, families of children with cystic fibrosis, 14159
aerobic exercise frequency, negative & positive affect & depression & stress, 16–43 yr olds, Australia, 8769
aerobic exercise training, mental stress induced cardiovascular reactivity, sedentary middle aged males, 24834
age & predictors & sources of stress, pregnant vs parenting 14–19 yr old females, 44977
aging & chronic stress & social support, cardiovascular functioning during active coping task, 30–84 yr old caregivers of family members with Alzheimer's disease, 11024
aging & stress coping strategies & patterns of responses to health & family & housing & income issues, 60–65 & 70–75 yr olds, 15 yr study, Germany, 13208
aging vs stress contextual cues, interpretation of & health care response to physical symptoms in vignette, college students, 38139
AIDS related stressors & personal & sociodemographic & other characteristics, satisfaction with social support, gay males, 34112
alexithymia & stressful life events, peptic ulcer formation, gastrointestinal outpatients, 18178
anatomic distribution of endogenous opioid peptides & receptors & role in circulatory adaptation to stress, 40502
antidepressant-like effects of bromocriptine & quinpirole, chronic mild stress induced decreased sucrose consumption, male rats, animal model of depression, 741
antiglucocorticoid RU486, glucocorticoid action in stress induced suppression of testicular steroidogenesis, male rats, 12703
anxiety & arousal & stress & Type A personality & coping & other correlates, recovery from abdominal surgery, 17–67 yr olds, 2806
anxiety & behavioral control, coping with stress, 17 yr old males vs females, 9290
anxiety & stress & other adjustment problems after relocation from native country, children, Austria, 9220
anxiety vs major depression, sleep pattern disturbances, stress clinic patients, 37672
application of animal models of stress to understanding of PTSD, 45580
appraised significance of child's intellectual disability & dependence & behavior problems, stress, parents of 3–5 vs 10–12 vs 17–19 yr olds with moderate to severe intellectual disabilities, 22119
arginine-8-vasopressin, sudden silence stress induced bradycardia & immobility, 3 vs 14 vs 20 vs 25 mo old male rats, 24855
arginine-8-vasopressin vs oxytocin in central nucleus of amygdala, conditioned footshock stress induced immobility & bradycardia, male Roman high vs low avoidance rats, 20976
arousal, right ear advantage in dichotic listening to consonant-vowel syllables, female college students, Norway, 4274
assessment of affective processes & attributional style & expectations, prediction of smoking motivation & role of stress, 17–52 yr old smokers vs nonsmokers, 5490
assessment of daily stress & coping & association with daily mood, 41334
assessment of news media initiated stressors, 32806
attention & stress & negative emotion, sleep, adults with sleep onset vs sleep maintenance insomnia, 34069
attention control vs acute aerobic exercise followed by rest & psychological stress & recovery, self reported distress & BP & heart rate, female 25–40 yr olds, 28648
attitudes toward & management of stress, India vs Great Britain, conference presentation, 25562
attitudes toward alcohol vs marihuana vs cocaine use when under stress, male vs female 17–31 yr old college students, 47251
attitudes toward homosexuality & family ethos of affection/obligation & stress, parental caregivers of gay sons with AIDS, 34111
auditory & visual environmental enrichment during rearing, depopulation stress & fear reactions, caged hens, implications for handling in alleviation of trauma in domestication, 36308
autogenic therapy, stress & anxiety & autonomic imbalance, chronic asthmatic 18–58 yr olds, Spain, 38674
aversive handling behavior during rearing, growth rate & plasma cortisol & behavioral & adrenal response to humans, male pigs, 4436
behavior problems, correlations with parental stress, 3–5 yr olds referred to diagnostic nursery, 29938
behavioral & pharmacological treatments, patients' behavior problems & caregiver burden, elderly with dementia & their caregivers, England, 6448
brief intermittent aggression induced social stress, autonomic circadian rhythms & cardiovascular & thermoregulatory & motor & other behavioral responses, male rats, 40480
buspirone, Type A behavior & hostility & perceived stress, male 35–65 yr olds with coronary artery disease, 42608
cardiovascular reactivity during passive vs active coping stressors, urban vs rural Black vs White males, 12698
cardiovascular response to laboratory stress, ambulatory BP during perceived stress, 40–55 yr olds, 20758
caregiver burden & underutilization of formal services, dysfunction & depression & perpetuation of economic cycle, Hispanic caregivers of elderly family members, 19106
caregiver stressors & strains & social support & other mediators & characteristics, employed Black vs White adults caring for frail parents, 27072
caregiving demands, life satisfaction & depression & subjective stress symptoms, 60–84 yr old caregivers, commentary, 2979
caregiving demands, life satisfaction & depression & subjective stress symptoms, 60–84 yr old caregivers, 2981
catecholamine modulation of immune functions, implications for stress associated physiological mechanisms, 28492
causal attributions for & coping with & self controlling behavior after stressful event, 21–59 yr olds, 37505
central autonomic innervation in regulation of heart rate in response to mental arithmetic stress, heart transplant recipients, 38735
changes in gaze & motor activity patterns in response to stressful still face situation, 3 mo olds, 3 mo followup, 33004
characteristics of informal caregiving & risk & interventions for stress & burden & burnout, caregivers, 2967

child & parent & family environment variables, parenting stress, 4.1–12.1 yr olds with attention deficit hyperactivity disorder, 14033
child & parent domains of maternal parenting stress & disruptive behavior, 2–10 yr olds, 32950
childhood war & 1st yr resettlement experiences & stressful events & PTSD or depression, adolescent & adult Cambodian refugees, US, 25696
childs' medical severity & stress appraisal & psychological symptoms & adjustment, mothers of 2 mo to 18 yr olds with myelomeningocele, 18211
chronic immobilization stress, growth hormone & TSH secretion & response to hypothalamic regulation, male rats, 44501
chronic intermittent immobilization stress & associated anorexia, changes in serum LH, male rats, 28642
chronic mild stress, acquisition of place preference vs aversion conditioning, male rats, 16450
chronic mild stress, quinpirole induced locomotion & sucrose drinking & conditioned place preference, male rats, 36852
chronic mild stress, systemic or nucleus accumbens quinpirole vs dextroamphetamine induced place preference & locomotor stimulation, male rats, 36851
chronic mild stress vs pimozide, rewarding effects of sucrose concentration & food intake attenuation, male rats, implications for anhedonia, 20767
chronic stress, sensitization to amphetamine induced locomotor activity & dopaminergic neurochemistry, male DBA/2 vs C57BL/6 vs B6D2F1 mouse hybrids, 16731
chronic stressors & subjective reactions, 22–82 yr olds with rheumatoid arthritis, 45929
chronic uncontrollable stress with vs without exogenous glucocorticoids, regional fat distribution & metabolism, male rats, 12870
cigarette smoking, subjective stress vs cardiovascular arousal during high vs low challenge computer task, male vs female smokers vs nonsmokers, 12704
circuit weight training, mood & stress & job satisfaction & physical symptoms, male law enforcement officers, 39700
client stress associated with orientation & mobility training, visually impaired clients & mobility instructors & welfare workers, 38995
climacteric characteristics & psychological & physical distress & life stress, 36–65 yr old females, Netherlands, 5641
clinical characteristics & classification & mental health care system use during Persian Gulf War, Army soldiers with combat stress, 1990–91, conference presentation, 7059
clinical features & stress & psychosocial factors, 4–10 yr olds with sudden onset of extraordinary daytime urinary frequency, 45891
clozapine, development of chronic leukocytosis & neutrophilia during stressful rehabilitation, depressed male 55 yr old, 46514
CNS corticotropin releasing factor, feeding behavior & dietary self selection, nutritionally vs physically stressed male rats, 24897
community integration & hassles & stress & social support & social support seeking, 60 yr old & older widows, 17242
community vs institutional setting, types of burden felt in caregiving for cognitively impaired elderly, 24–87 yr old spouse vs nonspouse caregivers, 19105
computer experience, computer related stress, college students, 37483
conceptual & methodological problems in research on stress & schizophrenia, 45524
conceptual considerations on hope & coping with stress, 25556
conditioning & stress, psychoneuroimmunologic functions, animals, research review, 40329
conditioning models of stress, treatment of PTSD, conference presentation, 6462
confinement in metabolism stalls, adrenal function & thyroxine levels & motivation for movement, lambs, 36656
construct validity of Ways of Coping Checklist vs Cybernetic Coping Scale, measurement of coping with stress, MBA students, implications for job stress research, 39890
construction & reliability & validity of Parental Stressor Scale: Neonatal Intensive Care Unit, assessment of stress of physical & psychosocial environment of intensive care unit, 13–41 yr old parents, 43778
continuous unemployment vs re-employment & economic stress, perceptions of social support, displaced workers, 43455
control over situation & active vs passive coping during stressful task, BP & heart rate, female college students, 20747
conversational interactions as coping & problem solving technique for stress, 37420
coping benefits & limitations of positive vs negative stories about others in similar stressful events, 30–66 yr old cancer patients & college students facing midterm exams, 41336
coping humor & cognitive appraisal of stressful event, female college students, Canada, 45248
coping strategies & caregiving stress & relationship with institutionalized parent, adults, 27087
coping strategies & effort & perceived stress, cigarette smoking, 7th graders, 40953
coping strategies & stress & anxiety & physical symptoms & depression, 2nd yr medical students assessed 1 yr before vs 9 days after Gainesville serial murders, 45784
coping strategies for threat & loss & challenging life events, Catholic vs Protestant adults, 37258
coping with sports related stress, 16–32 yr old athletes, 19760
correlates of adaptive behavior & resiliency in high stress & risk environments, children, 37122
correlates of parenting stress, depressed vs nondepressed 16–42 yr old mothers of 3–13 mo olds, 13716
corticosterone &/vs stress, suppression of viral immunity, adrenalectomized male mice infected with herpes simplex virus, animal model, 32508
corticosterone, effect of stress on locomotor response to amphetamine, male rats, 4780
cortisol & prolactin & human growth hormone & testosterone reactions to stress, urban vs rural Black males, 12699
counselor led workshop, coping responses to stress of classroom appraisal visits, teachers, 43166
crime characteristics & high vs low vulnerability stress & prior psychiatric diagnoses, development of PTSD, 18 yr old & older female crime victims, 1984
cross cultural perspective on measurement of life stress events & etiology of PTSD, 17859
CSF 5-HIAA & plasma stress hormones & testosterone, aggressivity & stress, male rhesus monkeys, 640
cultural & other psychosocial factors, burden, caregivers to impaired elderly, South Korea, 30869
cultural factors in poststress symptom presentation & treatment strategies, 3–15 yr old earthquake survivors, Armenia, 46209
daily hassles & life events & health & mental health symptoms, Chinese 17–27 yr olds, Hong Kong, 17635
daily hassles & MMPI personality patterns, 18–60 yr olds with chronic primary headache, Italy, 22187
daily hassles & self reported symptoms, natural killer cell activity & levels & in vitro hormone induced changes, college students, 32535
daily hassles, severely mentally ill 28–75 yr olds in sheltered care, 29571
daily hassles vs major life events, prediction of physical & psychological well being, 55 yr olds & older, 1161
daily minor stress & stress related disorders, research review, 41938
daily stress &/or hassles, physical & psychological health, 28–75 yr olds with severe mental disabilities, followup study, 33548
daydreaming style & intrusive vs avoidant thoughts about stressor, adults, 45234
defensiveness, anticipatory vs aftermath subjective & physiological responses to threat & stress appraisal, male college students, 12680
delta sleep inducing peptide, substance P in hypothalamus & emotional stress, male rats, translated article, 8969

demanding cognitive task & coping treatment, cranial & peripheral vasomotor stress responses, migraine patients, 45907
demographic background & stressor exposure & postdisaster environment, immediate stress response, evacuees during Persian Gulf War, Israel, letter, 37808
depression & self esteem & stress & burnout, regular vs special education grade vs high school teachers, 27365
depression & stress mediating potentials of social embeddedness & family & other social support, 55 yr old & older flood victims, longitudinal study, 25776
desipramine, stress induced anhedonia assessed by tegmental electrical self stimulation, male rats, animal model of depression, 40633
development & factor analysis & validity of self report feminine gender role stress scale, female college students, 15
development & psychometric properties of Mastery of Stress Instrument, assessment of situational & maturational stress, adults, 35870
development & reliability & validity of Inventory of High School Students' Recent Life Experiences, assessment of hassles, 13–24 yr olds, Canada, test appended, 20002
development & reliability & validity of Prenatal Social Environment Inventory, assessment of exposure to psychosocial stressors & risk for low birth weight babies, pregnant adult females, 8053
development & reliability & validity of Reinvestment Scale, assessment of controlled processing & prediction of performance breakdown under pressure, college students, England, 35859
development & utility of critical incident stress debriefing process, coping with workplace crises & traumas, employee assistance practitioners, 35547
development & utility of self report instrument, assessment of stressful life events, high school students, implications for school adjustment, 8073
development & validity of Italian & English versions of Perceived Stress Questionnaire, college students vs health workers vs ulcerative colitis outpatients vs gastroenterology inpatients, 28067
development & validity of Life Events Survey for Collegiate Athletes, assessment of life stress & social support & injuries, college athletes, survey appended, 8017
development of Child Perceived Coping Questionnaire, assessment of coping with & moderation of stress, 6–12 yr olds, 11967
development of integrated family assessment inventory, assessment of stress & strain, family caregivers of dementia patients, 16038
development of stereotypies, resistance & uneasiness when tethered & neuroendocrine stress indications & heart rate, sows, conference presentation, 12714
developmentally appropriate vs inappropriate classroom & sex & race & SES, stress behaviors, kindergartners, 7403
dexfenfluramine &/vs stress, food & water intake & body weight & immune responses, male rats, 40679
diabetes & naltrexone vs naltrindole vs beta funaltrexamine, footshock vs forced swim stress induced analgesia, male mice, 8923
diazepam in basolateral vs central amygdala, stress induced hypoalgesia & defensive freezing behavior, female rats, 36784
dreams recorded in diary of W. Byrd as tool for research on life stress in colonial Virginia, 1709–41, 35771
DST results & prediction of major depression, adults with high stress levels, 21744
early childhood stress factors & life events, psychological development, healthy adults, Germany, 45262
early detection of Alzheimer's disease during or immediately following stressful life event, caregivers, 42055
educational & support group program, affect & strain & anxiety, 35–84 yr old caregivers of elderly, Australia, replication, 18673
effects of emotional depression & illness & divorce & parental conflict on maternal stress, grades & internalization & externalization of problems, 11.1–15.3 yr olds & their mothers & teachers, 40956
electric foot shock vs conditioned fear stress, brain 5-HT & tryptophan & 5-HIAA & defecation & freezing behavior, male rats, 36521
emotion vs problem focused strategy for coping with parenting stress & cognitive appraisal, depressive mood & psychological distress, mothers of physically disabled 0–7 yr olds, 14192
environmental & handling stressors, urinary free cortisol, long tailed wild born macaques, 36299
ethanol & delta sleep inducing peptide, 5-HT & dopamine & their metabolites in medial prefrontal cortex vs nucleus accumbens vs striatum, male rats under differing levels of stress, 21053
ethanol & rectal probing & regain of righting reflex, body temperature, male rats, 36832
ethanol vapor inhalation with vs without pyrazole or other nonspecific stress, plasma corticosterone & body & adrenal weight, male mice, 20892
ether stress, bioactive vs immunoreactive ACTH plasma levels, male rats, 40496
ethnic & mainstream identification, stress associated with cultural disparity or perceived discrimination, Hispanic college students, 41040
ethnicity & sex & history of grandparent's early myocardial infarction, hemodynamic responses to stressful forehead cold & treadmill exercise, Black vs White 6–8 yr olds, 21146
etiological stress & psychological factors & preventive & therapeutic treatments, spontaneous abortion, research review, conference presentation, 6204
everyday hassles & stress & life events & depression, adult patients with globus sensation, Scotland, 2125
everyday stressors & coping strategies, Hispanic vs Anglo learning handicapped 16–18 yr olds, 38037
exercise & stressful public speaking task, angina & asymptomatic ischemia & beta endorphin response, 46–81 yr old heart disease patients, 46031
exercise & trait anxiety, moderation of stress illness relationship, unemployed migrant 17–67 yr olds, West Germany, 14887
exposure to combat & intrusive thoughts, prediction of chronic stress symptoms, male 33–49 yr old Vietnam veterans, 43531
exposure to female vs stress, morphological changes in neurons of archi-neostriatum caudate, male isolation vs cage vs aviary reared zebra finches, 36553
exposure to maze with fear inducing vs natural odors & shock or natural stressor, stressor associated vs other odor preference level, male rats, 24517
extent & correlates of burden, family members of 15–45 yr olds with bipolar disorder vs major depression, India, 13711
factor structure & predictive validity of Perceived Stress Scale vs Beck Depression Inventory, measurement of perceived stress & coping ability, psychiatric patients, 15959
factor structure of causal inferences between stress & health problems, young adults vs adults vs health professionals, 42650
factors affecting stress on relative caregivers & predictors of community care breakdown, 65 yr olds & older with dementia, 1 yr followup, 38912
factors in & interventions for anxiety & stress associated with breast lump discovery & hospitalization, female 21–75 yr olds scheduled for excisional breast biopsy, 34738
family economic stress, adjustment, female 7th graders, 28995
family functioning & parenting stress & attitudes & other variables, families of 3.5–6 yr olds with externalizing behaviors vs autism vs other problem behaviors, 33475
family functioning & satisfaction & coping & perceived stressors at various stages of life cycle, parents of mentally retarded patients living at home, 14060
family stress & resources & coping skills & disease related knowledge, metabolic control, 2.2–18 yr olds with insulin dependent diabetes mellitus, 38081
family support & stressful life events & emotional distress, alcohol use, Native American 9th–12th graders in boarding school, 47244

family vs work involvement attitudes & work restructuring, job & marital satisfaction & stress, dual earner spouses, 17317
fear of vs actual exposure to ionizing radiation following accident, anticipatory & chronic stress assessed by self report & behavioral & neuroendocrine variables, community residents, Brazil, 30005
fever manifestation of handling stress & hindering effect of salicylate injection, male lizards, 44529
flight training stress, lymphocyte subset distribution & prolactin & cortisol in blood plasma, male 19–27 yr old student & instructor Air Force pilots, Italy, 20733
fluoxetine & maprotiline, stress induced anhedonia & conditioned place preference, male rats, 24946
functional & cognitive status & behavior problems & perceived interpersonal family stress, elderly with dementia of Alzheimer's type & their caregivers, 34197
general life stress & athletic performance, athletes, 3755
grandmaternal exposure to enriched vs standard vs impoverished environment, Skinner box & open field behavior, rat pups, implications for transgenerational mediation of maternal stress in rearing, 28425
guidelines for coping with stress of aging, conference presentation, 25298
handling & restraint over time, behavioral agitation & stress, cattle, 36301
hardiness & commitment & control & challenge, stressful life events & illness, male managers with mean age of 48 yrs, erratum, 41306
hardiness & job & life stress, illness & absenteeism, police officers, 19921
hassles & anxiety, perceived stress & psychiatric & physical symptoms, adults, Canada, 13620
health related stressors & daily hassles & coping strategies, parents of preschoolers to 8th graders with myelomeningocele, 10253
heel prick pain, heart & respiratory rate & blood oxygen & carbon dioxide variability measurement of stress, premature 7–35 day olds, 30649
high vs low affect provocation & stress, BP & heart rate, college students with vs without hypertensive family history, 14268
history & conceptual models & theories & measures of stressful life events, 25569
home based care aide service, stress before & after intervention, primary caregivers of impaired elderly, 30873
home care of elderly with dementia, stress, family caregivers, Hong Kong, implications for day care centers, 19100
home vs school stress & adrenaline & noradrenaline & cortisol & cortisone levels, 4–9 yr olds, England, 25092
hopelessness, stress related depressive symptoms, college students, 21751
hospital respite program, stress, family caregivers of elderly patients with Alzheimer's disease, 38958
hospital roommate's health problem similarity & preoperative vs postoperative vs nonsurgical status, stress & affiliation & anxiety, preoperative male 33–88 yr olds, 26898
hospitalization of chronically physically ill patient as stressor, use of medical services, family members, 7159
household economy, perceived stress, professional females, 13353
housing affordability & discrimination, stress & homelessness, single mothers & their children, 13248
human transforming growth factor overexpression, spleen natural killer cell activity & plasma steroids & stress induced behavior, male transogenic mice, implications in carcinogenesis, 12466
hypnosis with vs without EMG biofeedback, stress or pain or psychosomatic problems, adults, conference presentation, 26801
icv & intra-amygdaloid vs intracaudate alpha hel corticotropin releasing factor & midazolam, emotional & behavioral & plasma ACTH & corticosterone responses to stressful social defeat, male rats, 8910
icv corticotropin releasing factor &/vs naloxone, restraint stress induced heart rate, body temperature & serum corticosterone, male rats, 44636
identity style, strategies used to cope with academic problems & stressors, 18–25 yr old college students, 23576
illness & stress & coping, citizens exposed to radiation from nuclear accidents, USSR, 14148
illness severity & demographics & stress & efficacy & health locus of control expectations & coping & family functioning, psychological adjustment, mothers of 7–17 yr olds with cystic fibrosis, 14202
immobilization stress &/vs ethanol, extracellular dopamine & DOPAC in frontal cortex, male rats, 40591
immobilization stress, potassium chloride & norepinephrine mediated hypothalamic corticotropin releasing hormone secretion, male 344/N rats, animal model of stress, 44390
India expedition stress, personality, male vs female 17–20 yr olds, England, 9643
indomethacin with vs without handling stress, conditioned natural killer cell & fever responses triggered by camphor odor, female mice, 32691
indoor confinement & presence of adult hinds, weaning stress, red deer calves, 12433
inescapable footshock stress, shock avoidance escape learning & forced swimming & saccharin consumption & open field behavior with vs without noise, male rats, animal model of depression, 20381
informal social support as buffer against stress, implications for helping professions, 1365
information processing &/vs organizational climate & work load & conditions & control & interpersonal tensions, physical symptoms & stress & anxiety & happiness, female office workers, 19755
informational stress, secretion of endogenous opioids, male rats & 20–25 yr olds, conference presentation, 12681
institutionalization of relatives with dementia, stress & role evaluation & well being, spouse & adult child primary caregivers, 19134
integration of stress & coping theory into evaluation research, long term outcome, unipolar depressed & alcoholic patients, 10454
intensity & group vs home setting of exercise training, depressive symptoms & anxiety & stress, healthy 50–65 yr olds, 47465
intensive vs naturalistic measurement of stress & coping & mood, 21555
interactionist perspective on personality & stress as psychosocial risk factors for cancer & coronary heart disease & role of psychological treatment, patients, commentary, 30079
interactionist perspective on personality & stress as psychosocial risk factors for cancer & coronary heart disease & role of psychological treatment, patients, commentary reply, 30029
interactionist perspective on personality & stress as psychosocial risk factors for cancer & coronary heart disease & role of psychological treatment, patients, commentary, 30078
interactionist perspective on personality & stress as psychosocial risk factors for cancer & coronary heart disease & role of psychological treatment, patients, commentary, 30077
interactions between stress hormones & sympathetic nervous system & hypothalamo pituitary adrenal axis & cerebral serotonergic systems, literature review, 32378
internal locus of control vs repression vs ego strength vs barrier, subjective distress caused by daily hassles, college students, Italy, conference presentation, 5603
interrelation of stress & anxiety & depression in affective & anxiety disorders, literature review, 21695
intrathecal naloxone hydrochloride vs naltrindole vs binaltorphimine, nonopiate stress induced analgesia, male rats, 21034
ip dehydroepiandrosterone & stress, development & course of West Nile virus induced encephalitis & mortality rate, female rats, conference presentation, 4740
ipsapirone, ACTH & plasma renin & corticosterone & defecation & prolactin responses to physical & emotional stress, male rats, 8965
isatin, stress & serotonergic system response, rats, conference presentation, 4885

iv naloxone, stress induced changes in plasma ACTH & corticosterone & testosterone & aldosterone, male rats, translation, 32700
job stress & psychosocial strain & physical health problems, 21–65 yr old full time employed females vs homemakers, 27684
knowledge of seropositivity, social network support & illness related stressful life events & sexual contact pattern, HIV positive homosexual or bisexual males, Sweden, 26238
laboratory induced controllable vs uncontrollable stress, Rorschach variables "m" & "y", college students, 21542
leftsidedness & health & cardiac rhythm & adaptive stress & personality & efficiency, male 40–50 yr old administrative vs research vs clerical personnel, translated article, 24823
leisure interests & stress, high school vs college students, implications for development of short version of Leisure Interests Checklist, 25203
leisure or campus recreation & demographic variables, perceived academic stress & leisure satisfaction, college students, 35415
length & type of training & stressors & coping behavior, male vs female clinical psychology trainees, England, 3170
life chart approach to V. Van Gogh's life events & stresses & illnesses, 21086
life event related stress, hospitalized alcoholic 20–50 yr old males, India, 23269
life event stress, rheumatoid arthritis symptoms, arthritis patients, longitudinal study, 38108
life event stressors, schizophrenic patients, research review, 45523
life events & daily stressors, positive & negative symptoms, schizophrenic 21–56 yr olds, 9868
life events & mood & perceived stress, development of cold symptoms, college students with rhinovirus infection, 10257
life experiences & hassles & worry & anxiety & cognitive correlates, college students, England, 25579
life experiences, coping & stress & illness risk, 1435
life strain & social resources & other variables, depression subdimensions of life satisfaction & withdrawal & general depressive affect, 65–101 yr olds, 37703
life stress & anxiety & body consciousness, hypervigilant decision making in analogies task, college students, 21526
life stress & anxiety & depression, working vs nonworking 25–35 yr old females, India, 5456
life stress & psychological & problem solving & environmental & family factors, hospitalized 12–14 yr olds with suicidal behavior vs other psychiatric problems, 33479
life stress, course & outcome of psychotherapy with antidepressants, adults with recurrent depression, 6456
life stressors & alcohol usage & perceived quality of intimate relationship, abuse of female intimate, adult males, 29784
life stressors & coping style, interval between HIV-1 infection & AIDS development & immune measures, asymptomatic 18–40 yr old HIV-1 seropositive homosexual males, 6287
life stressors & psychosocial factors, adolescents with adjustment disorder, Bahrain, 37645
life stressors, cervical intraepithelial neoplasia, African American vs Hispanic adult females, implications for cervical cancer, 46015
lithium vs caffeine &/vs adenosine A/1 receptor agonist, restraint stress induced gastric lesions vs hypermotility & defecation vs hypomotility, rats, 4945
living arrangements & knowledge of health risks & self reported stress, health risk behaviors, college students, 15473
locus of control & nonverbal expressiveness & age & sex & income & hours worked & social desirability & job satisfaction, occupational & life stress & mental health, dentists, 6 mo followup, 43092
locus of control & self esteem, moderation of link between negative life events & psychological symptoms, 8–16 yr olds, 1607
locus of control & sport competition trait anxiety & stress & coping & social support, injury occurrence, 17–22 yr old athletes, test of stress & athletic injury model, 10217
major stress events vs daily vs perceived stress & disease activity, outpatients with inflammatory bowel disease, longitudinal study, 18188
major vs minor stressful life events & appraisal of stressors, persistence of headaches, 18–60 yr old chronic migraine vs tension vs mixed headache sufferers, 22188
maternal & family distress & child adjustment, maternal stress & family functioning, 6–12 yr olds & their mothers, 41073
maternal deprivation, stress induced plasma corticosterone & activity of hypothalamic pituitary adrenal system, rat pups, 650
maternal distress & family stress load & coping behaviors & risk factors, prediction of behavior problems and maladjustment, Black 6–8 yr olds & their mothers, 25924
meaning of work stress on surveys as occupational stressor vs strain reaction, 18–67 yr old employees, implications for occupational stress research, 7642
memory RT vs cold pressor vs rebreathing task, respiratory sinus arrhythmia & prejection period, male 24–45 yr olds with borderline hypertension, implications for attenuated parasympathetic tone, 22317
mental or physical stress or violence, production & amplification of sexual arousal & orgasm & reproduction, humans & plants & animals, 25913
method of scoring Life Experiences Survey, assessment of stress & relationship to self esteem, 14–19 yr olds, 35861
methodology for measurement of emotional & heart rate reactivity to stress in daily life, male 18–30 yr olds, 20739
methods for training effective task performance in stressful situations & use in combat training, military personnel, 7726
microinjection of opioid antagonists into substantia nigra, stress induced eating vs oral stereotypies, male rats, 4811
mild prenatal stress, birthweight & interaction & neuromotor & temperamental maturation, rhesus monkey infants, 20768
mild stress, reward responsiveness decrease, rats, animal model of anhedonic depression, 20776
mild stress with vs without moclobemide vs sleep deprivation, 5-HT-1C receptor initiated penile erection & depression, male rats, animal model, 36841
mild unpredictable stress, suppression of sucrose solution vs water vs food intake, food & water deprived male rats, implications for anhedonia, 20760
minor irritants &/vs positive experiences, quality of sleep, adults, 36700
MK-801 vs naloxone, ethanol induced analgesia, mice bred for high vs low swim stress induced analgesia, 28750
model for expectations disease, relationships between stress & disorders of control & dependent behaviors, 37653
models of factors in parenting behavior & stress, conference presentation, 21382
moderating factors in relationship between stress & performance, implications for Combat Information Center Navy teams, research review, 3772
mother's life strains & enacted support & support satisfaction & problem focused coping & self esteem, 8–13 yr olds from mother custody vs 2 parent families, Canada, 37149
multimodal unit based intervention, war stress & PTSD, 19–55 yr old soldiers surviving SCUD missile attack during Persian Gulf War, 42152
music, stress vs relaxation after waiting with group of strangers, college students, 8794
naloxone &/vs dizocilpine, swim stress induced analgesia, gonadectomized male vs female mice with or without estrogen replacement, 44686
naltrexone vs morphine, cold water swim vs social defeat induced analgesia, male rats, test of collateral inhibition model, 40582
network range, exposure to stress & access to social support & distress & health, male vs female adults, 13531
neuroleptics, stress induced by herding & handling & veterinary procedures on farm, red deer, 36753
neuropeptide FF with vs without IgG, morphine vs stress induced analgesia, male vs female deer mice, 4837

nicotine withdrawal & stress, affective correlates of urges to smoke, adult continuing vs withdrawing habitual cigarette smokers, 15141
nocturnal & diurnal functional enuresis related to behavior & stressful events, 4 yr olds & older, Germany, 10219
noise stress & Type A behavior, ambulatory BP & heart rate reactivity, 20–50 yr old male workers, 39523
novel environment & physical stress, locomotor reactivity & nucleus accumbens dopamine, male rats predisposed or resistant to amphetamine self administration, animal model of drug addiction, 28547
numbing of general emotional responsiveness associated with PTSD & other psychopathology as psychological response to stress mediated by hypersection of endogenous opiate system, 17695
objective & subjective burden & experiences, 8–18 yr olds with schizophrenic mothers, 1741
objective illness stressors & family context variables, prediction of family strain & adjustment & psychosocial problems, families of cancer patients, 18310
occupational category & stress, coronary prone behavior, 35–45 yr old males, 17561
oral habits, use of oral stimulants & other behavior to release tension & happiness, male vs female college students, 45229
organizational merger, stress & job satisfaction, building society managers, UK, 31513
overtraining or staleness, neuromuscular & cardiovascular & metabolic & immunological & kinanthropometric changes, athletes, literature review, 15708
parachlorophenylalanine induced 5-HT depletion, stress impact on corticotropin releasing factor & c-fos RNA expression in paraventricular nucleus & plasma ACTH & corticosterone, male rats, 40368
parent & child related parenting stress, parents & their 1 yr olds & younger to 3 yr olds & older with disabilities vs normative sample data, 9713
parental marital status & conflict & family stress & perceptual relationship with mother, cognitive & social competence, 11–15 yr olds, 17191
parenting stress & social support, 28–58 yr old mothers of children with vs without learning disabilities, China, 45817
parvocellular neuron lesions in paraventricular nucleus of hypothalamus, stress induced cardiovascular & endocrine responses & hypothalamic oxytocin messenger RNA, male rats, 16526
patient characteristics & perceived stress, satisfaction survey responses, general practice patients, 38811
patient sundowning behaviors & cognitive decline & caregiver stress, 50–79 yr olds with Alzheimer's disease & their 30–81 yr old spouse caregivers, 6361
peer intervention program, stress & parental competency & child discipline practices, pregnant vs parenting 14–18 yr olds, 37100
perceived & enacted social support & cultural context, coping with daily stress, Black vs White 71 yr old females living alone, 45037
perceived daily life hassles & locus of control & adjustment & depression & anxiety, college students, Canada, 13523
perceived daily life stress, figure skating performance, 8–17 yr old females, 36971
perceived family & work environments & stressors, adult females with PMS, 18212
perceived parenting stress & quality of mother child relationship, mothers of asthmatic 8–13 yr olds, 26159
perceived parenting stress in mother child relationship & perceptions of self & child, mothers of 24–28 mo olds with vs without history of recurrent otitis media, 6 mo follow-up, 10214
perceived sex differences in child's vulnerability to life stress, mothers of male vs female 6–11 yr olds, Israel, 1079
perceived sources of stress & war situation & effect on family, families assessed during 1st wk of Persian Gulf War, Israel, 41062
perceived sources of stress, college psychology students, Ireland, 11526
perceived stress & dietary disinhibition & blood glucose control, Type I diabetic female 12–26 yr olds, Canada, 22169
perceived stress & life changes & psychological & physical distress symptoms, 23–79 yr olds in health promotion vs cardiac rehabilitation program, 38663
perceived stress level, college students, Canada, 9609
perceived stress vs happiness vs busyness, urinary cortisol excretion levels, 20–50 yr old males vs females, England, 12705
perceived stressors & mediators & social & psychological adjustment, 29–46 yr old divorced mothers, 33109
perceived support from spouse & friends, familial & nonfamilial role strain effects on depression & psychological adjustment, married working parents, analysis of stress buffering hypothesis, 25380
perception of stressful life events during 3 mo prior to suicide, surviving spouses of suicide victims, Finland, 25906
perception of student stress, 12 & 14 yr old secondary school students vs pastoral care school staff, 7500
perceptions of parent child relationship, stress affected vs resilient 4th–6th graders & their parents, 40912
perceptions of parental involvement & commitment & anxiety & sources of worry & stress, male vs female 10–15 yr old elite distance runners, 5 yr study, 1065
perceptions of prison environment & stressors, male vs female inmates, 35076
perceptions of stress & functioning in families of autistic vs mentally retarded vs physically handicapped children, 17–38 yr olds, 1532
perceptions, stress management vs crises, families, 13284
perfectionism & daily stress & depression, patients with depression vs other psychiatric disorders, test of specific vulnerability hypothesis, 25709
performance on adjustment measures, stress affected vs resilient 4th–6th graders, 1049
personal & behavioral variables, perceived academic & personal & professional stress, 2nd yr medical students, 43069
personal adjustment & parenting style & stress, pregnant 14–19 yr olds, postnatal followup, 25244
personality & stress, 16–69 yr old musicians vs actors vs singers vs dancers, England, 12937
personality based hardiness & constitutional predisposition, mediation of stressful life events & illness, male middle & upper level managers, erratum, 41961
personality correlates of stress & coping, drivers, 5601
pharmacological effects of drugs, stress & ethanol induced gastric mucosal damage, rats, animal model of ulcers, 16748
photographic lens & filter model of steps between life event stress & development of acute vs chronic PTSD, 33684
physical structure of household, perception of household space & caregiving burden & satisfaction, multigenerational families with disabled 65–100 yr olds, 34914
physiological vs emotional stress, cocaine self administration, male rats, 40654
pile up of demands & resources & coping & stress, adaptation, developmentally delayed 2–5 yr olds & their families, application of T-Double ABCX Model, 45803
pimozidine dosage, dark vs light phase wheelrunning in activity-stress paradigm, male rats, 12822
placement of demented relative in nursing home vs continued home care, perceived stress & well being & role evaluation, 29–88 yr old family caregivers, 2 yr study, 46872
positive vs negative adaptations to training stress & model of training stress syndrome, athletes, 15722
postnatal handling stress, icv beta endorphin induced antinociception & perception of thermal nociceptive stimulation & Straub tail response, mice, 40491
postnatal stress & age, plasma corticosterone, 8–14 day old mice, 28635
postnatal stress, mesolimbic dopamine metabolite function during arousal, adult mice, 44386
predator induced stress, brain 5-HT & 5-HIAA & tryptophan, male bicolor damselfish, 36584
predictable vs unpredictable restraint vs novelty stress & prenatal ethanol, plasma corticosterone, rats, 16705
predictable vs unpredictable restraint vs novelty stress & prenatal ethanol, plasma corticosterone, rats, erratum, 40508

pregnancy during medical residency, sources of stress & support, 40 yr old & younger physicians, 3199
premilitary stress, PTSD symptom severity, Vietnam veterans, 37814
prenatal cocaine vs alcohol, stress induced immobility, male rats, 16739
prenatal diazepam, stressor induced GABA-A receptor function in cerebral cortex, 35 vs 70 day old vs adult rats, 36803
prenatal maternal stress, locomotor response to novelty & predisposition to amphetamine self administration, adult rats, animal model of drug addiction, 8889
prenatal maternal stress, serum corticosterone & immunoglobulin G responses to postnatal stress, rat pups, 20770
prenatal stress & attenuation of plasma testosterone, volume & masculinization of sexually dimorphic nucleus of medial preoptic area & ejaculatory behavior, male rats, 8774
prenatal stress, novel environment induced exploration & clinging to surrogate or other infants & locomotion & other motor behavior, infant rhesus monkeys, 20450
prenatal stress, novelty stress induced reactivity of hypothalamic pituitary adrenal axis, female rats, 20596
prenatal stress, sexually receptive female induced LH release, male rats, 20753
preparation for interinstitutional relocation, psychological well being & health, frail nursing home patients, 19123
prevalence of anxiety disorders & intrafamilial stress, male 7–18 yr olds with hemophilia with vs without HIV, 38089
previous chronic exposure to immobilization, behavioral vs noradrenaline vs 5-HT vs 5-HIAA vs MHPG response to novel vs previous stressor, male rats, 4615
problem solving appraisal, association between life stress & depression, college students, South Africa, 25788
process & viability & flexibility of Persian Gulf War support group, stress, community members near military base, 30558
proconvulsant & anticonvulsant effects of stress & neuroactive steroids & GABA neurotransmission & types of epileptogenesis, 46077
psychic stress & brain death, activity of intestinal receptor for cobalamin intrinsic factor complex, male rats, 36664
psychological factors of current & past relationships & values in sex life & stressors, males with erectile or ejaculatory dysfunction, Poland, 22247
psychological research on stress & disasters & human made technological accidents, implications for policy & planning & legal resolution of environmental hazards, 43585
psychological symptom levels & social support & stressors & awareness & use of local social services, Asian vs native females, Great Britain, 17719
psychosocial developmental stages & stressful life events, healthy lifestyles & behaviors, 24–80 yr olds, 13131
psychosocial stress & cognitive performance & personality traits & attentional functioning, prediction of disability, 19–51 yr olds with whiplash injury, 6 mo followup, 30066
psychosocial stress & depression & anxiety, patients with migraine vs tension headaches, Italy, 2158
psychosocial treatment techniques based on vulnerability stress model, schizophrenic clients, 22484
quality of life & stress coping behavior, male 13–18 yr old sufferers of headaches, 30076
ratings of stressful events, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45256
real life stress of college examination, cognitive coping strategies & BP, male college students, 4707
real life vs experimental stress, temporal & digital pulse amplitude & forehead temperature & heart & respiration rate & electrodermal activity, patients with migraine headache, 38125
recovery from acute aerobic exercise followed by mental & physical stressors, state anxiety & mood states & BP & heart rate & plasma catecholamines, adult males, 44554
redressive & reformative & experimental functions of self control & coping with stress, 41330
relationship between stress & social support, application of social comparison & exchange theories, 25465
relationship with parents & family environment & child attributes, resilient outcomes following major life stress, male vs female 10–12 yr olds, 9310
relaxation therapy & hypnosis, anxiety & stress, adults with neurogenic impairment, 18859
relaxation training, well being & stress, 36–81 yr old breast cancer patients, 14788
reliability & validity of Clergy Children & Couples Scale, members of ministerial families, 27921
reliability of Driving Behaviour Inventory & internal consistency of subscales, assessment of stress, drivers, England, 35783
reliability of translated Wheatley Stress Profile, 18–55 yr olds with anxiety disorders or depression or agoraphobia, China, conference presentation, 24126
repeat restraint stress, stress induced dopamine release in nucleus accumbens, male rats, 28513
repeated stress with vs without high sodium chloride diet, plasma & regional brain neuropeptide Y & norepinephrine & epinephrine, male rats, 12497
reported infant crying & parenting stress, mothers of infants, 21383
research on neurochemical basis of individual differences in resistance to stress, animal model, commentary reply, letter, 32556
residential change & stress, divorced adults, 25390
respite care, stress & coping & strain, caregivers of elderly, England, 1 yr study, 38914
respite care, subjective & objective burden & morale, 38–89 yr old family caregivers of patients with Alzheimer's disease, 6 mo followup, 30876
restraint stress, expression of C-fos protein in mesencephalic dopamine neurons, male rats, 20738
restraint stress, intrathecal mu-receptor selective opioid agonist DAGO induced dose dependent analgesia potentiation, male rats, 24856
restraint stress, natural killer cell activity & neuroendocrine hormones & behavior, macaques, 44548
restraint stress, social & sexual behavior, male rats, 40483
restraint stress with vs without naloxone, plasma ACTH & corticol & prolactin & growth hormone, prepubertal gilts, 40476
return to natal group following separation, cortisol & lymphocyte response, male juvenile rhesus monkeys & their mothers, psychophysiological implications of stress, 36667
rewarding vs stressful experiences, 14–80 yr old peace activists, 9355
rhythmography & short term weak stress, diagnosis of psychoemotional stability, 20–70 yr old male shipyard workers, 24830
role identity salience & commitment, stress from work & family role conflict, male vs female employees, 7662
role of benzodiazepine receptors & diazepam binding inhibitor in stress & anxiety & immune system response, research review, 28504
role of captivity & economic strain & other stressors, caregiving cessation due to placement in institutional care, caregivers of parents or spouses with Alzheimer's disease, 34907
role of cultural systems in & utility of adaptation paradigm for illness & coping responses to social & environmental stressors, scientific research station winter personnel, Antarctica, 11708
role of life stress events in adjustment & PTSD & treatment implications, victims of child or spouse abuse or war or other trauma, 13835
role of long term health care costs & voluntary impoverishment in family stress & relations, spouses & parents & adult children, implications for practitioners, 7039
role of MAO in emotions & adaptations to stress in humans & animal models of psychopathology, treatment implications, 46509
role of mood-dispositional negative affectivity in relations between self reports of stressors & strains, research review & reanalysis, 37485
role of parenting patterns & behavioral norms & stress in negative catch all diagnosis of borderline personality disorder, males vs females, 5971

role of stress & unintegrated unreported emotions, male 42–62 yr olds with hypertension, 42021
role specific vs aggregate measures of negative life events & role evaluations, psychological distress, college students, 45249
saccharin & glucose solution intake, restraint stress induced potentiation of morphine induced analgesia, male rats, 20822
scale for measurement of perceived burden, caregivers of elderly family members with dementia, 34912
school counseling strategies, self inflicted stress & copout & burnout behavior, gifted students, 35490
school success pressure & career uncertainty & conflict with parents, stress, 13–16 yr olds, Germany, 29022
self defeating beliefs & attitudes & stressful life events, depression levels at beginning vs end of academic yr, college students, Australia, 1682
self esteem & depression & life stress & social support, suicide ideation, 11–18 vs 19–71 yr olds, Canada, 17902
self esteem & locus of control & accumulated stressors & perceived military stress, psychological well being, Army wives separated from husbands stationed in Persian Gulf, 31627
self identified intrapersonal & interpersonal & extrapersonal stressors & needs, 31–82 yr old informal home caregivers of head injured adults, 2970
self perceived problem solving ability, stress & coping processes, college students, 1462
self reported oral symptoms & stressful life events, 35–44 yr olds, 45915
sense of coherence, perceived burden, 32–87 yr old caregivers of elderly with urinary incontinence vs recent fracture vs confusion vs need for assistance in walking vs Alzheimer's disease, 7113
sensitivity & reliability of Inventory of College Students' Recent Life Experiences, indirect assessment of hassles based stress, college students, 35855
SES & family & social structure & parental health & life stress, depressive symptoms, male vs female 9th–11th graders, 1669
severity of premenstrual symptoms & life stressors & medical or psychiatric problems, 12–56 yr old females, 2130
sex & interpersonal stress & social support & relational involvement, depressed mood, 9th–12th graders, 40911
sex & positive vs negative life stress, change in metabolic control, outpatients with diabetes mellitus, Sweden, 38138
sex & stress & health beliefs & behaviors, physical health & symptoms, African American college students, 5586
sex, caregiving stressors & burden, meta analysis, 7118
sex, perceived antecedents of academic stress, 8th–12th graders, 47249
sex role orientation & masculine sex role stress & dissimulation, self reported fears, male vs female 18–57 yr olds, England, 41278
sex, stress effects on dream recall, college students, 8387
sex, type & frequency & extent of coping strategies for daily stressors, 18–46 yr olds, 21 day study, 21549
shifts in models of & research on stress & emotion, 17th century to present, 40206
short or long air jet stress, BP & plasma catecholamines, male borderline hypertensive rats, 44538
similarities & differences in child related & parenting stress, mothers vs fathers of toddlers with Down's syndrome or motor impairment or developmental delay, 21637
single vs repeated handling by same vs different person, plasma epinephrine & norepinephrine & ACTH & corticosterone, male rats, 36663
single vs repeated maternal separation, stress induced corticosterone, rat pups, 12706
social competence interview &/vs video game &/vs mirror drawing &/vs mental arithmetic stress tasks, prediction of ambulatory BP, Black vs White 13–16 yr olds, 25083
social network & marital support, moderation of effect of economic stress & depression on parental behavior, 2 parent families, 29259
social networks & social support & stress, smoking behavior, African American adults, 17426
social status & identity & relevant vs irrelevant stressors, psychological distress, adults, 9639
social stress during pregnancy, neuromotor development & responses, infant squirrel monkeys, 36686
social stressors & coping behavior, Catholic religious professionals, US & South Africa, 45068
social support & self determination in leisure participation, coping with life stress & health, literature review, 39543
sources & symptoms & prevention of stress, 38774
sources of school stress, at risk elementary & junior & senior high school students, implications for school counseling, 19548
sources of stress & coping responses, 10th graders, Canada, 3506
sources of stress & support, families of 28 mo to 17 yr olds with developmental disabilities, 41804
sources of stress, adult national champion figure skaters, 1985–90, 43520
specific categories of daily hassles, differential prediction of psychopathology symptom levels &/or changes, college students, 5760
spectral & qualitative & quantitative time domain analysis of respiration & psychophysiological correlates of stress & emotions & affect, 16707
stable vs unstable social environment, affiliative behavior & T-cell immune response, male monkeys, 2 yr study, test of stress buffering hypothesis, 8762
stress & adrenalectomy, interleukin-1 beta mediated activation of hypothalamic corticotropin releasing factor messenger RNA, male rats, 32379
stress & anxiety & depression & perception of health & mental health problems, adult females, Canada, 29519
stress & anxiety, time perception, male college students, Nigeria, 5592
stress & attributional style, self reported depression, 9–12 yr olds, 21750
stress & coping & religious beliefs & activities & high risk sexual behavior, nonmonogamous gay & bisexual males, implications for HIV risk reduction, 5472
stress & coping & school based assessments & interventions, 1st–12th graders, 39303
stress & coping & support, families of patients with HIV or AIDS, implications for counseling, 30115
stress & coping resources, 33 yr old female South Vietnamese refugee, clinical implications, 25335
stress & coping, social & emotional development & psychosocial adjustment, 4.3–6.6 yr olds, 32945
stress & coping, standardized aptitude & achievement test performance, 6–16 yr olds referred for psychodiagnostic testing, 41425
stress & demands & quality of life, family caregivers of patients with Alzheimer's disease, 23085
stress & family history of depression, hedonic capacity, 18–24 yr olds, 45430
stress & health outcomes & neonatal morbidity, mothers of premature low birth weight infants, 30034
stress & individual differences & Type A behavior, lipid & lipoprotein levels, literature review, 12702
stress & other risk factors, violent feelings vs behaviors toward care recipient, caregivers of elderly family members with dementia, 2977
stress & perceived situational control & coping & depressive mood, HIV positive vs negative male homosexual 23–67 yr olds, 1988 vs 1989, 45985
stress & personality characteristics & adjustment, females with organic vs functional infertility, India, 38136
stress & personality traits & learned behavior & psychiatric disorders, symptoms, hospitalized headache patients, treatment implications, 34064
stress & personality type, prediction of cancer vs coronary heart disease mortality, adults, 15 yr followup, 38091
stress & problem solving & coping & attributional style & family functioning & beliefs & attitudes & psychological symptomatology, 7–28 yr old siblings of severely head injured patients, 30059
stress & psychological burnout & dropout intentions, soccer officials, Canada, 15723

stress & psychological well being, caregivers of long term schizophrenic 19–75 yr olds, 15012
stress & psychosocial & biologic factors, lymphocyte proliferation before vs after immunization, 18–24 yr old females, 36689
stress & psychosocial functioning, 4–18 yr old Central American refugees, 9273
stress & religiosity & informal social support, psychological distress, Black 60 yr olds & older, 5274
stress & self efficacy & coping strategies & resources, psychosocial adaptation, 34–69 yr olds with myocardial infarction, Australia, 3 mo followup, 2230
stress & sexual satisfaction & marital adjustment, infertile couples, Canada, 30014
stress & social support & drug attitudes & psychological distress, psychotropic drug use, 60 yr olds & older, Canada, 25314
stress & social support & exercise & depressive symptoms, 60 yr olds & older, Japan, 40983
stress & social support & locus of control & sex, health, elderly, 34801
stress, antiseizure efficacy of flurazepam, mice, 4781
stress behavior & standardized achievement testing, kindergartners, 27492
stress, concentration of met-enkephalin & leu-enkephalin & dynorphin A in brain, mice, 581
stress, coping mechanisms, Filipinas, West Germany & Netherlands, 21351
stress due to intensity of criminal trial, physical symptoms, jurors, conference presentation, 11854
stress, elderly coresident caregivers of stroke vs dementia patients, commentary with reply, letter, 38910
stress exposure & interpersonal conflict & disorder incidence, children of mothers with unipolar vs bipolar depression vs medical disorders, 33466
stress, flurazepam antagonism of electrically induced seizures, male mice, 4863
stress from excessive demand & acutely stressful organizational events, performance &/or dropping out from intensive training, male military cadets, Israel, 11740
stress from inescapable tail shock, classical eyeblink conditioning with shock UCS & white noise CS, male rats, 665
stress, illusory perception of event controllability, college students & Air Force cadets, Israel, 13526
stress incubation & onset, depressed adults, England, application of survival analysis, 37675
stress induced exploratory hesitancy, spatial cue acquisition & maze learning, rats, 24546
stress induced hallucinations, male 18–20 yr old soldiers, Israel, commentary, letter, 13664
stress, mothers of developmentally delayed 2–5 vs 6–12 vs 13–18 yr olds, Canada, 41798
stress of life change experiences & demographic & social & health variables, self concept, college students, 1450
stress or relaxation intervention, in vitro immune response, adults, meta analysis, 36696
stress, parents of normal vs special preschoolers, 37611
stress profiles, mothers vs fathers of autistic 3–14 yr olds, 26054
stress recovery unit, 19–41 yr old Army soldiers in Persian Gulf War, 1991, 7051
stress resiliency, self views of personal qualities & expressive motor behavior styles, urban 10–12 yr olds vs their parents, 28997
stress, sexual functioning & marital satisfaction, employed vs unemployed adults, 33195
stress, temporal stability of BP & heart rate & anger & anxiety & catecholamines, male hypertensive Blacks vs Whites, 28644
stress type, consumption of palatable liquid diet, inbred vs outbred mouse strains, 12688
stress, 25–59 yr olds with balanced vs midrange vs extreme family health, implications for family therapy, 45092
stresses of family during child's transition from adolescence to adulthood, parents of 17–28 yr olds with severe disabilities, 41418
stressful behavioral challenges, BP vs heart rate vs stroke volume vs cardiac output vs peripheral resistance vs systolic time interval, Black vs White 25–44 yr olds, 8787
stressful illness related experiences & demands, female 28–62 yr olds with chronic fibrocystic breast disease vs nonmetastic breast cancer vs diabetes, commentaries & reply included, 10243
stressful life events & comorbidity of depression & suicidality & substance abuse, American Indian & Alaska Native 14–18 yr olds, 41395
stressful life events & identification with Vietnamese vs US society, depressive symptoms, Vietnamese-American college students, 33598
stressful life events & social support, drinking behavior, 60 yr olds & older, 5270
stressful life events, dysfunctional thinking, adults with vs without vulnerability to depression, 1683
stressful life events prior to disorder onset, 16–50 yr olds with schizophrenia or mania or depressive psychosis, England, 25689
stressful life events, school adjustment, urban 5–13 yr olds, Australia, 35418
stressful life events, type & severity of symptomatology & self concept, 1st admission schizophrenic patients, conference presentation, 25817
stressful life transitions, self efficacy & alcohol consumption & employment status, adult migrants, East Germany, 8 mo followup, 37399
stressful vs neutral imagery, symptoms & heart rate vs skin conductance & other psychophysiological responses, patients with chronic back vs temporomandibular pain & dysfunction, 10213
stressor type, preferred coping strategies, male vs female 1st vs 4th yr medical students, analysis of cognitive transactional model of stress, 31127
stressors & coping methods, 9th–10th graders assessed 15 mo after Hurricane Hugo, 1075
stressors & rewards & stress outcomes & social services needs as result of raising grandchildren or great grandchildren with drug addicted parents, Black grandparents, 17345
stressors & sociotropy vs autonomy & cognitive vulnerability, onset & severity of symptoms, patients with bipolar disorder, longitudinal study, 1673
structure & cross validity of Daily Hassles Scale, assessment of stress & psychological & somatic symptoms, normal college students vs adults with recurrent headaches, 24122
style & phase of new technology implementation, job satisfaction & stress & occupational environment, employees, 47429
style of coping & mental health, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45268
subchronic morphine, isolation stress induced hypertension, male rats, 44649
subjective with vs without physiological arousal & stress, dishabituation of salivation, 18–35 yr old females, 36665
success vs failure & controllable vs uncontrollable stress & attributional style, salivary cortisol, 30–60 yr olds with acute vs treated endogenous depression, Germany, 29603
surgical stress & anxiety & iv benzodiazepines, recall of oral surgery to remove impacted molars, patients, 46680
swim stress induced changes in GABA receptor complex, 3H-flunitrazepam vs 3H-Ro 15-1788 vs 25S-butylbicyclophosphorothionate receptor binding, male mice, 40398
swimming, stress reduction & mood, college students, 12679
symptomatology & life stressors, social networks & supports, long term schizophrenic 18–65 yr olds, England, 25808
systematic rationalization vs stress management group, perceived stress, 20–54 yr olds, 10905
temperament & stress & family adjustment & environmental factors, behavioral adjustment, 34–50 mo olds, 1 yr followup, stress resilience model, reprint, 1091
temperament & 1st grade stress, school behavior problems, 7 yr olds & their parents & 1st grade teachers, 23585
theories of perceived stress & burden, caregivers of brain injured adults, 2966

thymopentin, open field behavior & stress responses & pain sensitivity & plasma ACTH & corticosterone, male mice with implanted tumor & rats, 32639
time series analysis, assessment of stressors & cognitive rumination & symptoms, 15–55 yr old females with fibromyalgia, 16074
total hypophysectomy vs posterior pituitary lobectomy, stress induced antinociception, male corticosterone & thyroxine supplemented rats, 44413
trait anger & anger expression modes & stress, health & depression, 35–55 yr old females, US vs Turkey, 37610
trait anxiety & situational perception, prediction of state anxiety in stressful athletic competition, male high school football players, Canada, 40918
trait anxiety & situational stress, working memory, college students, 8367
trait negative affectivity & prior mood & concurrent stress, daily variations in mood, male 23–45 yr olds, 36271
transactional coping model & disease concept oriented toward living situation, strain & coping with illness, schizophrenic patients, 17835
transition to adolescence, impact of stressful life events & coping, 10–11 vs 12–13 yr old males, Israel, 1080
traumatic stress & telephone therapy provided by Open Line for Students during Persian Gulf War, Israel, 7102
truck type & driving conditions & anxiety & defense mechanisms, stress related psychophysiological responses during driving, 38–60 yr old truck drivers, Netherlands, accident prevention implications, 31682
unified scale weighting of stressful life events & prediction of physical symptoms, college students, commentary, 8091
unified scale weightings for stressful life events & prediction of physical symptoms, college students, 173
upper middle class vs rural vs economically deprived inner city environment, types of stressors & coping strategies & control beliefs, female 10–14 yr olds, Egypt, 29008
utility of spectral analysis of heart rate variability, measurement of mental workload & stress, 16694
utilization of social support & perceptions of family stress, 21–60 yr old mothers of mentally retarded 6 mo to 20 yr olds, 2049
validity & reliability & structure of self report inventory of life stress, assessment of response to training stress, elite swimmers, 11944
validity of salivary cortisol assessment, stress detection, captive female elephants, 4669
validity of Undergraduate Stress Questionnaire, college students, 16034
valproate, stress induced brain monoamines, juvenile male rats, animal model of depression, 24942
verbalization about emotional reactions to vs facts about stressful stimulus, autonomic arousal during 2nd exposure, college students, 20759
vitamin C supplement, corticosterone & tonic immobility fear reactions to stress situations, Japanese quail chicks with high genetic response to stress, 36875
vulnerability & stress factors related to psychotic relapse, recent onset schizophrenic 18–45 yr olds during index hospitalization vs stabilization period vs 1 yr of drug & psychosocial treatment, 9872
water immersion & temperature & consciousness, gastric ulcers induced by restraint in water, rats, 36680
water or food deprivation induced stress, testicular & body weight, male Syrian hamsters, 40467
Wheatley Stress Profile, quantification of stress factors, clinic patients, conference presentation, 24161
work & family role stress & rewards, female managers & professionals, Australia, 27689
work hazard exposure type & worry about risk, health & stress & depression & anomie, workers, 31610
work hours & schedule inflexibility, depression & anxiety & role strain, dual earner couples, Canada, 15699
2-deoxyglucose induced metabolic stress, plasma progesterone & cortisol, schizophrenic males, 13758
6-OHDA, stress induced gastric acid secretion & motility, stroke prone hypertensive male rats, animal model of gastric ulcer, implications for role of sympathetic neurons, 44551

Stress Management—Serials

Afrocentric world view, stress management, African American females, 10893
attachment & stress reduction via pet ownership or animal facilitated therapy, 30728
attitudes toward & management of stress, India vs Great Britain, conference presentation, 25562
community based Christian cognitive behavioral group stress management program, 29–53 yr olds, 6 yr followup, implications for spiritual direction, 6982
counselor led workshop, coping responses to stress of classroom appraisal visits, teachers, 43166
critical incident stress debriefing program, work related stress, hospital based health care personnel, 39105
development & evaluation of low cost community psychology approach to stress management, adults, New Zealand, 12 mo followup, 38886
education & orientation with vs without brief supportive psychotherapy or stress management, adjustment to hospital stressors, mothers & their 1–4 yr olds undergoing cardiac catheterization, 22848
educational & stress management program, psychological status, 6–14 yr olds with asthma, 2843
efficacy & cost efficiency of self vs therapist administered program with cognitive & behavioral stress coping & relaxation strategies, 11–18 yr olds with migraine headaches, 1 yr followup, 6881
ethical & professional issues in role of EAPs in stress & coping in organizations, 43392
family education & stress reduction groups & service use & needs, schizophrenic patients & their relatives, 42706
Hatha Yoga, stress management, management personnel, 7609
hypnotic analgesia vs stress inoculation, pain reduction & performance on competing cognitive task, high vs low hypnotizable college students, 24502
hypnotic susceptibility & stress management techniques of progressive relaxation vs hypnosis vs deep abdominal breathing, skin temperature & pulse rate, nursing students, 28636
impact of stress management training sessions, female 22–63 yr old health service workers, 43104
organizational levels of interventions for reduction of occupational stress, 43483
overwork & stress & related neuroses & employer sponsored stress management, 20–60 yr old urban workers, Japan, 19653
performance profiling in cognitive behavioral intervention, control of temperament & coping with pressure on court, female racket sport player, case report, 42276
predicament problem continuum in stress & time management & counseling, 10886
psychodynamic approach with hypnosis, stress management, 48 yr old female with work related stress, 2691
psychological management of stress, annotated bibliography, 26454
psychotherapy & stress management & hypnosis & behavioral treatment of gastrointestinal disorders, 2769
resource congruence model of stress management, conference presentation, 26971
school based psychoeducational interventions for stress management & wellness promotion, students, 11589
self modeling vs stress inoculation training, peer relations & on task behavior, male 1st–2nd graders with attention deficit hyperactivity disorder, 22560
sex & masculinity vs femininity, effectiveness of jogging vs relaxation response vs group interaction stress reduction techniques, college students, 10889
standard counseling with interactive video vs stress prevention training, adults tested for HIV, 38668
stress & coping & school based assessments & interventions, 1st–12th graders, 39303
stress inoculation training program with cognitive restructuring & anxiety management & problem solving, 15–17 yr old male high school students, 6824
stress management program including music therapy, staff in nursing home for patients with Alzheimer's disease, 23406
stress management program, locus of control & self concept & coping behavior, inner city 3rd graders, 19640
stress management seminar, anxiety, 16–65 yr olds in weight control program, 42643
stress management techniques & education, elderly patients, 22976
stress management training, disease related stress & metabolic control & regimen adherence & coping style & self efficacy, diabetic adolescents, 30575
stress reduction intervention guidelines for military induced separation, active duty military families, social work implications, 42743
stress reduction program, metabolic & hormonal risk factors for coronary artery disease, Army officers, 38769
stress reduction, test anxiety & reading test performance, college students, 3600
systematic rationalization vs stress management group, perceived stress, 20–54 yr olds, 10905
tactile manipulation of popping sealed plastic air capsules, stress reduction, college students, 4706
work based aerobic exercise vs stress management, job stress & satisfaction & health complaints & coping, 25–67 yr old employees, 23758
workshops on team building & communication skills & self esteem & stress management, burnout, 22–58 yr old staff of long term care facility, 35194

Stress Management—Books
The ABC's of stress: A submarine psychologist's perspective, 34298
Coping skills interventions for children and adolescents. The Jossey-Bass social and behavioral science series and The Jossey-Bass education series, 23676
Educational and psychological perspectives on stress in students, teachers, and parents, 47332
Stress among women in modern society, 29467
Stress management for elementary schools, 39410
Stress Management—Chapters
A constructivist narrative perspective on stress and coping: Stress inoculation applications, 34432
A coping/rest model of relaxation and stress management, 34612
Designing stress training, 7593
International perspectives on research into work, well-being, and stress management, 7666
Personality development and academic improvement for schoolchildren in India, 3413
Posttraumatic stress disorder, 26584
Stressor reduction: An organizational alternative to individual stress management, 7670
The therapeutic effects of touch, 14875
Time to reflect: Biographical study, personal insight, and professional development, 11376
Traumatic stress in disaster workers and emergency personnel: Prevention and intervention, 46753

The value of work, the risk of distress, and the power of prevention, 7674
War-related trauma and victimization: Principles of traumatic stress prevention in Israel, 46752
Stress Reactions—Serials
acute stress response & other psychiatric problems, residents in vicinity of Chernobyl nuclear power station accident, Russia, 33551
age & heart rate reactivity to onset of stressor tasks, Type A vs Type B 4–11 yr olds, Australia, 40948
age & sex & marital status & SES, de Rivera Stress Reactivity Index scores, 18–74 yr olds, 43720
age & weight & cholesterol & systolic BP & Type A vs Type B personality, coping & stress response, 20–65 yr old Black females, 17571
aging, glucocorticoid & other neuroendocrine & physiological responses to prolonged or repeated physical stressors, humans & animals, 24832
alcohol dosage, cardiovascular stress response, 18–30 yr old males at risk for alcoholism, 10045
alcohol dose, stress response dampening vs recovery in escape learning situation, moderate vs heavy drinking college students, erratum, 32677
autonomic stress responses, 20–69 yr olds with moderate vs severe obstructive sleep apnea syndrome vs snoring, 22254
BICEPS model of brief psychiatric treatment of stress reaction prior to combat, male military officer, case report, 6525
biofeedback & psychotherapy, hyperreactivity & BP, 30–55 yr old males with essential hypertension, India, 14775
chronic occupational demands, cardiovascular & skin temperature & adrenaline & noradrenaline & diastolic BP indicators of responsivity to challenge, workers, 23765
chronic self focused attention, stress reactions & risk for affective & cognitive dysfunction, college students, 1603
combat induced psychopathology & combat stress reaction & PTSD, psychiatric symptoms, wives of combat veterans of Lebanon war, 1982, Israel, 9900
coping behavior in sealed room during scud missile attacks & post-Gulf War stress reactions, 5th vs 7th vs 10th graders, Israel, 37816
coping strategies & magnitude of personal distress in high stress training environments, police recruits, 31777
coping style & prolactin & cortisol stress response to oocyte retrieval & embryo transfer, pregnancy rates, females under in vitro fertilization treatment, Belgium, 30615
coping style vs voice measures vs heart rate & sweating & muscle tension, indication of stressor provoked anxiety, female 22–58 yr olds, 8770
critical incident characteristics & stress responses & coping behavior, 18–54 yr old volunteer emergency service personnel, Australia, 19406
cued social context support & situational rules, attempts at interpersonal control & stress in smoker nonsmoker interaction, adults, 5504
demographic background & stressor exposure & postdisaster environment, immediate stress response, evacuees during Persian Gulf War, Israel, letter, 37808
disaster education & household preparedness, stress responses following Hurricane Hugo, adults, 27812
distressful reactions to Scud missile attacks & coping strategies & trait anxiety, 18–73 yr olds assessed during Persian Gulf War, 1991, Israel, 41313
duration of aerobic exercise, cardiovascular reactivity to stressors, male 28–35 yr olds, 12684
earthquake prediction, PTSD-like symptoms, 3rd & 10th graders, 17853
etoperidone, sympathetic & hypothalamo pituitary adrenal responses to physical & psychological & metabolic stressors, 20–34 yr old males, Italy, 40539
exposure to SCUD missile attacks during Persian Gulf War, stress reactions & psychological distress & symptoms, male vs female 11 vs 13 vs 16 yr olds, Israel, 45338
family environment, vulnerability to stress & depression & inattention, 3–18 yr olds with brain dysfunction with or without physical disability, conference presentation, reprint, 2244
family history of essential hypertension, BP & heart rate & stroke volume & vascular resistance & cardiac output responses to video game & cold stressor, Black vs White 6–15 yr old males, 34135
feelings of control & intrusive memories, chronic stress following nuclear reactor accident, Three Mile Island area residents, 1979–90, implications for PTSD, 41279
functional plasticity of CNS & heat stress tolerance, 9 wk old male rats reared in warm vs hot temperatures, 4618
habituation of stress reactions in 1st vs 4th wk of Persian Gulf War, 14–24 yr olds in high risk areas, Israel, 13128
heart rate feedback & contingent reinforcement, heart rate response to video game stressor, male 18–48 yr olds, 20756
hypnosis vs relaxation training, modulation of immune response to stress, healthy adults, 44558
illness specific & normal parenting tasks & family role strain, parental stress & depression, mothers vs fathers of children recently diagnosed with cystic fibrosis, 18230
individual differences in cerebral EEG asymmetry & distress responses to stressful separation from mother, 7 & 14 mo olds, 10 mo followup & 5 mo study, 16982
information processing complexity & pace requirements of task & age, stress reactions to computer interactive tasks, 25–70 yr old females, 43555
maternal support & stress response, sexually abused 6–12 yr old females & their mothers, 29770
meaning of work stress on surveys as occupational stressor vs strain reaction, 18–67 yr old employees, implications for occupational stress research, 7642
menstrual cycle phases, BP & cardiovascular reactivity & stress responses & cognitive functioning, females with PMS, 34026
mental reactions & coping strategies, immigrant 5–13 yr olds from exiled families with parent who had been tortured in home country, Denmark, 21941
military mobilization activation & deactivation, physical symptoms vs emotional stressors vs coping strategies vs psychosocial vs positive effects, Army Reserve nurses, 11739
moderate vs low alcohol dose, stress reactions assessed by escape learning in human shuttle box, moderate or heavy drinking college students, 21453
morphine &/vs pancuronium, stress response & plasma catecholamines & BP & ventilatory requirements, premature newborns with hyaline membrane disease, 18919
naloxone vs opioid delta antagonist ICI 174,864, antinociception in cold water swim stress, mice, 780

parental stress response & family dynamics, diabetic control & adherence & stress, 15–18 yr olds with insulin dependent diabetes mellitus & their parents, 30054
perceived environmental stress & uncertainty & anxiety, mothers vs fathers of premature infants hospitalized in neonatal intensive care unit, 6942
perceptions of children's reactions to Persian Gulf War related stressors, mothers & their 4–36 mo olds, Israel, 32991
perceptions of teammates' expected vs unexpected response to athletic performance during crisis vs noncrisis situations, top rated athletes, 7709
personality profiles & psychobiological typologies for contrast of stress reactance vs resistance, 16–34 yr old Navy recruits, technical report, 9641
personality variables of defense mechanisms & neuroticism & achievement motivation, endocrine response to stress, computer operators, Netherlands, 652
posttraumatic stress reactions & adjustment & PTSD symptoms following disasters, children, 21890
poverty & stress & emotional coping & financial survival strategies & support networks, rural working families, Appalachia, implications for family therapy, 45091
premenstrual vs intermenstrual phases & oral contraceptive use, stress reactions & state & performance & arousal, 22–40 yr old females with vs without self diagnosed PMS, 2177
prenatal ethanol, stress responsiveness, male vs female rats, 784
prenatal stress due to maternal psychological disturbance, behavioral responses to stress, juvenile rhesus monkeys, 44278
primary concerns & personal resources & secondary stress reactions to husband's hazardous duty or absence, wives of military reservists, 1988–89, Israel, 39555
progressive muscle relaxation training concurrent vs nonconcurrent with psychological stressor, cardiovascular reactivity to stressor, 46–67 yr old patients in cardiovascular rehabilitation, 6867
psychological factors in stress & impact on & facilitation of recovery, surgical patients, 14850
psychological reactions to trauma of Armenian earthquake victim rescue, rescue workers, 1988, Sweden, 1 & 9 mo followups, 35201
psychological stress reactions to relocation to nursing home, elderly, 27083
psychophysiological nature of sports related burnout, literature review, 15704
PTSD & general stress symptoms, United Nations soldiers, Cyprus, conference presentation, 13831
PTSD & other psychological reactions & factors affecting recovery, adult female rape victims, literature review, 37993
reliability of modified Regressive Coping Checklist, measurement of coping with stress through denial or avoidance, teachers, Australia, 50
self deception & social desirability & repressive coping, psychophysiological reactivity to stress, male college students, 8797
sex, cortisol response to psychological stress, healthy 15–33 yr olds, Germany, 20755
sex, exposure & emotional distress & other responses to undesirable life events, married couples, 33315
shifts in models of & research on stress & emotion, 17th century to present, 40206
social psychophysiological perspective on role of hardiness in stress related arousal & appraisal & coping & physical health effects, literature review, 24835
stress & psychological burnout & dropout intentions, soccer officials, Canada, 15723
stress, belly nosing & manipulation of ears or tail or other parts & head shaking & other behavioral indicators, early weaned piglets, 20415
stress, fear & adrenocortical reactivity, 12 & 13 day old quail, 12695
stress resiliency, self views of personal qualities & expressive motor behavior styles, urban 10–12 yr olds vs their parents, 28997
stress response theory & traumatic memory cognitive reconstruction, adults abused as children, 6570
stressful task induced BP reactivity testing in laboratory vs outpatient screening setting, normotensive vs hypertensive adults, 18320
task demand & decision latitude, stress induced cardiovascular reactivity & affective responses, 18–26 yr olds, 28637
task demands & defensiveness & anger, heart rate & systolic BP, male college students, 32548
task difficulty choice & casual BP status, BP & cardiac output & heart rate & myocardial contractility during speaking vs arithmetic task, male college students, 28651
termination of chemotherapy, psychological distress & perceived problems, 33–68 yr old females with breast cancer, application of crisis theory, 18934
threat vs challenge appraisal of upcoming active & passive coping stress tasks, subjective & physiological responses & task performance, 17–32 yr olds, 44556
validity & reliability & structure of self report inventory of life stress, assessment of response to training stress, elite swimmers, 11944
yoga relaxation & pranayama & thermal biofeedback, stress reactions & hypertension, 45–70 yr olds, India, 6872

Stress Reactions—Books

Cardiovascular reactivity to psychological stress & disease. APA science volumes, 42025
Educational and psychological perspectives on stress in students, teachers, and parents, 47332
Individual differences in cardiovascular response to stress. Perspectives on individual differences, 16710
Stress: Neuroendocrine and molecular approaches, Vols. 1 & 2, 8799
Stress and disease processes. Perspectives in behavioral medicine, 14210
The trauma response: Treatment for emotional injury, 25747

Psychophysiological assessment of stress, 32560
The role of cardiovascular reactivity in hypertension risk, 18337
Role of catecholaminergic and selected peptidergic systems in the control of hypothalamic-pituitary-adrenocortical responses to stress, 8805
The role of reproductive hormones in cardiovascular and neuroendocrine function during behavioral stress, 16725
The role of uncontrollable and unpredictable stress in posttraumatic stress responses in torture survivors, 24836
Speculations concerning the physiological significance of central oxytocin in maternal behavior, 20787
Stress and immunity, 12717
Stress and superoxide production by human neutrophils, 20783
Stress as a consequence of the urban physical environment, 35668
Stress coping effects of delta sleep inducing peptide, 8851
Stress-induced alteration of immune function: Diversity of effects and mechanisms, 21062
The stress interview in hypertension research, 8056
Stress reactivity in childhood and adolescence, 16711
Stress-response syndromes: A review of posttraumatic stress and adjustment disorders, 45588
Stress response syndromes and their treatment, 33698
Sympathetic nervous system responses to psychosocial stressors, 16722
Technological hazards: Social responses as traumatic stressors, 47541
Toward understanding race difference in autonomic reactivity: A proposed contextual model, 16712
Usefulness of a microdialysis system for continuous assay of plasma norepinephrine and epinephrine during stress in rats, 8831

Strikes—Serials
attitudes toward & factors influencing participation & perceived causes & effects of strike at public hospital, nurses, 11292
background vs economic rewards vs union socialization vs work dissatisfaction vs commitment model, attitudinal militancy vs propensity to strike, unionized engineers vs X ray technicians, Israel, 19705
strike militancy intentions & general union attitudes, organizational citizenship behavior, unionized college & university faculty members, 43445
union loyalty & interrole conflict, propensity to strike, 24–64 yr old unionized university technologists & technicians, Canada, 19718

Strikes—Chapters
Towards a model of strike organization: Meanings and their management, 11698

Stroboscopic Movement [See Apparent Movement]

Stroke (Cerebrum) [See Cerebrovascular Accidents]

Strong Vocational Interest Blank—Serials
career dilemma & Strong Interest Inventory Profile in occupational counseling, artistic 28 yr old female college graduate, 3636
concurrent validity of 1985 version of Strong Interest Inventory, prediction of college major selection, 18–48 yr old college students, 149
exploration validity of Strong Interest Inventory, assessment of instrumental career exploration behaviors, college students, longitudinal study, 24234
interpretation of Strong Interest Inventory Profile in occupational counseling, artistic 28 yr old female college graduate with career dilemma, 3634
random vs deliberately misrepresented response sets on Strong Vocational Interest Blank & Strong Campbell Interest Inventories, index score interpretation, 22–51 yr old females, 20115

Stroop Color Word Test—Serials
performance on modified Stroop Color & Word Test interference subtask, 15–45 yr olds with mild head injury, 4108
Stroop Color Word test, RT & Stroop effect, bisexual & homosexual HIV-1 positive adult males, 14239
use of modified Stroop paradigm in assessment of intrusive cognition, male Vietnam combat veterans with PTSD, 33681

Stroop Effect—Serials
auditory distractors, Stroop effect & negative priming in selective attention to visual targets, college students, England, 44171
distractor-suppression effect of Stroop stimuli, cognitive inhibition through negative priming, schizophrenic adults with negative vs positive symptoms, 9864
emotional violence & relationship to patient concerns, interference in color naming emotional words, anxious patients, 21874
expectation priming & color words vs neutral stimuli manipulation, Stroop effects, college students, Israel, 16200
implicit learning of novel nonverbal Stroop color-word associations, amnesic patients, 46075
interference & translations in multilanguage Stroop & picture word naming, trilingual college students, Israel, 36145
nicotine abstinence, Stroop color & word naming performance, adult male smokers, 44634
regulative style & response to Stroop Test stress, 17–65 yr olds with panic disorder & agoraphobia, Sweden & Italy, 45570
response latency in Stroop color naming task with socially vs physically threatening vs color words, adults with social phobia, 29732
selective attention in physical & name match task & Stroop test, normal reading 3rd vs 5th graders vs reading disabled 5th graders, 41830
sex & performance anxiety, speed & accuracy & performance on Stroop task, college students, 8330
stimulus response vs cue response compatability, interference effects on Stroop like task, college students, New Zealand, 8293
Stroop Color Word test, RT & Stroop effect, bisexual & homosexual HIV-1 positive adult males, 14239
Stroop effect in naming food & body shape related words, noneating disordered 9 vs 11 vs 14 yr olds, 37123
Stroop paradigm reading task, interference in vocal & manual word recognition, profoundly congenitally deaf 9–15 yr olds, implications for involuntary word processing, 30261

Structuralism—Serials
symbolic interactionist vs microstructuralist perspectives on humor in social interaction, adults, 6 yr study, 5503

Structuralism—Books
The new structuralism in cognitive development: Theory and research on individual pathways. Contributions to human development, Vol. 23, 25175

Structuralism—Chapters
Analyzing diversity in developmental pathways: Methods and concepts, 25103
Assessment and perspectives, 1001
A developmental structuralist approach to the assessment of adult personality functioning and psychopathology, 45607
On structure and dialogicity in Prague semiotics, 44808

Structural invariants and individual differences: On the difficulty of dissociating developmental and differential processes, 25184
Structure and variability: A plea for a pluralistic approach to cognitive development, 25187
Structured Overview [See Advance Organizers]
Strychnine—Serials
anxiogenic effects of pentylenetetrazol vs picrotoxin vs strychnine in conflict vs habituation tasks, male mice, 36903
lidocaine, iontophoretic application of glycine &/or glutamate &/or strychnine mediated wide dynamic range neuron activity in lumbar dorsal horn, male rats, 32581
Student Activism—Serials
change in radical attitudes & values, male former left wing student activists, Australia, 12 yr followup, 9459
political process model in analysis of activist movement, college students, 1989, China, 13347
sex & SES, student activism, college students, Bangladesh, 19546
Student Admission Criteria—Serials
academic & nonacademic criteria for college admission, learning disabled students, 19612
background information variables & aggregate scores, final ranking in selection for doctoral fellowships, college psychology students, Canada, 27234
bias against females in acceptance rates of Ivy League & other selective colleges, 3273
issues in promotion of access & accommodations & independence, learning disabled college students, 3535
perceptions of postsecondary school application process & entrance requirements & attendance choice behavior, high school students applying to art & liberal postsecondary institutions, 43294
predictive validity of traditional vs nontraditional college selection interviewing methods, prediction of student's GPA, college students & experienced vs inexperienced interviewers, 43820
Student Admission Criteria—Chapters
Developmental levels of entering medical and pharmacy students: Considerations for admissions selection policies and curriculum change, 23677
Freedom of access to higher education, 23678
Interpreting test performance in selective admissions for Hispanic students, 4155
Student Attitudes—Serials
academic & affective & personal characteristics, teacher candidate persisters vs nonpersisters, 5 yr study, 43164
academic & verbal ability & sex, preferred test item type, college students, 39296
academic achievement & social isolation, perceptions of teacher's adaptation to student needs, middle & high school students, 27549
academic involvement, adult parttime college students, Canada, 27529
actual vs preferred science classroom environments, deep level learning, secondary school students, Nigeria, comparison with Australian data, 35376
adapted physical education practicum, attitudes toward control & students with disabilities, physical education majors, 47138
applicability of American instruments, assessment of evaluation of teaching effectiveness, college students, Philippines, 8072
aptitude & social psychological & instructional environments, mathematics achievement & attitude, 7th graders, 3453
attendance motivation & self perceptions as learners & evaluation of student experience, 61–94 yr old college students in Donovan Scholars Program, 39200
attitude toward mathematics & self efficacy & causal attribution & personality traits, 12–15.2 yr olds, Japan, 9297
attitudes & competence, prediction of dropping out, 9th–10th graders in academic vs vocational vs agricultural vs comprehensive high schools, Israel, 3499
attitudes & expectations concerning future career & family roles, male vs female college students, 47258
attitudes toward & integration of deaf & hearing college students, normal hearing resident assistants, 3538
attitudes toward & perceptions of dimensions of classroom grading, junior & senior high school students vs teachers, Israel, 3464
attitudes toward & preferences for college level instructional methods & course goals & student involvement, academically talented preservice teachers, 19460
attitudes toward & preparation in science, preservice elementary teachers, 43169
attitudes toward alcohol vs marihuana vs cocaine use when under stress, male vs female 17–31 yr old college students, 47251
attitudes toward Arabs, college students, implications for reduction of racism, 3513
attitudes toward arcade games, male vs female college students, implications for use of college student Ss in psychological research, 47257
attitudes toward audiotaped standard vs nonstandard dialect, college students, educational implications, 35330
attitudes toward cardiovascular disease prevention & preventive cardiology, 1st yr medical students, 4 yr followup, 19338
attitudes toward drinking & driving, college students, 1885
attitudes toward geriatric educational board game Gerontopoly & effect on knowledge of elderly concerns, dental & college students, 25306
attitudes toward geriatric patients, medical vs physician's assistant students vs family practice residents, conference presentation, 27284
attitudes toward honor system & personal code of honor & cheating, male vs female college students, comparison with data from school without honor system, 35410
attitudes toward hypothetical failure of high vs average achieving student vs golfer, college students, Australia vs Japan, 11501
attitudes toward indigenous moral values, secondary school students exposed to Western education, Nigeria, 39309
attitudes toward persons with psychiatric vs other disabilities, freshmen through senior occupational therapy vs business students, 47068
attitudes toward science & science teaching, K–12th graders, 47254
attitudes toward state psychiatric hospital & psychiatry career, 3rd yr medical students in psychiatry clerkship, 43064
attitudes toward substance free residence hall option, entering college students, 19566
BAFA BAFA simulation, ethnocentrism & dogmatism & enjoyment of diversity & motivation toward multicultural instruction, college students, 31241
belief in testimony of A. Hill about sexual harassment from C. Thomas following televised Senate hearings, college students at Southern university, 41155
beliefs & attitudes & intentions, enrollment in chemistry, Hispanic high school students, 11499
beliefs, interactive thoughts about student misbehavior & relation to actions taken, physical education student teachers, 11359
campus acquaintance rape education program, attitudes toward rape & rape mythology, male vs female college students, 3601
Career Key vs Career Decision Making System, rating of helplessness & career exploration, 11th graders, 28081
causes & sources of concerns for student teaching, elementary education students, 3296
changes in attitudes & personal characteristics & self perceptions, college students, 2 yr study, 3503
city vs suburban vs rural school region, environmental knowledge & awareness & concern, public vs private school 11th graders, 43285
class level & resolution of situation, perceptions of effect of test delays on class performance, college students, 19562
classroom environment & adult encouragement & socialization, attitudes toward study of science, females, implications for attracting females to science education, 35331
classroom environment, attitudes toward science, 7th–8th graders, replication, 11502
classroom environments & attitudes toward social studies, 8th & 10th–12th graders, China, 31343

classroom guidance lessons, language & mathematics achievement & conduct grades & behavior & attitudes toward school, 4th–6th graders, replication, 35492
closeness to male vs female college professors, female college students, 43280
cluster analysis of science classroom environments, attitudes toward science, high school students, 27539
cognitive style & sex & attitudes toward computer assisted learning & academic achievement, college students, Wales, 3486
comments on school sex education, male vs female 16–23 yr olds, 1989–90, England, 27479
comparative vs sequential text vs knowledge map, information acquisition & attitudes toward material & study skills, college students, 43204
competence & attitudes toward & preference for instructional methods in use of PsycLIT, college students, 27528
comprehension monitoring strategies in basal reader instruction, reading comprehension & awareness & attitude toward reading, 4th graders, 23503
computer aided vs conventional vs profile matching career guidance system, reactions & user satisfaction, 10th graders, 15546
computer laboratory, course performance & attitude, college economics course students, 3379
computer simulated experiment & problem solving approach, attitudes toward & achievement in chemistry & logical thinking, 9th graders, Turkey, 19472
conceptions of learning, college students, Nepal, 7501
conceptions of peer tutoring & other fair learning practices, high ability 6–18 yr old students, 23662
conceptions of teaching, student & cooperating college physical education teacher education teachers & prospective students, 23426
correlation of reading interest checklist items & Flesch Reading Ease & Human Interest scores & perceptions of interest in textbooks, 1st yr college writing students, 20096
cultural diversity & superstitions & belief in pseudoscience & paranormal, allied health students, 27235
demonstration to overcome misconception of psychology as common sense, college students in introductory psychology course, 43221
depressive symptomatology & attributional style & dysfunctional attitudes & social competency, successful vs unsuccessful high school students with vs without learning disabilities, 11540
development & construct validity of Student's Rating Scale of School Skills, junior high school students, 43818
development & reliability of Attitudes Toward AIDS Scale, assessment of AIDS related attitudes & knowledge, college students, 43759
development & reliability of Pulmonary Disease Prevention Survey, assessment of attitudes toward pulmonary disease prevention, medical students, 35787
development & validity of research instrument Views on Science-Technology-Society, high school students, Canada, educational implications, 4144
development of opinions on soil & water conservation issues in agricultural education, college students, 11527
development of writing attitude survey, assessment of effect of teaching & grade & participation on writing attitudes, 1st–3rd graders, 152
dimensionality & transituational invariance of shortened version of Complutense University Teachers Evaluation Questionnaire, assessment of perceived teaching quality, college students, Spain, 8061
education & professional socialization, construction of social problems, social work students, Israel, 5 yr study, 23579
education on careers & nature of work, work attitudes, 3rd graders, 23480
educational level & field of study, epistemological beliefs about learning, college vs graduate students, 23580
effectiveness of student & teacher prepared concept mapping as instructional tool, achievement & attitudes, elementary through college students, US & Canada & other countries, meta analysis, 27432
English language use ability vs previous study vs race vs sex vs major, perceived importance of foreign language study, college students, 7499
ethics courses, attitudes toward & occurrence of cheating, college students, 27400
evaluation of sex education programs emphasizing abstinence, virgin informed vs naive male vs female 7th vs 10th graders, 3372
expectations & fulfillment of general practice's contribution to medical education, medical students vs their general practice tutors, England, 23367
expectations & perceived role of student vs supervisor during short term projects & dissertations, college students vs supervisors, Scotland, 19565
experiences & perceptions, male vs female 23–25 yr old college students, Australia, 35424
experiences in psychodrama course, college student, 19496
exploration of nonillocutionary computer learning environment & attitudes toward computers & language learning & computer program & ESL software, college ESL students, 39299
factors in science achievement & attitude, 10th graders, 1 yr study, application of structural model, 3452
factors influencing attitudes toward homosexuality & privacy & HIV & AIDS testing & religiosity, 18–29 yr old college students vs 20–70 yr old parents of college students vs children under 6 yrs, 34086
factors of truancy, hidden vs reformed truant high school students & educational psychologists & teachers, 31354
final comprehensive examinations, emotional health & test perceptions, master's degree graduates, 43300
foreign language learning experience, self regulated language learning strategy beliefs & definition of task, college students, 47224
Future Problem Solving Program, perceived control over & concerns about future, gifted vs average 4th–6th graders, 23661
gender identity & sex role attitudes, prediction of attitudes toward & judgments of sexual harassment, male vs female college students, 25899
gender stereotypes or ascriptions, perceptions of gender in managerial communication, male vs female college students, 39293
general attitudes toward drugs & alcohol, college students in deep South, 15468
global items, prediction of weighted composite evaluations of teaching, college students, 12062
goals & beliefs about causes of success in writing, intrinsic commitment to writing & dualistic view of effective instruction, college students, 47259
grade & sex, attitudes toward writing, Anglo American vs Hispanic vs Black vs Asian 4th–8th graders, 31350
holistic attitudes toward self & own high school experience, 20–45 yr old teacher education students, 7371
ideas about reducing greenhouse effect, elementary school students, 47247
initial attitudes toward mathematics, effects of game vs drill & practice computer assisted instruction on arithmetic facts proficiency & motivation, learning disabled 4th–6th graders, commentary, 39354
initial attitudes toward mathematics, effects of game vs drill & practice computer assisted instruction on arithmetic facts proficiency & motivation, learning disabled 4th–6th graders, 39355
interactive videodisc instruction, learning time & performance & attitudes, students, 7425
intervention program, math attitudes & career options, rural gifted female 4th–7th graders, 47309
introduction to 1st curriculum unit in history course, knowledge of & ideas about history, 5th graders, 23477
Jasper Woodbury problem solving series, attitudes & motivation & learning to think & reason about complex problems, elementary school students, application of constructivist theories, 19467
knowledge about & attitudes toward AIDS & education, 4th–7th graders & their parents, 42655

knowledge about scale of & attitudes toward unemployment & estimations of own vs others' future employment chances, 18–24 yr old college vs secondary school vs vocational students, Poland, 47255
knowledge of & attitudes toward AIDS, 7th–8th graders, implications for AIDS education, 11497
knowledge of & attitudes toward writing & composing process & self efficacy, learning disabled 4th–5th & 7th–8th graders, 31388
leisure or campus recreation & demographic variables, perceived academic stress & leisure satisfaction, college students, 35415
leisure related attitudes & behaviors, college students with recreation vs nonrecreation majors, 27552
likes & dislikes concerning university education, liberal vs conservative 19–44 yr old college students with low vs high grades, 47261
literacy assignment reasoning, student learning & motivation & attitudes, elementary school students & teachers & principal, 39229
literary analysis vs experience, felt involvement in & aesthetic experiences & responses to picture book stories, 3rd graders, 19480
mathematics attitudes & self efficacy & achievement, male vs female high school seniors, Canada, 23567
micropolitics & sense of collective eminence, Harvard Law School students, 1985–1988, 15469
motivations for enrollment in & textbooks for & types of psychology of law courses, college students, 3356
motivations to learn in distance education situation, elderly open university students, Great Britain, 39311
motivations to participate & perceived experiences in physical diagnosis course, medical & surgical ward patients vs their assigned medical students vs faculty, commentary, 23347
motivations to participate & perceived experiences in physical diagnosis course, medical & surgical ward patients vs their assigned medical students vs faculty, 23371
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, commentary, 35323
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, commentary reply, 35288
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, 35289
negative affectivity & goal level, attitude & performance, college students, 39289
nonintellectual personal attributes & satisfaction with educational acceleration, intellectually gifted 18 vs 23 yr olds originally assessed as 7th–8th graders, 23660
outlook on present & future, college students, 1972 vs 1982 vs 1992, 43289
perceived barriers to females entering science or engineering, male vs female college students, replication, 19567
perceived causes of drug use, college students, 18011
perceived effects of residential schooling, male secondary school students with emotional & behavioral difficulties, 43314
perceived family achievement orientation & SES, values & attitudes toward school learning & achievement, Black & Hispanic & biracial 9–14 yr olds in urban schools, 39256
perceived importance of skill & knowledge areas & learning priorities in psychiatric clerkship, 3rd yr medical student clerks vs psychiatric residents vs staff psychiatrists, 35132
perceived risk in classroom, attitudes toward physically handicapped peers, 8–19 yr old 3rd–5th vs 6th–9th vs 10th–12th graders, 15531
perceived sex differences in classroom interactions & school related attitudes & preferences & aspirations, male vs female gifted 5th–12th graders, 47308
perceived teachers' instructional behaviors, cognitive strategies during reading comprehension, 3rd–5th graders, 11472
perception of & within school factors influencing truancy, 14–18 yr olds, England, 31355
perception of benefits & outcomes of Career Orientation Planning Profile, high school students & teachers & guidance counselors & principals, 24208
perception of relationship with university international office personnel, use of international office services, foreign college students, 3591
perception of student stress, 12 & 14 yr old secondary school students vs pastoral care school staff, 7500
perceptions & sensitivity to special needs & accommodations & impact of learning disabled students, college faculty & students with vs without learning disabilities, 19594
perceptions of & attitudes toward computer assisted instruction & learning, male vs female 5th graders, 11495
perceptions of & coping strategies used during fieldwork, occupational therapy graduate students, 47027
perceptions of & satisfaction with cooperative learning, college students, 27427
perceptions of & training exposure to research ethics, research trainees in clinical & biomedical sciences, 23417
perceptions of classroom practices & attitudes toward science teaching, 10th graders, 1986 vs 1989, Canada, 31340
perceptions of desired professor traits, vocational vs college students, 43295
perceptions of dialog journal use in methods courses in reading & language arts, college & graduate students & teachers, 3345
perceptions of difficulty of learning & linguistic structures of American Sign Language, deaf vs hearing teachers vs hearing students in sign language studies, 3365
perceptions of effects & features of residential schooling, male secondary students with emotional & behavioral difficulties, Great Britain, 27568
perceptions of HIV related clinical competence & training, doctoral level clinical psychology students, 31105
perceptions of junior high & high school science classes & teachers & course content, college students vs noncollegiate young adults, implications for science teaching methods, 3340
perceptions of postsecondary school application process & entrance requirements & attendance choice behavior, high school students applying to art & liberal postsecondary institutions, 43294
perceptions of value of course & teaching evaluations, college students, 47245
personal & career & academic concerns, college students, implications for student personnel professionals, 3494
personal & demographic & educational characteristics of families, choice of single sex vs coeducational secondary schools, secondary school students, 11513
personal construct theory & application of repertory grid & autobiography, perspectives on teaching & learning processes, teachers & students, 3276
personality traits & school related attitudes, female 11–16 yr olds, 39294
perspectives on responsibility for learning, 6th–7th graders, 27524
predictive validity of attitudes-to-school scale, academic achievement, 11 yr olds, Australia, 24216
preference for counselor with similar sex vs ethnicity vs other characteristics, Native American secondary school students, 3594
preferences for teacher written vs computer generated feedback on written compositions, 11th–12th graders, 47246
preferred vs actual teaching style & female & minority student learning style adaptation, college students, 27419
preparatory lectures on dissection & death & psychic reaction, opinions of & emotional reactions during human dissection course, medical students, Finland, 47048
principal's authority directive type & social context, perceived legitimacy of authority, K–6th graders, 23581
problem based learning vs conventional format within lecture dominated organ course on skeletomuscular system, course related knowledge & attitudes, medical students, 23370
problems in teaching introductory teacher education course designed to challenge education students' beliefs about teaching & learning, male teacher-educator, 47125

professional education, perceptions of & inferences about patients' nonverbal behavior in videotaped sessions, occupational therapy students, Sweden, 47044
Protestant work ethic attitudes, Black high school vs college students, South Africa, 11524
psychopathology course taught in classroom vs state psychiatric hospital, attitudes toward mentally ill, graduate social work students, 43042
public vs private experiences & utterances & peer interactions during lesson & reactions to sex & racial bias in curriculum, 6th graders, New Zealand, implications for sociocultural influences, 35388
reasoned beliefs & preconceptions about epistemology of science, 11th–12th graders, Canada, implications for teaching, 15482
religion & sex & social class, attitudes toward school & curriculum, 11 yr old primary school students, England, 31344
report writing assignment, perceptions of participation in research experiments, college students, 4217
restricted factor analysis in detection of item bias on Classmates & Teacher scales of School Attitudes Questionnaire, 9–13 yr old students, Netherlands, 20097
role of health attitudes & beliefs & practices in health education program planning, college students, 15408
satisfaction with accessibility & special services & accommodations & perceived barriers in higher education, disabled students, 27596
satisfaction with peer counseling programs & peer counselors' helping styles, high school students, 35495
school based humane education program, attitudes toward animal treatment & generalization to human directed empathy, 1st vs 2nd vs 4th vs 5th graders, 11380
science vs basal content reading, achievement in & attitude toward reading & science, 4th graders, 1 yr study, 3382
self efficacy beliefs & academic goals, academic achievement, high school students, 11487
semivoluntary vs mandatory psychological research requirement, attitudes toward psychology & psychological research, college students, test of reactance theory, 15479
sense of classroom belonging & support, motivation & academic achievement, 6th–8th graders, 39259
sex & ethnicity, affect vs worth vs sex typing vs perception of attributive factors toward success in mathematics vs foreign language education, Arab vs Jewish 9th graders, Israel, 19549
sex & school, receptivity to sexuality curricula, high school students, Australia, 47162
sex & social background & ethnicity, reasons for & plans to leave school vs continue education, secondary school students, UK, 11511
sex, determinants of attitudes toward physical education courses in grades K–10, 11th graders, Canada, 11516
sex of initiator of harassment & type of behavior, perceptions of hypothetical harassment by professor toward student, female vs male college students, 35409
social resources & sex & level of leisure time activity & self evaluated competence, perceptions of physical education classes, 7th graders, Norway, 47241
soft classroom, participation & aesthetic preferences, college students & teachers, 17 yr followup, 27553
stability & level of self esteem assessed by self report vs other measures, excuse making following academic success vs failure, college students, 15442
stereotyped understanding of science & scientists, 3rd vs 5th vs 8th graders, Malaysia, 7400
structural model of mathematics achievement & attitudes & outcomes, 10th graders, erratum, 7467
structural validity of academic self concept scale, large scale archival data set of high school sophomores, 43839
student attitudes toward & background in Spanish & foreign languages & culture, grade achievement & continuation to higher level Spanish courses, college students, 35355
student vs teacher perceptions of interest & difficulty of text, student use of metacognitive strategies & comprehension monitoring during reading, deaf 13–17 yr olds & deaf vs hearing teachers, 19587
study goals & management & perceptions, performance in 1st year computer course, college students, Australia, 31326
study organization & approach & attitudes toward course, prediction of failure vs success on 1st yr examinations, medical vs dental students, England, 7322
task plausibility & strictness & source of schedule, academic procrastination, female college students, Israel, 7495
task vs performance contingent incentive & learner control, achievement & attitudes toward & use of options & time on program in computer delivered instruction, college students, 27533
teacher characteristics & instructional practices, students' science learning outcomes & attitudes, middle & junior high school students & teachers in exemplary science program, 3332
teacher immediacy & student involvement, attitudes toward learning, college students, 19550
teacher influence & attitudes toward & concerns about sexuality education course, student attitudes & anticipated behaviors, 6th graders & their teachers, 39209
teacher perceptions of males vs females, perception of prominence & ability of peers, male vs female 2nd & 6th graders, Israel, 23588
teacher vs self assessment of perceived clothing deprivation, 9th–12th grade home economics students, 47248
teachers' self reported Type A behavior scores, affective learning, college students, 31315
teachers' use of affinity seeking strategies, perceived teacher credibility & student motivation, college students, 11394
technological gender gap & computer related attitudes & behaviors, male vs female students, educational implications, 23578
temporal discounting in evaluations of single vs multiple future outcomes of college funding programs, college students, 23671
theoretical orientation, research attitudes & interests, clinical psychology doctoral students, 19327
theory based & peer focused drug education course, perception of risks of alcohol & marihuana & cocaine, college students, commentary, 27403
traditional vs democratic school ethos, citizenship attitudes, yr 10 students, England, 3501
traditional vs innovative primary care curriculum, perceptions of distress & attitudes toward learning environment, medical students, 3193
transition to new educational environment, perceptions of academic competence & motivational orientation & scholastic anxiety & affect, 5th–8th graders, 31346
Type A behavior & academic dishonesty & learning vs grade orientation, 18–51 yr old college students, 43298
use & evaluation of common errors handout, college students in introductory psychology statistics course, 15392
use of personal cultural vs hypothetical examples in international teaching assistants' lectures, attitudes & recall & ethnocentrism & uncertainty, college students, 3370
utility of Play-Doh modeling in learning neuroanatomy of sheep brain, college students, 27478
utility of theory of planned behavior model, prediction of behavioral intentions regarding enrollment in physics, 8th–11th graders, 3490
validity of user opinion, evaluation of computer assisted learning, nursing students, Scotland, 19345
values & attitudes & trends, male college students, 17 & 22 & 25 & 32 & 37 yr replications, 1952–89, 13245
values & behaviors & attitudes, college students, implications for counselors & administrators, 31338
violence viewing curriculum, attitudinal judgments of TV crime series, 10–12 yr olds, 2 yr followup, 47197
voluntary vs involuntary immigrant status of family, academic adjustment & attitudes toward education, Mexican American 15–18 yr old special education students, 11548
world images in teacher education & relation to preconceptions & transfer of theory to classroom practice, student teachers, 3317
1st & 2nd yr college success & satisfaction & other experiences, academically talented high school graduates, 2 yr study, 39375

Student Attitudes—Books
Experiencing special education: What young people with special educational needs can tell us, 35469
Student Attitudes—Chapters
Brazilian middle class gifted students and their perceptions of leadership role, 39322
Collegiate career advising: Status, antecedents, and strategies, 27617
The effects of students' ethnic background and counselor expertness on students' perceptions of counselors, 15488
Home and school factors among four groups in the USA, 7503
Keeping them clever: Preventing learning difficulties from becoming behaviour problems, 3530
Korean gifted and non-gifted children's attitudes towards family, teacher, friend and self as assessed by sentence completion tests, 39325
The lower attaining pupil: Seen but not heard, 23538
The notion of giftedness and student expectations about writing, 3528
Postsecondary education opportunities as perceived by black high school seniors, 35428
Student Attrition—Serials
class size & social & academic & career integration, student retention, adult nontraditional college students, application of V. Tinto's student departure model, 31336
correlates of school attrition in local public school programs, deaf 8th–10th graders, 3555
faculty involvement & other factors in retention at predominantly White universities, Black college students, 27536
group counseling, school attrition, high school students, 35498
intensive learning experience program, retention rates & achievement, underprepared college students, 35287
preselection microtropia vs normal stereoscopic visual status, attrition rate, 21–33 yr old student pilots in Air Force Undergraduate Pilot Training, 1990–91, 23811
problems in & recommendations for methodology & statistical validity analyses in academic retention program research, at risk minority college students, 35407
Student Attrition—Chapters
Recruitment, retention, and support of American Indian/Alaska Native students: A panel discussion, 3519
Student Characteristics [See Also Student Attitudes]—Serials
academic & affective & personal characteristics, teacher candidate persisters vs nonpersisters, 5 yr study, 43164
academic skills, 7th–12th graders, replication & extension, 27534
acquisition of wisdom & motivation in engineering design, college students, 3454
attitudes & competence, prediction of dropping out, 9th–10th graders in academic vs vocational vs agricultural vs comprehensive high schools, Israel, 3499
classroom self report instruments, assessment of leadership style, students, 24228
contributing factors in decline in GPA, college students, 15459
demographic & psychosocial variables, prediction of academic persistence, business & administration students at vocational center, Canada, 27550
English language use ability vs previous study vs race vs sex vs major, perceived importance of foreign language study, college students, 7499
ethnicity & verbal ability & instructional quality & motivation & course work & homework time, grades, male vs female high school students, application of model of school learning, 35359
ethnicity, strategies for resistance & teachers' Type A behavior & burnout & role ambiguity & conflict, African vs Native American vs Hispanic vs White college students, 11512
gifted programs, academic achievement & self esteem & teacher ratings, gifted 2nd–3rd graders, 7537
intrinsic vs extrinsic motivational vs amotivational style, prediction of behavioral persistence toward academic activities, college students, 15485
job position & policy influence & role perception & staff coordination, perceived importance & exchange of student academic & behavioral information, high school staff members, 31229
learning strategies & prior chemistry knowledge & attitudes, misunderstandings following chemistry course, high school students, 11461
locus of control & self concept & styles of learning, high school students at risk for school failure, 3509
minority student recruitment & retention strategies, schools of professional psychology, 19342
neural network modeling student knowledge with self organizing feature maps in intelligent tutoring systems, application to aircraft fuel management, 35706
nonintellectual personal attributes & satisfaction with educational acceleration, intellectually gifted 18 vs 23 yr olds originally assessed as 7th–8th graders, 23660
own & lab partner's intuitive vs transitional vs reflective scientific reasoning ability, biology achievement & motivation & enjoyment & reasoning gains, college students, 11476
passive behavior during cooperative small group learning tasks in mathematics, 5th–6th grade low vs high achievers, 7496
perceived teaching efficacy & student SES & learning problem etiology, special education referral, early childhood & elementary & junior high school teachers, 43165
perceptions of & strategies for coping with problem students, elementary school teachers, 15466
perceptions of knowledge & skills needed by college graduates seeking retail positions, retail executives, 11602
personal & family background & academic competence & other characteristics, prediction of grade retention vs promotion, 1st vs 4th graders, 39254
personality & other characteristics in initial vs subsequent classes, program evaluations in problem based curriculum, medical students, 3163
predictor variables & identification of motivation & demotivation, 8th–12th graders in general vs high vs low level technical education, 31352
prior courses & class rank & full vs part time status & sex & interrole conflict, performance in statistics, urban college students, 19556
program & student characteristics, choice of gerontology certificate program, 31–50 yr olds, Canada, 11243
school characteristics, impact of SES & educational expectations & academic participation on achievement, male Black vs White 3rd graders, 35405
seating locations of sociometrically measured student types, 5th graders & elementary & high school teachers, Israel, 35392
self efficacy vs interest congruence vs commitment, career indecision & academic adjustment, college students, 3489
sex & age & temperament & school recess timing & duration, playground behavior, preschool & kindergarten & elementary school students, developmental implications, 39230
social & academic integration & commitment & support, persistence, Black vs White community college students, application of theory of departure, 3507
student & classroom factors, risk of referral to special education, 7.2–11.4 yr olds & their teachers, 47294
student & tutor race & sex, tutoring outcomes, academically underprepared African vs Asian American vs Hispanic college students, 3348
student characteristics, choice of majors in physical education or health or sports studies, college students, 11496
student skills necessary for success in mainstreamed regular education classrooms & perceptions of intervention strategies, teachers of learning disabled high school students, 23612
student's academic skill & sex & behavior, grades & teacher's academic judgments, K–2nd grade teachers, 35348
student's physical attractiveness, expectations & impressions & other judgments, teachers, meta analysis, 23586

Stuttering—Serials
acoustic measurements of fundamental frequency & jitter & shimmer in fluent vocalized utterances, stuttering 36–56 mo old males, 14118
administration of Somatic Inkblot Series-II under relaxation & subsequent psychotherapy, body image & hostility toward mother, 15 yr old female stutterer, case report, 18523
advantages & disadvantages of & issues in early intervention treatment procedures, stuttering children, 15191
age, utterance length & syntactic category use & speech rate, normally fluent vs stuttering 2.6–12.5 yr olds, 26130
amplitude & duration of EMG of lip muscle during perceptually fluent speech, male 19–28 yr old stutterers vs nonstutterers, 26134
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary reply, letter, 14130

application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary reply, letter, 14131
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary, 2094
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary, 2103
auditory feedback with vs without masking white noise, detection of self produced speech errors, stutterers, test of auditory feedback defect theories, 14134
behavior modification, stutterers, 42297
behavior modification, stutterers, research review, 42291
bilingual awareness & characteristics of both languages at time of stuttering onset, bilingual stuttering 25 mo old male, case report, 18161
bimanual handwriting with vs without vocalization or attention interference, interhemispheric integration, right handed 6–8 vs 9–11 vs 12–15 yr old male stutterers vs nonstutterers, 26128
brain lateralization during perception of syllables, 16–42 yr old stutterers, 14145
carbamazepine dosage, adult stutterers, 2636
communication attitude & anxiety & depression, stuttering vs nonstuttering 16–68 yr olds, 2099
constancy of interstress intervals in fluent speech during adaptation trials, male stuttering 17 & 20 yr olds, followup, 2101
desipramine, development of stuttering & jaw myoclonus, depressed 28 yr old male, letter, 18754
duration of speech interval, intrarater & interrater reliability of ratings of speech naturalness of stuttering clients in treatment, experienced vs inexperienced college student judges, 12022
educational level, frequency of stuttering vs capacity to judge constituent linguistic boundaries, adult stutterers, 26131
EEG parameters, 5.6–7.2 yr olds with complicated forms of stammering, 18160
family systems vs Lacanian interpretation of stuttering, H. Melville's character Billy Budd, commentary, 25030
future of operant model in behavior modification, stutterers, 42293
history of behavior modification, stutterers, 42289
identification & progression & prevention & prototypic categories of stuttering, preschool & school age children, commentary reply, 14121
identification & progression & prevention of & parental influences on stuttering, preschool & school age children, commentary, 14112
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14133
identification & progression & prevention of stuttering, preschool & school age children, 14123
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14113
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14120
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14110
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14137
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14124
identification & progression & prevention of stuttering, preschool & school age children, commentary, 14139
interclinic & interjudge differences in stuttering event counts, speech language pathology graduate students, 26129
internal consistency & factor structure of Willoughby Personality Schedule-R, assessment of interpersonal stress sensitivity, 16–40 yr old male stutterers, Yugoslavia, 4004
issues & practices in behavior modification, stutterers, 42292
level of demand of parent's requests & length & complexity of utterance, disfluencies in conversational responses to questions vs assertions, 4–10.6 yr old stutterers & their parents, 18166
mianserin, dysfluencies, stutterers, commentary, letter, 10667
narrative ability, 6.3–11.3 yr old stutterers vs nonstutterers, test of hypothesis of delayed expressive language development in stutterers, 6201
noninvasive laboratory instrumentation method, assessment of speech physiology & development of behavioral goals & biofeedback remediation of stuttering, 38 yr old male, case report, 7274
perceptions of personality traits of male vs female adult vs 8 yr old stutterers, 6th–8th grade public school teachers, commentary on replication, letter, 47131
perceptions of personality traits of male vs female adult vs 8 yr old stutterers, 6th–8th grade public school teachers, replication, letter, 47140
phenelzine, male 24 yr old with stuttering complicated by social anxiety, letter, 22747
phonatory response time to frequency modulated tones, male 14–55 yr old stutterers vs fluent speakers, 14129
precision fluency shaping program, 15.1–46.3 yr old male stutterers, Netherlands, 6 mo followup, 35061
progression & prevention of stuttering, preschool & school age children, commentary, 14119
progression & prevention of stuttering, preschool & school age children, commentary, 14114
progression & prevention of stuttering, preschool & school age children, commentary, 14132
progression & prevention of stuttering, preschool & school age children, commentary, 14140
progression & prevention of stuttering, preschool & school age children, 14122
psychosocial factors related to stuttering onset, 23–75 mo olds, 2105
rationale & theoretical origins & procedural aspects of semi-intensive fluency therapy, stutterers, 35066
sampling strategy for linkage analysis of stuttering & manic depression, 45444
simplified regulated breathing training with social support, stuttering 6–10 yr olds, 31059
speaking rates & RT latencies & interrupting & child speech disfluencies, male 3.3–4.7 yr old stutterers & their mothers, 18162
speech therapy, stuttering-like behavior while playing French horn, 32 yr old male stutterer, case report, 35063
speed & consistency of manual task performances, stuttering vs articulation disordered vs normal 5–10 yr olds, 26137
stuttering development & treatment, 23–52 mo olds, 2–12 yr followups, 2106
stuttering, elementary school students, implications for teachers, 31289
tachistoscopic words vs nonwords & familiar vs unfamiliar geometric figures in left vs right visual field, hemispheric processing, stuttering vs nonstuttering 7–15 yr olds, 33995
test retest reliability & sensitivity of Dutch translation of Communication Attitude Test, assessment of speech associated attitudes, 7–13 yr old stutterers, Belgium, 12 wk followup, 24155
trifluoperazine, progressive adult onset stuttering, 25 yr old male with schizophrenia with paranoid & catatonic features, case report, 22744
videotaped replaying of parent child communication as indirect treatment, speech, 5 yr old female with stuttering problem & her parents, case report, 3129

Stuttering—Chapters

Stuttering, 15195

Subconscious—Serials

hypnosis, pain & healing & white blood cells in wound area & sense of loss & rebuilding of subconscious & phantom limb sensations & fear, male finger loss victim, case report, 38630

Subcortical Lesions [See Brain Lesions]

Subculture (Anthropological)—Serials

aesthetic vs competitive vs vertigo vs cathartic motivations & values & culture, 15–37 yr old male surfers & surf shop personnel, 7711
assessment strategies & preventive methods & clinical interventions, adolescents involved with deviant subcultures of satanism & neo-Nazi skinhead movement & street gangs, 1811

career counseling & subcultural diversity, African Americans, 39417

deaf culture & literacy, 38340
drug culture knowledge, substance use, middle & high school students, 13970
fa'afafine subculture & social development & sexual history, male 22 yr old transsexual, Samoa, case report, 29300
organization project, subculture & risk behavior change for AIDS prevention, iv drug users, 3076
pathological grief reactions & psychiatric symptomatology & practice, members of James Bay Cree culture, Canada, 29566
problems with subculture theory of homeless youth, commentary, 40947
problems with subculture theory of homeless youth, 40954
routine activities & subculture of violence & choice in response to victimization, 14–29 yr old members of delinquent street group, Canada, 26030
social pharmacological interpretation of Acid House psychedelic drug & musical concert experience, 9358
social structure & networks in national political subcultures, top position holder in major organizations, 1971–72 & 1975, Australia vs US, 9372
socialization & subculture & design of nursing education buildings, nursing students, 11240
stories as metaphors for conflict with parents & self & society & psychotherapeutic approaches, adolescents in youth counterculture, USSR, 44973

Subcutaneous Injections—Serials
ip vs sc leu-enkephalin, plasma uptake & in vivo metabolism, male mice, implications for dosage, 4831

Subjectivity [See Objectivity]

Sublimation—Serials
object relations framework for D. W. Winnicott's concept of sublimation, 13589
perspectives on & definition of sublimination in relation to female genitalia & bodies, Freud vs modernist female writers, 21596
psychoanalysis, inhibition of painting due to castration anxiety about child & maternal role, female painter, 2586
theoretical perspective on sublimation in artistic & psychoanalytic experiences, male artist analysands with neuroses, 34496

Subliminal Perception—Serials
apperception of binocularly fused random dot stereograms, subliminal monocular perception, college students, 36084
backward speech, recognition memory & rated truth & discrimination of new vs repeated corresponding forward statements, college students, Canada, 36106
controls in subliminal psychodynamic activation experiments, commentary, 43940
nonexistent subliminal message, mood change & reported detection of subliminal message portions, believers vs nonbelievers in subliminal influence, 24276
process dissociation framework for study of Freudian slips & projective tests & subliminal perception & signal detection theory as unconscious influences, 25614
subliminal auditory stimulation in music, subconscious written or pictorial imagery & detection & awareness & overt behavior, professional musicians & college students & young adults, 36129
subliminal processing of emotional information, anxious or depressed adults, 29560

Subliminal Perception—Books
Perception without awareness: Cognitive, clinical, and social perspectives, 4233

Subliminal Perception—Chapters
Affect and social perception: On the psychological validity of rose-colored glasses, 4242
The direct recovery of subliminal stimuli, 4237
Does subliminality matter to social psychology? Awareness of the stimulus versus awareness of its influence, 4234
Implicit perception, 4239
Lectures for a layperson: Methods for revealing unconscious processes, 4238
Measuring unconscious perceptual processes, 4241
Perception without awareness in the stream of behavior: Processes that produce and limit nonconscious biasing effects, 4244
Subliminal mere exposure effects, 4235
Subliminal perception, memory, and consciousness: Cognitive and dynamic perspectives, 4245
Validating and demystifying subliminal psychodynamic activation, 4246
What does it all mean?, 4240

Subliminal Stimulation—Serials
affective vs cognitive priming with optimal vs suboptimal exposure duration, affective judgment of novel stimuli, college students, test of affective primacy hypothesis, 32157
auditory subliminal stimulation &/vs rational emotive therapy, self concept, college students, followup, 31438
familiarity with & belief in subliminal advertising & influence on attitudes & behavior, 18–65 yr old & older consumers, 39581
list of results from visual subliminal psychodynamic activation experiments, 239
mere exposure effect in recognition of subliminal vs consciously perceived visual stimuli, college students, 4248
methodological issues in subliminal psychodynamic activation, commentary reply, 44079
methods for auditory subliminal stimulation, 44034
placebo effect of subliminal self help audiotapes, weight loss, overweight female adults, Canada, 6883
spoken subliminal suggestions in music, tempo perception, undergraduate & graduate music majors vs nonmusic majors, 36131
subliminal auditory stimulation in music, subconscious written or pictorial imagery & detection & awareness & overt behavior, professional musicians & college students & young adults, 36129
subliminal backward recorded message, attitudes, college students, 24350
subliminal music, short term recall, adults, 350
subliminal psychoanalytic merging vs neutral message, mathematics learning, incoming college students, commentary, 32204
subliminal psychodynamics activation, mathematics learning, adults, commentary reply, 44149
subliminal vs supraliminal exposure to abandonment stimulus, mood & eating rate & relation to bulimia & scores on eating disorder inventory, female college students, 2082
threatening subliminal stimulus, response bias on perceptual ESP test, adults, replication, 40224

Subliminal Stimulation—Books
Subliminal treatment procedures: A clinician's guide, 22540

Subliminal Stimulation—Chapters
The direct recovery of subliminal stimuli, 4237

Submucous Plexus [See Autonomic Ganglia]

Substance Abuse [See Drug Abuse]

Substance P—Serials
acute vs chronic collagen-II induced arthritis, activity of CSF dynorphin converting enzyme & substance P endopeptidase, female rats, implications for pain processing, 8782
carboxyl vs amino terminal substance P fragments, concentration of dopamine & metabolites in nucleus accumbens vs neostriatum, male rats, 24852
chronic constriction injury of sciatic nerve, substance P binding sites in spinal cord, male rats, 20502
cold water swim stress with vs without naloxone vs naltrindole vs beta funaltrexamine, intrathecal somatostatin vs substance P induced nociceptive responses, male mice, 32643
delta sleep inducing peptide, substance P in hypothalamus & emotional stress, male rats, translated article, 8969
imipramine with vs without phentolamine or methysergide or naloxone, antinociception & intrathecal substance P induced nociceptive behavior & spinal receptor binding, male mice, 716

intrathecal substance P, tailflick & paw pressure responses & desensitization & substance P binding in dorsal horn, male rats, implications for involvement of receptor-G protein complexes, 24902
intrathecal substance P vs substance P antiserum vs spantide, pilocarpine induced hindlimb scratching, male mice, 36868
neonatal capsaicin, isolation induced aggressive behavior & hypothalamic substance P, adult male CD-1 mice, 32582
neurokinin-1 receptor antagonist sendide, neurokinin vs substance P induced & spinally mediated limb licking & biting & scratching, mice, 20983
role of substance P in pathophysiology of neuropsychiatric disorders, 5713
salts &/or guanine nucleotides with vs without substance P & its fragments, DAMGO binding to brain membranes, male mice, 44656
substance P & somatostatin, nociceptive responses, diabetic vs nondiabetic male mice, 24909
substance P antagonist CP-96,345, nociception & binding in spinal cord vs brain vs submandibular gland, male rats, 24677
substance P, long or short term memory & activity & exploratory efficiency & habituation & perimeter walking in automated tunnel maze, male rats, 28755
substance P theory & role of ocular sensory nerve pathways in pain transmission, patients with cluster headache & normal adults, 26208
substance P vs LH vs TRH vs prolactin vs oxytocin with vs without estrogen, in vitro midbrain periaqueductal gray neuronal activity, female rats, 16838
suprachiasmatic enucleation with vs without testosterone, substance P immunoreactivity in stria terminalis bed nucleus & amygdala & medial preoptic area, male hamsters, mating implications, 16871
testosterone, substance P neurons of amygdala medial nucleus & stria terminalis bed nucleus & medial preoptic area, intact vs castrated male golden hamsters, mating implications, 16872
6-shogaol with vs without capsaicin, spinal dorsal horn immunoreactive substance P & antinociception, male rats, 16840

Substance P—Books

Substance P and related peptides: Cellular and molecular physiology. Annals of the New York Academy of Sciences, Vol. 632, 24725

Substance P—Chapters

Central peptidergic mechanisms of cardiovascular control: C- and N-terminal fragments of substance P, 9002
Neuroanatomical relationships of substance P and sex steroid hormone-sensitive neurons involved in sexual behavior, 24731

Substantia Nigra [See Mesencephalon]

Subtests—Serials

clinical interpretation of WISC-III subtest scores, children, 35828
concurrent validity of empirical psychopathology scale of Bender Visual Motor Gestalt Test, 7–10 yr olds with adjustment or conduct disorder, 39787
concurrent validity of Focusing Conscious Attention subscale of Feelings Reactions & Beliefs Survey & Absorption subscale of Differential Personality Questionnaire, graduate counseling students, 24087
confirmatory factor analysis & construct validity coefficients for parenting & family interaction scales of 4 measures, Hispanic vs Anglo American 8–14 yr olds vs their mothers, 11939
construct validity of California Psychological Inventory scales & adapted Biodata Questionnaire & Employment Inventory, assessment of integrity & personality, white collar offenders vs personnel, 39771
construct validity of Test of Adolescent Language-2 subtests, 12–18.4 yr olds, implications for multidimensional model of language, 36
covariance structure analysis of orientation & judgment & subtests of Moral Development Test, assessment of Kohlberg's hierarchical stage structure, 9th–12th graders & adults, Hong Kong vs England, 24064
development of instrument & internal consistency & stability & validity of subscales, assessment of pain intrusion & accommodation, veterans with chronic pain, 39808
development of masculine & feminine sex role scales on MMPI-2, adults, 20007
development of subscales of Dysfunctional Attitude Scale, assessment of cognitive vulnerability to depression & anxiety, college students, Australia, 7996
discriminant & convergent validity of 2 subscales of Problem Solving Style Questionnaire, college students, 43734
efficacy of Validity vs Suppressor vs Lie vs Obvious vs Subtle subscales of MMPI-2, detection of fake bad vs good vs honest responses, college students, 7937
factor structure of & performance on Verbal & Performance subtests of WAIS-R, 16–54 yr old vocational guidance clients, Australia, educational & clinical implications, 19990
factorial validity of Test of Attentional & Interpersonal Style subscales, college students, implications for sport psychology, conference presentation, 7944
intrasubtest values for WAIS-R subtests, adult psychiatric patients, 11999
MMPI excitatory vs special scales, assessment of personality & recidivism & crime severity & property & assault offenses, male 13–17 yr old offenders, 4091
neurodiagnostic accuracy of Brain Age Quotient subtests, detection of cerebral dysfunction, 17–50 yr old inpatients in substance abuse treatment, 8040
parent & child sex & social class, factor structure of Nurturance & Restrictiveness scales of modified Black Child Rearing Report, Black parents, Barbados, 39750
performance on modified Stroop Color & Word Test interference subtask, 15–45 yr olds with mild head injury, 4108
psychometric analysis of Circadian Type Inventory vigor & rigidity scales, prediction of tolerance to shift work, 17–47 yr olds, 24045
reading ability & other contaminants & factor structure & construct validity of Externalizing & Internalizing scales of Youth Self Report, 11–18 yr old psychiatric inpatients, 13641
reliability of MMPI-2 Harris Lingoes subscales, 19–59 yr old outpatients, 28009
reliability of single WAIS-R subtest vs mean of all subtests, mentally retarded adults, 11994
restricted factor analysis in detection of item bias on Classmates & Teacher scales of School Attitudes Questionnaire, 9–13 yr old students, Netherlands, 20097
scores on Kirton Adaption-Innovation Inventory subscales, delineation of entrepreneurial style, entrepreneurs, 27985
scores on Problem Orientation vs Problem Solving Skills Scale of Social Problem Solving Inventory, prediction of year ending GPA, college students, 8060
scores on symptom negative vs positive subscales of Dutch State version of State-Trait Anxiety Inventory, psychiatric patients & college students & police personnel, replication, 12017
Self Appraisal subtest of Career Maturity Inventory, appropriateness of career choice, male vs female 9th graders, 32001
subscales of Career Decision Profile, multidimensional assessment of effectiveness of college level career planning course, college students, 31994
subscales of revised Beck Depression Inventory, assessment of cognitive-affective & somatic-performance dimensions, iv drug users, 20053
subtest scatter analyses & Kaufman regroupings of WISC-R scores, non-learning-disabled vs learning disabled 6–15 yr olds, 24149
subtest specificities for WISC-III, children, 25
use of MacAndrew Alcoholism Scale of MMPI to relate sensation seeking & alcoholism, commentary, 86
utility of Negative Impression scale of Personality Assessment Inventory, detection of feigning schizophrenia or depression or anxiety disorders, naive vs sophisticated psychology students, 39786
validity & stability of rationally based proxy case identification tool for diagnosis, outpatients with deficit vs nondeficit syndrome of chronic schizophrenia, 35898

validity of Wiener-Harmon Subtle Obvious vs L & F standard scales, identification of valid vs faked MMPI-2 profiles, psychiatric patients vs college students, 24153
Subtests—Chapters
Human intelligence in a repeated-measures setting: Communalities of intelligence with performance, 43738
Suburban Environments—Serials
economic benefits of internal parks & private vs public open space value, subdivision homeowners, 47532
epidemiology of psychopathology, 6–11 yr olds in rural vs suburban areas vs large vs small cities, 33564
means & standard deviations on Pubertal Development Scale, rural vs suburban female vs male 7th graders, 24063
mobile community treatment teams for intensive & assertive community based treatment, inner city vs suburban mentally ill 20–75 yr olds, Australia, 19084
neighborhood satisfaction & perceptions & perceived quality of life & self efficacy, residents of city vs inner vs outer suburban neighborhoods, 13243
ratings of physical & social aspects of housing choices, suburb preference & hostel vs home choice, 60–97 yr olds, 45028
transplantation into White suburban schools, high school retention & grades & placement & college attendance & employment status, low income urban Black 15–25 yr olds originally assessed as children, 15441
Subvocalization—Serials
cognitive cover & copy & compare intervention with subvocalization, mastery responding to division problems, male elementary school students with behavior disorders, 8 mo followup, 19611
Success [See Achievement]
Successive Contrast [See Afterimage]
Succinylcholine—Serials
ECT with succinylcholine induced prolonged apnea, depressed female 70 yr old with heterozygous atypical cholinesterase, case report, 22813
Sucking—Serials
crate vs pen housing, stereotypies & social interactions & suckling patterns, gilts, 20399
diazepam, maternal behavior toward & acceptance of alien lambs & suckling & activity level, ewes & lambs, 705
gestational age at birth, development of nurturative sucking patterns & physiological correlates, very low birth weight infants, 38122
image of mother's vs stranger's face, sucking responses, 12–36 hr olds, implications for familiar face perception, 986
maternal licking of own vs alien calf & calf sucking behaviors, heifers & newborn calves in group housing, 36387
nipple suckling preferences, chimpanzee infants, 32341
oral capture & grasping of & aversive responses to artificial nipple, rat fetuses with vs without morphine pretreatment, 24972
response cost procedure & social reinforcement through praise, female 7 yr olds with inappropriate sucking behavior, Australia, 6 mo followup, 30356
Sudan—Chapters
Sudanese children in the family and culutre, 17362
Sudden Infant Death—Serials
home apnea monitoring, disruptions in family life, parents of infants at risk for SIDS, 14795
marital status & support & discovery of infant & other characteristics, grief, mothers assessed 6 mo after death of infants from SIDS, 41971
witchcraft explained sudden infant & child death & subsequent medical sequelae & folk illnesses, bereaved parents, Mexico, 34021
Suffering—Serials
issues in replacement of medical model's term patient with theological model's term sufferer, 46593
neuroticism & extraversion, pain intensity & unpleasantness & suffering & pain behavior, chronic pain patients, 22257
perceptions of suffering & quality of death in hospital, hospital nurses vs family members of 41–91 yr old terminally ill patients, 30944
psychoanalytic perspective on psychiatric pain & deliberate suffering, 9673
relationship of theatrical & medical in Nigerian Tuareg idiom of "tamazai" suffering, 5349
teleology based on bisexuality, meaning for suffering, paranoid patients, 29675
Suffering—Chapters
The mortality of bereavement: A review, 41363
Sugars [See Also Blood Sugar, Glucose]—Serials
chromosome mapping of Soa gene influencing gustatory sensitivity to sucrose octaacetate, outbred & congenic strains & test cross progeny of mice, 28471
chronic mild stress vs pimozide, rewarding effects of sucrose concentration & food intake attenuation, male rats, implications for anhedonia, 20767
crop sugar flow rate & solution volume, transfer delay of trophallaxis, honeybees, implications for crop load profitability information relay, 44289
D-galactosamine induced hepatic failure, feeding & ambulatory activity & striatal monoamines, rats, 8972
dextrose & saccharin solution, early onset of reduced morphine analgesia, male rats, 28706
dopamine agonist raclopride, positive reinforcing effect of sucrose in independent ingestion, rats, replication, 40688
dopamine agonist raclopride, positive reinforcing effect of sucrose in independent ingestion, rat pups, 21022
dose of sucrose, calming effect & reduced crying, postmature vs full term 0–4 day olds, 866
estrogen vs progesterone with vs without chronic sucrose & estrous cycle phase, tailflick latency & nociception, ovariectomized female rats, 12778
ethanol, muscle glucose & fructose bisphosphate & phosphofructokinase activity, chronic alcoholic patients with vs without myopathy, 13928
facial responses to & quality of taste of sucrose & genetic sensitivity to 6-n-propylthiouracil, hedonic response to sweet food, college students, 4231
hedonic responses to glucose vs fructose vs sodium chloride vs pure vs flavored sucrose solutions, sucrose likers vs dislikers, 12138
illusory correlation & O bias in beliefs about & advice to parents regarding sugar consumption & behavior, primary school teachers, Canada, 31220
intermediate sucrose octa-acetate sensitivity & bitter taste locus identity, nontaster inbred mouse strains, 12476
intraoral milk vs fat vs sucrose vs water or conditioned odor, rat pain tolerance & endogenous opioid release & infant crying, isolated vs huddled rat pups vs infants, 24790
mild unpredictable stress, suppression of sucrose solution vs water vs food intake, food & water deprived male rats, implications for anhedonia, 20760
moderate vs severe zinc deprivation vs supplementation, sodium chloride taste thresholds & discrimination of sodium chloride vs sucrose, male rats, 12631
morphine vs naloxone, ethanol & sucrose reinforced responding, rats, 12881
naltrexone vs nor-binaltorphamine vs beta funaltrexamine vs naltrindole vs D-Ala2,Leu5,Cys6-enkephalin vs naloxonazine, sucrose solution & deprivation induced water intake, male rats, 12736
nasoincisor duct lesion &/vs chorda tympani nerve section removal of anterior tongue taste input, behavioral response to sucrose, male rats, implications for synergistic contribution, 40413
neuroleptic drugs, paracellular permeability to sugars & lactulose/L-rhamnose output, male rats & 22–63 yr olds with schizophrenia, Great Britain, 44707
perceived sweetness & bitterness intensity of sucrose &/vs aspartame &/vs acesulfame-K, 18–35 yr olds, 4224
presentation order & concentration of sucrose vs glucose vs fructose vs maltose vs polycose, licking during brief contact taste test, male rats, 24515
quinine sulfate vs sucrose octa-acetate aversion & polygenic determination, inbred mouse strains, 12473
quinpirole in ventral tegmental area, ethanol & sucrose reinforced responding on FR schedule, male rats, 44639
seasonal body weight variations, preference for neural response to sucrose concentrations, mouse lemurs, 40232

selective dopamine agonists SKF 38393 vs CY 208-243, sucrose sham feeding, gastric fistulated male rats, animal model of anorexia, 24864
stressful shock, saccharine vs sucrose solution drinking behavior & weight gain, male rats, 4705
sucrose concentration, sucrose solution sham feeding intake following intragastric preload vs deprivation, female rats, 44517
sucrose paired with lithium chloride, taste reactivity to sucrose, male rats, 4748
sucrose vs fructose vs glucose vs lactose, calming & reduced crying, 1–3 day olds, 853
surgical removal of pregastric pouch, voluntary lactose vs sucrose consumption, male golden hamsters, 36628
taste preference for sodium chloride & sucrose concentrations, patients with Parkinson's disease, 42105
voluntary lactose vs sucrose vs glucose solution ingestion, male gerbils vs rats vs mice vs hamsters, 4430
4th ventricle bombesin, sucrose ingestion, chronic decerebrate male rats, 16773

Suggestibility—Serials

age & mode of questioning, suggestibility & eyewitness reporting about ambiguously caring vs abusive behavior of mother toward child, 3–4 vs 6–7 vs 18–25 yr olds, 29028
age differences & cognitive & social & biological factors in suggestibility, child witnesses, 1900 to present, 31759
age, interrogative suggestibility & relation to memory & vocabulary, 6–12 yr olds, Iceland, 37024
eyewitness suggestibility effect in verbal vs visual recognition memory test, college students, legal implications, 39679
intelligence & memory & previous convictions, interrogative suggestibility, 16–62 yr old defendants in false confession cases, application of path analysis, 47625
interrater reliability of Gudjonsson Suggestibility Scale, 10.9–17.6 yr olds with disturbed or disordered behavior, 15974
suggested bronchoconstrictor vs bronchodilator inhalation, pulmonary function & subjective breathing, asthmatic patients, 18852
suggestibility & imaginal vs progressive relaxation training, relaxation, college students, 36661

Suggestibility—Chapters

Effects of context on the accuracy and suggestibility of child witnesses, 35718
The generation of misinformation, 20336

Suicidal Ideation—Serials

aggressive behaviors & drug use & suicidal thoughts & plans & attempts & physical recklessness, 9th–12th graders, 29774
alcohol use & suicidal ideation & attempts & risky activities, 11–17 yr olds, 17965
antidepressant medication, suicidal behavior & ideation, depressed patients, consensus statement of American College of Neuropsychopharmacology, 30485
antidepressants, suicidality, depressed patients, research review, 30489
antisuicidal attitudes, adults with vs without near death experiences, 24509
attributional style, prediction of depression & hopelessness & suicidal ideation, college students, 13673
comorbidity of mood or panic or anxiety or other psychiatric disorders, patients who attempted suicide or with suicidal ideation, 45673
coping response preferences, depression & social maladjustment & suicidality, adolescent psychiatric patients, 5744
correlates & experience of suicidal ideation, high school students, 17900
crisis social support following loss of love relationship or close friend, suicidal vs nonsuicidal college students, Canada, 37901
depression & self esteem & suicidal ideation & GPA, at risk 9th–12th graders, 27485
depression & suicidal ideation, Hispanic vs African American high school students, 13624
depressive symptoms & illicit drug use & suicidality, 11–19 yr olds, US vs Mexico, 1562
drug use & suicidal ideation & behavior, 9th & 12th graders, 17907
dysfunctional attitudes & depression & hopelessness & self concept & suicidal ideation, psychiatric outpatients, 33510
earliest suicide memory & suicidal thought & development of suicide concept, college students, 5979
ego defense mechanisms & diagnosis & suicide attempts or ideation, 12–16 yr old psychiatric patients, 13891
external locus of control & depression & suicidal preoccupation, high school students, 45645
factor structure & reliability & validity of Reasons for Living Inventory, college students with suicidal ideation & behavior, 35907
factor structure of Beck Scale for Suicidal Ideation, psychiatric inpatients, 24151
fluoxetine, emergence of suicidal ideation, depressed patients, research review, 30499
fluoxetine induced akathisia & other extrapyramidal symptoms, suicidal ideation, female 32 yr old with major depression, 22728
fluoxetine induced akathisia & suicidal ideation, female 24–45 yr old psychiatric patients, letter, 10738
fluoxetine induced suicidal preoccupation, psychiatric outpatients, letter, 18699
fluoxetine vs tricyclic antidepressant &/vs placebo, emergence of suicidal thoughts & acts, patients with major depressive disorder, meta analysis, 18701
hopelessness & repulsion vs attraction to life vs death, suicidality, 6.7–13 yr olds, replication, 33742
hopelessness in cognitive model of suicidal ideation & intent & risk, 9973
medical specialty, stress & burnout & suicidal thoughts, 66 yr old & younger physicians, Finland, conference presentation, 7336
methadone vs residential vs outpatient treatment, depression & suicidal ideation, drug abusing clients, 12 mo followup, 3088
music preferences & suicidal thoughts & behaviors & other lifestyle factors, high school students, 37890
parental control & support & family status & age & sex, suicide ideation, French speaking 11–18 yr old high school students, Canada, 33743
perceived problem solving ability, vulnerability to stress & depression & hopelessness & suicidal ideation, college students, 13632
personal & family substance abuse histories, 12–95 yr old suicide attempters & ideators, conference presentation, 1801
physical symptoms & disability & sociodemographics & social support & cognitive impairment, depressive symptoms & suicidal thoughts, 18 yr olds & older with HIV, 14224
prevalence of suicide attempts & ideation & co-occurrence with psychiatric disorders, older adolescents, 1804
psychosocial correlates of suicidal ideation, male vs female 14–19 yr olds, 13894
rates & correlates of suicidal ideation & suicide attempts, 8–13 yr olds with depressive vs other psychiatric disorders, longitudinal study, 21709
rates of & psychosocial risk factors for suicide attempts, 4.6–14.7 yr old psychiatric inpatients with vs without suicide attempts vs ideation, 6–8 yr followup, conference presentation, 21944
rationality of perceived consequences of & alternatives to suicidal acts, psychiatric patients with vs without suicide attempts, conference presentation, 25717
reliability & validity of French language version of Scale for Suicide Ideation, 11–18 yr olds, Canada, 43752
religion & perceived personal risk for suicide, parochial vs public rural high school students, 37881
self esteem & depression & life stress & social support, suicide ideation, 11–18 vs 19–71 yr olds, Canada, 17902
social support & suicidal ideation, college students, 25940
social support system attitudes & depression & suicidal ideation, 21–49 yr old male Army personnel with HIV, 6303
suicidal attempts & ideation & hopelessness, outpatients with panic disorder with vs without agoraphobia vs mood vs other disorders, commentary reply, 9759
suicidal ideas & behavior, 18–24 vs 60–78 yr olds, Canada, 29758

suicidal ideation & depressive symptomatology, 11–14 yr olds, Spain, 3 yr followup, 5983
suicidal ideation & personality disorders assessed by Millon Clinical Multiaxial Inventory, drug or alcohol inpatients vs college students, 5995
suicidal ideation & suicide attempts, patients with panic disorder, commentary reply, letter, 37790
suicidal ideation & suicide attempts, patients with panic disorder, commentary, letter, 37776
suicidal ideations & attempts, patients with affective disorders including panic disorder & agoraphobia, commentary, 9765
suicidal tendencies & emotional stability in lives & work of H. Ibsen vs E. Hemingway, 798
suicide attempt risk factors, adolescent inpatients admitted for suicide attempts vs ideation, 6 mo followup, 21907
suicide attempts & ideation & hopelessness, outpatients with panic disorder with vs without comorbid agoraphobia or other psychiatric disorders, commentary, 9784
suicide evaluation & demographic & medical & psychiatric characteristics, adult medical patients, 38084
suicide thoughts & attempts, chemical abusing patients with vs without panic disorder or attacks, Canada, 22008
time limited cognitive analytic therapy, suicidal 34 yr old male & depressed 45 yr old male, 2604
TSH response to TRH & suicidality & agitation & panic, female 18–54 yr olds with euthyroid primary unipolar depression, conference presentation, 5809

Suicidal Ideation—Chapters

Psychopharmacotherapy of suicidal ideation and behavior, 26797
Self-destructive preschool children, 6042

Suicide—Serials

access to lethal methods of injury, suicide rates, residents of 5 New York City communities, 1984–87, 1842
accidental death & suicide rates by similar methods, US, 45646
achievement motivation & competitiveness & occupational preference & national rates of suicide & homicide, college students, 30 countries, 41687
acute vs continuing drug treatment, refractory depression & suicide rate & mortality, patients with affective illness, 6734
affective & cognitive components in psychodynamic meanings of suicide, 9932
age & marital status & number of offspring, suicide, female 25–75 yr olds & older, Norway, 25908
age & personality & psychiatric diagnosis & psychosocial somatic background, risk for attempted & committed suicide, female psychiatric inpatients, Hungary, conference presentation, 25902
age & sex & method, 10–70 yr old & older suicide victims, Hong Kong, 33758
age & sex & race & marital status & sociodemographic factors in epidemiology of suicide, implications for prediction & intervention & prevention, 9969
age & sex specific suicide rates by day & date & mo of yr, 5–81 yr olds & older, US, 17929
age & sex, suicide, 15 yr olds & older, 1973–87, Australia & New Zealand, comparison with Western countries, 29801
age & time period & cohort, suicide, 15 to over 80 yr old White males, 1926–81, US vs Canada, 21966
age & unemployment, suicide rate, 15 yr old & older males, UK vs other European countries, 6020
alcohol availability, death rates from cirrhosis vs suicide vs homicide, 37946
alcohol consumption vs divorces/marriages vs unemployment rate, suicide vs homicide rate, males vs females, 1966–85, Australia, 13880
antidepressant paroxetine radioligand measured 5-HT uptake sites in postmortem frontal & cingulate cortices & hypothalamus, 16–75 yr old suicide victims, 25888
antidepressant treatment vs establishment of mood or lithium therapy clinics, suicide rate, patients with affective disturbances at risk for suicide, 6781
argument for ethical suicide, elderly, 45623
assessment & management of treatment standards of care, adult suicidal outpatients, literature review, 19057
assessment of & response to suicidal inmates, 3143
attempted & committed suicide rates, unemployed vs employed 16–65 yr old residents, 1976–85, Germany, conference presentation, 25922
attitudes toward & attributions of causes of suicide, college students, 17927
attitudes toward & role in active euthanasia & assisted suicide, physicians, 15295
attitudes toward suicide, clinical psychologists vs psychiatrists vs oncologists, 29778
benzodiazepine binding sites in hippocampus, drug free violent suicide victims, 21945
bereavement process following husband's suicide & social support & 5 day bereavement leave policy, high school principal, 35268
bystander intervention variables of diffusion of responsibility & ambiguity, helping responses to suicidal peers, 9th & 11th graders, implications for suicide prevention programs, 41681
characteristics, adolescent suicide victims with vs without psychiatric disorders, 37859
characteristics of & social stressors resulting in suicide pacts, adults, 1982–87, India, comparison with other countries, 45680
characteristics of suicides, 17–60 yr old urban jail inmates, 1980–88, 29793
cholecystokinin & benzodiazepine receptor characteristics in postmortem brain tissue, 22–75 yr old suicide victims, 41677
cigarette smoking & suicide, 30–55 yr old nurses, 12 yr study, 29780
client variables, suicide, 24–68 yr old long term mentally ill patients in community based case management program, 19077
climatic factors, violent vs nonviolent suicide & homicide & accidental death probabilities, 1969–84, Belgium, 6007
clinical & Iowa-500 & twin & Amish & Danish adoption research, evidence of genetic factors in suicide, 9958

Sulpiride—Serials
cholecystokinin agonist A68552 vs haloperidol vs clozapine vs sulpiride, conditioned avoidance responding, male rats vs mice vs cynomolgus monkeys, 20817
D-cycloserine with vs without SCH 23390 or YM 09151-2 or sulpiride or MK-801, apomorphine induced stereotyped behavior, male rats, 36745
D1 antagonist SCH 23390 vs sulpiride, nicotine induced hypoactivity & hyperactivity & antinociception, male mice, 40543
D2 dopamine receptor antagonist sulpiride & D1 antagonist SCH 23390, anxiogenic inhibition of exploratory behavior, male mice, 36882
efficacy & side effects & hyperprolactinemic effect of levosulpiride vs racemic sulpiride, 24–80 yr olds with somatoform disorders, 14800
ip dopamine agonists CQ 32-084 vs CQP 201-403 with vs without sulpiride, yawning & sedation & preening & pecking, male chickens, 40564
levosulpiride dosage, negative symptoms, schizophrenic 21–58 yr olds, 6711
oxaprotilene vs fluoxetine vs haloperidol vs sulpiride vs prazosin vs SCH 23390, MK-801 induced locomotor hyperactivity, male rats, 4858
sigma receptor agonist with vs without BMY 14802 vs sulpiride, rearing & sniffing & head movement & locomotion, cocaine sensitized male rats, animal model of schizophrenia & neuroleptic therapy, 4942
sulpiride, amphetamine induced activity & stereotyped locomotion, male rats, 12813
sulpiride in nucleus accumbens vs anterodorsal striatum vs basolateral amygdala, attenuation of reinforcer value in operant conditioning & sucrose consumption & locomotion, male rats, 4895

sulpiride, systemic vs intrahypothalamic amphetamine & dopamine induced anorexia, female rats, 40523
sultopride & tiapride vs sulpiride, plasma prolactin, male rats, 4833
total sleep deprivation, prolactin response to sulpiride, male patients with major depression, 46554
ventral tegmental area A10 region electrical stimulation vs sulpiride, flight behavior induced by hypothalamic stimulation, cats, 44394
Summer Camps (Recreation)—Serials
parental influence minimization, use of infirmary at residential summer camp, male vs female 8–18 yr olds, 2876
Superego [See Also Conscience]—Serials
constructive & destructive joint superego function & pathology in love life, couples, 45389
expression of psychodynamic forces & indication of superego pathology in Modigliani's paintings, 4981
persecution, ego & superego development & identity, Jewish & German child Holocaust survivors, 1089
self pity & comforting, narcissism & superego development & aggression & resistance to therapeutic change, analysands, conference presentation, 6661
superego conflicts in group analysis training supervision & supervision peer groups, 47030
superego pathology as result of traumatic childhood experience, conduct disordered adolescents, 41691
Superego [See Also Conscience]—Chapters
The endangered self: The threat of soul-loss in American society, 17618
Gender and superego development, 13179
The superego in the adolescent female, 45008
Superintendents (School) [See School Superintendents]
Superior Colliculus—Serials
d-amphetamine, superior colliculus influenced behavioral activity & arousal, rats & monkeys, literature review, 20830
dynamic feedback to superior colliculus in neural network model of gaze control & movement, 27836
electrical microstimulation of nondirectional & directional superior colliculus neurons, evoked eye movements, cats, translated article, 16632
electrical stimulation to ventrolateral pons & superior colliculus pathways, frequency intensity required in ipsiversive turning, male rats, implications for tectopontine pathway mediation, 36489
electrical stimulation to visual cortex, corticocollicular EPs, rabbits in awake state, translated article, 24759
low frequency stimulation of superior colliculus, spontaneous & visually guided saccades, female monkeys, 36509
sciatic nerve transplantation to sectioned optic nerve with bridge to superior colliculus, light dark discrimination in shuttlebox avoidance paradigm, male golden hamsters, 36557
superior colliculus infusion of GABA antagonist bicuculline, focally evoked limbic motor seizures, female rats, 32619
visual EP thresholds from visual cortex area 17 vs superior colliculus, albino vs pigmented rats vs adult humans, 12602
Superiority (Emotional) [See Emotional Superiority]
Superstitions—Serials
cultural diversity & superstitions & belief in pseudoscience & paranormal, allied health students, 27235
koro, Hainan Island, 1620
koro-like magical penis loss syndrome, Nigeria, 1602
nonconventional & superstitious beliefs, 16–55 yr old art vs science vs medical students, Australia, 25552
superstitious beliefs & behaviors & obsessive compulsive experiences, female college students, 33322
Supervising Teachers [See Cooperating Teachers]
Supervision (Professional) [See Professional Supervision]
Supervisors [See Management Personnel]
Support Groups [See Also Alcoholics Anonymous]—Serials
academic growth peer support counseling group & teacher student mentoring program for potential dropouts, intermediate school students & teachers, 31426
AIDS bereavement support group model, clients, conference presentation, 42548
attitudes & behaviors regarding & creditability of self help health support groups adjunct to traditional medical care, physicians & support group members, 10788
"Bear Essentials" support group program, illness perceptions & concerns & coping strategies, young children of 25–48 yr old cancer patients, 14785
brief professionally led support groups, psychological distress, infertile 21–47 yr olds, Canada, 6893
characteristics & processes & effectiveness of community support groups, literature review, 14768
community based support group, psychosocial adjustment, 18–45 yr olds with sickle cell disease, 46620
community self help group therapy, females with bulimia vs compulsive eating problems, 10768
content analysis of literature & espoused theories & methods of self vs mutual help organizations, mentally ill, implications for referring mental health professionals, 14766
contextual & ethnocultural factors in support group, Black college students on predominantly White campus, 15562
coping with grief in support group, widowed clients, 14767
creation & facilitation & evaluation of support groups, health care professionals & social workers with HIV & AIDS clients, 38673
demographic & social changes, development & functioning of self help groups for hypertension, elderly, Yugoslavia, 10902
demographics & coping styles & self help group membership, activism in medical care process, parents of children with cancer, 38670
development & implementation of psychosocial support program based on G. Caplan's model of mental health consultation, nursing staff caring for HIV positive patients, 15241
development of Students Teaching & Reaching Students peer support groups, high school students, 11572
discussion in self help group, illness & treatment ambiguity & comprehension, adults with manic or major depression, 26827
EAP as means of providing group support, health care professionals working with AIDS patients, 35099
educational & support group program, affect & strain & anxiety, 35–84 yr old caregivers of elderly, Australia, replication, 18673
effectiveness of guided self help group, female 19–46 yr olds with bulimia nervosa, 15 mo followup, 38640
ethnographic methods in development of Alzheimer's disease support groups, African American & Hispanic caregivers, 46583
evaluation of skills training & social support substance abuse risk reduction program, 11–18 yr olds with substance abusing parents, 3079
factors & role in provision of workplace supportive group services, industrial social workers, 35548
factors in quality family support programs, parents of developmentally disabled children vs support program coordinators, 14986
factors in self help support group participation, cancer patients, 34683
format of support group within family services program, female 13 & 17 yr old siblings of psychiatrically hospitalized children, 46582
functions of & guidelines for self help brain injury support group, 34691
hierarchical-compensatory vs task-specific models of support group choice, elderly, commentary & meta analysis, 40987
integration of scriptural & psychological principles in church based recovery groups, codependent Christians, 46584
intensity of participation in parent groups, functioning & social support, mothers of disabled infants & toddlers, 34994
issues & problems in cotherapy relationship in ongoing AIDS therapy & support groups, therapists, 42555
issues confronted in support group, family members of persons with obsessive compulsive disorder, 38638
knowledge & use of & attitudes toward support groups & needs, 22–74 yr olds with multiple sclerosis & their families, South Africa, 26861

leadership training program for development of psychoeducational support group for family caregivers of dependent elderly, mental health professionals, Australia, 43067
leisure education in support groups, family caregivers of impaired elderly, 14765
monthly peer support group, 13–21 yr olds with cancer or other hematological diseases, 18848
mutual help group intervention, bereavement, new widowers, 2 & 8 & 14 mo followups, 30557
organization & implementation of support groups, children of divorce, 42316
peer support & parenting skills program, severely hearing impaired parents, 14628
peer support groups in rehabilitation, elderly &/or blind or isolated patients, 38990
perceived costs & barriers & benefits & incentives to membership in "Alliance for the Mentally Ill" self help group, families of mentally ill patients, 38639
perceptions of postpartum support group & factors contributing to group's continuation, 30–42 yr old mothers, conference presentation, 1262
process & viability & flexibility of Persian Gulf War support group, stress, community members near military base, 30558
protective mechanisms & processes of bereavement support groups, coping with mother's death, 9–11 yr olds, 10770
psychoeducation program, schizophrenic patients & their families, 30395
psychosocial support group, disease progression, adult females with metastatic breast cancer, 18860
recent empirical research about family violence, implications for family therapy & victim support groups & other social work treatment strategies, 17967
role of allied health education standards in development & evaluation of competence in cases of life threatening illness & involvement in support group & self help movement, allied health professionals, 43051
role of societal alienation & isolation in addiction & homophobia & heterosexism & mutual relation & sharing in recovery process of 12 step programs, lesbians & gay males, 34991
small group psychoeducational support program, caregivers of dependent elderly relative or friend, Australia, 34619
social work groups in family life ministry program, low income Baptist church members with special needs, conference presentation, 42738
social work support group, gay males with AIDS, conference presentation, 42556
spouse participation in Gamblers Anonymous, extent of gambling free periods, compulsive gamblers, 26826
support group effectiveness, spousal caregivers of frail elderly veterans, 1 yr study, 10769
support group organization, headache sufferers, 22863
support group, parents & other caregivers of children with HIV, 10787
support group, social psychological problems & symptoms & resolution processes, 20–38 yr old mothers with postpartum depression, application of grounded theory, 22825
support group therapy model, parents & caretakers of HIV positive children in hospital outpatient clinic, 6604
support group with combination of movement exercises & psychodynamic explorations, psychic vulnerabilities in relation to body, HIV positive females, 30584
support groups & advocacy, members with genetic disorders, 34701
support groups, feelings of isolation from others, bereaved, 22827
telephone social work group, homebound clients with multiple sclerosis, conference presentation, 42785
televised smoking cessation intervention with vs without social support & relapse prevention training vs discussion group, abstinence, adult smokers, 27135
themes in support group, divorced or separated noncustodial parents, 34618
triangulation based evaluation of multidisciplinary support groups, Mexican American 29–84 yr olds widows, 42526
views & expectations & social support & stressors & distress, bereavement support group utilization, 28–82 yr old widows & widowers, 26828
ways of coping support groups vs educational course, coping strategies & depression & strain & knowledge & satisfaction, 42–81 yr old caregivers of dementia patients, 30884

Support Groups [See Also Alcoholics Anonymous]—Books

Building and evaluating family support initiatives: A national study of programs for persons with developmental disabilities, 46786
Network therapy for alcohol and drug abuse: A new approach in practice, 42970
Self-help in America: A social movement perspective. Social movements past and present, 34620

Beyond chronic sorrow: Psychosocial intervention strategies for professionals, 6897
A carer's group for families of patients with dementia, 46586
The development of Ch.A.D.D.: A national parent support group for children with Attention Deficit Disorder, 46587
Effects of group support for metastatic breast cancer patients on coping, mood, pain and survival, 38688
Patients' advocacy groups and support associations in multiple sclerosis: The National Multiple Sclerosis Society, 30804
The role of 12-step self-help groups in the treatment of the chemically dependent, 15148
Twelve-step programs and the treatment of adolescent substance abuse, 11159
A 12-step recovery program for victims of traumatic events, 46585

Supportive Psychotherapy [See Psychotherapy]
Suppression (Conditioned) [See Conditioned Suppression]
Suppression (Defense Mechanism)—Serials

concentration on vs suppression of target word & cognitive load, hyperaccessibility to suppressed thoughts & associations to & RTs for naming colors of words, college students, 12260
positive vs negative mood & suppression of positive vs negative self referent thoughts, intrusion of mood congruent vs incongruent thoughts, normal & dysphoric college students, 8302

Surgeons—Serials

perceived problems & concerns in medical practice, family physicians vs pediatricians vs orthopedic surgeons, 39128

Surgeons—Chapters

On control, certitude, and the "paranoia" of surgeons, 11307

Surgery [See Also Adrenalectomy, Amputation, Castration, Commissurotomy, Dental Surgery, Heart Surgery, Hemispherectomy, Hysterectomy, Induced Abortion, Male Castration, Mastectomy, Neurosurgery, Organ Transplantation, Ovariectomy, Pinealectomy, Plastic Surgery, Psychosurgery, Sex Change, Stereotaxic Techniques, Sympathectomy, Tractotomy, Vasectomy]—Serials

adjunctive low dose amitriptyline with patient controlled morphine or meperidine analgesia, 38–79 yr olds with postoperative orthopedic chronic pain, 34733
anxiety & depressive symptoms, inpatients with psychosomatic heart or ulcer problems vs neoplastic diseases vs recovering from surgery, translated article, 38104
attitudes & informational education, postoperative analgesia, mastectomy vs hysterectomy vs laparoscopy vs uterine curettage patients, 14867
attitudinal & anthropological & medical issues in & mortality & morbidity following symphyseotomy vs cesarean section, females with cephalopelvic disproportion, developing countries, 10819
biliopancreatic diversion & normalization of body weight, eating patterns, obese patients, 46545
body image & knowledge & attitudes about circumcision, male 11–14 yr olds, erratum, 10848
body image disturbance before vs after surgical leg elongation, achondroplastic 9–19 yr olds, 42592
caregiver comforting behavior, responses, full term male neonatal chest surgery patients, 46683

cataract operations, visual acuity & psychosocial disabilities in daily activities, 71–76 yr olds, 38704
defense mechanisms before vs after cataract operation, 71–76 yr olds, 14815
depressive symptoms & cognitive impairment & physical ill health, length of stay & mortality & activities of daily living, 64–102 yr olds with emergency hip surgery, 1 yr followup, 2820
effectiveness of & other issues in uvulopalatopharyngoplasty, patients with obstructive sleep apnea syndrome, conference presentation, 26919
epidural vs intrathecal sufentanil as postoperative analgesia, side effects & pharmacology, surgical patients, 2795
establishment of secure therapeutic frame within general practice surgery setting, psychotherapists & their patients, 2752
features & precipitants of postoperative mania, 61 yr old female with cholecystectomy, case report, 34748
G. W. Crile's theory of anoci-association & preemptive analgesia in surgical pain perception & shock, 46673
gastrostomy with vs without fundoplication, prevention of aspiration pneumonia, mentally retarded 1.5 mo to 58 yr olds, commentary, 14826
gastrostomy with vs without fundoplication, prevention of aspiration pneumonia, mentally retarded 1.5 mo to 58 yr olds, commentary reply, 14805
intraoral regional nerve block vs epidural anesthesia, cutaneous somatosensory perception thresholds outside area of primarily blocked nerve, presurgery vs pain free 24–78 yr olds, 10817
issues in & techniques for measurement of opioid analgesic induced side effects, children with postoperative pain, 2822
laparotomy with general anesthesia, diurnal vs nocturnal food intake & feeding, male rats, 12834
mastectomy vs breast conservation surgery, mental health & perceived social support, female breast cancer patients, 3 vs 15 mo followups, 30639
memory & learning & psychological symptoms & personality, 71–76 yr old cataract surgery patients, Finland, 26884
meperidine & other opiates as premedication for surgery, back surgery patients, commentary reply, 22924
meperidine vs ketobemidone, anxiety before anesthesia & need for postsurgery analgesics & incidence of nausea & vomiting after laparoscopy, female 19–40 yr olds, 26920
multichannel cochlear implantation & postoperative training, audiometric & speech recognition & quality of life, brain injured 26 yr old male with sensorineural loss, case report, 42615
neuropsychosocial & cognitive abilities & seizure factors, neuropsychological changes after surgery, epileptic patients, 18882
optimism & sense of coherence, recovery & psychological well being following elective joint replacement surgery, adults, New Zealand, 22897
perception of birth experience, females with planned vs unplanned cesarean vs vaginal deliveries, replication, 22904
personal characteristics & attitudes & beliefs, preference for conservative vs radical surgical treatment of younger vs older breast cancer patients, physicians, Italy, 15289
preoperation preparation, immediate preoperative & postoperative behavior & recovery, 2–10 yr old surgical outpatients, conference presentation, 2817
preoperative fentanyl, block of central nociceptive activity & subsequent prevention or attenuation of CNS sensitization, back surgery patients, commentary, 22922
preoperative worry, postoperative plasma cortisol & adrenaline & noradrenaline responses & psychological stress, surgical patients, conference presentation, 6956
prevalence of black patch delirium, 8–88 yr olds undergoing cataract surgery, 34717
psychological health & quality of life & other psychosocial impacts, female 33–87 yr olds with gynecologic cancer treated by hysterectomy vs vulvectomy vs total pelvic exenteration, 14844
psychosocial & psychosexual problems after major gynecological surgery, females with cancer of cervix & vulva, UK, 6912
psychosocial aspects & indications & limitations of breast conserving therapy, patients with mammary carcinoma, 26874
ratings of postoperative pain, 8–18 yr olds vs nurses vs physicians, 18214
rationale for & gender identity issues in & psychosocial consequences & abolition of infibulation, females, Somalia, 10854
resection of left temporal neocortical tumor, ictal illusions, 20 yr old male with left temporal originating seizures, 26875
reversibility of alcohol induced hemostatic balance & immune & cardiac & other physiological functions, implications for postoperative morbidity of alcohol abusers, conference presentation, 26928
standardization of nursing interventions & data collection & other methodological issues in randomized clinical trial, 25–75 yr olds recovering from cardiac surgery, 10925
surgery & pain, frequency of postinjury sexual intercourse, 18–61 yr olds with back injury, 10853
surgery, psychophysical thresholds for heat & mechanical pain & tolerance & roughness discrimination, male 13 yr old with tumor compression posterior insula & parietal operaculum, 6925
surgical & psychological status, 32–64 yr old female postmastectomy breast reconstruction patients, 38732
systemic nifedipine, epidural morphine induced postoperative analgesia, female 23–65 yr olds, Brazil, 46686
transnasal butorphanol, postsurgical pain, ambulatory surgical patients, 26935
traumatic medical or surgical event, development of PTSD symptoms, 23 & 30 & 43 & 45 yr olds, 46694
vaginal reconstructive surgery, psychosexual development & functioning, 16–33 yr old females with congenital adrenal hyperplasia, Netherlands, 14859
validity & reliability of Toddler-Preschooler Postoperative Pain Scale, measurement of vocal & facial & bodily pain expression, 1–5.3 yr olds, 12056
validity of Children's Hospital of Eastern Ontario Pain Scale vs Observer Pain Scale vs faces vs visual analog pain scales, 6 mo to 12 yr olds with postoperative pain, 31959
Surgery [See Also Adrenalectomy, Amputation, Castration, Commissurotomy, Dental Surgery, Heart Surgery, Hemispherectomy, Hysterectomy, Induced Abortion, Male Castration, Mastectomy, Neurosurgery, Organ Transplantation, Ovariectomy, Pinealectomy, Plastic Surgery, Psychosurgery, Sex Change, Stereotaxic Techniques, Sympathectomy, Tractotomy, Vasectomy]—Chapters
Coping with surgical stress, 34767
General and plastic surgery, 2831
Gynecologic disorders and surgery, 45954
Orthopedic intervention in cerebral palsy, 42629
Surgical treatment of obesity, 6841
Surgical Complications [See Postsurgical Complications]
Surgical Patients—Serials
anticholinergic activity of parent compounds of prescribed medications, postoperative delirium, 29–74 yr old surgical intensive care patients, reanalysis of original data, 38739
anxiety & arousal & stress & Type A personality & coping & other correlates, recovery from abdominal surgery, 17–67 yr olds, 2806
behavioral distress due to & coping with anesthetic mask administration, 4–10 yr old surgery patients, application of family systems vs social network theories, conference presentation, 30650
causal attributions & health locus of control & lifestyle changes, preoperative coronary patients, England, 22901
changes in number & site & source of followup visits under prospective payment system, medical surgical patients, 34830
cognition & brain function & assessment of consciousness during anesthesia, surgical patients, 26872
cognitive functioning, adult patients who had temporal lobectomy vs amygdalo-hippocampectomy, UK, 34727
comforting & caregiving responses, nurses caring for neonates with postoperative pain following chest surgery or other invasive procedures, 6962

denial, female patients awaiting breast cancer surgery, Scotland, 46672
epidural vs intrathecal fentanyl, postoperative pain, surgical patients, research review, 10823
flumazenil following midazolam anesthetized surgery, postoperative status, 18–86 yr old inpatients, 38695
frequency & patient & intervention characteristics of inpatient psychiatric consultation, hospitalized medical or surgical patients with coping problem, 30585
guidelines for assessment & management of postoperative & medical procedure related pain, neonates through adolescents, 2730
hospital roommate's health problem similarity & preoperative vs postoperative vs nonsurgical status, stress & affiliation & anxiety, preoperative male 33–88 yr olds, 26898
implicit memory following general anesthesia, surgical patients, 18898
incidence & nature of unregulated self medication & drugs used, ambulatory surgery patients, 29830
life satisfaction & affect & functional disruptions & angina severity & consequences of surgery before vs 1 yr after surgery, 33–80 yr old coronary bypass patients, 10826
methodological issues in posthospitalization negative behavior change & distress, 2.3–11.5 yr old surgical or other hospitalized patients, commentary on meta analysis, 23126
methods for development & summary of guidelines for postoperative pain management & assessment, adults, 2731
motor & other neurodevelopmental delays, low birth weight infants with necrotizing enterocolitis with vs without abdominal surgery, 2 yr study, conference presentation, 30669
music therapy, anxiety, female 30–40 yr old surgery patients, 18815
patient controlled vs nurse administered im opioid analgesia, dosage consumed & postsurgical pain experience & length of hospital stay, 31–74 yr old patients, England, 42623
posthospitalization negative behavior change & distress, 2.3–11.5 yr old surgical or other hospitalized patients, commentary on meta analysis, 23152
posthospitalization negative behavioral change & distress, 2.3–11.4 yr old surgical or other hospitalized patients, meta analysis, 23165
postoperative analgesia, delirium after bilateral knee replacement surgery, 58–84 yr olds, 6970
preoperative anxiety, duration of postoperative hospital stay, cholecystectomy patients, 11047
psychoeducational preparation vs maternal presence, posthospitalization negative behavior change & distress, 2.6–11.5 yr old surgical or other hospitalized patients, meta analysis, 23166
psychological disorders, medical & surgical patients in hospital accident & emergency departments, Finland, 22255
psychological factors in stress & impact on & facilitation of recovery, surgical patients, 14850
recall & understanding of instructions for use of Kleinert splint following surgery, 16–61 yr olds with zone 2 flexor tendon injuries, Australia, 23195
self control & emotional coping expectancy & previous pain experiences & behaviors & personality intensity & latency & duration of postsurgical pain, 17–78 yr olds, 42583
sensitivity of short vs longer health status instruments, assessment of physical & psychological & global factors, hip replacement patients, 8004
smoking relapse, male smokers undergoing major noncardiac surgery, 1 yr followup, 14858
spinal stimulation, 45–52 yr old surgical patients with chronic pain, conference presentation, 18902
triggers & impediments & demographic characteristics, channel selection for cancer related information, 40 yr old & older mammography patients, 26257
validity of Adolescent Pediatric Pain Tool, assessment of postoperation pain, 8–17 yr old surgical patients, 20048

Surgical Patients—Chapters

Vigilant and avoidant coping in two patient samples, 34766

Surrogate Parents (Humans)—Serials

social work perspective on surrogacy & welfare of child, 46815

Surveys [See Also Consumer Surveys]—Serials

advantages & disadvantages of computer administered organizational surveys, 35993
ambiguity of key terms in questions, quality of survey data, 207
application of data reduction approach to data analysis of survey of public perception of TV news coverage bias, adults, UK, 9081
Behavioral Risk Factor Survey vs Stanford Five City Project Survey, cardiovascular risk behavior estimates, 25–65 yr olds, commentary reply, 38202
Behavioral Risk Factor Survey vs Stanford Five City Project Survey, cardiovascular risk behavior estimates, 25–65 yr olds, commentary, 38208
Behavioral Risk Factor Survey vs Stanford Five City Project Survey, cardiovascular risk behavior estimates, 25–65 yr olds, 16036
benefits of consortium attitude survey approach, employees, 35991
conceptual & methodological issues in incorporation of racial harassment & victimization into crime surveys, 41766
construct & criterion related validity of Adult Attitudes Toward Computers Survey, nurses, 8077
construction & administration of cross cultural survey, assessment of health services, rural Mexican & European Americans, 39868
construction of Campbell Development Surveys, assessment of organizational characteristics & needs & application to organizational development, 31989
controlled randomized response survey technique in unrelated question approach for studies of sensitive sexual behaviors & AIDS related research, 34113
cues in decision making process for selection of sample firms in comprehension surveys, compensation specialists, implications for market wage estimates, 7586
demographic subgroup, distribution of AIDS based on General Social Survey data, adults, 1988–91, 34091
development & implementation of Microcomputer Assessment System, administration of computer based surveys of alcohol use, 20–75 yr old DUI offenders in treatment, conference presentation, 7999
development & psychometric evaluation of Sport Commitment Model survey, 10–20 yr old athletes, 31794
development & validity of Life Events Survey for Collegiate Athletes, assessment of life stress & social support & injuries, college athletes, survey appended, 8017
development & validity of revised vs original Detoxification Fear Survey, methadone maintenance clients, 15957
development & validity of survey instrument, assessment of psychosocial factors influencing dietary behavior, employees, worksite health promotion & intervention implications, 43810
education level & item wording, responses to original vs revised version of Job Diagnostic Survey, assessment of job characteristics & satisfaction, public sector employees, Australia, 20111
ethics & social sensitivities & political forces in planning & implementation of government sponsored household HIV seroprevalence survey, 22280
ethnographic approach, assessment of cultural sensitivity of survey of health care seeking behavior, Hispanic 65–75 yr olds & older, 39741
exposure to prior mail survey, attitudes toward & participation in current survey, adults, 28150
factorial validity of Education Survey, assessment of burnout, beginning 23–56 yr old elementary & secondary school teachers, 8080
general procedures for development & administration & presentation of organizational survey & results, 35986
grouped vs random item placement, alpha internal consistency reliabilities of scales & scale means of Administrative Attitudes Toward Unsatisfactory Teachers Survey, school principals, 31977
implementation of object based interviewing system in automated survey design for intrahousehold communication, 16 yr olds & older, 41230
issues in computer assisted personal interviewing & survey taking, research review, 28147

large monetary incentives, mail survey response rates, owners of construction companies, 28155
lexical & semantic problems in survey interview, Mexican Americans, 3952
mail survey procedure in teacher evaluation study with 96% return rate, commentary on original & replication articles, 8140
mail survey questionnaire identification code & message about nonresponse followup, response rate & quality & attitudes & involvement, respondents, 8160
meaning of work stress on surveys as occupational stressor vs strain reaction, 18–67 yr old employees, implications for occupational stress research, 7642
medium of communication & interview design, responses to surveys on income & hidden labor supply, respondents, Netherlands, 20177
method of scoring Life Experiences Survey, assessment of stress & relationship to self esteem, 14–19 yr olds, 35861
methodological characteristics of mail survey procedures, studies published in "Journal of Counseling Psychology", 1980–89, 24271
methodological development of survey, assessment of community satisfaction with police force, Canada, survey appended, 24037
methodological issues in survey assessment of services, patient survival & cost of care & quality of life, patients with AIDS, longitudinal study, 24036
monetary gratuity, response rate to mailed surveys, meta analysis, 39945
nonmonetary vs monetary incentives prepaid vs contingent on return, mail survey response rates, meta analysis, 35781
passive refusal bias in telephone surveys on health issues, survey respondents, 28157
patient survey &/vs physician chart stamp, implementation of adolescent preventive health care, 13–18 yr old family practice patients, 23003
patient vs staff conducted surveys of satisfaction with outpatient mental health services, mentally ill 19–85 yr olds, 42733
perceived personal environmental risk, factor loading & normative priority of Clean Environment as Terminal value on Rokeach Value Survey, adults, 31676
perceptions of survey sponsor's viewpoint, responses to newspaper vs college sponsored survey, 18 yr olds & older, 25079
Primary School Teachers & Science Project, survey of understanding of force vs energy vs materials, primary science teachers, England, 7377
probing of "don't know" answers in telephone vs field interviews, survey results & variable relationships, interviewers & interviewees, 28158
problems in undertaking surveys for needs assessment & service provision, intellectually disabled elderly, Australia, 46780
psychological & other factors in decision to participate in survey, adults, 28152
public opinion survey with differing order of presentation of questions on donation vs transfusion & relation to AIDS, responses about AIDS transmission, adults, 28063
questionnaire design, survey data quality, respondents in metropolitan area probability samples, 211
race & issue framing in surveys, public reactions & support for equal opportunity programs & affirmative action for Blacks, Whites vs Blacks, 1244
recent developments in organizational survey process, 35985
reliability & efficacy of mail vs interview survey of knowledge & attitudes & behavior toward HIV & AIDS, college students, England, 4215
reliability & validity & resource intensity of small group judgment by mail with vs without group discussion vs telephone surveys, measurement of relative work value, surgeons, 15881
reliability of General Social Survey vs Gallup Organization public survey, prediction of attitudes toward fetal diagnosis & genetic testing & abortion, adults, 24094
repeatability & validity of Yale Physical Activity Survey, 60–86 yr olds, 35946
response latency vs certainty on voting intention survey, prediction of discrepancies between voting behavior & intentions, adults, Canada, 37343
role & detection & control of measurement errors in organizational surveys, 36005
self monitoring, inflation on self-reports of GPAs on research & for personnel selection purposes, graduating college seniors, 29415
self report survey vs count per population methods, assessment of mammography use, female 50–74 yr olds, 30706
self vs randomly selected Ss, response bias & motivation to respond to survey, computer network users, 213
sexual & demographic characteristics, prediction of nonresponse to sexual experience survey items, 18–89 yr olds, 31816
strategies & designs for collection of sensitive data & avoiding bias in organizational surveys, 35988
survey design, response rate, difficult to reach inner city families with problem adolescents, 4216
survey model type measurement of political belief & emotion, determination of candidate evaluation, college students, 15929
survey nonresponse patterns, 60 yr olds & older, Japan, 40981
Test Attitude Survey, assessment of test taking disposition & motivation effects on validity of employment test to predict performance, college students, 4164
utility of Language Development Survey, epidemiological assessment of expressive language delay, 1.5–2.5 yr olds, 35836
utility of surveys concerning teaching & practice of vocational assessment, counseling psychologists, 1935–91, 27268
utility of surveys in organizational settings, 39508
validity & reliability & factorial validity of survey, assessment of compliance & identification & internalization as dimensions of organizational commitment, employees & managers, 31999
validity & reliability & generalizability issues in evaluation of self report surveys on AIDS related knowledge & attitudes & behavioral risks, commentary, 30112
validity & reliability of Your Style of Learning & Thinking, assessment of individual differences in cerebral dominance, college students with or without brain injuries, educational implications, 114
validity of & methodological issues in surveys of drug use, elderly, 31909
validity of Assertive Job-Hunting Survey, prediction of acquisition of employment, minimally educated job seekers vs college students, 28112
validity of survey, identification of risk for school dropout, K–12th graders & their teachers, 35968
validity of Survey of Personal Beliefs, psychiatric patients, 28015
voter misrepresentation, inaccurate exit polls in Virginia gubernatorial race, voters, 1989, 1315
50 cent incentive, mail survey response rate & speed, adults, implications for cost effectiveness, 8146

Surveys [See Also Consumer Surveys]—Books

Processing data: The survey example. A Sage university papers series. Quantitative applications in the social sciences, Vol. 85, 214
Questionnaire design, interviewing and attitude measurement (new ed.), 8166

Surveys [See Also Consumer Surveys]—Chapters

Analysing other researchers' data, 36052
Analysing survey data, 36028
Assessing the need for psychiatric treatment at the district level: The role of surveys, 30856
Auditing the use of psychiatric beds, 30964
Communicative influences in standardized question situations: The case of implicit collaboration, 216
Cross-cultural methods for survey research in Black urban areas, 16111
Exemplar C: No jam tomorrow: Why women are disadvantaged in occupational pensions, 36045
Five communities in the United States: Results of the Epidemiologic Catchment Area Survey, 1950

The National Youth Gang Survey: A research and development process, 29934
Self-report measures: Principles and approaches, 19045
Survey research and field designs for the study of posttraumatic stress disorder, 45589
Susceptibility (Disorders)—Serials
cardiovascular disease risk factors & incidence, recently immigrated Korean American 65–82 yr olds, 30154
chromosomal abnormalities, localization of susceptibility genes for schizophrenia & related psychiatric disorders, research review, 13756
chronic self focused attention, stress reactions & risk for affective & cognitive dysfunction, college students, 1603
cognitive diathesis vulnerability factors & depressive & anxious symptoms & hopelessness, college students, test of diathesis-stress & causal mediation components of hopelessness theory of depression, 5835
cognitive theories of vulnerability to depression, 1686
current & retrospective perceptions of parenting & relationship with parents & parental depression, depression & cognitive vulnerability, college students, 13740
DNA & biological vulnerability markers in linkage analyses, schizophrenic families, 41569
early developmental factors, susceptibility to disease, infants & children, 26162
educational attainment, health behaviors & coronary heart disease risk, 25–64 yr olds, 38201
family expressiveness & depression proneness, 18–47 yr old females, 9804
genetic & birth & environmental & occupational risk factors, late disease onset, 75 yr olds & older with Alzheimer's disease, Sweden, 30187
history of depression & attribution style, vulnerability to hopelessness depression, nondepressed college students, 1649
linkage analysis of susceptibility marker gene loci on chromosome 11q, multiplex family pedigrees with 2 or more schizophrenic members, 25846
MMPI Psychopathic Deviate scale, assessment of genetic influences associated with antisocial personality, adoptees & their biological & adoptive parents, 10 yr followup, 9914
patient's sex & age of onset, risk for schizophrenia or schizophrenia spectrum or affective disorders, 1st degree relatives of schizophrenic patients, Germany, 45517
perceived stress & negative life events, common cold susceptibility, healthy adults, England, 22183
perfectionism & daily stress & depression, patients with depression vs other psychiatric disorders, test of specific vulnerability hypothesis, 25709
premorbid risk factors & pathological use of alcohol & other substances & chronicity & consequences of drinking, alcoholic subtypes, alcoholic patients, 1882
psychobiological states & social learning perspective on individual differences in susceptibility to chemical addiction, 45742
psychosocial treatment techniques based on vulnerability stress model, schizophrenic clients, 22484
rates of schizophrenia, children of mothers who had influenza during 2nd trimester of pregnancy in 1957 epidemic, commentary, 13765
risk for schizophrenia, children of mothers who had influenza during 2nd trimester of pregnancy in 1957 epidemic, 13766
risk for social phobia, 1st degree relatives of patients with social phobia, 37791
risk of schizophrenia or major mood disorder, 1st degree relatives of patients with schizophrenia or schizoaffective or bipolar disorder, 37664
self criticism & interpersonal dependency, vulnerability to depression, clinically depressed vs remitted vs normal 18–65 yr olds, 1665
self perceived risk for AIDS, current & former drug using females in methadone maintenance, 45730
sex & personality traits & susceptibility to smoking related disease, 27–65 yr old smokers, Israel, 41308
stressful life events, dysfunctional thinking, adults with vs without vulnerability to depression, 1683
stressors & sociotropy vs autonomy & cognitive vulnerability, onset & severity of symptoms, patients with bipolar disorder, longitudinal study, 1673
susceptibility to epileptic seizures during clozapine treatment, schizophrenic 20–43 yr olds, Finland, 34560
symptomatology & cognitive vulnerability to depression, depressive information processing & self referent recall & personal hypothesis testing, college students, 41554
vulnerability & stress factors related to psychotic relapse, recent onset schizophrenic 18–45 yr olds during index hospitalization vs stabilization period vs 1 yr of drug & psychosocial treatment, 9872
vulnerability to drug misuse & comorbid psychopathology, siblings of cocaine addicted adults, 33858
vulnerability to relapse, schizophrenic patients, 17838
Susceptibility (Disorders)—Chapters
Advances in understanding the vulnerability to alcoholism, 10073
Childhood maltreatment and adult depression: A review of research, 29642
Cognitive alterations as markers of vulnerability to schizophrenia, 21849
Family/genetic studies of cocaine abusers and opioid addicts, 6100
Vulnerability models and schizophrenia: The assessment and prediction of relapse, 13813
Susceptibility (Hypnotic) [See Hypnotic Susceptibility]
Swallowing—Serials
effectiveness & practicality of hypnosis in family practice office setting, 9 yr old with dysphagia, 26839
methods for preventing swallowing of hearing aid batteries, children, 26400
speech intelligibility & swallowing difficulties, patients with dysarthria & dysphagia due to stroke or Parkinson's disease, 41960
Sweat—Chapters
Measuring alcohol consumption by transdermal dosimetry, 16676
Sweating—Serials
cued conditioning & desensitization followed by in vivo exposure & cognitive reconstruction, 20 yr old male with hyperhidrosis due to social anxiety, 60 wk followup, case report, 14564
plastic fingerprint method & palmar sweat index, measurement of activation, 18–64 yr olds, 16651
Sweden—Serials
age & education, Swedish Scholastic Aptitude Test performance, males vs females, Sweden, 24224
age, risk factors for single vehicle accidents, male vs female 18–19 vs 25–54 yr olds, Sweden, 35672
AIDS related knowledge & modified sexual behavior & number of partners & coital activity & condom use, 16–44 yr olds, Sweden, 41998
attitudes toward abortion, 17–18 yr olds, Sweden, 41180
attitudes toward government policy on work environment & injury & rehabilitation responsibility, employee absenteeism reduction & reemployment, small company executives, Sweden, 19749
characteristics of fatal crashes in traffic environment, over 60 yr olds, Sweden, 31698
circumstances of & affective reactions to 1st premarital coitus, 18–25 yr old females, Sweden vs US, 33201
demographics & resource availability, dispersal from birth parish, adults, 19th century, Sweden, implications for mating strategies, 21331
ethnicity & demographic & socioeconomic factors & lifestyle, risk for mental illness, 16–74 yr old Latin American refugees, Sweden, 33493
factors associated with high quantity prescriptions of benzodiazepines, physicians, Sweden, 30474
history of psychiatry, Sweden, 18485
length of stay & activities of daily living, long term care patients in mental hospital facing closure, Sweden, implications for relocation planning, 42865
lifetime risk & incidence of vascular dementia, 0–80 yr olds & older, 1957–72, Sweden, 26297
prevalence & causes & severity of dementia, 85 yr olds, Sweden, 26335

prevalence of dementia & relation to diagnosis & age & sex & marital status & time in institution, 65–95 yr old & older nursing home residents, Sweden, 27078
prevalence of mental disorders & psychotropic drug use, 85 yr olds, Sweden, 37606
role in child welfare services & relationship with parents, social workers serving 0–3 yr olds & their families, Sweden, 2902
role of alcohol consumption in & characteristics of single vs multiple vehicle crash fatalities, drivers & passengers, 1980–89, Sweden, 29876
sex, attitudes toward computers, 9th graders, Japan vs Sweden, 23583
social network characteristics & self image & life satisfaction & attitudes toward aging & loneliness, 55–71 yr olds, Sweden vs Turkey, 29117
social work interventions, community problems & coping & other issues related to plant closure, residents, Sweden, 10995
transitional employment program in clubhouse model of psychiatric rehabilitation, mentally ill, Sweden, 23204
word characteristics, factor loading on vocabulary test in Swedish Scholastic Aptitude Test, adults, Sweden, 24211
Sweden—Chapters
The criminality of mentally disordered persons, 37632
Dissolving the Swedish alcohol-treatment system, 11168
Infant care and full-time employment, 5414
Inhibition and children's experiences of out-of-home care, 29078
Organizing good intentions, 11016
Sweetness [See Taste Perception]
Swimming—Serials
exploration vs swimming, dentate field potentials & hippocampal temperature, rats, implications for learning specific cellular change correlation, 28646
extracellular stimulation of cerebral ganglia, switching of quiet swimming to hunting behavior or active avoidance or passive defense, sexually mature pteropod molluscs, 12563
head & tail ganglion severence, swimming behavior, leeches, 40352
musical reinforcement, training productivity, 12–16 yr old competitive swimmers, 15710
positive 1st time swimming experience, cortisol levels, 6.7–13.3 mo olds, 5040
prey choice, dive duration, common eiders, 20404
reserpine with vs without other drugs, swimming behavior, male rats, implications for screening of & research on antidepressants, 4965
swimming activity, dystonia musculorum mutant mice with spinocerebellar fiber degeneration, 44418
swimming behavior & search patterns in foraging, pink clownfish larvae, 20413
swimming, stress reduction & mood, college students, 12679
swimming vs yoga, mood, college students, 24488
team cohesion & identifiability, social loafing in relay performance, collegiate swimmers, 39528
Switzerland—Serials
alcohol consumption, French speaking 20–75 yr old alcoholic vs nonalcoholic medical inpatients, Switzerland, 23138
coping & maintenance strategies in spontaneous remission from problem alcohol vs heroin usage, adults, Switzerland, 18003
French version of Fukuyama Test, assessment of occupational interests & selection ability, 14–15 yr old students, Switzerland, replication, 24204
history of psychiatry, Switzerland, 18477
Switzerland—Chapters
The role of alcohol treatment in a consensus democracy: The case of the Swiss Confederation, 11156
Syllables—Serials
allocation of attention to coda of 1st vs onset of 2nd syllable of spoken word, RT in detection of target syllable, French vs Spanish speaking college students, France, 40045
articulatory & phonological determinants of word length, auditory & visual memory span task performance, 59–74 yr olds, 4373
automatic syllabication of computerized online reading tutor, 47196
developmental intraword & interword segmentation & lexical awareness, monolingual White American vs Mandarin Chinese incipiently bilingual kindergartners learning English, 13046
discrimination & phonemic vs syllabic categorization of multisyllabic utterances, 4 day olds, 44861
discrimination & phonetic equivalence of visually influenced & audiovisually compatible syllables, college students, 16239
intensity & duration of final syllable of sentence, perception of vowel & syllable duration, adults, letter, 24346
literacy, syllable boundary judgments in oral pause-break task, English- vs Arabic- vs Blackfoot- vs Korean- vs Swiss German-speaking adults, 16225
moraic vs syllabic segmentation of spoken Japanese words, native speakers of Japanese vs English vs French, Japan & France, 44791
phonemes vs syllable speech object processes in primed matching task, college students, Belgium, test of speech unit hypothesis, 44028
phonological boundary rank & coincidence with intonation contour boundary, expectance of longer preboundary syllable duration, adult English listeners, 4999
phonology in multisyllabic word recognition, college students, implications for dual route theory & connectionist models, 44799
postvocalic consonant voicing & syllabic structure, duration of long vs short vowels in Afrikaans, native speakers, 827
specific linguistic experiences, perception of auditory & visible speech information in foreign vs native syllables, English &/vs French speaking college students, Canada, 28218
strategies in identification of polysyllabic words, 6th graders with high vs moderate vs poor abilities, 968
structure of syllables & polysyllables in phoneme shift task, speed of extraction & substitution of hypothetical constituents, college students, 28838
syllabic & phonemic abilities, 1st graders, Japan, 5133
syllabic consonants & speaking rates, speech recognition, conference presentation, 16951
syllabic stress & finality, perceptual predisposition & attention in word production, 1.4–1.9 yr olds, 28911
syllable boundaries of Spanish vs English words, RT on syllabification task, Spanish- vs English-speaking college students, Australia & Spain, 40742
syllable complexity, auditory discrimination & phonological memory, reading disabled 2nd–4th graders, 22104
syllable length & structure & organization of newly learned song reproductions, young male zebra finches, 4475
syllable length vs silent letters, visual parsing RT, college students, 16271
syllable vs word vs sentence context of target nonsense syllable, spoken language comprehension & syllable recognition in real time, French speaking aphasic 32–68 yr olds, France, 14329
talking computer system & whole word vs syllabic vs subsyllabic vs grapheme-phoneme units, short term learning, 1st–2nd graders with low vs average reading ability, 11437
temporal characteristics of monosyllabic vs bisyllabic vs trisyllabic words & intraword timing, Thai speaking 23–60 yr olds with unilateral brain lesions with vs without fluent vs nonfluent aphasia, 46053
unambiguous syllabic structure vs ambisyllabic consonants & match between syllable & target, latency in monitoring of spoken Dutch words, 18–26 yr olds, 20245
word length, syllable duration, fluent vs nonfluent aphasic 33–83 yr olds, 30163
2nd syllable stress & medial cluster type, syllabification of /s/ in nonwords, adult English speakers, 5014
Syllables—Chapters
Strategies and stress assignment: Evidence from a shallow orthography, 24430
Syllogistic Reasoning [See Inductive Deductive Reasoning]
Symbiosis (Biological) [See Biological Symbiosis]
Symbolic Interactionism—Serials
cultural adaptationist vs symbolic interactionist perspectives on preventive programs for psychopathology, children, 22998

impact of stigma & application of symbolic interactionism, parents of 3 mo to 18 yr olds with Down's syndrome, implications for nursing, 22135
personal & interpersonal processes & other aspects of novel unpredictable behavior, 9544
qualitative microanalysis approach to economic issues & family dynamics, application of symbolic interaction theory, 37283
symbolic interactionist vs microstructuralist perspectives on humor in social interaction, adults, 6 yr study, 5503
Symbolic Interactionism—Chapters
Symbolic interactionism, 34893
Symbolic interactionism and family studies, 41093
Symbolism—Serials
aligning vocabulary & symbols banks within society shaped by sociocultural factors, neutralization techniques, juvenile delinquent 15–22 yr olds, Israel, 37985
clitoral symbolism by E. Dickinson & other female poets & feminist psychoanalytic theory of female sexuality, 25028
cognitive invariants & cultural variation & symbolic systems of signs, psychological functions in mathematics concepts, children, test of hypotheses of cognitive development, 17054
concept of sign mediation in work of L. Vygotsky & D. W. Winnicott & M. Bakhtin & integration of object relations & activity theories, 21598
creativity & symbolization & learning, implications for education, 31203
hermeneutic phenomenological approach to symbols & myth in dream interpretation, 9 yr old female, 46198
iconic mode processes & concrete symbolic reasoning in comprehension of fractions, K–10th graders, Australia, 40857
individual & family & societal levels in development & symbolic meanings of housing, 5318
information on pictorial symbols & concepts, recognition & interpretation of abstract themes in paintings, 18–33 yr old naive art observers, 16898
intrapsychic & therapeutic significance of symbol use, 4 yr old female with elective mutism, 46186
issues in situativity theory, cognitive activity involving symbols as special case & situativity fundamental to all cognitive activity, commentary, 40099
keyword vs S generated vs industry symbols for photocopier functions, preference patterns & matching, college students, 15766
meaning & social symbolism of building materials of houses & self presentational & cognitive components of attribution of homeowners' social identity, college students, 27809
merging of color & religious symbolism, schizophrenic patients with messianic delusions, 25816
neuropsychological analysis of symbolic approach to situated action, cognitive theories & neurological structures & processes, commentary, 40084
neuropsychological analysis of symbolic approach to situated action, meaning of symbol & category error & immediacy of action, commentary reply, 40133
origins of water symbolism in context of birth process, 33130
plastic teeth disease symptoms & cultural symbolism of bodily processes & sociocultural change, Haya children, Tanzania, 6266
political symbolism in motion pictures "Terminator 2" & "Hook", 13341
representational insight & specificity & dual representation & symbolic sensitivity, understanding of scale models & pictures, 2–3 yr olds, conference presentation, 17021
rhetoric & symbolic innovation of otherness in theistic religion, 29166
rule based expert system with symbolic computational & subsymbolic connectionist representation & learning methods for expert & computational networks, conference presentation, 31717
semiotic & iconical & symbolic & indexical interpretation of animal trademark emblems on fashion apparel, 35638
situated action theories vs symbol system models of cognition, 40134
socioconstructivist perspective on symbolism in mathematics education, 1st graders, 39190
structure for computer generated icons & relation to objects, 3809
superimposed vs nonsuperimposed configuration, paired associate learning of complex Blissymbols, 54–65 mo olds, 17025
symbolic approach vs situated action worldviews vs theories of cognitive science, application to transfer of school learning & computer programs, commentary, 40073
symbolic features of illness & social meaning vs symbols & illness production & course, 6237
symbolic linkage of people & land in typology of place attachment, adults, Costa Rica, 1459
symbolic quality of gestural representations in absence of real objects, 3 vs 4 vs 5 yr olds, 40800
symbolic representations, understanding of letter & number sequences, 3–6 yr olds, conference presentation, 17011
symbolic thought, preschoolers & early school age children, conference presentation, 17010
symbolic vs perceptual representation, odor preferences, college students, 32044
symbols & parallel mental processes & affordance in situated action theory, issues related to transfer of training & human machine relations & planning & action, commentary reply, 40135
textual &/vs symbolic visual feedback from simulated automatic speech recognition device, performance on verbal decision task, college students, implications for control room systems, 27784
toy realism & instruction & modeling & free vs structured play content, symbolic play development, 20–26 mo olds with expressive specific language impairment, 18163
understanding of geographic representations, preschoolers & elementary school children, conference presentation, 17043
understanding of spatial representations, use of models & photographs, 2.5–3 yr olds, 17022
Symbolism—Books
Brain, symbol & experience: Toward a neurophenomenology of human consciousness, 28347
The symbolic and connectionist paradigms: Closing the gap. The cognitive science series: Technical monographs and edited collection, 7810
Symbols of the soul: Therapy and guidance through fairy tales, 42234
Symbolism—Chapters
Artistic symbolic language and the treatment of multiple personality disorder, 30567
The centrality of a distancing model for the development of representational competence, 37088
Construction and sharing of meanings in pretend play among young children, 33028
Exploring the symbolic/subsymbolic continuum: A case study of RAAM, 7824
Hybrid connectionist models: Temporary bridges over the gap between the symbolic and the subsymbolic, 7846
Money symbolism and economic rationality, 5313
Myth and symbol as expressions of the religious, 34393
Outline of a Jungian aesthetics, 32747
Racism, representation, psychoanalysis, 803
Symbolic development in young children: Understanding models and pictures, 32914
Symbolic parsing via subsymbolic rules, 7845
Sympathectomy—Serials
bradykinin, magnitude & duration of pain & hyperalgesia to heat stimuli, female 17 yr old with ipsilateral surgical lumbar sympathectomy, 26907
pinealectomy, food intake rhythms, cervically sympathectomized blinded rabbits, 20505
Sympathetic Nervous System [See Also Efferent Pathways] —Serials
bupivacaine vs morphine in stellate ganglion, pain & sympathetic nervous system activity, 41–66 yr olds with upper limb pain, 46665
cholecystokinin in 3rd ventricle vs hypothalamus, firing of sympathetic nerves to interscapular brown adipose tissue, female rats, implications for relation between sympathetic activity & food intake, 21052

cold swim stress, noradrenaline & 3,4-dehydroxyphenylethylenglycol in hypothalamus & interscapular brown adipose tissue, male rats, 4584
etoperidone, sympathetic & hypothalamo pituitary adrenal responses to physical & psychological & metabolic stressors, 20–34 yr old males, Italy, 40539
exercise, psychological stress induced motor performance & plasma catecholamine & heart rate & anxiety & cognitive fatigue & sympathetic nervous system responses, 35–55 yr old males, 669
intrathecal midazolam & fentanyl, synergistic antinociceptive effects on A delta & C somatosympathetic reflexes, dogs, 44740
neurologic mechanisms of reflex sympathetic dystrophy as form of reflex neurologic inflammation, 14349
psychopathological correlates of sympathoadrenal system hyperactivity, depressed patients, 37700
role of peripheral cholinergic system & sudomotor blockade treatment, 25–82 yr olds with sympathetically maintained pain, 46666
splenic nerve sympathectomy, stress induced immunosuppression mediation, male rats, 28655
urinary catecholamines & metabolites & correlates of sympathetic nervous system hyperactivity, 45–65 yr olds with neuroleptic malignant syndrome, 17697
6-OHDA, stress induced gastric acid secretion & motility, stroke prone hypertensive male rats, animal model of gastric ulcer, implications for role of sympathetic neurons, 44551

Sympathetic Nervous System [See Also Efferent Pathways]—Chapters

Changes in sympathoadrenal system activity following SART stress, 8827
Clinical uses of catechols in the assessment of sympathoadrenal function in stress and disease, 10269
A contextual model for research of race differences in autonomic reactivity, 8803
Correlation of plasma catecholamine levels with tissue tyrosine hydroxylase activity in SART-stressed rats, 8817
Selective response of rat peripheral sympathetic nervous system to various stress situations, 8823
Stress-induced changes in plasma DOPA levels depend on sympathetic activity and tyrosine hydroxylation, 8826
Sympathetic nervous system responses to psychosocial stressors, 16722

Sympatholytic Drugs [See Reserpine]

Sympathomimetic Amines [See Amphetamine, Catecholamines, Dextroamphetamine, Dopamine, Ephedrine, Epinephrine, Methamphetamine, Norepinephrine, Tyramine]

Sympathomimetic Drugs [See Also Amphetamine, Catecholamines, Dextroamphetamine, Dopamine, Ephedrine, Epinephrine, Fenfluramine, Isoproterenol, Methamphetamine, Norepinephrine, Tyramine]—Serials

bromocriptine, khat addicted male 26 & female 20 yr olds, 22721
cinnarizine &/vs phenylpropanolamine, psychomotor performance, healthy adult males, 758
L-tyrosine, phenylpropanolamine vs ephedrine vs amphetamine induced BP, male rats, 20883
sympathomimetic drugs, children with attentional problems & hyperactivity, literature review, reprint, 2643

Sympathy—Serials

age, understanding of feeling & experience of sympathy, 5–15 yr olds, Germany, 13149
dispositional helpfulness & facial expressions & heart rate variability & skin conductance & sympathetic vs distressed reactions to distressed child, male vs female 3rd vs 6th graders, 44955
fostering compassion & sympathy & prosocial behavior, children, application of M. L. Hoffman's theory of empathy development, 21240
size of sympathy groups, Egypt vs Malaysia vs Mexico vs South Africa, 25466

Symptom Checklists—Serials

diagnostic efficacy of Beck Depression Inventory vs Symptom Check List-90 vs Brief Psychiatric Rating Scale, 19–45 yr old psychiatric patients, 8009
diagnostic efficiency of MMPI & Millon Clinical Multiaxial Inventory & Symptom Checklist-90-R, assessment of depression vs mania vs psychosis, psychiatric inpatients, 24160
diagnostic utility of Symptom Checklist-90-R, depressed or conduct disordered adolescent inpatients, 21644
factor structure & consistency of SCL-90-Revised dimensions, male vs female adolescents vs adults at crisis intervention unit, 31866
factorial & discriminative validity of Symptom Check List-90-R, 14–82 yr olds with psychosomatic disorders or dysthymia vs anxiety disorders vs anorexia nervosa, 15975
factorial validity & reliability of Symptom Checklist-90, psychiatric inpatients, 39805
feasibility & acceptability of & referrals from Pediatric Symptom Checklist, screening for psychosocial dysfunction, school age children in outpatient pediatric practice, 19014
reliability & concurrent validity of Korean language version of Symptom Checklist-90, Korean psychiatric patients, Canada, comparison with US vs Korean norm data, 20039
reliability of short form Symptom Checklist-25, screening for anxiety & depression & general mental health, 40–67 yr olds, Norway, 35919

Symptom Prescription [See Paradoxical Techniques]

Symptom Remission—Serials

symptom remission vs clinical state, EEG sleep & REM latency & delta sleep ratio, elderly with recurrent major depression, 29618

Symptoms [See Also Acting Out, Anhedonia, Anorexia Nervosa, Anoxia, Apnea, Appetite Disorders, Apraxia, Ataxia, Aura, Automatism, Body Rocking, Catalepsy, Catatonia, Coma, Convulsions, Delirium, Depersonalization, Distractibility, Dyskinesia, Dyspnea, Fatigue, Headache, Hematoma, Hemorrhage, Hyperglycemia, Hyperkinesis, Hyperthermia, Hyperventilation, Hypoglycemia, Hypothermia, Insomnia, Migraine Headache, Muscle Contraction Headache, Nausea, Obesity, Pain, Pruritus, Respiratory Distress, Scratching, Spasms, Syncope, Tics, Tremor, Vertigo, Vomiting]—Serials

abstinence from alcohol, symptoms, 82 yr old male with Kleine-Levin syndrome, case report, 6206
acculturation, psychological & somatic symptom reporting & response styles, Asian vs Caucasian college students, Canada, 41409
ad libitum smoking followed by deprivation, tobacco withdrawal symptoms, hospitalized smokers, erratum, 15102
aerobic exercise & strength training, premenstrual symptoms, female 45–55 yr olds, questionnaire appended, 32523
age & neurological & symptomatological profiles, 50–69 vs 70–91 yr old aphasic patients in geriatric hospital setting, 6 yr study, Canada, 42032
age & physical factors vs social activity program, health related symptom experience, male vs female factory workers, 18977
age & sex & trauma exposure & current symptoms, current trauma symptoms, Cambodian 12–23 yr old survivors of massive childhood trauma, US, 17656
age & symptom group & leakage amount & duration, quality of life & psychosocial & physical dysfunction, female 40–70 yr olds with urinary incontinence, Norway, erratum, 10222
age of onset & comorbidity & clinical characteristics, 5–18 yr olds with obsessive compulsive disorder, Spain, 5954
age related trends & consistency of symptoms, 2–16 yr olds with severe obsessive compulsive disorder, followup, 21883
age, symptom management strategies, schizophrenic 19–69 yr olds, 45494
aging vs stress contextual cues, interpretation of & health care response to physical symptoms in vignette, college students, 38139
alimentary & other symptoms & fiber intake & expression of feelings & anxiety & depression & life events & diagnosis & therapeutic potential, adults with irritable bowel syndrome, Scotland, 34052
alternatives to Global Assessment of Functioning Scale & separation of symptoms & social functioning on scale, revision of Axis V for DSM-IV, 7998

ANOVA vs MANOVA vs Friedman Analysis of Ranks vs Cochran Mantel Haenszel method, analysis of repeated measures data on antipsychotic withdrawal induced extrapyramidal symptoms, schizophrenic patients, 22686
application of information processing models to perception & cognition disorders & symptomatology, schizophrenic patients, 17806
association between psychiatric disorders & self reported vs objective indices of physical symptoms, 35–55 yr old civil servants, England, 37608
attitudes toward love & sexuality & eating disorder characteristics, female college students, 22147
auditory EPs & clinical state & symptoms, schizophrenic patients with vs without formal thought disorders, 5 yr followup, 25826
auditory hallucinations & blunted affects & other psychotic presentations, 23 yr old male with frontal lobe cerebral aneurysm rupture, 22364
behavioral & emotional psychiatric symptoms & psychosocial variables, drug abusing 12–16 yr olds, England, 13980
behavioral observation of family home movies, identification of symptomatology in infancy, autistic over 2 yr olds, 26041
biases in perception & symptom reporting after chemical exposure, adults, 11786
biperiden, positive & negative symptoms, medication free schizophrenic inpatients, conference presentation, 18781
brief individual dream interpretation, self understanding & symptomatology & self esteem, 18–32 yr olds, 18683
bulimia symptomatology & coping orientation, nonclinical female college students, Canada, 10179
calcium supplementation, premenstrual symptoms, females with PMS, 6903
cerebral ventricular enlargement & severity of clinical symptoms & premorbid psychosocial dysfunction, schizophrenic 18–54 yr olds, implications for frontal lobe deficit as etiology, 1728
characteristics & causes of & treatment for agitation, patients with dementia, 18400
childhood & adolescent illness related learning experiences, response to somatic symptoms, 18–78 yr olds with panic vs other anxiety disorders, 29723
childhood trauma & Schneiderian & dissociative symptoms, normal adults, Canada, 5773
clinical & demographic features & thyroid hormone levels & desipramine response, patients with major depression with vs without subclinical hypothyroidism, Canada, 13722
clinical & developmental features of Angelman syndrome, infants, 2325
clinical & ictal characteristics, 11–64 yr olds with frontal lobe partial or psychogenic seizures, 2315
clinical & neuropsychological findings, 33 yr old male with epileptic transient aphemia, case report, 38272
clinical & therapeutic aspects of sleep related respiratory resistive loads with vs without associated obstructive apneas, infants & children, conference presentation, 26173
clinical characteristics & etiology & treatment, elderly with anorexia or bulimia nervosa, research review, 2066
clinical characteristics, heavy coca paste smokers, Peru, 1906
clinical evaluation vs self reported experience sampling method, assessment of sadness & irritability & anhedonia, depressed adolescents, 42280
clinical factors predictive of symptom persistance, 18–65 yr olds with major depression, England, 17764
clinical features & course & drug therapy & family & genetic diathesis for depression, alcoholic patients, research review, 6067
clinical features & course & treatment, 9 mo to 18 yr olds with Sturge-Weber syndrome with epilepsy, France, 18177
clinical features & molecular pathology of prion disease, humans, diagnostic implications for neurodegenerative syndromes & Alzheimer's disease, 26280
clinical features & pharmacotherapy, female 23–43 yr olds with postpartum obsessive compulsive disorder, 41644
clinical features & rate of cognitive & functional decline, elderly with possible vs probable Alzheimer's disease vs mixed dementia, 1 yr followup, application of cohort analysis, 26283
clinical features & symptoms, patients with organic delusional syndrome vs schizophrenia, commentary reply, 17640
clinical features & symptoms, patients with organic delusional syndrome vs schizophrenia, commentary, 17649
clinical features & symptoms, patients with organic delusional syndrome vs schizophrenia, commentary, 17654
clinical features of acute confusion vs dementia vs depression, elderly, diagnostic implications, 21628
clinical features of cognitive & behavioral aspects of Alzheimer's disease & relation to biological markers & neurochemistry, 6410
clinical features, 49–81 yr olds with Steele Richardson Olszewski syndrome, England, 33474
clinical presentation & symptoms & pathogenesis, elderly patients with large striatocapsular vs lacunar vs cortical infarctions, 18351
clinical significance & meaningfulness of symptom change, perceived satisfaction with & benefits from psychotherapy, clients, 18509
clinical symptoms & disability & MRI & somatosensory & motor EPs, 18–75 yr olds with syringomyelia, 22378
clinical symptoms, outpatients with major depression, Benin, comparison with Western data, 5805
clozapine, psychiatric symptoms & cognition, schizophrenic 18–46 yr olds, commentary, letter, 42451
clozapine, psychiatric symptoms & cognition, schizophrenic 18–46 yr olds, 26738
cocaine &/vs other substance use, presenting symptoms & psychosocial functioning & hospital treatment course, schizophrenic patients, 23156
cocaine intoxication, neurologic & neuropsychiatric complications assessed by SPECT, cocaine abusers, 22004
cognitive schema, explanations of somatic & emotional symptoms, 20–59 yr olds, Kuwait, 1525
coherence & unidimensionality of & DSM-III-R criteria for alcohol dependence syndrome, male alcohol dependent 15 yr olds & older in hospital vs community, India, 13961
combat related events of Persian Gulf War, course & severity of PTSD, Vietnam veterans, 25861
complex visual hallucinations as presenting symptoms of dementia, 78 & 79 & 80 yr old females, case reports, 2243
concordance between psychiatric & physiological criteria for diagnosis of hyperventilation syndrome, adults with panic disorder with symptoms suggestive of hyperventilation syndrome, Netherlands, 37607
configural frequency analysis of symptom combinations, detection of migraine with vs without aura vs tension headache syndromes, adults, Germany, 26186
continuous monitoring of BP & heart rate & respiration & subjective reports of panic & anxiety, patients with panic disorder, 21856
coping strategy enhancement vs problem solving in cognitive behavioral treatment, drug resistant residual psychotic symptoms, schizophrenic patients, 6 mo followup, 42283
correlation between Scale for Assessment of Negative Symptoms & Scale for Assessment of Positive Symptoms global scores, schizophrenic patients, meta analysis, 31892
cultural & societal differences in symptomatology & need for caution in application of ICD-10 diagnostic criteria, schizophrenic patients, 25812
daily hassles & life events & health & mental health symptoms, Chinese 17–27 yr olds, Hong Kong, 17635
daily hassles & self reported symptoms, natural killer cell activity & levels & in vitro hormone induced changes, college students, 32535
defense styles, prediction of personality disorder symptom levels, college students, 33712
definition & assessment of clumsiness as diagnostic feature, patients with Asperger's syndrome, 22072
dementia & depression & confusional states & other clinical presentations, 75–93 yr olds with neuropsychiatric systemic lupus erythematosus, 22190
demographic & assault characteristics & immediate symptoms following rape , male vs female rape victims, 29911
demographic & clinical characteristics, patients referred to consultant psychiatrist from hospital physicians & surgeons vs general practitioners, 46622

demographic & clinical characteristics, patients with 1st episode vs chronic schizophrenia, 9851
demographic & clinical correlates of substance abuse patterns, schizophrenic patients, 29670
demographic & psychological & movement disorder variables, psychomotor poverty & reality distortion & disorganization, chronic schizophrenic 40–75 yr olds, Scotland, 13759
demographics & DSM-III stipulated properties & symptomatology, patients with DSM-III schizophrenia vs nonschizophrenic vs schizophrenia related psychoses, 1720
depressive & manic symptoms, patients with agitated depression vs acute mania with vs without dysphoric symptoms, 45473
depressive symptom expression identified on Reynolds Adolescent Depression Scale & Beck Depression Inventory, male vs female 13–15 yr olds, Canada, 41533
depressive symptoms & self reported alcohol & carbohydrate & caffeine use, outpatients with seasonal affective disorder vs major depression &/vs alcohol dependence, 21640
depressive symptoms as relative vs attributable risk factors for 1st onset major depression, 18–96 yr olds, 5826
development & psychometric properties of Profile of Fatigue Related Symptoms scales, patients with chronic fatigue syndrome, 20082
development & rationale of Symptom Magnification Syndrome Structured Interview, female 43 yr old with occupational overexertion injury, 15964
development of Asthma Symptom Profile, assessment of phasic changes before & after bronchodilator with ipratropium bromide, adults with asthma, 43813
development of self report Vertigo Symptom Scale, assessment of severity & anxiety & depression & handicap, 18–80 yr olds with vertigo, 15990
diagnostic utility of positive vs negative symptoms, schizophrenic patients, commentary, 13767
disease chronicity, positive symptoms, schizophrenic 21–49 yr olds, test of hypothesized relationship between Parkinson's disease & schizophrenia, 45529
dopamine autoreceptor agonists, symptomatology, patients with schizophrenia or manic depression, 30445
DSM-III-R symptom clusters, inpatients with borderline personality disorder, 17880
duration & age of onset, severity of symptoms & psychopathology, female 13–38 yr olds with bulimia nervosa, 22150
dysfunctional cognitions & related depressive symptomatology, learning disabled vs seriously emotionally disturbed 14–17 yr olds in public school vs juvenile correctional setting, 33485
electrodermal activity & positive vs negative symptomatology, schizophrenic patients, 45500
emotional & somatic symptoms & psychosocial correlates, 8–18 yr olds with recurrent abdominal pain vs peptic disease vs psychiatric disorders, 29518
emotional distress & physical & emotional symptoms, adult victims of volcano eruption, Colombia, 1 vs 5 yr followup, 41412
epidemiology & clinical significance & etiology & management of somatization & medically unexplained symptoms, 41966
evaluation of importance & location of physical symptoms, medical workers vs laymen, 43102
exercise, psychological menstrual cycle symptoms & PMS & dysmenorrhea, females, 2119
exercise training, fitness & immune status, males with HIV, commentary reply, 2844
exercise training, fitness & immune status, males with HIV, commentary, 2835
expectations for premenstrual symptoms & bodily sensations, self reports of symptoms, 20–49 yr old females in premenstrual vs intermenstrual phase, 4678
extrapyramidal symptoms during early abstinence, cocaine abusing male 40 yr old, letter, 22014
eye movements & clinical symptoms & regional cerebral blood flow, schizophrenic patients, Japan, 5903
factor structure of Scale for Assessment of Negative Symptoms, schizophrenic male adults, 31891
family functioning & peer isolation & major depression & other symptoms, adolescent psychiatric referrals with physically ill parent, Canada, 9724
family history of alcoholism & current alcohol use, alcohol dependence symptoms, 19–26 yr olds, 25986
family support networks, depressive symptomatology, depressed 18–60 yr old discharged psychiatric patients, Germany, 7 mo followup, 45474
family systems approach, marital conflict & symptom reduction, male 31 yr old with chronic pain & his 27 yr old wife, 30589
Fear of Cancer Index, distress over possible cancer symptoms, 18–83 yr olds living near hazardous landfill, 20018
features & psychosocial factors in conversion symptoms, patients with neurologic disease &/or psychiatric illness, literature review, 5695
flumazenil, benzodiazepine withdrawal symptoms, 18–65 yr olds, England, 18748
fluoxetine vs placebo, symptom severity, 8–15.6 yr olds with obsessive compulsive disorder, 22750
fluvoxamine, WWII Resistance veterans with PTSD, conference presentation, 14678
focus of apprehension & symptoms & predictability of specific fears, adults with simple phobia vs panic disorder with agoraphobia, diagnostic implications, 21861
framework for differentiation of positive vs negative symptoms of psychiatric disorders, patients with HIV induced dementia related psychosis, 22276
frequency & nature of psychiatric symptoms, 10–44 yr olds with Wilson's disease, commentary & reply, letter, 10235
functional motor asymmetries & symptoms & other clinical features, unmedicated schizophrenic patients, 17802
glucose challenge induced metabolic events, symptoms, bulimic females, Canada, 33973
haloperidol, plasma HVA & negative symptoms, drug naive schizophrenic patients, Chile, 34557
health & insurance status, health service utilization, HIV seropositive iv drug using adults, 14945
health & psychological experiences of being in sealed rooms during Iraqi SCUD missile attacks of Persian Gulf war, family medicine patients, Israel, 45321
health seeking behavior & experience & effect & explanations & attitudes toward treatment of symptoms, 18–45 yr old perimenstrual females, commentaries & reply included, 10263
help seeking patterns, community residents with depressive symptoms, 19005
history of & role of genetics in nosological theories & conflict with symptomalogical aspects, patients with schizophrenia & related disorders, 25839
hopelessness, stress related depressive symptoms, college students, 21751
hyperventilation provocation test, symptoms & physiological variables & anxiety & other psychological variables, 21–58 yr olds with panic disorder, erratum, 25874
hyperventilation provocation test, symptoms & physiological variables & anxiety & other psychological variables, 21–58 yr olds with panic disorder, 1779
hypofrontality & EEG band power, psychopathology & neuropsychology & neurological soft signs, schizophrenic patients, Germany, 33629
hypofrontality & negative symptom severity & cognitive performance, chronic schizophrenic male 26–44 yr olds, 17836
hysterectomy, psychological & physical symptoms of PMS, females, 6941
identification of early symptoms of autism based on family home movies, psychiatrists rating 0–2 yr olds, France, 38007
illness behavior & interpretation of own symptoms, elderly, 21301
illness phase, depressive & positive symptoms, schizophrenic patients, 41573
imipramine adjunctive to fluphenazine & benztropine, negative symptoms, patients with schizophrenia or schizoaffective disorders & postpsychotic depression, conference presentation, 10722

incidence of rectal bleeding & delay or failure to seek medical advice, 40 yr olds & older, Australia, implications for colorectal cancer screening, 7035
inconsistency of positive vs negative syndrome classification using factor analysis, schizophrenic 16–76 yr olds, commentary, letter, 29690
inconsistency of positive vs negative syndrome classification, schizophrenic 16–76 yr olds, 13799
indirect utilization approaches to hypnotherapy, patients with PTSD symptoms related to childhood sexual abuse, 26820
information processing &/vs organizational climate & work load & conditions & control & interpersonal tensions, physical symptoms & stress & anxiety & happiness, female office workers, 19755
information seeking vs avoiding coping styles, reporting of physical & psychological symptoms, college students, England, 37585
initial diagnosis & symptom onset & presentation & functioning, psychotic 15–60 yr olds with vs without substance abuse history, 41583
insight & clinical history & self monitoring of symptoms & intelligence & brain morphology, chronic schizophrenic patients, 21836
intercorrelations & convergent & discriminant validity of cognitive & symptomatic measures, depressed 18–69 yr olds, 4074
internalizing vs externalizing problem, concordance between mother & child symptom reports on Child Assessment Schedule, nonreferred 6–7 vs 8–12 yr olds & their mothers, replication, 45342
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, commentary on conference presentation, 9896
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, conference presentation, 1777
issues in & use of large symptom data sets for personality disorder classification criteria & systems, 33705
key symptoms for detection of affective & other psychiatric disorders, general medical patients, Netherlands & UK, 38142
knowledge & causal attributions of & coping with negative symptoms, expressed emotion, 16–77 yr old family caregivers of schizophrenic 15–85 yr olds, Australia, 21804
L-deprenyl, negative symptoms, schizophrenic males, letter, 6782
levosulpiride dosage, negative symptoms, schizophrenic 21–58 yr olds, 6711
life events & daily stressors, positive & negative symptoms, schizophrenic 21–56 yr olds, 9868
life events & mood & perceived stress, development of cold symptoms, college students with rhinovirus infection, 10257
locus of control & self esteem, moderation of link between negative life events & psychological symptoms, 8–16 yr olds, 1607
loneliness, physical symptoms & perceived health status, 12–21 yr olds, 29502
major symptoms of & self help coping strategies for schizophrenia, 17815
manifestations of depressive symptomatology, African vs Mexican vs other Hispanic American vs Anglo 12–17 yr olds, 9825
manifestations of insanity, 25719
medical & ophthalmological & demographic correlates of cognitive function measured by telephone interview, 65 yr old & older glaucoma outpatients, implications for dementia screening, 42074
medical & psychosocial variables, sexual adjustment, female 20–51 yr olds with systemic lupus erythematosus, 30023
medical diagnosis & explainable vs ill explained vs unexplainable symptoms, type & prevalence of psychiatric disorders, patients of internal medicine outpatient clinic, Netherlands, 45928
medication use & psychological state & type & other clinical factors, patients with chronic posttraumatic headache, 14164
melancholic symptoms, response to antidepressants vs placebo, patients with endogenous depression &/or major depressive episode, 10712
menstrual cycle & related estrogen levels & symptomatology, schizophrenic female 29–49 yr olds, Canada, 33631
mental & physical symptoms, adults with subclinical hyperthyroidism taking vs not taking thyroxine, 14197
mental retardation & scanning speech & cerebellar dysfunction & pyramidal signs, 25 yr old female with giant axonal neuropathy, case report, 2287
military mobilization activation & deactivation, physical symptoms vs emotional stressors vs coping strategies vs psychosocial vs positive effects, Army Reserve nurses, 11739
moclobemide, reversed vegetative symptoms, depressed patients, 34583
monitoring vs blunting coping style, fear of medical situations & reports of physical symptoms, college students, 10836
mood & health complaints, 19–45 yr old Naval personnel deployed in Persian Gulf, 1989, 37582
mood incongruent psychotic features, prediction of relapse & symptom severity & social adjustment & medication noncompliance, manic patients, 13735
morbidity risk for schizophrenia & schizotypal personality, 1st degree relatives of chronic schizophrenic inpatients with negative vs positive symptoms, 17776
multidimensional scaling & cluster analysis of Scale for Assessment of Positive Symptoms & Scale for Assessment of Negative Symptoms, psychotic patients, 20037
multivariate analysis of items of dementia scale, assessment of symptoms of intellectual & memory deterioration, hospitalized elderly & nursing home residents, 5 yr followup, 8047
myth of attention deficit hyperactivity disorder diagnostic category & label, children with criteria symptoms attributable to other diseases, 22095
myth of attention deficit hyperactivity disorder diagnostic category & label, children with criteria symptoms attributable to other diseases, commentary, 22085
myth of attention deficit hyperactivity disorder diagnostic category & label, children with criteria symptoms attributable to other diseases, commentary, 22077
myth of attention deficit hyperactivity disorder diagnostic category & label, children with criteria symptoms attributable to other diseases, commentary, 22073
myth of attention deficit hyperactivity disorder diagnostic category & label, children with criteria symptoms attributable to other diseases, commentary, 22066
negative symptoms, EEG alpha activity, schizophrenic patients, 21818
negative vs positive vs mixed symptoms & premorbid functioning in childhood vs early vs late adolescence, drug free male schizophrenic patients, 13781
neuroanatomical correlates & clinical symptoms, 28–58 yr olds with parietal pseudothalamic pain syndrome, 14347
neurobehavioral aspects of postconcussive symptoms, patients with mild closed head injury, 14283
neuroleptics, negative symptoms, schizophrenic patients, research review, 46488
neuroleptics, negative symptoms, schizophrenic patients, 22703
neuroleptics, positive & other specific symptoms & syndromes, schizophrenic patients, Germany, 5 yr study, implications for K. Leonhard's symptom classification, 26720
neurolinguistic & nonlinguistic symptom clusters, aphasic 15–85 yr olds, Germany, 30253
neurological & behavioral abnormalities, 22 yr old male with Borna disease virus encephalitis, letter, 6338
neurological & neurosurgical complaints, male with Munchausen syndrome, letter, 9785
neuropsychiatric symptoms, female 37 yr old & male Ashkenazic Jewish 31 yr old with adult onset Tay-Sachs disease, 34035
nimodipine, symptoms & behavior & cognitive performance, middle aged & elderly patients with cognitive impairment syndromes, literature review, 6958

nonpharmacological treatment, apraxia & aphasia & agitation & other behavioral symptoms, elderly with Alzheimer's disease, 22483
observational measurement of antidepressant responsive symptoms, 8–17 yr olds with major depressive disorder, 10689
observations of child's behavioral & emotional characteristics, parents of 2.2–28 yr old females with Rett syndrome, 42095
obsessive compulsive symptoms associated with neurological diseases & theory of neurobiology of obsessive compulsive disorders, 1762
panic symptom profiles, adults with panic disorder & agoraphobia with vs without prior history of vs current major depression, 45551
paradigm shift in theoretical orientation & stress & moral conflict & somatization in L. Kohlberg's model of moral judgment, adolescent patients, commentary, 14176
parent child relationships & psychosocial resources & stress & other factors, levels of depressive symptoms, male vs female 15–20 yr olds, 1652
pathophysiological mechanism & homologous animal model of negative symptoms of schizophrenia, 13789
patient sex vs sexual orientation & AIDS vs influenza symptoms, illness perception vs attribution vs interactional desirability, 17–34 yr olds, 6306
perceived stress & life changes & psychological & physical distress symptoms, 23–79 yr olds in health promotion vs cardiac rehabilitation program, 38663
perimenstrual symptoms & menstrual blood loss & pain & neuroticism, 17–53 yr old females with menorrhagia vs PMS vs dysmenorrhea, 38082
pharmacological treatment, dysphonia or its symptoms, 2635
pharmacotherapy vs behavioral modification, symptoms & behavior disturbances, male 78 vs 67 yr olds with dementia, 22840
physical & affective symptoms associated with PMS as manifestations of single underlying vs multiple syndromes, 17–53 yr old females, 38103
physical & psychological & other symptoms, 15–65 yr old Southeast Asian refugees, US, 1527
physical & psychological symptomatology, anxiety & depression, patients with asymptomatic HIV infection vs AIDS vs ARC, 30126
physical & psychological symptoms & improvement & treatment satisfaction, adults with nonulcer dyspepsia vs peptic disease assessed 6–12 mo after endoscopy, 18911
physical anhedonia & pleasure capacity & depressive symptomatology, inpatients with primary depressive disorder, letter, 37699
physical symptom attributions & illness beliefs, patients with agoraphobia with & without panic attacks, 1755
physical symptoms & affective state & short term memory & concentration ability & psychomotor performance, 21–84 yr olds with subclinical vs overt hyperthyroidism, Germany, 34063
physical symptoms & disability & sociodemographics & social support & cognitive impairment, depressive symptoms & suicidal thoughts, 18 yr olds & older with HIV, 14224
physical symptoms & psychological & behavioral factors, patients with nonspecific abdominal pain vs appendicitis acutely admitted to general surgical ward, 18180
physostigmine infusion, cholinergic hyperactivity & behavior resembling negative symptom profile, healthy male 21–45 yr olds, implications for pathophysiology of schizophrenia, 32705
plaques & other postmortem neuropathologic features & clinical presentations & issues in diagnosis of Alzheimer's disease, 73 yr old males with atypical dementia syndrome, 18366
plasma beta endorphin concentration, dysphoria & phobic anxiety & phobia & other affective disorder symptoms, depressed 29–71 yr olds, 9806
positive & negative & affective symptoms & neuroleptic side effects, chronic schizophrenic 40–65 yr olds in hospital vs community, 23159
positive & negative symptomatology, ventricle brain ratio & ventricular size & cortical atrophy, schizophrenic inpatients, 25810
prefrontal hypodopaminergia in schizophrenia & development of negative symptoms, treatment with levodopa, commentary reply, letter, 9843
premilitary stress, PTSD symptom severity, Vietnam veterans, 37814
presence of dysphoria, identification of depressive syndromes, 18–88 yr olds with spinal cord injury or rheumatoid arthritis, 22197
presenting characteristics & other associated clinical features, 11–82 yr olds with chronic daily headache, 22248
prevalence & covergence of negative & depressive symptoms, schizophrenic 18–48 yr old outpatients, 1730
prevalence & diagnostic specificity of K. Schneider's 1st rank symptoms, schizophrenic adults, Malaysia, comparison with UK vs Saudi Arabia vs Pakistan, 25838
prevalence & severity of cognitive vs somatic depression symptoms, diabetic vs psychiatric patients, 9720
prevalence of depressive symptoms, Anglo vs African vs Hispanic American 12–17 yr olds, 21773
prevalence of depressive symptoms, schizophrenic 16–54 yr olds, Italy, 17812
prevalence of nonpsychotic psychiatric symptoms, WWI vs WWII military personnel, research review, 33539
primary & secondary negative symptoms in the deteriorative course of schizophrenia, 5878
primary negative syndrome & postimperative negative variations, chronic schizophrenic 25–41 yr olds, 33622
prodromal agoraphobic avoidance &/or generalized anxiety &/or hypochondriacal fears & beliefs, 17–59 yr olds with panic disorder with agoraphobia, Italy, replication, 21864
prodromal symptoms, patients with manic depressive psychosis, Australia, 13748
profiles in Symptom Checklist-90-Revised, alcoholic adults, Canada, data compared with general population, 13960
prognosis & atypical symptoms & familial vs sporadic distinction & other factors, untreated schizophrenic patients, 1925, Sweden, 21813
prognostic validity of negative symptoms, 15–44 yr olds with 1st episode schizophrenia, 18 mo study, 21809
provision of MMPI-2 results as therapeutic intervention, symptoms & distress & self esteem & impression of feedback, wait listed counseling center clients, 2 wk followup, 4052
psychiatric diagnoses & symptoms, 16–60 yr olds with Cushing's disease vs major depression, 5712
psychiatric manifestations of neurologic diseases, 6402
psychiatric symptoms & behavioral disturbances & personality change, patients with dementia of Alzheimer's type, 6344
psychological dynamics & clinical features, 8–70 yr olds with subtypes of bulimia nervosa, implications for treatment, conference presentation, 14096
psychological symptom status, non-return to postintake counseling, male vs female clients, 22503
psychopathological subsyndromes & negative symptoms & cerebral alterations, schizophrenic patients, 5892
psychosocial factors, reported ailments in antenatal care, pregnant 19–42 yr olds, Norway, 14819
psychotherapist's collusion with patient's rejection of life through removal vs living of symptom, adult female with insomnia, 34692
psychotic symptoms & brain lesions detected by MRI scanning, adults with multiple sclerosis, England, 18192
purpose in life, psychiatric symptoms & mental health, 11–20 yr olds, Hong Kong, 1622
P300 changes & clinical symptoms & neuropsychological parameters during acute vs remitted stages, schizophrenic adults, 5868
quality vs quantity of life & mind body dichotomies & molecular biology & psychogeriatric treatment of manifest behavioral symptoms of Alzheimer's disease, 38660
rate of self reported symptoms associated with neuropsychological impairment, personal injury claimants with brain injury, 34198

ratings of symptoms & internalizing & externalizing psychopathology, 11–17 yr old male vs female psychiatric inpatients vs their mothers vs fathers, 33495
reasons for consultation with general practitioner for child's cough, mothers, England, 46657
regional prevalence of symptoms & clinical episodes of depression, adults, 1978 vs 1984, Greece, 13730
relationship between Scale for Emotional Blunting & Scale for the Assessment of Negative Symptoms & treatment response & premorbid functioning & negative symptoms, schizoprenic inpatients, 39801
reliability & diagnostic efficiency of DSM-III Criteria B symptoms for major depressive disorder, psychiatric patients, 29598
reliability & stability of Subjective Experience of Negative Symptoms self rating scale, hospitalized schizophrenic 22–63 yr olds, 39822
reliability & validity of Schedule for Nonadaptive & Adaptive Personality & DSM-III-R Axis II ratings, dimensional assessment of personality disorder, college students vs psychiatric inpatients, 24113
repeated hyperbaric air with nitrous oxide, perception of & adaptation to narcosis & symptoms & RT, 24–35 yr olds, implications for divers, 4809
residential pesticide misapplication, behavioral & physical health correlates & health perception & distress, adults, 2110
response vs nonresponse to phenelzine or imipramine, symptomatology, depressed patients, 42403
risk & protective variables, change in depressive symptoms & disorder, urban 13–18 yr olds, 17768
risk factors & depression & wandering & other behavioral characteristics, patients with vascular vs Alzheimer's dementia, 26282
role stress & job satisfaction & physical symptoms, turnover intentions, employees, test of original vs modified versions of A. G. Bedeian & A. A. Armenakis' model, 31557
schizophrenia symptomatology & drug factors, schizophrenic 18–60 yr olds with tardive dyskinesia, 42474
scores on symptom negative vs positive subscales of Dutch State version of State-Trait Anxiety Inventory, psychiatric patients & college students & police personnel, replication, 12017
self assessment & monitoring of activities of daily living & symptom prevalence, use of professional health services, adults with multiple sclerosis, 3 yr study, commentaries & reply included, 10789
self esteem & job involvement, job & career satisfaction & well being indices of life satisfaction & affective symptoms, managers, 31535
self reported alcohol consumption & physical health status & symptoms, 45 yr olds & older in primary care facility, 1 yr study, 25457
self reported oral symptoms & stressful life events, 35–44 yr olds, 45915
self reported symptoms of psychological distress, 21–34 vs 35–49 vs 50–64 vs 65 yr olds & older, 5607
self treatment of symptoms & illness behavior, 65 yr olds & older, 26926
serum & reduced haloperidol levels & ratios, psychopathology & extrapyramidal symptoms, schizophrenic 19–49 yr olds, Germany, 18778
severity of disorder & symptoms in reconceptualization of paranoid nonparanoid distinction in classification of schizophrenia, 29698
severity of premenstrual symptoms & life stressors & medical or psychiatric problems, 12–56 yr old females, 2130
severity of psychopathology & negative & positive symptoms, 1st episode & other schizophrenic patients, 9880
sex & other demographics & presenting complaints, psychological clinic clients, 42201
sex, health risks & physical symptoms, homeless 18–44 yr olds, commentary reply, 41979
sex, health risks & physical symptoms, homeless 18–44 yr olds, commentary, 41952
sex, pain perception & symptom presentation, orofacial patients with temporomandibular pain, 45889
sex, symptom type & severity & premorbid adjustment & quality of life, schizophrenic patients, 17826
sibling separation & risk & protective factors, symptoms & school performance & social functioning, 0–15 yr olds before vs during vs after foster care placement, 23070
significance of symptom complexes in psychiatric illnesses, 17701
social class, clinical symptoms & subtypes, patients with unipolar or bipolar depression or dysthymic disorder, 1975–82, Italy, 41549
social schema & information processing & symptomatology, schizophrenic patients, 21793
sociocultural menstrual attitudes & beliefs, prospective vs retrospective self reported assessment of menstrual cycle symptoms, female 17–27 yr old oral contraceptive users vs nonusers, Australia, 36624
sociodemographic & clinical characteristics & source of health care, satisfaction with care, symptomatic HIV infected patients, 30774
sociodemographic & clinical features, psychiatric clinic patients, Nigeria, 8 yr study, 14956
sociodemographic factors, functional somatic symptoms, Mexican American vs Puerto Rican adults, US vs Puerto Rico, 10208
somatic & psychiatric symptoms & prognosis & relapse, schizophrenic patients, 3 yr study, application of J. Jackson's hierarchical theory of mind brain correlation, 25844
sources & symptoms & prevention of stress, 38774
specific categories of daily hassles, differential prediction of psychopathology symptom levels &/or changes, college students, 5760
specificity of vegetative & psychological symptoms of depression, adults with acute traumatic brain injury, 1 yr study, 22371
SPECT analysis of relationship between symptom pattern & regional brain metabolism, psychotic unmedicated schizophrenic 22–52 yr olds, Scotland, 45499
stress & problem solving & coping & attributional style & family functioning & beliefs & attitudes & psychological symptomatology, 7–28 yr old siblings of severely head injured patients, 30059
stress due to intensity of criminal trial, physical symptoms, jurors, conference presentation, 11854
stressful life events, type & severity of symptomatology & self concept, 1st admission schizophrenic patients, conference presentation, 25817
structure & cross validity of Daily Hassles Scale, assessment of stress & psychological & somatic symptoms, normal college students vs adults with recurrent headaches, 24122
subcortical & prefrontal hypodopaminergia in schizophrenia & development of negative symptoms, commentary, letter, 9846
support group, social psychological problems & symptoms & resolution processes, 20–38 yr old mothers with postpartum depression, application of grounded theory, 22825
symptom awareness & prevalence & client characteristics of help seeking illness behaviors, elderly, Canada, conference presentation, 22482
symptom commonalities, borderline patients in long term psychoanalytic treatment, 34500
symptom complexes of mild head injury vs posttraumatic headaches vs PTSD, diagnostic implications, 34053
symptom misinterpretation in & cognitive hypothesis for panic disorder & hypochondriasis, 37604
symptom patterns, patients with obsessive compulsive disorder with vs without Tourette's syndrome, 17847
symptom patterns, 20–47 yr old females with late luteal phase dysphoric disorder, 13745
symptom predictability & control during carbon dioxide enriched air inhalation, anxiety & perceived symptoms & respiration, adults with high vs low trait anxiety, Belgium, 20773
symptom representations & coping & affect as determinants of health care seeking, 45–80 yr olds & older, 34819
symptom self monitoring for enhancement of self care, schizophrenic patients, 21803

symptomatology & cognitive vulnerability to depression, depressive information processing & self referent recall & personal hypothesis testing, college students, 41554
symptomatology & design & interpretation of pharmacologic trials in treatment, patients with Alzheimer's disease vs normal aging, 6949
symptomatology & electrodermal activity & premorbid adjustment, prediction of response to neuroleptic treatment, male schizophrenic 18–42 yr olds, 6755
symptomatology & life stressors, social networks & supports, long term schizophrenic 18–65 yr olds, England, 25808
symptomatology & outcomes, sexually abused children, literature review, 17922
symptomatology, acquisition of social skills during training program, inpatients with schizophrenia or schizoaffective disorder, 22625
symptoms & cognitive & behavioral & language disorder correlates, patients with fragile X syndrome, implications for education, 26176
symptoms & other clinical predictors of 1 yr outcome, schizophrenic patients, 29703
symptoms & prevalence of migraine headache & abdominal migraine, male vs female 3–11 yr olds, 34051
symptoms & psychiatric history & course & psychosocial functioning, females with postpartum vs nonpostpartum depression, 6 mo followup, 37718
symptoms during panic attacks & anticipation of consequences, 18–61 yr olds with panic disorder with vs without agoraphobia, 33687
symptoms of mental disorder in childhood or adolescence, perception of family of origin, college students, 25718
symptoms of PTSD, Army soldiers exposed to combat in Persian Gulf War, 1991, 5940
symptoms on Schedule for Affective Disorders & Schizophrenia for School Age Children Present Episode, estimation of Hamilton Rating Scale for Depression score, 11.8–17.8 yr olds with major depression, 12028
symptoms related to cognitive deficits in schizophrenia, 45534
temporal & seasonal variation in perceived intensity of psychological problems, psychotherapy clients with depression or anxiety symptoms, UK, 3 yr study, 45412
therapeutic community treatment, neurotic symptomatology, personality disordered patients, 6 mo followup, 30907
thiothixene, negative symptoms, chronic schizophrenic 31–60 yr olds, 2670
threat of SCUD missile attack during Persian Gulf War & coping resources & strategies & optimism & perceived control, anxiety & physical symptoms & cognitive functioning, adolescents, Israel, 21274
topography of dyskinetic movements, cognitive impairment & negative symptoms, schizophrenic inpatients with tardive dyskinesia or akathisia or drug induced parkinsonism, 9840
training in use of Negative Symptom Assessment Scale & rating of use with schizophrenic patient, novice raters, 35123
type & duration & frequency & implication of common headaches, 18–32 yr old preclinical medical & dental students, 22174
typical vs atypical depressive symptoms & diurnal variation of mood & reliability of measurement, patients with major depression, 17750
unified scale weightings for stressful life events & prediction of physical symptoms, college students, 173
utility of Dutch adaptation of longitudinal self report Moos Menstrual Distress Questionnaire, assessment of symptoms & diagnostic criteria, female 18–46 yr olds with PMS, Netherlands, 2 yr study, 28071
validity of distinction between negative & positive symptoms, schizophrenic patients, Germany, 10–50 yr study, 5882
validity of major depression with atypical features as diagnostic subtype, adults with atypical vs nonatypical depression, 21758
VDT work content vs distribution vs specialization, psychosocial & musculoskeletal & vision complaint risk, VDT operators, implications for development of common taxonomic assessment of VDT work, 19758
ventricle to brain ratio & symptom severity & presence of positive & negative symptoms at onset, 1st break schizophrenic 18–30 yr olds, 9855
verbal hallucinations & negative symptoms, message inadequacies & self repair in instruction dialog, schizophrenic 16–50 yr olds, England, 13784
volume of prefrontal region & caudate & amygdala/hippocampus complex, deficit symptoms, schizophrenic patients, 17782
volumes of ventricular system subdivisions & positive vs negative symptoms, 1st episode schizophrenic 16–37 yr olds, conference presentation, 9844
withdrawal associated craving & anxiety & other symptoms, opioid dependent inpatients in clonidine assisted detoxification program, 3109
word association task performance & positive & negative symptoms, schizophrenic 21–63 yr olds, 41580
zotepine vs haloperidol, schizophrenic patients with predominantly negative symptoms, 2614
1st symptoms reported by relatives, 25–87 yr old younger relatives & spouses of elderly with dementia of Alzheimer's type &/or multi-infarct dementia or other diagnosis, 46065
5-HT reuptake inhibitor, contingent negative variation, depressed 20–65 yr olds with anxious agitation & impulsivity vs retardation & blunted affect, letter, 10711
Symptoms [See Also Acting Out, Anhedonia, Anorexia Nervosa, Anoxia, Apnea, Appetite Disorders, Apraxia, Ataxia, Aura, Automatism, Body Rocking, Catalepsy, Catatonia, Coma, Convulsions, Delirium, Depersonalization, Distractibility, Dyskinesia, Dyspnea, Fatigue, Headache, Hematoma, Hemorrhage, Hyperglycemia, Hyperkinesis, Hyperthermia, Hyperventilation, Hypoglycemia, Hypothermia, Insomnia, Migraine Headache, Muscle Contraction Headache, Nausea, Obesity, Pain, Pruritus, Respiratory Distress, Scratching, Spasms, Syncope, Tics, Tremor, Vertigo, Vomiting]—Books
Symptoms of depression. Wiley series on personality processes, 29638
Symptoms [See Also Acting Out, Anhedonia, Anorexia Nervosa, Anoxia, Apnea, Appetite Disorders, Apraxia, Ataxia, Aura, Automatism, Body Rocking, Catalepsy, Catatonia, Coma, Convulsions, Delirium, Depersonalization, Distractibility, Dyskinesia, Dyspnea, Fatigue, Headache, Hematoma, Hemorrhage, Hyperglycemia, Hyperkinesis, Hyperthermia, Hyperventilation, Hypoglycemia, Hypothermia, Insomnia, Migraine Headache, Muscle Contraction Headache, Nausea, Obesity, Pain, Pruritus, Respiratory Distress, Scratching, Spasms, Syncope, Tics, Tremor, Vertigo, Vomiting]—Chapters
The advantages of the symptom approach to depression, 28030
Anna O: Reformulation as a case of multiple personality disorder, 29587
The assessment of symptoms and behaviour, 13816
Biological response to psychic trauma, 45597
Continuity and change in symptom choice: Anorexia, 33992
Disorders, symptoms, and their pharmacotherapy, 46537
Effects of personal and occupational factors on sick building syndrome reports in air-conditioned offices, 7706
From symptoms of depression to syndromes of depression, 29648
Management and modification of residual positive psychotic symptoms, 14631
The management of trauma following disasters, 33702
Mary Reynolds and Estelle: Somatic symptoms and unacknowledged trauma, 29584
Menopause myths and realities, 45969
Negative symptoms in schizophrenia: Their relation to development and long-term prognosis, 1752
New perspectives on the positive–negative distinction in schizophrenia, 1749
Obsessive-compulsive disorder, 5958
Posttraumatic stress phenomena: Common themes across wars, disasters, and traumatic events, 45598

Psychological and cognitive aspects of chronic fatigue syndrome, 45938
Synapses—Serials
active avoidance conditioning, hippocampus synaptic plasticity, male rats, 24714
antidepressant trifluoromethylphenylpiperazine induced inhibition of acetylcholine release in hippocampal synaptosomes, rats & guinea pigs, 40586
back propagation training & removal of single synapse from network computations, neural network convergence & divergence during chaos processing, implications for biological neuronal learning, 15796
blood plasma from 28–41 yr old females with PMS, serotonin uptake in brain synaptosomes, male rats, 8614
blood plasma, MAO activity in washed human platelets & rat brain synaptosomes & platelet MAO during premenstruation vs postmenstruation, patients with PMS, 10204
cellular & molecular mechanistic bases of NMDA receptor dependent expression of long term synaptic potentiation in hippocampus, vertebrates, implications for memory, 24650
change in structure & number of synapses & dendritic spines in forebrain during long term memory formation in passive avoidance task, chicks, research review, 28554
cholinergic agonists vs antagonists vs nicotinic vs muscarinic agonists, EP measured cholinergic transmission at 1st synapse of lateral giant escape circuit pathway, crayfish, 28748
coactivation of neurons & synaptic potentiation plasticity in adjacent neurons of visual cortex slices, 2–4 wk old rats, implications for memory & learning, 32492
cognition enhancing DuP 996, presynaptic cholinergic action & neurotransmitter release in hippocampal synaptosomes, male rats, 28786
computer simulation of selective synapse stabilization & dynamic formation of functional neuronal clusters, 3869
extracellular philanthotoxin-343, transmission & long term potentiation in hippocampus at Schaffer-collateral/commissural CA1 synapses, male rats, 36829
hippocampal mossy fiber area & novelty exploratory vs forced choice behavior, various hybrid mouse strains, implications for anxiety behavior, 24647
histamine in cultured hippocampal neurons, NMDA mediated synaptic transmission in hippocampus, rats, 44380
in vitro long term potentiation of perforant path synapses in hippocampal CA1, rats, 32381
lag time between acetylcholine & glutamic acid administration, neurochemical ultrastructure changes in cortical synapses, rats, translated article, 28731
lithium biochemistry & pharmacology, serotonergic signaling & synaptic & behavioral effects, animals, literature review, 4886
mechanism of expression of long term enhancement of hippocampal synapses & relevance to learning in neural systems, 36538
modulation of transmitter release & other learning related synaptic plasticity, vertebrates & invertebrates, research review, 32397
morphological properties of septal synaptic contacts in hypothalamic aggression region, rats, 36475
mu & delta & kappa opioid receptor antagonists, induction of hippocampal mossy fiber long & short term potentiation at CA3 synapse, male rats, 32607
passive avoidance conditioning, time course of synaptic density increase in lobus parolfactorius, 1 day old chicks, 36520
positron emission tomography assessed synaptic function & neural transmission & pathology, postmortem brains of patients with Alzheimer's disease, 46084
postsynaptic conditioning with or without glutamate ionotrophic receptor antagonists, long term depression of excitatory postsynaptic potentials in hippocampal slices, male rats, 28578
previous synaptic activity, threshold induction of long term depression & potentiation in hippocampal slices, male rats, 40455
projection of periaqueductal gray axon terminals into nucleus raphe magnus to sensory vs caudal spinal trigeminal nucleus, male rats, implications for endogenous descending pain control system, 32409
protein kinase C activation & induced potentiation & changes in synaptic morphology in hyperstriatum ventrale, chicks, memory & learning implications, 40433
role of neuronal organization & plasticity & synaptogenesis & other mechanisms in neural information storage & learning, rats & adults, 36512
role of NMDA receptors in visual cortical plasticity, application of theoretical criteria for correlated presynaptic activity detection, 32389
synapse development accompanying long term memory storage & learning, vertebrates & invertebrates, research review, 36484
synaptic changes in neural network & memory processes in nonassociative conditioning of bending reflexes, leeches, implications for engramic distribution model, 40387
synaptic contact & spine degeneration, postmortem brains of patients with Creuzfeldt-Jakob disease or Gerstmann-Straussler-Scheinker syndrome, implications for prion disease neuropathology, 38225
synaptic plasticity & long term potentiation in corticohippocampal pathway & memory encoding & readout, 570
time series analysis of potassium channel bursts from fused synaptosomes, implications for statistical memory, 28544
traumatic brain injury, long term potentiation & synaptic responses of hippocampal CA1 pyramidal cells, male rats, animal model of brain injury, 8655
trimipramine, hippocampal plasticity quantified from excitatory postsynaptic potentials, male rats, 40619
T3 vs T4 thyroid hormone levels in brain synaptosomes, male rats, implications for central neurotransmission involvement, 44425
visual learning & recall & pattern recognition, synaptic metabolism measured by regional cerebral blood flow, 20–34 yr olds, 32438
5-HT1B agonist RU-24969 vs MDMA & other 5-HT agonists, locomotor & investigatory behaviors, male rats, test of presynaptic 5-HT release in hyperactivity, 44709
Synapses—Chapters
ART 3: Hierarchical search using chemical transmitters in self-organizing pattern recognition architectures, 47588
Presynaptic mechanism for long-term potentiation in the hippocampus, 20613
Snails' tales: Initial comparisons of synaptic plasticity underlying learning in Hermissenda and Aplysia, 12567
Syncope—Serials
phobic exposure treatment, cerebral blood flow velocity, 35 yr old female with blood injury phobia & fainting, case report, 7 mo followup, 42290
Syndromes [See Also Acquired Immune Deficiency Syndrome, Alzheimers Disease, Aspergers Syndrome, Capgras Syndrome, Crying Cat Syndrome, Cushings Syndrome, Downs Syndrome, Fetal Alcohol Syndrome, Klinefelters Syndrome, Korsakoffs Psychosis, Neuroleptic Malignant Syndrome, Organic Brain Syndromes, Picks Disease, Prader Willi Syndrome, Presenile Dementia, Senile Dementia, Toxic Psychoses, Turners Syndrome, Wernickes Syndrome]—Serials
abstinence from alcohol, symptoms, 82 yr old male with Kleine-Levin syndrome, case report, 6206
akinesia syndrome components in parkinsonism vs retarded depression vs negative symptoms of schizophrenia, 5694
anger attacks responsive to thymoleptics as discrete clinical syndrome, 46 yr old female & 37 yr old male, case reports, 41469
attention & short term memory, EPs, adults with chronic fatigue syndrome, 14196
basal plasma & CSF MHPG & 5-HIAA & HVA, patients with chronic fatigue syndrome, 30025
benzodiazepine therapy, patients with syndromes with medical & psychiatric factors, 46498
breathing retraining, patients with hyperventilation syndrome &/or panic disorder, research review, commentary, 46302
carbamazepine, male 38 yr old with Charles Bonnet syndrome, case report, 14666
chromosome fragility, 13–35 yr olds with Lennox-Gastaut epilepsy syndrome, 14356
chronic diazepam dosage, intensity of flumazenil precipitated abstinence syndrome, female dogs, 44726
clarification of nature of Cotard's syndrome, letter, 1738

clinical & electrophysiological & genetic aspects of hyperekplexia vs stiff baby syndrome, 2.3–8 yr olds, 42044
clinical features of central pontine myelinosis, HIV positive homosexual 49 yr old male, case report, 10289
clinical features, 49–81 yr olds with Steele Richardson Olszewski syndrome, England, 33474
clinical perspective on diagnosis & treatment, patients with chronic fatigue syndrome, research review, 22222
clinical syndrome & associated extrapyramidal & other disorders & differential diagnosis of subcortical vs cortical dementia, 22407
clomipramine induced myoclonus & serotonin syndrome, depressed male 30 yr old, letter, 10695
CNS disorder progression after discontinuation of L-tryptophan, depressed 48 yr old female with eosinophilia-myalgia syndrome, case report, 14709
cognitive performance & information processing efficiency, patients with chronic fatigue syndrome vs multiple sclerosis, 34016
concept of vital depressive syndrome & vital feelings & role in discrimination of depressive disorders, 41546
concordance between psychiatric & physiological criteria for diagnosis of hyperventilation syndrome, adults with panic disorder with symptoms suggestive of hyperventilation syndrome, Netherlands, 37607
configural frequency analysis of symptom combinations, detection of migraine with vs without aura vs tension headache syndromes, adults, Germany, 26186
confirmations & contradictions & conjectures about pathophysiology of chronic fatigue syndrome, research review, 34047
correlation analysis of EEG rhythms & functional asymmetry, 4.5–7 yr olds with hyperdynamic syndrome, 13622
couvade syndrome, 19–50 yr old expectant fathers, Thailand, 38106
criteria for chronic fatigue syndrome & fibromyalgia & treatment with psychotropic drugs & relation to major depression, 30627
development & psychometric properties of Profile of Fatigue Related Symptoms scales, patients with chronic fatigue syndrome, 20082
diagnostic internal & external validities in relation to Rett syndrome as possible subtype of pervasive developmental disorders, 22089
drug use & social conformity & academic orientation & sexual involvement & criminal behavior factors in general deviance syndrome, Ss from early adolescence to adulthood, 6010
factor analysis of barrel symptoms questionnaire, existence of irritable bowel syndrome, 18–89 yr old females, 4142
failure to thrive in infancy due to chloride deficient soy based formula, characteristics of neurobehavioral syndrome, 4.2–10 yr olds, followup, commentary, letter, 2255
failure to thrive in infancy due to chloride deficient soy based formula, characteristics of neurobehavioral syndrome, 4.2–10 yr olds, followup, commentary reply, letter, 2280
feminist & psychological issues in illness related self blame & health responsibility & choices, adult females with chronic fatigue syndrome, 26218
Fregoli delusion with de Clerambault's syndrome, 35 yr old female with chronic paranoid schizophrenia, letter, case report, 33665
history of behavioral movement & efforts to integrate functional analysis & syndromal classification, 24000
im haloperidol vs fluphenazine vs clozapine vs remoxipride vs melperone, dystonia, cebus monkeys, animal model of neuroleptic induced extrapyramidal syndromes, 4758
incidence of Fregoli syndrome & chlorpromazine response, 19 yr old male with cannabis delusional disorder, England, case report, 41723
incidence of postpolio syndrome & needs assessment for & access to social health care services, 29–88 yr old polio survivors, 38803
interaction of Rett syndrome features & operant conditioning, self injurious behavior, female 3.5 yr old, 26319
issues in use of factor analysis for classification of schizophrenia syndromes, letter, 29711
lithium intoxication, male 62 yr old with mixed misidentification syndrome with features of Capgras syndrome, case report, 1619
medicalization of adolescence as culture bound syndrome, US, 1534
misdiagnosis of conversion neurosis, 15 yr old female with Pisa syndrome, case report, 30030
moclobemide, 40 yr old male with Kleine-Levin syndrome, letter, 18711
neocerebellar tonsils assessed by MRI & associated neurobehavioral profile, 10–20 yr olds with Williams' vs Down's syndrome, 22093
neurocognitive dysfunction & demographic features & peripheral eosinophilia & comorbid psychiatric disorders, patients with eosinophilia myalgia syndrome, 45908
neurological basis & phenomenology of sleep disturbance & sundown syndrome, patients with Alzheimer's disease, 2324
neuropsychiatric characteristics, patients with chronic fatigue syndrome vs multiple sclerosis vs major depression, 37602
observations of child's behavioral & emotional characteristics, parents of 2.2–28 yr old females with Rett syndrome, 42095
orbitomedial frontal behavioral syndrome, 32 yr old right handed male with orbitomedial frontal lobe trauma, 34202
patient opinion on etiology, 45–89 yr olds with burning mouth syndrome, UK, 22224
positive vs negative social support, anxiety & depression, patients with chronic fatigue syndrome, 26205
problems with functional analysis as diagnostic & classification system & alternative to syndromal medical model, 25644
professional vs media risk communication on aspirin use & Reye's syndrome, public awareness & consumer behavior change & syndrome incidence, children, 10904
psychological aspects of sympathetically related pain syndromes, adults & children, literature review, 6240
psychoneuroimmunology & community psychology perspectives on chronic fatigue syndrome, adult male, 45899
self psychology approach to treatment, 20 yr old female with chronic fatigue syndrome, 34684
sleep & fatigue characteristics, patients with chronic fatigue syndrome vs multiple sclerosis, 38110
somesthetic task performance, patients with damage to ventrolateral vs dorsomedial somatosensory association cortices, 38221
symptom complexes of mild head injury vs posttraumatic headaches vs PTSD, diagnostic implications, 34053
transient postictal Kluver-Bucy syndrome following seizures, 24 yr old female who underwent unilateral temporal lobectomy, 34706
validity & stability of rationally based proxy case identification tool for diagnosis, outpatients with deficit vs nondeficit syndrome of chronic schizophrenia, 35898
Syndromes [See Also Acquired Immune Deficiency Syndrome, Alzheimers Disease, Aspergers Syndrome, Capgras Syndrome, Crying Cat Syndrome, Cushings Syndrome, Downs Syndrome, Fetal Alcohol Syndrome, Klinefelters Syndrome, Korsakoffs Psychosis, Neuroleptic Malignant Syndrome, Organic Brain Syndromes, Picks Disease, Prader Willi Syndrome, Presenile Dementia, Senile Dementia, Toxic Psychoses, Turners Syndrome, Wernickes Syndrome]—Chapters
Are eating disorders culture-bound syndromes?, 30002
Chronic fatigue syndrome and performance, 10271
Classification logic and strategies in chronic pain, 14221
Clinical syndromes in early childhood, 41449
Clinical syndromes in middle childhood, 41439

The Dora syndrome: Attempts to restructure childhood in adult victims of child abuse, 29823
Dysarthria following Reye's syndrome: A case report, 42990
From connectionism to neuropsychological syndromes, 18436
From symptoms of depression to syndromes of depression, 29648
Introduction: On the notion of "aphasia syndrome.", 14396

Psychopathology of post-traumatic stress disorder (PTSD): Boundaries of the syndrome, 25877
Reproductive endocrinology, 45351
Selective knowledge loss in activational and representational amnesias, 14389
Stress response syndromes and their treatment, 33698
Synonyms—Serials
lexical relations of antonymy & synonymy in adjective representation, college students, 40115
Syntax [See Also Form Classes (Language)]—Serials
age, use of prosody for syntactic parsing & recall of spoken sentences, college students vs 61–82 yr olds, 5138
age, utterance length & syntactic category use & speech rate, normally fluent vs stuttering 2.6–12.5 yr olds, 26130
aphasia & Parkinson's disease as examples of implausibility of Darwinian evolution of autonomous syntax module, 14319
center embedded vs right branching relative clause structures in lexical decision vs sentence repetition, syntactic processing ability & RT, 20–29 vs 60–89 yr olds, 32856
cognitive deficits & speech production & syntax comprehension, 45–81 yr olds with mild or moderate Parkinson's disease, 6379
count & mass syntax, object vs substance word learning, 2–2.5 yr olds, 969
free response vs multiple choice test item format, syntactic translation & cognitive models underlying formulation of simple linear algebraic equations, 8th–10th graders, 39264
grammatical or ungrammatical yes/no vs "wh" questions, EPs in syntactic displacement of constituent to beginning of clause or sentence & processing of unbounded dependencies, 18–31 yr olds, 36607
illness severity, syntactic complexity of written sentences, 72–77 yr olds with possible Alzheimer's disease, 30204
language prediction & syntactic & phonological awareness skills, beginning reading achievement, 1st graders, commentary reply, 39275
morphologically ambiguous vs unambiguous verbs in left vs right visual field, lexical decision & hemispheric sensitivity in syntactic processing, college students, 24657
native linguistic coding deficits in phonology & syntax & semantics, foreign language learning problems, male 20 & 15 & 14 yr olds & female 15 yr old, 32167
null vs felicitous context condition, predictive efficacy of referential hypothesis vs garden path theories of syntactic processing, college students, England, 8281
parsing devices & parameter settings & genetic algorithms in information & symbols processing, learning model approach to theory of language acquisition, 9130
pragmatic & morphosyntactic factors, accessibility of discourse entities in short & long term memory, college students, 28316
pragmatic principles for syntax & discourse information distribution based on social convention, 9065
preference choices for verb types & their complements, sentence processing, college students, 28847
reading comprehension & speed, semantic & syntactic judgment, college students, Australia, 8292
reading time for sentences with subordinate clauses, comprehension, English- vs Spanish-speaking college students, 8301
role of syntax & structural information in vocabulary acquisition, infants & preschool age children, 28918
semantic & syntactic context, online word recognition & monitoring latencies, 20–29 vs 60–68 vs 70–79 vs 80–87 yr olds, 25166
semantic animacy & prosody & phonology & metrical word length, serial position & syntax in grammatical structure, college students, 28840
sensitivities to syntactic & grammatical learning, infants, 37039
syntactic categories & bootstrapping & semantic assimilation theories of language acquisition, 13037
syntactic complexity & working memory, reading comprehension, 60–74 yr olds, 1162
syntactic complexity in writing, mildly mentally retarded vs nonretarded 6th–8th graders, 47291
syntactic context & shape bias in semantic generalization of lexical learning, 3–5 yr olds vs college students, 25131
syntactic processes in determination of grammatical gender & definite article & adjective inflection in production of Dutch noun phrases, college students, Netherlands, 44110
syntactic vs semantic anomaly in sentences, cortical EPs, 18–25 yr olds, 24772
syntactically compatible vs incompatible verbs in sentences, conceptual vs verbatim regeneration in short term recall, college students, 24465
syntactically correct vs incorrect grammatical context, sensitivity to inflectional morphology as marker of noun vs verb & tense, 36–55 yr olds with Broca's aphasia, 14303
syntax, letter detection in words, college students, 16267
syntax proficiency in narratives & conversations in story retellings, 9.5–15.8 yr olds with moderate to severe hearing loss, 34273
task demands, plausibility judgments & decision processes & classification & asyntactic comprehension in sentence processing, aphasic 65–72 yr olds, case reports, 46045
verb specific syntactic subcategorization constraints, complementizer effect in sentence processing & complementizer naming & reading time & eye movements, college students, 32171
word prominence & position & intrinsic duration & time interval, lengthening of & pausing after phrase final word as prosodic vs syntactic representation, college students, US & Canada, 28837
Syntax [See Also Form Classes (Language)]—Chapters

Self-correcting connectionist parsing, 19867
Structured representations in connectionist systems?, 15806
Synthetic Speech—Serials
acoustic correlates of vocal emotion, literature review, implications for synthetic speech, 39628
algorithm for wideband speech coding at 16 kbit/second, videophone application, 11805
applications of synthesized voice source model for continuous control of pitch period, adults, 39627
automated speech recognition technology, communication & environmental control & medical applications, mentally &/or physically disabled patients, 23302
evaluation of comprehensibility of speech synthesis types, adults, 8257
experience & text type & speed, memory & comprehension of texts presented with synthetic vs natural speech, visually impaired 35–55 vs 65–80 yr olds, 22437
issues in speech synthesis & recognition, 11803
live vs prerecorded speech, live vs computer interactive video tracking simulation measurement of tracking rates & inter-S variability & between story differences, 24–30 yr old listeners, 15779
message creation & editing & transmission & reception, utilization of synthesized vs digitized computer speech, 15776
method of voice conversion using Pitch Synchronous Overlap & Add technique, 11809
neural network methods for acoustic to articulatory mapping in speech synthesis, 39650
peak-and-level model of variation in clearness & focus within read vs natural speech & application to synthetic speech for improved naturalness & acceptability, listeners, conference presentation, 16943

phoneme response categories & perception of synthetic vs natural speech & stimulus range, identification of English phonemes /l/ vs /r/, native speakers of Japanese, Japan, 16243
reduced complexity multipulse speech coder, understandability of compressed speech, 7803
rule produced synthetic speech & word recognition & comprehension, listeners, 25061
speech intensity & prosody correlates & application to speech synthesis, conference presentation, 16937
speech recognition & synthesis in intelligent systems, 11804
speech synthesis systems & research on variability in speech, implications for future text to speech systems, conference presentation, 16936
statistical model based fundamental frequency synthesizer, creation of natural Mandarin Chinese speech, 812
task difficulty & synthesized vs human speech quality, performance of alarm initiated tasks & recall, college students, implications for plant control rooms, 15697
techniques for high quality compression of wideband speech, listeners, 8242
Synthetic Speech—Books
Speech synthesis: Technology for disabled people. Series in human computer interaction, 42988
Syphilis [See Also Neurosyphilis]—Serials
cocaine use & prostitution as risk factors for syphilis & public health screening intervention during outbreak, 11–52 yr olds, 14928
crack cocaine use & sexual practices & attitudes toward risk for & contraction of syphilis & morality, drug abusing Black 16–50 yr olds, 6047
epidemiology, urban 12–19 yr olds with syphilis, test of theory of substance abuse as risk factor, 10209
HIV & syphilis & hepatitis B prevalence & crack use & receptive anal sex, male transvestite prostitutes, 30027
Systematic Desensitization Therapy—Serials
administration by clinical psychologists vs oncologists vs nurses, effectiveness of systematic desensitization for chemotherapy induced nausea, cancer patients, 6884
attentional bias toward spider words & behavioral approach therapy, spider phobic females, 22579
biofeedback relaxation & desensitization therapy in airsickness rehabilitation program, Canadian Forces student pilots, 1981–91, Canada, 14774
eye movement desensitization vs image confrontation in single session crossover trial of disturbing images, phobic adults, 38475
eye movement desensitization, 40 yr old male with PTSD, 4 & 8 mo followups, case report, 18631
hypnotic regression & exposure & cognitive analytic & family therapies, iatrogenic PTSD symptoms following surgery related trauma, 32 yr old female, case report, 38348
in vivo &/vs vicarious exposure therapy, water phobic 3–8 yr olds, Australia, 3 mo followup, 22585
psychophysiologic response to script driven imagery, measurement of systematic desensitization outcome, male 21 & female 32 & 40 yr olds with PTSD, Israel, 14569
single session eye movement desensitization, 41 yr old male with PTSD due to extensive burn injuries, case report, 38677
systematic desensitization with hypnosis, karate performance anxiety, male 42 yr old, case report, 30360
Systems Analysis—Serials
failure analysis for human computer interface design, 3828
family systems analysis of ecological problems encountered in community based research project, implications for graduate education, 47043
Macintosh based analysis & classification of direct manipulation interaction tasks, 3834
role of systems vs task analysis & software engineering in design of interactive computer systems, 3803
role of systems vs task analysis in software development & design of interactive computer systems, commentary, 3807
role of systems vs task analysis in software development & design of interactive computer systems, commentary reply, 7755
system analysis of human component system behavior, 39587
task & systems analysis in integration of human computer interaction & software engineering methods, 11772
task specific feedback, overconfidence bias & decision of systems analyst for design of management information system, college students, 15767
Systems Analysis—Chapters
Dual-task interference and elementary mental mechanisms, 36216
Holistic and participative (re)design: Contemporary STSD modelling in The Netherlands, 11697
The participation of users in systems design: An account of the origin, evolution, and use of the ETHICS method, 43582
Principles in practice: Two cases of situated participatory design, 43583
Systems Theory—Serials
adjustment to stress from developmental & family systems perspective, families of children with cystic fibrosis, 14159
application of systems theory & day hospital/inn & professional bureaucracy vs adhocracy organizational models to partial hospitalization, conference presentation, 11055
appropriate use of family therapy strategies in mediation & family systems vs mediation practice, commentary, 15838
attention seeking vs socially avoidant severe behavior problems, systems analysis of adult responses in teaching interaction, developmentally disabled 5.3–10.6 yr olds & female college students, 1856
behavior systems approach to couple therapy, 2547
behavioral pediatrics consultation program with systemic approach to child behavior problems, family medicine residents, conference presentation, 7302
Bowenian family systems theory of etiology, 37 yr old wife & stepmother with psoriasis, 10225
clinical & teaching & ethical issues of application of systems theory to family therapy, 46340
development of rehabilitation family therapy model, rehabilitation patients & their families, 7181
developmental systemic approach to family therapy, behavior change, underachieving male 10 yr old with congenital neurological damage, 26860
difficulties in integration of & disputation vs reframing as cognitive change methods in rational emotive & family systems therapy, commentary, 10556
dynamic systems perspective on development, 25098
dynamical systems perspective on cognitive categoreal representations, 20249
ecological systems approach & shift in focus of school psychology from individual problem child to environment, 31201
ecological theory perspective on suicide, adolescents, 37941
ethical & preventive perspective on parallel process of addictive family system, addiction treatment staff, 31166
ethical issues in & criticism of family systems approach to mediation, 15840
family system perspective to etiology of & interventions for infant sleep problems, 38133
family systems & life cycle perspectives on immigration, Chinese American families, clinical implications, 29224
family systems approach, marital conflict & symptom reduction, male 31 yr old with chronic pain & his 27 yr old wife, 30589
family systems approach to sports psychology consultation, conflict resolution & cohesion, college athletic team, 47459
family systems perspective on residential care, dysfunctional children & family members, 30916
family systems theory & psychoanalytic developmental models of H. S. Sullivan's developmental theory, 41373
family systems vs Lacanian interpretation of stuttering, H. Melville's character Billy Budd, commentary, 25030
family therapy & collaborative team support from community social systems, epileptic 17 yr old female, 6869
field systems theory & applicability to study of temporal relationships in classroom expert instruction, 3387
group vs family systems therapy vs family drug education, drug abusing 11–20 yr olds & their parents, 15104
individual & familial & social factors & systems based approach to therapy, injured workers & their families, 38492

integrated systemic vs emotionally focused approaches in marital therapy, couples, 4 mo followup, 14587
integration of systemic perspective & psychodynamic & behavioral aspects in treatment, troubled children & their families, 6614
integrative process systems paradigm for family psychology & psychotherapy, 2546
irreverence vs strategizing vs nonintervention in systemic marriage & family therapy, 34446
multidimensional systems model for wellness in counseling, males vs females, 10479
multisystemic approach to adolescent pregnancy & role of family therapy, 22599
multisystemic family therapy, serious juvenile offenders & their multiproblem families, 15201
perspectives on family systems theory, implications for family therapy, 42323
PHASER software package, construction & graphical representation of motivational oscillatory theory, conference presentation, 8379
psychiatric nosology & family systems assessment & structure of graduate course in family psychopathology, marital & family therapy students, 31128
self organization of cognitive processing of novel vs familiar stimuli, 8–18 yr olds with infantile autism & 20–50 yr olds with schizophrenia in remission, application of two process theory, 21805
social learning & family systems approach, 11 & 13 yr olds with somatoform disorders, 6885
sociotechnical systems theory & practice in organizational development, bibliography, 19737
solution focused therapy & systems thinking & gender issues, female survivors of childhood sexual abuse, 18544
study design & measurement development in research on dynamism & holism in family systems, families with chronically ill mothers, 14207
system dynamics model, measurement of information accuracy & timeliness & relevance & reliability in business firm, 7679
systemic approach to family history & documentation of family processes, 37281
systemic intervention addressing immediate work environment factors, turnover, bank employees, Australia, 35577
systems approach to & typology of social group work, conference presentation, 42746
systems approach to delivery of educational psychology services, Hong Kong, 39399
systems approach to psychotherapeutic integration & process of change, clients, 10512
systems approach to psychotherapy, depressed male 35 yr old, 30303
systems approach to resolution of therapeutic relationship problems, male 10 and female 14 yr olds with communication disorders & their clinicians, 31056
systems approach to substance abuse services advocacy, deaf & hearing impaired, 31006
systems oriented & problem solving model of contextual & metaphorical & functional aspects of substance abuse & treatment, Mexican American male 13 yr old & his parents, 3060
systems perspective on & intervention for destructive behavior, coping of group home staff & client behavior, 36 yr old male with degenerative CNS disease, case report, 30920
systems perspective on family sexuality in sex education, 15370
systems perspective on self regulation, 41301
systems theory & benefits of structures in creative problem solving, 36181
systems theory & concepts for training system development & implementation & communication, 39426
systems theory framework for counseling, adults with HIV infection, 46619
systems theory perspective on interpersonal interaction during problem solving, unrelated dyads of 18–23 yr old 2nd born & 4th born siblings, 21473

Systems Theory—Books
Developmental systems theory: An integrative approach, 5059
Family systems therapy: Developments in the Milan-systemic therapies. Wiley series in family psychology, 42333
Metaphors of interrelatedness: Toward a systems theory of psychology. SUNY series, alternatives in psychology, 11896
Motivating humans: Goals, emotions, and personal agency beliefs, 17600

Systems Theory—Chapters
Behavioral systems approach, 11169
The clinical application of social systems theory, 10579
Complex systems approaches to the development of action, 40865
Contributions from social systems theory, 10583
A critique and extension of the stratified systems theory perspective, 27667
Depression in families: A systems perspective, 29649
Developmental analysis in behavioral systems: The case of bird song, 20480
Ecological systems theory, 16992
An ecosystemic approach to classroom behaviour problems, 3522
Emotion socialization: A view from development and ethology, 13176
Essential elements of family systems approaches to pastoral counseling, 34630
Family problems, 6629
Family systems approach, 10587
Family systems approaches to the alcoholic family: Research findings and their clinical applications, 14002
Family systems theory perspective on love: Development, maintenance, and intervention, 9428
Family therapy, systems theory, and nuclear issues, 2563
From family to systemic therapy and beyond, 6624
General systems theory, 34899
The integration of internal operating systems: An application of systems leadership, 27712
Leadership requirements in stratified systems, 27711
A midrange theory of strategic choice processes, 27620
A neurobehavioral systems approach to developmental psychopathology: Implications for disorders of affect, 29647
Parenting and the marital relationship, 29239
Psychotic theory of systems and theory of psychotic systems, 5922
A public health/dynamic systems approach to community-wide alcohol and other drug initiatives, 42975
The role of the therapist from a social systems perspective, 10585
Spirituality and systems therapy: Partners in clinical practice, 6534
A stakeholder management perspective on strategic leadership, 27666
Stratified systems theory and dynamic case study perspectives: A symbiosis, 27669
Systemic residential treatment for severely disturbed adolescents, 6478
A systems approach to AIDS communication: The example of the National AIDS Information and Education Program, 2858
Systems issues in serving the mentally ill substance abuser: Virginia's experience, 46849
Systems theory, 41104
Taming the chemical monsters: Cybernetic-systemic therapy with adolescent substance abusers, 11172
Timing and developmental dynamics in the acquisition of early motor skills, 32930
Toward a dynamic and systemic theory of groups: An integration of six temporally enriched perspectives, 13468
Whole-school approaches to disruption: What part can psychology play?, 3520
Why literature is not enough; or, Literary studies as media studies, 25053

Systems [See Also Related Terms]—Serials
classroom exercises for teaching system dynamics skills based on modeling of dyadic relationship with differential equations, college students, 35321

computerized group decision support system, communication & decision making processes, graduate & college students, 33236
FRAME computer program for simulation of personalities & cultures & small groups & macrosocial systems, students, 31273
systems theory & concepts for training system development & implementation & communication, 39426
Systems [See Also Related Terms]—Books
Algorithms, abstraction and implementation: Levels of detail in cognitive science, 12264
Systems [See Also Related Terms]—Chapters
The intermittent dynamics of coordination, 24373
Toward a theory of information processing in graded, random, and interactive networks, 36211
Systolic Pressure—Serials
diastolic & systolic BP, male vs female alcohol misusers with macrocytosis, Finland, 13978
hostility & other personality traits, clinical vs ambulatory vs self determined systolic vs diastolic BP, 35–65 yr olds with mild hypertension, 38203
pretreatment systolic orthostatic BP, prediction of nortriptyline response, 59–79 yr olds with geriatric major depression, 46437
systolic BP & neuropsychological test performance, alcoholic adults, conference presentation, 13926
task demands & defensiveness & anger, heart rate & systolic BP, male college students, 32548
task difficulty & instrumentality of avoidant behavior, heart rate & systolic BP reactivity, college students, 20777
T Groups [See Human Relations Training]
T Mazes—Serials
instrumental responses, memory retrieval of nonreward in T maze trials, male rats, 434
T Test—Serials
computer simulated correction of student "t" statistic for nonindependence of sample observations, probability of Type I & Type II errors, 28143
computer simulated modified t test for protection against homogeneity of variance, 194
percentage of Ss & number of standard deviations outside of normal range & sample size, statistical power of tests of equality of variance vs means in analysis of neuropsychological data, 43861
power functions of Students t & Mann-Whitney-Wilcoxon tests on initial scores vs ordinary vs modular ranks vs dichotomies for normal vs mixed normal vs double exponential vs Cauchy distributions, 39929
selection of extreme sample groups for maximization of power of t with nonnormal distribution of X & Y scores, 20126
use of normalized T scores as standardized neuropsychological test scores, normal vs brain damaged 20–83 yr olds, 16023
Taboos—Serials
use of slang & taboo words, male vs female 12–17 yr olds, South Africa, 1054
Taboos—Chapters
Mentoring and irrationality: The role of racial taboos, 43439
Taboos and social order: New encounters for family and therapist, 26625
Tachistoscopes—Serials
tachistoscopic software for Macintosh computer & Pascal language, 8142
tachistoscopic software for Macintosh computer, timed stimulus presentations, 8150
tachistoscopic software for Macintosh computers, program appended, 8147
Tachistoscopic Presentation—Serials
Turbo Pascal unit providing standard tachistoscopic routines & millisecond timing compatible with video monitors & microcomputers, conference presentation, 8153
Tachycardia—Serials
naloxone challenge, tachycardia & heart rate & vagal tone, opiate dependent 26–45 yr olds, 22006
Tactual Discrimination [See Tactual Perception]
Tactual Displays—Serials
cochlear implants vs tactile vs hearing aids, speech intelligibility, children with early vs late onset deafness, 26913
tactile visual display with vs without array force sensor data, judgment of telerobotic manipulation & performance capabilities, college students, Canada, 19851
Tactual Maps [See Mobility Aids]
Tactual Perception [See Also Texture Perception, Vibrotactile Thresholds]—Serials
ablation of areas 3a &/vs 3b &/vs 1 &/vs 2, serial & parallel processing of tactual information & responsivity & modality properties of neurons in hand representation, female rhesus monkeys, 8664
brief delay vs interference phase, recognition of & memory for shape vs texture of haptic stimulus, infants, 40804
cognitive ability & prosody discrimination skill in visual speech reading using tactiling, 54 yr old deaf male, Sweden, case study, 38341
complexity, perception of vibrotactile patterns presented to separate fingers, adults, 4229
computer measurement of error of localization on skin in measures of tactual spatial acuity, adults, 16124
discrepant visual & haptic information, dominance of vision vs proprioception in form perception, college students, 24281
hand held object eigenvector of inertia & spatial orientation, perception of orientation by dynamic touch, college students, 24287
hand preference & tactile perception, congenitally blind vs sighted blindfolded 6–14 yr olds, 30260
handedness & age, hemispheric specialization & interaction in haptic letter matching during reading acquisition, female K–3rd graders, 37011
injurious falls, body sway & tactual & visual contrast sensitivity & stability & quadricep strength, 60 yr olds & older, 1 yr followup, Australia, 18218
lesional localization & pathogenesis & symptomatology of tactile agnosia vs aphasia, brain damaged male 63 & 74 yr olds with tactile naming disorders, 18365
limb segment & motion in probing & distance, haptically perceived aperture size through contact with skin vs cutaneous appendage, college students, Yugoslavia, 43929
mechanical vibration, haptic perception of object distance, college students, 24283
Mueller-Lyer & Oppel-Kundt & Ponzo & Poggendorf & vertical horizontal & Zollner & Delboeuf geometrical illusions in haptic vs visual mode, sighted college students, 12142
neocortical vibrissal representation within posterior medial barrel subfield, roughness discrimination performance mediated by vibrissal stimulation, rats, 560
neuronal activity in ventral posterior medial thalamic nucleus during detection & discrimination or air puff stimuli to face, male monkeys, 36567
nontarget presentation to adjacent vs nonadjacent fingers vs fingers on other hand & temporal separations of target & nontarget, response competition effect, adults, 16125
pain detection & tactual thresholds, female 19–45 yr olds with bulimia, 18133
passive presentation to finger pads of stimuli with spherically curved surfaces, magnitude estimation of contact force, 21–44 yr olds, 20195
perception of unilateral vs bilateral tactile vs auditory vs visual stimuli vs tactile finger recognition vs fingertip number writing, adults with left vs right cerebral lesions, reanalysis, 18398
physical & visual & orientation sensory deficits, male 62 yr old with right occipital pole infarction, case report, 2289
primacy of dimensions & interaction, multidimensional stimuli processing & pitch & loudness in vibrotactile perception, adults, 227
probe vs contact parameters vs welding conditions, hand held probe length vs surface distance perception, college students, 4226
recognition of partners through face vs hand touch while blindfolded, adults in established couples, Israel, 12133
right vs left hand use, haptic discrimination & recognition & exploratory strategies of tactual nonsense stimuli, male vs female 19–29 yr olds, 32047

sensory evaluation of tactile stimulus with right vs left hand, right handed college students, 225
sex & age & skin compliance, tactile discrimination, 18–84 yr olds, 32052
spatial orientation of tactual stimulus, braille identification, sighted vs blind adults, 4227
tactile pattern recognition, patients with early stage primary degenerative presenile onset dementia of Alzheimer's type vs questionable dementia, 10394
tactile perception of scratch direction measuring posterior column dysfunction, adults & 14–83 yr olds with spinal cord vs functional neurological disorders, commentary, 2296
tactile visual display with vs without array force sensor data, judgment of telerobotic manipulation & performance capabilities, college students, Canada, 19851
temperature vs concentration, perceived tactile intensity & quality of carbonation, 22–30 yr olds, 12131
therapeutic touch, psychologic & immunologic effects, practitioners & recently bereaved adults, 42521
unilateral tactile naming disorder in left hand, 8 & 15 yr old females with corpus callosum agenesis, case reports, 30205
visual vs tactual response modality, haptic recognition, 5.6–7.8 yr olds with vs without specific language impairment, 26133
2 stage manual exploration, haptic object property discrimination, 19–54 yr olds, 24284

Tactual Stimulation [See Also Tactual Displays]—Serials

clinical characteristics, prediction of maximal weight gain from massage therapy, preterm infants, 42571
cutaneous stimulation of pinna, induced scratching & fos neuron activity in spinal segments, male decerebrated paralyzed cats, 12487
development of Music Vibration Table, vibrotactile music stimulation & pain relief, patients with ankle vs muscle & joint vs osteoarthritis pain, 18813
differential environmental stimulation, need for light & kinesthetic tactile stimulation, 22–42 &/vs 50–70 day old male rats, 36681
dimethyl disulfide vs milk vs other fluids with or without opioid antagonists, motor activity & tactile stimulation induced facial wiping, rat fetuses, 12894
dopamine & opioid antagonists & agonists, motor responsiveness to milk & perioral stimulation, fetal rats, 32690
dorsal hippocampus lesions, need for light & tactile & kinesthetic stimulation & general activity, male rats, 36578
dynamic vs static mechanical hyperalgesia, 19–77 yr old neuropathic pain patients, implications for involvement of myelineated A fibers in afferent pathways, 42084
facial tactual stimulation, localized perceptual responsiveness, 17–45 yr old upper limb amputees, implications for cortical map reorganization, 38130
genital stimulation, repulsion toward amniotic fluid, estrous ewes, 12438
gentle touch & handling, ultrasonic vocalization, male rats, 12390
mechanical & thermal skin stimulation, pain response of spinothalamic tract neurons, male rats with experimental peripheral neuropathy, animal model, 585
mechanical stimulation of cervix vs uterus vs colon vs skin, dorsal horn segment neuronal response, female decerebrate vs spinalized vs paralyzed rats, 32375
mechanical vs electrical stimulation of tibial nerve, H-reflex recovery & cross spinal segmental inputs on triceps surae motoneuron excitability, college students, 8714
mother's vs stranger's still face &/vs active vs passive touch, infant smiling & grimacing & gazing, 5 mo olds & their mothers & other females, Canada, 13002
moving stimuli applied to nonoverlapping skin sites within receptive field, processing of directional information by direction invariant & variant primary somatosensory neurons, monkeys, 40360
natural facial stimulation, receptive field somatotopy & rostral dorsal accessory olive cell activity, anesthetized cats, 36582
neocortical vibrissal representation within posterior medial barrel subfield, roughness discrimination performance mediated by vibrissal stimulation, rats, 560
neurophysiological correlates of tactile stimulus induced whole body eversion, snails, 40379
painful dorsiflexion of palm, seizure cessation, 25 & 30 yr old females & 24 & 32 & 64 yr old males with epilepsy, 10813
palpational pain & hypersensitivity & somatization proneness & alexithymia, 19–65 yr old outpatients, Sweden, implications for mother child communication in infant development of alexithymic strategy, 41558
prolonged tactile stimulation to forearm, spatial sensitivity of anomalous sensory feedback, college students, implications for neural reorganization, 36059
repetitive tactile stimulation of receptive fields, somatosensory EPs & neuronal response modification, monkeys, 20668
sensitizing exposure to quinine, defense vs alimentary reaction to tactile vs chemical stimulation, edible snails, translated article, 8491
spatial orientation of tactual stimulus, braille identification, sighted vs blind adults, 4227
tactile & visual cues, host recognition, parasitoid Pimpla instigator wasps, 32344
tactile manipulation of popping sealed plastic air capsules, stress reduction, college students, 4706
tactile stimulation, command neuron plasticity during conditioning vs extinction vs restoration of CR, snails, 20683
tactile stimulus, control & generalization of conditioned lip press response, horses, 40242
teaching methods of tactual stimulation & gross motor movement exercises, cognitive learning, college students, test of M. Montessori's muscular movement theory, 23481
touch sensation & cortical mapping of perceptual localization, adult amputees, 16131
vibrotactile stimuli via SOMATRON device, identification of pitch change, hearing impaired 8–11 yr olds, 38333
visual vs auditory vs tactile learning modality, voice pitch matching accuracy, K–3rd graders, 35319
visual vs haptic mode & rod length & mass position, cross modal perceived extent of rod, college students, 43962

Tailored Testing [See Adaptive Testing]

Taiwan—Serials

cancer metaphors & imagery, college students, Taiwan vs US, 45077
cross cultural variations in prevalence & expression of depressive symptoms, White vs Black American vs Japanese vs Taiwanese 60 yr olds & older vs other nationalities, Japan vs Taiwan vs US, 29614
factor structure of Protestant Work Ethic scale, medical school students, Taiwan, conference presentation, 31855
global self esteem, 4th–6th graders, US vs Taiwan, 21233
personality factors & meaning of money assessed by Money Ethics Scale, college students, Taiwan, comparison with US data, 21557
sex, work goals, Taiwanese managers in Taiwanese vs Japanese vs US owned firms, Taiwan, 43436
social & personality factors, juvenile delinquency, adolescents, Taiwan, application of Confucian socialization & attachment control models, conference presentation, 26038
social correlates of Confucian ethics, adults, Taiwan, 17277
sociodemographic factors & professional status, job related depression, health education specialists, Taiwan, 5808
structure & features of Mental Health Law concerning mental health care system, 1990, Taiwan, 23017
typology based on developmental processes & history & family structure & drinking attitudes & behavior, alcoholic adults in aborigine community, Taiwan, 29865

Taiwan—Chapters

Alcoholism in Taiwan Chinese communities, 1963
New perspectives of gifted and talented education in Taiwan, 39389

Talent [See Ability]

Talented [See Gifted]

Tantrums—Serials

behavior therapy, activities of daily living & temper tantrums, severely mentally retarded aphasic 10 yr old female, case report, 22588

Tanzania—Serials
plastic teeth disease symptoms & cultural symbolism of bodily processes & sociocultural change, Haya children, Tanzania, 6266
traditional vs contemporary perceptions of alcohol consumption & intoxication & related health problems & role of alcoholic beverage as symbolic mediator vs commodity, Haya people, Tanzania, 33208
validity of Kiswahili version of Schroder et al Adult Psychiatric Sensory Integration Evaluation vs other occupational therapy assessments, schizophrenic 20–63 yr olds, Tanzania, 76
Tape Recorders [See Also Videotape Recorders]—Serials
specific vocalization identification technique in tape recorded social interaction, animals, 24025
tape recording of initial oncology consultation, information retention & anxiety, patients with advanced carcinoma, 10839
Tardive Dyskinesia—Serials
abnormal respiratory movements, neuroleptic treated schizophrenic or bipolar or mentally handicapped 29–93 yr olds with typical tardive orofacial dyskinesia, 17668
antipsychotics, development of akathisia & tardive dyskinesia, schizophrenic outpatients, 6746
botulinium toxin, neuroleptic induced severe tardive dyskinesia & dystonia, schizophenic 41 yr old male, case report, letter, 30520
caudate nucleus involvement in tardive dyskinesia, motor procedural learning & basal ganglia T2 relaxation times, male schizophrenic outpatients, 45502
ceruletide, schizophrenic 31–75 yr olds with neuroleptic induced tardive dyskinesia, 14702
changes in neuroleptic dosage, presence & classification of types of tardive dyskinesia, developmentally disabled residents of public facility, 30530
clinical features & pathophysiology & differential diagnosis & treatment, patients with tardive dyskinesia or neuroleptic malignant syndrome or cocaine related syndromes, 5771
clomipramine induced tardive dyskinesia-like syndrome, female 51 yr old with paranoid schizophrenia, letter, 18729
clozapine dosage & time course, tardive dyskinesia, patients with schizoaffective disorder or schizophrenia, 26761
clozapine, haloperidol induced tardive dyskinesia & psychotic symptoms, female 82 yr old with paranoid schizophrenia, letter, 14661
cognitive impairment, 59 yr olds & older with tardive dyskinesia, 33529
correlation between kinematic postural of movement measures & Dyskinesia Identification System Condensed User Scale, screening for tardive dyskinesia, developmentally disabled 23–60 yr olds, 20051
course & prognosis, patients with tardive dyskinesia, Canada, 10 yr followup, 21739
demographic & clinical & neuroleptic treatment risk factors, prevalence of persistent tardive dyskinesia, 10 yr old & older psychiatric patients, Italy, 30492
dopamine agonists SKF 81297 vs 75670 vs 38393 vs quinpirole vs apomorphine, behavior & oral dyskinesia, monkeys withdrawn from long term haloperidol, 16811
drug treatment of tardive dyskinesia, 1984–92, literature review, 26885
D1 & D2 dopamine antagonist zuclopenthixol & haloperidol, tardive dyskinesia suppression & concomitant parkinsonism induction, 47–79 yr old psychiatric patients, Finland & Denmark, 42454
epidemiology & assessment & course & pathophysiology & treatment, patients with neuroleptic induced tardive dyskinesia, 45388
high dosage buspirone, 37–68 yr olds with mild to severe tardive dyskinesia, 46490
history of ECT & length of psychiatric services & parkinsonian symptoms, tardive dyskinesia, patients with affective disorder vs schizophrenia vs paranoid psychosis, 42469
increased serum creatine phosphokinase, schizophrenic male 18 & 28 & 40 & 55 yr olds with tardive dyskinesia, 41574
interaction of clozapine & D1 & D2 antagonists, prevention & treatment of extrapyramidal syndromes & tardive dyskinesia, monkeys, 4799
interrater reliability of Abnormal Involuntary Movements vs Extra Pyramidal Side Effects vs Akathisia Scales, assessment of dyskinesia & parkinsonism & akathisia, elderly psychiatric patients, 31946
lateralized asymmetry of tardive dyskinesia, schizophrenic 20–79 yr olds, 9847
length of time on neuroleptic medication, risk of tardive dyskinesia, 19–73 yr old chronic psychiatric patients, 42429
muscimol challenge, saccadic distractibility & Stroop color word scores & serial dyskinesia, schizophrenic 26–51 yr olds with tardive dyskinesia, 17788
neuroleptic & anticholinergic medication & hospitalization duration, development of tardive dyskinesia, 70–85 yr olds with major depression vs dementia vs delusional psychosis, 10741
neuroleptic induced tardive dyskinesia, patients with schizophrenia vs affective disorder, letter, 2642
neuroleptic treatment, arm tremor, mentally retarded &/vs tardive dyskinetic 16–73 yr olds, 46526
neuroleptic treatment characteristics & other variables, prediction of course of tardive dyskinesia, psychiatric outpatients, 22690
neuroleptic treatment, course & outcome of tardive dyskinesia, institutionalized schizophrenic patients, 3 yr study, 46422
neuroleptics, development of simultaneous tardive dyskinesia & parkinsonism & brain GABA pathway connection regulation, monkeys, animal model for glutamate hypothesis of tardive dyskinesia, 24891
obstetrical complications & family history & rate of tardive dyskinesia, schizophrenic 20–82 yr olds & their siblings, Scotland, 5883
plasma neuroleptic levels, presence of akathisia or parkinsonism or tardive dyskinesia, schizophrenic 20–82 yr olds, Scotland, 6763
postural stability, 21–72 yr olds with developmental disabilities vs tardive dyskinesia with vs without mental retardation, 1542
prevalence of tardive dyskinesia, neuroleptic &/or antidepressant treated Chinese 55–103 yr olds, Hong Kong, 37648
prevalence of tardive dyskinesia, psychiatric patients, Hong Kong & China & Korea & Japan, commentary, letter, 45401
prevalence of tardive stereotypy & other dopamine receptor blocking drug induced hyperkinetic movement disorders, patients with tardive dyskinesia, 45411
psychiatric resident physician vs researcher recognition of tardive dyskinesia & drug induced parkinsonism, psychiatric inpatients, conference presentation, 5757
rates of tardive dyskinesia, 55 yr olds & older with vs without diabetes mellitus undergoing neuroleptic therapy, 46701
ratio of plasma phenylalanine to other large neutral amino acids, schizophrenic 20–70 yr olds with vs without tardive dyskinesia, UK, 1724
recent advances in drug treatment of tardive dyskinesia, research review, 42493
reliability & validity of St. Hans Rating Scale & Abnormal Involuntary Movement Scale, assessment of extrapyramidal syndromes, schizophrenic 45–82 yr olds with tardive dyskinesia, 35888
schizophrenia symptomatology & drug factors, schizophrenic 18–60 yr olds with tardive dyskinesia, 42474
sex, prevalence & severity & symptoms, patients with tardive dyskinesia, literature review, 13690
subsyndromes of tardive dyskinetic movements, patients with chronic schizophrenia, Scotland, 25805
tardive dyskinesia & mortality rate, 49–82 yr old schizophrenic patients, Japan, 4.2 yr study, 21810
tardive dyskinesia & Parkinsonism & positive & negative movement disorders, schizophrenic patients, 18772
tardive dyskinesia with severe pectoral muscle involvement, male schizophrenic 38 yr old, case report, 33630
topography of dyskinetic movements, cognitive impairment & negative symptoms, schizophrenic inpatients with tardive dyskinesia or akathisia or drug induced parkinsonism, 9840

verapamil vs flunarizine, model of tardive dyskinesia & postsynaptic dopaminergic receptors, rats, animal models, 24960
vitamin E, psychiatric patients with tardive dyskinesia, commentary reply, letter, 46439
vitamin E, psychiatric patients with tardive dyskinesia, commentary, letter, 46428
vitamin E, psychiatric patients with tardive dyskinesia, commentary, letter, 46455
Tardive Dyskinesia—Chapters
Neuromuscular effects of neuroleptics: Dystonia, 22774
Tardive Dyskinesia, 10878
Tardive dyskinesia, 22780
Tardive dyskinesia: Cross-cultural perspectives, 42508
The treatment of an elderly woman with orofacial tardive dyskinesia by relaxation and covert reinforcer sampling, 46647
Task Analysis—Serials
choice vs contingent vs selection vs simple reaction RT tasks, selection between alternative response or discrimination between alternative stimuli, 25–40 yr old right handers, 288
cognitive simulations in cognitive task analysis in dynamic fault management, application to nuclear power plant accidents, 3857
development & cluster analysis of questionnaire, assessment of coordination demands of routine & nonroutine tasks in military cargo helicopter operations training, military pilots & copilots, 43846
rapid prototyping computer system & task analysis in human machine interface development, industrial personnel, 15762
role of systems vs task analysis & software engineering in design of interactive computer systems, 3803
role of systems vs task analysis in software development & design of interactive computer systems, commentary, 3807
role of systems vs task analysis in software development & design of interactive computer systems, commentary reply, 7755
task & systems analysis in integration of human computer interaction & software engineering methods, 11772
task aversiveness & incompetency & lack of autonomy, procrastinatory behavior vs trait procrastination, 18–48 yr olds, 13537
task related affect & perceived risk & decision criticality, decision making response to organizational dilemma, business professionals, replication, 16261
Task Analysis—Books
A guide to task analysis, 15692
Task Analysis—Chapters
Cognitive task analysis as a basis for instructional design, 43408
Developmental tasks: Where do they come from?, 4220
Implications of cognitive psychology for measuring job performance, 4168
Task analysis: Identifying components of intrapersonal conflict resolution, 6550
Task Complexity—Serials
age & planning aids, organization of complex task, 9th graders vs working vs retired adults, Australia, 44822
age, attention during easy vs difficult concurrent task, 20–40 vs 41–65 vs 66–90 yr olds, 17019
arithmetic word problems with unknown reference vs compare set, problem solving difficulty, K–1st graders, Germany, 21196
attentional limitations & bottleneck phenomenon during simultaneous task performance, adults, 24486
attributional & cognitive complexity & task difficulty, accuracy & speed of causal processing, college students, 1408
caffeine & automaticity & task difficulty, information processing in visual search & detection, college students, 36822
caffeine use & task automaticity & difficulty, visual search & detection, adults, 8935
cognitive task demand & smoking instructions, electrodermal activity arousal, male smokers, 28645
complexity of negative priming task, cognitive inhibition, patients with obsessive compulsive vs other anxiety disorders, 37788
computational complexity of letter matching task, interhemispheric interaction during information processing, college students, 16522
conceptual definition of task difficulty & complexity & inconsistency of findings in theories of anxiety & performance, 16373
concurrent cognitively demanding task, soccer skill performance, female novice vs intermediate vs expert soccer players, 28958
concurrent reinforcement & sequence difficulty, maintenance of response variability & frequency of selected response sequences, rats & pigeons, 44248
counting task difficulty & attentional distribution, word recognition & spatial memory, college students, England, 40150
delay preceding occurrence & number & complexity of target events, prospective memory, 19–22 vs 60–80 yr olds, 914
difficulty of task & quality vs quantity goal, strategy development & decision outcome, college students, 4309
dual task performance, interference in saccadic eye movements, college students, 28226
expectations of easy vs difficult essay vs multiple choice exam, test performance, college students, 11468
floor plan complexity in computer simulated environment & familiarity, wayfinding & spatial cognition & sketchmap task performance, college students, 24312
focus on part vs all of complex multistage social dilemma problem, self efficacy & action & cooperation, female college students, 25476
focused vs divided attention & task requirements, target detection & proximity judgment in dichotic vs binocular viewing conditions, male 20–30 yr olds, human factors implications, 36081
gesture type & input modality & movement system & complexity & representational nature of praxis task performance, 6–10.9 yr olds with developmental motor problems, Canada, 26167
goal difficulty & task component complexity, group effort & planning & performance, college students, 5536
goal difficulty, physical fitness task performance, 18–21 yr olds in army training camp, 39548
goal difficulty, physiological arousal & heart rate & perceived norm & self efficacy strength & personal goal & task performance, college students, 4711
information processing complexity & pace requirements of task & age, stress reactions to computer interactive tasks, 25–70 yr old females, 43555
intelligence & cognitive task difficulty, P300 latency & RT, female 18–25 yr olds, 40393
judicial instructions before vs after highly vs moderately technical evidence, determination of worthy plaintiffs & liability & compensation & transcript text recognition in civil trial, adult jurors, 23929
left vs right vs bilateral visual field stimulus presentation & task difficulty, response latency, 20–38 yr olds, implications for stage process model of hemispheric interaction, 20571
measurement & challenge type & sample characteristics, detection of Type A BP response, 40–64 yr old asymptomatic males, 20746
memory task difficulty & interstimulus interval, blink rate vs latency vs duration, male 18–26 yr olds, 16688
mental task difficulty, changes in ongoing EEG, 20–34 yr olds, 16619
mother's views of task context, difficulty & child's ability, instructional interactions in spatial relations matching task, mothers & their 37–47 mo olds, 32898
Payne's vs Van Raaij's indexes vs single Markov model to test 2 phased decision strategy, decision making with variously complex tasks, college students, conference presentation, 12251
perceived ability & task difficulty & incentive, heart rate & BP, college students, 28658
performance on simple vs complex cognitive task, deprived vs nondeprived smokers vs nonsmokers, 8978

personality & temperament & hemispheric asymmetry & visual & auditory EPs & 40 Hz EEG responses during easy vs difficult stimulus detection task, female 19–26 yr olds, Italy, 41289
phonological & orthographic complexity of visually presented nonwords, performance in handwriting task, adults, 40062
priming, automatic vs attentional processing in letter matching & tone discrimination dual task performance, college students, 28325
prior picture knowledge & perceptual noise & subsequent task difficulty, perceptual closure for degraded line drawings, 17–26 vs 60–88 yr olds, 9202
problem complexity, personnel selection decision making using computerized decision aid based on Multi-Attribute Utility Model, college students, conference presentation, 15782
semantic vs nonsemantic task & response type, RT & cognitive slowing, patients with Alzheimer's disease, test of task complexity function, 26312
sequential vs relational verbal task description, low vs high task complexity perception & performance & memory, college students, Germany, 12243
simple vs complex task, handedness patterns, schizophrenic inpatients, 1 mo followup, 33643
situational involvement & task complexity, drug prescribing decision making, physicians, 43008
social & economic factors of job complexity, supervision, male vs female employees, 11628
spatial inference in nonvisual navigation of complex routes, blindfolded sighted vs adventitiously vs congenitally blind 18–59 yr olds, 22440
standard vs deviant stimuli & task difficulty, EPs & orienting responses, college students, Netherlands, 4653
subjective goal difficulty measure, self efficacy & goal setting & performance, college students, 12309
superimposed vs nonsuperimposed configuration, paired associate learning of complex Blissymbols, 54–65 mo olds, 17025
task awareness & form & use of notation, writing development, learning disabled 1st graders, 35445
task complexity & attentional capacity, performance in keying task, young vs older adults, 20270
task complexity & cold water immersion, mental performance, adult males, 32513
task complexity & environment, information search behavior & choice accuracy & subjective difficulty & confidence, college students, conference presentation, 12229
task complexity & goal setting, performance of computer based game & autonomic nervous system correlates, college students, 36660
task complexity & practice, goal setting & cognitive performance, college students, 12227
task complexity & resident vs data vs thing orientation in direct patient care, nursing home nursing assistants, 7121
task complexity & separation of initial & subsequent movement, RT & movement time, adults, 285
task complexity & social cues & sex, intrinsic motivation & task perception, college students, test of task instrumentality hypothesis, 29409
task complexity, coherence & cohesion & fluency in narrative writing, 4th vs 6th graders, 17040
task complexity, information use in multiattribute decision making, college students, Netherlands, 32170
task complexity, utility of external memory aid in identification of unknown structure in computer simulated dynamic task, college students, application of theory of finite state automata, 31667
task difficulty & evidence of implicit vs explicit learning system, adults, replication, 40159
task difficulty & instrumentality of avoidant behavior, heart rate & systolic BP reactivity, college students, 20777
task difficulty & synthesized vs human speech quality, performance of alarm initiated tasks & recall, college students, implications for plant control rooms, 15697
task difficulty choice & casual BP status, BP & cardiac output & heart rate & myocardial contractility during speaking vs arithmetic task, male college students, 28651
task difficulty, EEG process linear interdependence measurement of spatial synchronization of brain potentials within individual & whole regions, 22–36 yr olds, translated article, 24753
task difficulty, EEG process linear interdependence measurement of spatial synchronization of brain potentials within individual & whole regions, 22–36 yr olds, translated article, 24753
task effort & orientation & difficulty, previously induced moods, college students, 394
task with same vs different relative timing & random vs blocked practice, acquisition & retention & transfer in motor learning, college students, contextual interference implications, 357
type of task, identification of affective facial expressions, 4 vs 6 vs 8 yr olds, 1102
type of task, imitation, autistic 3.3–5.2 yr olds, 33922
visibility of partner, rate of sign production & distance of hands from body, deaf 31–67 yr olds, 18453
working memory & other characteristics, effect of task complexity on cognitive performance, 18–80 yr olds, 966

Task Complexity—Chapters

Antidotes for the Idiot's Paradox, 15578
Dual-task interference and elementary mental mechanisms, 36216
The effects of stimulus symmetry and task requirements on scanning patterns, 40022
Working memory, automaticity, and problem difficulty, 20295

Task Difficulty [See Task Complexity]

Taste Aversion Conditioning [See Aversion Conditioning]

Taste Buds—Serials

cell differentiation in taste bud development, larval frogs, translated article, 32385
comparative vertebrate model of taste bud cell renewal, chickens, 16400
localization of cyclic adenosine monophosphate phosphodiesterase in olfactory & gustatory & retinal sensory systems, male rats, 44384
nasoincisor duct lesion &/vs chorda tympani nerve section removal of anterior tongue taste input, behavioral response to sucrose, male rats, implications for synergistic contribution, 40413

Taste Discrimination [See Taste Perception]

Taste Perception—Serials

ability to taste 6-n-propylthiouracil, 18–29 yr old children of alcoholics, implications for genetic marker of alcoholism, 1926
acute vs chronic caffeine, taste thresholds & salivary caffeine, caffeine using young adults, 20924
alcohol concentration, taste reactivity & consumption & lick rate, male rats, 16737
amino acid taste receptors & transduction mechanisms & peripheral neural pathways for & behavioral responses to amino acid taste information, channel catfish, 44503
aspartame consumption with vs without taste, appetite & food intake, 19–25 yr old males, Canada, 36721
benzodiazepine receptor partial agonists, saccharin preference & quinine aversion, male rats, 36739
beta carboline abecarnil, solution ingestional behavior & saccharin vs sodium chloride & sweetened mash vs sucrose preferences, water deprived male rats, 20834
bilateral sectioning of chorda tympani & glossopharyngeal nerves, sweet taste perception, male mice, 44447
bismuth subgallate as colostomy deodorant, paranoid ideation & memory impairment & olfactory & gustatory dysfunction & toxic encephalopathy, 74 yr old male, case report, 42646
bitter taste perception, 0–6 vs 14–180 day olds, 5105
bretazenil vs Ro 15-4513, preference & aversion to hypertonic vs isotonic saline, male rats, 40536
caffeine sensitivity, potentiation of quinine taste threshold, 20–49 yr olds with panic disorder, 33670
chromosome mapping of Soa gene influencing gustatory sensitivity to sucrose octaacetate, outbred & congenic strains & test cross progeny of mice, 28471

clinical considerations & etiologic hypotheses & treatment of visual & somatosensory & olfactory & gustatory hallucinations, 5742
CS & UCS context association vs occasion setting, fluid intake in taste aversion learning, male rats, 32302
dosage of reinforcing cocaine vs PCP vs methamphetamine paired sucrose solutions, taste reactivity vs avoidance conditioning assessed flavor-drug association, male rats, 24959
facial responses to & quality of taste of sucrose & genetic sensitivity to 6-n-propylthiouracil, hedonic response to sweet food, college students, 4231
flavor history or caffeine concentration or concurrent food availability of l-phenylisopropyl adenosine, caffeine consumption, male rats, 4881
flavor neophobia, male gerbils vs hamsters, 36315
flavor vs ethanol seeking in response to alcohol deprivation, male mice, 40666
food flavor enhancement, food & nutritional intake & immune function & anthropometric measures & hand strength, elderly retirement home residents, 28650
free choice profiling method for evaluation of taste & other sensory properties of organic & inorganic acids, graduate students, conference presentation, 4232
functional measurement in psychophysics & relation between perception of mixed & nonmixed taste & odor stimuli, 43938
geographical location, taste preferences & ratings, obese vs nonobese adults, 13518
gustatory stimulation, neuronal coding in amygdala, female macaques, 44444
Gymnema sylvestre extracts, sweetness rating of 8 sweeteners, college students, 16126
hedonic responses to glucose vs fructose vs sodium chloride vs pure vs flavored sucrose solutions, sucrose likers vs dislikers, 12138
ibotenic acid lesion of hypothalamic paraventricular nucleus with or without morphine vs naloxone, saccharin preference & body weight & water intake & gustatory threshold, male rats, 12554
insertion of microelectrode into uncut chorda tympani nerve fiber using middle ear surgical method, assessment of single neuron gustatory responses, gerbils, 20681
intermediate sucrose octa-acetate sensitivity & bitter taste locus identity, nontaster inbred mouse strains, 12476
irradiation to head & neck, taste intensity perception, male 34–72 yr olds with cancer, 46693
isradipine, intake of rewarding sweetened vs nonflavored water, male rats, 4755
lectins, L-alanine & L-arginine binding in taste plasma membrane in cutaneous taste system, channel catfish, 12517
magnitude matching vs category ratio scaling, assessment of sensitivity to caffeine vs sucrose vs citric acid, tasters sensitive vs insensitive to 6-n-propylthiouracil, 16130
mathematical modeling of glossopharyngeal nerve afferent impulse response to 4 taste stimuli, frogs, translated article, 32442
meal taste & smell sensory properties & nutrient composition, hunger & blood glucose & free fatty acids & taste perception & food intake, 21–28 yr olds, 36649
moderate vs severe zinc deprivation vs supplementation, sodium chloride taste thresholds & discrimination of sodium chloride vs sucrose, male rats, 12631
morphine vs naltrexone, quinine induced taste aversion & sucrose induced ingestive responses, male rats, 16841
nasoincisor duct lesion &/vs chorda tympani nerve section removal of anterior tongue taste input, behavioral response to sucrose, male rats, implications for synergistic contribution, 40413
neonatal capsaicin, preference for & intake of bitter vs sweet vs salty vs pungent stimuli, albino rats, 24883
neuropeptide Y, food intake & flavor aversion, male rats, 768
nondesensitizing zingerone vs capsaicin desensitization, citric acid & sodium chloride effects on sensory irritation & taste, adults, 44625
odor vs taste conditioning, long delay conditioned taste aversion, weanling rats, 16443
olfactory nerve lesion, rotation induced conditioned food aversion, male mice, 44415
order position, beverage taste ratings & intention to buy, 13–20 yr olds, 3782
parabrachial nucleus & medial thalamus & lateral amygdala lesions, taste stimulus & internal malaise induced taste aversion learning, male rats, 32463
perceived sweetness & bitterness intensity of sucrose &/vs aspartame &/vs acesulfame-K, 18–35 yr olds, 4224
physical vs symbolic presentation of odor taste mixtures, perceived vs mental intensity, volunteers, 43925
pontine parabrachial nuclei lesion, concentration dependent licking of sodium chloride vs sucrose, male rats, implications for taste perception motivation, 28551
postingestive consequences of dietary fat, conditioned flavor preferences, 3.9–5 yr olds, 44877
preference for saccharin with morphine vs cocaine, C57BL/6J vs DBA/2J inbred mice strains, 36465
preference threshold & preference maximum concentration for & intake of sodium chloride solution, male Sprague Dawley vs Long Evans rats, 8590
prenatal ethanol, dietary caloric & flavor discrimination & preferences, postweanling rat pups, 40627
presentation order & concentration of sucrose vs glucose vs fructose vs maltose vs polycose, licking during brief contact taste test, male rats, 24515
Pronase E on tongue, D-amino acids induced generalization of taste aversion conditioning & chorda tympani responses, C57BL/6CrS1c vs BALB/cCrS1c mice, 20498
propylthiouracil induced hypothyroidism, taste preference & sensitivity & discrimination, rats, animal model of hypothyroidism, 16644
quinine &/vs sucrose, licking response rate & volume of ingestion, water deprived rats, 32636
quinine sulfate vs sucrose octa-acetate aversion & polygenic determination, inbred mouse strains, 12473
quinine vs sodium chloride vs glucose vs L-amino acids vs fruit juice vs hydrochloric acid, single neuron activity in gustatory cortex, male monkeys, animal model of taste perception, 624
responses to aspartame, 70 primate subspecies vs tree shrews, 4431
salivary habituation to high vs low calorie lemon gelatin, 18–35 yr old females, 32046
salts vs bitter vs sweet compounds vs acids, tannic acid inhibition of electrophysiological taste response of chorda tympani nerves, female gerbils, 20991
seasonal body weight variations, preference for neural response to sucrose concentrations, mouse lemurs, 40232
sensitivity of 1 vs 2 bottle testing method, detection of overshadowing & taste aversion retention differences, male rats, 44229
sensitivity to 6-In-R-propylthiouracil & context effects, magnitude estimates of intensity of dissimilar vs similar taste substances, adults, 16132
skewed sucrose concentration distributions & context & sequential effects, rating of sweetness intensity of sucrose solutions on linear vs 7 point category scale, 20–27 yr olds, Netherlands, 12141
sodium chloride vs nonsodium salts vs citric acid vs sucrose stimulation, neuronal response in nucleus of solitary tract, sodium chloride deprived rats, 36574
sodium chloride vs sodium phosphate, sweet taste enhancement of amino acids, adults, Japan, 24290
stimulus delay & taste discrimination, memory for tastes, female rats, 8461
sucrose paired with lithium chloride, taste reactivity to sucrose, male rats, 4748
sucrose vs sodium chloride vs monosodium glutamate, taste discriminability, 18–46 yr olds, Japan vs US, 12132
sunflower vs coconut oil vs water mouthcoating, perception of taste intensity of sweet & salty & sour & bitter stimuli, female 30–50 yr old experienced assessors, 43948
sweet taste stimuli, single neuron EPs in gustatory cortex, male cynomologus monkeys, 32497
sweet vs salty vs sour vs bitter vs umami tastants, hedonic response, 17–57 yr olds, Japan vs Australia, 24288

sweetener & acid level & type, temporal perception of sweetness vs sourness vs fruitiness in solution, adults, conference presentation, 43933
tastant concentration, perceived taste sensitivity, 20–60 yr olds, Japan vs Australia, 43946
taste & food preference changes during course of pregnancy, pregnant vs postpartum 19–34 yr olds, 28169
taste discrimination by neural networks in response patterns of rat chorda tympani fibres & cortical taste neurons, implications for taste neuron coding, 39648
taste intensities of unmixed components vs specific components within mixture, prediction of total taste intensity of mixture, adults, evaluation of component models, 39975
taste mimicking frequency varied electrical stimulation to nucleus of solitary tract, taste perception in conditioned aversion vs natural taste acceptability paradigms, male rats, 24667
taste preference for sodium chloride & sucrose concentrations, patients with Parkinson's disease, 42105
taste preferences & body weight gain & food & fluid intake & alimentary diurnal pattern, singly vs dually vs multiply housed male rats, 20708
taste preferences for saccharin concentrations, male rats with hypothyroidism, animal model, 12643
theobromine vs theophylline vs caffeine with vs without adenosine, taste responsivity, college students, 12745
tongue amiloride, saltiness perception, 18–31 yr olds, 8942
various tastants, electrical response of chorda tympani proper nerve, lesser mouse & mongoose lemurs, 44478

Taste Stimulation—Serials

body weight loss or taste stimulation, ventromedial & lateral hypothalamus electrical activity, male rats, 24773
gustatory & olfactory stimulation, orofacial reflectory responses, 67–91 yr olds with Alzheimer's disease, Israel, 26323
nontaste stimulus distractor, habituation to repeated taste stimulus & dishabituation to novel taste & salivation & hedonic responses, adult females, 8742
preexposure to simultaneous vs serial compound vs individual elements of flavor, attenuation of latent inhibition & taste aversion learning after 4 vs 48 hrs, male rats, 4468
single vs compound element taste, aversion retention, male rats, 4441
skewed sucrose concentration distributions & context & sequential effects, rating of sweetness intensity of sucrose solutions on linear vs 7 point category scale, 20–27 yr olds, Netherlands, 12141
sucrose vs sodium chloride vs monosodium glutamate, taste discriminability, 18–46 yr olds, Japan vs US, 12132
sunflower vs coconut oil vs water mouthcoating, perception of taste intensity of sweet & salty & sour & bitter stimuli, female 30–50 yr old experienced assessors, 43948
sweet vs salty vs sour vs bitter vs umami tastants, hedonic response, 17–57 yr olds, Japan vs Australia, 24288
taste intensities of unmixed components vs specific components within mixture, prediction of total taste intensity of mixture, adults, evaluation of component models, 39975
taste prestimulation, menthol induced chorda tympani nerve electrophysiological responses, male rats, 44485
type of raw vs cooked starch, preferences, female rats, 12662
various tastants, electrical response of chorda tympani proper nerve, lesser mouse & mongoose lemurs, 44478

Taurine—Serials

fluoxetine vs GABA taurine derivative Ca-acetyl-homotaurinate, alcohol intake, alcoholic familial vs nonfamilial 32–57 yr olds, 17994
nucleus raphe dorsalis muscimol vs baclofen vs taurine vs 5-aminovaleric vs 3-aminopropanesulphonic vs guanidinoethanesulphonic acid, food intake & locomotor activity, male rats, 24925
taurine &/vs ethanol, ethanol induced conditioned taste aversion, male rats, 36705

Taxation—Serials

attitudes & behavioral responses to US 1986 Tax Reform Act & to tax system, taxpayers, 23921
audits & law changes, tax compliance, taxpayers, implications for deterrence of crime, 47611
campaign for & outcome of city ballot for funding of child care services through local taxes, local policy makers & voters, 1317
Dynamic Process Tracing Approach, design for studies on behavioral process of tax evasion, commentary, 20174
experience & ethical disposition & fear of reprisals & client aggressiveness & withholding status, tax judgments & advice, professional tax preparers, implications for tax evasion, 35593
family income level & taxation & tax treatment of child care & division of labor by sex, participation in labor market, females, 21409
marginal income tax rates, tax evasion, taxpayers, Sweden, 21964
risk aversion & attitudes toward inequity & interaction with tax evaders & means of influencing inequity, tax compliance decisions, 23920
self reported evasion & tax officers' classification & evasion in experiment, measurement of tax evasion, Netherlands, replication, 20173
tax exempt financing methods for nonprofit mental health organizations, 27012
tax rate changes & demographic factors & work & leisure attitudes & political preferences & overtime pay & working conditions, incentive to work, 16–65 yr old workers, England, 23687

Taxonomies—Serials

categorization of "ataques de nervios" as culture bound syndrome, 17–68 yr olds, Puerto Rico, 41478
changes in neuroleptic dosage, presence & classification of types of tardive dyskinesia, developmentally disabled residents of public facility, 30530
characteristics of & contributing factors to chronic alcohol abuse vs reactive vs psychiatric or cognitive problem drinking, 51–83 yr olds, treatment implications, 33847
classification & cluster analysis of characteristics & functions of favorite objects, 1.5–3 yr olds, Sweden, 40920
classification of concepts by metaphorical type, application of holistic & eclectic theory, commentary, 43921
classification of concepts by metaphorical type, 218
classification scheme of cognitive & skill based & affective learning outcomes for training evaluation, 31480
classification stages of neurologic & cognitive difficulties, children with Type C Niemann-Pick disease, 26181
classification system based on accepted norms & family involvement for formulation of cross culturally applicable definition, street children, implications for social work, 21332
classification system for long term analysis of dream patterns & symbols, adult female, 22 yr study, 36278
concept of volume measurement & intellectual development, 2nd–6th graders vs high school students, Australia, application of SOLO taxonomy, 27487
construct validity of action oriented taxonomy of errors in human computer interaction, clerical workers, Germany, 23836
content & function of classification of explanatory utterances & text types, development of hierarchical text planner knowledge based system with explanation capability, 7815
correlation among measures of person environment congruence in J. L. Holland's vocational typologies, 15589
definition & classification of physical & physiological & cognitive perceptual illusions, 28175
definition & prevalence & diagnostic typologies of dyslexia, implications for special education & literacy programs, 26069
development & validity of classification system based on service needs & utilization, economically disadvantaged vs alcoholic vs mentally ill vs advantaged homeless adults, 1551
development & validity of hierarchical classification of chronic pain severity, adults with back pain vs headache vs temporomandibular disorder, 1 yr followup, 10260
development of classification scheme of buying decision approaches & patterns & situations, marketing applications, 47477
development of computerized thesaurus of Russian personality descriptive terms, 37535

development of empirical typology of behaviors & attitudes & expectations & values & self concept, college students, 35390
development of resident classification system, assessment of nursing care requirements, residents of long term nursing homes & auxiliary hospitals, Canada, 15017
development of taxonomy of managerial performance requirements, industrial psychologists, 27649
developmental approach to taxonomy of & comorbidity in conduct disorders, 45639
efficacy of cluster analysis in development of taxonomy, 18–88 yr olds suspected of shoplifting, 37892
empirical & theoretical & evolutionary perspectives on & development guidelines for organizational taxonomies & typologies, 15681
empirical validity of typology of ethical value systems, adults, 37521
empirically based approaches to taxonomy & comorbidity of conduct & oppositional defiant disorders, 45613
enneagrams & concatenation diagrams in personality typology, 5662
factor analysis, multidimensional ordering of psychopathology, 16–86 yr old psychiatric patients, 21698
heterogenous vs homogenous job subsamples & task & knowledge & skill & ability data, validity of job classifications, employed college students, 7574
holistic impressions vs room components vs color & pattern categories of 1st impressions of restaurant interiors, college students, 11781
horizontal taxonomic vs thematic & schematic knowledge in category production vs word association vs forced picture choice, 4 vs 7 yr olds vs adults, 941
identification & progression & prevention & prototypic categories of stuttering, preschool & school age children, commentary reply, 14121
information processing & ability ranges, students, application of taxonomy of information processing indicators & outcome abilities model, 27513
interconnections based on categories & scene schemas & propositional representations, recall for information within representations, college students, test of structural hypothesis, 20274
involvement level & taxonomy of decision making paradigms for purchase of leisure services, 39547
knowledge of relevant reading strategies in given situation, reading situations typology, college students, 32152
localization & distribution based hierarchical classification of dopamine receptors in human brain, 28498
microsegmentation tailored marketing strategies, mature industrial market managers & salespersons, application of buyer behavior framework, 31661
modification & development & validity of critical referents theory, structure of attitudes to social category 'woman', college students, 13357
molecular typology of androstenone-like odorants & olfactory thresholds, adults, 43928
noun category bias & translation hypothesis, 3-choice match to sample noun labeling task performance, 3 yr olds, 911
operational classification system & diagnostic strategies & treatment options for low back pain, 41957
organization & recall & response latency of event schema slot filler vs taxonomic category items, 5 vs 8 yr olds, Korea, 28974
personality profiles & psychobiological typologies for contrast of stress reactance vs resistance, 16–34 yr old Navy recruits, technical report, 9641
phenomenological cognitive performance & disease progression subtypes, 56–89 yr olds with Alzheimer's disease with mild or moderate dementia, 26307
phylogenetic analysis of parental care, bird taxa, 36407
prevalence of hearing impairment & demographic characteristics & time lapse between onset & rehabilitation, infants to adults, India, application of D. Kosti'c classification system, 26371
psychoanalytic & attachment theories in integrated taxonomy of attachment style, adults, conference presentation, 5527
reevaluation of product & price & place & promotion in marketing mix classification, 31663
resident classification system, assessment of nursing care requirements, 11–112 yr old residents of long term care nursing homes & auxiliary hospitals, Canada, 15018
screening tests vs research diagnosis vs family physician evaluation & classification, emotionally distressed patients seen in general medical settings, 5753
severity of disorder & symptoms in reconceptualization of paranoid nonparanoid distinction in classification of schizophrenia, 29698
social & psychological components of World Health Organization's triaxial classification of health problems, Brazil & Canada & Colombia & Malaysia & Thailand & US & Zambia, 5699
social support network formation & typology, 65 yr olds & older, 1979–87, Wales, 33043
statistical properties of large published classifications, 1763–1988, 20129
subtypes of suicide attempters based on psychological & sociodemographic characteristics, 14–20 yr olds, Netherlands, 29785
superordinate category labels, taxonomic development in lexical memory, 3.2–4.9 yr olds, 899
taxonomic structure of comfort based on subjective experiences, patients, nursing implications, 30759
taxonomy of behavioral & environmental antecedents of poison ingestions, 3–7 yr olds, 22177
taxonomy of case management tasks in community mental health facility, social workers serving chronically & severely mentally ill, 10990
taxonomy of impairments & disabilities & handicaps, 16–65 yr olds with chronic low back pain, 10218
taxonomy of relevant models in field of human computer interaction, 3832
trends in & taxonomy of distributed artificial intelligence, 23882
typologies based on biological & behavioral & psychological variables, obese adults, 26104
typology based on conflict engagement & escalation & avoidance in marital interaction, stable vs unstable couples, 4 yr study, 25375
typology based on developmental processes & history & family structure & drinking attitudes & behavior, alcoholic adults in aborigine community, Taiwan, 29865
typology of career wife achievement roles, wives of professionals, 5387
typology of false allegations of sexual abuse, children & adolescents, 6013
typology of premarital relationship types, engaged couples, conference presentation, 9413
utility & validity of Megargee-Bohn MMPI typology, relation of profiles to demographic & historical data & clinical problems & physical aggression, hospitalized mentally ill offenders, 41484
validity of Mucowski Typology Inventory, assessment of family roles, adult children of alcoholics, instrument appended, 31910

Taxonomies—Books

Describing talk: A taxonomy of verbal response modes. Sage series in interpersonal communication, Vol. 12, 9078

educational research course, attitude changes regarding research reported in psychological journals, public school teachers in graduate degree program, 7388
expectations & fulfillment of general practice's contribution to medical education, medical students vs their general practice tutors, England, 23367
expectations & perceived role of student vs supervisor during short term projects & dissertations, college students vs supervisors, Scotland, 19565
expectations for & initial experiences with student teaching activities, elementary vs secondary school student teachers, 47134
factor structure of attitudes toward mainstreaming of disabled children, teachers vs teachers in training vs nonteachers, 1984 vs 1990, Australia, 7375
family life education attitudes & practices, 15–60 yr old teachers, Nigeria, 7383
gender bias in teachers' perceptions of & attention to primary students with special needs, teachers vs other educational personnel, 39337
homogeneity of students' academic achievement, allegiance to academic & personal & social goals for students, elementary & junior high school teachers, Israel, 27384
illusory correlation & O bias in beliefs about & advice to parents regarding sugar consumption & behavior, primary school teachers, Canada, 31220
influence & autonomy & other aspects in perceived control over work environment, psychological distress, teachers, Australia, 3316
instructional vs behavioral information in problem analysis vignettes, problem attributions & acceptability of & preferences for interventions, K–6th grade teachers, 47153
judgments about presence & severity of students' learning vs emotional vs conduct problems, elementary school teachers, Greece, comparison with school psychologists, 47128
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23459

knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23448
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23461
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23460
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23463
knowledge & beliefs about mathematics instruction, 5th grade mathematics teachers, implications for educational reform, 23462
literacy assignment reasoning, student learning & motivation & attitudes, elementary school students & teachers & principal, 39229
memories of early experiences with prejudice in school & reflections on current teaching practices & concerns about African American students, African American junior high school teacher, 35269
organizational behavior analysis of determinants of work attitudes & job satisfaction, high school economics teachers, 23441
parent vs teacher vs self ratings of behavioral & emotional psychopathology, 4–16 yr olds, 3 yr study, 9722
perceived parent & teacher efficacy, parent involvement, teachers & parents of K–4th graders, 7414
perceived student appearance, expectations, teachers, Nigeria, 43159
perceived teaching efficacy & student SES & learning problem etiology, special education referral, early childhood & elementary & junior high school teachers, 43165
perceived vs observed self determination of students with vs without disability labels, high school teachers, 31383
perception of alcoholism as illness or moral problem, Jewish vs Muslim vs Christian teachers, Israel, 13984
perception of benefits & outcomes of Career Orientation Planning Profile, high school students & teachers & guidance counselors & principals, 24208
perception of impulsivity & relation to reflectivity, 4th–6th grade teachers, Netherlands, 39172
perception of outcomes for typically developing children in programs integrating disabled preschoolers & kindergartners, parents & teachers, 3562
perception of student stress, 12 & 14 yr old secondary school students vs pastoral care school staff, 7500
perceptions & sensitivity to special needs & accommodations & impact of learning disabled students, college faculty & students with vs without learning disabilities, 19594
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, commentary, 39356
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, 39357
perceptions of & responses to contextual factors & resultant change of school culture, elementary & middle school principals & teachers, 43156
perceptions of & strategies for coping with problem students, elementary school teachers, 15466
perceptions of activities with students & actual classroom actions & curriculum & instructional consistency & administrative support & time & effort, teachers of severely disabled, 23601
perceptions of Appalachian vs non-Appalachian students, elementary & high school teachers, 35273
perceptions of college creativity courses, faculty members, 31213
perceptions of difficulty of learning & linguistic structures of American Sign Language, deaf vs hearing teachers vs hearing students in sign language studies, 3365
perceptions of importance of quality indicators of special educational programs for severely disabled students, teachers & program administrators, validation implications, 27570
perceptions of personality traits of male vs female adult vs 8 yr old stutterers, 6th–8th grade public school teachers, commentary on replication, letter, 47131
perceptions of personality traits of male vs female adult vs 8 yr old stutterers, 6th–8th grade public school teachers, replication, letter, 47140
perceptions of school principals' communication effectiveness, job satisfaction, elementary school teachers, 7392
perceptions of special education students' risk for substance abuse & need for school based drug education programs, special education teachers, 19589
perceptions of teaching efficacy & ethnic attributions, interactions with international preschool students, preservice teachers, 19443
perceptions of university counseling center, faculty, 6 yr followup, 3595
perceptions of well being, child care teachers, 39164
perceptions on facilitating friendships between disabled & nondisabled students, teachers of students with moderate to profound disabilities, 43320
personal construct theory & application of repertory grid & autobiography, perspectives on teaching & learning processes, teachers & students, 3276
perspectives on teacher's role, social studies teachers, 11357
practices & perceptions of grading disabled secondary vocational education students, teachers, 3566
praxes of & attitudes toward health & sex education of mentally handicapped 15–16 yr olds, parents & teachers, Sweden vs Japan, 41873
problem solving inservice education program, science teaching attitudes & behaviors, middle school science teachers, 11355
problems & concerns in implementation of whole language learning practices, adult literacy teachers, 3312
prosocial & antisocial classroom behavior & academically oriented behavior, grades & teacher preferences for students, 6th–7th graders, 35423
pupil control ideology, male vs female elementary school teachers in kibbutz vs urban Jewish vs Bedouin-Arab public schools, Israel, 31211
race & orientation style of consultation & own racial identity development, preferences for & ratings of consultant effectiveness, 26–61 yr old Black female elementary school teachers, 39156
ratings of Asian vs English 6–7 yr olds' hyperactivity, teachers, UK, 41982
reciprocal use of language & action & learning cycle in science instruction, social constructivist student learning & teaching beliefs & practices, elementary & junior high & high school teachers, 31253
recollection & interpretation of & judgments about classroom events, 1st vs 4th vs 5th yr preservice teachers, 39167
reliability of Teacher Concerns Questionnaire & adaptation to physical education settings, physical education teachers, 20095
remedial videodisk based instruction in earth & physical science concepts, attitudes toward science teaching, female preservice teachers, 27391
role play preparation for parent teacher conferences, anxiety, beginning elementary school teachers, 19452
self & teacher evaluations & grades, prediction of performance on Verbal Reasoning & Numerical Ability scales of Differential Aptitude Test, rural 8th–12th graders, Appalachia, 35377
self efficacy & level of teacher involvement depicted in videotaped consultations, ratings of consultant effectiveness & intervention acceptability, elementary school teachers, 23443
self vs teacher ratings of Type A behavior pattern, 8th & 11th graders vs their teachers, Australia, 37159
sex, aptitudes & talents perceived by peers vs teachers, elementary & junior high school students, Canada, 39295
sex role ideology, male vs female teachers, Barbados vs St. Lucia, 11370
social interpretations of kindergarten readiness, parents & teachers of kindergartners, 7461
soft classroom, participation & aesthetic preferences, college students & teachers, 17 yr followup, 27553
stage of professional development, causes of professional disillusionment & advice for supervisors, elementary school teachers, Canada, 3314

stages in development of beliefs & practices, preservice teachers, content analysis of dialog journal entries, 15361
standardized reading tests vs informal read aloud & maze passages, reading proficiency & grade level & teacher judgments, 2nd–6th graders, 24213
student skills necessary for success in mainstreamed regular education classrooms & perceptions of intervention strategies, teachers of learning disabled high school students, 23612
student vs teacher perceptions of interest & difficulty of text, student use of metacognitive strategies & comprehension monitoring during reading, deaf 13–17 yr olds & deaf vs hearing teachers, 19587
student's physical attractiveness, expectations & impressions & other judgments, teachers, meta analysis, 23586
student's sex & grade level & ethnic group & classroom differences, teacher vs peer perceptions of aggression, 3rd–8th graders, 35404
teacher & principal sex, perceptions of principal's leadership & own personal & interpersonal & organizational power, high school teachers, 47132
teacher influence & attitudes toward & concerns about sexuality education course, student attitudes & anticipated behaviors, 6th graders & their teachers, 39209
teacher neutral vs positive vs corrective vs derogatory feedback, peer preferences & perceptions, K–2nd graders, 1137
teacher ratings of DSM-III-R criteria for attention deficit hyperactivity & oppositional defiant & conduct disorders, 5–14 yr old males, erratum, 21651
teacher ratings of student anxiety, student expressed vs teacher inferred self image scores, male vs female 3rd graders, 15467
teacher training & experience, perceptions of behavior problems in special school settings, teachers of mentally handicapped students, India, 27588
teacher vs self assessment of perceived clothing deprivation, 9th–12th grade home economics students, 47248
teachers' attitudes & behavioral intentions & smoking status, prevalence of student smoking, middle & junior high school teachers & 7th graders, 7486
teachers vs parent reports of behavior & emotional problems, 6–11 yr old males vs females, Jamaica, 41490
values & classroom culture, head & assistant teachers & special programs tutor in rural Head Start program, Appalachia, 35271
views on science & scientists, science teachers of 6–14 yr olds, India, 7386
views on technology & related issues, K–12th grade teachers, Canada, 3303
whole language & authentic literature programs & alternatives for educator misconceptions, bilingual students, 43196

preparation for multicultural education, teachers, Alaska, 27381
preservice teacher training program, effective instruction, student teachers & their supervisor evaluators, application of direct instructional models, 47143
problems in teaching introductory teacher education course designed to challenge education students' beliefs about teaching & learning, male teacher-educator, 47125
remedial science program, control of variables & drawing logical conclusion skills, preservice elementary school teachers, Israel, 3295

self directed supervisory training manual in student teacher supervision, cooperating teacher supervisory behaviors & practices, physical education teachers, 15355
social studies course, philosophic orientations to social studies education, graduate education students in history & geography, Botswana, 3292
students' age & formal education vs specialized training, teaching effectiveness, infant vs toddler vs preschool child care teachers & assistants under 18 to over 65 yrs old, 31225
teacher education model & report contents, ratings of program planning contributions of dynamic vs traditional psychoeducational assessment reports, preschool teachers, 31968
teacher training & program implementation for public school writing program, writings skills, deaf 4th–10th graders & their teachers, 2 yr study, 3556
teacher training in question answer relationships vs traditional teaching methods, student reading comprehension skills, special education resource room teachers & learning disabled 1st–9th graders, 15522
teaching procedural & conceptual knowledge in learning to teach mathematics for understanding, female student teacher, 27370
techniques for production of reflection on nontraditional processes, implications for teacher education, 47129
training in classroom assessment, high school teachers, 39163
training in conceptual kinesiology, feedback provision patterns, preservice physical education teachers, 11367
training program, identification of students at risk for substance abuse, 8th grade teachers, 35270
world images in teacher education & relation to preconceptions & transfer of theory to classroom practice, student teachers, 3317

Teacher Education [See Also Inservice Teacher Education, Student Teaching]—Books

The case for change: Rethinking the preparation of educators. The Jossey-Bass education series and The Jossey-Bass higher and adult education series, 47148
Schools for thought: A science of learning in the classroom, 35248

Teacher Education [See Also Inservice Teacher Education, Student Teaching]—Chapters

"Discipline in Schools": The Report of the Committee of Enquiry chaired by Lord Elton, 3518
Personnel preparation: Directions for the next decade, 43171
Responding to teachers' needs: A case-study in consultation, 7441
Staff development in support of integration, 19462
Teacher training and classroom discipline, 3319

Teacher Effectiveness [See Teacher Characteristics]

Teacher Effectiveness Evaluation—Serials

anonymity & accountability & linguistic complexity of closed vs open ended teaching evaluations, college students, 31223
applicability of American instruments, assessment of evaluation of teaching effectiveness, college students, Philippines, 8072
concept maps vs computerized repertory grid interviews vs videotaped observation, assessment of changes in conception of effective teaching, elementary & secondary education college students, 23455
conceptions of teaching roles & issues in competency testing, physical education teachers, 15342
construct validity of two versions of Simulation of Interactive Decision Making group test, assessment of teacher competency, teachers & students & adults, 43836
counselor led workshop, coping responses to stress of classroom appraisal visits, teachers, 43166
dimensionality & transituational invariance of shortened version of Complutense University Teachers Evaluation Questionnaire, assessment of perceived teaching quality, college students, Spain, 8061
effectiveness & cost effectiveness of cooperative vs competitive vs independent monetary incentives in performance feedback system, teacher assistants in treatment center, 35254
global items, prediction of weighted composite evaluations of teaching, college students, 12062
history of & trends in testing of knowledge on competency, teachers, application to physical education, 15351
involvement in teacher certification testing, physical education personnel, 15354
issues in competency testing & licensure & certification, teachers, 15334
issues in standardized testing of competence & abilities, teachers, 15341
nonconventional cognitive skill oriented teaching strategies & cognitive styles, student evaluation of faculty teaching performance, college & graduate science students, Canada vs Israel, 15360
perceptions of junior high & high school science classes & teachers & course content, college students vs noncollegiate young adults, implications for science teaching methods, 3340
perceptions of value of course & teaching evaluations, college students, 47245
process product research & development of direct instruction & issues in teacher evaluation & selection, research review, 15344
ratings of gifted teacher competencies, principals & educators of rural gifted students, comparison with 1981 national sample, 7382
reliability & validity of Students' Evaluations of Educational Quality & Endeavor Instructional Rating Form, college students, Nepal, comparison with Western data, 4149
Teacher Effectiveness Questionnaire scores, individual item ratings & teacher ratings of students' homework, 7th & 9th–12th graders & their teachers, test of Quality School model, 23428
team approach to teacher evaluation process, principals & teachers, 7373
validity & reliability of Snell Educator Effectiveness Index, assessment of professor performance, college students, instrument appended, 24223

Teacher Effectiveness Evaluation—Chapters

Engagement and performance feedback: Enhancing the classroom achievement of students with mild mental disabilities, 43346
Innovation and reform: Examples from teacher assessment, 28092

Teacher Expectations—Serials

audio &/vs visual depictions of nonverbal behavior, detection of expectations in teacher conversation about vs interaction with students, 10 vs 13 vs 16 yr olds vs high school teachers, New Zealand, 35393
instructional setting demands & expectations, vocational vs junior high school teachers of learning disabled students, 43316
perceived student appearance, expectations, teachers, Nigeria, 43159
placement & involvement & expectations for grade attainment, achievement, academically average 8th graders in advanced vs regular mathematics classes, 3443
student grouping & motivation & parents' & teachers' expectations, arguments in human capital/economics theory of creativity, commentary, 47117
student's physical attractiveness, expectations & impressions & other judgments, teachers, meta analysis, 23586
teacher characteristics & attitudes & constructivist teaching methods as reflection of goals for science understanding & learning, high school science teachers & students, Australia, 10 wk study, 3436
teacher expectation & self efficacy & attribution, self perceptions of dance competence, female college students & teacher in beginning jazz & modern dance class, 35394
teacher expectations, teacher evaluation of vs actual student achievement, male vs female 6th graders & their teachers, test of self fulfilling prophecy & perceptual bias & accuracy hypothesis, 15440
teacher expectations vs behavior, reading achievement, Hispanic 1st graders, 11471

Teacher Expectations—Chapters

Teacher expectancies and nonverbal behavior, 11529

Teacher Personality—Serials
teacher communication style, teacher effectiveness, traditional vs nontraditional college students, 19554
Teacher Personality—Books
Organizing for learning in the primary classroom: A balanced approach to classroom management, 35427
Teacher Recruitment—Serials
notices & requirements for university special educational personnel in "The Chronicle of Higher Education", 27380
Teacher Student Interaction—Serials
attention seeking vs socially avoidant severe behavior problems, systems analysis of adult responses in teaching interaction, developmentally disabled 5.3–10.6 yr olds & female college students, 1856
attributions to paralinguistic behavior in cross cultural teacher student, 43277
audio &/vs visual depictions of nonverbal behavior, detection of expectations in teacher conversation about vs interaction with students, 10 vs 13 vs 16 yr olds vs high school teachers, New Zealand, 35393
autistic label, verbal praise vs correction & reward vs response cost marbles during teaching of fictitious child, 18–28 yr old student teachers, 23611
boundaries & frames & nontransference & other issues in psychotherapeutic & lay education, teachers & students, 27244
changes in child care teachers & teacher child relationships, social competence with peers, 13–24 mo olds in day care & their primary teachers, 43287
characteristics of clinical teaching behaviors in ambulatory setting, family physicians & students, 43052
Clarity Training program, ability to provide clear instructions to students, student teachers, 7381
class lesson vs supervised vs unsupervised free time vs desk work, frequency of peer & teacher interactions & solitary work & nonwork behaviors, 2nd & 6th graders, 39284
classroom discourse patterns during morning news sessions, regular vs student vs substitute teachers & 5–7 yr old students, 27535
cloze literacy lessons & student interpretation of use of context clues, bilingual Mexican American 3rd graders & their teacher, 1 yr study, 3352
cognitive apprenticeship metaphor & conversational analysis of teaching, teacher student interaction in open inquiry science classroom, male high school students, Canada, 47187
collective resource perspective of deviant students as assets for teacher maintenance of classroom control, 1st graders & their teachers, 11523
communication style, student social behavior, kindergarten teachers & their students, 43301
constructivist perspective on computer assisted teaching of linear functions, junior high school students, conference presentation, 31266
definitions & consequences of caring & facilitation of diversity in school & community, minority & female high school students & their teachers, 35421
demographic majority of Latino population & cultural conflict & acculturation, Latino inner city high school students vs Anglo teachers, 1986–89, 35413
description & analysis of classroom talk & social interaction, students & teachers, 39286
development & reliability & construct validity & factor structure of instrument, assessment of faculty & advisor communication apprehension of freshmen, college students, 20092
dilemmas of constructivist perspective in mathematics tutoring interactions, teacher & 8th grade prealgebra student, conference presentation, 31237
discourse characteristics of computerized interactive journal writing, learning disabled 4th–6th graders & their resource teachers, 3567
discourse functions of "because" in peer disputes & teacher child conversations, preschoolers, 7 mo study, 32984
elementary school vs traditional middle school & classroom environment & ability grouping & teacher student interaction, academic motivation, 43282
ethnicity, strategies for resistance & teachers' Type A behavior & burnout & role ambiguity & conflict, African vs Native American vs Hispanic vs White college students, 11512
faculty involvement & other factors in retention at predominantly White universities, Black college students, 27536
gender bias in teachers' perceptions of & attention to primary students with special needs, teachers vs other educational personnel, 39337
importance of passive role in classroom interaction with students, teachers, 35400
instructional conversation teaching method, facilitation of student involvement in goal & meaning oriented discussions, 3385
instructor dominance & interactive purpose & sound patterns, educational goal enhancement, kindergarten teachers & students, Israel vs West Germany, 19560
interpersonal relations with peers & parents & teachers & classroom based social skills enhancement, school age children, 39304
knowledge of subject matter content, classroom discourse control, novice biology teachers, 39194
low vs high control in teacher conversational style, classroom verbal participation, shy kindergarten students, 31341
mainstreaming, student on task behavior & teacher approving vs disapproving comments, regular & moderately or mildly intellectually handicapped primary school students & their teacher, Australia, 31392
misunderstanding of student's cultural behavioral style, teaching & learning, White teachers & Black students, implications for pedagogical value of providing stylistic diversity in schools, 11345
mixed sex vs all female class, teacher student verbal interactions, male vs female physical education teachers & 9th–10th graders, 15475
model of tutoring interaction processes for mathematics & complex subject matter, students & teachers, conference presentation, 31283
moral aspects of hope & attentiveness to & caring for student differences, teachers, 23444
movement & dance curriculum, teacher student communication & language development, elementary school students, 19504
perceptions of & strategies for coping with problem students, elementary school teachers, 15466
perceptions of activities with students & actual classroom actions & curriculum & instructional consistency & administrative support & time & effort, teachers of severely disabled, 23601
perceptions of teaching efficacy & ethnic attributions, interactions with international preschool students, preservice teachers, 19443
personal construct theory & application of repertory grid & autobiography, perspectives on teaching & learning processes, teachers & students, 3276
professor's role & student & situational characteristics, dual role conflict & ethical risk, students & teachers in higher educational setting, 15465
qualitative approach to adult literacy assisting behaviors & roles & role taking during spontaneous literacy based play, day care teachers & caregivers of 3–4 yr olds, 43293
quality of professional & interpersonal interaction during clinical clerkships, medical students & tutors, Australia, 3182
questions & responses during small group instruction, preschool teachers & 41–56 mo old students in Ausubelian vs Piagetian schools, 11503
questions vs statements only vs conversational discourse style of teacher, computer mediated discussion & peer interaction, college students, 11379
reduction of teacher attention, on task behavior, 5–6 yr olds with special needs, 31390
self vs teacher monitoring during prereferral intervention, classroom behavior, nonhandicapped 5th & 6th graders at risk for special education & their teachers, 39328
sex of initiator of harassment & type of behavior, perceptions of hypothetical harassment by professor toward student, female vs male college students, 35409

shared control with children in partnership with teacher, cooperative learning & morality of autonomy in preschool, 43292
speech & sing classroom communication practices & preferences, teachers of deaf students, Australia, 3549
student oral reading performance, pausing & praise & prompting in tutoring behavior, teachers & 8–14 yr old low vs 9–16 yr old very low vs 4–8 yr old average progress readers, England, 27476
subject matter knowledge, classroom discourse, novice biology teachers, 35256
teacher & student interactions & scaffolding in science education, 5–8 yr olds & their teachers, 7487
teacher activities & interaction with students & student entry level ability, reading performance, kindergartners in 3 school districts observed at beginning & end of year, 47234
teacher expectations, teacher evaluation of vs actual student achievement, male vs female 6th graders & their teachers, test of self fulfilling prophecy & perceptual bias & accuracy hypothesis, 15440
teacher interventions in computer based learning activities, 5–12 yr olds & their teachers, application of neo-Vygotskian perspectives, 31269
teacher mediated instruction vs peer mediated social interaction, motor responses, profoundly mentally retarded 11–12 yr old females, 31366
teacher snubs, sequential organization of classroom interaction during reading lesson, 2nd graders & teachers, 39298
teacher's communication styles, student participation rate in seminar, male vs female professors & education students, 15472
time spent reading & teacher interactions during reading instruction, reading achievement, severely & profoundly deaf 5–10 yr olds, 19600
transactional strategies instruction & direct explanation vs teacher & student interaction with material, reading comprehension, elementary school students & teachers, 3375
transformational experiences in teaching severely disabled students in general education classrooms, K–9th grade teachers, 23616
type & form & time & referent & quality of feedback, achievement in physical education, 6th–8th graders in physical education class & their teachers, 15483
types of questions asked in addition & subtraction lessons, 1st grade teachers, Japan vs Taiwan vs US, 23584

Teacher Student Interaction—Books

Beyond the parent: The role of other adults in children's lives. New directions for child development, No. 57, 25266

Teacher Student Interaction—Chapters

The anatomy of a negative role model, 15279
Childhood origins of beliefs about institutional authority, 7504
Freedom in the classroom, 23591
Good relationships and classroom management skills, 3525
Halves, pieces, and twoths: Constructing and using representational contexts in teaching fractions, 31301
Intercultural communication: Evaluations of lecturers and Australian and Chinese students, 7505
Maltreated children's reports of relatedness to their teachers, 25952
The role of continuity and context in children's relationships with nonparental adults, 25286
Teacher expectancies and nonverbal behavior, 11529
Teacher–child relationships and the process of adjusting to school, 27562
Teachers' knowledge of students as base for providing mediated learning experience, 11493
Understanding interactive behaviors: Looking at six mirrors of the classroom, 27558

Teacher Tenure—Serials

method of discrete time survival analysis, study of duration & timing of events & discrete time hazard model of career paths, special educators, 13 yr study, 39171
occupational stress & depressive symptoms, female 1st yr teachers, 3315

Teacher Training [See Teacher Education]

Teachers [See Also College Teachers, Cooperating Teachers, Elementary School Teachers, High School Teachers, Junior High School Teachers, Preschool Teachers, Preservice Teachers, Resource Teachers, Special Education Teachers, Student Teachers, Vocational Education Teachers]—Serials

ability & effort, success in securing full time employment, teacher education program graduates, 23445
acceptance of social learning vs behavior modification vs clinical interventions for children with behavior disorders, regular vs special education teachers, Canada, 19459
acceptance of social learning vs behavior modification vs clinical interventions for children with behavior disorders, regular vs special education teachers, Canada, commentary, 19453
age & experience & grade level & tenure & sex, argumentativeness, public school teachers, 19457
age & sex & education level & income & English vs Urdu instruction medium, job satisfaction, 21–55 yr old secondary school teachers, Pakistan, 19451
attitude toward peers' perceptions of self & professional self concept, prediction of job burnout, teachers, Israel, 19446
attitudes toward AIDS, 23–62 yr old teachers, 1987 vs 1991, 2199
attitudes toward concept mapping vs Vee diagramming metalearning tools, biology & chemistry & physics & math teachers, Nigeria, 27382
attitudes toward education of disabled children, educational administrators & principals & special & general teachers, India, 3550
attitudes toward use of classroom vs standardized tests, preservice vs inservice teachers vs college students, 19449
attributions for students' classroom problems & preferences for service delivery, teachers, literature review, 47330
attributions of responsibility for job stress vs satisfaction, teachers, Australia, 3308
career ladder program, school effectiveness & teacher satisfaction & other outcome measures, teachers & students, 15336
Children Act of 1989, educational procedures & planning & court related activities, head teachers & educational psychologists, Wales, 47106
cognitive processes involved in implementation of new empowerment schema in organization change, outside researcher & founders of new teachers' group, 19441
commitment to goals & expertise & curriculum & student achievement, elementary & secondary school physical education teachers, 11364
conceptions of teaching roles & issues in competency testing, physical education teachers, 15342
consistency between theoretical orientations & beliefs about reading & instructional decision making & planning & interactions with students, Chapter I teachers, 3309
construct validity of two versions of Simulation of Interactive Decision Making group test, assessment of teacher competency, teachers & students & adults, 43836
content analysis of humorous classroom episodes encountered during career, teachers & student teachers, Israel, comparison with US data, 35425
cross cultural differences, teacher & student role expectations, ESL college students & teachers, 43290
curriculum revision, prospective teachers of deaf & hard of hearing children, 23464
depression & self esteem & stress & burnout, regular vs special education grade vs high school teachers, 27365
description of childhood emotional & behavioral disorders, 10–11 vs 14–15 yr olds vs their mothers vs fathers vs teachers, Australia, 29948
descriptive or experimental analysis, identification of contingencies maintaining & other functional properties of aberrant behavior, teachers of autistic 7.5 & 13 yr olds, 23639
determinants & processes of intention to change careers, teachers, 47137
development & validation of School Participant Empowerment Scale, teacher leaders, 24222
development & validity of Teaching Autonomy Scale, assessment of perceived autonomy in classroom activities, teachers, 43831

dialectical process of professional socialization during pretraining vs preservice vs field experiences vs induction, teachers, 11372
DSM-III diagnoses based on parent vs teacher reports, 4–10 yr olds with attention deficit hyperactivity disorder, 33914
empowerment & decision making in tall vs flat school organizational structure, teachers & principals, 7384
facilitator training course, establishment of staff consultation support groups for understanding & management of traditional school problems, teachers & educational psychologists, England, 7391
factor structure of attitudes toward mainstreaming of disabled children, teachers vs teachers in training vs nonteachers, 1984 vs 1990, Australia, 7375
factor structure of Maslach Burnout Inventory, teachers vs computer company employees, Canada, 28103
family life education attitudes & practices, 15–60 yr old teachers, Nigeria, 7383
guided reflection in induction & development model, novice & mentor teachers, 47136
history of & trends in testing of knowledge on competency, teachers, application to physical education, 15351
homosexual identity & coming out requirement, gay & lesbian teachers, 41169
impromptu writing prompts in high school algebra class, benefits & changes in instructional practices, teachers, 3367
influence & autonomy & other aspects in perceived control over work environment, psychological distress, teachers, Australia, 3316
instruction by parents vs teachers, knowledge of & ability to learn genital terminology, Head Start preschoolers, 3462
instructional setting demands & expectations, vocational vs junior high school teachers of learning disabled students, 43316
interrater reliability of Burks Behavior Rating Scales, parents & teachers of 1st–6th graders with behavior or learning problems, 20103
issues in competency testing & licensure & certification, teachers, 15334
issues in masculine regime at Catholic boys' school & male female relations & gender in organizational culture, students & teachers, Australia, 43154
issues in standardized testing of competence & abilities, teachers, 15341
job satisfaction, Army family practice residency faculty members, 27300
mental abilities & content knowledge & problem solving skills, inservice & preservice earth & space science teachers, 19440
moral aspects of hope & attentiveness to & caring for student differences, teachers, 23444
nature of dialog during cognitive process strategy instruction, teachers, 31251
occupational stress & depressive symptoms, female 1st yr teachers, 3315
perceived personal efficacy, teachers & principals, 27389
perceived student appearance, expectations, teachers, Nigeria, 43159
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, commentary, 39356
perceptions of & planning for mainstreaming special education students, elementary & middle & high school teachers, 39357
perceptions of importance of quality indicators of special educational programs for severely disabled students, teachers & program administrators, validation implications, 27570
personal & general efficacy & school climate & teacher student ratio & salary & experience & sex, commitment, teachers, 31219
positive vs negative feedback on 1st classroom management task, self evaluation of performance on 1st & 2nd task, female teachers, 7378
preferences for teacher written vs computer generated feedback on written compositions, 11th–12th graders, 47246
prevalence & impact of vocal attrition, female teachers, 41921
principles of & knowledge bases for special & general education & school learning environment, general & special education teachers & other educational personnel, 7527
quality circle approach, job stress & satisfaction, K–8th grade teachers, 31222
return to public school teaching after career interruption, teaching assignments & experience & other characteristics, teachers, 35255
role of needs fulfillment & job satisfaction in morale, teachers, England, 3302
roles & relationship following introduction of new teachers & elements of harmonious functioning, kindergarten teachers, New Zealand, 6 mo followup, 47141
self identification of educational needs & improvement in managerial capability, primary & secondary & higher education head teachers, Northern Ireland, 43157
self reported teaching behavior vs actual performance, medical school teachers, implications for teacher evaluation, 7308
sex & degree & grade taught & region, classroom interventions for behavior problems, elementary vs middle vs high school regular vs special education teachers, 39235
social judgment & expectations, willingness to trust, school superintendents & teacher union presidents, implications for education reform, 19330
sociolinguistic & communication differences, hard of hearing vs deaf teachers, implications for traditional medical vs sociocultural models, 42127
stress & burnout & spirituality, Christian teachers, implications for psychotherapy, 47135
subject matter knowledge, classroom discourse, novice biology teachers, 35256
teaching & learning processes in psychiatry & improvement & evaluation of teaching skills, psychiatry teachers, conference presentation, 35126
transformational experiences in teaching severely disabled students in general education classrooms, K–9th grade teachers, 23616
work load & role stress & social support & participation in decision making & job satisfaction & commitment in causal model of burnout, teachers, 35278
workplace & professional relationships, teacher development, beginning teachers, 27368

Teachers [See Also College Teachers, Cooperating Teachers, Elementary School Teachers, High School Teachers, Junior High School Teachers, Preschool Teachers, Preservice Teachers, Resource Teachers, Special Education Teachers, Student Teachers, Vocational Education Teachers]—Books

role of school counseling in staff development & inservice training for teaching & communications skills, teachers & school counselors, 31233

self reported teaching behavior vs actual performance, medical school teachers, implications for teacher evaluation, 7308

statewide models for teacher assistance teams & early & prereferral intervention, students at risk for school failure, 31276

strategies & tactics for field systems analysis demonstrated in physical education lesson, 19492

student coping strategies & Vygotskian theory & situated cognition in teaching mathematics, students with learning difficulties, England, 39331

teacher &/vs parent taught personal safety program, knowledge of sexual abuse & prevention skills, preschoolers, 23675
teacher assistant team approach to collaboration & support & development of alternative instructional strategies, teachers of children with cognitive & behavioral problems, 31377
teaching behaviors & student activity levels, physical education specialists vs nonspecialists & 4th–5th graders, 15337
teaching of literacy strategies, elementary school teachers, 3376
teaching of psychology, 1991, bibliography, 27339
teaching younger siblings, academic achievement, 9th & 11th graders, replication, 2 yr study, 39274
technical teaching difficulties & culture shock, international teaching assistants, US, 19458
theoretical approaches to overcome encapsulation of school learning & misconceptions of moon phases, 14–17 yr olds, 31248
theories & practices in direct skills teaching vs training in rehabilitation, 3051
world images in teacher education & relation to preconceptions & transfer of theory to classroom practice, student teachers, 3317
Teaching [See Also Audiovisual Instruction, Computer Assisted Instruction, Directed Discussion Method, Discovery Teaching Method, Educational Audiovisual Aids, Educational Field Trips, Group Instruction, Individualized Instruction, Instructional Media, Lecture Method, Lesson Plans, Montessori Method, Motion Pictures (Educational), Open Classroom Method, Peer Tutoring, Reading Materials, Teaching Machines, Teaching Methods, Team Teaching Method, Televised Instruction, Tutoring, Videotape Instruction]—Books
Multiple intelligences: The theory in practice, 43153
Promoting academic competence and literacy in school, 3405
Rules for reasoning, 28277
Teaching psychology in America: A history, 27351
Vision and school success: A guide to understanding vision's role in learning and what the teacher can do to facilitate learning in the classroom, 38344

Teaching Machines—Serials
Franklin Elementary Spellmaster spelling correction device, children with spelling difficulties, 5079
Teaching Methods [See Also Advance Organizers, Audiovisual Instruction, Computer Assisted Instruction, Curricular Field Experience, Directed Discussion Method, Discovery Teaching Method, Educational Field Trips, Group Instruction, Individualized Instruction, Lecture Method, Lesson Plans, Montessori Method, Open Classroom Method, Peer Tutoring, Team Teaching Method, Televised Instruction, Tutoring, Videotape Instruction]—Serials
A. I. Meshcheryakov's developmental educational program & methods & theories, blind & deaf children, USSR, 31367
active response error correction during sight word instruction, acquisition & maintenance & generalization of words, 8–9 yr olds with developmental disabilities, 31369
activity based inquiry oriented vs textbook approach to science learning, learning disabled junior high school students in special education classes, 39358
aesthetic experiences & environment in educational methods & learning, students, 11378
amount & kind of teacher feedback during practice & varied instructional tasks, practice success frequencies, high vs low skilled 4th graders & physical education teachers, 11421
analogy training, pronunciation of words & nonwords, 1st grade beginning readers, 15366
application of cognitive sciences & anchored instruction model to psychotherapy training, 39089
artificial intelligence model of question-answer & explanation vs building block approach, schema use in electronics learning, college engineering students, technical report, 32209
assisted reading techniques, reading fluency, students with or at risk for reading disabilities, research review, 14934
attitudes toward & preferences for college level instructional methods & course goals & student involvement, academically talented preservice teachers, 19460
attitudes toward children's cognitive development, educational objectives & decision making in curriculum practices, preschool teachers, 27367
attitudes toward concept mapping vs Vee diagramming metalearning tools, biology & chemistry & physics & math teachers, Nigeria, 27382
awareness of home & school reading education & learning, kindergartners receiving individualized & small group vs phonics based instruction, 35373
background vs conceptual instructions, performance on menu driven computer system, postgraduate students, England, 7816
BAFA BAFA simulation, ethnocentrism & dogmatism & enjoyment of diversity & motivation toward multicultural instruction, college students, 31241
behavioral modeling &/vs cultural assimilation in cross cultural management training, government employees, 15628
behavioral strategies & classroom environment, study behavior motivation & exam grades, college students, 15393

bridging strategies connecting instances of conceptual model in science instruction, learning, 6th graders, 3402
case based vs traditional reading instruction, ability to activate & assemble & incorporate knowledge in memory, 9th graders, 35282
case method instruction, situational learning & problem solving skills, preservice teachers, 47130
case method of instruction for learning application & problem solving skills, early intervention professionals, 31112
children's literature, mathematics achievement & interest & vocabulary, 5 yr old kindergartners, 7417
choral vs individual responding during small group word reading instruction, moderately mentally retarded 10–13 yr olds, 31417
class exercise for induction of cognitive dissonance, college students in psychology class, 35129
classroom as clinic vs in class evaluation method, diagnostic reasoning, 21–40 yr old occupational therapy students, 11253
classroom atmosphere & teaching methodology issues, college instructors & nontraditional adult students, 15385
classroom exercises for teaching system dynamics skills based on modeling of dyadic relationship with differential equations, college students, 35321
cognitive apprenticeship metaphor & conversational analysis of teaching, teacher student interaction in open inquiry science classroom, male high school students, Canada, 47187
cognitive cover & copy & compare intervention with subvocalization, mastery responding to division problems, male elementary school students with behavior disorders, 8 mo followup, 19611
cognitive load of instructional techniques & materials, goal free problems for facilitation of schema acquisition & automation in learning, 43235
cognitive map of classroom teaching & discussion methods, teacher of 12–18 yr old gifted & talented students, 35473
cognitive modeling & implicit vs explicit rules, application of & attitude toward behavior analysis & self efficacy in classroom management problem solving, education students, 39159
cognitive science & educational technology, instructional design theory, 7430
cognitive training, intellectual & creative thinking, preschool students, India, 15394
collaborative inquiry approach to science instruction, conceptual knowledge & reasoning, language minority middle & high school students, 47186
collaborative problem solving promotion of scientific literacy, middle school students, 43262
command vs practice vs reciprocal teaching style, motor skill acquisition & retention of selected shooting task, college students in riflery class, 11383
community service vs written papers as requirements in developmental psychology course, course evaluation & satisfaction & comprehension, college students, 15391
competence & attitudes toward & preference for instructional methods in use of PsycLIT, college students, 27528
components of & strategies for effective reading comprehension instruction, learning disabled students, 47263
comprehension & vocabulary & written summarization teaching strategy, language arts learning, 2nd graders, 1 yr followup, 3334
comprehension monitoring strategies in basal reader instruction, reading comprehension & awareness & attitude toward reading, 4th graders, 23503
computerized constructed matching to sample, spelling performance, 14 & 20 yr old mentally retarded students, 3570
concept mapping in microbiology program design, achievement, high school students, Israel, 3323
conceptions of peer tutoring & other fair learning practices, high ability 6–18 yr old students, 23662
conceptual change teaching workshop & instructional materials, strategy use & student learning, 7th grade life science teachers & students, 31286
conceptually integrated videodisc instruction, elimination of alternative conceptual frameworks in science, high vs lower ability 8th graders, 35311
constant time delay procedure, teaching socially appropriate responses to nonhandicapped peers, 12 & 12.7 & 13.3 yr olds with autism or pervasive developmental delay in integrated school setting, 19605
construction of social stories for teaching social behavior, autistic students, 39336
content controlled creative teaching, concept formation in physics learning, 6th–8th graders, Romania, 3 yr study, 19484
contextual variety in physical education class, badminton skill acquisition & performance, college students, 11440
conventional modeling vs Thinking Aloud Pair Problem Solving teaching method, college chemistry students, 27458
conventional vs worked vs completion training strategies, cognitive load & training & transfer performance in statistics problem solving, 16–18 yr olds, Netherlands, 13061
cooperative learning &/vs social relations programs, self concept & academic achievement, 7th graders in mixed ethnic classes, Israel, 19470
cooperative learning strategies & theoretical analysis of sociocultural basis of orientation, African American students, 23489
counterintuitive information in demonstration with vs without text, changing in thinking about physical science concept of free fall, male vs female 9th–11th graders, 3394
creative drama instructional strategy, reading comprehension skills, 5th grade remedial readers, 3541
critical thinking skills writing exercise & examination of controversial issues & historical & unconventional perspectives in psychology, college students in abnormal psychology course, 27402
culturally sensitive instructional strategies, learning, African American students with learning disabilities, 11543
curricular strategies program, test anxiety & other noncognitive & cognitive characteristics, rural primary school students, India, 1 yr study, 3328
curriculum approaches to science education, mainstreamed students with disabilities, 19608
curriculum hours on & instructional strategies for topic of homosexuality in medical education, faculty members, 15273
debates as teaching tool for course in psychology of women, college students, 35292
demonstration to overcome misconception of psychology as common sense, college students in introductory psychology course, 43221
descriptions of psychological concepts in magazine articles & newspaper clippings, knowledge & application of psychology course material to outside world, college students, 15402
development & evaluation of structured neuropsychopharmacology curriculum & teaching aids, directors of psychiatric residency education, 23359
development & presentation of therapeutic intervention workshop as collaborative learning project in undergraduate counseling course, college students, 43200
development & use of creative plays as reading material & teaching method for literacy instruction, 21 yr old & older beginning readers, 23500
development of & teaching methods in adult learning research & application to social work education, 35137
development of course ratings questionnaire as teaching method, college students in tests & measurements class, 27463
development of design skill model in hypermedia learning environments, student motivation & learning & assessment, 19466
development of pedagogical content knowledge & teaching style & strategies for mathematics instruction, student teachers, 23458
development of reading & writing workshop based on student centered approach, 23492
developmental strategy for teaching cognitive skills, 35285
developmental theory based teacher education program, teaching methods, elementary school teachers, 35267
didactic teaching vs self instruction of mnemonic strategy, learning of question answer relationships & reading comprehension, 5th–6th grade average vs poor readers, 31254

didactic vs experiential death & dying & grief workshop, death anxiety, nursing students, 7311
direct instruction, critical thinking skills in learning time & mathematics, students, 27443
direct instruction techniques, academic progress, 6 & 8 & 10 yr olds with brain injury & significant learning problems, 23617
direct instruction vs self regulated strategy development with vs without goal setting, competition skills & self efficacy, learning disabled 5th–6th graders, 3568
discovery vs expository training, learning to lipread consonant vowel syllables & retention & transfer to monosyllabic words, normal hearing college students, 15377
divided half instruction, chained skill education in nonschool setting, moderately mentally retarded 16–18 yr olds, 7192
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47292
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, 47267
E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47281
educational curricula & teacher modeling & coaching, peer interaction, kindergartners & mainstreamed autistic 6–7 yr old students, 47277
effectiveness of human vs computer model tracing tutoring systems, 47177
effectiveness of student & teacher prepared concept mapping as instructional tool, achievement & attitudes, elementary through college students, US & Canada & other countries, meta analysis, 27432
efficacy of academic-fieldwork practice as teaching strategy, undergraduate therapy students & fieldwork supervisors, Australia, 31103
elaborative interrogation & individual vs small vs large groups, use of imagery vs verbal vs repetition study strategies & recall performance, college students, implications for classroom learning, 11439
errorless learning procedures, learning disabled, 3551
evaluation of elder mentor relationship as experiential learning tool in gerontology course, college students, 39210
exclusion vs selection training, auditory visual conditional relations in geometric figure matching to sample & naming tasks, male 8–11 yr olds with persistent school failure, Brazil, 47168
expectation of random oral questioning, preparedness for class lecture & discussion, education students, 3363
experiential vs experienced based economics instruction, learning & reasoning, transitional 1st graders, 43208
explicit instruction in note taking with vs without self questioning, quality of notes & lecture content summarization, college students, 35325
flow chart teaching technique for introductory psychology courses, analysis of examples of classical conditioning, college students, 15384
following child's lead vs recruiting attention in object label instruction, vocabulary learning & loss of interest, mentally retarded 3.3–3.9 yr olds, 27597
formal teaching vs guided vs free discovery vs play, memory & learning, primary school students, 3381
frequency & context of text explicit vs implicit idea units & recall of & development of meaning in literacy text, 4th graders in imagery vs traditional reading instruction group, 3351
games & simulation games vs conventional teaching techniques, educational benefits, literature review, 7427
general theory for development of creative productivity through engagement in ideal acts of learning, gifted students, 23659
generative comprehension procedures in cooperative learning groups, economics learning, lower socioeconomic level 12th graders, 31259
group size & instructional format & autonomy, cognitive & linguistic & social & materials use & task engagement behaviors, 5–9 yr olds, 7406
guidelines for teaching rules of effective questionnaire construction, college teachers in methodology & psychometric courses, 43043
guidelines of "English Language 5-14" & use of literacy novel in reading metacomprehension skills instruction, Scotland, 31245
hierarchical concept centered schema vs traditional analysis, physics problem solution, college physics students, 35308
history education including problem solving effect analysis & timelines & vocabulary instruction, junior high school students with behavior disorders, 23623
history of & research in cognitive or learning strategies & E. S. Ellis's Integrative Instructional Model, applications for adolescents with learning disabilities, 47300
human teacher vs moving vs stationary personal robot vs tape recorder instructional method, learning about birds, 3–5 yr olds, 11392
imitation vs modeling teaching, novel morpheme learning, 5–6.9 yr olds with specific language impairment vs normal 3–4.9 yr olds, 3537
immediate vs delayed feedback supervision procedures, acquisition of systematic instruction skills, female special education preservice teachers, 3311
immersion approach to critical thinking & discussion in psychology instruction, students, 43202
implementation of national assessment system & role in teaching & measurement driven instruction, 6–7 yr olds, England & Wales, 31984
impromptu writing prompts in high school algebra class, benefits & changes in instructional practices, teachers, 3367
in vivo instruction with vs without prior simulation, safety skills, moderately disabled 10.3–11.9 & 15.1–19.5 yr olds, 41866
individualized vs group vs nonpersonalized instructions, mathematics achievement & attitudes, female vs male Mexican American 7th graders, 27448
information analysis in cognitive science & instructional strategies technology, instructional design theory, 7437
inner game vs progressive teaching method & hemispheric dominance, motor skill learning, college students, 11405
instruction in phoneme awareness, invented spelling, kindergarten students, 3395
instruction on Piagetian operations, generalization to other problems & academic gains, mildly mentally retarded 6–9 yr olds, 11557
instructional behaviors, college teachers vs coaches, 11371
instructional conversation teaching method, facilitation of student involvement in goal & meaning oriented discussions, 3385
instructional environmental contexts for classroom behavior, elementary & secondary students with learning disabilities, research review, 15493
instructional expertise & subject matter proficiency, implementation of cooperative learning technique, novice vs expert teachers, 39169
instructional games vs established teaching methods, motivation & performance, reentry vs other college students, 15386
instructional program with problem solving schema, critical thinking & decision making, learning disabled high school students, 35463
instructional setting demands & expectations, vocational vs junior high school teachers of learning disabled students, 43316
instructional strategies for conceptual change in physics education, erratum, 39205
instructional strategies for conceptual change in physics education, 15371
instructional strategy with 2 schedules of knowledge of performance & results feedback, skill acquisition on shooting task, college students in rifle class, 11382
instructional support, independent learning promotion vs limitation, middle school students, 43271
instructional vs behavioral information in problem analysis vignettes, problem attributions & acceptability of & preferences for interventions, K–6th grade teachers, 47153

instructive animation &/vs concurrent vs successive oral narration, retention of & problem solving in learned task, college students, 15389
instructor set performance goals, motor skill acquisition & retention of rifle shooting, college students, 15365
integrated field observations & course readings in applied adolescent development course, college students, 15414
integrated introductory psychology & English courses, autonomy & objectivity in thinking & writing, college students, 15411
integrated learning vs lecture based training, attitudes toward & performance in manufacturing resource planning training course, employees, 15595
integration of peer coaching & cooperative learning in science class, junior high & elementary school students, 35322
interactional analysis of video recordings of instruction, assessment of teaching vs learning mathematics with understanding, elementary school students, 11389
interactive teaching approach to problems of alcohol & drug abuse, freshman & sophomore medical students, 11262
intervention for & development of understanding of conservation & length concepts, 5–26 yr olds with Down's syndrome, England, 19601
intraclass grouping patterns in whole language instruction, students with poor reading skills, 11426
issues in whole language approach in education, deaf children, 3540
journal writing in mathematics education, 2nd graders, 15405
kinesthetic sensitivity practice, K–1st graders with poor handwriting, Australia, 23488
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23448
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23460
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23461
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23459
knowledge & beliefs about mathematics instruction & state educational reform, 5th grade mathematics teachers, 23463
knowledge & beliefs about mathematics instruction, 5th grade mathematics teachers, implications for educational reform, 23462
knowledge map vs text & communication aid with vs without strategy in cooperative learning, science learning, college students, 15398
knowledge maps & scripted cooperation in alcohol abuse information sessions, recall & knowledge & awareness, college students, 3338
linear vs computer assisted interactive video teaching method, transfer of cognitive learning of aseptic technique to clinical performance, students in medical surgical course, 31136
literacy & instructional patterns, urban low SES kindergartners inexperienced with print, 1.4 yr study, 3364
literal vs analogical presentation of scientific learning material, comprehension of basic details vs inferential implications of scientific concepts, college students, 44140
literary analysis vs experience, felt involvement in & aesthetic experiences & responses to picture book stories, 3rd graders, 19480
M. Angelou's "I Know Why the Caged Bird Sings" as basis for assignment in developmental psychology class, 27406
macroprocessing & microprocessing strategies instruction, text learning, high school remedial students, 47270
matching sequential vs simultaneous processing strength with corresponding instructional method, reading achievement, 1st–2nd graders, implications for educational decision making, 27425
matching with vs without fading of extra stimulus pictorial prompts vs feedback cuing, paired associate sight word learning, kindergartners, Australia, 35334
meaning based vs algorithmic practice vs conventional mathematics teaching, achievement, 8th graders, 3389
metacognition & question answer response training, social studies & global reading comprehension, 3rd–5th graders, Guam, 35284
metacognition based cognitive training program, learning from test & reading comprehension, 12 yr old average & poor readers, Finland, 27464
metacognition research & theory & strategies, implications for instructional design, 4329
metacognitive teaching approach, mathematics achievement & attitudes, 6th graders with low mathematics performance, 3333
method of remediating fundamental learning problems & teaching problem solving, autistic students, 7523
methods for assessment of & teaching adaptations for early reading ability, kindergarten & 1st grade teachers, implications for gifted programs, 27444
methods for teaching psychology, medical personnel & students, 15261
methods for training effective task performance in stressful situations & use in combat training, military personnel, 7726
microcomputer instructional programs, attitudes & development of computer skills, male vs female 3–6 yr olds, 15364
microwriting exercises, critical thinking in art appreciation, college students in introductory art course, 7434
milieu language intervention, common noun & verb acquisition & use, 2.3–3.9 yr olds with mild to borderline mental retardation in early intervention program, 23645
milieu teaching approach, acquisition of prelinguistic communication skills, male 20 mo old with Down's syndrome & mentally retarded 23–30 mo olds, 27595
mime treatment with vs without facial expression, emotional content & quality of autobiographical narratives, 3rd graders, 7428
model practice vs verbal rehearsal individualized instruction, physical education skill & academic learning, 4th graders, 11427
model type & verbal rehearsal strategy during physical education, motor sequencing, 7–8 yr old learning disabled males, 7519
modeling & coaching of metacognitive strategies underlying expert behavior, learning affect & cognitive ability, college students, 27470
motivational & socioemotional aspects of E. S. Ellis's instructional model for integrative cognitive strategy & content area instruction, adolescents with learning disabilities, commentary, 47297
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, commentary, 35323
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, 35289
motive for studying psychology & method of social observation instruction, interest & success in & pleasure from class assignment, college students, Canada, commentary reply, 35288
multisensory structured language approach, native & foreign language aptitude, high school students with language learning problems or disabilities, 15526
mutual aid group role play, learning of therapy group leadership skills, social work students, 35160
narrative & inductive teaching in higher education & acknowledgement of gender differences, female college students, feminist pedagogical implications, 31263
nature of dialog during cognitive process strategy instruction, teachers, 31251
neurological research findings & relation to teaching methods, dyslexic students, 19615
neutral orthodoxy vs curricular progressivism in child centered primary school education, primary school students, UK, 47191
nonconventional cognitive skill oriented teaching strategies & cognitive styles, student evaluation of faculty teaching performance, college & graduate science students, Canada vs Israel, 15360
norm of ridiculosity quotient as teaching strategy for promotion of systematic information processing & sustained attention, college students, 27399

open inquiry science laboratory environments, development of integrated process skills, male 8th & 11th–12th graders, Canada, 31279
operational processes of sorting & ordering in unified approach to learning & teaching mathematics, students, UK, 27421
organization & management of whole language classrooms, 3325
orienting activities & locus of instructional control, learning of factual & procedural knowledge from interactive video, college students, 31293
outcome & implementation issues of problem based learning method in medical education, 1972–92, meta analysis, 27228
parent tutored cued spelling technique, spelling performance, 8–9 yr olds, England, 31250
participatory learner vs lecture & discussion preretirement course, involvement & information gain & attitude & behavior change, nonacademic university employees, 3645
peer assisted question answer relationship training, reading comprehension, 3rd graders, 31249
Perceptanalytic system for competency based training in Rorschach scoring in clinical psychology graduate education, 27233
perceptions of & satisfaction with cooperative learning, college students, 27427
perceptions of classroom practices & attitudes toward science teaching, 10th graders, 1986 vs 1989, Canada, 31340
perceptions of dialog journal use in methods courses in reading & language arts, college & graduate students & teachers, 3345
personal knowledge & sharing stories on astronomical research in science education, teachers & students, 47176
personal reflections on qualitative research of teaching methods & cognitive maps & professional practical knowledge of gifted education teacher, researcher, 35472
perspectives on matching learning style & instructional strategy, academic achievement, students, 35354
philosophical & pedagogical issues & interpretive communities approach to political communication education, 11428
phonemic awareness & whole language vs basal instruction, development of decoding & spelling skills & writing fluency, 1st graders, 7410
physics teaching strategies, conceptual change in learning about collisions & conservation laws in mechanics, students, 39208
practice administrations, development of examiner proficiency on WISC-R protocols, graduate students in counselor education, implications for testing courses, 19364
practice progressions & difficulty level of skills, volleyball skill learning, 9th graders, 11469
preferred vs actual teaching style & female & minority student learning style adaptation, college students, 27419
pregnancy & delivery & child development course using problem based learning, correspondence between student generated learning issues & preset faculty objectives, 2nd yr medical students & tutors, 35139
preinstruction & vocational training, functional use of assistive communication device, moderately mentally retarded male with cerebral palsy, 15189
prisoners dilemma technique in social psychology classroom demonstration of situationism, 7431
probability game teaching method, demonstration of intuition vs empiricism in psychology education, 27442
problem based instruction in science course, problem solving processes, gifted high school students, 23658
problem based learning in clinical prevention medicine, perceived vs actual achievement of goals, medical students & faculty, 43071
problem based learning in long distance continuing medical education, 26–40 yr old rural medical practitioners, Ghana & Kenya & Pakistan, 7304
problem based learning vs conventional format within lecture dominated organ course on skeletomuscular system, course related knowledge & attitudes, medical students, 23370
problem based teaching method, knowledge & cognition skills, medical students in surgery clerkship, 15268
problem based vs didactic approach to teaching common ambulatory problems during senior ambulatory clerkship, medical students, 23365
problem solving inservice education program, science teaching attitudes & behaviors, middle school science teachers, 11355
problems & concerns in implementation of whole language learning practices, adult literacy teachers, 3312
process oriented instruction with vs without word processor, composing skills, learning disabled 13.3–15.9 yr olds, 15529
process product research & development of direct instruction & issues in teacher evaluation & selection, research review, 15344
production of TV commercials as teaching aid in cognitive psychology courses, college students, 15381
program based on modified incidental teaching strategies, use of manual signing, nonvocal mentally retarded 39 yr old male, 15193
program completion vs generation, learning activities & outcomes in elementary computer programing instruction, novice college students, 11435
program designs for multicultural training in religiously based human services programs, 23378
programed pitch practice vs private vocal instruction, vocal reproduction accuracy, 11–12 yr olds with severe vs profound hearing loss, 19583
progression vs final test practice & skill refinement & motivation, volleyball skill learning, 9th graders, 11422
projective aging technique for teaching issues in aging, students, 15413
psychological basis of problem based learning strategy & curricula, literature review, 15395
psychology activity module requirement to teach introductory students, advanced psychology college students, 27475
questions vs statements only vs conversational discourse style of teacher, computer mediated discussion & peer interaction, college students, 11379
reader response prompts, writing & critical thinking about literature & transactions with text, 4th graders, 3350
reading vs mathematics routine & specialized instructional adaptation for learning disabled & low achieving students, elementary school teachers, 35438
reasons for inconsistency between strategy instruction & student understanding of lessons, low achieving 2nd–3rd graders & their teachers, 31247
reciprocal teaching procedures in comprehension strategy instruction, comprehension of social studies material, 5th–6th graders, 23513
reciprocal use of language & action & learning cycle in science instruction, social constructivist student learning & teaching beliefs & practices, elementary & junior high & high school teachers, 31253
redundancy & split attention methods of instruction, cognitive load in geometry task, 4th graders, Australia, 47160
refining vs extending & applying tasks with vs without teacher feedback, ball striking skills & practice success, high vs low skilled 4th graders, 11420
reliability & validity of mathematics performance assessments from hands-on vs traditional curriculum, Anglo vs Latino 6th graders, 35955
revamping educational technology & philosophy & curriculum on basis of quadrate mind conceptualization of mental structure & development, children, commentary, 27436
revamping educational technology & philosophy & curriculum on basis of quadrate mind conceptualization of mental structure & development, children, 27422
revamping educational technology & philosophy & curriculum on basis of quadrate mind conceptualization of mental structure & development, children, commentary, 27477
revealing & telling teaching strategies in socialization of attention in literacy instruction, conference presentation, 27410
role playing & antiracist teaching, prejudice, students, meta analysis, 43215

scaffold vs nonscaffolded teaching method, performance & transfer in balance scale task, 3rd graders, 23554
school programs & teaching & intervention strategies, at risk students, literature review, 31268
science & art & ideology of perspectives in debates regarding psychology & teaching of reading, 27413
science education instructional strategies & curriculum evaluation & comparison, students with disabilities, literature review, 23629
science vs basal content reading, achievement in & attitude toward reading & science, 4th graders, 1 yr study, 3382
scripted interactions in cooperative learning context, probing of planning & evaluating & thinking activities during writing, deaf students with marginal English skills, 23604
semantic feature analysis & mapping as interactive teaching & learning strategies, text comprehension & content learning, learning disabled elementary & junior high school students, 19581
similarities & differences in cooperative learning vs group contingencies, students, commentary reply, 19494
similarities & differences in cooperative learning vs group contingencies, students, commentary, 19502
simple number games teaching method, counting ability, moderately mentally handicapped 11.6–18 yr olds, 3 mo followup, 27585
simultaneous prompting & instructive feedback in teaching rebus symbol identification & classification, developmentally delayed 36–42 mo olds, 35465
simultaneous prompting procedure, expressive object identification learning & maintenance & generalization, preschool students with developmental delays, 35450
simultaneous prompting vs constant time delay procedures, sight word learning, moderately mentally retarded 10–11 yr old students, 7530
simultaneous vs alternating nontarget stimuli in instructive feedback during direct instruction, acquisition of target stimulus, 4.6–5.1 yr olds with language & speech delays vs hearing impairment, 39363
simultaneous vs successive presentation of natural concepts, retention, 12–16 yr old students, 3378
social marking & countersuggestion & conflict of perceptual centration, conservation & operational thinking acquisition, primary school students, Switzerland, 31246
sociohistorical perspective on development of reading & unification of literacy instruction approaches, special & regular education students, 27571
software for & instructional & social benefits of cooperative method of small group learning, 19476
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47296
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47284
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary, 47290
special education perspectives on whole language vs direct approach to reading & literacy instruction & cognitive strategies, commentary with illustrative case, 47278
special education perspectives on whole language vs direct approach to reading & literacy instruction, commentary with illustrative cases, 47288
special education perspectives on whole language vs direct approach to reading & literacy instruction, 47272
splitting attention between technical illustrations & descriptors, cognitive load, high school students, 3377
standard word vs contextualized problems in videodisc instruction, problem solving skills, 9th graders in remedial mathematics classes, 47264
stimulus equivalence technology, application to rudimentary language arts education in classroom, 7435
storytelling as teaching method, development of clinical values & attitudes & healthy doctor patient relations, medical students & residents, 7310
storytelling technique in person centered death education, college students, 7398
strategies for inclusion in regular classroom activities, severely disabled students in high school drama class & teachers, 27573
strategies for teaching psychology history & systems courses, college students, 15388
strategy using make believe signifiers, developmental transition between concrete & abstract conceptualization of number, students, 27418
structural metaphors in content knowledge mediation of work conceptualization for students, secondary school teachers, 23447
structured controversy interactive strategy vs lecture on suicide, promotion of positive attitudes toward care of suicidal patients, nursing students, 31118
structured vs constructed teaching strategy, concept acquisition ability, novice vs competent college computer programing students, conference presentation, 27467
student feedback technique, evaluation of lecture presentation vs student centered activities, introductory psychology students, 39207
student generated data sets, introductory statistics students, 47193
stuttering, elementary school students, implications for teachers, 31289
success oriented physical education programs, elementary school students, 31296
synthetic with vs without analytic phonological task training, phonological awareness skills & word learning ability, kindergartners, 3398
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, commentary, 39362
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, 39333
systematic modeling vs learning cycle teaching strategy, integrated science process skills & formal reasoning ability, 6th–9th graders, 11425
Task Demonstration Model vs Standard Prompting Hierarchy in group instruction, correct responses & task engagement, severely or moderately mentally retarded 16–21 yr olds, 3553
task variation in physical education, acquisition of gross motor skills, autistic male 11–15 yr olds, 3575
teacher & student interactions & scaffolding in science education, 5–8 yr olds & their teachers, 7487
teacher characteristics & attitudes & constructivist teaching methods as reflection of goals for science understanding & learning, high school science teachers & students, Australia, 10 wk study, 3436
teacher characteristics & instructional practices, students' science learning outcomes & attitudes, middle & junior high school students & teachers in exemplary science program, 3332
teacher implemented instructional strategies, facilitation of reading difficult textbooks, middle & high school students, 23509
teacher training in collaborative transactional approach to reading informational texts, students' reading performance, severely reading disabled 6th–11th graders & their teachers, 15490
teacher training in question answer relationships vs traditional teaching methods, student reading comprehension skills, special education resource room teachers & learning disabled 1st–9th graders, 15522
teachers' use of affinity seeking strategies, perceived teacher credibility & student motivation, college students, 11394
teaching & learning processes in psychiatry & improvement & evaluation of teaching skills, psychiatry teachers, conference presentation, 35126
teaching method using positive self talk, writing attitudes & performance, students, 7432
teaching methods based on problem solving strategies vs syntactic & semantic aspects of writing & feedback, computer programing performance, college students, 47189

teaching methods for development of fluency with number facts, learning disabled students, 15497
teaching methods of tactual stimulation & gross motor movement exercises, cognitive learning, college students, test of M. Montessori's muscular movement theory, 23481
teaching of multiple exemplars & self instruction, generalization & response maintenance in problem solving task, severely mentally retarded 30–55 yr olds, 15069
teaching procedural & conceptual knowledge in learning to teach mathematics for understanding, female student teacher, 27370
teaching strategies, comprehension of alphabetic principle, preschool students through 1st graders, 15401
teaching strategy & existing knowledge, acquisition of basic vs superordinate concepts & interpretation of novel words, kindergartners vs college students, 25162
teaching strategy for conceptual change, understanding of light & its properties, 8th graders, Australia, 15374
techniques for production of reflection on nontraditional processes, implications for teacher education, 47129
techniques for promotion of reflection on own teaching practice & cognitive change, student teachers, Netherlands, 7376
theory of analogical thinking & use of analogies in instruction, 3396
think aloud strategies in cognitive training program, reading comprehension skills, 6th graders with poor & average ability, Finland, 31284
think aloud vs directed reading-thinking vs directed reading instruction, comprehension monitoring abilities, 4th graders, 3326
TOAST study system vs student selected study methods, retention of vocabulary, 6th graders, 15368
toasting contributors to psychology as teaching activity in history of psychology course, college students, 43240
traditional classroom vs video based anchored instruction, understanding of role of language theory in speech therapy interactions, college students, 39227
transactional strategies instruction & direct explanation vs teacher & student interaction with material, reading comprehension, elementary school students & teachers, 3375
transition based teaching with constant time delay procedure & instructive feedback, preacademic skill acquisition & generalization, 3.8–4.4 yr olds with hearing impairments, 31416
use & operational definition of term "best practice" in special education, 23634
use of excerpts from journal articles in introductory & advanced psychology courses, college students, 15399
use of expert vs novice technique in science education research, commentary reply, 3403
use of expert vs novice technique in science education research, commentary, 3384
use of personal cultural vs hypothetical examples in international teaching assistants' lectures, attitudes & recall & ethnocentrism & uncertainty, college students, 3370
utility of Play-Doh modeling in learning neuroanatomy of sheep brain, college students, 27478
variety in planning & teaching hand dribbling in basketball, expert vs novice 3rd–5th grade physical education teachers, 23446
verbal vs colored graphic analysis aids, learning of music by heart, guitar students, 11402
visual limitations & educational techniques & services, teachers & parents of children with albinism & adults with albinism, 22168
visual vs auditory vs tactile learning modality, voice pitch matching accuracy, K–3rd graders, 35319
vocabulary teaching intervention, teacher implementation & academic achievement & attitudes, general & special education teachers & learning disabled students, 3571
W. Glasser's "quality school" teaching procedure, enthusiasm & academic performance, graduate students, 27455
whole group approach with mini lessons, writing skills & generalization, learning disabled 6th graders, 7515
whole language vs skill based approaches, reading & phonics & comprehension & cooperative learning, children with reading disabilities, 11549
write-say teaching method, spelling accuracy, learning disabled 10.5–13.6 yr olds, 23622
writing instruction with word processor, writing quality & length & attitudes, students, meta analysis, 39189
writing vs tracing vs computer keyboarding teaching condition, spelling performance, 3rd–4th graders with vs without learning disabilities, 27469
writing workshop approach & praise & teacher expectations, self esteem & writing skills, mainstreamed junior high school students with learning disabilities, 11555
2 chair approach vs resolution of problematic reaction points as models for teaching experiential interventions, novice counselors, 11239
4 component instructional design model for training complex cognitive or high performance skills, 7438

Teaching Methods [See Also Advance Organizers, Audiovisual Instruction, Computer Assisted Instruction, Curricular Field Experience, Directed Discussion Method, Discovery Teaching Method, Educational Field Trips, Group Instruction, Individualized Instruction, Lecture Method, Lesson Plans, Montessori Method, Open Classroom Method, Peer Tutoring, Team Teaching Method, Televised Instruction, Tutoring, Videotape Instruction]—Books

Analysis of arithmetic for mathematics teaching, 3404
Cognitive science foundations of instruction, 43242
Educational psychology: Effective teaching, effective learning, 27352
Helping students become strategic learners: Guidelines for teaching. Cognitive strategy training series, 47203
I Can Problem Solve: An interpersonal cognitive problem-solving program: Intermediate elementary grades, 23521
I Can Problem Solve: An interpersonal cognitive problem-solving program: Kindergarten & primary grades, 15421
I Can Problem Solve: An interpersonal cognitive problem-solving program: Preschool, 15420
More ways than one: Fostering creativity. Creativity research, 23518
Smart schools: From training memories to educating minds, 11442
Strategies for teaching students with mild to severe mental retardation, 43330
Structural knowledge: Techniques for representing, conveying, and acquiring structural knowledge, 35249
Teaching family therapy. Systemic thinking and practice series, 43083
Teaching the student with spina bifida, 15534

Teaching Methods [See Also Advance Organizers, Audiovisual Instruction, Computer Assisted Instruction, Curricular Field Experience, Directed Discussion Method, Discovery Teaching Method, Educational Field Trips, Group Instruction, Individualized Instruction, Lecture Method, Lesson Plans, Montessori Method, Open Classroom Method, Peer Tutoring, Team Teaching Method, Televised Instruction, Tutoring, Videotape Instruction]—Chapters

An anchored instruction approach to cognitive skills acquisition and intelligent tutoring, 19513
Anchored instruction in science and mathematics: Theoretical basis, developmental projects, and initial research findings, 11457
Building mathematic skills, 15537
Collaboration and conversation in learning communities: The discipline and the classroom, 39247
A critical analysis of teaching rational number, 31303
Curricular innovations: Social diversity as course content, 31300
Developing abstract concepts, 15536
Engagement and performance feedback: Enhancing the classroom achievement of students with mild mental disabilities, 43346
Good strategy instruction is motivating and interesting, 3417
Halves, pieces, and twoths: Constructing and using representational contexts in teaching fractions, 31301
Implementing an across-the-curriculum strategies program: Teachers' reactions to change, 3410
Interactive learning environments: A new look at assessment and instruction, 16055
"Our hearts are collectively breaking": Teaching survivors of violence, 39244

Pragmatic versus syntactic approaches to training deductive reasoning, 28283
Promoting active learning in psychology courses, 47211
Rational and fractional numbers as mathematical and personal knowledge: Implications for curriculum and instruction, 3414
Reading acquisition in analphabetic adults, 43355
Reading Recovery: It's not what you do, it's the way you do it, 23533
The Seattle Social Development Project: Effects of the first four years on protective factors and problem behaviors, 11450
Self-regulated strategy development: A part of the writing process, 3579
Skilled and not-so-skilled reading: Good information processing and not-so-good information processing, 3418
The Socratic–sophistic continuum in teaching psychology and psychological research in America, 27482
Structuring environmental input to facilitate generalized language learning by children with mental retardation, 23652
Teaching and learning long division for understanding in school, 3416
Teaching literacy first, traditional English orthography second, 19512
Technology and the design of generative learning environments, 23551
Toward integrated curricula: Possibilities from anchored instruction, 43245
Word problems: A microcosm of theories of learning, 19438
Working with perceptual-motor skills, 15539

Team Teaching Method—Serials

team accelerated math instruction, achievement, high math achieving 3rd–5th graders, 35298

Teams—Serials

active vs passive leader teams & hierarchical resource allocation in Navy command & control decision making environment, 11737
community based family therapy training, therapist teams & drug abusing 15 yr old male or suicidal 14 yr old female & their poor minority families, 26606
construct & predictive validity of Perceived Motivational Climate in Sport Questionnaire, assessment of team satisfaction & performance worry & climate, young athletes, 39756
educational collaboration & relationship to school consultation & characteristics & organizational structure of collaborative school teams, implications for school counselors, 43029
elements of team ideology & criticism of & alternative perspectives on dynamics of work groups in organizations, 23782
exercise related sudden death of teammate, attitudes & emotional reactions, college football players, 13532
external communication activity, team environment & performance, managers of new product teams in high technology companies, 23768
facilitation & phases of team & work group development, school special services practitioners, 31226
family systems approach to sports psychology consultation, conflict resolution & cohesion, college athletic team, 47459
framework for dynamics & leadership of mental health treatment team, team members & leaders, 2880
frameworks for identification & consideration & development of teams & teamworking, organizations, 27653
functional & tenure diversity & demography, internal group dynamics & external communication & employee vs manager rated performance & innovation, new product teams of high technology companies, 11625
low fidelity simulation in team coordination & performance research for critical work environments, 19676
mainstreaming support program & educational leadership teams for advocacy of special needs students, regular & special education high school teachers, 31410
manager's tactical skills & leadership, win-loss records indicative of organizational performance, professional baseball teams, 1945–65, 43426
mental models & formation of expectations & explanations, team performance & training in complex systems, military training crews, 31486
merger or acquisition, emotional states & team building, employees, 15677
midseason to postseason change in performance norms, junior high school to college athletic teams, Japan, 11718
model for solution focused intervention with format of multiple reflecting positions, family therapy team & married client couple, 38512
movement toward & contingencies of self leading work teams, employees, 11639
perceptions of teammates' expected vs unexpected response to athletic performance during crisis vs noncrisis situations, top rated athletes, 7709
perspectives on & strategies for team building & teamwork for public information & health promotion, health care workers, 31079
perspectives on reflective teams, therapists, 15296
phenomenological analysis of perceived group goals for practice & competitive situations, team athletes, 19759
presence vs absence of spectators, total points scored & field goal & free throw percentage, college basketball teams, 1988–89, 39534
prior success & urgency & motivation, performance in playoff games, professional basketball teams, 1947–82, 11721
psychosocial elements of sports team psychology, 17–25 yr old athletes, 15719
quality assessed by Armed Forces Qualification Test, team performance, Army recruits, 27753
range of & individual planning in community mental handicap teams, Wales, 34880
relationship & language & preunderstanding in reflecting team approach to family therapy, family members, 10546
role in interdisciplinary team, child & youth care workers, 14981
self managing work teams in international business scene, Australia vs Canada vs Japan vs Sweden vs UK vs US, 31525
semi autonomous work teams based organizational structure, role clarity & job motivation & satisfaction & productivity & turnover & absenteeism, railway workshop employees, Australia, 7690
statewide models for teacher assistance teams & early & prereferral intervention, students at risk for school failure, 31276
STEAMWORK system as framework for team building, 9543
structure & human resource & political & symbolic cognitive maps in work team, engineers, implications for organizational team building, 15663
supportive vs unsupportive audience, game performance, home soccer or ice hockey or basketball teams, Finland, 47456
teacher assistant team approach to collaboration & support & development of alternative instructional strategies, teachers of children with cognitive & behavioral problems, 31377
team building intervention, group cohesion & exercise adherence patterns, female aerobics class participants, 35624
team building strategies for aerobics class, group cohesion & satisfaction, female college students, 31613
team captain goal achievement vs group relations leadership orientation, performance norms & expectations, adolescent & adult athletes, 3761
team cohesion & identifiability, social loafing in relay performance, collegiate swimmers, 39528
team crisis intervention in response to student's suicide, students, 11576
team geriatric assessment approach, medical decision making & stress, family of female 77 yr old with dementia, case report, 6400
team performance indicators & national postseason rankings, Division I male college basketball teams, 3758
team proofreading, error detection, college students, 33237
techniques for & effectiveness of communication skills training, collegiate interactive sport team athletes & their coaches, 31619

theoretical & methodological & psychometric issues in measurement of teamwork skills, 4160
voluntarily formed vs assigned work teams, morale & performance, 19–48 yr old industrial employees, China, 27635
Teams—Books
Teams: Their training and performance, 15572
Teams—Chapters
Assessment of team performance, 15622
Can you study real teams in contrived settings? The value of small group research to understanding teams, 15574
Cognitive complexity and team decision making, 15580
Crews as groups: Their formation and their leadership, 39514
Guidelines for use in team-training development, 15624
The in-school team experience, 7557
The management of strategies for internal labour market flexibility, 11624
Mathematical models of team performance: A distributed decision-making approach, 15576
Social categorization and intergroup acceptance: Principles for the design and development of cooperative learning teams, 27360
Team building and its influence on team effectiveness: An examination of conceptual and empirical developments, 23792
Team composition and staffing, 15577
Team decision making and performance: A review and proposed modeling approach employing Petri nets, 15573
Team decision-making biases: An information-processing perspective, 37457
Team decision making in complex environments, 37462
Team research in the 1990s, 13466
Team skills training in nuclear power plant operations, 15575
Teams, leaders, and organizations: New directions for crew-oriented flight training, 39516
Toward a taxonomy of team performance functions, 15621
Toward an understanding of team performance and training, 15579
Training technologies applied to team training: Military examples, 15736
The weakest link: The performance of individual team members, 15623
Work teams in industry: A selected review and proposed framework, 15620
Technical Education Teachers [See Vocational Education Teachers]
Technical Personnel [See Also Technical Service Personnel]—Serials
adjustment & work satisfaction & relocation motives & satisfaction concerning overseas assignment, repatriated managerial & technical personnel, US, conference presentation, 3697
characteristics of technician deployment in & efficiency & cost effectiveness of professional/technician model in clinical psychology & neuropsychology, 19380
development of microcomputer intelligence for technical training software program, training & troubleshooting & diagnostic skills in complex technical domains, Army personnel, technical report, 27760
management & leadership style preferences, 24–65 yr old technical labor vs management personnel in defense industry computer software company, 31523
Operation Redblock peer intervention & education program for reduction of alcohol & drug use in workplace, railroad employees, 31683
union loyalty & interrole conflict, propensity to strike, 24–64 yr old unionized university technologists & technicians, Canada, 19718
Technical Schools—Serials
predictor variables & identification of motivation & demotivation, 8th–12th graders in general vs high vs low level technical education, 31352
Technical Service Personnel—Serials
response moves in technical service interactions with customers, technical support specialists for software support hot lines, 23722
Technology [See Also Nuclear Technology]—Serials
anthropological perspectives on technological evolution, 17297
attitudes toward science & technology & society interactions, preservice vs inservice secondary science teachers, 47139
business cycle model of corporate databases & information systems & technologies, 31446
classification of working ability & relationship to aging & need for humanization of technology based on gero-ergonomics, 37224
cognitive skill base of new technologies & effectiveness when implemented in different organizational contexts, conference presentation, 11700
community level impacts of technological & environmental change, 1182
competitive dimension as sharing & transfer of knowledge of employees & paradox of replication of technology & deterrence of imitation by innovation, firms, 11683
conflict & fear of deskilling effects & other attitudes toward advanced manufacturing technology, shop managers vs users vs nonusers of technology, UK, 7634
current research & technological trends in computer supported cooperative work, groups, 43559
dependence of learning & successful technological collaboration on interorganizational trust between partners, biotechnology organizations, Great Britain, 23770
dread in Not in My Backyard & Locally Unwanted Land Uses syndromes, reactions to environmental risk in facilities & technologies, general public & scientific community, 23847
enhancement of capabilities & road safety by & attitudes toward road transform informatics, 52–79 yr old drivers, England, 23872
familiarity with & intentions to use information & entertainment technologies & computer based communication systems, male vs female college students, 36932
feelings about & perceptions of gains & losses in process of computer technological change in workplace, knowledge workers, 3694
history & evolution & practical applications & future of common sense based technology for organizational change, employees of large complex organization, 39501
industrial sector & occupation & demographic group, self reported skill & occupational autonomy & impact of technological change, employees, Canada, 31552
issues in assistive technology & vocational evaluation, 35054
issues in computer assisted personal interviewing & survey taking, research review, 28147
job satisfaction, high technology vs traditional industry employees, 3700
knowledge representation & information processing, national power system dispatchers, Romania, 43489
medical technological advances & trends in behavioral medicine, 30571
metaphors as means of organizational technological change & related gender & power issues, 7694
microtechnology based instruction, social contingency awareness & interpersonal communication, 10 mo to 10 yr olds with hearing & vision loss & orthopedic impairment & mental retardation, 3 yr study, 23304
network analysis vs communication gradients approach to organizational communication structures & impact of technological & spatial factors, 7688
organization design & culture, successful advanced manufacturing technology implementation, organizations, 15690
organizational changes due to transition from traditional to computer integrated manufacturing, 3725
possible harmful uses of scientific & technological creativity, 45253
process of acceptance & use of new technology, organizations, conference presentation, 11703
role in family's adjustment to home care of technology dependent child, hospital based clinical nurse specialists vs agency nurses, 19110
safety & human factors issues in design of Intelligent Highway Systems technology, 15774

sex & education & work status & religiosity & political utility & attitudes, confidence in science & technology, adults, 1973–89, 25549
skipper effect vs technical & ecological factors, fishing production, Iceland, implications for resource management & folk models, commentary, 9409
skipper effect vs technical & ecological factors, fishing production, Iceland, implications for resource management & folk models, commentary reply, 9400
social development model of consultation, technology transfer for social work education, Canada & Sri Lanka, 19319
style & phase of new technology implementation, job satisfaction & stress & occupational environment, employees, 47429
technological & social changes in engineering psychology, research review, 43556
technological advances in input & output devices for human computer interaction, implications for future research, 43566
technological change in production process, effectiveness of organizational problem solving processes of preparatory & joint search & functional overlap, global organization, 11687
technological self efficacy, job performance & satisfaction & withdrawal & other behavior & attitudes, telecommunication field service technicians, 27686
technology & marker & management & organizational factors, quantity & quality of jobs, Western vs Eastern societies, test of uncertainty contingency hypothesis, 31528
views on technology & related issues, K–12th grade teachers, Canada, 3303
Technology [See Also Nuclear Technology]—Books
Constructivism and the technology of instruction: A conversation, 23519
Teaching in the information age: The role of educational technology. New directions for teaching and learning, No. 51: The Jossey-Bass higher and adult education series, 15419
Technology-mediated communication. Technological innovation and human resources, Vol. 3, 15691
Technology [See Also Nuclear Technology]—Chapters
Access to new technology in the employment of disabled people, 45966
Changing towards human-centred technology, 11780
A cognitive framework to understand technological creativity: Bell, Edison, and the telephone, 24428
Communication and information technology for war and peace, 36959
Crossroads on the pathways to discovery, 604
The dual character of computer-related achievements in an organizational context, 15696
An epistemic analysis of the interaction between knowledge, education, and technology, 23435
An exploration of the use of information technologies for inter-unit coordination, 15693
Holistic and participative (re)design: Contemporary STSD modelling in The Netherlands, 11697
Medical education and decision support using network-based multimedia information resources, 31139
Training technologies applied to team training: Military examples, 15736
Varieties of virtual: Expanded metaphors for computer-mediated learning, 23528
Workers, unions, and new technology, 43514
Teenage Fathers [See Adolescent Fathers]
Teenage Mothers [See Adolescent Mothers]
Teenage Pregnancy [See Adolescent Pregnancy]
Teeth (Anatomy)—Serials
anesthesia, responses of trigeminal brain stem neurons & digastric muscle to painful electrical stimulation of tooth pulp, male cats, 28575
dietary habits & dental health behavior, risk for dental caries, nonproduction vs production line confectionery workers, Finland, 26193
plastic teeth disease symptoms & cultural symbolism of bodily processes & sociocultural change, Haya children, Tanzania, 6266
psychological sequelae, patients with permanently implanted false teeth, 2 yr followup, 46674
restricted activity & work & school time lost due to dental problems & visits, 18–65 yr olds & older, 22908
self mutilating tooth autoextraction, 22 yr old male with Gilles de la Tourette syndrome, England, case report, 42049
transcutaneous electrical nerve stimulation treatment, tooth pain thresholds & depression & anxiety & health locus of control, 25–67 yr olds with musculoskeletal neck & shoulder pain, Sweden, 26936
Teeth Grinding [See Bruxism]
Tegmentum [See Also Periaqueductal Gray]—Serials
amphetamine vs haloperidol vs naloxone, stimulation reward from dopamine A10 region of ventral tegmentum, male rats, 16740
contingent electrical stimulation of ventral tegmental nucleus, facilitation of & recovery from frontal cortex lesion induced active avoidance deficit, male rats, 12494
desipramine, stress induced anhedonia assessed by tegmental electrical self stimulation, male rats, animal model of depression, 40633
dopamine & dopamine related compounds, electrophysiological effects on substantia nigra pars compacta & ventral tegmental area neurons, 732
dynorphin A antiserum in active hyperalgesic region of dorsal posterior mesencephalic tegmentum, thermally evoked tail avoidance responses, female rats, 12791
enkephalin catabolism inhibitor kelatorphan in ventral tegmental area, motor activity & extracellular dopamine in nucleus accumbens, male rats, 28690
lesion of ectopic vs regular nucleus isthmo-opticus in centrifugal visual system, visual discrimination & acuity & object motion detection, pigeons, 12509
mu & kappa opioid agonist infusion to ventral tegmental area, reinforcement & aversion in place conditioning paradigm, rats, implications for neuroanatomical mediation of motivation, 28666
neonatal lesions of ventral tegmental area, stress induced monoaminergic responses in medial prefrontal cortex & other dopamine projection areas, female rats, 20524
neurotensin in ventral tegmental area, locomotor activity & behavior in forced swimming test, male rats, 20828
neurotransmitter regulation of dopamine neurons in ventral tegmental area, literature review, 32405
PCP, amino acid induced activity of tegmental dopamine neurons, male rats, 40698
perspectives on control of orienting movements by brain stem tegmental circuits & Cartesian components hypothesis, barn owls, conference presentation, 16560
picrotoxin induced subpallidal GABA blockade vs peducolapontine tegmental nucleus lesions, prepulse inhibition of acoustic startle, male rats, animal model of behavioral gating, 24777
quinpirole in ventral tegmental area, ethanol & sucrose reinforced responding on FR schedule, male rats, 44639
repeated ethanol, development of tolerance to stimulant effects on dopaminergic neurons in ventral tegmental area & neurotransmitter release in dopamine terminal regions, male rats, 20845
sc cocaine, in vivo synaptic dopamine & 5-HT in ventral tegmentum & psychostimulant motor & other behavior in reinforcement paradigm, male rats, 4750
SCH 23390 vs pimozide, morphine induced ventral tegmental area dopamine neuronal activity, male rats, 20876
somatosensory stimulation, response of neurons in pedunculopontine tegmental nucleus & intralaminar thalamus, rats, 32393
stimulant dopaminergic antagonists, cocaine induced ventral tegmental dopaminergic neuron firing & locomotion & stereotypies & brain dopamine metabolism, male rats, 12862
systemic scopolamine, brain self stimulation reward from A10 nucleus of ventral tegmental area, male rats, 20794
unilateral quinolinate vs ibotenate lesion of pedunculopontine tegmental nucleus, motor activities & eating & drinking, male rats, 12505

ventral tegmental area neuromedin N vs neurotensin, electrical brain self stimulation, male rats, 12876
5-HT agonists, schedule induced polydipsia, tegmental vs locus ceruleus lesioned male rats, implications for CNS integration in stress coping reactions, conference presentation, 16810
Tegmentum [See Also Periaqueductal Gray]—Chapters
Self-stimulation of the ventral tegmental area enhances dopamine release in the nucleus accumbens: A microdialysis study, 20642
Telecommunications Media [See Also Educational Television, Radio, Telephone Systems, Television, Television Advertising]—Serials
delusions surrounding satellite receiving antenna dish, female 32 yr old with paranoid schizophrenia, commentary, letter, 21830
mental health software access through computer bulletin board systems, mental health personnel, 3148
technical & social & user related breakdowns & repairs in communication in computer mediated telecommunication system, college students & tutors, England, 43561
uncertainty & psychological gratification & costs & information acquisition in shopping vs teleshopping, 15743
Telecommunications Media [See Also Educational Television, Radio, Telephone Systems, Television, Television Advertising]—Chapters
Innovative desktop learning tools: Implications for rural hospitals and physicians, 31141
Is interaction the message? The effect of democratizing and non-democratizing interaction in video-conferencing small groups on social presence and quality of outcome, 13470
Multimedia communications in health care, 30805
Telework and communication in data processing centres in Brazil, 15695
Women and computer technology: Communicating for herself, 21107
Telekinesis [See Psychokinesis]
Telencephalon [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Caudate Nucleus, Cerebral Cortex, Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Globus Pallidus, Gyrus Cinguli, Hippocampus, Limbic System, Motor Cortex, Occipital Lobe, Parietal Lobe, Somatosensory Cortex, Temporal Lobe, Visual Cortex]—Serials
ablation of various telencephalic areas, unconditional approach responses & tonic immobility & open field behavior, newly hatched quail chicks, implications for neural basis of imprinting, 44409
age related decrease in immunoreactivity toward & receptors for & binding of glutamate in telencephalon vs brain stem & cerebellum, male rats, 12486
auditory efferent pathways in neostriatum intermedium pars ventrolateralis & afferent pathways to anterior telencephalon & relation to vocal learning, budgerigars, 32394
cholinergic nerve fibers originating in basal forebrain, regulation of cerebral cortex & hippocampus blood flow, research review, implications for Alzheimer's disease, 12541
coexpression of Fos immunoreactivity in intermediate & medial hyperstriatum ventral & protein kinase gamma positive neurons, 1 day old imprinted chicks, 32370
D-amino-5-phosphonopentanoic acid in left hyperstriatum ventrale, imprinting & learning, domestic chicks with lesioned right hyperstriatum ventrale, 16824
ectostriatum vs Wulst lesions, discrimination between video images of quails vs conspecifics, pigeons, 16594
exposure to female vs stress, morphological changes in neurons of archi-neostriatum caudate, male isolation vs cage vs aviary reared zebra finches, 36553
glutamate receptor number & affinity in hyperstriatum ventrale & archistriatal/lobus parolfactorius, memory encoding, imprinted vs nonimprinted chicks, 44408
lateral telencephalon lesions, pecking in concentric key array, pigeons, 36522
lateral vs medial laminar lesion of hyperstriatum, conditional discrimination learning & reversal, pigeons, 32411
prenatal ethanol, circadian rhythm of telencephalic ventricular cell proliferation, pregnant rats & pups, implications for fetal alcohol syndrome, 20935
raclopride binding sites in postmortem caudate & frontal cortex, schizophrenic 22–50 yr old violent suicide victims, 25837
structural asymmetry in thalamofugal visual projections & hemispheric differences in synaptic density of hyperstriatum accessorium, 2 day old male chicks, 8674
visual discrimination capabilities, telencephalectomized &/vs anesthetized Japanese quail chicks with unconditional approach preference for blue vs red vs achromatic pattern stimulus, 36524
visual environments, metabolic activity in hyperstriatum accessorium, 2 vs 17 day old male chicks, 12488
Telepathy—Serials
explanatory model of telepathy based on charisma & empathy, 40221
hypnotic age regression, clairvoyant & auditory perceptions & telepathic awareness between fetus & mother, 13 yr old & adult offspring, 26814
Telephone Hot Lines [See Hot Line Services]
Telephone Systems—Serials
brief telephone outreach as recruitment & intervention strategy in smoking cessation, 25–74 yr old smokers, 15109
clinical content & temporal patterns & utterance form & interviewing & history taking in telephone management of gastroenteritis, family practice residents, 27246
message extrinsic vs intrinsic perspectives, accomplishment of interpersonal relationship within 1st few seconds of telephone conversation, strangers & intimates, 1363
mobile phones with in vivo exposure treatment, female 35 yr old & male 42 yr old with driving phobias, 38465
placement of call vs casual vs intense conversation on cellular telephone vs radio tuning, attention in simulated driving sequence, 17–25 vs 26–49 vs 50–80 yr olds, 39615
predictability of speech & telephone line conditions during receiver amplification & magnetic coupling of hearing aid, speech perception, hard of hearing 25–69 yr olds, Canada, 14427
reliability of Katz's Activities of Daily Living Scale in telephone interviews, 55 yr olds & older, 31798
reliability of Telephone Assessed Mental State examination, 59–88 yr olds with Alzheimer's disease, 39855
self instructional smoking cessation materials with vs without telephone contact by therapist, abstinence, adult smokers, Australia, 3 & 6 & 12 mo followups, 30988
telephone group work, adults with end stage AIDS, conference presentation, 34694
Telephone Interview for Cognitive Status, detection of dementia, 67–94 yr olds, 39863
telephone social work group, homebound clients with multiple sclerosis, conference presentation, 42785
telephone use & negotiation of cultural constructions of gender & power in dating relationships with males, single female 25–37 yr olds, 37361
tentative profile of obscene telephone callers, victims & 19–46 yr old male perpetrators calling in to telephone help line, UK, 29812
time & motion concepts & usability assessment of cognitive demands in user interface of large computer system, telephone operators, Australia, 19822
use of alarms & telephones in emergency & community services, elderly, UK, 42713
use of stop smoking telephone help line, HMO members, 33 mo study, 30997
user friendly telephone testing, assessment of midazolam or flunitrazepam effects on memory, healthy 30–54 yr olds, Netherlands, 44647
Telephone Systems—Books
Telephone conversation, 13454
Telephone Systems—Chapters
The invisible intruder: Women's experiences of obscene phone calls, 37914
Use of the telephone in play therapy, 46289
Televised Instruction—Serials
motivation for taking televised class, graduate students, 27412
TV viewing vs reading of story, mental effort & retention & inferential learning, 4th vs 6th graders, Netherlands, 47158

Television [See Also Educational Television, Television Advertising]—Serials
application of data reduction approach to data analysis of survey of public perception of TV news coverage bias, adults, UK, 9081
cable & videocassette recorder penetration, network TV audiences & revenue shares, 1980–90, 28853
causal explanations of drunk driving in TV audience discussion programs, viewers, 1914
communication skills & patterns in TV soap operas, Scotland, 44815
conflictual interactions among favorite TV families, 2nd–6th graders, 1970s vs 1989–90, 25076
content analysis for type & severity & responses to injuries in children's TV programs, 9082
content preferences of favorite TV program types, program type preferences as first-runs vs re-runs, 16–92 yr olds, 16983
cultural paradoxes & similarities & images of money in character portrayals, female TV heroes, 32801
development of trends & economic influences in TV series addressing single working females, 1966–90, 5019
distribution of occupations among prime time network TV characters, work attitudes, high school seniors, 1973–85, 29058
dramatic presentation of TV news, recall & cognitive complexity, college students, 16973
emotional pictures, recall & judgment of TV news items, college students, 28304
exposure to newspaper vs TV stories & intervening thinking time, hypermnesia effect in story recall, college students, 16976
exposure to televised presidential debates, knowledge gap & increased awareness of campaign issues, voters, reanalysis of 1988 survey data, 32802
fanship & sex & dramatic vs neutral TV commentary, perception & enjoyment of player hostility & fighting, college students viewing basketball game, 5027
frequency & salience of aggression & violence in TV programing, Finland, 36956
gender & sexuality & gender markers of various creatures & characters in TV show "Pee Wee's Playhouse", 9080
ideal body in TV programing & commercials, self perceived & elastic body image & body size overestimation & mood, female college students, implications for etiology of anorexia & bulimia, 7752
issues in TV promotion & role of environment in healthy lifestyle, 2834
labeling of primary & secondary stories in newscast, credibility of TV news story, college students, 16975
language competence & preferred communication modality & severity of hearing loss, comprehension of TV messages, hearing impaired 8–12 yr olds, 14434
market size & preference for neutral vs participant journalism, consonance in depiction of violence in TV newscast, self labeled objective vs interpretive TV news directors & producers, 25077
models of labor market dynamics, employment & earnings trajectories, male vs female TV industry writers, 1982–90, 19655
negative vs positive portrayal of old age on TV, emotional responses, lonely vs nonlonely elderly, 5277
origins & evolution of TV crime program "Crimewatch UK", UK, 28856
portrayal in TV & print media, elderly, literature review, implications for educational gerontology, 28858
portrayal of Black family life & interactive behavior on TV, 1985–86, 40765
print vs video media format, inferencing strategies in interpretation of stories, high vs low achieving 5th graders, erratum, 28942
psychiatric consultation in telemedicine in child psychiatric & family assessment, Canada, letter, 26392
public TV program sponsoring, advertising value in consumer image of & attitude toward corporate sponsor, adults, 19784
radio &/vs TV smoking prevention campaigns, expected consequences of smoking & peer approval, adolescents, 23224
ratings of source credibility before vs after TV appearance of presidential candidate B. Clinton, college students, 1316
reading vs TV as concurrent activity, FI low rate responses & verbal regulation, college students, 40197
related vs unrelated cuts, attention & audio & visual memory & processing capacity for TV messages, college students, 28254
scandals associated with televangelism & American Protestantism & Fundamentalism, public opinion & religious beliefs & behaviors, adults & adolescents, 1987–88, 13255
sexual behavior & language in prime time TV, 1979 vs 1989, 5026
singular epicene antecedents & pronominal disagreements & issues of sexism in language, TV interview speakers, 12964
televised smoking cessation intervention with vs without social support & relapse prevention training vs discussion group, abstinence, adult smokers, 27135
televised smoking cessation program, cessation rate, smokers, 24 mo followup, 19235
TV & movie violence, aggressive behavior, children & adults, 36955
TV & parental influences & political socialization, children, 17164
TV entertainment & sports & news & interracial contact & integration, beliefs about socioeconomic outcomes & contributions of Blacks vs Whites, White college students, 5018
use & opposition of rape myths in storylines of prime time TV dramas, 1980s, 21908
verbal commentary of TV coverage of women's vs men's NCAA basketball tournament & singles vs doubles vs mixed doubles US Open tennis tournament matches, 1989, 31618
viewer report of alcohol consumption in British vs Canadian vs American TV programing, international statistics for alcohol misuse, college students, Canada, 1940
viewing of & portrayal in TV entertainment programs & TV news, elderly, 5022
visual practices & promotional function of TV news reporting & communications research issues, 25075
work roles, differences in views on news selection, local TV journalists, 32798

Television [See Also Educational Television, Television Advertising]—Books
Television and the drama of crime: Moral tales and the place of crime in public life. New directions in criminology series, 5030

Television [See Also Educational Television, Television Advertising]—Chapters
Spontaneous psi in mass mythology, media and western culture, 12977
Television violence: A proactive prevention campaign, 849

Television Advertising—Serials
attitudes toward & perceptions of functions of TV advertising, adult householders, 11746
channel switching phenomenon of zapping during commercials, brand purchase behavior, TV viewers, 31650
content analysis of message appeals of G. Bush vs M. Dukakis in 1988 presidental election campaign TV commercials, 13334
content analysis of negative TV advertising in presidential election & relation to voter behavior, 1988, 1310
content analysis of TV commercials for portrayal of shyness, male vs female adults vs children, 21126
content of humorous TV advertising, South Korea vs Germany vs Thailand vs US, 35644
demographic characteristics & emotional responses to & evaluation of TV commercials, adults, 39568
discrimination vs avoidance, TV commercial zipping during viewing of prerecorded videotape, 18–65 yr olds, 3787
emotion & message content & execution, appeal & tone of TV commercials, college students, 7749
free elicitation vs response scale measures of feelings & judgments evoked by TV advertisements, college students, 3784

ideal body in TV programing & commercials, self perceived & elastic body image & body size overestimation & mood, female college students, implications for etiology of anorexia & bulimia, 7752
in school viewing of Channel One news program, knowledge of & interest in news events & evaluations of & intent to buy advertised products, 10th graders, 31255
information processing & effectiveness of TV vs radio advertisements from perspective of multiple resource & other theories, commentary reply, 3793
initial presence & cumulative rate of presentation of brand & social content, patterns of online evaluations of TV commercials, adults, 43545
involvement in TV program content & attentional devices in advertising, processing of TV commercials, college students, 39567
issue vs image strategies & attack vs support appeals & music & visual content, impact of TV political commercials on attitudes & voting intent, college students, 5445
mathematical media selection model maximizing effective reach of TV advertisement exposure, households, 31654
number & length of camera shots in TV commercials, recall & persuasiveness of commercials, 18–34 vs 35–49 vs 50–65 y olds, 1978–88, 39580
perception of humorous TV ads, college students, US vs Finland, failure to support Freud's humor typology, 47496
processing goals & advertisement fit with evoked product category in memory, processing intensity for TV advertisements, college students, 47495
production of TV commercials as teaching aid in cognitive psychology courses, college students, 15381
psychometric properties of Bem Sex Role Inventory, assessment of stereotypic vs counterstereotypic gender role portrayals in TV commercials, adults, 39744
selection of TV programs for product matches based on traditional demographics vs purchasing behavior criteria using single source data, 18–55 yr olds & older, 1988 vs 1989, 31652
sex role portrayals of male vs female home caregivers in over-the-counter drug vs nondrug TV commercials, 27773
televised toy advertisement in related adjacent vs nonadjacent toy based cartoon, advertisement/cartoon distinctions & perceived commercial intent, female 4–6 vs 7–8 vs 9–11 yr olds, 25170
TV ads for soft drinks vs beer with vs without antidrinking messages, alcohol expectancies, 5th vs 8th graders, 37136
TV advertising clutter, memory for brand names, consumers, 47494
TV commercial length & informational vs emotional content & repetition, learning & brand & advertisement attitudes & purchase intention, college students, 27779
TV commercials, emotions & perceived somatic responses, college students, 44535
type of political commercial & TV programing, candidate evaluation & issue recall & vote likelihood, civic groups members & college students, 16972

Television Viewing—Serials

attitudes & parental role, viewing of TV violence & aggression, adolescents & their parents, 21272
background TV prime time drama vs commercials, reading comprehension & immediate vs delayed recall, college students, 347
beliefs about influence of TV & video games on children, 10–19 yr olds vs parents vs 18–71 yr olds without offspring, 5224
cable & videocassette recorder penetration, network TV audiences & revenue shares, 1980–90, 28853
channel switching phenomenon of zapping during commercials, brand purchase behavior, TV viewers, 31650
consistency of selected channels & preferred program types & specific programs, TV viewing 12 yr olds & older, Great Britain, 17141
constructivist approach to research on parental influences on interpretation of TV messages, children, 17338
developmental trends in TV viewing, family coviewing, 14 yr olds, Germany, 3 yr study, test of independence vs correspondence model of family TV coviewing, 25253
discrimination vs avoidance, TV commercial zipping during viewing of prerecorded videotape, 18–65 yr olds, 3787
distractors, visual attention to & comprehension of TV program, male 6–12 yr olds with vs without attention deficit hyperactivity disorder, 2001
effects & mediation & other features of TV viewing, gifted children, 25109
exposure to American TV programs, traditional values, 13–18 yr olds, Korea, 17154
in school viewing of Channel One news program, knowledge of & interest in news events & evaluations of & intent to buy advertised products, 10th graders, 31255
information needs during TV viewing of serious vs routine news, 18 yr olds & older, 25073
interpretation & retention of affective reactions of TV characters, preschoolers, 13043
introduction of TV, time spent on TV watching vs other activities, 5th graders, South Africa, 8 yr study, 29040
involvement in TV program content & attentional devices in advertising, processing of TV commercials, college students, 39567
length of initial & interrupt & reorient segments of TV sequences, attention shifts during TV program interruptions, adults, 28852
length of ownership, VCR attitudes & behaviors, VCR owners, 7737
level of TV viewing & serum cholesterol & hypercholesterolemia, adults, 670
macho personality & choice of beer vs soda pop, aggressive mood response to viewing boxing film, male college students, Canada, 29452
motivation & intentionality, number of TV channels watched & aided vs unaided recall, adults, 32799
motivation & program preferences for TV viewing, Hispanic vs Black vs White adults, 32797
research on conceptualization of relationship between cultivation indicators & TV exposure, 40767
semantic relatedness message structure & content & scene changes, attention to TV, college students, 32800
SES & TV violence vs family situation comedy, aggressive behavior, 6th–7th grade Black males, 5218
simulated TV newscast with vs without graphics/visuals, audio recall & preferences & comprehension, college students, 25074
time on panel, compliance with logging in & out on remote control during TV viewing, 5–55 yr old & older people meter panelists, New Zealand, 28851
time spent watching TV, prevalence of obesity, female 19 yr olds & older, 14107
timing & outcomes of televised professional football games, violent assaults on females, female emergency room patients, 1988–89, 17963
topic & topical relations signaling in TV news, Germany vs US, 846
training in critical TV viewing skills vs video production, program content analysis, gifted 5th–8th graders, 27601
TV coviewing with older sibling, reactions to & recognition of normal vs dream sequence version of suspenseful movie scene, preschool age children & their older siblings, 33013
TV viewing, aggressive vs prosocial behaviors, 2nd & 4th graders, Netherlands, 3 yr study, comparison with data from 5 countries, 5236
TV viewing, cultivation & construction of social reality & accessibility in memory, female college students, 40768
TV viewing, poor eating habits & unhealthy conceptions about food & principles of nutrition, 4th–5th graders, 21263
TV viewing, sex role attitudes & household chores behavior, male vs female 4th–5th graders, 9298
viewing of & portrayal in TV entertainment programs & TV news, elderly, 5022
viewing of violent vs nonviolent TV programs, fantasy style, 2nd–4th graders, Netherlands, 3 yr study, 9308
violence viewing curriculum, attitudinal judgments of TV crime series, 10–12 yr olds, 2 yr followup, 47197
violent content & appreciation of TV episode, TV viewers, conference presentation, 44816

Television Viewing—Books
Television and the exceptional child: A forgotten audience. Communication, 9789
Temperament [See Personality]
Temperature (Body) [See Body Temperature]
Temperature Effects [See Also Cold Effects, Heat Effects] —Serials
air temperature vs isolation vs contact comfort, ultrasonic vocalizations, rat pups, 4485
ambient temperature, conditioned taste aversion & ethanol vs lithium chloride vs morphine sulfate induced body temperature changes & hypothermia, male rats, replication, 24867
ambient temperature, norepinephrine induced oxygen consumption & metabolism, cold acclimated vs nonacclimated male rats, 21056
confounding effect of room & local temperature, seasonal variation in color vision measured by Nagel anomaloscope, adults, England & Germany, replication, 39994
cyclical changes in temperature, circadian rhythm of locomotor activity, wood ants, 36641
environmental temperature, prevalence & outcome of schizophrenia, 5872
light intensity & water temperature, secretion grooming behavior, water bugs, 44307
painful vs nonpainful stimulation, thermocutaneous & electrocutaneous thresholds, male vs female college students, 44543
physostigmine & ambient temperature, endurance & thermoregulation during running exercise, male rats, 28742
seasonal temperature changes, aggression & rule infractions, prisoners, 31064
standard vs comparative temperature & relative humidity of environment, perceived room environment & physical condition & cognitive ability, male 19–25 yr olds, 19813
temperature & prior residence, territorial aggression, cichlids, 4530
temperature vs concentration, perceived tactile intensity & quality of carbonation, 22–30 yr olds, 12131
thermal stimulation, ultrasonic vocalization during transfer from nest to warm environment, rat pups, 20693
water immersion & temperature & consciousness, gastric ulcers induced by restraint in water, rats, 36680
wheel running & ambient temperature, circadian rhythm phase shift, male hamsters, 36633
Temperature Effects [See Also Cold Effects, Heat Effects] —Chapters
SART stress-induced pathophysiological functions and effects of neurotropin, 8858
Temperature Perception—Serials
epidural lidocaine injections at high vs low lumbar spaces, perception of temperature & electrical stimuli & motor processes, 21–40 yr olds, 20816
instructions to monitor sensations vs emotions in cold pressor task, unpleasantness ratings & temperature estimates, college students, implications for parallel processing model of pain perception, 43936
perception of temperature elevation in seasonal heat adaptation, unclothed adult males, 12134
short contact heat stimulus & pain threshold, transition from pure heat to heat pain perception, adults, application of linear regression models, 24286
standard vs comparative temperature & relative humidity of environment, perceived room environment & physical condition & cognitive ability, male 19–25 yr olds, 19813
temperature of noxious contact heat stimuli & presentation within vs between adjacent dermatomes, magnitude of spatial summation of pain, 20–33 yr olds, 8180
Temporal Frequency—Serials
amplitude & temporal ranges of latency of visual EPs, 5–16 yr olds with congenital bilateral complicated vs uncomplicated myopia with amblyopia, 26377
chromatic driving & temporal frequency characteristics of vision, male college students, 16177
contrast & spatial & temporal frequency & angular velocity of sinusoidal drifting gratings, perception of curvilinear vection, 22–28 yr olds, 43999
defocusing of visual display, time between presentation of spatially disparate stimuli for perception of temporal order, 23–62 yr olds, 12161
duration & temporal location of signal in auditory stimulus, spectral & temporal weights in spectral shape discrimination, college students, 16224
flicker frequency, steady state accommodation response vs stimulus curve, emmetropic 18–26 yr olds, UK, 4668
frequency mediated luminance & chromatic modulation, psychophysical & retinal ganglion cell sensitivity, 18–33 yr olds vs macaques, 8644
global & local motion processing in middle temporal visual area, owl monkeys, 548
interval duration of sine wave luminance gratings, apparent motion ambiguity, adults, 16188
luminance, focal electroretinogram vs psychophysically measured temporal modulation thresholds & frequency tuning in outer retinal area, 20–40 yr olds, 16581
mean illuminance & low temporal frequency, visual contrast sensitivity for mirror image sawtooth & sine waveforms, color normal or deuteranopic adults, 4249
spatial & temporal frequency of grating stimuli, orientation bandwidth of visual system & pattern detection following adaptation & threshold discrimination, 19–27 yr olds, 8222
spatiotemporal reliability of EEG amplitude distribution during baseline vs activation recording condition, 18–39 yr olds, 44467
target eccentricity & oscillation frequency, steady state accommodative responses, 33–38 yr olds, 4676
taste mimicking frequency varied electrical stimulation to nucleus of solitary tract, taste perception in conditioned aversion vs natural taste acceptability paradigms, male rats, 24667
temporal & spatial frequency & contrast, speed & auditory matching & perceived flicker rate & frequency discrimination in fovea & periphery, adults, 24333
temporal deblurring technique, psychophysical measurement of human visual impulse response waveform, 257
temporal frequency & interstimulus intervals & luminance of waveform, apparent & transparent motion perception, adults, 43973
tuning of aftereffects & adaptation in temporal domain of visual cortex, cats, 588
viewing instructions & stimulus frequency, suppression of optokinesis by stabilized target, 20–45 yr olds, 4262
Temporal Lobe [See Also Auditory Cortex]—Serials
absorption in imaginings & dissociation & temporal lobe dysfunction & hypnotizability test context, hypnotizability, college students, Canada, 24507
analysis of visual EPs in visual perception, 14–56 yr olds with left temporal vs left parietal local brain lesions, 26311
anatomic organization of somatosensory & auditory EPs in parietotemporal cortex, adult rats, 44466
anticonvulsant drugs, overall & general vs steps of verbal memory processing, patients with left temporal lobe epilepsy under reduced medication, 6916
aphasic seizures, 20 yr old female with focal epilepsy in left funiform gyrus, Japan, case report, 22401
atrophy of temporal lobe & other brain areas assessed by MRI, 55–82 yr olds with Alzheimer's disease, 34171
atypical psychosis & other clinical features & treatment, adult males with left temporal arachnoid cysts, 22355
auditory & verbal vs visual & spatial memory, children with complex partial epilepsy of right vs left temporal lobe, conference presentation, 18358
auditory imagery & perception of song & text, epileptic adults with left or right temporal lobe excision, 38296
auditory P300 abnormalities of amplitude & topographic asymmetries & left posterior superior temporal gyrus volume reduction, schizophrenic adult males, 25829
binaural click stimulation, differentiation of midline & temporal components of middle latency response, guinea pigs, 8715
bitemporal vs right unilateral vs bifrontal electrode placement in ECT, number & duration & failure of treatments & depression, patients with major depressive episode, 42519

carbamazepine, male 26 yr old with temporal lobe epilepsy & obsessive compulsive disorder, case report, 46471
category specific deficits for grammatical word classes, 57 & 67 yr old patients with frontal or temporal lobe damage, implications for anatomical correlates, conference presentation, 34161
cold suppression of temporal cortex, recall or preexposed vs nonexposed face discrimination, monkeys, 24685
demographic & epilepsy & surgical variables in prediction of postoperative neuropsychological change, 14–63 yr olds following anterior temporal lobectomy, 2796
depression & cerebral glucose metabolism, 15–42 yr olds with complex partial seizures with left vs right temporal vs bilateral vs indeterminate foci, erratum, 10338
diagnostic value & neuropsychological correlates of MRI assessed medial temporal lobe atrophy, 52–94 yr olds with Alzheimer's disease, Netherlands & France, 18405
distractor type, verbal recognition memory performance before vs after anterior temporal lobe resection, patients with left vs right unilateral temporal lobe epilepsy, 26331
distractors & multiple target interference, visual target detection, epileptic patients with unilateral frontal vs temporal lobectomy, 34224
distribution of nicotinamide-adenine dinucleotide phosphate disphorase neurons in temporal lobe, postmortem brains of schizophrenic 47–79 yr olds, implications for cortical development, 25800
eccentricity, speed & direction selectivity of middle temporal neurons, macaques, 28585
EEG measures of attentional focus patterns in motor vs temporal cortex prior to golf putt, putting performance, highly skilled golfers, 24756
electrodermal activity during arousal & habituation & discrimination tasks, 25–55 yr olds with unilateral temporal lobectomy, 26285
experiences & complex partial epileptic temporal lobe signs, normal 18–61 yr olds vs 18–55 yr old psychiatric vs epileptic patients, 21652
formal thought processes & communication skills before vs after temporal lobectomy, epileptic 5.7–16.7 yr olds with intractable complex partial seizures, 38699
frontal & temporal lobe neurochemistry & neuropharmacology, schizophrenic patients, 1727
hand preference & skill & asymmetry of Planum Temporale, left vs right handed 14–15 yr olds, UK, 21132
hemisphericity & subcortical & cortical phenomenological processes of temporal lobe, paranormal & religious beliefs, 18–50 yr olds, 32551
ictal fear & changes in cognition or personality or psychopathology, adults with temporal lobe epilepsy, 2261
identification of architectonic subcortical connections of subdivisions of inferior temporal cortex, squirrel monkeys, implications for visual perception, 40414
inferior temporal cortex neurons, visual memory, monkeys, 20521
inferior temporal neurons, visual memory & multiplication of visually elicited temporal waveforms with waveforms from memory in 3 layer neural network, monkey, 20520
language function, verbal learning & memory, 16 yr olds & older with right vs left temporal lobe epilepsy, 18379
lateral suprasylvian area, ocular convergence & lens accommodation & pupil constriction of ocular near response, cats, 28485
left superior temporal blood flow, schizophrenic or schizophreniform 26–37 yr olds with persistent auditory hallucinations, Japan, 45536
left temporal lobe abnormalities & thought disorder, schizophrenic 20–55 yr old males, commentary with reply included, 25836
left temporal lobe abnormalities & thought disorder, 20–55 yr old males with schizophrenia, 9879
left vs right temporal lobe alpha & theta rhythm activity, hemisphericity & temporal lobe signs & sensed presence & mystical experience, 18–35 yr olds, 28589
left vs right temporal lobectomy, discrimination learning & extinction in eyelid conditioning task, adults with drug resistant epilepsy, 30176
lesions of inferior temporal area, cortico-amygdala projections & visual memory, infant vs adult monkeys, 36580
level of education, blood flow deficit in parietotemporal cortex, elderly with Alzheimer's disease, 6404
loss of ability to process music, male 24 yr old musician with right temporo parietal lesion, case report, letter, 34205
mania, 17–102 yr olds with vs without temporal lobe epilepsy, 22376
medial temporal lobe & cortical surface EPs during auditory vs visual oddball paradigm, adults with partial complex seizures vs female rhesus monkeys, 10244
melodic vs verbal information learning vs delayed recognition, adults with left vs right temporal lobectomy, Canada, 10403
memory functions & MRI evaluation of temporal lobe & related structures, adult schizophrenic patients, 45495
MRI findings in medial temporal lobe, adult male patients with schizophrenia, 41566
MRI of sylvian fissure size as indication of size of superior temporal gyri, schizophrenic 18–51 yr olds, 9878
narcolepsy & behavioral & personality changes, 30 yr old male with temporal lobe lymphoma, case report, 14333
neural activity of inferior temporal cortex in visual search for target in memory, monkeys, 40434
neuronal firing patterns in inferotemporal cortex during visual short term memory task, monkeys, 36572
neuronal loss & astrogliosis of amygdala, patients with temporal lobe epilepsy with vs without hippocampal sclerosis, 46060
neuropathological aspects of medial & inferior of temporal lobe, 82 yr old female with preclinical signs of dementia, implications for early vulnerability, 10369
NMDA vs glycine vs kainate vs quisqualate agonist, memory dysfunction, male rats with temporal & lateral entorhinal cortex transection, 28752
object & facial recognition & spatial localization & line orientation, adults with left vs right anterior temporal lobectomy, 42598
occlusion related movements of background pattern cue behind object, detection by single cells in ventral part of medial superior temporal area, monkeys, 36561
ocular convergence, lateral suprasylvian area neuronal spike discharge, alert cats, 28597
odor thresholds & discrimination & memory & naming, 19–52 yr olds with left vs right temporal lobe resection for intractable epileptic seizures, 42609
parietal vs temporal cortex lesions, visual memory & visual spatial & cognitive functioning, rats, 28496
partial absence of left temporal lobe, male 2.5 yr old with infantile autism, 2011
pathological left handedness & neuropsychological function, 25 yr old female with slowly evolving brain tumor in left temporal & posterior parietal lobes, 22383
pattern of cholinergic innervation & distribution within polar & nonpolar regions of anterior temporal cortex, rhesus monkeys, 24716
posterior parietal vs temporal cortex lesions, visual spatial & gross kinetic functioning & equilibrium, rats, 28529
preoperative psychological adjustment & postoperative seizure reduction & other variables, emotional & psychosocial outcome following anterior temporal lobectomy, patients with complex partial seizures, 2797
profound verbal creativity & phenomenological presence & temporal lobe function, 18–65 yr olds, 16285
P3 recordings, 44–56 yr olds with bilateral temporal lobe lesions & amnestic syndrome following encephalitis, 14334
reaching disturbance, male 60 yr old with right occipito temporal damage following stroke, 18329
recognition of novel vs familiar visual stimuli, inferior temporal cortical cell activity during delayed matching to sample task, rhesus monkeys, 44484
relationships among limbic system & frontal & temporal lobes in expression of aggressive behavior, implications for mental health nursing, 8771
REM sleep vs wakefulness, spectral analysis of EEGs in right vs left temporal regions as biological marker, 53–66 yr olds with mild to moderate Alzheimer's disease, 6396

remission of obsessive compulsive disorder following right temporal lobectomy, 30 yr old female with intractable partial complex seizures, case report, 42602
resection of left temporal neocortical tumor, ictal illusions, 20 yr old male with left temporal originating seizures, 26875
right temporal lobe function & hemisphericity & self esteem, spiritualistic beliefs & history of sensed presence & ego alien intrusions, female 18–53 yr olds, 8776
role of inferior temporal cortex in associative long term memory & integration of visual perception & memory capacity, research review, 32419
scalp EPs & intracranial frontal & temporal EP-like responses, 24–37 yr olds with temporal lobe epilepsy, 2284
scopolamine &/vs haloperidol, bitemporal puromycin induced amnesia in aversive maze learning, mice, 20855
scopolamine, recognition memory & inferior temporal neuron activity during delayed matching to sample task, monkeys, 36836
seizure origination from left vs right temporal lobe, spectral power of hippocampal limbic auditory EPs, epileptic 17–56 yr olds, 14326
serial vs lateral visual search efficiency, 26–74 yr olds with focal lesions to dorsolateral frontal vs lateral vs temporal parietal cortex, 22351
sex, apprehension during intermittent bursts of weak magnetic fields over right vs left temporal region, 19–25 yr olds, 8785
spatial model of alpha rhythm in temporal vs occipital vs parietal lobe with closed vs open eyes, 18–31 vs 62–75 yr olds, 4651
SPECT imaging of temporal hyperinfusion, patients with eating disorders, commentary, letter, 10177
subjective & everyday memory, epileptic patients with left vs right temporal lobectomy vs amygdalo-hippocampectomy, England, 2693
surgical removal of local lesion, seizure frequency, 6–48 yr olds with temporal lobe epilepsy, China, 10856
temporal lobe & other lesion locations, patterns of verbal memory deficits, 17–58 yr olds with traumatic or nontraumatic brain injury, 34160
temporal lobe metabolic asymmetry & severity of symptomatology, schizophrenic patients, conference presentation, 13762
temporal vs lateral entorhinal cortex vs hippocampal vs perforant path lesions, acquisition & retention of visual discrimination task, male rats, 8657
temporoparietal regional glucose metabolism, recovery of language comprehension, aphasic male patients, followup, 30223
tomographic analysis of regional cerebral blood flow during morphogramic Kanji vs phonogramic Kana word reading, college students, Japan, implications for role of posterior inferior temporal area, 40409
transient postictal Kluver-Bucy syndrome following seizures, 24 yr old female who underwent unilateral temporal lobectomy, 34706
unilateral temporal vs frontal lobectomy, complex visual memory, 16–49 yr olds, Canada, 30540
ventricular & temporal lobe size, clinical outcome, patients with 1st episode schizophrenia vs schizophreniform vs schizoaffective disorder, 2 yr followup, erratum, 9845
visual hallucination of familiar face, 30 yr old male with temporal lobe hemorrhage, 22342
visual short term memory & oscillatory neuronal activity in temporal pole, male monkeys, 36544
WAIS subtest performance, patients with generalized vs complex partial temporal lobe seizures, 38241
word priming & recognition memory, amnesia patients with mesial temporal lobe damage, 18383

Temporal Lobe [See Also Auditory Cortex]—Chapters

The components of the medial temporal lobe memory system, 12597
Enhancement of inferior temporal neurons during visual discrimination, 20643
A hypothesis on primal long-term memory: Neurophysiological evidence in the primate temporal cortex, 12582
Inferior temporal cortex: Neuronal properties and connections in adult and infant macaques, 16604
Organization and functions of cells responsive to faces in the temporal cortex, 22421
Representation of visual stimuli in inferior temporal cortex, 20625
The role of the 'face-cell' area in the discrimination and recognition of faces by monkeys, 20628
Temporal lobe epilepsy, 22416

Temporomandibular Joint Syndrome [See Musculoskeletal Disorders]

Tennis—Serials

age & sex & skill level & experience & expenditures, commitment & ego involvement in recreational tennis, players, 27748
importance of auditory information & multisensory environment, game performance, male tennis players with vs without earplugs, 47457
motivation, elite vs intermediate vs recreational male tennis athletes, 15703
perceived relevance of performance quality & behavioral violations & fairness & officials' response to psychological crisis vulnerability during competition, tennis players & coaches, Israel, 39525
skill related thoughts during tennis instruction, forehand ground stroke performance, 4th graders, 7419
use & effectiveness of self efficacy building strategies, high school & age group tennis coaches, replication, 19774

Tennis—Chapters

Analysis of visual search patterns of tennis teachers, 40026

Tension Headache [See Muscle Contraction Headache]

Tenure (Occupational) [See Occupational Tenure]

Tenure (Teacher) [See Teacher Tenure]

Teratogens—Serials

assessment of psychotropic drug induced teratogenicity in human therapeutics, 2637
concentration of prenatal maternal vs paternal inhaled tertiary bitanol, behavioral teratogenicity assessed by neuromotor coordination & activity & learning, rat offspring, 40641
intrauterine cocaine, prenatal teratogenic & neurological effects & postnatal manifestations, fetuses & newborn infants, 6083
knowledge of teratogenic effects of alcohol, junior high school vs college students, 25985
lithium phophylaxis & minimization of teratogenesis & other hazards during pregnancy, 24–42 yr old females with bipolar disorder, 1982–89, 6804
prenatal aluminum sulfate, postnatal ultrasonic calling & physical & neurobehavioral development, mice pups, 40656
prenatal tetrachlorodibenzodioxin, behavior in contaminant exposed vs mixed peer groups, rhesus monkey offspring bred concurrent with vs subsequent to maternal exposure, 24978
structure-activity & dose-response aspects of prenatal retinol & tretinoin & isotretinoin, physical & motor & neural & behavioral development & teratogenesis, rodents, research review, 44566

Terminal Cancer—Serials

analgesic efficacy & toxicity & side effects of chronic epidural bupivacaine-opioid infusion, terminal cancer patients with refractory pain, 6915
characteristics & efficacy of hospital-at-home care program, patients with advanced cancer, Italy, 11023
cognitive behavioral therapy, cancer related pain, terminally ill patients, 22853
cognitive failure, patients with terminal cancer, Canada, 2222
common fears & concerns & misperceptions about & behavioral consequences of parental terminal cancer, 7–11 yr olds, 46012
experience of terminal illness, 30–60 yr old Zulu speaking patients with cancer or other illness & their families & caregivers, South Africa, 38123
initial patient controlled analgesia & iv fentanyl, transdermal dosage determination, 40–68 yr old terminal cancer patients with severe pain, 14870

lack of expressed emotion & grief, subfertile couples & terminally ill cancer patients & their nurses & relatives, England, 38100
perceptions of caregiving demands during illness vs after death of partner with advanced cancer & personal regrets, bereaved spouses, 6 mo followup, 30890
personal & patient related & other factors, job satisfaction & longevity & burnout survival, master's level oncology social workers, 15298
pharmacological pain control, terminal cancer patients in home palliative care unit, Italy, 4 yr study, 11022
psychophysiological approaches to & instruments for assessment of cancer pain, terminally ill patients, implications for pain control, 22305
psychosocial intervention, denial related coping ability, 35–80 yr olds with terminal cancer, 30576
rational suicide, female 58 yr old with advanced terminal colorectal cancer with obstruction, case report, commentaries included, 34119
self perceived attitudes & intentions & observed behavior toward terminal cancer patients, physicians, 27288
unwillingness to sign living will or advance medical directives, 43–77 yr old terminally ill cancer patients, 18311

Terminal Cancer—Chapters

Recognizing and changing Type C behaviour, 38689

Terminally Ill Patients—Serials

age & family stage & stress, quality of life, family caregivers of terminally ill children or adolescents or adults, 23081
attitudes & psychosocial & demographic characteristics, decision making for use of life sustaining measures, adult offspring of terminally ill 62–104 yr olds, Israel, 46777
attitudes & psychosocial & demographic characteristics, ethics of decision making for use of life sustaining measures, adult offspring of terminally ill 62–104 yr olds, Israel, commentary, 46782
attitudes toward death & terminally ill patients & impact of thanatology course, physicians, 10 yr followup, 31148
attitudes toward hospital based home care, spouses & children of terminally ill patients, Sweden, 38907
comprehensive model of role in caring for dying patients based on involvement & personal needs & development & cooperation, family physicians, 27209
conditions for presentation of discussion of termination or refusal of medical treatment except pain relief, 30676
determinants & measures of quality of life & role in palliative care interventions, terminally ill patients, 20078
experience of caring for terminally ill person, 50–90 yr old family caregivers vs hospice home care & inpatient staff members, 2982
experience of terminal illness, 30–60 yr old Zulu speaking patients with cancer or other illness & their families & caregivers, South Africa, 38123
experiences with death & dying & attitudes toward care of dying patients, 1st yr medical vs nursing students, 31152
frame modifications in psychotherapy, female with terminal cancer, 26838
guidelines & criteria for home visits to terminally ill patients, physicians, 30883
guidelines for cutaneous stimulation modalities & positioning & movement in pain relief, terminally ill patients & their caregivers, 23087
historical & clinical aspects of music thanatology, terminally ill patients, 26858
hospice care principles, terminally ill elderly & their families, 23088
importance of attention to nonverbal communication & sexuality of dying patients, nurses, 31075
interpretations of facial expressions during interactions with caregivers, 57–89 yr olds in terminal stage of Alzheimer's disease, Sweden, 42060
involvement & detachment & subjectivity & culpability in relationships with terminally ill patients, nurses, Scotland, 38817
knowledge of & attitudes toward law & medical ethics & clinical practice regarding care of patients near end of life, nurses & physicians, 31186
nursing diagnoses vs patient reports & needs assessment, 34–84 yr old terminally ill cancer patients in palliative home care, 27074
pain assessment & coping & social support & treatment barriers to noninvasive pain management, terminally ill patients, 22883
perceived spiritual needs of terminally ill, general practitioners & clergy & medical students, UK & New Zealand, 25637
perception of illness & psychosocial aspects of hospice care, male 57–80 yr olds with end stage lung disease, 30875
perceptions of suffering & quality of death in hospital, hospital nurses vs family members of 41–91 yr old terminally ill patients, 30944
perspectives on death & psychological characteristics & religious orientation, interest vs volunteer terminal care work, 18–54 yr olds, Australia, 15011
physician's perceptions & patient's preferences concerning communication about terminal care, physicians & terminally ill patients, Japan, 42600
practice of honesty in care of dying patients, physicians, 31182
preferred levels & types of care for end stage dementia patients, 22–89 yr old physicians vs gerontologists vs family caregivers, 27007
professional & nonprofessional death related experiences, attitudes toward dying patients, male vs female beginning medical vs nursing students, 31145
psychological variables, perception & management of & behavioral responses to acute & chronic pain, terminally ill patients, 22251
psychosocial counseling approaches for exploration of religious & spiritual needs, dying clients, 26859
quality of life issues for terminally ill patients & relationship of biomedical technology & prospective payment system & DRGs to services received, 42712
quality of life issues in management of home care program, family members caring for terminally ill patients with advanced cancer, 23091
role in right to die & treatment termination & withholding decisions, counselors treating terminally ill patients, 27862
role of allied health education standards in development & evaluation of competence in cases of life threatening illness & involvement in support group & self help movement, allied health professionals, 43051
self perceived attitudes & intentions & observed behavior toward terminal cancer patients, physicians, 27288
slow stroke back massage, BP & heart rate & skin temperature & relaxation, hospice patients, 34913
social support networks in grief process, treatment of patients with life threatening illness, allied health professionals, 42566
socialization agents & processes, death acknowledgement, terminally ill geriatric patients & their primary caregivers & physicians, 26202
techniques for facilitation of sense of control & coping with pain, terminally ill patients & their families, 22885
telephone group work, adults with end stage AIDS, conference presentation, 34694
undervaluation & need for empowerment strategies in work environment, caregivers of dying patients, implications for thanatological community, 27068
value clarification exercises & other psychosocial counseling approaches for exploration of religious & spiritual needs, dying clients, commentary, 26844
view of Catholic church on pain medication & euthanasia, dying persons, 29171

Terminally Ill Patients—Chapters

Preventive intervention and family coping with a child's life-threatening or terminal illness, 10803

Terminology [See Also Psychological Terminology]—Serials

academic vs everyday vocabulary, reading comprehension question answering, 4th vs 5th vs 6th graders, 47164
argument against positivist definition of sentence as ideal string of words & linguistic datum based on isomorphic competence performance distinction, 21114

complexity & technical language in academic articles in "language" & "American Anthropologist", implications for intralanguage translation & enhanced communication, 12950
concept analysis & terminology usage, nursing knowledge of & research on maternal fetal attachment & severe mental disability, 30764
conceptual definition of child neglect based on unmet needs, 29769
definition & identification & theories of creativity, children, cross cultural educational implications, 25211
definition of mental health visit, reported use of mental health services, adults, 14936
definitions of drug use & abuse reflecting change in moral climate & emergence as social problem & goals & strategies of prevention programs, adolescents, 1978–88, 10011
definitions of emotion concepts in terms of semantic primitives in metalanguage, 28850
diagnostic terms for mild memory impairment or dementia & relationship between aging & Alzheimer's disease, elderly, research review, 2259
dialogic teaching of medical terminology in telephone health communication, information specialists of Cancer Information Service, 2837
dilemmas in organizational development reflecting clash between traditional definition & actual circumstances, 47430
instruction by parents vs teachers, knowledge of & ability to learn genital terminology, Head Start preschoolers, 3462
knowledge of medical terminology, 18–83 yr olds, 42160
label for behavioral response reduction procedure & type of professional using procedure, acceptability of procedure, college students, implications for behavior modification, 2507
marble playing terminology, male 50–75 yr olds, Trinidad & Tobago, implications for sex role discourse socialization, 37366
model of evolution of color category terminology in world's languages, commentaries, 9038
pragmatic strategies, modification of representative speech act of defining, lecturers, 9043
preferences for new terms for consultation liaison psychiatry, psychiatrists, 38366
prejudicial effect of term "therapist patient sex syndrome" in forensic settings, 3896
street terminology for alcohol & drugs & relevance to diagnosis, drug abusing clients, 10017
theory & vocabulary for assessment approaches & methods & instruments in speech communication, 3958
use & operational definition of term "best practice" in special education, 23634

Terminology [See Also Psychological Terminology]—Books

Addictionary: A primer of recovery terms and concepts from abstinence to withdrawal. A Fireside/Parkside recovery book, 14473
A lexicon of lunacy: Metaphoric malady, moral responsibility, and psychiatry, 25673

Terminology [See Also Psychological Terminology]—Chapters

Archetype, myth, "numinosum.", 33462
Defining learning disabilities: A history of the search for consensus, 33951
Development of operational definitions in mental retardation: Similarities and differences with the field of learning disabilities, 33937
History and development of DIF, 27936
Human vectors of trauma: Illustrations from the Marquis de Sade, 29821
On the meanings of constructed response, 27931
Statistical methods and clinical trials, 18502

Terminology (Psychological) [See Psychological Terminology]

Territoriality—Serials

age & midleg length, territorial behavior during mating season, male vs female water striders, 32333
age & nesting site fidelity, female sparrowhawks, 44322
attractiveness & mating success & dominance, spacing behavior, male pheasants, 28431
breeding plumage brightness as territory defense ability indicator, plumage lightened male purple martins, 8576
characteristics & consequences of nest site fidelity, wood ducks, 9 yr study, 36382
chorus density, aggression & maintenance of spatial organization, male painted reed frogs, 4494
colony size & age, interaction with neighboring conspecific colonies & foraging behavior, harvester ants, 40288
conspecific social instability, seeking & acquisition of territories, blackbirds, test of instability hypothesis of territory acquisition, 44271
delayed breeding & quality of territory & strategies of nonbreeders, birds, 44355
fecal odors, intraspecific & interspecific burrow marking, sympatric plethodontid salamanders, 506
feeding & ranging patterns in moist deciduous forest & anthropogenic meadow, hanuman langurs, 504
female male spatial & agonistic relations, intersexual dominance, semi free ranging sifakas, 8554
group spacing & habitat use & defense, free ranging tamarin monkeys in neighboring groups, 32325
group takeover & infanticide, male Hanuman langurs, implications for adaptive male reproductive strategy, 36422
intrasexual competition for territory vacancies & natal dispersal, cooperatively breeding splendid fairy wrens, 36425
intrusion at edge vs center of territory during vs before breeding season, defensive & other behavior, Australian magpies, 40274
joint territorial behavior, saddle-back vs moustached tamarin monkeys, 44324
kin discrimination & territorial & aggressive behavior, Atlantic salmon & rainbow trout, 40275
lek size, male mating success & female visiting rates & territorial & aggressive costs, ruffs, 32328
male plumage color, male-male aggressive & territory related interactions, pied flycatchers, 36386
mate competition & couple incompatibility & territory usurption & choice, breeding status retainment & mate changes, monogamous oystercatchers, 44286
mate locating behavior & host plant based territoriality, male white peacock butterflies, 16479
mating system & social organization, 3 species of tree shrews, 40277
physical & social characteristics, agonistic display during food & territorial competition, wild vs captive great tits, 28461
plumage color, territorial defense, pied flycatchers, 24565
population density & group size & stability & patterns of female range use, lek breeding, Uganda kob, 8523
resource availability & distribution & seasonality, aggression & territorial exclusion & resource defense, crested mangabeys, 16477
responses to stranger vs neighbor placement in territory, male collared lizards, test of dear enemy phenomenon, 20419
risk of intrusions & copulations by other males, size of breeding territory, male birds, commentary, 483
risk of intrusions & copulations by other males, size of breeding territory, male birds, commentary reply, 501
settlement duration & hunting success, young Spanish imperial eagles, 36369
sex & age, cooperative territorial defense behavior & breeding, Australian magpies, 28427
sex & season, territorial behavior, European kestrels, 519
simulated territorial intrusion, aggressiveness of behavioral responses & hormonal correlates, cooperatively breeding white browed sparrow weavers, 28462
size & residency, success & characteristics of contests with males during mating season, male sand lizards, analysis of sequential assessment game model, 12431
size, access to sheltering burrows & outcome of owner intruder conflicts, juvenile signal crayfish, 20447
size of defended vs undefended home range, primates vs ungulates vs carnivores, 12405
social & spatial relationships & isolation during fawning season, parturient female deer, 40313
social density, copulation & mate guarding & territoriality, yellow vs black billed magpies, 12383
social rank & body size, branch use in feeding & arm hanging, male chimpanzees, 16476
song attribution & sharing, territorial male field sparrows, 503

song motif parameters, species discrimination & aggressive territorial responses, male blackbirds, 28424
temperature & prior residence, territorial aggression, cichlids, 7530
territoriality & reproductive behavior, dart-poison frogs, 14 mo study, 28447
Territoriality—Chapters
Evolved responses to landscapes, 13238
Spatial organization and habitat use, 17526
Terrorism—Serials
development of Hostage Crisis Simulation automated negotiation model of decision making in terrorist hijacking, college students, 18065
historical origins & social & clinical applications of testimonio, psychological trauma, victims of state terrorism, 26415
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, conference presentation, 1777
intrusion & other symptoms, prediction of PTSD, injured survivors of terrorist attack, Israel, commentary on conference presentation, 9896
role in management & establishment of healing social environment, mental health professionals treating hostages released from terrorist situations, 7058
self psychology perspectives on terrorism & terrorist behaviors, 10099
Terrorism—Chapters
Posttraumatic stress recovery of terrorist survivors, 46161
Terrorism and torture, 33568
Test Administration—Serials
adequacy of measurement training, use of good testing practices, counselors, 43819
administration methods & testing situation & examiner & examinee influences, projective testing, 20004
booklet vs computer administered MMPI scale scores, adults, meta analysis, 15937
class level & resolution of situation, perceptions of effect of test delays on class performance, college students, 19562
consistency of item bias detection methods across different administrations of curriculum based mathematics test, 8th graders, 8069
construct validity of telephone administered version of Mini-Mental State Examination, assessment of cognitive impairment, 65 yr olds & older referred to geriatric assessment center, 4126
construction & administration of cross cultural survey, assessment of health services, rural Mexican & European Americans, 39868
depression & pain extent & test administration method, description of pain, females with fibromyalgia syndrome vs rheumatoid arthritis, replication, 22179
equivalence of standard auditory vs computerized visual digit span test, assessment of short term memory, 18–76 yr old psychiatric patients, 4053
errors in WAIS-R administration & scoring, experienced practitioners vs graduate assistants, implications for IQ scores, 27923
factorial validation of telephone vs paper & pencil test batteries, assessment of specific cognitive abilities, 7 & 9 & 10 yr olds, 3982
feasibility & screening efficacy of tape recorded administration of Harvard Group Scale of Hypnotic Susceptibility, adults with chronic daily headache, 24039
general procedures for development & administration & presentation of organizational survey & results, 35986
guidelines for administration & scoring of Complex Figure Test, translation of excerpts from 2 articles, 39859
in-person vs telephone interview on Diagnostic Interview Schedule, comparability of results, adults, 112
inflight vs postflight probing time, Subjective Workload Assessment Technique, 44–58 yr old commercial airline pilots, 8078
IQ test administration & use in court of law, 3888
motivational vs standardized test instructions, mathematics achievement test performance, 3rd–4th & 6th–8th graders, 47219
order effects in administration of Booklet Category Test before vs after Wisconsin Card Sorting Test, test scores, 17–71 yr old psychiatric or neurological patients & normal 64–68 yr olds, 24174
paper color of Profile of Mood States, mood states, college students, 7956
practice administrations, development of examiner proficiency on WISC-R protocols, graduate students in counselor education, implications for testing courses, 19364
psychometrics & administration & application of 16PF & High School Personality Questionnaire & Children's Personality Questionnaire, 7965
scores on rater vs self administered Geriatric Depression Scale, elderly medical patients, 95
sealed booklet vs direct question formats for public opinion surveys with sensitive questions, assessment of drug use, national population sample, Australia, 7921
sex & neuroticism & introversion vs extraversion, correlations between standard & computerized forms of Eysenck Personality Inventory & Adjective Check List, college students, 4026
standardized vs facilitative test administration procedures & acculturation level, California Achievement Test scores, White vs Mexican American 4th–6th graders, 145
strategies & designs for collection of sensitive data & avoiding bias in organizational surveys, 35988
training in use of Negative Symptom Assessment Scale & rating of use with schizophrenic patient, novice raters, 35123
utility of computer administered version of Yale-Brown Obsessive-Compulsive Scale, 15–68 yr olds with obsessive compulsive disorder vs other anxiety disorders, 4079
Test Administration—Chapters
Best uses of the WISC-III, 35841
Test Anxiety—Serials
acute test anxiety, National Board of Medical Examiners Examination performance, 2nd yr medical students, 7306
aspects of educational system identified with test anxiety, Japan, 15330
computerized adaptive vs self adapted testing, examinee ability estimation for algebra skills & posttest anxiety, college students, 20102
construction & validity & reliability of Japanese Test Anxiety Inventory & correlation with academic achievement, college students & 15–17 yr old high school students, Japan, 12060
cross validity & factor structure of 20 vs 40 item Reactions to Tests scale, assessment of test anxiety, college & graduate students, test of confirmatory factor analytic models, 20017
curricular strategies program, test anxiety & other noncognitive & cognitive characteristics, rural primary school students, India, 1 yr study, 3328
distractibility by nonthreatening external events, test anxiety, students, 43278
hypnotherapy, examination anxiety, medical practitioners who had previously failed fellowship examinations, 26821
self reported test anxiety in English vs mathematics vs physical vs social science subjects, 17–38 yr old college students, 43284
sex, test anxiety, college students, South Africa, 39306
stress reduction, test anxiety & reading test performance, college students, 3600
success imagery in hypnotic technique, test anxiety, 7th graders, 22824
test anxiety & academic achievement & fearfulness & self concept, African American 3rd–6th graders, 47237
test anxiety & sex, seriousness of errors on algebra tests, junior high school students, 35349
test anxiety & working memory & prior knowledge deficits, reading comprehension, college students, Spain, 12215
test anxiety, academic achievement, male vs female 2nd–6th vs 7th–9th graders, Japan, 15427
test anxiety, 18–25 vs 26–35 yr old college students, South Africa, 39307
test uncertainty & peer vs outsider based supportive communication networks, test performance, 16–39 yr old college students with high vs low test anxiety, 39258

Test Anxiety—Books
Advances in test anxiety research, Vol. 7. Advances in test anxiety research, 19537
Test Anxiety—Chapters
An analysis of the Sarason (1984) four-factor conceptualization of test anxiety, 16066
Anxiety, action orientation, subjective state and situational aspects: A study of tank-lorry drivers, 15943
Appraisal, coping, and guilt as correlates of test anxiety, 19540
Cross-cultural differences in test anxiety: Establishing transliteral equivalence, 16057
Cross-validation of a revised test anxiety scale using multinational samples, 16054
Expectancy-value theory of anxiety: Overview and implications, 11494
The impact of test anxiety on cognition in school learning, 19543
On the fear of failure construct: Active and passive test anxious students behave differently, 17868
"Reactions to Tests" (RTT) and "Manifestations of Test-Anxiety" (DAI-MAN): Same or different concepts?, 16060
Stabilization of test anxiety, 16061
Strategies and dimensions of coping with examination stress, 17589
Stress and superoxide production by human neutrophils, 20783
Test anxiety among children administered screening tests for giftedness, 39281
Test anxiety can harm your health: Some conclusions based on a student typology, 11488
Test anxiety, cognitions, study habits and academic performance: A prospective study, 19544
Test anxiety in examinees in a college admission testing situation: Incidence, dimensionality, and cognitive correlates, 19545
Test Bias [See Also Cultural Test Bias]—Serials
administration methods & testing situation & examiner & examinee influences, projective testing, 20004
consistency of item bias detection methods across different administrations of curriculum based mathematics test, 8th graders, 8069
criterion contamination in self report depression scale items, patients with rheumatoid arthritis, 39819
cross cultural issues in vocational assessment & standardized tests, 47339
empirical vs judgmental evaluation of gender bias in science test items, 5th graders, 28087
inferential conditions in statistical detection of measurement bias in employment & educational settings, 35789
multidimensionality & item bias in item response theory, 20138
neurologic content bias in MMPI, patients with closed head injury, 39845
race & sex, congruence between signed vs unsigned area methods vs chi square statistic vs Mantel-Haenszel technique in assessment of differential item functioning, Black vs White Ss, 43881
restricted factor analysis in detection of item bias on Classmates & Teacher scales of School Attitudes Questionnaire, 9–13 yr old students, Netherlands, 20097
sample size & number of biased items & magnitude of bias, 2 stage item bias estimation, 35788
SIBTEST standardization approach for detection & estimation of differential item or test functioning or test or item bias, 35795
validity & bias of Defining Issues Test, measurement of moral development in conservative religious populations, adult Mormons, 24062
Test Bias [See Also Cultural Test Bias]—Books
Differential item functioning, 27928
Test Bias [See Also Cultural Test Bias]—Chapters
The case against item bias detection techniques based on internal criteria: Do item bias procedures obscure test fairness issues?, 27935
Comments on the Monte Carlo study of Donoghue, Holland, and Thayer, 27952
Comments on the O'Neill & McPeek paper, 27933
Detection of differential item functioning using the parameters of item response models, 27959
DIF detection and description: Mantel-Haenszel and standardization, 27938
Different DIFs: Comment on the papers read by Neil Dorans and David Thissen, 27932
The effect of item screening on test scores and test characteristics, 28090
Evaluating hypotheses about differential item functioning, 27956
History and development of DIF, 27936
Item and test characteristics that are associated with differential item functioning, 27951
An item response theory model for test bias and differential test functioning, 27957
Model-based standardized measurement of an item's differential impact, 27961
A model for missing information about the group membership of examinees in DIF studies, 27929
A Monte Carlo study of factors that affect the Mantel-Haenszel and standardization measures of differential item functioning, 27937
A note on the value of including the studied item in the test score when analyzing test items for DIF, 27943
Perspectives on differential item functioning methodology, 27930
Practical questions in the use of DIF statistics in test development, 27963
Sensitivity review: The ETS experience as a case study, 27953
Stability of the MH D-DIF statistics across populations, 27945
Standards for educational and psychological testing: The issue of testing bias from the perspective of school psychology and psychometrics, 16065
The use of differential item functioning statistics: A discussion of current practice and future implications, 27944
Test Bias (Cultural) [See Cultural Test Bias]
Test Construction [See Also Content Analysis (Test), Cultural Test Bias, Difficulty Level (Test), Item Analysis (Test), Item Content (Test), Test Bias, Test Forms, Test Items, Test Reliability, Test Standardization, Test Validity]—Serials
application of many faceted Rasch model to development of Assessment of Motor & Process Skills scale, assessment of activities of daily living, occupational therapy clients, 31803
beliefs about admission & construction & reliability & validity of instrument, assessment of attitudes & social norms & expectations & prior experience, parents of neonates in intensive care unit, 16037
clinical & public policy perspectives on & shortcomings & reasons for limited development of instruments in functional assessment of communication, aphasic patients, commentary, 28002
computer program MPSX/370 V2, implementation of branch & bound method for solution of Maximin Model of test construction, 19964
conceptual explication of & development of rating scale for distraction in marketing, college business students, 28120
conceptual framework for development & scoring of QUASAR Cognitive Assessment Instrument, assessment of mathematical problem solving & reasoning & communication ability, students, 43828
construct validity & factor structure & reliability of Interaction with Disabled Persons Scale, measurement of attitudes & attitude change, 18–63 yr olds, Australia, 7948
construction & administration of cross cultural survey, assessment of health services, rural Mexican & European Americans, 39868
construction & cross cultural validity of Inventory of School Motivation, test of sense of self & personal incentives dimensions, Anglo vs Aboriginal vs migrant 7th–10th graders, Australia, 4146
construction & discriminant analysis of self report listening test, assessment of listening skills in conversations, adults, 19968

construction & factor & cluster analysis of Boston Teacher Questionnaire, assessment of academic functioning & learning disabilities, 9 yr old students assessed by teachers, questionnaire appended, 31975
construction & factor analysis & internal consistency & stability of Aggression Questionnaire, college students, 39
construction & factor analysis of Distance Education Students' Progress Inventory, distance education students, Hong Kong, 16045
construction & factor structure of Multi-Trait Personality Inventory, Chinese adults, China & Taiwan & Hong Kong & US, 19993
construction & features of & research with Millon Adolescent Personality Inventory & Millon Adolescent Clinical Inventory, diagnostic & counseling applications, 31908
construction & psychometric aspects of Functional Behavior Profile, caregivers of 53.8–85.4 yr olds with Alzheimer's disease, 43794
construction & psychometric properties of Marital Satisfaction Questionnaire for Older Persons, 55 yr olds & older, questionnaire appended, 11937
construction & reliability & validity of scale measuring adjustment to parenting, 22–38 yr old divorced vs separated mothers, 24043
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary reply, letter, 24106
construction & reliability & validity of self report Internal State Scale, assessment of manic & depressive symptoms, patients with bipolar vs recurrent major depression, commentary, letter, 24118
construction & reliability & validity of values oriented scale, assessment of materialism, consumers, 16069
construction & reliability & validity of Family Emotional Involvement & Criticism Scale, self assessment of expressed emotion, over 40 yr olds treated at family medicine center, scale appended, 12025
construction & reliability & validity of Hyman-Baker Mammography Questionnaire, assessment of health beliefs related to mammography, female adults, 24191
construction & reliability & validity of Memory Complaint Questionnaire & relation to affective status, 50–80 yr olds with memory impairment, questionnaire appended, 24171
construction & reliability & validity of Parental Stressor Scale: Neonatal Intensive Care Unit, assessment of stress of physical & psychosocial environment of intensive care unit, 13–41 yr old parents, 43778
construction & validation of Items Easy & Items Difficult subscales of MMPI-Adolescent, assessment of relation of reading comprehension deficits & validity scale scores, 13–17 yr olds, 39778
construction & validity & reliability & factor structure of Lifestyle Approaches scale, assessment of self management in daily life, 18–65 yr olds, 7968
construction & validity & reliability of Japanese Test Anxiety Inventory & correlation with academic achievement, college students & 15–17 yr old high school students, Japan, 12060
construction & validity of common language version of California Q-Set, personality assessment, male 4th graders, 11959
construction & validity of Oscar Test, assessment of retrograde amnesia, 55–82 yr olds with organic amnesia, 31867
construction & validity of Outcome Evaluation Questionnaire, assessment of behavioral & cognitive responses to pain, adults with chronic pain, questionnaire appended, 8006
construction of abbreviated version of Portland Digit Recognition Test, assessment of motivation to exaggerate memory disorders, adults, 39846
construction of Adaptive Social Behavior Inventory, assessment of social competence, 3 yr olds at high risk from premature birth, 15899
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary, 24217
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary reply, 24205
construction of Assessment of Strategies in Families-Effectiveness scale, adults, implications for family care nurses, commentaries & reply included, 7917
construction of Bond's Logical Operations Test in the Context of History, assessment of formal operational thinking, 11–15 yr old secondary students, UK, 20100
construction of Campbell Development Surveys, assessment of organizational characteristics & needs & application to organizational development, 31989
construction of Decisional Balance scale, measurement of pros & cons of exercise adoption, employees, implications for worksite health promotion, 4140
construction of Emotional Dependence Questionnaire, assessment of emotional dependence on males, females, test of P. Russianoff's hypothesis, 39774
construction of Family Empowerment Scale, families of children with attention deficit hyperactivity & learning disabilities & conduct & emotional & developmental & oppositional & depressive disorders, 31894
construction of fatigue scale, assessment of severity, 18–45 yr olds, 31868
construction of Food Belief Inventory, assessment of beliefs about behavioral effects of food, 18–52 yr olds, conference presentation, 56
construction of Insight Scale for assessment in psychiatry, 22–68 yr olds with schizophrenia or depression, England, 8010
construction of Process Skills Rating Scales, assessment of level of skill development, gifted elementary & secondary students & their teachers & parents, 24215
construction of short forms of Marlowe-Crowne Social Desirability Scale, college students, 24068
content & development of measures of Element B & F & S based on extension of FIRO theory, assessment of interpersonal behavior & feelings & self concept, adults, 53
cross cultural validity & development of French abbreviated form of Sensation Seeking Scale, 15–62 yr olds, France, scale appended, 24072
design & reliability & validity & standardization of Pre-School Activities Inventory, assessment of sex role behavior, 18–71 mo olds, England & US & Netherlands, inventory appended, 35822
development & adaptation & evaluation version of Scales of Independent Behavior for visually impaired students, teachers, 16051
development & cluster analysis of questionnaire, assessment of coordination demands of routine & nonroutine tasks in military cargo helicopter operations training, military pilots & copilots, 43846
development & concurrent validity & reliability of Visual Analogue Scale for Anxiety-Revised, 8.6–17.6 yr olds with school refusal, 67
development & construct validation of Supervisee Levels Questionnaire-Revised, assessment of level of development, counseling or clinical psychology trainees, test of integrated development model, 12066
development & construct validity & dimensionality of 13-item version of union commitment scale, employees, 4162
development & construct validity & factor analysis of Sensitivity to Feedback Scale, college students, 19996
development & construct validity & factor structure of Educational Beliefs Questionnaire, K–12th grade teachers, 8068
development & construct validity & internal consistency of scale, assessment of attitudes toward inclusive education, regular school teachers & elementary education students, 12067
development & construct validity of parenting locus of control measure, mothers, 7958
development & construct validity of Student's Rating Scale of School Skills, junior high school students, 43818
development & content & construct validity of measure for assessment of perceived control over life, college students & community adults, 7963

development & cross validation of self report inventory, assessment of pure tone threshold sensitivity, 17–76 yr olds, 19
development & efficacy of inkblot technique, differentiation of chronic schizophrenia, schizophrenic 21–58 yr olds, 15980
development & evaluation of case finding instrument, detection of eating disorders, female 16–35 yr olds, England, 27997
development & factor analysis & reliability & concurrent & discriminative validity of Retirement Satisfaction Inventory, elderly retirees & professional service providers, test appended, 15920
development & factor analysis & reliability & validity of AIDS Psychosocial Scale, assessment of AIDS related sexuality, college students, South Africa, test appended, 24091
development & factor analysis & validity of self report feminine gender role stress scale, female college students, 15
development & factor analysis of Caregiver Reaction Assessment, spouse vs nonspouse caregivers of patients with Alzheimer's disease vs cancer vs physical impairments, 4136
development & factor analysis of Keeping Your Options Open Scale & correlation with sensation seeking, 18–56 yr olds, 15921
development & factor analysis of Revised Death Anxiety Scale, 18–88 yr olds, 15984
development & factor structure & item discrimination of alcohol outcome expectancies scale, college students & male fraternity members & drunk driving arrestees, scale appended, 35856
development & factor structure & reliability & internal consistency & convergent discriminant validity of Cocaine High-Risk Situations Questionnaire, cocaine using adults, 31905
development & factor structure & reliability & validity of Parenting Scale, assessment of dysfunctional discipline practices, mothers of 18–48 mo olds, 35779
development & factor structure of antenatal emotional attachment questionnaire, expectant couples, 43690
development & factor structure of brief current form of Parental Bonding Instrument, assessment of perceived parental characteristics, adolescents, 15901
development & factor structure of Severity of Violence Against Women Scale, 17–75 yr old females, 92
development & factor structure of Social Integration & Independence Questionnaire, 65 yr olds & older, questionnaire appended, 4019
development & factorial validity of Academic Setting Evaluation Questionnaire, assessment of satisfaction with working conditions & social climate & relationships with students, faculty members, Spain, 43849
development & features of Kuder General Interest Survey & Kuder Occupational Interest Survey, 8087
development & implementation of Colorado Individual Performance Profile for determination of service options, hearing or visually impaired students, 159
development & internal reliability of scales, assessment of positive & negative responses to disaster & posttraumatic mental health, 23–75 yr old ship collision survivors, 39809
development & interrater reliability & internal consistency of Recovery Attitude & Treatment Evaluator-Clinical Evaluation, adult inpatients at chemical dependency treatment unit, 31921
development & interrater reliability of computer based personnel selection testing procedure, secretaries, 28113
development & interrater reliability of Clinical Assessment of Psychopathology among Elderly Residents, screening for psychiatric disorders, nursing home residents, 97
development & laboratory simulation & field based validation of air traffic controller selection battery, air traffic controller trainees, 35983
development & norms & consistency of Pain Rating Scale & Pain Behavior Checklist, 17–81 yr old chronic pain patients, 31953
development & psychometric assessment of Automated Performance Test System, college students, 11948
development & psychometric evaluation of Gender Role Journey Measure, assessment of sex role changes & transitions, male vs female college & graduate students, 31850
development & psychometric evaluation of Sport Commitment Model survey, 10–20 yr old athletes, 31794
development & psychometric properties of abbreviated Alcohol Expectancy Questionnaire for Adolescents, 7th graders, 35797
development & psychometric properties of adolescent revision of South Oaks Gambling Screen, assessment of severity of problem gambling, 15–18 yr olds, 31933
development & psychometric properties of personality inventory based on Guna tridimensional theory, adults, India, inventory appended, 20006
development & psychometric properties of Mastery of Stress Instrument, assessment of situational & maturational stress, adults, 35870
development & psychometric properties of Profile of Fatigue Related Symptoms scales, patients with chronic fatigue syndrome, 20082
development & psychometric properties of Women's Health Questionnaire, assessment of perceived emotional & physical health, female 23–38 vs 45–65 yr olds, 20080
development & psychometrics of revised Ontario Health Study scales, 6–16 yr olds with conduct vs oppositional vs attention deficit hyperactivity vs other disorders, 1–3 mo followups, 20019
development & psychometrics of situation specific questionnaire for Standard Shiftwork Index, assessment of coping with shift work & psychological health, nurses & midwives, England & Wales, 24236
development & psychometrics of Violence Scale, measurement of aggressive & violent behavior, hospitalized psychiatric patients, 35903
development & psychometrics of 40 item Defense Style Questionnaire, 16–68 yr old psychiatric outpatients vs child abusing parents, questionnaire appended, 27992
development & rationale of Symptom Magnification Syndrome Structured Interview, female 43 yr old with occupational overexertion injury, 15964
development & reliability & construct validity & factor structure of instrument, assessment of faculty & advisor communication apprehension of freshmen, college students, 20092
development & reliability & construct validity of English & Spanish versions of Psychological Sense of School Membership, assessment of school belonging, middle & junior high school students, 24210
development & reliability & convergent & divergent validity of Icelandic Parental Development Inventory, parental assessment of child's development, mothers & their 3–6 yr olds, Iceland, 43707
development & reliability & factor structure of Adolescent Self Monitoring Scale, 12–18 yr olds, 31
development & reliability & factor structure of Self-Report Manic Inventory, patients with mania vs other diagnoses, Canada, 8021
development & reliability & norms & validity of scales for measurement of beliefs about consciousness & reality, academicians & professionals, 3997
development & reliability & validity & factor structure of Attitude Towards Volunteer Motivation scale, AIDS volunteers, 15933
development & reliability & validity & factor structure of Attitudes Toward Censorship Questionnaire, high school & college students, 15925
development & reliability & validity & factor structure of Male Role Norms Inventory, adult males, 44
development & reliability & validity of cardiac diet vs exercise self efficacy instruments, 22–79 yr old cardiac rehabilitation participants vs marathon runners, 16035
development & reliability & validity of protypical anxiety & depression scales, psychiatric patients, Netherlands, 12012
development & reliability & validity of reactive irritability scale, assessment of smoking cessation induced irritability, 18–45 yr old abstaining vs nonabstaining smokers vs nonsmokers, 20014

development & reliability & validity of revised Grief Experience Inventory, grieving adult former caregivers, 43728
development & reliability & validity of self report questionnaire Your Workplace, assessment of alcohol related workplace activities before vs after alcohol rehabilitation, adults, 7990
development & reliability & validity of young adult version of Personal Authority in Family System Questionnaire, assessment of intimacy & individuation, college students, 11975
development & reliability & validity of Adult Attachment Dimensions Questionnaire, assessment of security in relationships, psychiatric outpatients vs normal adults, 20059
development & reliability & validity of Assessment Schedule for Altered States of Consciousness, adults, 3967
development & reliability & validity of Budreau Infant Irritability Scale, nurses of hospitalized infants with chronic cardiac or pulmonary disease, 69
development & reliability & validity of Canadian Occupational Performance Measure, client centered assessment, occupational therapy clients, 31810
development & reliability & validity of Close Persons Questionnaire, assessment of social support, adults, England, 7967
development & reliability & validity of Cognitive Triad Inventory for Children, depressed &/vs anxious 4th–7th graders, 20034
development & reliability & validity of Comprehensive Effects of Alcohol questionnaire, assessment of alcohol expectancies, college students, 24077
development & reliability & validity of Coolidge Axis II Inventory, assessment of personality disorders, patients, 4048
development & reliability & validity of Coping Scale for Children & Youth, 5th–8th graders, 22
development & reliability & validity of Discomfort Scale for patients with dementia of Alzheimer's type, patients with Alzheimer's disease, 8001
development & reliability & validity of Family Ritual Questionnaire, college students & their parents, 27917
development & reliability & validity of Group Sessions Rating Scale, assessment of coping skills training vs interactional group therapy aftercare, alcoholic patients, 82
development & reliability & validity of Hindi version of Self-Report Altruism Scale, bilingual postgraduate students, India, 15926
development & reliability & validity of Intercultural Sensitivity Inventory, graduate students, 24069
development & reliability & validity of Inventory of High School Students' Recent Life Experiences, assessment of hassles, 13–24 yr olds, Canada, test appended, 20002
development & reliability & validity of Iowa Inventiveness Inventory, assessment of characteristics of mechanical inventiveness, adult vs 13–15 yr old inventors vs noninventors vs college students, 31836
development & reliability & validity of Knowledge of Normative Infant Development inventory using structural equation modeling, mothers, 35791
development & reliability & validity of Lancashire Quality of Life Profile, evaluation of community & social care services, mentally ill, England, profile appended, 39872
development & reliability & validity of Nursing Stress Index, nurses, Nigeria, 16068
development & reliability & validity of Overprotection Scale for Adults, assessment of perceived overprotection & adjustment, chronically ill elderly, 28025
development & reliability & validity of Patient Satisfaction Interview, patients in partial hospitalization program, 35879
development & reliability & validity of Patient's Experience of Hospitalization self report scale, assessment of acknowledgment vs denial of own illness, 18–51 yr old psychiatric patients, 71
development & reliability & validity of Personal Experience Screening Questionnaire, assessment of alcohol & other drug abuse, 12–18 yr old students vs juvenile offenders, 12029
development & reliability & validity of Personal Independence Profile, assessment of independence & control & self reliance & functioning & environmental resources, physically disabled 17–84 yr olds, 3962
development & reliability & validity of Pre-School Activities Inventory, assessment of gender role behavior, preschool children, England, 43705
development & reliability & validity of Prenatal Social Environment Inventory, assessment of exposure to psychosocial stressors & risk for low birth weight babies, pregnant adult females, 8053
development & reliability & validity of PTSD self rating scale, WWII resistance fighters, Netherlands, 31887
development & reliability & validity of Reinvestment Scale, assessment of controlled processing & prediction of performance breakdown under pressure, college students, England, 35859
development & reliability & validity of Role-Efficacy Belief Instrument, assessment of beliefs toward leadership role in sexuality curriculum development, curriculum coordinators, 150
development & reliability & validity of Safe Sex Behavior Questionnaire, 18–23 yr olds, 39867
development & reliability & validity of Social & Emotional Loneliness Scale for adults, college students, Canada, 15917
development & reliability & validity of Spot-the-Word test, assessment of premorbid verbal intelligence, 16–85 yr olds, England, 27966
development & reliability & validity of Teenage Inventory of Social Skills, 7th–12th graders, 11963
development & reliability & validity of Treatment Acceptability Questionnaire for adults & children, college students, 3959
development & reliability & validity of Youth Depression Adjective Checklist, emotionally disturbed vs nonreferred 11–17 yr olds, 20021
development & reliability of AIDS Attitude Scale, assessment of health care providers' attitudes toward AIDS patients, nursing students, 31838
development & reliability of Attitudes Toward AIDS Scale, assessment of AIDS related attitudes & knowledge, college students, 43759
development & reliability of Behavioral Self-Report of Masculinity, male vs female college students, 43725
development & reliability of Community Integration Questionnaire, patients with traumatic brain injury with vs without rehabilitation in model systems program, Canada, questionnaire appended, 39835
development & reliability of English version of Pavlovian Temperament Survey-Revised, 17–65 yr olds, England, 24073
development & reliability of international education association reading literacy tests, assessment of narrative & expository & document domains, 9 & 14 yr olds, 31969
development & reliability of Patient Attitude Questionnaire, assessment of attitude change during transfer from hospital, psychiatric patients, England, test appended, 39830
development & reliability of Pulmonary Disease Prevention Survey, assessment of attitudes toward pulmonary disease prevention, medical students, 35787
development & reliability of Retrospective Assessment of Traumatic Events rating instrument, evaluation of childhood trauma & abuse, 19–40 yr old females with severe personality disorder, 4057
development & reliability of Rorschach sexual responses, male sexual offenders vs non sexual child abusers, 12018
development & reliability of Sports Inventory for Pain, assessment of ability to function with pain, injured high school & college athletes, 8012
development & reliability of Suicide & Aggression Survey, assessment of suicidality & violence & aggression risk, adolescent & adult patients, 15962
development & reliability of Visual Analogue Scale, assessment of subjective feelings & perceptions & sensations & symptoms, critically ill patients, 16033

development & scaling of convergent validity of English translation of Japanese performance & maintenance field measures of leadership, plant employees, UK & US, 35794
development & standardization & psychometrics of Transition Competence Battery for Deaf Adolescents & Young Adults, assessment of vocational & independent living skills, deaf 18–19 yr olds, 70
development & test retest reliability of quality of life short form questionnaire, hypertensive 18 yr olds & older, 24195
development & test retest reliability of Life Activities Questionnaire for Adult Asthma, assessment of activity restriction, 18–68 yr olds with asthma, 20079
development & use of Objective Structured Clinical Examination, assessment of clinical skills & knowledge, 2nd & 4th yr psychiatry residents, 39879
development & utility of self report instrument, assessment of stressful life events, high school students, implications for school adjustment, 8073
development & validation & factor analysis of Self-critical Cognition scale, college students, 27974
development & validation of attitude toward provision of long term care scale, caregivers of mentally retarded & elderly, 38913
development & validation of Attitudes Toward Sexual Abuse Scale, college students, scale appended, 15913
development & validation of Bayesian classified EP based memory assessment, college students, 12033
development & validation of food neophobia trait scale, 18–74 yr olds, 15930
development & validation of physical performance test battery, assessment of job performance aptitude, high pressure cleaning workers, 28104
development & validation of Prosocial Tendencies Scale for Children, self report of likelihood of providing assistance, 10–17 yr olds, 35818
development & validation of Relationship Belief Scale, college students, New Zealand, scale appended, 15919
development & validation of Sales Personnel Inventory, assessment of personality traits, sales representative job applicants, 28106
development & validation of Sales Skills Inventory & situational judgment measure, prediction of job performance, telephone sales representatives, 28111
development & validation of School Participant Empowerment Scale, teacher leaders, 24222
development & validity & internal consistency & discriminatory ability of short form of Children of Alcoholics Screening Test, substance abusers vs psychiatric patients vs medical students, 43768
development & validity & interrater reliability of client behavior system, assessment of client behavior during counseling & therapy, psychologists, 4062
development & validity & reliability & factor structure of behavior rating scale, assessment of self rated adjustment problems, monolingual vs bilingual 14–17 yr old students, Algeria, scale appended, 43821
development & validity & reliability & factor structure of Arabic version of Dimensions of Self Concept scale, assessment of academic self concept, Arabic college students, 31962
development & validity & reliability & factor structure of Perceived Parental Behavior Inventory, 14–20 yr olds, South Africa, 43696
development & validity & reliability of instrument measuring cognitive domain of quality of student life in faculties of education, education students, Canada, 35276
development & validity & reliability of subtle racism scale, college students, South Africa, 3957
development & validity & reliability of Alcoholism Intervention Performance Evaluation, assessment of alcohol abuse inteviewing & intervention skills, clinicians & simulated patients, 100
development & validity & reliability of Pain Anxiety Symptoms Scale, assessment of fear of pain, pain clinic patients, 4072
development & validity & reliability of Prenatal Attachment Inventory, pregnant females, commentary & reply included, 31808
development & validity & reliability of School Social Behavior Scales, teacher & peer related social competence & antisocial behavior, K–12th graders, 24218
development & validity of Adherence Determinants Questionnaire, assessment of compliance with medical treatment & prevention, adults with vs without vs at risk for cancer, questionnaire appended, 24188
development & validity of brief depression scale, medically ill hospitalized male under 40 & over 70 yr olds, 4138
development & validity of Catastrophic Cognition Questionnaire, assessment of misinterpretation of bodily & emotional states as dangerous, college students, implications for panic disorder, 20035
development & validity of Childhood Dissociative Predictor Scale, assessment of childhood experience of abuse & dissociation, adults with vs without psychiatric disorders, 24107
development & validity of Children's Perceptual Alteration Scale, self report assessment of dissociative experiences, 8–12 yr olds with vs without psychopathology, 24034
development & validity of clinical screening instrument, assessment of compulsive buying, consumers, 15955
development & validity of College Student Reasons for Living Inventory, prediction of suicidal risk, college students, 15989
development & validity of interview, assessment of hospital treatment, AIDS patients, 7994
development & validity of Italian & English versions of Perceived Stress Questionnaire, college students vs health workers vs ulcerative colitis outpatients vs gastroenterology inpatients, 28067
development & validity of Life Events Survey for Collegiate Athletes, assessment of life stress & social support & injuries, college athletes, survey appended, 8017
development & validity of modified role identity measurement technique, assessment of self in role, adult blood donors, 24071
development & validity of multidimensional sense of humor scale, 17–77 yr olds, 20011
development & validity of Nursing Severity Index, assessment of admission severity of illness based on nursing diagnoses, hospital patients, 1985–1988, 15977
development & validity of Occupational Self-Efficacy Index, middle aged & elderly, 16067
development & validity of Pain Beliefs Questionnaire, assessment of beliefs in pain causes & consequences, adults with vs without chronic pain, England, 24189
development & validity of Parent Health Locus of Control scales, parents, 35945
development & validity of Physical Disability Index, assessment of physical performance, frail 60–98 yr olds, 31954
development & validity of Preschool Socioaffective Profile, assessment of affective expression & social competence & adjustment, 2.3–6.3 yr olds, Canada, 11965
development & validity of research instrument Views on Science-Technology-Society, high school students, Canada, educational implications, 4144
development & validity of revised vs original Detoxification Fear Survey, methadone maintenance clients, 15957
development & validity of scale, assessment of construct of proactive behavior, college & MBA students, organizational implications, 27970
development & validity of scale based on revised Menstrual History Questionnaire, assessment of childhood social learning of illness behavior, female 20–40 yr olds, commentary & reply included, 12057
development & validity of Scale of Attitudes Toward Mental Retardation & Eugenics, college & graduate students, 27993
development & validity of Science Laboratory Environmental Inventory, senior high school students, US vs Nigeria vs England vs Israel vs Canada vs Australia, 24206
development & validity of self report Biphasic Alcohol Effects Scale, assessment of stimulation & sedation, social drinking adults & college students, 39745
development & validity of self report Inventory of Beliefs Related to Obsessions, college students vs patients with obsessive compulsive disorder, Canada, 43757

development & validity of semantic differential Cognitive-Affective Response Test—Music, college students, 31832
development & validity of short form of WPPSI, 4–6.5 yr olds, Iran, 24061
development & validity of survey instrument, assessment of psychosocial factors influencing dietary behavior, employees, worksite health promotion & intervention implications, 43810
development & validity of Teaching Autonomy Scale, assessment of perceived autonomy in classroom activities, teachers, 43831
development & validity of Wing Subgroup Questionnaire, subclassification into aloof vs passive vs active but odd subgroup, 4.8–20.1 yr olds with autism or pervasive developmental disorder, 39800
development and validity of Work Planning Needs Questionnaire, assessment of psychological traits during planning activities, industrial managers, translated article, questionnaire appended, 31995
development of & performance on Block Pattern Analysis Test, 21–81 yr old patients referred for neuropsychological assessment, 12035
development of Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, questionnaire appended, 39765
development of Alcohol Use Disorders Identification Test, screening for hazardous & harmful alcohol consumption, adults, 6 countries, 43780
development of Asthma Symptom Profile, assessment of phasic changes before & after bronchodilator with ipratropium bromide, adults with asthma, 43813
development of Bernese Coping Modes instrument, assessment of variability & stability of coping over time & situation, female breast cancer patients, Switzerland, 3–5 yr study, 43811
development of certification examination in addictive disorders medicine, physicians, 27236
development of Child Perceived Coping Questionnaire, assessment of coping with & moderation of stress, 6–12 yr olds, 11967
development of course ratings questionnaire as teaching method, college students in tests & measurements class, 27463
development of Decision to Seek Medical Treatment Instrument, college students, 39871
development of direct observation code, assessment of high incidence problem behaviors, preschool students, 24201
development of Everyday Indicators of Impaired Cognition Scale, 57–102 yr old nursing home residents, 28032
development of Familial Role Expectation Scale, working vs nonworking married females, India, 39753
development of Fear Avoidance Beliefs Questionnaire, assessment of disability in activities of daily living & work loss, 18–60 yr olds with low back pain, 31927
development of foreign language listening comprehension proficiency test, 39878
development of General Satisfaction Questionnaire, evaluation of mental health programs, adults, 39743
development of general work commitment index, MBA students & nurses, 39887
development of Global Aphasia Neuropsychological Battery, assessment of cognitive function, 29–87 yr olds with global aphasia, treatment implications, 28041
development of instrument & internal consistency & stability & validity of subscales, assessment of pain intrusion & accommodation, veterans with chronic pain, 39808
development of instrument, assessment of injury prevention health beliefs & social influence perceptions, 17–36 yr old mothers of 1–3 yr olds, 12054
development of integrated family assessment inventory, assessment of stress & strain, family caregivers of dementia patients, 16038
development of interview based Geriatric Depression Rating Scale, 58 yr olds & older, 12010
development of Job Activity Questionnaire, assessment of industry safety, working safety professionals, 43847
development of Keefe Inventory of Silent Reading, diagnosis of reading miscues, female 3rd grader with probable learning disability, 43826
development of laboratory method & scale, assessment of coercive discipline, parents of 1–3 yr olds, 24035
development of Lexington Attachment to Pets Scale, 18–35 yr old cat & dog owners, 7957
development of masculine & feminine sex role scales on MMPI-2, adults, 20007
development of Measure of Moral Orientation, measurement of ethics of care & justice in college setting, college students, 45
development of Metro Assessment of Child Satisfaction instrument, assessment of satisfaction with pediatric outpatient visits, 6–14 yr olds & their mothers vs physicians, 20050
development of microcomputer based Automated Performance Test System, screening for stress & toxic chemical & drug induced mental acuity performance loss, adults, 137
development of Missouri Automated Reinforcer Assessment computer program, preference assessment for behavioral treatment, 8–64 yr old inpatients & outpatients, 111
development of Moreno Social Atom Test-Revised, assessment of interpersonal networks, patients & other adults, 15985
development of National Institute of Mental Health Panic Questionnaire & concordance with other measures, 22–63 yr olds with panic disorder, 8020
development of Patient Reactions Assessment, measurement of perceived quality of provider informative & affective behaviors & illness communication ease, cancer patients, 4056
development of positive & negative event scales, assessment of association with depressive symptomatology, 36–85 yr old caregivers, scales appended, 24138
development of Proportional Rating Scale, behavioral approach to measurement & improvement of safety performance, construction site personnel, 39737
development of questionnaire, assessment of frustration with patient communication, physicians, 35949
development of questionnaire, measurement of attitudes toward health behaviors during pregnancy, female 15–37 yr olds, 16041
development of rating scale, assessment of impact of religiosity & physical appearance & social relationships & intellectual & occupational abilities on self esteem, college students, 15911
development of Romantic Communication Scale, assessment of attitudes toward romance by behavioral context vs interaction mode, college students, 19991
development of scale, assessment of church attendance frequency & denominational affiliation & attitudes toward alcohol, under 30 to over 60 yr olds, England, 11933
development of scale, measurement of sex role related breast feeding attitudes, 20–43 yr old primiparous mothers, 39776
development of self report Family Profile, 18–91 yr old family practice patients, application to family medicine research & practice, 20031
development of self report questionnaire, assessment of pathological vs nonpathological use of drugs, resident doctors, Venezuela, 39796
development of self report Satisfaction with Life Domains Scale for Cancer, long term adult cancer survivors with bone marrow transplants, 31949
development of self report temperament measure for early adolescent period, 11–14 yr olds, 24059
development of self report Vertigo Symptom Scale, assessment of severity & anxiety & depression & handicap, 18–80 yr olds with vertigo, 15990
development of sensation seeking scale as class project for experimental psychology laboratory course, college students, 43182
development of Severity of Violence Against Men Scales, 17–82 yr old males, 3960
development of Sexual Harassment Proclivities Scale, female vs male college students, 39767

development of Social Phobia Endstate Functioning Index, assessment of functional status as indicator of treatment outcome, 28–49 yr olds with social phobia, 31926
development of Socio-cultural Change Questionnaire, assessment of effects of rapid social change on mental health & psychiatric morbidity, adult females in Dubai, United Arab Emirates, 39798
development of subscales of Dysfunctional Attitude Scale, assessment of cognitive vulnerability to depression & anxiety, college students, Australia, 7996
development of Termination Scale, assessment of processes of therapist initiated termination of psychotherapy, 24–41 yr old doctoral students in supervised training rotation, 79
development of TUPA scale, measurement of time urgency & perpetual activation subcomponent of Type A behavior, 40–55 yr old males with coronary heart disease, 4094
development of Visual Assessment Procedure-Capacity Attention & Processing Test, assessment of visual functioning, visually impaired 3 mo to 4.5 yr olds, Australia, 27964
development of Visual Neglect Recovery Index, patients with right vs left hemisphere acute stroke & visual neglect, 0–6 mo followups, 135
development of Warwick Symbolic Play Test, normal 14–72 mo olds, implications for use with delayed childhood language &/or play development, 11966
development of writing attitude survey, assessment of effect of teaching & grade & participation on writing attitudes, 1st–3rd graders, 152
enjoyment of sad films & development & validity & reliability of Sad Film Scale, male vs female college students, 27981
expert system methodology for development of computerized adaptive mastery tests, graduate students, 7812
feasibility of development of short version of Task Oriented Assessment portion of Bay Area Functional Performance Evaluation, 14–70 yr old psychiatric patients, 24140
framework for development & reliability & validity of measurement instruments, assessment of traits & abilities, children, 20
general procedures for development & administration & presentation of organizational survey & results, 35986
guidelines for teaching rules of effective questionnaire construction, college teachers in methodology & psychometric courses, 43043
Guttman's facet analysis, test development & content & construct validity, college students, 43864
history & rationale & development of Structured Clinical Interview for DSM-III-R, assessment of Axis I disorders, adults, 105
identification of factors & development of rating scale, prediction of successful probation, 1st time offenders, 1980–82, 19969
instrument development & factor analysis, assessment of learning strategies & correlation with GPA, college & graduate students, 24202
issues in & areas of future research on pretesting of questionnaires, research review, implications for market research, 35995
issues in development of general ability test, Army personnel, application of 3 factor model of intelligence, technical report, 31992
item construction & psychometric models for constructed responses format in measurement of complex & dynamic response processes, 31947
item pool size & length & validity of adaptive vs linearly constructed testlets, 7926
item structural properties identified by Logical Test Design, prediction of item difficulty & association in reading Roman numerals, 11–13 yr old 6th graders, Mexico, 31982
job analysis based construction & unitarian validation of Mathematical Skills Exercise, personnel selection, sales & merchandising representatives, 39889
job analysis based development & validity of Negotiation Skills Inventory, prediction of telephone negotiation & situational judgment, credit consultants, 39897
leisure interests & stress, high school vs college students, implications for development of short version of Leisure Interests Checklist, 25203
life events approach to development of societal well being index, 19972
methodological factors in development of HIV risk related behaviors & attitudes & knowledge questionnaire, ethnically diverse sexually active Army personnel, conference presentation, 35876
methodology for use of verbal reports of thinking in construction & validity of multiple choice tests of critical thinking, 11943
nominal & ordinal data features & scale reliability & guidelines for neuropsychological assessment, 12036
number of test items & interitem correlation, interpretation & assumptions & meaning of coefficient alpha of reliability in scale construction, 19965
panel appraisal of job performance as criterion in development & concurrent validatity of entry level written examination, sheriff deputies & corporals, 28107
parsimony & stability & reliability & validity in development of battery of leisure experience scales, 10th graders, implications for smoking, 11930
perceived ratings of quality of life items & development of preliminary assessment tool, 7–12 yr olds vs their parents, implications for chronically ill children, conference presentation, 29
polynomial algorithms for item matching in estimation of test reliability & creation of parallel tests, 35778
problems of item parameter estimation errors in item response theory based test development, conference presentation, 39912
psychometric issues & difficulties in constructing new measures in psychosocial development research, example of child play measurement, 30
psychometric properties & correlates of Adult Playfulness Scale, adults, 4009
rationale for development & applications of Michigan Adequacy of Treatment Scale, patients with major depressive disorder undergoing ECT, letter, 43761
reliability & clinical utility of rater form of California Psychotherapy Alliance Scales, therapists & clients, 43742
reliability & discriminant validity of Multi-Function Needs Assessment scale, measurement of functional ability, inpatients with severe mental disorders in psychosocial rehabilitation program, 43787
reliability & validity & stability of Italian version of Mental Adjustment to Cancer scale & application to psychiatric oncology, 18–75 yr old cancer outpatients, Italy, 35890
reliability & validity of Approaches to Studying Inventory & Learning Style Inventory, assessment of individual differences in learning, college students, England, 16046
reliability & validity of Self-description Inventory, measurement of self concept, 17–19 yr olds, South Africa, 27979
research process in development & reliability & construct validity of measure, assessment of talents & difficulties, severely & multiply disabled clients, 31913
role of quantification in development & interpretation of educational performance assessment, 43832
scale construction & construct validity of circular visual depiction of semantic relationships between Swedish interpersonal trait terms, college students, Sweden, 15932
scale development & psychometrics, assessment of rejection of Christianity, 14–16 yr olds in Catholic vs Protestant secondary schools, Northern Ireland, 19998
statistical item selection, direction of wording effects in development of balanced Likert type measure of loneliness, college students, 31849
test construction & validity & reliability of Ways of Responding, assessment of compensatory skills taught in cognitive therapy, college students & patients with major depression, 66
test development & relations among subtest scores, assessment of statistical knowledge, graduate students, implications for statistics education, 43823
theoretical & structural & other problems with MMPI & MMPI-2 in assessment of psychotherapy, 28007
validity & reliability & structure of self report inventory of life stress, assessment of response to training stress, elite swimmers, 11944

validity of desirable number of options vs inclusive none of these option in design of multiple choice test items, college students, 31799
Test Construction [See Also Content Analysis (Test), Cultural Test Bias, Difficulty Level (Test), Item Analysis (Test), Item Content (Test), Test Bias, Test Forms, Test Items, Test Reliability, Test Standardization, Test Validity]—Books
Constructing questions for interviews and questionnaires: Theory and practice in social research, 35798
MMPI-A: Assessing adolescent psychopathology, 8033
Test Construction [See Also Content Analysis (Test), Cultural Test Bias, Difficulty Level (Test), Item Analysis (Test), Item Content (Test), Test Bias, Test Forms, Test Items, Test Reliability, Test Standardization, Test Validity]—Chapters
Cognitive psychology, new test design, and new test theory: An introduction, 19982
Commentary: Understanding what we measure and measuring what we understand, 16058
Comparing two strategies for developing personality scales, 27989
Examinee feedback: Practical guidelines, 27950
Examining test data using multivariate procedures, 27913
The federal role in standardized testing, 27942
Measuring attitudes, 35871
Measuring inductive reasoning skills: The construction of a learning potential test, 35979
The Millon Clinical Multiaxial Inventory: An introduction to theory, development, and interpretation, 16009
Neuropsychological assessment, 35942
Practical questions in the use of DIF statistics in test development, 27963
Psychological tests: Development, publication, and distribution, 27954
Questionnaires, 35809
Special scales for the MCMI: Theory, development, and utility, 16015
Testing, DIF, and public policy, 27946
The use of differential item functioning statistics: A discussion of current practice and future implications, 27944
Test Equating [See Score Equating]
Test Forms—Serials
adaptation of & normative data on Westmead PTA Scale, assessment of posttraumatic amnesia, hospitalized non-head-injured 6–16 yr olds, Australia, 39856
adaptation of translated short version of Alcohol Expectancy Questionnaire for Adolescents, prediction of alcohol use, 13 yr olds, Norway, 39733
age, normative performance data on Halstead Reitan Neuropsychological Test Battery for Older Children, 9–14 yr olds, 4119
agreement between clinician's vs Diagnostic Interview Schedule for Children's admission & discharge diagnoses, 12–15 yr old psychiatric patients, 35872
brief vs extended self report inventories, assessment of handedness, college students, 43691
clinical utility of WISC-R Split-half Short Form, assessment of cognitive functioning, 7.5–16.2 yr olds with severe closed head injury, 35934
clinical validity & validity of children's version of Selective Reminding Test, measurement of memory skills, 8–12 yr olds with learning disabilities or seizure or neuropsychological disorders, 134
comparative analysis of Rivermead Perceptual Assessment Battery & shortened versions, elderly stroke patients, 4054
concurrent criterion validity of Diagnostic Interview Schedule for Children-Revised version, 11–17 yr old psychiatric patients, 35912
concurrent validity of Silverstein's vs Doppelt's vs Ward's WAIS-R short forms, cost effective estimates of intellectual ability, 16–89 yr old psychiatric inpatients, 4038
construct validity of brief current form of Parental Bonding Instrument, assessment of perceived parental styles & correlation with self concept, adolescents, 15902
construct validity of short forms of Marlowe-Crowne Social Desirability Scale, college students, 43721
construction & validity of common language version of California Q-Set, personality assessment, male 4th graders, 11959
construction of abbreviated version of Portland Digit Recognition Test, assessment of motivation to exaggerate memory disorders, adults, 39846
construction of short forms of Marlowe-Crowne Social Desirability Scale, college students, 24068
content & development of measures of Element B & F & S based on extension of FIRO theory, assessment of interpersonal behavior & feelings & self concept, adults, 53
correlation & score consistency & configural patterns between MMPI & MMPI-2, college students, 4000
correlation between short & long forms of McGill Pain Questionnaire, adults with cancer related chronic pain, 39740
criterion validity of Japanese version of Cross-Cultural Cognitive Examination, screening for dementia, 50–93 yr olds, Japan, 139
cross validity of Short Category Test-Booklet Format, assessment of brain dysfunction, patients with closed head injury or neurological or psychiatric disorders, 121
development & adaptation & evaluation version of Scales of Independent Behavior for visually impaired students, teachers, 16051
development & concurrent validity & reliability of Visual Analogue Scale for Anxiety-Revised, 8.6–17.6 yr olds with school refusal, 67
development & factor structure of brief current form of Parental Bonding Instrument, assessment of perceived parental characteristics, adolescents, 15901
development & features of Kuder General Interest Survey & Kuder Occupational Interest Survey, 8087
development & psychometric properties of abbreviated Alcohol Expectancy Questionnaire for Adolescents, 7th graders, 35797
development & reliability & validity of revised Grief Experience Inventory, grieving adult former caregivers, 43728
development & reliability & validity of young adult version of Personal Authority in Family System Questionnaire, assessment of intimacy & individuation, college students, 11975
development & validity of short form of WPPSI, 4–6.5 yr olds, Iran, 24061
diagnostic utility of Millon Clinical Multiaxial Inventory-I vs Millon Clinical Multiaxial Inventory-II, assessment of DSM-III-R disorders, psychiatric patients, 35894
dimensionality of short form of Beck Depression Inventory, screening for depression, 18–84 yr old family practice outpatients, 35924
discourse completion questionnaire with vs without hearer response, elicited requests, native English speaking college students, 7922
education level & item wording, responses to original vs revised version of Job Diagnostic Survey, assessment of job characteristics & satisfaction, public sector employees, Australia, 20111
efficacy & validity of Satz-Mogel short form WAIS-R in neuropsychological assessment, 17–72 yr old tumor patients with right vs left hemisphere damage, 4121
equivalence of MMPI & MMPI-2 scores, 18–61 yr old psychiatric patients, 12006
face & empirical validity of critical items on MMPI & MMPI-2, assessment of panic symptoms, 19–48 yr olds with panic disorder, 89
factor structure & reliability & concurrent validity of Social Anxiety Scale for Children Revised, 4th–6th graders, 39763
factor structure of Infant/Toddler & Early Childhood versions of Home Observation for Measurement of Environment Inventory, preterm low birth weight 1 & 3 yr olds, 43711
factor structure of original vs Short Form Conservatism Scale, pharmacists, 35849
factor structure of shortened version of Pupil Evaluation Inventory, 3rd–5th graders, 26
feasibility of development of short version of Task Oriented Assessment portion of Bay Area Functional Performance Evaluation, 14–70 yr old psychiatric patients, 24140

field dependence vs independence & rating scale format, affective reaction toward & accuracy of performance appraisal, college students, 28249
forced choice vs Likert forms of Myers-Briggs Type Indicator, assessment of bipolarity of Jungian introversion/extraversion & sensing/intuiting & thinking/feeling types, college & graduate students, 31839
grouped vs random item placement, alpha internal consistency reliabilities of scales & scale means of Administrative Attitudes Toward Unsatisfactory Teachers Survey, school principals, 31977
interpretive problems with MMPI-2, clinicians & researchers, erratum, 4086
interrelationship between original & revised Millon Clinical Multiaxial Inventory & value of aggressive & self defeating personality scales, Vietnam veterans with combat related PTSD, 24124
item difficulty & characteristics & field independence, FR vs rational fill in vs multiple choice cloze test scores, ESL college students, 24026
item format of Explicit Alternative Testing, detection of faked visual memory deficits, 16–47 yr olds, 8043
leisure interests & stress, high school vs college students, implications for development of short version of Leisure Interests Checklist, 25203
location & directions for scoring & norms for Wiggins Content Scales items of MMPI-2, 4067
modified vs informant's version of Personality Diagnostic Questionnaire, screening for comorbid personality disorders, psychiatric patients & relatives or friends as informants, 12003
modified vs informant's version of Personality Diagnostic Questionnaire, screening for comorbid personality disorders, psychiatric patients & relatives or friends as informants, commentary reply, 43754
modified vs informant's version of Personality Diagnostic Questionnaire, screening for comorbid personality disorders, psychiatric patients & relatives or friends as informants, commentary, 43749
norms & reliability & validity of modified Rivermead Behavioral Memory Test, assessment of everyday memory, 5–10.9 yr olds & comparison group of 8.3–15.9 yr olds with severe epilepsy, England, 43802
Nowicki Strickland Locus of Control Scale for Children vs Nowicki Duke Preschool Primary Internal External Control Scale, 7–17 yr olds, commentary & reply included, 7931
number of category items & test length, performance of nominal response model based computerized adaptive testing, 35782
perceived clinical comparability of MMPI & MMPI-2 scores, clinical psychologists, 12000
performance on modified Stroop Color & Word Test interference subtask, 15–45 yr olds with mild head injury, 4108
prevalence of Millon Clinical Multiaxial Inventory-II diagnosed personality disorders, outcome of exposure therapy & eclectic psychotherapy, agoraphobic 17–64 yr olds, 2432
principal components analysis of Counselor Reaction Form, scale development, psychologists vs psychotherapy practicum students & university counseling center clients, 27924
psychometric analysis of WISC-III, 7932
psychoticism & extraversion & neuroticism & lie scores on & factor structure of Eysenck Personality Questionnaire-Revised, 18–65 yr olds, Canada, comparison with English data, 15918
random responding or malingering, validity scales of MMPI-2, nondisordered Ss, 4030
regression equations for & predictive validity of full length vs short forms of WAIS-R, healthy adults, UK, 40
reliability & clinical utility of rater form of California Psychotherapy Alliance Scales, therapists & clients, 43742
reliability & construct & factorial validity of revised Causal Dimensions Scale, assessment of causal attributions, college students, 7962
reliability & factorial validity of 2 shorter forms of Center for Epidemiological Studies Depression Symptoms Index, 65 yr olds & older, 31893
reliability & utility of short forms of Stanford Binet Intelligence Scale, low achieving 5.3–15.9 yr old students, 16049
reliability & validity & factor analysis of revised Fear Survey Schedule for Children, 7–18 yr olds, Australia, 3986
reliability & validity of brief version of H. Levenson's locus of control scale, college students, 35865
reliability & validity of Japanese version of short form Eysenck Personality Questionnaire-Revised, 22–68 yr olds, Japan, 43724
reliability & validity of short form of attitudes toward Christianity scale, adults, 35850
reliability & validity of state & trait forms of Depression Adjective Check Lists, university counseling center clients, 35899
reliability of modified Regressive Coping Checklist, measurement of coping with stress through denial or avoidance, teachers, Australia, 50
reliability of short form of State-Trait Anxiety Inventory, adults with normal & raised levels of state anxiety, 7961
reliability of Teacher Concerns Questionnaire & adaptation to physical education settings, physical education teachers, 20095
revision & field testing & interrater reliability & acceptability of Diagnostic Interview Schedule for Children, 11–17 yr old psychiatric patients, 35915
sealed booklet vs direct question formats for public opinion surveys with sensitive questions, assessment of drug use, national population sample, Australia, 7921
self report validation of F & Fb & VRIN indices, detection of random responding on MMPI-2, college students, 3998
sensitivity & test reliability & validity of short forms of Morris water maze, reference & working memory measurement of cognitive deficit, 2 vs 16 vs 24 mo old rats, 15873
sensitivity of Diagnostic Interview Schedule for Children-2nd edition, 8–19 yr olds with rare psychiatric disorders, 35885
short form vs standard administration of Rorschach Test, assessment of total thought disorder, psychiatric patients, 24111
short vs long form editions of Eysenck Personality Questionnaire-Revised Extraversion & Neuroticism & Lie scales, female student teachers, Israel, 7945
strengths of original Stanford-Binet Intelligence Scale L-M & use as supplemental test, gifted & developmentally disabled & other children, 8022
stress & physical symptoms & emotionality & extent of emotion-like contamination in short form Sense of Coherence Scale, college students, Canada, 4 wk followup, 39777
subtest specificities for WISC-III, children, 25
superiority of norms & factorial structure of Stanford-Binet Intelligence Scale 4th edition, gifted children, 7934
test form, retention & recall of clinical information previously learned for exam, medical students, 23382
test length & item response theory model, distribution & stability & cutoff values of Z3 vs ECIZ4 vs W appropriateness indexes, 35790
test retest reliability & internal consistency of Diagnostic Interview Schedule for Children-Revised version, 11–17 yr old psychiatric patients, 35914
theoretical & structural & other problems with MMPI & MMPI-2 in assessment of psychotherapy, 28007
usefulness of short form estimates of children's IQ test scores, 37
utility & validity of Raven's Standard vs Coloured vs Advanced Progressive Matrices, identification of gifted & talented, students, 35967
validation of larger easier to see version of Allen Cognitive Level Test, assessment of cognitive functioning relevant to activities of daily living, 60–91 yr olds with probable Alzheimer's disease, 31942
validation of 28 item General Health Questionnaire, urban over 15 yr olds, Spain, 20008
validity & reliability of revised Neuropsychological Impairment Scale, patients, 35938
validity of abbreviated version of Duke Social Support Index, chronically ill elderly, 24132

validity of nonminority version of Tell Me A Story Test, assessment of perceptual & cognitive style & affective state & personality, White 7–14 yr old mental health outpatients vs normal students, 20023
validity of old & new MMPI derived scales & short form of Michigan Alcohol Screening Test, alcoholic patients, 28006
validity of original vs revised Physical Activity Readiness Questionnaire, preliminary screening for physical fitness test, 15–69 yr old clients of fitness facilities, Canada, 24047
validity of Revised Socialization Scale of California Psychological Inventory, delinquent vs nondelinquent male 15–16 yr olds, 43750
validity of short version of Camberwell Family Interview, assessment of expressed emotion, family members of schizophrenic patients, 12019
validity of 4 French McGill Pain Questionnaire versions, 28–50 yr old physicians, France, 4041
variances vs mean vs distribution of scores on original blocked version vs random format of Vividness of Visual Imagery Questionnaire, college students, replication & extension, 3961

Test Forms—Books

MMPI-A content scales: Assessing psychopathology in adolescents. MMPI-A monograph, 15993

Test Forms—Chapters

Cross-cultural differences in test anxiety: Establishing translitеral equivalence, 16057
Cross-validation of a revised test anxiety scale using multinational samples, 16054

Test Interpretation—Serials

accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary, 11311
accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary reply, 11320
accuracy of analysis of achievement ability discrepancy scores, school psychologists, 11321
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary reply, 24205
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary, 24217
development & rationale of Symptom Magnification Syndrome Structured Interview, female 43 yr old with occupational overexertion injury, 15964
development & scoring & interpretation of Drug Use Screening Inventory, evaluation & treatment of drug & alcohol abuse, female 17 yr old, inventory appended, 20057
interpretation of test correlation coefficients & use of verbal modifiers in description of statistical significance, commentary, 8099
interpretations of Draw A Person Test variation, 7–13 yr olds, Senegal, 3984
interpretive argument based approach to validation, 11938
interpretive problems with MMPI-2, clinicians & researchers, erratum, 4086
interscorer reliability & interpretation of texture in J. E. Exner's comprehensive system for scoring of Rorschach Test, judges, 35846
issues in interpretation of EA:es ratio in Comprehensive Rorschach System & need for overarching psychoanalytic personality theory, 4017
issues in interpretation of EA:es ratio in Comprehensive Rorschach System & need for overarching psychoanalytic personality theory, commentary, 4003
issues in interpretation of EA:es ratio in Comprehensive Rorschach System & need for overarching psychoanalytic personality theory, commentary reply, 4018
meta interpretative reliability of computer based test interpretation on Karson Clinical Report, psychologists, 20027
problems in terminology regarding organization of brain & interpretation of neuropsychological test findings, 4131
psychometric characteristics & quality of guidelines for interpretation of behavior rating scales, 35904
test length & item response theory model, distribution & stability & cutoff values of Z3 vs ECIZ4 vs W appropriateness indexes, 35790
turn taking sequences in conversation, persuasiveness in relation of vocational test scores to client experiences, counselors, 27629

Test Interpretation—Books

Case studies of mildly handicapped students: Learning disabled, mildly mentally retarded and behavior disordered, 23651
Clinical inference: How to draw meaningful conclusions from psychological tests, 16053
Essentials of MMPI-2 and MMPI-A interpretation, 11992
The MMPI-2/MMPI: An interpretive manual, 35925

Test Interpretation—Chapters

Assessing psychopathology using the Basic Personality Inventory: Rationale and applications, 16006
Best uses of the WISC-III, 35841
Computer-assisted interpretation of the MCMI-II, 16010
Examining test data using multivariate procedures, 27913
Formal aspects of the TAT: A neglected resource, 60
The interpretation of tests, 27934
Interpreting test performance in selective admissions for Hispanic students, 4155
The Millon Clinical Multiaxial Inventory: An introduction to theory, development, and interpretation, 16009
Test scores and statistics, 27912

Test Items—Serials

collateral information exploitation & item response based procedures for equating tests with unknown item operating characteristics, 32015
construction & validation of Items Easy & Items Difficult subscales of MMPI-Adolescent, assessment of relation of reading comprehension deficits & validity scale scores, 13–17 yr olds, 39778
correlation of collected item pool from anxiety scales with self rated Zung Anxiety Index vs Rand Depression Screener, anxiety disorders vs medical patients, 28000
criterion contamination in self report depression scale items, patients with rheumatoid arthritis, 39819
differential responses to MMPI items, 20–29 yr old incarcerated female forgers vs normative sample, 39818
education level & item wording, responses to original vs revised version of Job Diagnostic Survey, assessment of job characteristics & satisfaction, public sector employees, Australia, 20111
empirical vs judgmental evaluation of gender bias in science test items, 5th graders, 28087
factor analysis of speeded tasks on Bayley Scales of Infant Development & relationship to mental ability, 4 vs 12 vs 18 mo olds, 35823
free response vs multiple choice test item format, syntactic translation & cognitive models underlying formulation of simple linear algebraic equations, 8th–10th graders, 39264
global items, prediction of weighted composite evaluations of teaching, college students, 12062
grouped vs random item placement, alpha internal consistency reliabilities of scales & scale means of Administrative Attitudes Toward Unsatisfactory Teachers Survey, school principals, 31977
intercorrelation of item 31 & total scores on Dyadic Adjustment Scale, spouses, 19997
interitem correlation frequency distribution analysis, evaluation of scale dimensionality, college students, 43879
item difficulty & characteristics & field independence, FR vs rational fill in vs multiple choice cloze test scores, ESL college students, 24026
item equivalence & cross validity of WPPSI-R & WISC-III, 3–16.9 yr olds, 35837
item format of Explicit Alternative Testing, detection of faked visual memory deficits, 16–47 yr olds, 8043
item structural properties identified by Logical Test Design, prediction of item difficulty & association in reading Roman numerals, 11–13 yr old 6th graders, Mexico, 31982
location & directions for scoring & norms for Wiggins Content Scales items of MMPI-2, 4067
log linear smoothing, accuracy of chained equipercentile method of common-item small sample equating of test scores, examinees, 32012
nominal & ordinal data features & scale reliability & guidelines for neuropsychological assessment, 12036

number of category items & test length, performance of nominal response model based computerized adaptive testing, 35782
perceived ratings of quality of life items & development of preliminary assessment tool, 7–12 yr olds vs their parents, implications for chronically ill children, conference presentation, 29
polynomial algorithms for item matching in estimation of test reliability & creation of parallel tests, 35778
positive &/vs negative item context, cognitive carryover in interpretation of self report item on modified Job Descriptive Index scales, employees, 20113
problems of item parameter estimation errors in item response theory based test development, conference presentation, 39912
sex & item subtlety, endorsement of Millon Clinical Multiaxial Inventory items, college students, 31931
statistical item selection, direction of wording effects in development of balanced Likert type measure of loneliness, college students, 31849
stopping rule & item size & difficulty, performance of computerized adaptive testing procedures for partial credit model, 31801
thin vs thick matching strategies for Mantel-Haenszel differential item functioning procedure, reference & focal groups, 36004
utility of Type K &/vs complex multiple choice test items in educational measurement, research review, 31961
validation of sex role related test items, assessment of career indecision, male vs female college students, 35994
validity of desirable number of options vs inclusive none of these option in design of multiple choice test items, college students, 31799
validity of logistic discriminant function analysis method, identification of differential item functioning of polytomously scored educational test items, 39880

Test Items—Books

Differential item functioning, 27928
MMPI-A content scales: Assessing psychopathology in adolescents. MMPI–A monograph, 15993

Test Items—Chapters

Comments on the O'Neill & McPeek paper, 27933
Different DIFs: Comment on the papers read by Neil Dorans and David Thissen, 27932
Dimensional structure of the Millon Clinical Multiaxial Inventory, 16008
Factors affecting the operating characteristics of the MCMI-II, 16003
Item and test characteristics that are associated with differential item functioning, 27951
A note on the value of including the studied item in the test score when analyzing test items for DIF, 27943

Test Normalization [See Test Standardization]

Test Norms—Serials

actual vs estimated norms of Wechsler Memory Scale-Revised & clinical utility, nondisordered 25–34 yr olds, 4073
adaptation of & normative data on Westmead PTA Scale, assessment of posttraumatic amnesia, hospitalized nonhead-injured 6–16 yr olds, Australia, 39856
age & demographic characteristics, norms & reliability & validity of new versions & procedures of verbal memory tests, 20–79 yr olds, 4127
age & sex & marital status & SES, de Rivera Stress Reactivity Index scores, 18–74 yr olds, 43720
age, normative performance data on Halstead Reitan Neuropsychological Test Battery for Older Children, 9–14 yr olds, 4119
age specific norms for Auditory Verbal Learning Test, 56–97 yr olds, 4117
age specific norms for Wechsler Memory Scale-Revised, 56–94 yr olds, 4115
Boston Naming Test norms as framework for determination of word retrieval or word knowledge focus of test, male vs female 5–13 yr olds, 4118
community norms for Brief Symptom Inventory & correlation with quality of life, 75–85 yr olds & older, Italy, 43751
development of revised norms & decision rules for Luria-Nebraska Neuropsychological Battery Form III, 12–80 yr olds, erratum, 24181
factor structure & reliability & norms of Behavioral Dyscontrol Scale, assessment of cognitive & behavioral functioning, 21–52 yr olds & healthy vs impaired 60–105 yr olds, 122
factor validity & structure & norms of Aberrant Behavior Checklist & effect of S characteristics on subscale scores, mentally retarded 6–21 yr olds, 4071
limited utility of Fear Survey Schedule-III for normative comparisons, college students, 20001
location & directions for scoring & norms for Wiggins Content Scales items of MMPI-2, 4067
MMPI norms, alcoholic males with vs without borderline vs mixed vs other personality disorder, Norway, comparison to US norms, 31919
normal base rates of intersubtest scatter in WAIS-R vs original standardization sample, 75 yr olds & older, 15904
normative & comparative data for Waterloo-Stanford Group C scale of hypnotic susceptibility, college students, 27914
normative data & stability & sensitivity & factor structure & construct validity of Satisfaction With Life Scale, adults, research review, scale appended, 35863
normative data for & validity of Visual Spatial Learning Test, assessment of memory, 56–97 yr olds with vs without dementia, 12014
normative data on Hooper Visual Organization Test, assessment of early acquisition of visual organization ability, male vs female 5–13 yr olds, 5108
normative data on Logical Memory subtests of Wechsler Memory Scale-Revised, cognitively intact 70–99 yr olds, 24177
normative scores for Adolescent Menstrual Attitude Questionnaire, premenarcheal vs postmenarcheal 10–17 yr old females, Canada, 39764
normative scores on Rey 15 item Visual Memory Test, adult psychiatric inpatients, 43766
norms & sensitivity to change of Nurses' Observation Scale for Geriatric Patients, assessment of behavioral changes, 56–96 yr olds in community vs old age home vs with dementia in nursing home, 35922
norms of Family of Origin Scale, assessment of family functioning & intimacy & automony, male vs female 13–19 yr olds, 35858
norms on Children's Motivation Analysis Test, male vs female 10–13 yr olds, Zimbabwe, 35819
norms on Mini-Mental State Examination, male vs female 55–57 yr olds with vs without lifetime history of psychiatric disorder, Iceland, 35936
performance norms for Raven Coloured Progressive Matrices, 5–12 yr olds vs standardization sample, India, 43702
psychometric characteristics of Child Sexual Behavior Inventory, nonabused vs sexually abused 2–12 yr olds, 4055
reliability & norms of Family of Origin Scale, assessment of familial autonomy & intimacy, 13–15 yr olds, 3991
scores on EPPS showing significant differences from 1959 norms, college students, 1992, 54
superiority of norms & factorial structure of Stanford-Binet Intelligence Scale 4th edition, gifted children, 7934
validity & norms of Lateral Preference Inventory, 17–35 yr olds, Canada, 43692
variability in national norms of standardized test batteries, male vs female students, analysis of intellectual variability hypothesis, commentary reply, 20091
variability in national norms of standardized test batteries, male vs female students, analysis of intellectual variability hypothesis, commentary, 20099
variability in national norms of standardized test batteries, male vs female students, analysis of intellectual variability hypothesis, commentary, 20093
WAIS-R normative data, 56–97 yr olds, 4116

Test Norms—Books
The MMPI: A contemporary normative study of adolescents: Adolescent norms for basic validity, clinical, and selected research/supplemental scales with commentary on the MMPI-2 and MMPI-A. Developments in clinical psychology, 31858

Test Reliability—Serials
ability grouping, construct validity & reliability of total & section scores on Cornell Critical Thinking Test-Level Z, college students, 4008
affective & cognitive & instrument characteristics of self report measures, reliability of assessment of subjective well being & life satisfaction, college students, 27983
artifact in low correlations in test retest reliability of Halstead-Reitan Neuropsychological Test Battery subtests, simulation & reanalysis of J. D. Matarazzo's data, 133
central tendency & variability of coefficient alpha, estimation of test reliability under violation of assumptions of essential tau-equivalence of subtest scores & uncorrelated subtest error scores, 31817
checklist for evaluation of reliability & validity & utility of rating scales, 39755
comparison of commonly used likelihood scales on evaluation criteria & validity & reliability, assessment of perceptions of personal susceptibility to health & safety risks, college students, 43808
concurrent & factorial validity & reliability of Suinn-Lew Asian Self-Identity Acculturation Scale, Asian American college students, 24095
concurrent validity & reliability of Structural Profile Inventory & Vocational Preference Inventory, assessment of preferred functioning style, adults, implications for clinical assessment, 28008
confirmatory factor analysis & reliability of Hope Scale, college students, test appended, 39766
confirmatory factor analysis by LISREL for computation of reliability coefficients under different measurement model assumptions, 24250
construct & concurrent validity & reliability of Perflow Self Esteem Scale, adults with high vs low self esteem, 11989
construct & discriminant validity & reliability of scales based on figure placement techniques, assessment of family cohesion & hierarchy & structure, family members, 39742
construction & factor analysis & internal consistency & stability of Aggression Questionnaire, college students, 39
content & construct validity & interrater reliability & internal consistency of Kitchen Task Assessment, measurement of cognitive ability, 53.8–85.4 yr olds with senile dementia of Alzheimer's type, 31864
content & construct validity & reliability of affective quality of life instrument, college & graduate students, Canada, 8066
correlation analysis of several sets of variables & determination of test item weights & reliability & concurrent validity, personality inventory scales, college students, Japan, 24096
correlation between scores on & alpha reliability of Greek translation of Self-Monitoring Scale-revised, female college students, Greece vs US, 11987
correlational reliability of cognitive screening tests & behavioral scales, 59–81 yr olds with probable mild to moderately severe Alzheimer's disease, Italy, 24185
cross cultural & methodological issues in & reliability of Facilitator-Regulator Questionnaire, assessment of maternal orientation, mothers of 6 mo olds, Israel, 19971
development & content validity & reliability of Incentive-Health Promotion Scale, 65–90 yr olds, 24194
development & interrater reliability & internal consistency of Recovery Attitude & Treatment Evaluator-Clinical Evaluation, adult inpatients at chemical dependency treatment unit, 31921
development & reliability & convergent & divergent validity of Icelandic Parental Development Inventory, parental assessment of child's development, mothers & their 3–6 yr olds, Iceland, 43707
development & reliability & validity of Assessment Schedule for Altered States of Consciousness, adults, 3967
development & reliability & validity of Close Persons Questionnaire, assessment of social support, adults, England, 7967
development & reliability & validity of Coolidge Axis II Inventory, assessment of personality disorders, patients, 4048
development & reliability & validity of Coping Scale for Children & Youth, 5th–8th graders, 22
development & reliability & validity of Pre-School Activities Inventory, assessment of gender role behavior, preschool children, England, 43705
development & reliability & validity of Social & Emotional Loneliness Scale for adults, college students, Canada, 15917
development & reliability & validity of Teenage Inventory of Social Skills, 7th–12th graders, 11963
development & reliability of Attitudes Toward AIDS Scale, assessment of AIDS related attitudes & knowledge, college students, 43759
development & reliability of Behavioral Self-Report of Masculinity, male vs female college students, 43725
development & reliability of English version of Pavlovian Temperament Survey-Revised, 17–65 yr olds, England, 24073
development & reliability of Health Norms Sorting Task, assessment of beliefs about good health, patients with hypochondriasis, 43803
development & reliability of international education association reading literacy tests, assessment of narrative & expository & document domains, 9 & 14 yr olds, 31969
development & reliability of Rorschach sexual responses, male sexual offenders vs non sexual child abusers, 12018
development & reliability of Suicide & Aggression Survey, assessment of suicidality & violence & aggression risk, adolescent & adult patients, 15962
development & test retest reliability of Life Activities Questionnaire for Adult Asthma, assessment of activity restriction, 18–68 yr olds with asthma, 20079
development & validity & reliability of subtle racism scale, college students, South Africa, 3957
development & validity & reliability of Virginia Polydipsia Scale, monitoring drinking patterns, patients with syndrome of psychosis & intermittent hyponatremia & polydipsia, 20049
developmental scores on Psychoeducational Profile vs Handicaps Behaviour & Skills Schedule, 23–148 mo olds with autism or pervasive developmental disorder, Netherlands, 39833
diagnostic sensitivity of P. A. Fuld's cholinergic profile of WAIS-R subtests, 55–87 yr olds with Alzheimer's disease, longitudinal study, 4113
efficiency & reliability & concurrent validity of computerized adaptive vs conventional tests of tonal memory, college students, 31815
estimation method for reliability & conditioned standard errors of measurement for scale scores & application to American College Testing assessment data, college bound 12th graders, 20094
facet analysis vs common factor vs congeneric measures model of construct validity & reliability assessment of Family Functioning Scale, families, 24029
factor analysis & internal validity of Test of Scholastic Abilities, 13 yr old birth cohorts, New Zealand, 35961
factor analysis & structure & reliability & validity of multidimensional Type A behavior scale, bank & insurance employees, South Africa, 4134
factor structure & cluster classification & reliability & validity of Syndrom Kurztest, assessment of drug therapy induced neuropsychological change, patients with dementia, 16024
factor structure & consistency of SCL-90-Revised dimensions, male vs female adolescents vs adults at crisis intervention unit, 31866
factor structure & internal consistency of Personality Stress Questionnaire & Short Interpersonal Reaction Inventory, healthy 17–72 yr olds vs males with cancer vs coronary heart disease, 24067

factor structure & internal consistency of Revised Personal Involvement Inventory, assessment of service involvement, consumers, 24238
factor structure & internal consistency of Social Interaction Self-statement Test, assessment of social anxiety & psychological distress, college students, 24089
factor structure & reliability & norms of Behavioral Dyscontrol Scale, assessment of cognitive & behavioral functioning, 21–52 yr olds & healthy vs impaired 60–105 yr olds, 122
factor structure & reliability & validity of Sense of Coherence Scale, 17–60 yr old short vs long term psychotherapy vs chronic psychiatric patients vs nonpatients, 35887
factor structure & reliability of English version of Structure of Temperament Questionnaire, college students, US, 35845
factor structure & reliability of Family Satisfaction Scale, measurement of interpersonal functioning & predictability of alternative measures of family attitudes, college students, 3999
factor structure & reliability of Multidimensional Anger Inventory, male 18–79 yr old inmates, 7959
factor structure & reliability of Parent-initiated Motivational Climate Questionnaire, assessment of perceived parents' reaction to new skill learning, male vs female school age children & adolescents, 27926
factorial validity & reliability of Dutch version of McMaster Family Assessment Device, measurement of family functioning, 17–71 yr olds, Netherlands, 39790
factorial validity & reliability of Dutch version of Resistance Toward Hypnosis Scale & Phenomenology of Consciousness Inventory, 15–61 yr old psychiatric patients, Netherlands, 43783
factorial validity & reliability of Symptom Checklist-90, psychiatric inpatients, 39805
feasibility & internal consistency & interrater reliability & concurrent validity of Child Observation Record, assessment of developmental status of young children, Head Start teachers & assistants, 43835
framework for development & reliability & validity of measurement instruments, assessment of traits & abilities, children, 20
generalizability & stability & test retest reliability of hands-on notebook scientific investigation performance scores, 7th graders, 5 mo reassessment, 31981
grouped vs random item placement, alpha internal consistency reliabilities of scales & scale means of Administrative Attitudes Toward Unsatisfactory Teachers Survey, school principals, 31977
interitem consistency & test retest reliability & validity of Singer-Loomis Inventory of Personality, 18–48 yr old college students, Canada, 43729
internal consistency & accuracy of Fear Questionnaire, differentiation of agoraphobia & social phobia, patients with panic disorder with agoraphobia vs social phobia vs nonclinical panic attacks, 12002
internal consistency & concurrent validity of emotional instability & prosocial behavior & aggression scales, 7–10 yr olds, Italy, 35847
internal consistency & construct validity of 3 measures, assessment of organizational power & use of influence tactics by supervisor, college students, 28108
internal consistency & factor structure of Center for Epidemiologic Studies Depression Scale, American Indian adults, 39827
internal consistency & factor structure of Inventory of Learning Processes, assessment of learning style & academic achievement, 9th vs 11th graders, Israel, 28084
internal consistency & factor structure of Reasons for Living Inventory, 14–17 yr olds vs college students, 39784
internal consistency & factor structure of Willoughby Personality Schedule-R, assessment of interpersonal stress sensitivity, 16–40 yr old male stutterers, Yugoslavia, 4004
internal consistency & interrater reliability & validity & factor structure of informant version of Children's Depression Inventory, mildly to profoundly mentally retarded 20–85 yr olds, Germany, 43777
internal consistency & interrater reliability of risk assessment scales, assessment of potential maltreatment risk to children, child protection service workers & supervisors, 39748
internal consistency of Satisfaction with Illness Scale, assessment of positive consequences of illness, patients with chronic obstructive pulmonary disease, 24190
internal reliability & construct validity of Battelle Developmental Inventory, 0–8 yr olds with severe disabilities, 5 yr study, 39825
interrater & test retest reliability & internal consistency & concurrent validity of Yale-Brown Obsessive Compulsive Scale, females with trichotillomania, 24150
interrater & test retest reliability & validity of behavior checklists, assessment of behavior problems as stable traits, low birth weight premature 2 yr olds, 1 yr followup, 11946
item response frequency & factor structure & reliability of university counseling center intake problem checklist, clients, 31907
itemmetric & scale analysis of reliability & validity of Computer Assisted Determination of Competency to Proceed instrument, male defendants judged incompetent to stand trial, 4037
memory, test retest reliability of general intelligence tests, college students, 47
meta interpretative reliability of computer based test interpretation on Karson Clinical Report, psychologists, 20027
methodological analysis & reliability of Clinical Global Impression Scale, patients with dementia syndrome & their physicians & nursing staff, Germany, 31874
MMPI characteristics & internal consistency & clinical validity of HST scale, 17–64 yr olds with histrionic vs other personality disorders, 39821
National Curriculum Assessment item response model of reliability measurement of Standard Assessment Tasks, students, England & Wales, 43834
nominal & ordinal data features & scale reliability & guidelines for neuropsychological assessment, 12036
norms & reliability & validity of modified Rivermead Behavioral Memory Test, assessment of everyday memory, 5–10.9 yr olds & comparison group of 8.3–15.9 yr olds with severe epilepsy, England, 43802
norms & reliability & validity of self report Personal Experience Inventory, assessment of substance abuse, adolescents, 74
number of test items & interitem correlation, interpretation & assumptions & meaning of coefficient alpha of reliability in scale construction, 19965
polynomial algorithms for item matching in estimation of test reliability & creation of parallel tests, 35778
predictive validity & test retest reliability of Anxiety Sensitivity Index, assessment of panic attacks & disorders & anxiety sensitivity & disorders, college students, 3 yr followup, 91
psychometric properties of Primary Appraisal of Smoking Cessation Inventory, self report of perceived losses & gains of quitting smoking, smokers & ex-smokers, 28066
purposes of developmental tests & improvements in reliability & predictive validity of Bayley Scales of Infant Development, 35831
quality & reliability of Matrix Analogies Test-Short Form, assessment of nonverbal reasoning ability & relationship to school achievement, 6–12 yr olds, Japan, comparison to US vs Canada, 35840
redundancy vs canonical correlation analysis in reliability assessment of multivariate profiles, 43695
relative & absolute test retest reliability of Middlesex Assessment of Mental State, elderly patients with probable dementia, 43800
reliability & clinical utility of Bulimia Test as screening tool, female college students, New Zealand, 43788
reliability & clinical utility of rater form of California Psychotherapy Alliance Scales, therapists & clients, 43742
reliability & concurrent validity of Cultural Literacy Test, college students, 24219
reliability & concurrent validity of long & short forms of Beck Depression Inventory, rapid screening of depression & self esteem, low literate hospitalized Blacks with tuberculosis, South Africa, 15988

reliability & concurrent validity of qualitative spelling inventory, assessment of orthographic knowledge & reading achievement, 12–16 yr olds, 146
reliability & concurrent validity of revised California Psychological Inventory's Vector 1 scale, assessment of introversion & extraversion, college students, 31857
reliability & construct & factorial validity of revised Causal Dimensions Scale, assessment of causal attributions, college students, 7962
reliability & construct validity of Bulimia Test-Revised, assessment of bulimic symptoms, 18–25 yr old females, 4042
reliability & construct validity of Children's Depression Scale, 14–16 yr olds, Australia, 35910
reliability & construct validity of Exercise Thoughts Questionnaire, assessment of frequency of thoughts of reasons for not exercising, college students, 39870
reliability & construct validity of My Vocational Situation, assessment of adjustment to career transition, autoworkers coping with plant shutdown, 35992
reliability & construct validity of revised NEO Personality Inventory, assessment of agreeableness & conscientiousness, adults, 31851
reliability & convergent & discriminant validity of Beck Anxiety Inventory, 12–19 yr old psychiatric inpatients, 35895
reliability & convergent & discriminant validity of Multiple Stimulus Types Ambiguity Tolerance, assessment of tolerance for ambiguity, college students, 31848
reliability & diagnostic concordance of structured interview & self report questionnaires, diagnosis of personality disorders, research review, 15970
reliability & dimensionality of media appropriateness scale, assessment of perceived appropriateness of new vs traditional organizational communications media, organizations, 39751
reliability & factor analysis of Epworth Sleepiness Scale, assessment of daytime sleep propensity, healthy medical students vs 18–78 yr olds with obstructive sleep apnea or other sleep disorder, 7918
reliability & factor structure of ATT39 measure of psychological adjustment, diabetic patients, New Zealand, 4092
reliability & factor structure of self report questionnaire for assessment of PMS, adult females, 43807
reliability & factor structure of Sheffield Psychotherapy Rating Scale, assessment of adherence to exploratory therapy, psychotherapists, 12024
reliability & factor structure of Ways of Coping Checklist, 20–89 yr old females with gynecological cancer, commentaries & reply included, 28069
reliability & factorial validity of Swedish version of Arthritis Self-Efficacy Scale, 22–83 yr old chronic pain vs rheumatology patients, Sweden, 12013
reliability & factorial validity of 2 shorter forms of Center for Epidemiological Studies Depression Symptoms Index, 65 yr olds & older, 31893
reliability & item clarity of Self Management Inventory, 55–74 yr old patients with 2 or more chronic health problems awaiting hospital discharge, 20084
reliability & norms of Family of Origin Scale, assessment of familial autonomy & intimacy, 13–15 yr olds, 3991
reliability & predictability of shortened Child Behavior Checklist, prediction of delinquency, juvenile males, 90
reliability & predictive validity of Self Rating Depression Scale vs Brief Symptom Inventory, measurement of depression, patients with spinal cord injuries, 35920
reliability & stability & validity of computer aided Self-Regulation Test for Children, 5–12 yr olds, Germany, longitudinal study, 31825
reliability & stability of Leathers Personal Credibility Scale, measurement of attitudes toward presidential candidate B. Clinton, college students, 24092
reliability & stability of Subjective Experience of Negative Symptoms self rating scale, hospitalized schizophrenic 22–63 yr olds, 39822
reliability & temporal stability of measures of individual differences & tolerance to shift work, 19–61 yr old male oil refinery workers, Croatia, 24233
reliability & utility of diagnostic checklist for dissociation identity disorder, 8–12 yr olds, 8025
reliability & utility of short forms of Stanford Binet Intelligence Scale, low achieving 5.3–15.9 yr old students, 16049
reliability & validity & comparability of thought listing vs Public Speaking Thought Test, adults with public speaking anxiety, 4036
reliability & validity & correlation of accuracy & expression scores of Spanish into English Verbatim Translation Exam, adults, 24046
reliability & validity & dimensionality of Dyadic Adjustment Scale, assessment of intimate relationships, married heterosexual & cohabiting homosexual couples, 7960
reliability & validity & factor analysis of revised Fear Survey Schedule for Children, 7–18 yr olds, Australia, 3986
reliability & validity & factor structure of Pavlovian Temperament Survey, 18–59 yr olds, Russia, comparison with German data, conference presentation, 39768
reliability & validity & other characteristics of self report visual analog scale technique, assessment of subjective symptoms & phenomena in primary care research, patients, 31955
reliability & validity & progressive ordinality of Functional Assessment Staging, assessment of functional deterioration, 56–93 yr olds with Alzheimer's disease, 4128
reliability & validity & psychometrics of Disability Rating Scale & Functional Independence Measure & Functional Assessment Measure, patients with traumatic brain injury, 39853
reliability & validity & resource intensity of small group judgment by mail with vs without group discussion vs telephone surveys, measurement of relative work value, surgeons, 15881
reliability & validity & speed of execution of Battery of Basic Computerized Audiometry Tests, 7.5–12 vs 65–80 yr olds vs 18–64 yr old noise exposed industrial workers, 31821
reliability & validity of & other issues in computerized neuropsychological & performance test batteries & stand alone computer tests, Ss with or without neuropsychological disorders, 12038
reliability & validity of Abusive Behavior Inventory, assessment of physical & psychological abuse, abusive males & their partners, 4082
reliability & validity of Adolescent Life Change Event Questionnaire & Adolescent Life Change Event Scale, adolescents, research review, 15908
reliability & validity of agitation rating scale, nursing staff & 65–102 yr old nursing home residents, 24076
reliability & validity of Autonomy & Relatedness Inventory, assessment of quality of primary intimate relationships, mothers of 5–6 yr olds, 4015
reliability & validity of Behavior Assessment Scales, assessment of functional abilities, 52–100 yr olds in adult day care, 35900
reliability & validity of Bem Sex Role Inventory, measurement of androgyny, 12–65 yr olds, 7938
reliability & validity of Bender Gestalt Test of visuomotor coordination, assessment of cognitive development, 6–10.9 yr olds, Iran, 15909
reliability & validity of brief version of H. Levenson's locus of control scale, college students, 35865
reliability & validity of Career Decision-Making Self-Efficacy Scale, college students, 43851
reliability & validity of Child Abuse Potential Inventory, 19–44 yr old mothers of children with or without handicaps, 24109
reliability & validity of children's version of DIStance-from-the-PROtotype scale, personality assessment, 6–9 yr olds, 24058
reliability & validity of Chinese version of Self Description Questionnaire-1 & Shavelson model of self concept, Anglo Chinese secondary students, Hong Kong, 35848
reliability & validity of Cohen-Mansfield Agitation Inventory, 65–102 yr old nursing home residents, 80
reliability & validity of College Self Efficacy Instrument, Mexican & Latino American college students, 20101

reliability & validity of Community Competence Scale-Revised, assessment of civil competence, elderly retirement complex residents, 12055
reliability & validity of Creative Achievement Scale, assessment of creative accomplishments, biographical information of deceased individuals, 31845
reliability & validity of diagnosis & symptom scale scores of structured assessment interviews relevant to DSM-III-R, children & adolescents, research review, 20032
reliability & validity of Diagnostic Drawing Series art therapy assessment interview, 35902
reliability & validity of Dutch version of Nottingham Health Profile, 20–80 yr old cardiac & medical patients, Netherlands, 43809
reliability & validity of dynamic assessment approach to intellectual assessment & role of mediated learning experience theory, school age children, commentary, 15907
reliability & validity of dynamic assessment approach to intellectual assessment & role of mediated learning experience theory, school age children, 15897
reliability & validity of Fagan Test of Infant Intelligence, infants, 24
reliability & validity of FAMCARE Scale, assessment of family member satisfaction with advanced cancer care, 18 yr olds & older, 35947
reliability & validity of French language version of Scale for Suicide Ideation, 11–18 yr olds, Canada, 43752
reliability & validity of Gifted Children Locator Scales, identification of gifted students, African American 2.6–6 yr olds, 24212
reliability & validity of Hindi Aphasia test, adults with aphasia due to cerebrovascular accidents, 24127
reliability & validity of Hopkins Pain Rating Instrument vs Visual Analogue Scale vs verbal descriptor scale, 18–85 yr old cancer patients with or without pain, 84
reliability & validity of Infant Parent Social Interaction Code, mothers & their 0–36 mo olds with risk for developmental delay vs Down's syndrome, replication, 15951
reliability & validity of Japanese version of short form Eysenck Personality Questionnaire-Revised, 22–68 yr olds, Japan, 43724
reliability & validity of Korean version of Youth Depression Adjective Check List, 8th–12th graders, Korea, 4088
reliability & validity of Life Regard Index, measurement of life meaningfulness, 18–88 yr old distressed & normal college students & other adults, 24075
reliability & validity of Locus of Control scale of Occupational Stress Indicator, 18–62 yr old mental hospital employees, 12074
reliability & validity of measurement of distress reaction to diarrhea, 16–89 yr old ventilated tube fed patients, 16040
reliability & validity of measures of complexity of mental representations of people based on TAT vs interview data, college students, 20003
reliability & validity of Multifaceted Lifestyle Satisfaction Scale, mentally retarded 18–81 yr olds, conference presentation, 43765
reliability & validity of Pain-Related Self Statements Scale & Pain-Related Control Scale, assessment of pain related cognitions, 20–79 yr olds with chronic pain, 20029
reliability & validity of pictorial Inclusion of Other in Self Scale, assessment of closeness in interpersonal relations, college students & other adults, 3996
reliability & validity of Portuguese version of Occupational Stress Indicator, public & private sector managers, 12072
reliability & validity of Profile of Mood States, assessment of moods following win vs loss, competitive athletes, 15924
reliability & validity of Psychological Skills Inventory for Sports, measurement of cognitive skills related to athletic performance, intercollegiate athletes, 15877
reliability & validity of rating scale, measurement of extreme response style, adults, 11934
reliability & validity of Rational Behavior Inventory, measurement of irrationality vs emotional distress, 14–20 yr olds, Netherlands, 24081
reliability & validity of reading span test, assessment of working memory & word recall & comprehension in reading, 17–27 yr old newly enlisted Air Force personnel, 11947
reliability & validity of Reitan-Indiana Aphasia Screening Test for impaired brain functions in children, brain damaged 6–8 yr olds, 131
reliability & validity of Relationship Belief Inventory scales, assessment of dysfunctional cognitions about marriage, husbands vs wives, 24070
reliability & validity of revised version of Social Networks Inventory, assessment of interpersonal relationships, college students & psychiatric inpatients, 35921
reliability & validity of Role Functioning Scale, assessment of adaptive functioning, psychiatrically disturbed vs nondisturbed predominantly African American mothers of under 5 yr olds, 35889
reliability & validity of Satisfaction With Life Scale, 14–17 yr olds, Portugal, 35834
reliability & validity of Scale to Assess Unawareness of Mental Disorder, assessment of insight into own illness, patients with schizophrenia or schizoaffective disorder, 43739
reliability & validity of School Refusal Assessment Scale, assessment of motivation for school refusal, elementary school students, 39775
reliability & validity of Self Efficacy Scale, assessment of task vs domain vs general self efficacy, college students, 35869
reliability & validity of Self Reliance Inventory, assessment of counterdependence & overdependence & autonomy at work, adults, 52
reliability & validity of Sense of Coherence concept & scale, assessment of coping with stress & relation to personality traits, nurses & nurse tutors & emergency department patients, Sweden, 11940
reliability & validity of Sense of Coherence scale, assessment of orientation to life & well being, adolescents & adults, research review, 31831
reliability & validity of short form of attitudes toward Christianity scale, adults, 35850
reliability & validity of Short Michigan Alcoholism Screening Test, assessment of parental alcoholism, college students, 4049
reliability & validity of Sickness Impact Profile Roland scale, assessment of dysfunction, adults with chronic pain, 8002
reliability & validity of Sickness Impact Profile, assessment of health status, research review, 8051
reliability & validity of St. Hans Rating Scale & Abnormal Involuntary Movement Scale, assessment of extrapyramidal syndromes, schizophrenic 45–82 yr olds with tardive dyskinesia, 35888
reliability & validity of state & trait versions of Depression Adjective Check Lists, assessment of depressive affect, chemically dependent adults, 28011
reliability & validity of State Trait Anxiety Inventory for Children, assessment of anxiety states & relation to cognitive function & depression measures, 60–95 yr olds, 39785
reliability & validity of Statistics Anxiety Scale, college students, South Africa, 24220
reliability & validity of Structured Interview for DSM-III diagnosis of personality disorder, adolescents with affective disorders & their parents, reprint, 68
reliability & validity of Students' Evaluations of Educational Quality & Endeavor Instructional Rating Form, college students, Nepal, comparison with Western data, 4149
reliability & validity of Sutter-Eyberg Student Behavior Inventory, assessment of disruptive behaviors, 3–5 yr olds, replication, 31835
reliability & validity of syndromal assessment in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, children with behavior problems, commentary, 43772
reliability & validity of Toronto Alexithymia Scale, measurement of constricted affect, 23–68 yr olds with chronic nonmalignant pain, 12016
reliability & validity of trait & state worry & emotionality scales, 4th–6th graders, Japan, 11988

reliability & validity of translation of Rathus Assertiveness Scale, college students, Sweden, 11981
reliability & validity of University of Wisconsin Family Assessment Caregiver Scale, assessment of family caregiving systems, caregivers of frail 65 yr olds & older, test appended, 20030
reliability & validity of visual analog scale for fatigue, commentary reply, letter, 35948
reliability & validity of visual analog scale for fatigue, commentary, letter, 35944
reliability & validity of Young Adult Alcohol Problems Screening Test, assessment of alcohol use & abuse or dependence, college students, 12009
reliability of activities of daily living scales, assessment of functional decline, 52–86 yr olds with probable Alzheimer's disease, 43760
reliability of acuity card procedure, assessment of visual ability, severely or profoundly mentally retarded 1–63 yr olds, 39761
reliability of Basic Attributes Test, assessment of psychomotor coordination & information processing & personality & risk attitudes, Air Force pilot training candidates in flight screening program, 20110
reliability of Behavior Checklist, prevalence & perception of child problem behavior, parents of 3 yr olds, England, 28022
reliability of Catastrophic Reaction Scale & frequency & correlates of reaction, assessment of severity of depressive reactions, patients with acute stroke lesion, 35918
reliability of Children of Alcoholics Screening Test, assessment of family of origin drinking problems, self vs employer referred 17–77 yr old EAP clients, 31924
reliability of Client Satisfaction Questionnaire, satisfaction with children's mental health services, parents, 39735
reliability of Comprehensive Assessment of Symptoms & History, assessment of diagnostic criteria & psychopathology, psychiatric patients, 65
reliability of Constructive Thinking Inventory & personality traits measures, prediction of performance beyond cognitive ability, 19–22 yr old student leaders, 11972
reliability of Delirium Rating Scale, prediction of clinical outcome, 50–83 yr olds with delirium, Japan, 39834
reliability of Digit Cancellation Test, assessment of visual selective attention deficits & posterior to anterior cortical encroachment, patients with Alzheimer's disease, Italy, 24172
reliability of Draw-A-Person test, assessment of intelligence, 11.8–15.9 yr old psychiatric inpatients, 27995
reliability of Driving Behaviour Inventory & internal consistency of subscales, assessment of stress, drivers, England, 35783
reliability of Dyadic Adjustment Scale, assessment of marital or relationship adjustment & satisfaction, middle aged, 35780
reliability of General Social Survey vs Gallup Organization public survey, prediction of attitudes toward fetal diagnosis & genetic testing & abortion, adults, 24094
reliability of Greek translation of Revised UCLA Loneliness Scale, assessment of emotional & social loneliness, Greek speaking or bilingual college students, Greece, 11971
reliability of instruments, assessment of nutrition & feeding & weight & body size attitudes & children's obesity, Mexican American vs White mothers of preschoolers, commentaries & reply included, 7923
reliability of K-ABC, White vs Mexican American 2–12 yr olds, 3988
reliability of Karolinska Psychodynamic Profile & Schalling-Sifneos Personality Scale, stable character assessment, 19–63 yr olds with ulcerative colitis assessed before & 16–34 mo after abdominal surgery, 8027
reliability of Katz's Activities of Daily Living Scale in telephone interviews, 55 yr olds & older, 31798
reliability of Lateral Dominance Examination, epileptic 16–69 yr olds, 5 yr followup, 31939
reliability of Life Satisfaction Index, frail multiply impaired depressed elderly nursing home residents, 8049
reliability of line cancellation & bisection vs clock drawing test, diagnosis of unilateral spatial neglect, 47–79 yr old patients, 28036
reliability of Marriage Role Expectation Inventory & subscales, college students, 11983
reliability of Minnesota Percepto-Diagnostic Test-Revised, assessment of visuomotor performance, patients with Alzheimer's disease vs focal cerebrovascular accidents, 28035
reliability of MMPI-2 Harris Lingoes subscales, 19–59 yr old outpatients, 28009
reliability of modified Regressive Coping Checklist, measurement of coping with stress through denial or avoidance, teachers, Australia, 50
reliability of nontemporal measures of computerized block design task performance, college students, 11941
reliability of Ohio AIDS Prevention Survey, assessment of AIDS related knowledge & attitudes & health practices, pregnant female 18–44 yr olds, 24193
reliability of P. R. Clance's vs J. C. Harvey's Impostor Phenomenon Scales, assessment of internal experience of intellectual phoniness, outpatients vs college students, 24123
reliability of Pennsylvania Bi-Manual Worksample, assessment of vocational skills, developmentally disabled 25–51 yr olds, 8015
reliability of Piagetian spatial conception tasks, assessment of cognitive development, 5–7 yr olds, translated article, 24066
reliability of Preschool Vigilance Task & Continuous Performance Task, assessment of attentional differences, hyperactive 4–6 yr olds, 12005
reliability of rating scale, assessment of interview skills, experienced vs inexperienced 30–57 yr old psychiatrists & mildly mentally retarded clients, rating scale appended, 43848
reliability of S. Budner's intolerance of ambiguity scale, medical students, 4029
reliability of scales for concurrent review of need for acute psychiatric hospitalization, mental health professionals, 4059
reliability of Self-description Questionnaire III, assessment of self esteem, 16 yr olds, Northern Ireland, 35826
reliability of self reports of frequency of use & age of 1st use of alcohol & marihuana, secondary school students, 11995
reliability of short form of State-Trait Anxiety Inventory, adults with normal & raised levels of state anxiety, 7961
reliability of short form Symptom Checklist-25, screening for anxiety & depression & general mental health, 40–67 yr olds, Norway, 35919
reliability of single WAIS-R subtest vs mean of all subtests, mentally retarded adults, 11994
reliability of Social Health Battery, assessment of social support, 61–93 yr olds, 43698
reliability of Stages of Change Ladders, assessment of smoking abstinence or relapse, chemically dependent patients, test appended, 43815
reliability of Teacher Concerns Questionnaire & adaptation to physical education settings, physical education teachers, 20095
reliability of Telephone Assessed Mental State examination, 59–88 yr olds with Alzheimer's disease, 39855
reliability of thermal pain threshold measurement, healthy 23–32 yr olds, 39760
reliability of translated Wheatley Stress Profile, 18–55 yr olds with anxiety disorders or depression or agoraphobia, China, conference presentation, 24126
reliability of Wiggins Interpersonal Behavior Circle-Abbreviated, assessment of psychological androgyny & prediction of decision making, college & medical students & physicians, 39757
reliability of 3 word recall tests, assessment of memory, healthy 51–95 yr olds, 31938
reliability of 8 factor clinical scale of Suicide Opinion Questionnaire, 18–53 yr olds, 15976
reliabilty & validity of Self Esteem Worksheet, male vs female college students, 35862

revision & reliability of Classroom Environment Scale, 10–21 yr old special education students with behavior disorders &/or emotional disturbances, 24225
robust generalizations of classical test reliability measures & Cronbach's alpha, 12103
scale reliability & priming dimensional activation, construct validity of differential response latencies for Personality Research Form test items, college students, 43723
scoring of response vectors ensuring maximum test retest correlation for binary response & normal factor analysis models, 35786
sensitivity & reliability of Inventory of College Students' Recent Life Experiences, indirect assessment of hassles based stress, college students, 35855
sensitivity & test reliability & validity of short forms of Morris water maze, reference & working memory measurement of cognitive deficit, 2 vs 16 vs 24 mo old rats, 15873
short term test retest reliability of selected neuropsychological tests & applicability to litigation, 40 yr old male injured in diving incident, 4124
split half vs odd even vs Kuder-Richardson formula 20, reliability of AIDS knowledge scales, 12–21 yr olds, 24197
stability & reliability & factor structure of Anger Expression Scale vs State Trait Anger Scale, 18–62 yr old male inmates, Canada, 15927
temporal stability & convergent & discriminant validity of Personality Diagnostic Questionnaire-Revised & MMPI Personality Disorder scales, psychiatric outpatients, 3 mo followup, 24154
test item analysis & reliability & validity of multiple choice version of Benton Visual Retention Test, school counseling clients, Germany, 19989
test retest & internal consistency reliability & stability of Mortimer-Filkins Test, assessment of problem drinking moderate vs heavy drinkers, Australia, 13982
test retest & interrater reliability of Structured Clinical Interview for DSM-III-R, assessment of Axis I disorders, psychiatric patients vs nonpatients, US & Germany, 113
test retest reliability & convergent & concurrent & discriminant validity of objective self report measure, assessment of prosocial moral reasoning, 7th & 10th graders, 15896
test retest reliability & group & retrospective & predictive validity of Generalized Work Distress Scale, mental health & college employees, scale appended, 31993
test retest reliability & internal consistency of Diagnostic Interview Schedule for Children-Revised version, 11–17 yr old psychiatric patients, 35914
test retest reliability & other psychometric properties of Test of Basic Auditory Capabilities, normal hearing 18–36 vs hearing impaired 65–82 yr olds, 72
test retest reliability & practice effect magnitudes of computerized Memory Assessment Clinic battery vs traditional neuropsychological tests, 17–82 yr olds, 140
test retest reliability & sensitivity of Dutch translation of Communication Attitude Test, assessment of speech associated attitudes, 7–13 yr old stutterers, Belgium, 12 wk followup, 24155
test retest reliability & task comparability of Complex Figures vs Rey-Auditory Verbal Learning Test, normal 22–67 yr olds, 15878
test retest reliability & validity of isokinetic & gravity or inertia modes of Lido Lift & Progressive Lifting Capacity II tests, assessment of maximum lifting capacity, healthy male 20–59 yr olds, 15892
test retest reliability & validity of Structured Interview for Sleep Disorders According to DSM-III, patients with sleep disorders, 43781
test retest reliability of Der Zahlen-Verbindungs-Test trail making test & correlation with general intelligence, 17–35 yr olds, Canada, 15936
test retest reliability of Work Addiction Risk Test, college students, 162
test retest stability of resting anterior alpha EEG asymmetry, psychometric measurement of individual differences, female 17–21 yr olds, 11926
test retest variability of auditory brain stem response to bone & air conducted clicks, normal neonates, Canada, 32505
theoretical framework & reliability & validity of Current Life Orientation Scale, assessment of personal values, high school students vs African American college students vs 37–75 yr olds, 35857
treatment acceptability construct in internal consistency of attitudinal measures of behavioral geriatric treatment, elderly & geriatric nursing staff & nursing home patients, commentary, 104
user preferences & reliability of computerized version of questionnaires, mental health risk assessment, college students, 43814
utility & reliability & validity & other psychometric properties of Mini-Mental State Examination, assessment of cognitive functioning, research review, 8048
utility & validity of Flemish B5BBS-25 rating scales version of Big 5 personality factors, primary school teachers rating students & college students, 35860
validation & reliability of electronic accelerometer based physical activity device vs self report or measurements of heart rate & oxygen uptake, assessment of daily activities, male 22–38 yr olds, 35816
validity & reliability & curvilinearity of Clinical Rating Scale, assessment of family relations & satisfaction, clinical vs nonclinical families, 31925
validity & reliability & factorial validity of survey, assessment of compliance & identification & internalization as dimensions of organizational commitment, employees & managers, 31999
validity & reliability of adapted Assessment of Motor & Process Skills, measurement of praxis, 1–4.5 yr olds with developmental dyspraxia, 8018
validity & reliability of Adult Children of Alcoholics Index, personality assessment, adults, 28005
validity & reliability of Beck Depression Inventory vs Zung's Self Rating Scale for Depression, female with PMS during follicular vs late luteal phase of menstrual cycle, 11984
validity & reliability of Denial of Illness Scale, 19–86 yr olds with acute thromboembolic infarction or intracerebral hemorrhage, 39862
validity & reliability of diagnostic interviews, assessment of alcohol & other drug use disorders, 17999
validity & reliability of Hoarding Scale, assessment of hoarding & relation with indecisiveness & perfectionism & obsessions & compulsions, college students or staff or 17–73 yr old hoarders, 31879
validity & reliability of Infant Behavioral Summarized Evaluation, assessment of behaviors, autistic vs mentally retarded 6–48 mo olds, 4035
validity & reliability of Italian version of General Health Questionnaire using alternate scoring methods, 18–65 yr old primary care patients, Italy, 39873
validity & reliability of Life Satisfaction Index for Parents, parents of adolescents with Duchenne muscular dystrophy, 15972
validity & reliability of Mutual Psychological Development Questionnaire, assessment of perceived mutuality in spouse or partner or friend relationship, 18–80 yr olds, 7947
validity & reliability of revised Neuropsychological Impairment Scale, patients, 35938
validity & reliability of Schedule for the Evaluation of Individual Quality of Life, 67–81 yr olds with mild dementia, Ireland, 43748
validity & reliability of Snell Educator Effectiveness Index, assessment of professor performance, college students, instrument appended, 24223
validity & reliability of Therapeutic Procedures Inventory-Revised, assessment of relationship of psychotherapeutic techniques to treatment phase, psychotherapists, 8011
validity & reliability of Toddler-Preschooler Postoperative Pain Scale, measurement of vocal & facial & bodily pain expression, 1–5.3 yr olds, 12056
validity & reliability of Toronto Alexithymia Scale, male 42–63 yr olds, Finland, 8005
validity & reliability of Verona Expectations for Care & Service Satisfaction Scales, assessment of expectations & satisfaction with community psychiatric services, clients & families & professionals, 39752

validity coefficients & reliability & construct validity of self anchored scales, assessment of depression, 17–59 yr old psychotherapy outpatients, 93
Test Reliability—Chapters
Principles of psychological assessment, 16011
The problem of test reliability in genetic studies of brain–behavior correlation, 8611
Reliability issues, 7979
Stability and patterning of behaviorally evoked cardiovascular reactivity, 40514
Test Scores [See Also Cutting Scores, Intelligence Quotient, Standard Scores]—Serials
abnormality of difference scales between selected indices of Wechsler Memory Scale-Revised, 16–74 yr olds, 28033
accuracy of analysis of achievement ability discrepancy scores, school psychologists, 11321
accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary reply, 11320
accuracy of analysis of achievement ability discrepancy scores, school psychologists, commentary, 11311
alternative vs traditional school environment, WISC-R verbal performance IQ discrepancy & cognitive ability, 11 yr old females, Canada, 11475
Bayesian estimates of parameters & true scores & reliability coefficients of observed test scores, 43890
booklet vs computer administered MMPI scale scores, adults, meta analysis, 15937
clinical interpretation of WISC-III subtest scores, children, 35828
cognitive ability measured by Differential Aptitude Test scores, male vs female 13–18 yr olds, UK vs US, 5113
Cognitive Competency Test & Mini-Mental State Examination scores vs clinical panel judgments, assessment of competence, 31–91 yr old psychiatric patients, Canada, 20076
cognitive style & performance on General Certificate of Secondary Education in mathematics & English & French, secondary school students, England, 35370
computer program for transformation of raw scores into standard scores on Halstead Reitan Neuropsychological Battery, 39850
Conseqences & Comprehensive Ability Battery test scores for divergent thinking & cognitive abilities & creative behaviors & GPA, college students, 28076
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary reply, 24205
construction of age percentile rank & interpretation of scores for Progressive Achievement Test, students, commentary, 24217
correlation of Global Assessment Scale vs Health-Sickness Rating Scale scores, assessment of global functioning, psychiatric patients, 43758
correlation of scores on Aggression & Withdrawal & Likability scales of Pupil Evaluation Inventory to group achievement test results & special services referral, 3rd–5th graders, 158
correlation of standardized patient checklist & written question scores in clinical encounter performance based exam, medical students, 28075
critical values for evaluation of observed score discrepancies for Clinical Evaluation of Language Fundamentals-Revised, school age children, 35835
cultural loadings, assessment issues & test scores, culturally heterogeneous populations, 3953
developmental scores on Psychoeducational Profile vs Handicaps Behaviour & Skills Schedule, 23–148 mo olds with autism or pervasive developmental disorder, Netherlands, 39833
Efron's nonparametric & parametric & Bayesian & parametric empirical Bayes bootstrap confidence intervals for binomial error model & College Entrance Examination scores, high school students, 24247
empirically derived vs predicted scores for Form II of Luria-Nebraska Neuropsychological Battery, 28042
estimation method for reliability & conditioned standard errors of measurement for scale scores & application to American College Testing assessment data, college bound 12th graders, 20094
factor structure of & performance on Verbal & Performance subtests of WAIS-R, 16–54 yr old vocational guidance clients, Australia, educational & clinical implications, 19990
generalizability & stability & test retest reliability of hands-on notebook scientific investigation performance scores, 7th graders, 5 mo reassessment, 31981
GRE scores & cumulative undergraduate GPA, prediction of length of time to complete degree, masters students, 27497
hypnotic induction vs noninduction, ESP test scores, commentary on literature review, 8435
hypnotic induction vs noninduction, ESP test scores, literature review, 8437
individual vs composite scores on Coping Strategies Questionnaire & Sickness Impact Profile & Beck Depression Inventory, prediction of adjustment, chronic pain patients, 24192
item difficulty & characteristics & field independence, FR vs rational fill in vs multiple choice cloze test scores, ESL college students, 24026
log linear smoothing, accuracy of chained equipercentile method of common-item small sample equating of test scores, examinees, 32012
mental ability test scores, 4.2–14.6 yr olds with lead poisoning, 22158
modifier & correction indices of Millon Clinical Multiaxial Inventory, base rate scores & profiles, psychiatric patients, 39816
order effects in administration of Booklet Category Test before vs after Wisconsin Card Sorting Test, test scores, 17–71 yr old psychiatric or neurological patients & normal 64–68 yr olds, 24174
performance on PPVT-R, low income African American 4.4–6.3 yr olds, 28968
power functions of Students t & Mann-Whitney-Wilcoxon tests on initial scores vs ordinary vs modular ranks vs dichotomies for normal vs mixed normal vs double exponential vs Cauchy distributions, 39929
predictive validity of internal external locus of control, National Board of Medical Examiners-I scores, at risk medical students, 154
principal component IQ scores for WAIS & WAIS-R, 27915
quizzes on text &/vs class lecture material, test performance, college students, 7402
random vs deliberately misrepresented response sets on Strong Vocational Interest Blank & Strong Campbell Interest Inventories, index score interpretation, 22–51 yr old females, 20115
reliability of simple & residualized difference scores, commentary reply, 39927
reliability of simple & residualized difference scores, commentary, 39930
score level estimates of standard error of measurement, 8122
scores on Bay Area Functional Performance Evaluation-Task Oriented Assessment, psychiatric inpatients vs outpatients in occupational therapy, 27167
scores on Continuous Performance Test & parent ratings of attention problems & impulsivity, 6.8–11.9 yr old males referred to clinic for learning & behavior problems, 2031
scores on EPPS showing significant differences from 1959 norms, college students, 1992, 54
scores on Griffiths scales of mental development & educational outcomes, mainstreamed 4–4.9 yr old students with special needs, 3–9 yr followup, 43313
scores on rater vs self administered Geriatric Depression Scale, elderly medical patients, 95
scores on symptom negative vs positive subscales of Dutch State version of State-Trait Anxiety Inventory, psychiatric patients & college students & police personnel, replication, 12017
scoring chart for Miller Assessment for Preschoolers, distortion of total score & individual differences, 2.7–5.6 yr olds, 31829
scoring methods for multiple true/false items, reliabilities & item difficulty & discrimination of scores, college students, 43700
sex & college major, performance on SAT vs Descriptive Tests of Mathematics Skills, college students, 155

sex, MMPI-2 scores, Caucasian vs Chinese college students, US, 21553
social deprivation assessed by Jarman underprivileged area score, admission rates & length of stay, psychiatric patients, England, 7142
specialty & degree & administrative housing & program's APA accreditation & enrollment rate & GRE scores, performance on Examination for Professional Practice in Psychology, examinees, replication, 19350
standardized vs facilitative test administration procedures & acculturation level, California Achievement Test scores, White vs Mexican American 4th–6th graders, 145
stress reduction, test anxiety & reading test performance, college students, 3600
subtest scatter analyses & Kaufman regroupings of WISC-R scores, non-learning-disabled vs learning disabled 6–15 yr olds, 24149
test taking coaching, SAT scores, high school students, review of meta analyses & other research, 43833
variances vs mean vs distribution of scores on original blocked version vs random format of Vividness of Visual Imagery Questionnaire, college students, replication & extension, 3961

Constructed response and differential item functioning: A pragmatic approach, 27939
Influences on testing and test results, 27955
Test anxiety in examinees in a college admission testing situation: Incidence, dimensionality, and cognitive correlates, 19545
Test scores and statistics, 27912

Test Standardization—Serials

adaptation & standardization & normalization of Polish version of WWPSI, 4–6.6 yr olds, Poland, erratum, 35820
development of revised norms & decision rules for Luria-Nebraska Neuropsychological Battery Form III, 12–80 yr olds, erratum, 24181
issues in standardization of psychometric tests, blind children, 35893
normal base rates of intersubtest scatter in WAIS-R vs original standardization sample, 75 yr olds & older, 15904
normality of dimension scores for S. Ertel's impression differential, assessment of psychophysiological states, 18–43 yr olds, Czechoslovakia, 16
norms & sensitivity to change of Nurses' Observation Scale for Geriatric Patients, assessment of behavioral changes, 56–96 yr olds in community vs old age home vs with dementia in nursing home, 35922
restandardization of Salvation Opinionnaire, assessment of religious orthodoxy & humanism & radicalism, adults with church group vs miscellaneous affiliation, 4002
SIBTEST standardization approach for detection & estimation of differential item or test functioning or test or item bias, 35795
standardization & cutoff points of Italian version of Self Reporting Questionnaire, psychiatric screening, general practitioners, Sardinia, 35878
standardization of Gita Inventory of Personality, adults, 4001

Test Standardization—Chapters

Comments on the Monte Carlo study of Donoghue, Holland, and Thayer, 27952
Model-based standardized measurement of an item's differential impact, 27961
A Monte Carlo study of factors that affect the Mantel-Haenszel and standardization measures of differential item functioning, 27937
Sensitivity review: The ETS experience as a case study, 27953

Test Taking—Serials

cigarette smoking motives & anxiety & alertness 1 mo vs 1 day before examinations, college students, 13399
final comprehensive examinations, emotional health & test perceptions, master's degree graduates, 43300
high response threshold, total scores on Lovibond-Rapaport Object Sorting Test, parents of schizophrenic patients, 5866
high stakes test, trait vs state worry & emotionality & performance, male vs female 6th graders in Juku environment, Japan, 15446
mathematical modeling & theory of motivated cheating by test takers, college students, conference presentation, 11515
social evaluation trait anxiety & coping, predictors of state anxiety & academic performance on university examination, college students, 23557
standardization approach to assessment of comprehensive differential item functioning, detection of differential speededness on SAT, Asian vs Black vs Hispanic examinees, 20090
standardized testing, curriculum & test taking & labeling, kindergartners, implications for educational policy making, 43824
Test Attitude Survey, assessment of test taking disposition & motivation effects on validity of employment test to predict performance, college students, 4164
test expectation & subject matter & passage length, retention & reading speed & study tactics, college students, 3458
test taking coaching, SAT scores, high school students, review of meta analyses & other research, 43833
test uncertainty & peer vs outsider based supportive communication networks, test performance, 16–39 yr old college students with high vs low test anxiety, 39258

Test Tube Babies [See Reproductive Technology]

Test Validity—Serials

applicability of Charing Cross Health Indicator, assessment of distress & disability & quality of life, adults with mental disorders, England, 12027
behavior analytic approach to & role of instructions & physical environment & confederate behavior in external validity of role play measures of social skills, 24048
checklist for evaluation of reliability & validity & utility of rating scales, 39755
clinical validity & validity of children's version of Selective Reminding Test, measurement of memory skills, 8–12 yr olds with learning disabilities or seizure or neuropsychological disorders, 134
cognitive processes in responding to functional status questions & possible errors in health surveys, under 65 to over 85 yr olds, 43812
comparison of commonly used likelihood scales on evaluation criteria & validity & reliability, assessment of perceptions of personal susceptibility to health & safety risks, college students, 43808
conceptions of validity of educational measurement, implications for performance assessment, 8064
concurrent & discriminant validity of Gordon Diagnostic System, male 6–13 yr olds with vs without attention deficit hyperactivity disorder, 24162
concurrent validity of Columbia Mental Maturity Scale & McCarthy Scales of Children's Abilities, 3.9–4.9 yr olds, 43706
construct & discriminant validity & reliability of scales based on figure placement techniques, assessment of family cohesion & hierarchy & structure, family members, 39742
construct & external validity of Mental Health Inventory, 14 yr olds & older, Taiwan, comparison to US data, 4069
construct & predictive validity of Perceived Motivational Climate in Sport Questionnaire, assessment of team satisfaction & performance worry & climate, young athletes, 39756
construction & validity of common language version of California Q-Set, personality assessment, male 4th graders, 11959
construction & validity of Oscar Test, assessment of retrograde amnesia, 55–82 yr olds with organic amnesia, 31867
construction & validity of questionnaire, assessment of differences between clinical vs research psychologists, 18–43 yr old college students, 7939
content & construct validity & interrater reliability & internal consistency of Kitchen Task Assessment, measurement of cognitive ability, 53.8–85.4 yr olds with senile dementia of Alzheimer's type, 31864
content & construct validity & reliability of affective quality of life instrument, college & graduate students, Canada, 8066

content validity of Clark-Madison Test of Oral Language, assessment of nonwritten expressive language, severely hearing impaired vs normal 4–11.8 yr olds, 31899
content validity of revised Supervisory Analyst Exam Series 16, assessment of qualification for supervisory position, securities personnel for New York Stock Exchange, 28109
convergent & discriminant validity of Anxious Self-Statements & Automatic Thoughts Questionnaires & relation to anxiety & depression, college students, 43732
convergent & discriminant validity of integrated reading & writing assessments, 1st–8th graders, 31971
convergent & discriminant validity of measures of health & physical & cognitive functioning, elderly, 24044
convergent & divergent validity of heart rate based response discrepancy scores vs self report stress induced negative affect measures, assessment of denial, male college students, 20000
convergent validity of Halikas-Crosby Drug Impairment Rating Scale for cocaine, assessment of drug & psychosocial treatment outcome, cocaine abusers, conference presentation, 15958
correlation between subscales of Personality Inventory for Children & Millon Adolescent Personality Inventory, learning disabled 10–13 yr olds, 88
criterion related validity of Apperceptive Personality Test vs MMPI clinical scales, college students, 43
criterion validity of Japanese version of Cross-Cultural Cognitive Examination, screening for dementia, 50–93 yr olds, Japan, 139
criterion validity of Life-Style Personality Inventory & Personality Research Form, college students, 27987
cross validation of M. Lewis & L. Michalson's measurement system for assessment of emotions, 24–39 yr olds, replication, 43703
cross validity of Rule-In & Rule-Out scales of M Test, screening for malingering, male prisoners, 31920
cross validity of Short Category Test-Booklet Format, assessment of brain dysfunction, patients with closed head injury or neurological or psychiatric disorders, 121
curriculum test overlap, standardized reading test performance, 1st–2nd graders, implications for educational decision making, 20089
development & content validity & reliability of Incentive-Health Promotion Scale, 65–90 yr olds, 24194
development & cross validation of self report inventory, assessment of pure tone threshold sensitivity, 17–76 yr olds, 19
development & laboratory simulation & field based validation of air traffic controller selection battery, air traffic controller trainees, 35983
development & reliability & convergent & divergent validity of Icelandic Parental Development Inventory, parental assessment of child's development, mothers & their 3–6 yr olds, Iceland, 43707
development & reliability & validity of Assessment Schedule for Altered States of Consciousness, adults, 3967
development & reliability & validity of Close Persons Questionnaire, assessment of social support, adults, England, 7967
development & reliability & validity of Coolidge Axis II Inventory, assessment of personality disorders, patients, 4048
development & reliability & validity of Coping Scale for Children & Youth, 5th–8th graders, 22
development & reliability & validity of Pre-School Activities Inventory, assessment of gender role behavior, preschool children, England, 43705
development & reliability & validity of Social & Emotional Loneliness Scale for adults, college students, Canada, 15917
development & reliability & validity of Teenage Inventory of Social Skills, 7th–12th graders, 11963
development & scaling of convergent validity of English translation of Japanese performance & maintenance field measures of leadership, plant employees, UK & US, 35794
development & validation of physical performance test battery, assessment of job performance aptitude, high pressure cleaning workers, 28104
development & validation of Sales Personnel Inventory, assessment of personality traits, sales representative job applicants, 28106
development & validity & reliability & factor structure of Arabic version of Dimensions of Self Concept scale, assessment of academic self concept, Arabic college students, 31962
development & validity & reliability of subtle racism scale, college students, South Africa, 3957
development & validity & reliability of Virginia Polydipsia Scale, monitoring drinking patterns, patients with syndrome of psychosis & intermittent hyponatremia & polydipsia, 20049
development & validity of Catastrophic Cognition Questionnaire, assessment of misinterpretation of bodily & emotional states as dangerous, college students, implications for panic disorder, 20035
development & validity of Children's Perceptual Alteration Scale, self report assessment of dissociative experiences, 8–12 yr olds with vs without psychopathology, 24034
development & validity of Chinese version of Psychoeducational Profile, assessment of developmental functioning & behavior, autistic 3–7 yr olds, Hong Kong, 39810
development & validity of clinical screening instrument, assessment of compulsive buying, consumers, 15955
development & validity of Index of Managerial Potential, assessment of personality characteristics related to job performance, trucking managers & supervisors & drivers, 28105
development & validity of multidimensional sense of humor scale, 17–77 yr olds, 20011
development & validity of Physical Disability Index, assessment of physical performance, frail 60–98 yr olds, 31954
development & validity of scale, assessment of construct of proactive behavior, college & MBA students, organizational implications, 27970
development & validity of self report Biphasic Alcohol Effects Scale, assessment of stimulation & sedation, social drinking adults & college students, 39745
development & validity of self report Inventory of Beliefs Related to Obsessions, college students vs patients with obsessive compulsive disorder, Canada, 43757
development & validity of short form of WPPSI, 4–6.5 yr olds, Iran, 24061
development & validity of Spanish version of Reducer Augmenter Scale & correlation with Eysenck Personality Inventory, 18–27 yr olds, Spain, 39773
development & validity of Wender Utah Rating Scale, retrospective diagnosis of childhood attention deficit hyperactivity disorder, adults with attention deficit hyperactivity disorder, scale appended, 43786
developmental scores on Psychoeducational Profile vs Handicaps Behaviour & Skills Schedule, 23–148 mo olds with autism or pervasive developmental disorder, Netherlands, 39833
diagnostic efficacy of Beck Depression Inventory vs Symptom Check List-90 vs Brief Psychiatric Rating Scale, 19–45 yr old psychiatric patients, 8009
diagnostic validity of Luria-Nebraska Neurospsychological Battery Form II, assessment of brain dysfunction, 18–73 yr olds, 24175
diagnostic validity of Millon Clinical Multiaxial Inventory-I borderline personality disorder scale, psychiatric patients, 20041
diagnostic validity of self administered questionnaire vs clinical interview, 25–64 yr olds with headache disorders, Denmark, 24040
differential validity of General Aptitude Test Battery, males vs females in single sex dominated employment settings, meta analysis, 12075
discriminant validity & interrater reliability of Appraisal of Self Care Agency scale, 65–99 yr old geriatric rehabilitation patients vs independent living elderly vs their nurses, Norway, 35951
discriminant validity of anxiety measures, male 5–17 yr olds with anxiety vs attention deficit hyperactivity disorder, 15969

discriminant validity of Common Beliefs Survey, psychiatric patients & hospital staff members & college students, 3965
discriminant validity of Inventory to Diagnose Depression & Beck Depression Inventory, assessment of anxiety symptoms, 17–54 yr olds, 31883
discriminant validity of measures, assessment of job satisfaction vs positive vs negative affectivity, VA medical center employees, 4158
discriminant validity of measures, assessment of job satisfaction vs positive vs negative affectivity, VA medical center employees, erratum, 39883
discriminant validity of partial least squares analysis of Defense Mechanism Test, patients with borderline vs other personality disorders vs schizophrenia, 24152
discriminant validity of Wechsler Memory Scale-Revised, identification of malingered symptoms, 17–70 yr olds with vs without head injuries, 24180
efficacy & utility of Defense Mechanism Test in clinical & personality research, 8000
face & empirical validity of critical items on MMPI & MMPI-2, assessment of panic symptoms, 19–48 yr olds with panic disorder, 89
factor analysis & structure & reliability & validity of multidimensional Type A behavior scale, bank & insurance employees, South Africa, 4134
factor structure & cluster classification & reliability & validity of Syndrom Kurztest, assessment of drug therapy induced neuropsychological change, patients with dementia, 16024
factor structure & construct validity of Kirton Adaption-Innovation Inventory, measurement of cognitive vs creative style, managers, US vs UK vs Australia, 4005
factor structure & discriminative validity of verbal & nonverbal memory tests, brain damaged vs non-brain-damaged patients referred for neuropsychological evaluation, 20073
factor structure & reliability & validity of Physical Self Perception Profile, college & postgraduate students, England, comparison to US data, 39782
factor structure & reliability & validity of Sense of Coherence Scale, 17–60 yr old short vs long term psychotherapy vs chronic psychiatric patients vs nonpatients, 35887
factor structure & validity of Personal Loss Inventory, 18–58 yr olds, 11977
factorial & discriminative validity of Symptom Check List-90-R, 14–82 yr olds with psychosomatic disorders or dysthymia vs anxiety disorders vs anorexia nervosa, 15975
factorial validity of Education Survey, assessment of burnout, beginning 23–56 yr old elementary & secondary school teachers, 8080
factors attenuating validity of Geriatric Depression Scale, patients with probable Alzheimer's disease, 7997
field dependence vs independence measured by Children's Embedded Figure Test vs Rod & Frame Test, male vs female 8.8–9.9 yr olds, Spain, 43701
framework for development & reliability & validity of measurement instruments, assessment of traits & abilities, children, 20
generalizability & convergent & discriminant validity of Simulated Social Interaction Test, 18–56 yr olds with social phobia, Netherlands, 15965
generalizability of integrity test validities & prediction of job performance, meta analysis, implications for personnel selection, 43852
history & educational psychology's conceptualization of educational & psychological test validation, conference presentation, 8062
intercorrelations & convergent & discriminant validity of cognitive & symptomatic measures, depressed 18–69 yr olds, 4074
interitem consistency & test retest reliability & validity of Singer-Loomis Inventory of Personality, 18–48 yr old college students, Canada, 43729
internal consistency & concurrent & construct validity & subscale intercorrelations of Fear of Pain Questionnaire, adults with headaches, 20033
internal consistency & convergent & divergent validity & redundancy analysis of Multiphasic Sex Inventory, assessment of psychosexual characteristics, incarcerated male sex offenders, 15961
internal consistency & interrater reliability & validity & factor structure of informant version of Children's Depression Inventory, mildly to profoundly mentally retarded 20–85 yr olds, Germany, 43777
internal stability & predictive validity of Marsh's Self Description Questionnaire-2, 14–15 yr olds, 27977
internal validity of 28 item General Health Questionnaire, 15–29 yr olds, Spain, 31957
interpretive argument based approach to validation, 11938
interrater & test retest reliability & validity of behavior checklists, assessment of behavior problems as stable traits, low birth weight premature 2 yr olds, 1 yr followup, 11946
interrater reliability & validity of Kiddie-Infant Descriptive Instrument for Emotional States, clinical assessment of responses to maternal separation, 2–4.9 yr olds, 106
item & factor analysis & validation of 12 item derivative of Mini-Mental State Examination, assessment of cognitive impairment, 54–99 yr olds, Norway, test appended, 11929
item equivalence & cross validity of WPPSI-R & WISC-III, 3–16.9 yr olds, 35837
item pool size & length & validity of adaptive vs linearly constructed testlets, 7926
itemmetric & scale analysis of reliability & validity of Computer Assisted Determination of Competency to Proceed instrument, male defendants judged incompetent to stand trial, 4037
job analysis based construction & unitarian validation of Mathematical Skills Exercise, personnel selection, sales & merchandising representatives, 39889
legality & psychometric quality & validity of General Aptitude Test Battery in hiring practices, 12069
methods for maximization of discriminant validity of phallometric testing, male community volunteers vs non-sex offending psychiatric patients vs rapists vs child molesters, 11936
MMPI characteristics & internal consistency & clinical validity of HST scale, 17–64 yr olds with histrionic vs other personality disorders, 39821
multiple regression analysis & validity of Geriatric Depression Scale, statistical impact of truncated sampling or alteration of administration, commentary with reply, letter, 35877
neurological & psychological validity of neuropsychological assessment, 6–14 yr olds previously hospitalized for Haemophilus influenzae type b meningitis, 136
normative data for & validity of Visual Spatial Learning Test, assessment of memory, 56–97 yr olds with vs without dementia, 12014
norms & reliability & validity of modified Rivermead Behavioral Memory Test, assessment of everyday memory, 5–10.9 yr olds & comparison group of 8.3–15.9 yr olds with severe epilepsy, England, 43802
norms & reliability & validity of self report Personal Experience Inventory, assessment of substance abuse, adolescents, 74
predictive & construct validity of revised Literal Anti-Literal Mythological Scale, measurement of literal vs metaphorical interpretation of religious language & cognitive style, adults, 17
probability scheme for assessment of test based discriminations & base rates & relation to discriminant validity of clinical tests, 43756
procedural validity of Standardized Polyvalent Psychiatric Interview, multiaxial assessment of psychopathology & somatic disturbance & social problems & supports & premorbid personality, outpatients, 39812
properties of Eysenck Personality Questionnaire lie scale, highly religious students training for Christian ministry, England, 4006
psychometric properties of Primary Appraisal of Smoking Cessation Inventory, self report of perceived losses & gains of quitting smoking, smokers & ex-smokers, 28066

psychometrics & cross validity of Lehrer Woolfolk Anxiety Symptom Questionnaire, adults with vs without social phobia vs healthy 15–21 yr olds, 99
random responding or malingering, validity scales of MMPI-2, nondisordered Ss, 4030
range restriction, bias in GRE validity coefficients, graduate school applicants, 28079
refinements of employment test validity generalization procedures, implications for situational specificity hypothesis, 20116
relationship between validity & adverse impact & choice of fair personnel selection tests, 35989
reliability & clinical utility of Bulimia Test as screening tool, female college students, New Zealand, 43788
reliability & construct & factorial validity of revised Causal Dimensions Scale, assessment of causal attributions, college students, 7962
reliability & convergent & discriminant validity of Beck Anxiety Inventory, 12–19 yr old psychiatric inpatients, 35895
reliability & convergent & discriminant validity of Multiple Stimulus Types Ambiguity Tolerance, assessment of tolerance for ambiguity, college students, 31848
reliability & diagnostic concordance of structured interview & self report questionnaires, diagnosis of personality disorders, research review, 15970
reliability & stability & validity of computer aided Self-Regulation Test for Children, 5–12 yr olds, Germany, longitudinal study, 31825
reliability & utility of short forms of Stanford Binet Intelligence Scale, low achieving 5.3–15.9 yr old students, 16049
reliability & validity & comparability of thought listing vs Public Speaking Thought Test, adults with public speaking anxiety, 4036
reliability & validity & correlation of accuracy & expression scores of Spanish into English Verbatim Translation Exam, adults, 24046
reliability & validity & dimensionality of Dyadic Adjustment Scale, assessment of intimate relationships, married heterosexual & cohabiting homosexual couples, 7960
reliability & validity & factor analysis of revised Fear Survey Schedule for Children, 7–18 yr olds, Australia, 3986
reliability & validity & factor structure of Pavlovian Temperament Survey, 18–59 yr olds, Russia, comparison with German data, conference presentation, 39768
reliability & validity & other characteristics of self report visual analog scale technique, assessment of subjective symptoms & phenomena in primary care research, patients, 31955
reliability & validity & progressive ordinality of Functional Assessment Staging, assessment of functional deterioration, 56–93 yr olds with Alzheimer's disease, 4128
reliability & validity & psychometrics of Disability Rating Scale & Functional Independence Measure & Functional Assessment Measure, patients with traumatic brain injury, 39853
reliability & validity & resource intensity of small group judgment by mail with vs without group discussion vs telephone surveys, measurement of relative work value, surgeons, 15881
reliability & validity & speed of execution of Battery of Basic Computerized Audiometry Tests, 7.5–12 vs 65–80 yr olds vs 18–64 yr old noise exposed industrial workers, 31821
reliability & validity of & other issues in computerized neuropsychological & performance test batteries & stand alone computer tests, Ss with or without neuropsychological disorders, 12038
reliability & validity of Abusive Behavior Inventory, assessment of physical & psychological abuse, abusive males & their partners, 4082
reliability & validity of Adolescent Life Change Event Questionnaire & Adolescent Life Change Event Scale, adolescents, research review, 15908
reliability & validity of agitation rating scale, nursing staff & 65–102 yr old nursing home residents, 24076
reliability & validity of Autonomy & Relatedness Inventory, assessment of quality of primary intimate relationships, mothers of 5–6 yr olds, 4015
reliability & validity of Behavior Assessment Scales, assessment of functional abilities, 52–100 yr olds in adult day care, 35900
reliability & validity of Bem Sex Role Inventory, measurement of androgyny, 12–65 yr olds, 7938
reliability & validity of Bender Gestalt Test of visuomotor coordination, assessment of cognitive development, 6–10.9 yr olds, Iran, 15909
reliability & validity of brief version of H. Levenson's locus of control scale, college students, 35865
reliability & validity of Career Decision-Making Self-Efficacy Scale, college students, 43851
reliability & validity of Child Abuse Potential Inventory, 19–44 yr old mothers of children with or without handicaps, 24109
reliability & validity of children's version of DIStance-from-the-PROtotype scale, personality assessment, 6–9 yr olds, 24058
reliability & validity of Chinese version of Self Description Questionnaire-1 & Shavelson model of self concept, Anglo Chinese secondary students, Hong Kong, 35848
reliability & validity of Cohen-Mansfield Agitation Inventory, 65–102 yr old nursing home residents, 80
reliability & validity of College Self Efficacy Instrument, Mexican & Latino American college students, 20101
reliability & validity of Community Competence Scale-Revised, assessment of civil competence, elderly retirement complex residents, 12055
reliability & validity of Creative Achievement Scale, assessment of creative accomplishments, biographical information of deceased individuals, 31845
reliability & validity of diagnosis & symptom scale scores of structured assessment interviews relevant to DSM-III-R, children & adolescents, research review, 20032
reliability & validity of Diagnostic Drawing Series art therapy assessment interview, 35902
reliability & validity of Dutch version of Nottingham Health Profile, 20–80 yr old cardiac & medical patients, Netherlands, 43809
reliability & validity of dynamic assessment approach to intellectual assessment & role of mediated learning experience theory, school age children, commentary, 15907
reliability & validity of dynamic assessment approach to intellectual assessment & role of mediated learning experience theory, school age children, 15897
reliability & validity of Fagan Test of Infant Intelligence, infants, 24
reliability & validity of FAMCARE Scale, assessment of family member satisfaction with advanced cancer care, 18 yr olds & older, 35947
reliability & validity of French language version of Scale for Suicide Ideation, 11–18 yr olds, Canada, 43752
reliability & validity of Gifted Children Locator Scales, identification of gifted students, African American 2.6–6 yr olds, 24212
reliability & validity of Hindi Aphasia test, adults with aphasia due to cerebrovascular accidents, 24127
reliability & validity of Hopkins Pain Rating Instrument vs Visual Analogue Scale vs verbal descriptor scale, 18–85 yr old cancer patients with or without pain, 84
reliability & validity of Infant Parent Social Interaction Code, mothers & their 0–36 mo olds with risk for developmental delay vs Down's syndrome, replication, 15951
reliability & validity of Japanese version of short form Eysenck Personality Questionnaire-Revised, 22–68 yr olds, Japan, 43724
reliability & validity of Korean version of Youth Depression Adjective Check List, 8th–12th graders, Korea, 4088
reliability & validity of Life Regard Index, measurement of life meaningfulness, 18–88 yr old distressed & normal college students & other adults, 24075
reliability & validity of Locus of Control scale of Occupational Stress Indicator, 18–62 yr old mental hospital employees, 12074

reliability & validity of measurement of distress reaction to diarrhea, 16–89 yr old ventilated tube fed patients, 16040
reliability & validity of measures of complexity of mental representations of people based on TAT vs interview data, college students, 20003
reliability & validity of Multifaceted Lifestyle Satisfaction Scale, mentally retarded 18–81 yr olds, conference presentation, 43765
reliability & validity of Pain-Related Self Statements Scale & Pain-Related Control Scale, assessment of pain related cognitions, 20–79 yr olds with chronic pain, 20029
reliability & validity of Pathological Laughter & Crying Scale & effectiveness of nortriptyline, patients with emotional lability after stroke, test appended, 20043
reliability & validity of pictorial Inclusion of Other in Self Scale, assessment of closeness in interpersonal relations, college students & other adults, 3996
reliability & validity of Portuguese version of Occupational Stress Indicator, public & private sector managers, 12072
reliability & validity of Profile of Mood States, assessment of moods following win vs loss, competitive athletes, 15924
reliability & validity of Psychological Skills Inventory for Sports, measurement of cognitive skills related to athletic performance, intercollegiate athletes, 15877
reliability & validity of rating scale, measurement of extreme response style, adults, 11934
reliability & validity of Rational Behavior Inventory, measurement of irrationality vs emotional distress, 14–20 yr olds, Netherlands, 24081
reliability & validity of reading span test, assessment of working memory & word recall & comprehension in reading, 17–27 yr old newly enlisted Air Force personnel, 11947
reliability & validity of Reitan-Indiana Aphasia Screening Test for impaired brain functions in children, brain damaged 6–8 yr olds, 131
reliability & validity of Relationship Belief Inventory scales, assessment of dysfunctional cognitions about marriage, husbands vs wives, 24070
reliability & validity of revised version of Social Networks Inventory, assessment of interpersonal relationships, college students & psychiatric inpatients, 35921
reliability & validity of Role Functioning Scale, assessment of adaptive functioning, psychiatrically disturbed vs nondisturbed predominantly African American mothers of under 5 yr olds, 35889
reliability & validity of Satisfaction With Life Scale, 14–17 yr olds, Portugal, 35834
reliability & validity of Scale to Assess Unawareness of Mental Disorder, assessment of insight into own illness, patients with schizophrenia or schizoaffective disorder, 43739
reliability & validity of Schedule for Nonadaptive & Adaptive Personality & DSM-III-R Axis II ratings, dimensional assessment of personality disorder, college students vs psychiatric inpatients, 24113
reliability & validity of School Refusal Assessment Scale, assessment of motivation for school refusal, elementary school students, 39775
reliability & validity of Self Efficacy Scale, assessment of task vs domain vs general self efficacy, college students, 35869
reliability & validity of Self Reliance Inventory, assessment of counterdependence & overdependence & autonomy at work, adults, 52
reliability & validity of Sense of Coherence concept & scale, assessment of coping with stress & relation to personality traits, nurses & nurse tutors & emergency department patients, Sweden, 11940
reliability & validity of Sense of Coherence scale, assessment of orientation to life & well being, adolescents & adults, research review, 31831
reliability & validity of short form of attitudes toward Christianity scale, adults, 35850
reliability & validity of Short Michigan Alcoholism Screening Test, assessment of parental alcoholism, college students, 4049
reliability & validity of Sickness Impact Profile Roland scale, assessment of dysfunction, adults with chronic pain, 8002
reliability & validity of Sickness Impact Profile, assessment of health status, research review, 8051
reliability & validity of St. Hans Rating Scale & Abnormal Involuntary Movement Scale, assessment of extrapyramidal syndromes, schizophrenic 45–82 yr olds with tardive dyskinesia, 35888
reliability & validity of state & trait versions of Depression Adjective Check Lists, assessment of depressive affect, chemically dependent adults, 28011
reliability & validity of State Trait Anxiety Inventory for Children, assessment of anxiety states & relation to cognitive function & depression measures, 60–95 yr olds, 39785
reliability & validity of Statistics Anxiety Scale, college students, South Africa, 24220
reliability & validity of Structured Interview for DSM-III diagnosis of personality disorder, adolescents with affective disorders & their parents, reprint, 68
reliability & validity of Students' Evaluations of Educational Quality & Endeavor Instructional Rating Form, college students, Nepal, comparison with Western data, 4149
reliability & validity of Sutter-Eyberg Student Behavior Inventory, assessment of disruptive behaviors, 3–5 yr olds, replication, 31835
reliability & validity of syndromal assessment in Child Behavior Checklist & Teacher's Report Form & Youth Self Report profiles, children with behavior problems, commentary, 43772
reliability & validity of trait & state worry & emotionality scales, 4th–6th graders, Japan, 11988
reliability & validity of translation of Rathus Assertiveness Scale, college students, Sweden, 11981
reliability & validity of University of Wisconsin Family Assessment Caregiver Scale, assessment of family caregiving systems, caregivers of frail 65 yr olds & older, test appended, 20030
reliability & validity of visual analog scale for fatigue, commentary reply, letter, 35948
reliability & validity of visual analog scale for fatigue, commentary, letter, 35944
reliability & validity of Young Adult Alcohol Problems Screening Test, assessment of alcohol use & abuse or dependence, college students, 12009
reliability of short form of State-Trait Anxiety Inventory, adults with normal & raised levels of state anxiety, 7961
reliabilty & validity of Self Esteem Worksheet, male vs female college students, 35862
repeatability & validity of Yale Physical Activity Survey, 60–86 yr olds, 35946
scheme for evaluating validity of Vividness of Visual Imagery Questionnaire, 27916
scores on Constructive Thinking Inventory, detection of proofreading errors, college students, implications for test validity, 35868
screening efficacy of Geriatric Depression Scale, elderly African Americans & Mexican Americans, letter, 43740
self report validation of F & Fb & VRIN indices, detection of random responding on MMPI-2, college students, 3998
sensitivity & specificity & stability & predictive values of screening questionnaires, detection of depression or dementia, 65–99 yr old continuing care geriatric inpatients, England, 101
sensitivity of Diagnostic Interview Schedule for Children-2nd edition, 8–19 yr olds with rare psychiatric disorders, 35885
sensitivity of short vs longer health status instruments, assessment of physical & psychological & global factors, hip replacement patients, 8004
sex, validity & meaning of MMPI profile & comparison with adult based interpretations, 12–17 yr old Black or White psychiatric patients, 4095
strategies for assessment of criterion related validity of laboratory practitioner certification examinations, medical technologists & laboratory technicians, 35962
temporal stability & convergent & discriminant validity of Personality Diagnostic Questionnaire-Revised & MMPI Personality Disorder scales, psychiatric outpatients, 3 mo followup, 24154

Test Attitude Survey, assessment of test taking disposition & motivation effects on validity of employment test to predict performance, college students, 4164
test item analysis & reliability & validity of multiple choice version of Benton Visual Retention Test, school counseling clients, Germany, 19989
test retest reliability & convergent & concurrent & discriminant validity of objective self report measure, assessment of prosocial moral reasoning, 7th & 10th graders, 15896
test retest reliability & group & retrospective & predictive validity of Generalized Work Distress Scale, mental health & college employees, scale appended, 31993
test retest reliability & validity of isokinetic & gravity or inertia modes of Lido Lift & Progressive Lifting Capacity II tests, assessment of maximum lifting capacity, healthy male 20–59 yr olds, 15892
test retest reliability & validity of Structured Interview for Sleep Disorders According to DSM-III, patients with sleep disorders, 43781
theoretical framework & reliability & validity of Current Life Orientation Scale, assessment of personal values, high school students vs African American college students vs 37–75 yr olds, 35857
transcultural validity of Eating Disorder Inventory, adolescents with anorexia nervosa in former East vs West Berlin, Germany, 15981
utility & reliability & validity & other psychometric properties of Mini-Mental State Examination, assessment of cognitive functioning, research review, 8048
utility & validity of Flemish B5BBS-25 rating scales version of Big 5 personality factors, primary school teachers rating students & college students, 35860
utility & validity of Raven's Standard vs Coloured vs Advanced Progressive Matrices, identification of gifted & talented, students, 35967
utility of Academic scale from Developmental Profile II, screening for developmental problems, 6 mo to 6.2 yr olds, 31880
utility of Alcohol Use Disorders Identification Test, long term unemployed 17–63 yr olds, Norway, 2 yr followup, 31871
utility of CAGE screening instrument, assessment of severity & type of alcohol problems, 18–81 yr old primary care patients, 24134
utility of MMPI-2, assessment of psychopathology, patients with posttraumatic vs status migrainosus with vs without analgesic rebound chronic refractory headache, 20036
utility of Sickness Impact Profile, assessment of general health & functional ability, patients with Parkinson's disease, 144
validation of English language version of Echelle de Motivation en Education, college students, 24226
validation of larger easier to see version of Allen Cognitive Level Test, assessment of cognitive functioning relevant to activities of daily living, 60–91 yr olds with probable Alzheimer's disease, 31942
validation of neuropsychological assessment using lateralization & localization data from neuroradiological & neurosurgical findings, adults with cerebral hemisphere lesions, 39857
validation of sex role related test items, assessment of career indecision, male vs female college students, 35994
validation of 28 item General Health Questionnaire, urban over 15 yr olds, Spain, 20008
validity & bias of Defining Issues Test, measurement of moral development in conservative religious populations, adult Mormons, 24062
validity & factor analysis of Maternal Fetal Attachment Scale subscales, pregnant 18–45 yr olds, 43697
validity & factor structure of Competitiveness Index, measurement of competitiveness as personality trait, nurses vs attorneys, 11982
validity & factor structure of Dutch version of Edinburgh Post Natal Depression Scale, postpartum females, Netherlands, 20042
validity & interrater reliability of self administered version of minimal record of disability, 19–66 yr olds with multiple sclerosis, Italy, 28040
validity & item difficulty of Contextual & Affective Sensitivity Test, assessment of nonverbal sensitivity to affective communication, adults, Australia, 31813
validity & norms of Lateral Preference Inventory, 17–35 yr olds, Canada, 43692
validity & primary & secondary principal components analysis of Quality of School Life Scale, 4th–6th graders, 31973
validity & reliability & curvilinearity of Clinical Rating Scale, assessment of family relations & satisfaction, clinical vs nonclinical families, 31925
validity & reliability & factorial validity of survey, assessment of compliance & identification & internalization as dimensions of organizational commitment, employees & managers, 31999
validity & reliability of adapted Assessment of Motor & Process Skills, measurement of praxis, 1–4.5 yr olds with developmental dyspraxia, 8018
validity & reliability of Adult Children of Alcoholics Index, personality assessment, adults, 28005
validity & reliability of Beck Depression Inventory vs Zung's Self Rating Scale for Depression, female with PMS during follicular vs late luteal phase of menstrual cycle, 11984
validity & reliability of Denial of Illness Scale, 19–86 yr olds with acute thromboembolic infarction or intracerebral hemorrhage, 39862
validity & reliability of diagnostic interviews, assessment of alcohol & other drug use disorders, 17999
validity & reliability of Hoarding Scale, assessment of hoarding & relation with indecisiveness & perfectionism & obsessions & compulsions, college students or staff or 17–73 yr old hoarders, 31879
validity & reliability of Infant Behavioral Summarized Evaluation, assessment of behaviors, autistic vs mentally retarded 6–48 mo olds, 4035
validity & reliability of Italian version of General Health Questionnaire using alternate scoring methods, 18–65 yr old primary care patients, Italy, 39873
validity & reliability of Life Satisfaction Index for Parents, parents of adolescents with Duchenne muscular dystrophy, 15972
validity & reliability of Mutual Psychological Development Questionnaire, assessment of perceived mutuality in spouse or partner or friend relationship, 18–80 yr olds, 7947
validity & reliability of Pediatric Symptom Checklist, screening for psychosocial dysfunction, disadvantaged & minority inner city 6–12 yr olds, 20038
validity & reliability of revised Neuropsychological Impairment Scale, patients, 35938
validity & reliability of Schedule for the Evaluation of Individual Quality of Life, 67–81 yr olds with mild dementia, Ireland, 43748
validity & reliability of Snell Educator Effectiveness Index, assessment of professor performance, college students, instrument appended, 24223
validity & reliability of Therapeutic Procedures Inventory-Revised, assessment of relationship of psychotherapeutic techniques to treatment phase, psychotherapists, 8011
validity & reliability of Toddler-Preschooler Postoperative Pain Scale, measurement of vocal & facial & bodily pain expression, 1–5.3 yr olds, 12056
validity & reliability of Toronto Alexithymia Scale, male 42–63 yr olds, Finland, 8005
validity & reliability of Verona Expectations for Care & Service Satisfaction Scales, assessment of expectations & satisfaction with community psychiatric services, clients & families & professionals, 39752
validity & utility of Geriatric Depression Scale & Brief Carroll Depression Rating Scale, male elderly hospitalized medical patients, 24131
validity coefficients & reliability & construct validity of self anchored scales, assessment of depression, 17–59 yr old psychotherapy outpatients, 93
validity of & social desirability influences on Parenting Inventory, assessment of parenting behaviors & developmental expectations, mothers of 1 & 4 yr olds, 35793
validity of abbreviated version of Duke Social Support Index, chronically ill elderly, 24132

validity of Adolescent Pediatric Pain Tool, assessment of postoperation pain, 8–17 yr old surgical patients, 20048
validity of Agoraphobic Cognitions Scale, assessment of fear of fear, inpatients with unipolar depressive &/vs anxiety disorder vs panic disorder & agoraphobia, Norway, 12007
validity of Alcohol Clinical Index, assessment of alcoholism, low income alcohol dependent males, 20015
validity of Arousal Prediction Scale, assessment of individual differences in electrodermal activity & EMG response to white noise, college students with high vs low arousability, test appended, 24031
validity of Attitudes Toward Women Scale, college students, 15912
validity of Augmented Structured Interview, assessment of Type A behavior pattern subcomponents, married male 40–55 yr olds with vs without coronary heart disease, 20060
validity of bipolar vs unipolar rating scales, assessment of perceived risk of technologies & substances & activities, college students, 31841
validity of Boston Teacher Questionnaire, assessment of academic functioning & learning disabilities, 9 yr old students, 31976
validity of caregiver reported Memory Self Report Questionnaire vs objective measures, 58–85 yr olds with mild vs moderate vs severe Alzheimer's disease & their caregivers, 28010
validity of Child Behavior Checklist vs Youth Self Report depression scales, clinically referred 12–16 yr olds, Australia, 15973
validity of Child Well-Being Scales, assessment of parental functioning & other aspects of child welfare, neglectful families, 4058
validity of Children's Hospital of Eastern Ontario Pain Scale vs Observer Pain Scale vs faces vs visual analog pain scales, 6 mo to 12 yr olds with postoperative pain, 31959
validity of Christian Orthodoxy Scale, assessment of acceptance & importance of religion, college students, 35852
validity of clinical color vision tests, prediction of error free performance on color dependent tasks, air traffic control specialist applicants, 35990
validity of Cognitive Coping Strategy Inventory, assessment of coping with pain, 18–46 yr olds, 16039
validity of Cumulative Illness Rating Scale, assessment of physical illness burden at autopsy, 21–92 yr old suicide victims, 24030
validity of Dartmouth COOP functional health assessment charts WONCA, nonclinical 20–72 yr olds, Norway, implications for epidemiology, 43804
validity of Defense Language Aptitude Battery, assessment of cognitive aptitude & prediction of success in foreign language training, military students, 43853
validity of Dementia Questionnaire for Mentally Retarded Persons as diagnostic screening instrument, institutionalized mentally retarded 43–93 yr olds, Netherlands, 6 yr study, 77
validity of Dissociative Experiences Scale, assessment of multiple personality disorder, psychiatric patients, 43746
validity of dot filling group test, assessment of handedness & manual performance, 7–15 yr old males vs females, France, 35815
validity of Draw A Person Screening Procedure for Emotional Disturbance, emotionally disturbed special education students, 35966
validity of Dysfunctional Attitude Scale, measurement of depressive thinking, 18–65 yr old depressed inpatients, 15968
validity of Edinburgh Postnatal Depression Scale outside postpartum year, mothers & fathers of 19–22 mo olds, England, 39831
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care patients vs nursing home residents, 20075
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care vs nursing home residents, commentary reply, letter, 39861
validity of Executive Interview, bedside assessment of executive cognitive function, 71–96 yr old noninstitutionalized extended care vs nursing home residents, commentary, letter, 39851
validity of Family Needs Survey, mothers of disabled 4–64 mo olds, 28019
validity of General Attitude & Belief Scale & other dysfunctional cognition measures, assessment of depressive & bulimic tendencies, female college students, 28026
validity of General Health Questionnaire vs Self Report Questionnaire, assessment of psychiatric symptoms, primary care patients, Chile, 7988
validity of Geriatric Depression Scale, cognitively impaired vs intact elderly, 20020
validity of Global Deterioration Scale, prediction of psychopathology & functional impairment at disease stages, 40 yr olds & older with Alzheimer's disease, commentary, letter, 35913
validity of Global Deterioration Scale, prediction of psychopathology & functional impairment at disease stages, 40 yr olds & older with Alzheimer's disease, commentary reply, letter, 35884
validity of Hodkinson Abbreviated Mental Test Score, screening for dementia, over 59 yr olds, Italy, conference presentation, 7991
validity of Home Observation for Measurement of Environment scale, low vs middle to high income 12–44 yr old mothers & their low birth weight infants, 15882
validity of hostility scores on Rosenzweig Picture Frustration Study-Children's Form, normal 2nd–7th graders & behavior disordered 6–12 yr olds, application of social cognitive model of aggression, 31882
validity of Illness Self Construct Repertory Grid, evaluation of close personal relationships, patients with chronic pain & their closest significant other, New Zealand, 12053
validity of Kaufman Brief Intelligence Test, 16–74 yr olds referred for neuropsychological examination, 35937
validity of Kinetic Person Drawing Task vs Scorable Self Care Evaluation vs Bay Area Functional Performance Evaluation, 19–58 yr old psychiatric day treatment clients, 43747
validity of Kiswahili version of Schroder et al Adult Psychiatric Sensory Integration Evaluation vs other occupational therapy assessments, schizophrenic 20–63 yr olds, Tanzania, 76
validity of leader member exchange scale & association with leadership & job satisfaction, MBA students, 24235
validity of Lustig Color Vector Test, assessment of vocational interest, male 17–73 yr old incarcerated offenders, application of vector theory, 31997
validity of M Test, assessment of malingering, incompetent to proceed defendants in residential forensic facility, 31884
validity of mean length of utterance in morphemes vs syntactic complexity vs language assessment & remediation & screening procedures, assessment of grammatical complexity, 1.5–4.8 yr olds, Canada, 27967
validity of Mesker test of writing handedness, 4–5 yr olds at school entry, England, 24057
validity of Millon Clinical Multiaxial Inventory, alcoholic adults, literature review, 7995
validity of Mini-Mental State Examination & Activities of Daily Living & Clinical Dementia Rating Scales, assessment of dementia severity, Alzheimer clinic outpatients & nursing home residents, 8038
validity of Missouri Children's Behavior Checklist classification system & relation to DSM-III symptom criteria, assessment of behavior problems & sociability, nonreferred 6–12 yr olds, 15906
validity of MRC Needs for Care Assessment, homeless mentally ill in long stay hostels, England, 24121
validity of Mucowski Typology Inventory, assessment of family roles, adult children of alcoholics, instrument appended, 31910
validity of N. Haan's psychological defense scales, ex-psychiatric patients vs their spouses vs college students, 4061
validity of National Adult Reading Test, estimation of premorbid intellectual ability & memory, patients with alcoholic Korsakoff's syndrome, 24145

validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, commentary, letter, 43770
validity of National Adult Reading Test, estimation of premorbid intelligence, hospitalized & community resident schizophrenic patients, UK, 73
validity of National Institute of Health Activity Record, 18 yr olds & older with rheumatoid arthritis, 81
validity of Neurobehavioral Cognitive Screening Examination vs Mini Mental State Examination, elderly psychiatric inpatients with depressive vs organic mental disorders, 39858
validity of nonminority version of Tell Me A Story Test, assessment of perceptual & cognitive style & affective state & personality, White 7–14 yr old mental health outpatients vs normal students, 20023
validity of old & new MMPI derived scales & short form of Michigan Alcohol Screening Test, alcoholic patients, 28006
validity of original vs revised Physical Activity Readiness Questionnaire, preliminary screening for physical fitness test, 15–69 yr old clients of fitness facilities, Canada, 24047
validity of pay level & raises & benefits & structure & administration dimensions of Pay Satisfaction Questionnaire, corporate employees, 39894
validity of Pediatric Clinical Test of Sensory Interaction for Balance, male vs female 4 vs 5 yr olds, implications for occupational therapy, 7933
validity of Performance Inventory for Profound & Severe Loss vs MMPI, assessment of psychopathological disturbances, 19–62 yr olds with otosclerosis, 24125
validity of Personality Diagnostic Questionnaire-Revised vs Personality Disorder Examination, diagnosis of personality disorders, 21–62 yr olds with panic disorder, 4064
validity of procrastination inventories, traditional vs nontraditional age college students, 11979
validity of PTSD measures, elderly with PTSD vs other psychiatric disorders vs prisoners of war vs younger Vietnam War veterans, 4065
validity of qualitative vs developmental scoring systems for Modified Version of Bender-Gestalt Test, assessment of school ability, 1st–2nd graders, 39876
validity of Quality of Well-Being scale, parents of 4–18 yr old cancer patients, 31951
validity of quantitative scores of Initial Letter Word Association Test, measurement of attitudes toward surrounding world, psychotic young adults vs normal high school & college students, Yugoslavia, 8032
validity of respiration line length & skin resistance response amplitude in criminal guilty knowledge polygraph interrogation, guilty vs innocent adults, Israel, replication, 7862
validity of Retrospective Self Report of Inhibition, assessment of childhood inhibition & mental health problems, college students & 20–72 yr olds with panic disorder or depression, 98
validity of revised Inquiry Mode Questionnaire, nursing students, 43726
validity of Revised Socialization Scale of California Psychological Inventory, delinquent vs nondelinquent male 15–16 yr olds, 43750
validity of Rockport Fitness Walking Test, cardiorespiratory fitness, moderately mentally retarded male adults, 3963
validity of SAT at University of Hawaii, secondary school students, Hawaii, 31987
validity of scaled version of General Health Questionnaire, screening for & assessment of minor psychiatric disorder, paralyzed outpatients with spinal injuries, 39804
validity of screening test of D. Kosti'c articulation test battery, 1–14 yr olds with hearing impairment, India, 24054
validity of Self Esteem Rating Scale, adult normal & day psychiatric program attendees, 35906
validity of self report measures with vs without bogus pipeline procedure, assessment of cigarette smoking, meta analysis, 31796
validity of Senior South African Individual Scales-Revised, intelligence measurement, Black vs White vs Indian 7–16 yr olds, South Africa, 24065
validity of Shipley Institute of Living Scale vs WAIS-R, prediction of college GPA, college students, 43842
validity of short version of Camberwell Family Interview, assessment of expressed emotion, family members of schizophrenic patients, 12019
validity of Situational Humour Response Questionnaire, measurement of sense of humor, college students, 11978
validity of Social Phobia & Anxiety Inventory, assessment of treatment change, 21–56 yr olds with social phobia, 27998
validity of Speech Disorders Classification System & Articulation Competence Index & Speech & Prosody-Voice Profile, children with developmental phonological disorders, application to genetics, 24148
validity of splitting & dissociative signs on Rorschach test, diagnosis of multiple personality disorder, 8026
validity of Structured Clinical Interview for DSM-IV Dissociative Disorders, Vietnam combat veterans with vs without PTSD, 43745
validity of structured interview, selection of Air Force pilots, pilot trainees, 32000
validity of Substance Use & Psychiatric Disorder scales of Drug Use Screening Inventory, substance abusing adolescents, 20058
validity of survey, identification of risk for school dropout, K–12th graders & their teachers, 35968
validity of Survey of Personal Beliefs, psychiatric patients, 28015
validity of Test for Visual Analysis Skills, White 6–8 yr olds with visual perceptual problems, South Africa, 15979
validity of Threat Index, use of same adjective poles to describe self & death, college students vs HIV seropositive clients, 11976
validity of Undergraduate Stress Questionnaire, college students, 16034
validity of Virtue Attraction Scale, assessment of self reported & perceived love of & from parents, 17–46 yr olds, 27919
validity of Wagner signs in Rorschach test, diagnosis of multiple personality disorder, 18–45 yr old female inpatients, 8007
validity of Wiener-Harmon Subtle Obvious vs L & F standard scales, identification of valid vs faked MMPI-2 profiles, psychiatric patients vs college students, 24153
validity of Work Environment Inventory, assessment of stimulants & obstacles to organizational creativity, adults, 43854
validity of WPPSI-R vs Stanford Binet L-M, assessment of IQ & intellectual functioning, at risk 3–6 yr olds, 11961
validity of 28 item General Health Questionnaire, detection of psychiatric morbidity, adult females attending antenatal clinic, Nigeria, 27991
validity of 4 French McGill Pain Questionnaire versions, 28–50 yr old physicians, France, 4041
validity of 5 vs 9 point balanced vs 5 point packed frequency rating scales, measurement of anticipated performance, college students, 11935
validity scores on Perception of Ability Scale for Students, learning disabled 6th graders, New Zealand, 8059
24 hr log of adaptive & ineffective behaviors & convergent & discriminant validity of measures of cognitive functioning & self care & behavioral problems, caregivers of Alzheimer's disease patients, 39817

Test Validity—Chapters

Alternatives to the validity coefficient for reporting the test–criterion relationship, 3970
The assessment of spousal abuse: An alternative to the Conflict Tactics Scale, 8037
Fairness and selected psychometric issues in the psychological testing of Hispanics, 3973
On the meanings of constructed response, 27931
Principles of psychological assessment, 16011
Use of the NEECHAM Confusion Scale to assess acute confusional states of hospitalized older patients, 4102
The validity of learning potential tests, 35810

Testes—Serials

antiglucocorticoid RU486, glucocorticoid action in stress induced suppression of testicular steroidogenesis, male rats, 12703

dominance rank & plasma testosterone & testicular volume & body weight & development of secondary sexual characteristics, male mandrills, 20712
gonadotropin releasing hormone agonist immediately before puberty, onset of adult sexual behavior & testicular development, young rams, 32524
personality characteristics, prevalence & extinction of conditioned nausea after chemotherapy, relapse free adult males treated for testicular cancer, 18894
self assessment of testicular size, well vs chronically ill 9–20 yr olds, commentary, 18234
testosterone secretory capacity of testicular Leydig cells, aggressive vs nonaggressive lines of male mice fetuses & neonates, 44506
water or food deprivation induced stress, testicular & body weight, male Syrian hamsters, 40467

Testing Methods [See Also Adaptive Testing, Cloze Testing, Essay Testing, Forced Choice (Testing Method), Multiple Choice (Testing Method), Q Sort Testing Technique, Scaling (Testing)]—Serials
academic & verbal ability & sex, preferred test item type, college students, 39296
characteristics & usefulness of true-false vs alternate vs multiple choice testing, 15879
dynamic approach to nonbiased language assessment, possibly language disordered 3.6–4.8 yr old Head Start students in Spanish-English bilingual classroom, 16048
dynamic vs static conventional assessment of cognitive modifiability & factorial pattern, deaf vs hearing 49–75 mo olds, 18457
nonverbal vs verbal assessment of conservation of liquid volume, 6–7 yr olds, replication, 32903
open ended vs multiple choice item response format, diagnostic assessment of achievement on algebra test, 8th–9th graders, Israel, 35957
psychometric characteristics & research agenda for multiple true false item format in educational achievement testing, research review, 24207
quantitative questions in open ended vs multiple choice formats of GRE, examinees, 8057
quizzes on text &/vs class lecture material, test performance, college students, 7402
repeated testing & teachers' effects, achievement in remedial mathematics course, college students, 19602
scoring methods for multiple true/false items, reliabilities & item difficulty & discrimination of scores, college students, 43700
teacher perceptions of value of standardized &/vs functional ecological assessment procedures for educational program development, legally blind severely mentally retarded male 8 yr old, 15495
Testing Methods [See Also Adaptive Testing, Cloze Testing, Essay Testing, Forced Choice (Testing Method), Multiple Choice (Testing Method), Q Sort Testing Technique, Scaling (Testing)]—Books
Construction versus choice in cognitive measurement: Issues in constructed response, performance testing, and portfolio assessment, 27927
Testing Methods [See Also Adaptive Testing, Cloze Testing, Essay Testing, Forced Choice (Testing Method), Multiple Choice (Testing Method), Q Sort Testing Technique, Scaling (Testing)]—Chapters
Construct validity and constructed-response tests, 28095
Constructed response and differential item functioning: A pragmatic approach, 27939

A framework for studying differences between multiple-choice and free-response test items, 27948
Item construction and psychometric models appropriate for constructed responses, 27958
Item formats for assessment in mathematics, 28089
On the equivalence of the traits assessed by multiple-choice and constructed-response tests, 27960
On the meanings of constructed response, 27931
Trait equivalence as construct validity of score interpretation across multiple methods of measurement, 27947

Testosterone—Serials

age & testosterone & plumage & aggressive experience, social dominance & aggression, juvenile male satin bowerbirds, 12397
antiphonal duetting & LH & testosterone & estradiol, tropical bush shrikes, 12707
castration & testosterone replacement, habituation of chemosensory investigation of vaginal discharge from estrous females, male golden hamsters, 28616
castration & testosterone replacement, odor preferences & attractiveness to females, male meadow voles, 28613
dominance & partner's playfulness & temperament & neonatal testosterone & apomorphine susceptibility, play fighting, juvenile rats, 12857
dominance rank & plasma testosterone & testicular volume & body weight & development of secondary sexual characteristics, male mandrills, 20712
effects of nandralone vs testosterone cypionate in taste aversion learning, male mice, 40578
estradiol & testosterone, aggression toward unfamiliar female, ovariectomized nonaggressive vs aggressive female rats cohabitating with sterile male vs another female, 44569
estradiol vs testosterone, erectile function & bulbospongiosus EMG activity, castrated rats, 12796
fadrozole with vs without estradiol, plasma testosterone & ejaculatory performance & sexual motivation, male castrated monkeys, 44754
fluid deprivation, serum testosterone & acceleration of conditioned taste aversion extinction, male intact vs gonadectomized rats with vs without testosterone implants, 32536
interaction of estradiol & testosterone & progesterone, aggression, female rats cohabitating with sterile male rats, 12725
intrauterine development between 2 male vs female fetuses, serum testoterone & ventral scent gland size & scent marking frequency, adult male gerbils, 8443
LH releasing hormone & conditioning interval variation, place preference, gonadectomized male rats with testosterone implants, 4779
manipulation of sexual motivation by testosterone vs photoperiod length, sexual approach conditioning, male Japanese quails, 16440
medroxyprogesterone acetate, sexual activity & motivation, castrated testosterone implanted male cynomolgus monkeys, 44680
neonatal castration & testosterone propionate, sexual & aggressive behaviors, adult male marmosets, 44611
neonatal testosterone augmentation, juvenile play fighting & adult dominance relationships, male rats, 16702
nocturnal penile tumescence & sleep EEG & testosterone secretion, males with major depression, 37714
photoperiod, pubertal maturation of testosterone dependent reproductive behaviors, male gonadectomized vs intact prepubertal ferrets, 24811
plasma testosterone & aggression & other abnormal behavior, deviant capercaillies, 28623
plasma testosterone & lateral septum vasopressin & innervation density, male mice with genetic short vs long attack latency, 28494
postnatal testosterone propionate, brain weight, long vs short photoperiod exposed male vs female voles, 28618
prenatal testosterone, cognitive abilities, 4 yr olds, Canada, 9140
quipazine with vs without pirenpirone vs pizotyline vs pindolol, testosterone induced dominance & aggression, male rats, animal models, 4746
role & measurement of testosterone in social interaction & sexual activity & antisocial & other behavior, adults, literature review, 24819
salivary testosterone levels at time of DST, adult males with major depression with melancholia, 17734
salivary testosterone, 6–13 yr olds with learning disabilities, 38031
sc vs medial preoptic area quinelorane &/vs subphysiological testosterone, sexual behavior, castrated or noncopulating gonadally intact male rats, 20829
seasonal & daily patterns of corticosterone & testosterone & estradiol, courting & sexual receptivity, male vs female crested newts, 32527
serum free testosterone level, right hand preference, female 17–19 yr olds, 36562
serum testosterone & cortisol & glucose & ethanol, intoxicated males arrested for spouse abuse, 18068
serum testosterone & estradiol, hand preference, right handed male vs female 17–19 yr olds, 13004
serum testosterone & nonverbal intelligence, college students, Turkey, 646
serum testosterone, college students with anomalous vs standard hand dominance, commentary reply, letter, 12548
serum testosterone, college students with anomalous vs standard hand dominance, commentary, letter, 12531
sexual arousal, blood & pulsatile secretion of LH & testosterone, 18–27 yr old males, 36693
sexual intercourse, salivary testosterone, heterosexual male vs female 21–30 yr olds, 4704
sexually dimorphic nucleus of preoptic area & testosterone as biological predictors of sexual behavior, prenatally stressed male rats, 12686
suprachiasmatic enucleation with vs without testosterone, substance P immunoreactivity in stria terminalis bed nucleus & amygdala & medial preoptic area, male hamsters, mating implications, 16871
testosterone & corticosterone & breeding density & experience & reproductive success, polygynous red winged blackbirds, 4 yr study, 12678
testosterone & its metabolites & aromatase inhibitor R76713, morphological changes in medial preoptic area, male Japanese quails, 36482
testosterone & naloxone, feeding, male juncos, 12766
testosterone &/or corticosterone, agonistic & courtship behaviors, male lizards, 44607
testosterone, conditioned place preference & discriminative taste aversion, rats, 12764
testosterone, dominance & competitive ability, male house mice, 40482
testosterone, estrogen sensitivity in preoptic neurons with axons to ventral tegmental area, male castrated vs female androgenized rats, 40589
testosterone levels & parent & peer smoking, cigarette smoking, 12–14 yr olds, 13093
testosterone or estradiol, onset & development & activation of chin marking behavior, 31–150 day old male vs female rabbits, 20866
testosterone propionate induced neonatal androgenization, circadian organization of food intake, male vs female rats, 28738
testosterone secretory capacity of testicular Leydig cells, aggressive vs nonaggressive lines of male mice fetuses & neonates, 44506
testosterone, substance P neurons of amygdala medial nucleus & stria terminalis bed nucleus & medial preoptic area, intact vs castrated male golden hamsters, mating implications, 16872
testosterone vs gonadotropin replacement, psychosexual behavior & nocturnal penile tumescence & plasma sex steroids, 16.2–20.8 yr old males with hypogonadism & hypopituitarism, 34718
uterine position & genotype & age, sensitivity to aggression promoting property of testosterone, CF-1 vs CK female mice, 8589
winning vs losing, mood & salivary testosterone & cortisol, 18–50 yr old males, 28643

Tetrahydrocannabinol—Serials
delta-9-tetrahydrocannabinol & PCP or ethanol, response rate & accuracy under FR reinforcement, male rats, 16763
delta-9-tetrahydrocannabinol analog CP 55,940, delta- 9-tetrahydrocannabinol stimulus discrimination, male rats, 12786
delta-9-tetrahydrocannabinol, hippocampal cell firing rate & short term memory in delayed match to sample task, male rats, 28718
delta 9 tetrahydrocannabinol, motor disturbances & stereotyped & other behaviors & nigrostriatal dopaminergic alterations, male rats, 40640
discriminative stimulus effects of delta-9–11-tetrahydrocannabinol & delta-9-tetrahydrocannabinol, male rats & monkeys, 44745
gas chromatography/mass spectrometry confirmation in detection of tetrahydrocannibinol & metabolite in serum, marihuana smokers, 12109
suppository delta-9-tetrahydrocannabinol, plasma level & BP & heart rate & self rated high, adult females, 32664
Text Structure—Serials
accuracy & content of written summary of expository procedural vs descriptive text, young adults vs elderly, 28924
age & narrative organization & memory presentation mode, working memory & use of cues in referent choice strategies, 19.9–71.2 yr olds, 9179
backward causal inferences during reading of expository texts, Netherlands, 8312
cohesion & structure & quality of writing, deaf vs hearing 4th graders, 22442
comparative vs sequential text vs knowledge map, information acquisition & attitudes toward material & study skills, college students, 43204
comprehension & recall of regular vs boxed text material, college students, 44157
comprehension of German text with vs without anaphora, college students, US, 810
computerized perspective text analysis of Tacitus' Germania & translations, 32773
concept foregrounding, predictive inference in word stem completion vs lexical decision vs naming tasks, college students, 4353
context effects in text vs word priming in lexical decision tasks, college students, England, 4338
convergent & divergent validity of inferences from reader vs text based structure vs coherence vs quality measures for written composition, 6th graders, 43838
feedback & sentence order of original & reconstructed text, recall & comprehension, college students, 36237
feedback & text version, surface vs situation vs semantic memory, college students, 8350
importance & influence of text based information on learning, college students, 8338
inference of causal connections from nearby vs distant & coherent vs incoherent text, commentaries, 44113
issues in structure of & human interaction with text editors, 7779
knowledge map vs text format of information & prior knowledge & vocabulary, visual information search processes, college students, 32159
knowledge of text coherence, expository writing, 4th vs 8th graders vs college students, 21203
passage type, comprehension monitoring & recall, 6th grade good vs poor readers, 19536
picture availability & ease of anaphor resolution, text comprehension & dual code theory & working memory management, college students, 16266
pictures in text depicting details vs relational information & comprehension skill, recall of text, college students, 16362
pragmatic principles for syntax & discourse information distribution based on social convention, 9065
prior knowledge of topic, construction of mental representations & recall & comprehension of continuous vs discontinuous read text, college students, 20286
readability & passive voice & paragraph & sentence & word length of public relations releases used vs not used by newspapers, 21131
readability of written informed consent forms & therapist's positive vs negative self involving statements to client, recall of form & impression of therapist, 18–72 yr olds, 15315
schema relevant title & concept repetition in vague text, sentence reading time & text recall & comprehension, college students, 20287
schema vs text structure based cues, comprehension of expository prose, 4th graders, 31325
screen size & text layout, learning of text presented on PC monitor, college students, Netherlands, 7756
semantics based reference resolution & criticism of coherence in text processing & copy editing, computerized comprehensibility system, technical report, 39626
sensitivities to visual vs lexical & semantic discrepancies in fluent rereading of familiar texts, college students, Canada, 4319
sequential vs relational verbal task description, low vs high task complexity perception & performance & memory, college students, Germany, 12243
signaling devices, recall of text topics, college students, 32214
similarity vs dissimilarity of passage organization, quality of writing from sources, college students, application of D. Gentner's structure mapping model, 20275
social control in text consumption & production & linguistics & literacy, 16946
spatial &/vs descriptive narrative text type & drawing instructions & test occasion, conjoint retention in map drawings based on text content, college students, 16364
storybook vs information book vs informational storybook, collaboration & confirming & challenging responses during peer group discussions, 1st & 3rd & 5th graders, 17162
strategies for comprehension of collection vs causation vs comparison texts, proficient vs less proficient 10th–11th graders, teaching implications, 936
strategies for information search in textbook & judgment of text features & efficacy beliefs, college students, 32179
structurally congruent or incongruent hierarchies, map & passage recall, college students, 12291
text planner based framework & user interface model for generation & control of intelligent computer tutorial explanatory dialogs, 11763
text structure & material concreteness, memory for prose, deaf or hard of hearing 15–22 vs hearing 7–8 & 16–18 yr olds, Italy, 34266
text with normal vs filled vs random spatial disruptions, reading speed, college students, 16277
textuality & ethnography of play in chess, 7717
violations of principles of global discourse organization, comprehension of temporal order in narrative texts, college students, 20278
word processor, text production in story writing, 4th graders, Italy, 39204
Text Structure—Books
Learning from textbooks: Theory and practice, 47200
Text Structure—Chapters
How interest affects learning from text, 3484
Redefining revision for freshmen, 3485
Textbooks—Serials
activity based inquiry oriented vs textbook approach to science learning, learning disabled junior high school students in special education classes, 39358
analysis of instructional recommendations in elementary science textbooks, mainstreamed students with disabilities, 47289
assessment of textbook graphic representation interpretation ability, 10th grade biology students, Israel, 3432
comprehensibility & interestingness & familiarity & memorability of concrete vs abstract text, recall & comprehension, college students, implications for dual coding theory, 32227

correlation of reading interest checklist items & Flesch Reading Ease & Human Interest scores & perceptions of interest in textbooks, 1st yr college writing students, 20096
description of primary & supplementary textbooks & computer package for nonparametric statistics courses, 35149
frequency of entries on language in social psychology textbooks, 1900–89, US, 15387
historical circumstances in publication of R. S. Woodworth's "Experimental Psychology", 7902
human factors user issues & design of hypertext software manuals, consumers, 15765
issues in prisoners' health in correctional psychology textbooks, 1980–90, 11220
male & female anatomy in anatomy textbooks, 1890–1989, 11249
measurement of level of abstraction in science textbooks, 19483
motivations for enrollment in & textbooks for & types of psychology of law courses, college students, 3356
pictorial depiction of war in American & world history high school textbooks & similarities to modern entertainment-fiction violence, 27457
prominence & research productivity assessed through counseling psychology textbook & journal citation analysis, psychologists, 1980–90, 35105
sexism & other aspects of 7th grade life science textbooks & potential to motivate participation & interest in science, female students, 11415
strategies for information search in textbook & judgment of text features & efficacy beliefs, college students, 32179
study time, performance on test of text recall vs final course grade, college students, 15435
teacher implemented instructional strategies, facilitation of reading difficult textbooks, middle & high school students, 23509
treatment of phenomenological & existential & humanistic approaches in history of psychology textbooks, 27474

Textbooks—Books

Fifty years of personality psychology. Perspectives on individual differences, 33398
Learning from textbooks: Theory and practice, 47200

Textbooks—Chapters

Do illustrations serve an instructional purpose in U.S. textbooks?, 47213
Guiding students' cognitive processing of scientific information in text, 3471
Impact of good and poor writing on learners: Research and theory, 47208
Portraits of a discipline: An examination of introductory psychology textbooks in America, 27226
Questioning questions in teaching and learning from texts, 47204
Questions in elementary science and social studies textbooks, 47206
Understanding illustrations in text, 47210

Texture Perception—Serials

abrupt texture gradients, visual texture discrimination, college students, 12154
abstract processes & techniques in digital image processing of texture segmentation, implications for modeling of visual perception, 20205
acquisition & transfer of visual texture discrimination, pigeons, 4448
age & line orientation & blob size, texture segregation, neonates through adults, 13069
application of Markovian random measure fields to reconstruction of piecewise smooth surfaces in integration of visual information, 8208
conditions of inattention, texture segregation & perceptual grouping by similarity or proximity, adults, 12163
dimensional organization of stimuli, texture discrimination, pigeons, 4429
dimensionality of apparent motion carried by textual properties, adults, 36100
element similarity & line orientation, texture segmentation & pop out & grouping of targets in preattentive vision, adults, 16187
implications of triple correlation uniqueness for texture statistics & B. Julesz's conjecture of spontaneous texture discrimination, 44015
jitter in orientation &/vs position of textured elements, segregation of mesh derived textures in figure detection task, adults, 8200
lithium chloride induced conditioned avoidance of high viscosity fluids, generalization of avoidance to chemically unrelated substances with similar texture, female rats, 20965
optical texture, regulation of attitude & visual control of locomotion, college students, 4255
orientation & phase differences, texture segregation, adults, 28192
orientation of parallel line texture between or without vertical lines, modification of strength of Poggendorf illusion, college students, 12164
saccades, texture pattern perception, Os, 16171
spatial frequency of sinusoidal gratings, computer model of texture discrimination with local Fourier analysis, adults, 242
stationary textured background & interocular transfer & dichotic presentation, initiation of ocular pursuit of target in motion, monkeys, 28522
stereo vs texture vs outline cues, judgment of amplitude & perception of shape of 3-dimensional ridges, 22–26 yr olds, 36070
surface texture & hand contaminant glycerol vs paraffin oil vs lard vs sweat, coefficient of dynamic friction & perceived discomfort, male 25–57 yr olds, implications for design of hand tools, 43932
textons & priming, delayed vs immediate object recognition & discrimination & pop out effects, infants, 13067
texture boundaries, visual discrimination of contour curvature & line separation, adults, 16207
visual localization & segmentation of oriented textures, 14–18 week olds, England, 13030

Texture Perception—Chapters

An essay on texture: The extraction of stimulus structure from the visual image, 24335
Texture segregation based on line orientation develops late in childhood, 40881
Triple correlation and texture discrimination, 267
The visual perception and processing of textures by pigeons, 424

Thailand—Serials

change from kin to cash based economic system, pattern of family caregiving, elderly in family vs nursing home care, Thailand, 11018
couvade syndrome, 19–50 yr old expectant fathers, Thailand, 38106
cultural & economic aspects of female prostitution, young females, Thailand, 9487
cultural change & modernization & support resources, caregiving activities & selection of caregiver, 65 yr olds & older & their 13–74 yr old caregivers, Thailand, 11019
cultural context of & conversation & mediator's role in negotiation of division of rice harvest, sharecropper & rice field owner & local official, Thailand, 21110
demographic characteristics vs personal vs environmental aspects, life satisfaction & perception of quality of life, adults, Thailand, 5345
hospital vs community oriented approach to herbal medicine promotion, appropriate use of self medication, rural families, Thailand, 34833
housing quality & crowding & psychological distress, physical health, couples, Thailand, 43588
public sex performance as reflection of sexual cultural & libidinal imagination, Thailand, conference presentation, 21438
sex & age, overcontrolled vs undercontrolled behavioral & emotional problems, 12–16 yr olds, US vs Thailand, 44988
sex & school enrollment rates & trends & female labor force participation, fertility decline, school age children, Thailand, 13354
social support & unaccompanied status & life events & religion & sex, anxiety, 11–19 yr old Cambodian refugees in vs awaiting resettlement, Thailand vs US, 13133

Thailand—Chapters
Endangered children in Thailand: Third World families affected by socioeconomic changes, 1192
Thalamic Nuclei—Serials
habenula complex lesions, lateral hypothalamus stimulation induced analgesia for tonic pain in formalin test, female rats, 36505
impulse activity of strio-pallido-thalamic system associated with planning & realization of motor neurons, patients with parkinsonism, USSR, translated article, 6374
lamina I axon termination & nociceptive information processing in thalamic nucleus submedius, cats, 8616
lesion of mediodorsal thalamic nucleus & presurgery task training, object recognition in delayed nonmatching to sample task, male rats, animal model of diencephalic amnesia, 44431
lesions of nucleus medialis dorsalis of thalamus, vigilance & attentive behavior & electrocorticographic patterns, cats, 24754
medial thalamic neuronal response to somatosensory stimulation, neurogenic pain patients undergoing medial thalamotomy, Switzerland, 41955
neuroleptic treatment, volume of mediodorsal thalamic nucleus, postmortem brains of schizophrenic 23–78 yr olds, 6780
nociceptive stimulation of reward areas, EPs in parafascicular complex of thalamic nuclei, 41–60 day old rabbits, translated article, 32483
stimulus color & luminance & motion & looming, visual processing responses of cells in subdivisions of nucleus rotundus, pigeons, 28562
unilateral subthalamic nucleus ablation, SKF 38393 vs quinpirole induced rotation, male rats with 6-OHDA lesions of nigrostriatal pathway, 12483
ventral lateral geniculate nucleus lesions, simultaneous pattern & color discrimination, pigeons, 24717
verbal command & auditory stimulation, unit activity of thalamic reticularis neurons during motor activity, dyskinetic patients, 38280
Thalamic Nuclei—Chapters
Contribution of the thalamic messages to motor cortex in the learning of motor skills, 24734
Function of the thalamic reticular complex: The searchlight hypothesis, 20615
Thalamus [See Also Geniculate Bodies (Thalamus), Thalamic Nuclei]—Serials
acute depression relapse, 47 yr old female with recurrent paramedian thalamic infarctions, case report, 10311
amnesia & confabulatory disorientation & tendon reflex, female 50 yr old with right thalamic lesion, case report, 38237
aphonia, female 55 & male 74 yr old with thalamosubthalamic infarction, 38262
central pain syndrome & MRI analysis of thalamic toxoplasma abscess, 38 yr old male with HIV infection, commentary, 26227
central pain syndrome secondary to thalamic toxoplasma abscess, 38 yr old male with HIV infection, 26224
cortical energy metabolism, 51–76 yr olds with unilateral posterolateral thalamic or thalamocapsular stroke, 18316
diazepam, anteromedial vs sensorimotor cortex lesion induced somatic sensorimotor asymmetries & deterioration of striatum or thalamus or substantia nigra pars compacta, male rats, 24908
electrical stimulation of cerebellar lateral nucleus, spontaneous & nociception evoked thalamic parafascicular neuronal activity, rats, 36533
electrical stimulation of substantia nigra, spontaneous & nociceptive evoked discharges in parafascicular nucleus, rats with intact vs partial vs complete transection of spinal cord, 12607
hemithalamic dysfunction, 35 yr old male with pathological lying, 17933
immunocytochemical labeling of brain stem peptidergic neurons projecting to medial & lateral thalamus & zona incerta, male rats, implications for thalamic processing of nociception, 28525
language abilities, chronic aphasic 56–78 yr olds with post-stroke left striato-capsular & thalamic damage, Australia, 34192
lateral cerebral ventricular histamine injection, nociceptive thalamic neuron firing, male rats, 20813
mammillary body & mediodorsal thalamic lesions, elevated plus maze exploration, male mice, 36486
medial &/vs lateral parafascicular complex of thalamus damage, neuropharmacological agents' compensatory & restorative processes to generalization & abstraction functions, adult cats, 12532
neuroleptic treatment, dopamine norepinephrine ratio, postmortem thalami of patients with schizophrenia vs Huntington's disease, 38575
neuronal activity in ventral posterior medial thalamic nucleus during detection & discrimination or air puff stimuli to face, male monkeys, 36567
neuropsychological & cognitive & memory impairment, 44 yr old female with medial thalamic lesion, comparison with patients with other diencephalic lesions, 14327
neuropsychological & MRI findings, female 29 yr old with brain damage due to infarction of left tuberothalamic artery territory, case report, 34200
neuropsychological assessment & thalamic degeneration, 36–59 yr olds with fatal familial insomnia, 2269
neuropsychological impairment & cortical oxygen or glucose metabolism assessed by positron emission tomography, 33–86 yr olds with unilateral thalamic lesion, 18346
neuropsychological status & frontal lobe related cognitive deficits, 51 & 57 & 68 yr old males with thalamic lesion induced material specific amnesia, 38273
nucleus parafascicularis & serotonergic & noradrenergic & galaninergic neuronal projections from periaqueductal gray & raphe nuclei & locus ceruleus, rats, 36587
parabrachial nucleus & medial thalamus & lateral amygdala lesions, taste stimulus & internal malaise induced taste aversion learning, male rats, 32463
passive deviation of vibrissae, neural reaction in posterior ventral nucleus of thalamus, rats, translated article, 8660
peripheral sensory deprivation, spatiotemporal reorganization & response latency of single neurons of ventral posterior medial thalamus, rats, 28534
physical & semantic stimulus attributes, multiunit responses in reticular nucleus of thalamus & striopallidal system & premotor cortex, patients with Parkinson's disease, 2283
physiologic thalamic mapping, 57 & 58 yr olds with central pain secondary to damaging suprathalamic infarcts, case reports, conference presentation, 18328
prior protein gene factors, patients with thalamic dementia, 22392
proper name anomia, 67 yr old male with left thalamic infarct, 2291
pure word deafness, 55 yr old male with left thalamic bleeding, Japan, 2321
somatosensory stimulation, response of neurons in pedunculopontine tegmental nucleus & intralaminar thalamus, rats, 32393
stereotactic infrathalamic lesions & anterior cingulotomies, induction of speech & swallowing & gait disturbance, male 40 yr old with Tourette's syndrome & obsessive compulsive disorder, 46676
structural asymmetry in thalamofugal visual projections & hemispheric differences in synaptic density of hyperstriatum accessorium, 2 day old male chicks, 8674
thalamic & tectal regression & photoperiodic functional structure hypertrophy of retinal ganglion cells & formation, subterranean blind mole rats, implications for environmental adaptation, 24663
thalamic ventroposterior medial nucleus neuronal response to noxious heat & innocuous cool air puff stimuli to face, male monkeys, 36490
visually initiated hand movement RT, cerebello-thalamo-cortical EP response, monkeys, conference presentation, 32555
whiplash injury, isolated amnesia following bilateral paramedian thalamic infarct, 45 yr old male, Italy, case report, 2238

Thalamus [See Also Geniculate Bodies (Thalamus), Thalamic Nuclei]—Chapters
Function of the thalamic reticular complex: The searchlight hypothesis, 20615
Thanatology [See Death Education]
Thanatos [See Death Instinct]
Theatre [See Also Drama]—Serials
ethnographic study of youth theatre workshops, working vs middle class youth, Australia, 25193
learning strategies to memorize theatrical scripts, actors, 8357
live theatre in Under Pressure Program for drug & alcohol abuse education & prevention, high school students, 27461
Theft [See Also Shoplifting]—Serials
alcohol intoxication & arousal during simulated robbery, perpetrator recall & encoding & identification of central vs peripheral person related to crime, male college students, 1983
clinical & demographic characteristics, children referred to child psychiatry service for stealing vs aggressive behavior, Australia, 9931
equitable vs low payment for clerical task with high vs low payment information & sensitivity, self payment of allowed amount vs theft, college students, 27696
judgment of risk factors & territorial cues & burglary status of pictured homes, 18–50 yr old incarcerated burglars, 41768
motivations & planning decisions & situational context of & other factors in perpetration of robbery & aggravated assault, female offenders incarcerated for violent street crime, 37997
nestmate recognition mechanism & chemical camouflage, intercolony theft of food, common neotropical ants, 20407
police crisis intervention program, problem & emotion focused coping, victims of burglary, Netherlands, 38892
prevalence of & attitudes toward unauthorized copying of microcomputer software, business executives vs college faculty, 35566
public identification of high risk products, theft reduction & reactions, grocery store customers & employees, Sweden, 35753
scripts for 3 types of robberies & leading questions by attorney, jurors' memory for eyewitness testimony in mock trial, college students, 23932
season of year, robbery & homicide rates, 1977–85, Israel, 37991
self rejection & avoidance vs attack coping style, drug use vs violence vs theft, 7th graders, 21928
stealing, normal weight bulimic patients, 29986
victim's resistance & robber's weapon possession, likelihood of robbery completion & victim injury, 1979–85, 37989
Thematic Apperception Test—Serials
combination of Draw a Person & TAT, assessment of minority children, Hispanic & Mexican American & American Indian children, implications for child abuse reporting, 27973
sex role of TAT card stimulus, projection, male vs female college students, 24080
TAT measures of power motivation & responsibility, prediction of long term management success, managers, 16 yr study, 165
TAT vs free speech techniques, prediction of individual personality differences, adults, commentary, 24098
Thematic Apperception Test—Books
Clinical use of story telling: Emphasizing the T.A.T. with children and adolescents, 31934
The Thematic Apperception Test, the Children's Apperception Test, and the Senior Apperception Technique in clinical use (5th ed.), 8034
Thematic Apperception Test—Chapters
Formal aspects of the TAT: A neglected resource, 60
How do self-attributed and implicit motives differ?, 7975
The interpersonal self: A level of psychocultural analysis, 13275
Motivational determinants of thematic apperception, 7970
Theology [See Religion]
Theophylline—Serials
acculturation to mainland US culture, compliance with oral theophylline, Puerto Rican 4–15 yr old asthma clinic patients & their 21–60 yr old parents, conference presentation, 42616
caffeine discrimination training, dose related responses to caffeine vs theophylline vs methylphenidate vs buspirone, adults, 44699
theophylline, academic achievement, 6–18 yr olds with asthma, 14833
theophylline, intrathecal vs icv selective opioid agonist induced antinociception & gastric emptying & gastrointestinal propulsion, male mice, 24872
theophylline with vs without 5-N6-ethylcarboxamidoadenosine or D-2-amino-5-phosphonovalerate, nociceptive licking & biting & other behavior, male mice, 28754
Theoretical Interpretation [See Also Psychoanalytic Interpretation]—Serials
analysis of C. Dickens' character Wilkins Micawber as demonstration of hypomanic personality disorder & need for inclusion in future psychiatric classifications, 25881
attentionalist vs representationalist interpretation of unilateral neglect & nature of spatial representation, 38331
codependency as addictive behavior in H. Ibsen's "A Doll's House", application of K. Blum's model of neurotransmitter deficit, 9013
existential view of spirituality in A. Hitchcock's film "Vertigo", 36921
group relations perspective on nationwide meaning of C. Thomas & A. Hill Senate confirmation hearings, 37349
J. Fodor's & H. Putnam's externalist vs internalist metaphysical perspectives on functionalist defense of intentional realism, 36925
literary & phenomenological approach to meaningfulness of dreams & fiction, 16391
psychological perspectives on good judgment in international politics, skeptics vs complexifiers vs fundamentalists, 13348
relevance of & conflicts among depth psychology & formalistic & phenomenological & feminist & Marxist & deconstructionist interpretations in art therapy, 6850
retrospective & analytical definition of transpersonal psychology based on literature between 1968 & 1991, 7898
S. T. Coleridge's prose & poetry as reflection of his views on dreaming & dream sharing, 16900
structural family therapy interpretation of F. Kafka's "The Metamorphosis", 32725
systems level interpretation of K. Lewin's group change hypothesis with integration of J. Gibson's & L. Vygotsky's perspectives on attitude change in group context, 37409
Theoretical Interpretation [See Also Psychoanalytic Interpretation]—Books
Spirituality: An approach through Descriptive Psychology, 25352
Theoretical Interpretation [See Also Psychoanalytic Interpretation]—Chapters
Applying chaos theory to delinquent behavior in psychosocial stress situations, 22058
Archetype and archetypal image, 33454
C. G. Jung: A debt acknowledged, 33461
Explanation in psychotherapy process research, 6562
Theoretical Orientation—Serials
A. Maury's dismissal of psychology of unconscious & rejection of involuntary forms of psychological experience as outcomes of disturbed physical processes, 17598
acceptance of social learning vs behavior modification vs clinical interventions for children with behavior disorders, regular vs special education teachers, Canada, 19459
acceptance of social learning vs behavior modification vs clinical interventions for children with behavior disorders, regular vs special education teachers, Canada, commentary, 19453
Adlerian integration of psychotherapy perspectives, elderly, 38422
age & experience & change in therapeutic orientation, 32–82 yr old psychoanalysts, replication & extension, 23398

agreement & consensus in contructionist perspective on social construction of scientific knowledge & sociology of science, 31786
analyst's eclecticism & similarities of technique in psychoanalytic schools of thought, 50 yr old male analysand with anxiety & depression, 34508
application of M. Foucault's philosophy to M. White's practice of externalizing internalized problem discourse in family therapy, commentary, 6601
application of M. Foucault's philosophy to M. White's practice of externalizing internalized problem discourse in family therapy, commentary reply, 6602
application of M. Foucault's philosophy to M. White's practice of externalizing internalized problem discourse in family therapy, 6603
attitudes toward money & progress ratings & therapist's theoretical orientation, 30 yr old & older therapists & their 17–73 yr old patients, commentary, 26475
attitudes toward money & progress ratings & therapist's theoretical orientation, 30 yr old & older therapists & their 17–73 yr old patients, commentary reply, 26438
behavioral vs ecobehavioral perspectives on school based consultation, 43148
characteristics & reliability of system for rating of countertransference in therapy vignettes, experienced vs inexperienced psychodynamic vs humanistic vs cognitive behavioristic psychologists, 46218
classification of concepts by metaphorical type, application of holistic & eclectic theory, commentary, 43921
clinical application of Freudian vs Kleinian theory, depressed adult females, panel discussion, conference presentation, 6658
clinical practice & theoretical controversy in psychoanalysis, conference presentation, erratum, 42368
cognitive behavioral theory & treatment, pathological gamblers, 38477
combination of feminist & social constructionist ideas for navigation of treatment impasses upon disclosure of incest, Black & Hispanic families, case report, 10569
congruence model, control & spiritual behavior skills for constituents in an interrelated system, alcoholic Black family in therapy, case example, 10554
demographics & professional activities & theoretical perspectives & training & career satisfaction, eclectic vs noneclectic 23–69 yr old psychotherapists, Portugal, 27304
description & implications of M. Merleu-Ponty's approach to unconscious thought & insight in interpretation of works of Freud & others, 31787
eclectic approach to study of ethical issues in dementia care, 15321
eclectic counseling, educational mainstreaming, female special education student, 35454
epistemic style, preference for counseling & theoretical orientations, college students & counselor trainees, replication & extension, 35206
evolution of psychoanalytic & behavioral based sex therapies through eclectic & integrationist stages, 1960s to 1990s, 22511
evolutionist enlightened vs progressive psychoanalytic vs social cultural vs psychologic ideational definitions of history of psychiatry, 15864
exercise for review of contemporary counseling approaches & theories, school counselors, 35480
family systems vs individual orientation, assessment & prescreening practices & frequency of recommended & actual hospitalization, clinicians at community mental health center, 39114
family therapy approaches to treatment of psychopathology, 38503
feminist philosophies & political orientations, attitudes & practice of feminist psychotherapy, psychologists, 14494
fictionalism & conversation in theoretical perspectives in epistemology & truth in psychoanalysis, commentary, 33435
fictionalist perspective on transference & other processes of psychoanalysis & misconstrual in framework of realism, 33422
fictionalist perspective on transference & other processes of psychoanalysis & misconstrual in framework of realism, commentary reply, 33423
focus on intrapsychic activities & linear causality & objectivity of observation in Ericksonian theories of hypnotherapy, 26815
functionality in analogical transfer combining perspectives of artificial intelligence & psychology on memory & surface vs structural features of recall, college students, 36162
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19934
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19944
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary reply, 19948
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19943
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19941
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19954
history of & theoretical orientation in applied psychology & autonomy from basic psychology, 19949
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19951
history of & theoretical orientation in applied psychology & autonomy from basic psychology, commentary, 19952
integration of acceptance work in behavioral couple therapy, 18650
integration of symptom & person oriented psychotherapy, clients, 38414
L. Marcher's somatically based theory of human & psychomotor development & body psychotherapy & individuation & mutual connection, interview, 6485
N. Goodman's relativist theory vs J. J. Gibson's ecological approach to picture perception, 43956
need for constructivist & contextualist perspectives in applied developmental psychology research, 44817
paradigm shift in theoretical orientation & stress & moral conflict & somatization in L. Kohlberg's model of moral judgment, adolescent patients, commentary, 14176
paternalism in treatment philosophies, chemical dependency counselors in adolescent vs adult vs religious/minority treatment centers, 31157
perceptions of cause of drug usage in "International Journal of the Addictions", therapists, 1988–89, implications for treatment policy, 37932
person centered vs social processes approach vs L. S. Vygotsky's sociocultural perspective & creativity research, 5610
postmodernist approach to program evaluation in E. G. Cuba & Y. S. Lincoln's book "Fourth Generation Evaluation", commentary, 7894
psychologistic shortcomings of D. Kolb's work on learning styles & experiential learning & Learning Styles Inventory, 32207
science as theology & spiritualism in psychotherapeutic treatment of satanic ritual abuse or torture, commentary, 18553
sexist vs nonsexist vs feminist family therapy, 2554
shift in behavior therapy from behaviorist to cognitivist orientation based on content analysis of Association for Advancement of Behavior Therapy conventions, 6583
Skinner & technological & reformist orientation in operant psychology, commentary, 35767
Skinner & technological & reformist orientation in operant psychology, commentary, 35766
Skinner & technological & reformist orientation in operant psychology, commentary reply, 35772
social constructionist model of integrated sex & marital therapy, 10547
social constructivist perspective on reality & subjectivity & self disclosure & transference & countertransference in therapeutic relationship, analysts & analysands, commentary reply, 10608
social constructivist perspective on reality & subjectivity & self disclosure & transference & countertransference in therapeutic relationship, analysts & analysands, commentary, 10621

social studies course, philosophic orientations to social studies education, graduate education students in history & geography, Botswana, 3292
sociotherapeutic vs somatotherapeutic professional ideological orientation, perceived disclosure patterns toward cancer patients, physicians, 23400
structural family therapy model, ultra orthodox Jewish families, 6615
technical eclecticism vs assimilative integration in psychotherapy integration movement, 10499
theoretical development of concept of internalization from Freudian & social learning perspective, 39716
theoretical development of concept of internalization from Freudian & social learning perspective, commentary, 39729
theoretical integrativeness & therapeutic eclecticism of cognitive therapy, commentary, 10536
theoretical integrativeness & therapeutic eclecticism of cognitive therapy, commentary, 10525
theoretical integrativeness & therapeutic eclecticism of cognitive therapy, 10523
theoretical orientation & current vs early career beliefs about human psychological development & optimal psychotherapeutic practice, psychotherapy experts, 11293
theoretical orientation & models of helping & counseling strategy recommendations & attribution of etiology & responsibility for client with adjustment vs identity disorder, 25–65 yr old psychologists, 43118
theoretical orientation & neuropsychological test usage in clinical batteries, neuropsychologists, 4125
theoretical orientation & vocational personality styles, prediction of interest in scientist vs practitioner activities, psychology graduate students, 15308
theoretical orientation in analysis of fictional characters in personality theory course, personality conceptualization, graduate students, 15240
theoretical orientation, research attitudes & interests, clinical psychology doctoral students, 19327
theoretical orientation, treatment theories & techniques, 28–85 yr old psychotherapists, 30316
theoretical orientations of current research in developmental psychology, Brazil, 28862
theories & representations of psychotherapy with special or difficult patients, therapists, 42209
truth & relevance of psychoanalysis & hermeneutic generation of scholarly conversation & theoretically diverse dialogical community, 33441
truth & relevance of psychoanalysis & hermeneutic generation of scholarly conversation & theoretically diverse dialogical community, commentary reply, 33440
unsystematic vs technical eclecticism vs theoretical integrationism in psychotherapy & counseling, 26447
utility of meta theoretical belief systems for categorizing & combining cognitive development & learning theories, 4294
16 point plan for involvement in optometry, behavioral optometrists, 18833

Theoretical Orientation—Books

Beyond therapy, beyond science: A new model for healing the whole person, 15232
Conversations in psychotherapy: Ways of working with individuals, couples, and families, 18579
The evolution of psychotherapy: The second conference, 26490
Handbook of psychotherapy integration, 18583
Pornography. Communication concepts, Vol. 5, 37393

The tortoise, the hare, and the development of talent, 882

Theories [See Also Related Terms]—Serials

A. R. Luria's brain functioning theory as model for cognitive psychophysiological research, 32546
abstract measurement theory & lack of application, commentary, 35768
acquisition of null subject parameter in language development, children, commentary reply, 32900
acquisition of null subject parameter in language development, children, commentary, 32879
action theoretical approach & Soviet's & Vygotsky's contribution to educational psychology, 27349
aging & amyloid beta protein precursor, postmortem brains of 75–86 yr olds with Alzheimer's disease, application of etiologic hypothesis, 38283
analysis of investment theory of creativity, predictive value of internal creativity resources & risk taking, adults, 29462
application & weaknesses of health belief model & reasoned action & self efficacy theories in relation to HIV related sexual risk behaviors, African Americans, 38168
application of child's theory of mind to concept of shared pretense & other cognitive deficits, autistic children, 29946
application of cognitive theories of social behavior to causation of behavior, 37402
application of I. Levi's epistemological model of rational decision making to utility estimation problem, 39920
application of quality improvement theory to mental health program planning, 42693
application of reversal theory to drama therapy, 46591
application of signal detection theory to visual target acquisition, 40007
application of social constructionism to psychotherapy, 30327
applications of chaos theory to special education & developmental disabilities, 39339
approaches to theory of unsupervised node growth & removal in self configuring neural networks within framework of learning & intelligence, 43612
aspects & methods of teaching role playing & critiquing in reality therapy & control theory, therapists, 39091
assumed homogeneity vs heterogeneity of other's cooperativeness or competitiveness, confidence in expectations, prosocial vs competitive adults, evaluation of Triangle hypothesis, Netherlands, 25511
awareness & speech & other error detection in Perceptual Loop & Node Structure theory, 32248
awareness & speech & other error detection in Perceptual Loop & Node Structure theory, commentary, 32247
awareness & speech & other error detection in Perceptual Loop & Node Structure theory, commentary, 32249
B. Morel's formulation & V. Magnan's modification of theory of degeneration, mentally ill, 1857–85, 25712
chaos theory in social science research, 43681
classical cognitive science vs quantum functional models of mentation, 44095
classical measurement vs item response vs generalizability theory based analysis of responses on Generalized Contentment Scale, college students & psychotherapy patients, social work implications, 38885
cluster neural network, recognition of cursive script characters in context of oscillation theory of handwriting, 35707
cognitive theory of algebraic word problem comprehension & solution in computer learning environment, college students, implications for learning environment design, 35312
compatability of connectionist & classical architecture & P. Smolensky's solution to problem of systematicity & connectionist theories of cognition, commentary, 24392
concept lattices & type theory & object orientation, representation of knowledge in "Roget's International Thesaurus", conference presentation, 40743
conceptual framework for job change, counselors & clients, commentary, 43448
conceptual framework for job change, counselors & clients, commentary, 43456
conceptual framework for job change, counselors & clients, commentary, 43457
conceptual framework for job change, counselors & clients, commentary, 43454
conceptual framework for job change, counselors & 37 yr old male client, 43459
conceptualization & theories of nociception & cognitive & behavioral responses to pain, infants, theory & practice & research implications, 40850
connectionist networks based on propositionally modular symbols in folk psychology, 31724
constructivism & major approaches to psychotherapy integration, 46216
contribution of psychology to understanding modern physical theory, commentary reply, 24006
contributions to psychological theory reflected in autobiographies, eminent psychologists, 1952–89, 35764
control theory approach to behavior modification, severely disabled, 38476
cross cultural theory of unity of psychology, 23992

culture & norms & universe & disposition in psychological integrity, care for self & others, application of biophile construct, 41335
D. C. Dennett's & other theoretical approaches to study of consciousness, commentary, 32265
D. M. Rosenthal's Appendage theory of consciousness, 28344
definition & identification & theories of creativity, children, cross cultural educational implications, 25211
developmental theory based teacher education program, teaching methods, elementary school teachers, 35267
dialectic theory of pubescence & psychosocial development, adolescents, 36962
dialectic vs contextualism vs organicism theories of pubescence & psychosocial development, adolescents, commentary reply, 36963
dialectic vs contextualism vs organicism theories of pubescence & psychosocial development, adolescents, commentary, 36975
dissipative structure theory of stroboscopic pattern & form perception, literature review, 32099
economic theory of altruism, 29331
empirical challenges to modal model of short term memory & status of coding concept & dual trace theory, 36227
endogenous constraints on hypothesis selection in simplicity vs minimalist vs finitistic theories of learning & inductive reasoning, 28816
equilibrium point hypothesis for role of CNS in single & multiple joint movements, conference presentation, 24649
essentialist & standpoint theories of C. Gilligan's "In a Different Voice: Psychological Theory & Women's Development" & application to feminist & communication scholarship, 33164
evaluation & revision of grief work hypothesis, 25584
existence of privileged verbal access, organized unitary content hypothesis vs multiple semantics, commentary reply, 44796
factors influencing response to anomalous data & change of preinstructional theories, scientists & science students, implications for science instruction, 39195
features of constructivist approaches to psychotherapy, 34352
focus on intrapsychic activities & linear causality & objectivity of observation in Ericksonian theories of hypnotherapy, 26815
functional theory of psychogenic illness, 30042
functional view of management & approach to teaching managerial job, 27651
G. W. Crile's theory of anoci-association & preemptive analgesia in surgical pain perception & shock, 46673
generalizability theory, analysis of sources of error in measurement of writing proficiency, 24240
grounded theory of reacculturation, missionary families, 41024
health belief model vs reasoned action vs protection motivation vs subjective expected utility theories of health protective behavior, 46748
historical & contemporary theorizing in experimental psychology, conference presentation, 39718
holistic based top down approach to organizational phenomena in perception, 32045
implications of triple correlation uniqueness for texture statistics & B. Julesz's conjecture of spontaneous texture discrimination, 44015
influence of language theories on development of field of aphasia, 34168
initial literacy & reading development, review of theories & approaches, 40818
integration of economic & psychological theories into economic model of subjective well being, 25326
integration of effectance & self efficacy theories into comprehensive theory of competency, implications for therapeutic application, 33397
integration of theory & research on developmental play as basis for process approach to teaching & learning, preschoolers, 31260
interdependence in Piaget's later work of logic of operations as logic of meanings, commentary, 40806
interdependence in Piaget's later work of logic of operations as logic of meanings, 40846
interdependence theory & investment model, commitment & maintenance in personal relationships, 37445
interpretation problems for D. Sperber's & D. Wilson's relevance theory of communication & cognition & attention & inferential processes, 36941
intrahousehold resource allocation, family members, application of household utility vs familial altruism vs family bargaining theory, 37295
investment theory of reliability & construct validity of tasks measuring creativity, 18–65 yr olds, 29463
issues in situativity theory, cognitive activity involving symbols as special case & situativity fundamental to all cognitive activity, commentary, 40099
J. M. Baldwin's theories of social & cognitive growth, 32819
Jung's complex theory of dissociation vs empirical research on multiple personality, retraction, 45397
leader subordinate interaction based on performance maintenance leadership theory, adults in 4 person groups, Japan, 41212
learning vs gestalt vs systems vs organizational vs psychoanalytic vs chaos theories of consultation, 43006
living systems theory to model functional requirements in abstracted system design, 39634
mathematical law of periods of growth in aging process based on geometrical progression, commentary, 32814
mathematical law of periods of growth in aging process based on geometrical progression, 32818
metatheoretical principles as basis of philosophy of science, conference presentation, 43682
modality specific vs unitary views of semantics, multiple semantics & agnosias, commentary reply, 46085
multiplicity in postmodern theory of self, 42 yr old female with multiple personality disorder, 45379
N. Geschwind's contributions to neuroanatomic disconnection theory & research on disconnection syndromes & network theories of brain function, conference presentation, 46036
naturalist vs skeptical scientific theory of consciousness, 44183
neural theory & model of retinocortical dynamics, 35710
neuropsychological analysis of symbolic approach to situated action, cognitive theories & neurological structures & processes, commentary, 40084
neuropsychological analysis of symbolic approach to situated action, meaning of symbol & category error & immediacy of action, commentary reply, 40133
nonlinear theory of dissipative structures & social systems modeling, 25328
nursing & human energy field theories, implications for pregnancy & childbirth, 42665
origin & development & limitations of dopamine hypothesis of schizophrenia, 41572
overview of parallel process theory & relation to parent child dyadic therapy & psychotherapeutic supervision settings, 14 yr old mother & her 3 mo old daughter, 26479
parentification & addictive relationships, application of contextual family therapy theory, 38510
perceptual mislocation of transversal segments & Poggendorff illusion, application of perceptual displacement vector model, 32051
period of egoic regression prior to transpersonal level of spiritual maturity, elderly, India & England, analysis of K. Wilber's & M. Washburn's theories of transcendence, 45071
perspectives on disunity within & between academic & professional psychology, 31783
perspectives on poetry therapy theory & practice, 38658
phases of comprehension process of communicative act, computational theory of cognitive processes in human communication, 47556
Piaget's epistemic subject vs J. Pascual-Leone's metasubject theories of cognitive development, 28943
poststructuralist historicism & psychological constructions of anxiety disorders, 37794
power law of human motor control, 32122
predictive validity of theories of reasoned action vs planned behavior, prediction of exercise intentions & behavior, 18–67 yr old corporate employees, commentary, 35628

predictive validity of theories of reasoned action vs planned behavior, prediction of exercise intentions & behavior, 18–67 yr old corporate employees, commentary reply, 35631
principle of determinism & conception of ideal subjective & objective human being in works of S. L. Rubinshtein, translated article, 35763
program content & involvement, advertising effectiveness, college students, application of cognitive & affective congruity hypothesis, 43547
properties of neural networks & role in theoretical unification of general & clinical psychology through connectionism, 39652
psychological & behavioral & physiological & neurochemical theories & compulsive behavior hypothesis of self injurious behavior, severely or profoundly mentally retarded, 45842
relationship between private events & theoretical terms from radical behaviorist vs teleological perspective, commentary, 27895
relationship between private events & theoretical terms from radical behaviorist vs teleological perspective, commentary reply, 27894
relationship between private events & theoretical terms from radical behaviorist perspective, 27893
relevance of S. M. Kosslyn's research on mental imagery to Freud's theory of dreams, 29482
religion & identity & applicability of continuity theory of aging, African American 56–94 yr olds, 33037
representational framework of perceptual theory, 43922
rhetorical analysis vs empiricism in psychological theory, 23987
role of arbitrary group membership in H. Tajfel & J. Turner's social identity theory & minimal group paradigm, commentary, 41208
role of arbitrary group membership in H. Tajfel & J. Turner's social identity theory & minimal group paradigm, commentary reply, 41226
role theory & I. King's theory of goal attainment, filial role strain, 42 yr old nurse caring for her 70 yr old father with cancer, 27076
self identity & intentional consumer behavior, adults, England, application of planned behavior theory, 27770
situated action theories vs symbol system models of cognition, 40134
social identity theory perspective on in group homogeneity, 37414
socioconstructivist perspective on symbolism in mathematics education, 1st graders, 39190
sociohistorical perspectives on activity theory as applied to organizational processes & analysis of organizational dysfunction in Challenger shuttle catastrophe & normal accidents, 39503
soundness of prototype paradigm assumptions within cognitive science of core meanings referring to basic level, 24008
spatiotemporal contrast sensitivity based theory of early vision, 28207
statistical theory of learning curves under entropic loss criterion in stochastic multilayer neural network, 39637
symbols & parallel mental processes & affordance in situated action theory, issues related to transfer of training & human machine relations & planning & action, commentary reply, 40135
temperament theory framework for nursing research, 30762
theoretical & empirical considerations of social theory of psychiatric phenomena, 38351
theoretical & methodological framework for inferential processes in reading, 44118
theoretical & research implications of D. C. Dennett's "Consciousness Explained", commentary, 32262
theoretical & research implications of D. C. Dennett's "Consciousness Explained", commentary reply, 32259
theoretical approaches to overcome encapsulation of school learning & misconceptions of moon phases, 14–17 yr olds, 31248
theoretical basis & similarity structure analysis of Prosocial Motivation Questionnaire, 10th graders, Germany, 31833
theoretical developments in cognitive psychotherapies, 34421
theoretical framework for analysis of organizational downsizing, 35590
theoretical framework for research on learning processes, students, 39255
theoretical overview of systems perspective on psychological trauma & PTSD, 25876
theories of adolescent pregnancy & childbearing, US, 25201
theories of sentence processing not using empty categories, commentary, 40744
theories of sentence processing not using empty categories, commentary, 40745
theories of sentence processing not using empty categories, commentary reply, 40751
theory & measurement of & research in urban related place identification, 27791
theory based & peer focused drug education course, perception of risks of alcohol & marihuana & cocaine, college students, commentary, 27403
theory of health related care seeking behavior & application to cancer screening & care, 30718
theory of health related care seeking behavior & application to cancer screening & care, erratum, 34832
theory of need for stimulation & motivational mechanisms of exploratory behavior, animals, 36406
theory of reasoned action, prediction of science track choice for college entrance, high school students, Korea, 35412
theory of tone semantics & perceptual meaning in musical context, application to neural networks based pattern recognition, 24342
traditional classroom vs video based anchored instruction, understanding of role of language theory in speech therapy interactions, college students, 39227
type of knowledge resource, perceived similarity of anchor vs comparison jokes, college students, verification of General Theory of Verbal Humor, 40752
usefulness of decision making theory in social work, clients & administrators & social workers, 46819
utility of moonlighting vs patriotism theories, prediction of retention vs turnover intentions, Army Reserve & National Guard officers & enlisted personnel, 47473
utility theory & other normative models vs accuracy in decision making, 28244

What is a concept?, 837

Theory of Evolution—Serials

brain algorithm based neurological positivism & maximum power evolution of brain & mind amid chaos, 7901
C. L. Morgan's Canon as concession to G. J. Romanes' anthropomorphic approach to animal psychology & intentionalist account of evolution, 36298
C. R. Darwin's vs R. A. Fisher's theories of natural & sexual selection, animals, commentary, 36309
C. R. Darwin's vs R. A. Fisher's theories of natural & sexual selection, animals, commentary reply, 36317
conscious attention & implicit learning, evolutionary development of consciousness, commentary, 32255
cooperation persistence during spatial version of Prisoner's Dilemma computer simulated game, implications for biological systems & evolution & altruism, 13444
Darwinian psychology, evolutionary explanations of human rape, 6016
deficits in production of vowels & unnasalized speech & other speech characteristics, genetic isolation & extinction, Neanderthal population, 9056
evolution & adaptive value of emotions, 392
evolution of human intelligence as nervous system's solution to memory requirements vs survival problems, 32208
evolution of language & comparison between gesture-call system, humans vs primates, commentaries, 36938
evolution of language & generativity, 9040
evolution of nonconceptive sexuality, bonobos vs chimpanzees, 40326
evolutionarily difficult justification of queen pheromones & role in control vs signaling, social insects, 40298
evolutionary & developmental stability of snake recognition & defensive behavior & behavioral relic scheme, ground squirrels, commentary, 44276
evolutionary & developmental stability of snake recognition & defensive behavior & behavioral relic scheme, ground squirrels, commentary reply, 44280
evolutionary analogy in & convergence of cognitive & behavioral psychology, 15865
evolutionary based theories of attachment to landscape as culturally determined, 1472
evolutionary biology & feminism & study of social behavior, 5450
evolutionary biology & heritable traits, Orientals vs Whites vs Blacks, conference presentation, 24639

evolutionary biology as integrating paradigm for psychiatry, 9723
evolutionary competition in male ally & mate selection strategies, human & nonhuman female primates, 41175
evolutionary ecological neuropsychiatry model of development & modification of group cortical cognitive functions, near Stone Age populations, 12536
evolutionary ecological neuropsychiatry model of development & modification of group cortical cognitive functions, near Stone Age populations, commentary, 12511
evolutionary genetic theory of psychosis, letter, 5869
evolutionary humanistic interpretation of ethnocentrism & nationalism & "New World Order", 9363
evolutionary nature of unlearned mathematical knowledge, accumulator mechanism in innate knowledge of numerosity & visualization & combinatorial nature of object representations, 36196
evolutionary personality psychology perspective on authoritarianism with themes of dominance & social behavior, 21585
evolutionary perspective on human nature & individual differences, application to psychology of jealousy, 23991
evolutionary perspective on human speech & neurolinguistics vs other semiotic systems & animal communication, 32779
evolutionary perspective on mating strategies, male vs female adults, test of Sexual Strategies Theory, 29295
heterarchical distribution of control of motor system & brain & sensory input, evolution of central pattern generators & locomotion changes, cockroaches & lampreys & cats, conference presentation, 16533
history of recent work on cognitive unconscious & research problems & theoretical framework based on evolutionary biology, 32264
hypoglossal & glassopharyngeal sensory feedback & reticular central pattern generators & surgical transection of selected nerves, evolutionary feeding behavior, frogs, conference presentation, 16568
mobility, evolution of cooperation, animals & humans, 40283
model of evolutionary self construction based on principles of evolution & philosophy of pragmatism, 45270
nervous system evolution & consciousness & understanding of psychology & psychopathology, 45408
ontogenetic & evolutionary perspectives on continuity & discontinuity in psychological evolution & metacognition & mind concepts, 35769
peak flow respiratory performance & control, intellectual performance, children, analysis of evolution of mind, 36969
phylogeny & ontogeny of hierarchical organization in speech & manual object combination & evolution & neural substrates of language & tool use, humans & primates, commentaries with reply, erratum, 8637
primate/arboreal heritage as factor in biased use of English visual terms as metaphors for mental states, humans, 25063
relaxed open mouth & silent bared teeth displays, Barbary macaques, test of J. A. Van Hooff's theory of phylogenetic roots of human smiles & laughter, 4529
research methods & evolutionary origins & functions of & variations in reconciliation in social behavior, primates, 24598
sexual coercion as product of evolutionary psychological adaptation to rape vs side effect of general psychological adaptation, males, commentaries & reply included, 9968
Skinner's views on evolutionary process & models of proximate & ultimate causation in psychology, 11897
strategic design & efficacy & receiver psychology in evolution of animal signals, commentary reply, 12409
strategic design & efficacy & receiver psychology in evolution of animal signals, commentary, 12385
twin & sibling & adoption methods in evolutionary based studies of genetic & environmental influences, 44373

Theory of Evolution—Books

The adapted mind: Evolutionary psychology and the generation of culture, 13413
The adaptive design of the human psyche: Psychoanalysis, evolutionary biology, and the therapeutic process, 17613
Chimpanzee material culture: Implications for human evolution, 28384
The evolution of lateral asymmetries, language, tool use, and intellect, 20606
Evolutionary ecology and human behavior. Foundations of human behavior, 17301
The future of the body: Explorations into the further evolution of human nature, 24512
Sexual strategies: How females choose their mates, 16501
Tools, language and cognition in human evolution, 32283

Theory of Evolution—Chapters

Beneath new culture is old psychology: Gossip and social stratification, 13232
Biology and the origin of values, 36473
A comparative approach to language parallels, 32357
The complementation theory of language and tool use, 32356
Emotions, evolution and aggression: Myths and conjectures, 29473
Environmental preference in a knowledge-seeking, knowledge-using organism, 12267
The evolution of psychodynamic mechanisms, 13601
The evolution of sexual attraction: Evaluative mechanisms in women, 13462
The evolution of social conflict among female primates, 36461
The evolution of vocal communication, 529
Evolved responses to landscapes, 13238
Higher intelligence, propositional language, and culture as adaptations for planning, 32192
Human language development and object manipulation: Their relation in ontogeny and its possible relevance for phylogenetic questions, 32923
Human maternal vocalizations to infants as biologically relevant signals: An evolutionary perspective, 12971
Impact of the theories of Carl Rogers and Teilhard de Chardin in Mexico, 13189
The man who mistook his wife for a chattel, 13472
Natural language and natural selection, 12973
Obtaining knowledge of the subjective brain ("epistemics"), 611
On the evolution of three mentalities, 20633
The perceptual organization of colors: An adaptation to regularities of the terrestrial world?, 12183
Pregnancy sickness as adaptation: A deterrent to maternal ingestion of teratogens, 12674
Psychoanalysis as a Darwinian depth psychology: Evolutionary biology and the classical–relational dialectic in psychoanalytic theory, 9693
Psychology and evolutionary biology, 8601
Sex differences and aggression: The role of differential socialization and sex stereotypes, 21276
Sex differences in spatial abilities: Evolutionary theory and data, 12184
The social nature of play fighting and play chasing: Mechanisms and strategies underlying cooperation and compromise, 13457
The sociobiology of behavioural sex differences: I. The evolutionary rationale behind the 'battle of the sexes', 20481
Timing and the shape of development, 32286
Tools and language in human evolution, 32913

Theory Verification—Serials

age, development of word definitions, 5–12 yr olds, test of L. Vygotsky's theory of cultural development of higher psychological functions, translated article, 37043
appropriateness & validity of status envy hypothesis of male sex identity acquisition, 5448
attitude similarity & attraction, college students, test of similarity-attraction vs dissimilarity-repulsion hypotheses, 13447
criterion of ideological justification & methodological demand & africentric conception of sciences, 7913
cultural values, counterfactual linguistic reasoning, native male Arabic speakers, test of A. H. Bloom's theory, 820
epidemiology, urban 12–19 yr olds with syphilis, test of theory of substance abuse as risk factor, 10209
ESP guessing experiments data in test of psi-missing displacement effect hypothesis, 8427

evolutionary perspective on mating strategies, male vs female adults, test of Sexual Strategies Theory, 29295
goal free vs conventional geometry problems, problem solving, 7th graders, Australia, test of stage effect hypothesis, 47214
low self control & criminal opportunity as cause of crime, adults, test of M. R. Gottfredson & T. Hirschi's general theory of crime, 26028
low self control & criminal opportunity as cause of crime, adults, test of M. R. Gottfredson & T. Hirschi's general theory of crime, commentary, 26029
mediating psychological states in job characteristics & design, lower level managers, test of J. R. Hackman's & G. R. Oldham's Job Characteristics Model, 19723
modification & development & validity of critical referents theory, structure of attitudes to social category 'woman', college students, 13357
morphological deficits, English- vs Italian-speaking 2.5–6 yr olds with specific language impairment, test of missing feature hypothesis, 10194
public beliefs about causes of homelessness, 18 yr olds & older, test of dominant ideology vs public arenas theory hypotheses, 13246
recall of trait adjectives vs nouns descriptive of self vs objects in own house, college students, test of congruent information vs trait superiority hypotheses, 4367
recent research in cretinism, confirmation of J. Wagner-Jauregg's theory of cretinism as malfunction of thyroid, 18254
self control, DUI, male vs female drivers, Canada, test of M. R. Gottfredson & T. Hirschi's general theory of crime, 25991
sex roles & employment & marital status, sex differences in use of health services, college students, test of sick vs nurturant role vs fixed role obligations vs symptom reporting hypotheses, 7053
situational occurrences theory of job satisfaction, employed college students, theory verification, 7657
teaching methods of tactual stimulation & gross motor movement exercises, cognitive learning, college students, test of M. Montessori's muscular movement theory, 23481
test of A. R. Sheldrake's morphic resonance based theory of formative causation, 17–19 vs 22–40 yr olds, 45173
theoretical & factor analysis of Charles F. Kettering Ltd School Climate Profile, elementary & junior high & high school students & administrators & teachers & staff, 12065
transitional vs concrete vs formal operational reasoning, responses to logic tasks, college students, test of multiple hypothesis theory of testing of formal reasoning, educational implications, 24408
use of prediction to test political theories, application to presidency, 13324

Therapeutic Abortion [See Induced Abortion]

Therapeutic Camps—Serials

improvements following asthma camp experience, 10–13 yr olds, 3 yr study, 42652
perceived appropriateness of camp remembrance programs for deceased campers, camp directors vs counselors vs children with cancer vs their parents & siblings, 34699
project CORE boot camp program, moral development, 1st time nonviolent convicted offenders, 42994

Therapeutic Community—Serials

Associative Group Analysis, assessment of attitudinal change related to drug abuse, former drug users in therapeutic community, 15133
changes & issues in therapeutic community treatment for substance abuse, 35007
client perceptions & retention in therapeutic community, Black vs Hispanic vs White drug abusing clients, 39005
cognitive behavioral approach, retention rate for therapeutic community treatment, drug abusing 19–27 yr olds & older, 27134
comparison of roles, mothers vs therapists, implications for therapeutic community, 42202
culture of enquiry & structure in therapeutic community, adults with personality disorders, 42883
developmental issues & group therapy & therapeutic community model, deaf children, 38680
drinking & drug use patterns & related problems, clients in methadone maintenance vs therapeutic community vs county jail substance abuse programs, 35020
drug use & psychosocial history & cognitive impairment, compliance & length of stay in therapeutic community, drug abusing 17–50 yr olds, 35014
external consultancy, development of professional competence & educated intuition, therapeutic community staff, 43023
federally funded major drug treatment modalities & methadone maintenance & drug free outpatient programs & residential therapeutic communities, research review, 46916
fixed & dynamic factors, prediction of retention in therapeutic community, drug abusing under 19 to over 26 yr olds, 35008
frequency of premature departure from therapeutic community, adult residents, England, 42860
group analytic training as pendulum between psychoanalysis & therapeutic community, 47047
group psychotherapy, acute psychiatric patients in therapeutic community, 1977–90, Finland, 26596
history of & consultant H. Bourne's contributions to Conolly Psychotherapeutic Community, adults with personality disorders, 1973–89, England, 42867
legal issues in threat of physical destruction to therapeutic community, conference presentation, 43623
maximum security therapeutic community program, recidivism, psychopathic vs nonpsychopathic mentally disordered offenders, 3140
models of external consultancy, therapeutic community staff, 43024
perspectives on self perception & ongoing supervision, psychiatric residential treatment center staff, 43037
program design & identification with goals of therapeutic community, disturbed adolescents in residential treatment, 30918
sex roles, geriatric residents in modified therapeutic community, Finland, 38926
sexual feelings & aggression & professional relationships & treatment process, therapeutic community staff, 43099
structures & procedures for prevention of child abuse in therapeutic communities, adolescents & children & staff in residential care, 30919
therapeutic community, prevention of sadistic murder & violent rape, potentially violent male 10–15 yr olds, 27189
therapeutic community treatment, neurotic symptomatology, personality disordered patients, 6 mo followup, 30907
World Health Organization's guidelines for audits in therapeutic communities, 42875

Therapeutic Community—Chapters

The Clustered Apartment Project: A conceptually coherent supported housing model, 27065
Family therapy and the therapeutic community: The chemically dependent adolescent, 15168
The residential community as a therapeutic environment, 34938
Residential community correctional programs, 15209
The therapeutic community as a treatment modality and the role of the professional consultant: Spotlight on Damon House, 15165

Therapeutic Devices (Medical) [See Medical Therapeutic Devices]

Therapeutic Outcomes [See Treatment Outcomes]

Therapeutic Processes [See Also Psychotherapeutic Processes] —Serials

activities with & referrals to patients with mental health problems, general practitioners, Denmark, implications for development of community mental health centers, 19010
activity & setting & sex & age & mild dementia & duration of institutionalization, need for supervision of behavior, 59–99 yr old care home residents, music therapy implications, 19118
adultcentric bias, assessment of & intervention with children, child practitioners, 11298
age & sex & education & previous psychotherapy, knowledge & perceptions of & reasons for consulting, physicians vs psychologists vs clergy vs other mental health professionals, adults, 46770

American vs traditional Jewish law perspectives on therapeutic use of deception vs full disclosure, physicians, 10963
artistic & compassionate role in hospice care & death transition for family members, physicians, 30886
assessment of & factors in pain detection, communicative & noncommunicative 65 yr old & older nursing home residents & their physicians, 42853
attitudes toward & experiences with dying patients, physicians, 31158
attitudes toward & sexual contact with client during & after professional relationship, 23–73 yr old male counselors, 27325
attitudes toward advance directives & related discussions with physicians, patients visiting family physician's office, 22991
attitudes toward placebo treatment & paternalism vs respect for professional or patient autonomy, patients vs physicians, Sweden, 34561
autognosis countertransference rounds, clinical care & practice, medical house staff, 27262
beliefs about health & death & relationship with physician, Hispanic patients, health care implications, 46148
capability in meeting psychosocial needs of cancer patients, 20–57 yr old nurses, Finland, 27005
care situation & client & caregiver characteristics, caregiver behavior, institutionalized cognitively impaired 69–97 yr olds & their nurse caregivers, 42844
characteristics & processes & effectiveness of community support groups, literature review, 14768
characteristics of child health services interaction, 20–60 yr old mothers & public health nurses, Finland, 34847
characteristics of pediatric vs general hospitals & psychosocial services programing & policy, hospital directors of pediatric nursing, US vs Canada, 42879
class & education & race & ethnicity & power between patients & staff, cultural illiteracy & language communication in mental hospital, 23157
clinical content & temporal patterns & utterance form & interviewing & history taking in telephone management of gastroenteritis, family practice residents, 27246
cognitive & psychomotor & communication & affective skills & knowledge required for entry level practice, optometrists, conference presentation, 19405
communication & perception of patient's cues, diagnosis of tachycardia & fear of HIV infection with actress patients, general practitioners, 38790
communication skills training, interviewing & consultation skills & techniques & patient satisfaction, medical students, 3172
communications skills during simulated patient interview, 1st vs final year medical students, England, 23353
competency based approach to cognitive therapy, 6569
components of & programs for partnership of empowerment & advocacy involving medical team & family & peer organizations, cancer patients, 18856
concept of knowing patient, clinical judgments & reasoning & knowledge during ventilator weaning, nurses treating adult patients, 30633
concepts & techniques for communication & collaboration with parents of disabled children, health care professionals, 42688
content analysis of positive & negative critical incidents in health care experiences, hospital & health care service patients, 42707
conversational analysis of interpersonal & medical frame shifts during gynecologic exam, nurse practitioner & patients, 2775
conversational openers & topics & responsivity, institutionalized mentally retarded 12.3–21.4 yr olds & staff, 42876
correlates of liking for 70 yr old & older patients, HMO internists, 27290
cross cultural issues & educational tools in & delivery guidelines for occupational therapy, immigrant clients, Netherlands, 3125
cultural & community factors, barriers to interaction with child protection agencies, Native American parents, 7096
definition of psychological kinship & its role in therapeutic relationships, 10440
degree of & factors in practitioner family collaboration, social workers & family members of psychiatric inpatients, 27031
dentist implemented contingent escape, disruptive behavior, dentists & their 3–7 yr old patients, 14797
development & acceptance & underlying psychological principles of 1988 Charter for Children in Hospitals guidelines for care, Europe, 27309
development & implementation & practice of nursing care partnerships at Denver Nursing Project in Human Caring, nurse-client relationships preserving dignity & humanity, clients with HIV & AIDS, 23020
development of multifaceted scales, assessment of therapeutic problem solving skills, caregivers of institutionalized severely mentally retarded, 39898
development of Patient Reactions Assessment, measurement of perceived quality of provider informative & affective behaviors & illness communication ease, cancer patients, 4056
development of questionnaire, assessment of frustration with patient communication, physicians, 35949
differences & similarities & commonalities in reminiscence vs life review nursing interventions, elderly & other patients, 34827
doctor-patient relations, male vs female physicians, 19029
dogmatism, gullibility in therapeutic process, counselors in training, 3242
educational unit to teach psychosocial skills in informed consent process, 1st yr medical students in college of osteopathic medicine, 15252
empathy & respect & shared information in therapeutic process, trust development, 19–79 yr old Black patients in natural health care setting & their napropaths or chiropractors, 10951
empathy vs detachment in management of patients with Parkinson's disease, general practitioners, 14839
ethical reasoning & experience with & attitudes toward feeding dementia patients, 32–52 yr old registered nurses, Sweden, 27315
ethics & responsibility in & models of therapeutic relationship, clients & caregivers, conference presentation, 42710
evaluation of self management program, interaction with mentally retarded clients, 21–32 yr old vocational rehabilitation staff, 46956
exploratory vs nonexploratory responses to problematic patient situations, staff vs head nurses, 10849
expressed emotion attitudes toward patients, behavioral characteristics of staff patient interactions, community facility staff members & 23–76 yr old mentally ill patients, England, 30839
expressed emotion in relationships & staff stress & coping & job satisfaction, long term residential care staff & 22–76 yr old mentally ill patients, England, 30913
factors affecting bicycle helmet preventive counseling, pediatricians, 38828
factors contributing to maintenance of continuous care relationship with family physician, 35 yr old & older patients, 46601
feminist views on & model of caring relationships in child & youth care, 20–49 yr old students in child & youth care field, 35213
gerontological & geriatric curriculum, knowledge & attitudes toward elderly & interview skill behavior, 3rd yr medical students, 47023
goals for & attitudes toward hospice & palliative care & death of terminally ill patient, physicians, 31171
health & illness behavior & patient doctor relationship as products of culture & social structure, 6857
health attitudes & cross cultural communication & metaphorical representation of disease as cultural & social change, Navajo Dine with diabetes mellitus & their non-Native health care providers, 2800
health beliefs & cultural influence in occupational therapy assessment & communication, Hmong children & their families & therapy teams, erratum, 15180
health beliefs & cultural influence in occupational therapy assessment & communication, Hmong children & their families & therapy teams, 3126

helping dimensions & communication with clients & other aspects of clinical competence, occupational therapy students, Australia, 23366
holistic approach to self healing & repair abilities in psychosomatic medicine, 20 yr old male with Hodgkin's disease, conference presentation, 22864
human values discussion group program, medical students in 3rd yr of clinical clerkship, 3179
illness behavior & physician patient relationship & medical care, Asia vs US, 30653
images of interethnic relations & culturalization of ethnic patient in educational films, health care personnel, Netherlands, 27239
importance of attention to nonverbal communication & sexuality of dying patients, nurses, 31075
increased doctor patient contact, frequency of violent episodes, chronic psychiatric inpatients, 1 yr study, 42862
infant fetishism & physical abuse & perversion of client physician relationship, mothers with Munchausen syndrome by proxy, 13899
interaction & service provision to disabled African Americans, rehabilitation counselors & human service professionals, 3039
interaction in locked psychiatric unit, Arab nurses & Jewish psychotic patients, Israel, 19150
interaction with special health service residential unit staff, 16–38 yr olds with profound intellectual disability, England, 34920
interactive processes with nurses & behavior, institutionalized elderly with Alzheimer's disease, 23101
interdisciplinary teaching session, role of folk & popular health belief systems in patient care, sophomore medical students, 15267
invitation to participate in behavior change treatment decisions, perceived control of health & treatment choice, 16–69 yr olds in cardiovascular risk management clinic, Australia, 6873

target's appraisal of own emotions vs actual facial expression, conscious judgments vs emotional contagion in assessment of other's emotional states, college students, implications for therapists, 2449
training & professional development, therapists in managed care settings, 31114
training model for clarification & management of clients' & therapists' values in counseling, psychology trainees & therapists, conference presentation, 15272
Therapists [See Also Related Terms]—Books
The evolving professional self: Stages and themes in therapist and counselor development. Wiley series in psychotherapy and counselling, 11263
Therapy [See Treatment]
Therapy (Drug) [See Drug Therapy]
Thermal Acclimatization—Serials
activity level & thermal environment, thermoregulation, bigeye tuna, 12649
ambient temperature, norepinephrine induced oxygen consumption & metabolism, cold acclimated vs nonacclimated male rats, 21056
functional plasticity of CNS & heat stress tolerance, 9 wk old male rats reared in warm vs hot temperatures, 4618
perception of temperature elevation in seasonal heat adaptation, unclothed adult males, 12134
Thermoregulation (Body)—Serials
activity level & thermal environment, thermoregulation, bigeye tuna, 12649
altitude & basking behavior adjustment, heat exchange rate, Iberian rock lizards, 20412
brief intermittent aggression induced social stress, autonomic circadian rhythms & cardiovascular & thermoregulatory & motor & other behavioral responses, male rats, 40480
burrowing & huddling, metabolic rate & thermoregulation, newborn porcupines, 12645
buspirone induced antinociception & thermoregulatory response, male rats, 12782
capsaicin in late meal, oxygen consumption & temperature & sleep wake cycle, adult males, Australia, 16768
cold challenge, ultrasonic vocalization & body temperature, isolated Arvicola terrestris vs Clethrionomys glareolus vs Microtus agrestis vole pups, 24789
cold exposure, aggressive behavior & testosterone & glucocorticoids & thermoregulation, BALB/cLac vs C57BL/6J male mice, 36636
cold stress, behavioral thermoregulation capability as indicated by increased core temperature in operant conditioning paradigm, lean vs obese rats, animal model of thermogenesis in obesity, 40342
devocalization by elimination of laryngeal braking & prevention of ultrasound vocalization, brown adipose tissue thermogenesis & recovery from hypothermia & isolation induced cooling rate, rat pups, 32515
electrical stimulation of ventromedial hypothalamus, central control of brown adipose tissue thermogenesis, male rats, 32407
features & etiology of cold hands & feet, emotionally abused or neglected infants & children, 1817
heat & host relocation in desert nesting area, parasitoid larvae & host thermoregulation & survival, female wasps, 20464
inoculation with mouse adapted influenza virus vs food deprivation, body temperature & behavioral thermoregulation, male mice, 24801
maternal vs hand rearing, motoric activity & core body temperature rhythms, infant rhesus monkeys, 8778
physostigmine & ambient temperature, endurance & thermoregulation during running exercise, male rats, 28742
prenatal ethanol, thermoregulation, neonatal offspring of long vs short sleep mice, animal model of alcohol related birth defects, 4801
removal from nest & isolation at room temperature & body size & weight & fur growth, heat loss & development of homeothermy, 2–30 day old C3H mice, 40474
selective breeding, ethanol induced thermoregulation, HOT vs COLD male mice, 32365
self induced posthypnotic suggestion, thermogenic responses to immersion in cool water, adult males, 662
Thermoregulation (Body)—Chapters
Thermoregulation and control of the ultradian wake–sleep cycle, 16675
Theta Rhythm—Serials
auditory stimulus, individual differences in auditory EP N1 amplitude & EEG theta rhythm, college students, 32481
detomidine vs xylocaine in hippocampus vs median raphe nucleus vs locus ceruleus, hippocampal movement or immobility theta activity, male rats, 32696
deviations in absolute EEG delta & theta & fast frequency band power & topographic spread, elderly with early onset Alzheimer's disease, Germany, 30240
fluvoxamine or fluoxetine or clomipramine, subtyping by treatment response characterized by relative power in alpha vs theta in EEG recordings, adult obsessive compulsive patients, 46503
left vs right temporal lobe alpha & theta rhythm activity, hemisphericity & temporal lobe signs & sensed presence & mystical experience, 18–35 yr olds, 28589
transmission of galanin fragments in medial septal area, hippocampal theta & choice accuracy in working memory task, male rats, 4582
Thinking [See Also Abstraction, Divergent Thinking, Inductive Deductive Reasoning, Inference, Logical Thinking, Reasoning]—Serials
ability grouping, construct validity & reliability of total & section scores on Cornell Critical Thinking Test-Level Z, college students, 4008
absolutist thinking style, emotional problems & disorders & psychotherapeutic processes, clients, 2460
academic achievement & critical thinking skills, misconceptions about psychology, college students, 15477
application of cognitive psychology to training in literacy & critical thinking & pedagogy & sense of selfhood, youth, Latin America, 28869
broadened ontology of constituents of good thinking & role in learning & teaching, 39147
Cognitive Acceleration through Science Education Curriculum, formal operational thinking, middle & high school students, 19493
cognitive training, intellectual & creative thinking, preschool students, India, 15394
common sense & familiarity & challenge in teaching thinking skills, teachers, 23505
concrete or literal vs abstract thinking assessed with Draw-a-Person technique, schizophrenic inpatients & college students, 21802
cortical mechanisms & topography of intracortical interaction EEG foci in imaginative & verbal abstract thinking, adults, analysis of objective & subjective consciousness, 44481
counterfactual thinking & hindsight bias & attribution theory as cognitive processes underlying reactions to traumatic events, 36195
critical thinking & logicism & imagining, 8331
critical thinking skills & vocabulary & cognitive ability, reading comprehension, underachieving college students, 27491
development of diachronic thinking, 8–11 yr olds, Switzerland, 9174
development of language & thought & specificity hypothesis, infants, 37033
developmental changes in intuitive thinking, kindergartners vs 2nd vs 4th vs 6th graders, Korea, 37021
dispositional theory of thinking, 20281

distinction between thought & language, normal adults & aphasic female 58 yr old, 312
ergonomic analysis of work activity & need for innovative thinking, 19–45 yr old female data entry clerks, 3663
failure of arguments against pocket calculator as thinking thing, 31705
free vs sort resort as measure of categorical vs dimensional thinking, attributions for causes of success vs failure, college students, erratum, 13473
history of perspectives & research on social cognition, 13481
immersion approach to critical thinking & discussion in psychology instruction, students, 43202
instructional program with problem solving schema, critical thinking & decision making, learning disabled high school students, 35463
instructions to suppress thoughts of story with vs without distraction, delayed rebound vs immediate enhancement effect in thought recurrence, college students, replication, 24399
instrumental vs experiential orientation & formistic vs dialectical thinking, identity achievement & foreclosure in identity development, 22–40 yr olds, 13545
irrational thinking, 18–40 yr old slot machine vs video poker vs amusement game players, Australia, 7721
issues in scientific thinking & argument, implications for science education, 43207
joint puzzle solving task, words spoken & maternal utterances used to direct child's physical activity, mothers & their 23–27 mo olds, implications for development of thinking, translated article, 36981
learning skill of finding assumptions in critical thinking, freshmen vs senior college students, 19526
mathematical thinking & language acquisition, young children, implications for mathematics teaching, 27409
methodology for use of verbal reports of thinking in construction & validity of multiple choice tests of critical thinking, 11943
microwriting exercises, critical thinking in art appreciation, college students in introductory art course, 7434
online vs traditional studying, written argumentation & scientific thinking skills & learning outcomes, college students, Finland, 23499
ontogenesis of epistemic thinking & theory of mind & knowing, young children, 13058
partner competence & rule for predicting movement of mathematical balance beam, Vygotskian analysis of thinking & peer collaboration in agreement on task, 5–9 yr olds, 13151
philosophical instruction program & reflective educational practice, moral & social development & thinking, primary & secondary students & teachers, Canada, 39223
preclinical medical school course examinations & critical thinking skills, medical students, 43062
psychoanalytic perspective on schizoid thinking & psychoanalytic psychotherapy, psychotic clients, 18685
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47161
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47166
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary reply, 47157
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47152
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47173
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47188
rationale for teaching actively open minded thinking for comprehension of expert knowledge, 47156
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47159
rationale for teaching actively open minded thinking for comprehension of expert knowledge, commentary, 47182
reader response prompts, writing & critical thinking about literature & transactions with text, 4th graders, 3350
reintroduction of traditional partition of cognition into sensation & perception & thought, commentary, 16272
restructured organization in social studies department, classroom thoughtfulness, secondary school students, 31228
role of informal vs scientific reasoning in critical thinking, adults, 20266
scores on Constructive Thinking Inventory, detection of proofreading errors, college students, implications for test validity, 35868
self esteem, additive vs subtractive counterfactual thoughts in response to self relevant success vs failure outcomes, college students, Canada, 41329
skill related thoughts during tennis instruction, forehand ground stroke performance, 4th graders, 7419
sociocultural information in problem solving & development of spatial thinking in everyday activity, 32872
success of arguments against pocket calculator as thinking thing based on definition of thinking in maximal sense, commentary, 31707
success of arguments against pocket calculator as thinking thing based on definition of thinking in maximal sense, commentary reply, 31706
techniques for production of reflection on nontraditional processes, implications for teacher education, 47129
theoretical framework of critical thinking & cognitive organization & action & metacognition in physical education, 11408
think aloud self report instructions, strategies & performance in decision making, young vs older adults, 40822
thinking & language & intentional action, organization of emotional experience, 401
thinking aloud, problem solving, normally achieving vs learning disabled vs developmentally disabled 5th graders & normal vs learning disabled college students, 2007
trends in thinking, research review, 40103
understanding of thinking & consciousness, 3–4 vs 6–7 yr olds, 37029
use of humanized computer program incorporating features of human mediation with vs without adult mediation, analogical thinking, kindergartners, 23494
word referent differentiation, development of conscious awareness in thinking, 10–11 yr olds, Estonia, translated article, 37064

Thinking [See Also Abstraction, Divergent Thinking, Inductive Deductive Reasoning, Inference, Logical Thinking, Reasoning]—Books

Children's thinking (2nd ed.), 40863
Creative cognition: Theory, research, and applications, 16307
Creative thinking: Problem-solving skills and the arts orientation. Creativity research, 21151
Creativity and divergent thinking: A task-specific approach, 33344
Evaluating psychological information: Sharpening your critical thinking skills, 12263
Protocol analysis: Verbal reports as data (rev. ed.), 40142

Thinking [See Also Abstraction, Divergent Thinking, Inductive Deductive Reasoning, Inference, Logical Thinking, Reasoning]—Chapters

Cognitive psychology and the use of protocols in the understanding of giftedness and high level thinking, 39386
The development of a diachronic perspective in children, 17115
Improving reading and thinking: From teaching or not teaching skills to interactive interventions, 3408
Lies that fail, 37458
More than meets the eye, 2369
Thought, memory, and learning: Effects of emotional stress, 32561
The topography of invention, 24451
Use of complex thought and resolving intragroup conflicts: A means to conscious adult development in the workplace, 23790
Variant views about good thinking during composing: Focus on revision, 339

Thiopental—Serials

diazepam vs thiopental, vestibular ocular reflex gain & time constant, 22–38 yr olds, 28761
midazolam vs thiopental vs somatostatin, chronic ethanol vs ethanol withdrawal induced striatal dopamine & DOPAC & HVA & turnover ratio, male rats, 16778

thiopental &/vs etomidate anesthesia, ECT seizure duration, 19–85 yr old depressed inpatients, 38600
Thioridazine—Serials
chlorpromazine vs thioridazine, discrimination learning, 10.9–14.8 yr olds with moderate mental retardation, 30443
des-enkaphalin-gamma-endorphin vs thioridazine, schizophrenic 20–64 yr olds, 10704
thioridazine &/vs visual screening, stereotypy & social behavior, profoundly mentally retarded 12–14 yr olds, 46149
thioridazine withdrawal, prolactin level, female 65 yr olds & older with senile dementia of Alzheimer's type, Scotland, 18907
Thiothixene—Serials
thiothixene, negative symptoms, chronic schizophrenic 31–60 yr olds, 2670
Third World Countries [See Developing Countries]
Thirst—Serials
behavioral procedures, adipsia, child with hypothalamic injury, 16 mo followup, 2764
naloxone or naltrexone, water intake & thirst, thermally dehydrated male rats, 20802
pergolide vs diethyldithiocarbomate vs phenoxybenzamine vs isoproterenol &/vs pimozide, thirst regulation, water deprived male rats, 44752
Thoracic Nerves [See Spinal Nerves]
Thorax—Serials
length & intensity of utterance & respiratory phase, prephonatory chest wall movements at voice initiation in RT task, 20–31 yr olds, 12656
prevalence of chest pain & related medical utilization, patients with generalized anxiety disorder, 21857
validity of panic disorder diagnosis, adults & elderly with chest pain & angiographically normal coronary arteries, 18181
Thorazine [See Chlorpromazine]
Thought Content [See Cognitions]
Thought Control [See Brainwashing]
Thought Disturbances [See Also Amnesia, Confabulation, Delusions, Fantasies (Thought Disturbances), Fugue Reaction, Memory Disorders, Obsessions, Perseveration]—Serials
auditory EPs & clinical state & symptoms, schizophrenic patients with vs without formal thought disorders, 5 yr followup, 25826
chronic self focused attention, stress reactions & risk for affective & cognitive dysfunction, college students, 1603
conceptual disorganization & all or nothing thinking & other cognitive variables, prediction of suicide, hospitalized psychiatric patients, 33760
EP P300 amplitude & loosening of associations assessed by object sorting test, adults with vs without schizophrenic thought disorder & attentional impairment, 29695
factorial structure of language dysfunction & thought disorders, schizophrenic male adults, 33633
formal thought disorder, children with complex partial seizure disorder or schizophrenia, 13609
formal thought processes & communication skills before vs after temporal lobectomy, epileptic 5.7–16.7 yr olds with intractable complex partial seizures, 38699
intensity of depressive mood & patterns of depressotypic cognition, conjugal bereavement depression, adults, 17761
issues in characterization of nonsense speech as glossolalia or speech or thought disorder, schizophrenic patients, commentary, 37725
issues in characterization of nonsense speech as glossolalia or speech or thought disorder, schizophrenic patients, commentary, 37742
issues in characterization of nonsense speech as glossolalia or speech or thought disorder, schizophrenic patients, 37753
left temporal lobe abnormalities & thought disorder, schizophrenic 20–55 yr old males, commentary with reply included, 25836
left temporal lobe abnormalities & thought disorder, 20–55 yr old males with schizophrenia, 9879
prevalence of allusive thinking, parents of schizophrenic offspring, meta analysis, 37729
processing load & negative vs positive thought disorder, visual selective attention performance, patients with schizophrenia vs manic type bipolar disorder, 33549
schizotypal thinking & idiosyncratic spiritual philosophy, occult members, England, 5330
self reported vs interview rated negative mood, prediction of thought disturbance, medicated schizophrenic patients, 6 mo followup, 15952
short form vs standard administration of Rorschach Test, assessment of total thought disorder, psychiatric patients, 24111
stressful life events, dysfunctional thinking, adults with vs without vulnerability to depression, 1683
thought disorder & demographics, prediction of relapse, 19–32 yr old mania patients, 17770
verbal behavioral manifestations of social alienation & disorganized thinking, cerebral glucose metabolism, healthy males, implications for schizophrenia, 8635
Threat—Serials
anxiety & positive vs negative mood, threat vs neutral spelling & usage interpretations of ambiguous homophones, 18–25 yr olds, 41327
attention to physical vs social threat vs positive emotional word in dual task, cued recognition & short term memory, patients with panic disorder, 5926
attention to physical vs social threat vs positive emotional word in dual task, cued recognition & short term memory, patients with panic disorder, erratum, 25854
centralized vs decentralized communication structure & speed vs accuracy performance set & threat, group decision time & quality, college students, 29355
damage to home & family presence during hurricane, psychological distress & perceived threat after Hurricane Hugo, nurses, 1 & 4 mo & 1 yr followups, 3258
defensiveness, anticipatory vs aftermath subjective & physiological responses to threat & stress appraisal, male college students, 12680
escalating predatory threat, defensive response behavior, garter vs ribbon snakes, analysis of stable sequence of response models, 24564
experience of verbal vs sexual vs physical abuse vs threat of physical harm by physician, 26–71 yr old female nurses, 11274
group power & perceived threat to social identity vs valued resources, ethnocentrism, college students, Canada, 13430
interpretation of threat in ambiguous sentences, college students with high vs low trait anxiety, 29438
left vs right field presentation of emotionally threatening vs nonthreatening words, opposite hemispheric attentional bias & visual field performance, male 18–27 yr olds, Netherlands, 8680
partner affiliation & coactor role, anxiety due to threatening stimulus, 18–20 yr olds, Japan, 13451
perceived threat & anxiety vs confidence vs efficacy responses prior to competition, female volleyball players, 27745
perceived threat & control, peace activism participation, adults, Canada, implications for nuclear disarmament education & mobilization, 29137
perception of loomingness of spiders & other dangers vs fear vs anxiety vs depression vs threat cognitions, 17–36 yr olds with high vs low fear of spiders, 21884
performance on stimulus equivalence training with matching to threatening situations & nonsense syllables & pleasant state adjectives, 18–34 yr olds with vs without anxiety, 29731
relevance of health threat, processing mechanisms in & defense conclusions about health messages, female college students, 16275
selective attention to & color naming time for separated vs co-occurring color vs neutral vs threatening words, college students with high vs low trait anxiety, 40199
selective attention to physical threat stimuli, patients with panic disorder, Canada, 21852
self esteem & ego threat, self regulation & achievement, male 18–28 yr olds, 21528
self esteem & induced mood & naturalistic threat, affect & self evaluation & expected success in response to upward vs downward social comparison, college students, 33258

sex & brain hemisphere stimulation & threat manipulation, response bias on perceptual ESP test & defensiveness, college students, Netherlands, 4423
threat & authoritarianism, White adults, South Africa, 17542
threat of armed attack & religious beliefs, primitive societies, 29169
threat vs challenge appraisal of upcoming active & passive coping stress tasks, subjective & physiological responses & task performance, 17–32 yr olds, 44556
threat vs positive vs neutral stimuli, RT in lexical vs category decision task, patients with panic disorder vs social phobia, 5932
threatening subliminal stimulus, response bias on perceptual ESP test, adults, replication, 40224
unfamiliar or potentially threatening stimuli, individual differences in maternal protectiveness & approach avoidance behavior, vervet monkeys, 40284
validity of Threat Index, use of same adjective poles to describe self & death, college students vs HIV seropositive clients, 11976
world mindedness & perceived nuclear threat & antinuclear activism, college students, 1984–86, Australia vs England vs Greece vs India vs Mexico vs Nigeria vs South Africa vs Sweden vs Taiwan vs US, 1180

Threat—Chapters

Attention and memory for threat in anxiety, 33371
Control, social referencing, and the infant's appraisal of threat, 45010
Coping dispositions, attentional direction, and anxiety states, 33365
Coping dispositions, uncertainty and emotional arousal, 29471
Measuring personal meanings of death: 20 years of research using the Threat Index, 20012

Threshold Determination—Serials

detection thresholds obtained from modified Pascoe vs conventional audiometric psychophysical procedures for defining auditory areas, 12–19 yr olds with severe/profound hearing loss, 10431
lesion isolating brain stem reticular formation, threshold measurement of cortical electrical stimulation & EEG activation reaction, cats, translated article, 8645
methods for defining upper limits of acoustic reflex threshold, clinical applicability & false positive rate, 10–79 yr olds with cochlear &/or peripheral vestibular pathology, 26367
right vs left ear pure tone hearing thresholds, 17–92 yr olds, methodological implications, commentary, 273

Threshold Determination—Chapters

Some reflections on psychophysical measurement with dyslexic children, 41852

Thresholds [See Also Auditory Thresholds, Critical Flicker Fusion Threshold, Dark Adaptation, Olfactory Thresholds, Pain Thresholds, Sensory Adaptation, Vibrotactile Thresholds, Visual Thresholds]—Serials

audiometric pattern & stimulus presentation level, difference limen for frequency, adults with cochlear impairment, India, 22433
aversive stimulation, spinal motor reflex & vocalization threshold UCRs support of avoidance conditioning, female rats, test of epicritic sensory & protopathic emotive system interrelation, 40236
chronicity & dosage & injection spacing of cocaine, euphoria & dysphoria assessed by brain self stimulation thresholds, male rats, 4794
differential thresholds for forearm movement, 25–54 yr olds, 16129
ECT alteration of seizure threshold, depressed patients, 34601
electrical stimulation detection thresholds & pain tolerance, male 15–42 yr old psychopathic vs nonpsychopathic inmates, 37981
global ischemia stress, thresholds of induction of heat shock protein & cognate protein 70 messenger RNAs in brain, male gerbils, 28638
preference threshold & preference maximum concentration for & intake of sodium chloride solution, male Sprague Dawley vs Long Evans rats, 8590
previous synaptic activity, threshold induction of long term depression & potentiation in hippocampal slices, male rats, 40455
threshold theory for acquired brain injury incorporating concept of brain reserve capacity as explanation of differences in symptom onset or neuropsychological test performance, literature review, 42096
threshold vs suprathreshold unilateral vs bilateral ECT, hemispatial neglect, depressed patients, 2700

Thresholds [See Also Auditory Thresholds, Critical Flicker Fusion Threshold, Dark Adaptation, Olfactory Thresholds, Pain Thresholds, Sensory Adaptation, Vibrotactile Thresholds, Visual Thresholds]—Chapters

Implicit perception, 4239

Thromboses—Serials

eye movement during text reading, 56 yr old male with right basal ganglia infarction & left sided visual hemineglect, case report, 6372

Thymoleptic Drugs [See Tranquilizing Drugs]

Thyroid Disorders [See Also Hyperthyroidism, Hypothyroidism]—Serials

chronic lithium treatment, thyroid abnormalities, Chinese 17–57 yr olds, Hong Kong, implications for ethnic differences in lithium side effects, 18751
incidence of attention deficit hyperactivity disorder, children through adults with family history of generalized resistance to thyroid hormone, 33921
lithium, development of thyroid disease & immunological responses, patients with manic depression, 10737
lithium, development of thyroid dysfunction, 72 & 77 yr old females with depression, case reports, 30510
need to include assessment of resistance to thyroid hormone in routine evaluation & other issues, children with attention deficit hyperactivity disorder, commentary, 33916
recent research in cretinism, confirmation of J. Wagner-Jauregg's theory of cretinism as malfunction of thyroid, 18254
sex & shyness, BP & serum lipids & urinary free cortisol levels & hypertensive & heart disease & diabetic & thyroid disorder & hay fever histories, 50–88 yr olds, 26155
thyroid dysfunction in & animal models of refractory depression, literature review, 33590
thyroid dysfunction tests, 17–82 yr old psychiatric inpatients, Canada, 5747

Thyroid Disorders [See Also Hyperthyroidism, Hypothyroidism]—Chapters

The hypothalamic-pituitary-thyroid axis: Clinical and theoretical principles, 32531
Interrelationships between the hypothalamic-pituitary-thyroid axis and alcoholism, 33885
Psychiatric aspects of thyroid disease, 34077
The thyroid and anxiety disorders, 34078
The thyroid and depression, 34075

Thyroid Gland—Serials

abstinence from bingeing & purging, thyroid function, normal weight bulimic females, 41901
light treatment, thyroid function, adults with winter depression, 46548
severity of anxiety symptoms & thyroid function, outpatients with major depression, 45457
severity of disorder, serum magnesium & hypothalamic pituitary thyroid activity, patients with major depressive disorder, 29609

Thyroid Gland—Books

The thyroid axis and psychiatric illness, 34071

Thyroid Gland—Chapters

The hypothalamic-pituitary-thyroid axis: Clinical and theoretical principles, 32531
The thyroid and eating disorders, 33993
The thyroid and schizophrenia, 33668

Thyroid Hormones [See Also Thyroxine, Triiodothyronine]—Serials

ability to taste 6-n-propylthiouracil, 18–29 yr old children of alcoholics, implications for genetic marker of alcoholism, 1926
basal & postdexamethasone TSH & triiodothyronine & thyroxine & free T/3 & T/4 index & serum & urinary cortisol, depressed adults, Sweden, 37695

CSF transthyretin & central hypothyroidism, adults with refractory major depression, 45443
desipramine vs fluoxetine, thyroid hormone levels, patients with major depression, 30513
electrodermal activity & basal & postdexamethasone TSH & basal thyroid hormones & nocturnal urinary cortisol, depressed adults, Sweden, 37715
fluvoxamine or maprotiline, plasma T3 & T4 & TSH & body temperature, depressed 28–71 yr olds, 6739
L-tetraiodothyronine & lithium, 42 yr old male with rapid cycling bipolar disorder, letter, 18703
liquid diet with vs without ethanol, serum & brain thyroid axis hormones & liver & brain deiodinase activities & body weight, male rats, animal model of alcohol abuse, 24935
methimazole, outpatients with treatment resistant major depression, 10688
red cell folate & vitamin B12 & thyroid hormone levels, depressed patients, Canada, 29619
repeated TRH, serum thyroid hormones & prolactin & TSH, euthyroid patients with neurological disorders, implications for neuroendocrine features of major depression, Japan, 34739
thyroid hormone augmentation of fluoxetine, female 30 yr old with major depression, case report, 14690
thyroid hormones, CNS & brain aging, animals & adults, 20558
thyroid hormones, CNS & brain aging, animals & humans, commentary reply, letter, 44422
thyroid hormones, CNS & brain aging, animals & humans, commentary, letter, 44424
thyroid therapy, 40 yr old males with coexistent hypomania & hypothyroidism, case report, 26902
TRH & basal serum TSH, TSH responses, depressed females, Belgium, 5832
TRH, TSH & prolactin responses, nondepressed alcoholic male 28–44 yr olds, 13913
T3 vs T4 thyroid hormone levels in brain synaptosomes, male rats, implications for central neurotransmission involvement, 44425
Thyroid Hormones [See Also Thyroxine, Triiodothyronine]—Chapters
Cerebral versus peripheral regulation and utilization of thyroid hormones, 32532
Interactions between thyroid hormones and other endocrine systems, 32534
Nutrition, energy metabolism, and thyroid hormones, 32533
Thyroid Stimulating Hormone [See Thyrotropin]
Thyrotropic Hormone [See Thyrotropin]
Thyrotropin—Serials
anxiety & sensation seeking, thyroxine & TSH plasma levels, females, 20731
basal & postdexamethasone TSH & triiodothyronine & thyroxine & free T/3 & T/4 index & serum & urinary cortisol, depressed adults, Sweden, 37695
chlorpromazine vs fluspirilene & TRH, pituitary thyroid axis & diurnal variation in TSH & prolactin responses, 19–42 yr old schizophrenic males, Greece, erratum, 38565
chronic immobilization stress, growth hormone & TSH secretion & response to hypothalamic regulation, male rats, 44501
CSF corticotropin & TRH & somatostatin, hospitalized 18–90 yr olds with schizophrenia vs dementia vs mood vs anxiety disorders, US & Hungary, 25631
CSF corticotropin releasing hormone & TRH & somatostatin, 54–90 yr old female inpatients with senile dementia of Alzheimer's type vs multi-infarct vs simple dementia, 18345
depression & familial alcoholism & age of onset & severity, TRH induced TSH & prolactin responses, alcoholic males, New Zealand, 29882
dexamethasone, sleep EEG & plasma cortisol & TSH response to TRH, depressed 19–60 yr olds, 44703
DST & TSH response & sleep EEG & clinical variables, patients with recurrent brief vs major depression, 21775
electrodermal activity & basal & postdexamethasone TSH & basal thyroid hormones & nocturnal urinary cortisol, depressed adults, Sweden, 37715
elevated serum TSH & hypothyroidism, patients with seasonal affective disorder, 13743
ethanol sedation, brain TRH, alcohol preferring vs nonpreferring male rats, 32673
growth hormone response to TRH challenge, families with 2 chronic schizophrenic 22–40 yr olds & 1 1st degree healthy relative, 9881
imipramine, TRH induced urinary urgency, healthy male 21–39 yr olds, 12727
pindolol, ECT induced prolactin & thyrotropin responses, depressed female 18–34 yr olds, 46568
repeated TRH, serum thyroid hormones & prolactin & TSH, euthyroid patients with neurological disorders, implications for neuroendocrine features of major depression, Japan, 34739
schizophrenic subtypes, CSF corticotropin releasing hormone & somatostatin & TRH, schizophrenic patients, 9836
scopolamine with vs without TRH, declarative or procedural memory, male rats, 4887
season & hibernation state, distribution & density of brain TRH receptors & brain arousal, winter vs summer euthermic vs hibernating ground squirrels, 4624
thyrotropin response to TRH, 81–94 yr olds with senile dementia of Alzheimer's type, 34137
TRH & basal serum TSH, TSH responses, depressed females, Belgium, 5832
TRH &/vs scopolamine, cognitive & behavioral effects & heart rate & BP & temperature, patients with Alzheimer's disease, 26908
TRH analog CG3703, paw contact patterns during stance phase of locomotion, female rats, application of computer analysis technique, 8879
TRH, behavior, adult females with major depression, 46418
TRH challenge, serum TSH & growth hormone & prolactin & cortisol, 52–86 yr olds with Alzheimer's disease, 18417
TRH, dextroamphetamine induced locomotor activity & stereotypy, male rats, implications for dopamine in nigrostriatum & mesolimbic mediation, 28688
TRH, TSH & prolactin responses, nondepressed alcoholic male 28–44 yr olds, 13913
TSH & prolactin responses to TRH, male 2.1–19.6 yr olds with autism vs mental retardation vs minimal brain dysfunction, 1998
TSH response to TRH & suicidality & agitation & panic, female 18–54 yr olds with euthyroid primary unipolar depression, conference presentation, 5809
TSH responses to TRH, male vs female 65–81 yr olds with major depressive disorder, 5845
U50,488H tolerance & abstinence, TRH receptor binding in spinal cord & brain regions, male rats, 12739
4 wk vs 1 yr alcohol abstinence, neuroradiological & neuropsychological correlates & TRH induced TSH & prolactin responses, nondepressed alcoholic male 29–66 yr olds, Italy, 25997
Thyroxine—Serials
anxiety & sensation seeking, thyroxine & TSH plasma levels, females, 20731
chronic desipramine, plasma & brain triiodothyronine & thyroxine, male rats, 32642
confinement in metabolism stalls, adrenal function & thyroxine levels & motivation for movement, lambs, 36656
L-thyroxine, female 25 yr old with major depression & occult central hypothyroidism, case report, implications for treatment resistance, 22722
partial sleep deprivation intervention, thyroxine & triiodothyronine levels, depressed 20–77 yr olds, letter, 10759
thyroxine, photoperiodic control of energy balance & food intake & reproductive status, male hamsters, 12853
total hypophysectomy vs posterior pituitary lobectomy, stress induced antinociception, male corticosterone & thyroxine supplemented rats, 44413
Tibet—Serials
moral reasoning, 13–34 yr old Buddhist monks, Tibet, implications for L. Kohlberg's model of moral development, 40914
Tic Douloureux [See Trigeminal Neuralgia]

Tics—Serials
age of onset of motor & vocal tics & severity, prediction of disease course & severity, monozygotic twins concordant for motor or vocal tics or Tourette's syndrome, 38253
clonidine, children with attention deficit hyperactivity disorder with vs without comorbid tic disorders, 34585
conjugate eye movement tics, male 8 & 12 & 14.5 yr olds, 2016
contingent & postimperative negative variation correlates of orienting & anticipation & coping with contingency changes, 8–15 yr old males with facial tic vs attention deficit hyperactivity disorder, 17642
desipramine, 5–17 yr olds with attention deficit hyperactivity disorder & comorbid tic disorder vs Tourette's syndrome, 34581
imipramine induced motor & vocal tics, 8 & 16 yr olds with major depression & genetic vulnerability for tics, case reports, 14720
issues in behavioral treatments for tics & movement disorders, bibliography, 46633
lifetime & current rates of Tourette's disorder & tics, 7–19 yr olds with obsessive compulsive disorder & 1st degree relatives, 2–7 yr followup, 9893
nortriptyline, male 5–16 yr olds with attention deficit hyperactivity disorder & chronic tics or Tourette's syndrome, followup study, 22762
prevalence of obsessive compulsive disorder & related Tourette's syndrome & transient & chronic multiple tics & attention deficit hyperactive disorder, 16–17 yr olds, Israel, 21668
psychogenic movement disorder, 18 yr old female with Tourette's syndrome, letter, 10378
reflex tics, patients with Gilles de la Tourette syndrome, case reports, 14290
sertraline, tics & mental phenomena, female 15 yr old with Tourette's syndrome, letter, 22894
sign language incorporated into complex phonic tic behavior, female 23 yr old with Tourette's syndrome, 30211
smoking cessation & nicotine withdrawal, tic severity, female 22 yr old with Tourette's syndrome, case report, 34163
tic symptoms, premonitory sensory urges, 8–71 yr olds with Tourette's syndrome, 18216

Tics—Chapters
Tic disorders: Gilles de la Tourette syndrome, 10426
Tics, habits, and mannerisms, 6041

Time [See Also Interresponse Time]—Serials
accuracy of probability judgments of future vs past events, college students, 28237
age & passage of time, immediate vs final free recall for action events vs sentences vs nouns, 17–30 vs 60–80 yr olds, 362
alcohol vs placebo & time since drinking, performance in flight simulator & air traffic control communication, 21–29 vs 31–51 yr old male pilots, 44688
benzodiazepine receptor inverse agonist FG 7142, time allocation in conflict schedule & punished or nonpunished responding, male rats, 746
bulletin board model of agent dialog & interaction protocols in intelligent real time computer systems, 11811
cognitive processes, measured magnitude of perception of continuous loudness changes over time, adult listeners, 12242
concurrent variable time schedules of reinforcement, time allocation in choice behavior, male pigeons, 32292
decision time & positive vs negative framing of choices, decision making, college students, Japan, 24414
development of gamma neural network architecture, temporal processing & matching of temporal structure of short term memory to input signal space, 15787
differential outcome expectancies, memory for temporal & nontemporal information, pigeons, 36329
direct instruction, critical thinking skills in learning time & mathematics, students, 27443
dissociation of discrimination thresholds for time to contact & rate of angular expansion of moving stimuli, male 23 & 31 yr olds, 36092
endowment effect, government & bank employees & high school teachers & college students, erratum, 21460
expected consumption, valuation of & choice between immediate availability of restricted amount vs temporally constrained availability of unrestricted amount of monetary reward, college students, 32161
explicit time limits in individual counseling, therapeutic alliance formation, university counseling center clients, 38398
extraversion & energetic arousal & time of day, semantic priming, college students, 4714
factor structure of beliefs about time, African American college students, 29427
factor structure of time beliefs, African American college students, commentary, 45227
feedback, temporal reasoning ability, 4–7 yr olds, 40794
Freudian analysis of time as healer, 17607
interval between successive CSs, time course of nictitating membrane response, female rabbits, 44242
introduction of TV, time spent on TV watching vs other activities, 5th graders, South Africa, 8 yr study, 29040
issues in evaluation of time & energy spent on social vs nonsocial play, young mammals, 24558
lag time in protective system process, severely abused &/or neglected children brought to juvenile court, 2905
lecture time & cuing, note taking & immediate retention, college students, 15403
management of time & gender in Cretan funeral & mourning, young female, 1974, Greece, 45078
multiple compatible vs incompatible goals, speech onset latency & temporal fluency cognitive process indicators in message production, college students, commentary, 32139
naturalistic social reinforcement, time spent in eye contact between Ss & E, 18–21 yr olds, application of Herrnstein's hyperbola to time allocation, 5496
patterns varied spatiotemporally vs varied in space only, numerosity discrimination, Os, 43926
perspectives on time usage as resource vs constraint & development of family centered early intervention partnerships, professionals & family members of 16 mo to 15 yr olds with disabilities, 19582
preferences for & intertemporal choice in sequences of outcomes, adults, 17456
quantitative approaches to relative contribution of age & birth cohort & time of measurement to development, 12985
rainfall influenced time budgeting stress, group size & cohesion & social activity constraints, baboons, 8539
relative mood, magnitude of mood change over time & level, college students, application of mathematical modeling of psychological well being, 4197
sc morphine, time course & magnitude of tolerance to analgesic effects, frogs, animal model, 32702
serial model version of behavioral theory of timing & analysis & prediction of response transitions, pigeons, 32299
sex & age & family cycle stage & SES, social integration vs need vs time as sources of neighbor networks, urban adults, 1201
sex & time of day, perception of time & task related mental work load & body temperature, 21–40 yr olds, 12691
stochastic model of male daily time allocation to song production & foraging routines & female mate selection, birds, 44297
system for analysis & correction of time constraints in real time experiment control program, conference presentation, 8158
target & movement velocity, coincident timing performance, 18–29 yr olds, 24354
temporal & spatial metaphors of spoken vs written discourse, 9042
temporal context, judgment of value of risky vs riskless investments, college students, 330
temporal distance, affective & persuasive impact of advertisement appeals, college students, 19804
temporal perspective, confidence in success on task, college students & graduates, 25551
temporally spaced ethanol, temperature & blood metabolism & BP & heart rate & psychomotor effects, healthy adult males, Australia, 36909

time & psychological transaction costs, endowment effect on continuous & unnecessary goods, government & bank employees & college students & high school teachers, 5494
time & relational prototypes & irrationality, communication, families, 33101
time & stage of practice & length of time on job, predictive validities, commentary on & reanalysis of meta analysis, implications for personnel selection, 4180
time budget & activity patterns, lion tailed macaques, 28437
time devoted to caregiving & lifestyle, prediction of nursing home admission & time use before vs after admission, caregivers of impaired elderly, 42846
time, EPs & vigilance performance in visual discrimination task, 18–25 yr old males, 12605
time limits, mental rotational ability, male vs female college students, 36179
time management coping, anxiety & depression & somatic symptoms, working adults attending evening class, 11658
time of day & number of people present, perception of outdoor public scenes photographs, male vs female 18–25 yr olds, 35650
time of day & situational factors, yawning, college students, 40463
time of day & weather conditions, foraging & feeding behavior, female grasshoppers, 28442
time of day, cognitive failure & attention, adult females, 387
time scarcity vs abundance, group performance & interaction processes, college student triads, 17451
time use & change in academic achievement, 7th & 9th graders, 2 yr followup, 23570
time use behavior, families, application of human capital theory, 37278
timing accuracy of mouse response registration on IBM microcomputers, 8145
timing microstructure & diversity & commonality in performance of R. Schumann's "Traumerei", pianists, 25039
VDU text editing & contrast adaptation time course, male 25 & 29 yr olds, implications for VDU induced fatigue, 35658
violations of principles of global discourse organization, comprehension of temporal order in narrative texts, college students, 20278
visual attention shift to unpredictable location, time course of sensitivity to information, college students, 4250
weather & time of day & day of week & holidays & other temporal variables, calls for police service for crimes of rape & domestic violence, 41770
writing time & size, college students, 40071
5 mo delay, eyewitness memory, 5–6 vs 9–10 yr olds vs college students, Scotland, implications for child witnesses, 9142

Time [See Also Interresponse Time]—Books

Choice over time, 28276
Time, action and cognition: Towards bridging the gap. NATO ASI series, 16136
Time, health and medicine, 2737

Time [See Also Interresponse Time]—Chapters

Anomalies in interpersonal choice: Evidence and an interpretation, 28294
The dis-ease of social change: Time and labour markets in the lives of young adults and their families, 1290
Dynamic representations guiding adaptive behavior, 16142
Eyewitness memory and time of day, 20335
The fall and rise of psychological explanations in the economics of intertemporal choice, 28293
Heart disease and the cultural construction of time, 2234
Hyperbolic discounting, 28280
Intertemporal choice and political thought, 28284
Making of the future: Temporality and the constructive nature of human development, 32848
A mechanism for timing conditioned responses, 19863
Program operations: Time allocation and cost analysis, 27059
The role of moral sentiments in the theory of intertemporal choice, 28288
The short life of metric time, 16158
Temporal context and the caregiver role: Perspectives from ethnographic studies of multigeneration African-American families, 42828
Temporal factors in stress and coping: Intervention implications, 21567
Temporal learning, 40267
Time and health implicated: A conceptual critique, 1418
Time and the cervix, 2741
Time and the hospital consultant, 3156
Time as a variable in behavior analysis, 28161
Time of day and performance, 8846
Words for time, 16966
Work, time and sickness in the lives of schoolchildren, 3288
'Your time or mine': Temporal contradictions of biomedical practice, 2738

Time Disorientation—Serials

amnesia & confabulatory disorientation & tendon reflex, female 50 yr old with right thalamic lesion, case report, 38237
tomographic & neuropathological findings of white matter plaques, 60 yr old female with Creutzfeldt-Jakob disease & memory disorders & ataxia & time disorientation, Japan, case report, 14316

Time Estimation—Serials

attentional focus, prospective vs retrospective estimation of short time intervals, 2nd–3rd graders, 13076
chronic dietary choline, acquisition & retention & extinction of temporal discrimination task on DRL-8 vs DRL-16 schedule, male Brown Norway vs Wistar rats, animal model of cognitive impairment, 8597
diazepam, prospective time estimation, college students, 28784
ethanol vs haloperidol vs drugs without chronomutagenic properties, neural oscillations underlying time discrimination, male 19–35 yr olds, 40653
event duration & memory & typicality, duration information reconstruction & estimation, college students, New Zealand, 28305
experience & perception of time, 21–49 yr olds with simple depression or manic depressive psychosis or attack-like schizophrenia, USSR, translated article, 5770
hypnosis, estimation of time intervals, high vs low hypnotizable college students, 12321
mail vs telephone surveys vs keeping time, assessment of time spent teaching Dutch language, elementary school teachers, Netherlands, 11412
midazolam induced sedation, time perception vs estimation & speed of information processing & cortical arousal, male 21–31 yr olds, 28769
motor performance & movement related brain macropotentials during time interval calculation task, male 18–25 yr olds with Down's syndrome, 22120
precision of inner clock, assessment of intelligence, scientists & professionals vs college vs 8th–10th form students vs 2nd–9th form students with oligophrenia, Ukraine, translated article, 33970
psychosocial & demographic factors & length of stay, social work time expenditure, voluntary psychiatric inpatients, 46886
short term memory requirements of concurrent nontemporal task, memory & visual searches & time estimation & production, 18–38 yr olds, 44143
sleep & wakefulness time estimates, 21–47 yr olds in isolation, 16642
stimulus intensity & specific time goal, time estimation, college students experiencing induced cold pressor pain, 40479
subjective time estimation accuracy, 23–59 yr olds with amnesia vs elderly patients with Alzheimer's disease, 42083
temporally weighted estimation of profitability of food acquisition environments, foraging & choice behavior, dogs, application of temporal weighting rule, 44285
usefulness of counting activity in estimation of timing of auditory markers & intervals in finger tapping procedure, 18–24 yr olds, 12189
verbal instructions vs task demonstration, performance on differentiation of buttonpress response duration task, 4.5 vs 6 yr olds, France, 21182

visual vs auditory overload vs deprivation, subjective time estimation, 19–45 yr olds, Israel, 224
Time Estimation—Chapters
Attention, multiple timing, and psychophysical scaling of temporal judgments, 16140
On prospective time estimation, temporal relevance and temporal uncertainty, 16162
Oscillators, predictions and time, 19862
Prospective and retrospective duration judgment: The role of information processing and memory, 16310
Prospective and retrospective judgments of time: A neurobehavioral analysis, 16605
Time memory and time perception, 16143
Time Limited Psychotherapy [See Brief Psychotherapy]
Time On Task—Serials
construct validity of diary vs checklist estimates, assessment of nonschool book reading time & cognitive correlates, 5th graders, 13027
continuous vs 15 min spells of VDT work, visual acuity & refraction & oculomotor functions in myopia & fatigue, 20–22 yr olds, 22446
cooperative vs individual learning strategy & need for affiliation, instructional TV lesson performance & time on task & satisfaction, college students, 27441
desktop graphical vs character based user interface with menu selection, benchmark task solving time, novices vs experts, 15768
group size & exposure time, microcomputer based learning in language arts, 5th vs 6th graders, Canada, 11381
job experience, time spent on job activities & sales performance, stockbrokers, 23719
mainstreaming, student on task behavior & teacher approving vs disapproving comments, regular & moderately or mildly intellectually handicapped primary school students & their teacher, Australia, 31392
modified time sampling procedure, multidimensional & multibehavioral analysis of stereotypic & on task responding rate & duration, 11–17 yr old students with severe emotional & behavioral disturbances, 31403
photographic activity schedules with graduated guidance, on task & on schedule play & work behavior, male autistic 9–14 yr olds, 30365
pull-in vs pull-out approaches to reading service delivery, achievement & time spent in reading vs nonreading activities, 2nd–5th graders in special or remedial education, 3546
reduction of teacher attention, on task behavior, 5–6 yr olds with special needs, 31390
Ritalin &/vs environmental treatment within outpatient setting, on task behavior, male 8–12 yr olds with attention deficit hyperactivity disorder, 30269
self modeling vs stress inoculation training, peer relations & on task behavior, male 1st–2nd graders with attention deficit hyperactivity disorder, 22560
self monitoring, on task behavior during independent readiness tasks & maintenance without prompts, disabled vs nondisabled 4.4–6.7 yr olds with attentional difficulties & developmental delays, 19584
self recording, off task behavior in special education classroom, male 15 yr old with attention deficit disorder & hyperactivity, 31411
spatial frequency & 2 vs 4 hr visual display unit work, contrast adaptation & visual fatigue & related symptoms, college students, 27807
staff time distribution in community living support service, managers, Australia, 46818
strategy formation & metacognitive control, visual inspection duration during single vs dual task, adolescents, 5087
task constraints, memorability ratings & study time allocation strategies, college students, commentary, 36240
task constraints, memorability ratings & study time allocation strategies, college students, 20317
temporal shifts in proportion of normative vs informational vs procedural & legal discussion during deliberation, college student mock jurors, Canada, 31765
text salience, selective attention strategy & attention duration & intensity & learning & reading comprehension, reading success, 6th graders, 32892
time limits, group performance & creativity, college students in same sex triads, application of social entrainment model, 37428
time spent in & characteristics of unstructured activities, mentally retarded adults in minigroup homes vs intermediate care facilities, 34934
time spent reading & teacher interactions during reading instruction, reading achievement, severely & profoundly deaf 5–10 yr olds, 19600
Time Out—Serials
acceptability of time out procedures for school age children, psychiatric hospital direct care staff vs child development college students, 2514
functional communication training vs time out from positive reinforcement, challenging behavior & unprompted communication, 3.5–5.2 yr olds with mental retardation or autism or other disorders, 22570
nonexclusionary time out package, inappropriate classroom behavior, preschoolers, 35397
sensitivity to conjoint schedules of reinforcement & time out deletion, pigeons, 8475
shock frequency reduction avoidance response, time out from avoidance reinforcement efficacy, male rats, 16433
time out in adjustment programs in schools & rehabilitation facilities, 23603
time out techniques in therapeutic model, control & intrafamilial aggression, physically & emotionally abusive couples & families, 30402
time out vs overcorrection, aggression, siblings & their mothers, 1 mo followup, 18624
Time Perception [See Also Time Estimation]—Serials
absolute vs relative duration, temporal pair comparison performance, pigeons, 4450
affective states, temporal judgments, consumers, Israel, 11744
age & temporal monitoring ability & motivation, equal sharing of desirable object, 3–12 yr olds, 40921
alpha methylparatyrosine vs ethanol, temporal discrimination & urinary dopamine & DOPAC & HVA & creatinine, 20–35 yr old males, implications for role of internal clock in time perception, 24969
atropine, learning vs attention vs memory vs discrimination vs time perception task performance on operant test battery, male rhesus monkeys, 8971
attention & nontemporal cognitive task interference, prospective vs retrospective duration estimation of musical selections, college students, 20254
auditory click rate, time perception & timing of motor action, professional typists, 4289
changes in interfood interval duration, temporal discrimination & wait time responses, male pigeons, 40245
chronic dietary choline, temporal discrimination learning & DRL responding, 11 vs 22 mo old inbred female CPBB rats, 25001
color wavelength, time perception, adults, 43927
culture, perception of temporal intervals, native vs African immigrant adults, Italy, 309
daily variation in schedule parameters, temporal discrimination, pigeons, 8508
guidelines & techniques for examination of time perception & processing in psychotherapy, 18513
I. Matte-Blanco's theories of conscious & unconscious perception & conceptualization of time & role in psychoanalysis, adult male with obsessive compulsive pathology, 34488
individual differences in heart beat tone simultaneity detection & temporal location perception, college students, 12140
marihuana induced temporal disintegration, psychological & physiological correlates, healthy adults, 24936
mathematical Poisson pacemaker/accumulator system for perceiving & remembering time, 179
memory for day of wk & hr of day & elapsed days since occurrence of specific event, adults, 354
memory for stimulus duration, college students, Belgium, 36252
midazolam induced sedation, time perception vs estimation & speed of information processing & cortical arousal, male 21–31 yr olds, 28769

monocular vs binocular viewing, temporal & spatial errors in 1-handed catching, male 16 yr old expert catchers, 24360
NMDA receptor antagonists CGS 19755 vs MK-801, time discrimination & short term memory, male mice, 24848
objective vs subjective time perception & situated engrossment, college students, 4222
phase shift vs blocking, learning time place food availability pattern, insectivorous vs granivorous weavers, 8541
proprioceptive &/or exteroceptive somatosensory feedback vs neuronal processes, subjective perception of timing of active movement onset, 25–40 yr olds, 43945
role of timing in reinforcement based foraging task, starlings, 20376
sensitivity to time differences & time encoding in CNS, electrical fish & barn owls & echolocating bats & other animals, research review, 32377
sex & sound intensity & power function parameters, scales of subjective time duration, 21–57 yr olds, 28213
sex & time of day, perception of time & task related mental work load & body temperature, 21–40 yr olds, 12691
stimulus duration ratio discrimination in forced choice 2 alternative paradigm, college students, comparison with pigeons, 24278
stress & anxiety, time perception, male college students, Nigeria, 5592
subjective time experience abnormality as aspect of psychomotor retardation vs illness severity, depressed 16–64 yr olds, France, 13707
tapping task & duration & loudness perception, assessment of timing & motor control, clumsy vs normal 6–7 vs 9–10 yr olds, 989
task speed & delay on giving time estimates, time perception, adults, 36064
temporal & spatial location cues, key pecking rate, pigeons, 4473
temporal cues in dichotic stimulation, auditory neuron sensitivity to direction of apparent acoustic motion, barn owls, 28561
time & change perception in family therapy & psychosocial rehabilitation program, experience of chronicity & timelessness, long term psychiatric patients, Australia, 46133
time & context, proactive & retroactive interference on retention in discrimination reversal learning, male rats, 24523
time & number based cues, choice behavior in numerosity discrimination task, pigeons, 24531
time distortion & symbol transformations in playing home computer games, 15726
time urgency within organizations, university faculty vs students vs factory workers vs managers, 43490
understanding of relations among time & distance & velocity, 4.9–10.7 yr olds vs college students, Japan, 40835

Time Perception [See Also Time Estimation]—Books

Psyche and matter. C. G. Jung foundation book, 16137
Time, action and cognition: Towards bridging the gap. NATO ASI series, 16136

Time Perception [See Also Time Estimation]—Chapters

Absolute and relational control in a temporal comparison task, 425
Behavior's time, 40266
Biological and psychological description of an internal clock, 8453
Changes in temporal regulation of behavior in young children: From action to representation, 17093
Counting the minutes, 16148
Determinants of timing in serial movements, 16157
The development of children's representations of temporal structure, 17096
The development of temporally-based intersensory perception in human infants, 17112
The development of the concept of time in children: An integrative model, 17111
Dividing attention between temporal and nontemporal tasks: A Performance Operating Characteristic—POC—analysis, 16145
Duration experience under conditions of suspense in films, 16141
The error correction model for the tracking of a random metronome: Statistical properties and an empirical test, 16156
The internal clock revisited, 16138
Neural dynamics of adaptive timing and temporal discrimination during associative learning, 47601
Neurobiology of an attribute model of memory: Role of prefrontal cortex, 8699
Parallels between pitch and time and how they go together, 28223
Quantitative relationships between timing and counting, 20386
The short life of metric time, 16158
Three psychophysical principles in the processing of spatial and temporal information, 423
Time memory and time perception, 16143
Time perception: Reproduction of duration by two cultural groups, 4236

Time Perspective—Serials

age, recall of distant past experiences vs expectations of future life experiences, college students, 25120
death anxiety & life purpose of future vs past vs present time perspective, 52–94 yr olds, 45033
development of sense of time in early socialization & parent child interaction, children of low income mothers, 9 yr study, 28944
development of TUPA scale, measurement of time urgency & perpetual activation subcomponent of Type A behavior, 40–55 yr old males with coronary heart disease, 4094
dimensions & subjective experience of time, 20196
distance vs location vs relative time of occurrence theories of memory for time of past events & chronological aspect, adults, literature review, 16337
explanation of subjective timing by Cartesian Theater vs Multiple Drafts model of consciousness in brain, commentaries and reply included, 8392
locus of control & future orientation, 14–55 yr old Thai vs Cambodian immigrants, implications for model of human occupation, 1125
locus of control & time orientation in daydreams, college students, 9608
mathematical Poisson pacemaker/accumulator system for perceiving & remembering time, 179
objective vs subjective time perception & situated engrossment, college students, 4222
past vs current injection of opiates, future time perspective, drug users, 29827
positive vs negative instructions in symbolic paired comparisons with months, semantic interpretation & response latency, French speaking college students, Canada, 44073
response bias in recall of past vs prediction of future experiences, college students, replication, 25543
retrieval of memories from specific temporal locations, nursery school students vs 1st vs 3rd graders, 920
temporal perspective, causal stability & certainty of attributions, college students, 5561
time orientation & management, effective vs ineffective bank executives vs academicians, India, conference presentation, 47387
time orientation & participation in leisure activities, adults, 11733
types of partial temporal information, dating accuracy & distribution of errors in personal events dating, college students, 40194

Time Perspective—Chapters

Broken rhythms and unmet deadlines: Workers' and managers' time-perspectives, 3665
The development of a diachronic perspective in children, 17115
The development of children's representations of temporal structure, 17096
The development of the concept of time in children: An integrative model, 17111
Doctors, patients and time, 2891
Great expectations? Toward an understanding of the life plan, 9653
The incidental learning and remembering of event durations, 16139

On prospective time estimation, temporal relevance and temporal uncertainty, 16162
Verisimilar and metaphorical representations of time, 16147
Women's time, institutional time, 2740
Time Series—Serials
changes in dominant male culture, time series analysis of feminine eminence, 580–1959, Japan, 9476
dynamic nonstationary factor model for analysis of multivariate time series in time domain, 8119
FORTRAN routine for study of sequential structure in interresponse times, application of R. Shaw's stored information of iterative map, conference presentation, 8120
Fourier vs Walsh transform power spectrum, analysis of periodicities in behavioral data, conference presentation, 8092
kinematic signals of average response velocity, determination of movement onset from temporal series with interactive graphics vs numerical methods, adults, 40066
methods for deriving measures of treatment effect for interrupted time series designs for meta analysis, application to behavior therapy, 42286
spreadsheet implementation of C. R. Gallistel's model of classical conditioning as multivariate time series analysis, animals, conference presentation, 8471
sweetener & acid level & type, temporal perception of sweetness vs sourness vs fruitiness in solution, adults, conference presentation, 43933
time sampling direct observation procedures, assessment of quality of care, developmentally disabled adults in residential facilities, 46895
time series analysis, assessment of stressors & cognitive rumination & symptoms, 15–55 yr old females with fibromyalgia, 16074
time series analysis of fluoxetine intervention, female 22 yr old with major depression & personality disorder, 22732
time series analysis of potassium channel bursts from fused synaptosomes, implications for statistical memory, 28544
time series analysis of single case design, assessment of psychotherapeutic processes & change, depressed 35 yr old female, 2.5 yr study, 38396
time series assessment of number of cigarettes smoked & salivary cotinine & carbon monoxide, smokers, test of 3 models of nicotine regulation, 1348
time series model vs direct estimate of brand equity, quantification of longer term advertising effects, consumers, 23818
unemployment & divorce & working women & gross national product, age adjusted vs crude suicide rates, Japan, 1953–86, 9940
use of age adjusted rates in time series studies of suicide rate, 1950–85, US, 29790
Time Series—Chapters
Determinants of timing in serial movements, 16157
Essentials in the design and analysis of time-series experiments, 20188
Philosophical and statistical foundations of time-series experiments, 4207
Repeated measures: Groups X occasions designs, 43920
Time series, 43908
Time series methods in applied social research, 13416
Timers (Apparatus)—Serials
algorithms in computerized Time Audit mechanism, event timing accuracy in micro experimental laboratory, conference presentation, 39957
classroom cognitive behavior modification with timing device, self control, male 8.2 yr old with attention deficit hyperactivity disorder, 19590
millisecond timer algorithm for IBM personal computer, extension of R. Graves' & R. Bradley's timer, 8144
Timidity—Serials
content analysis of TV commercials for portrayal of shyness, male vs female adults vs children, 21126
expectancies about alcohol's consequences in social evaluative situations, shyness & drinking, college students, 1341
low vs high control in teacher conversational style, classroom verbal participation, shy kindergarten students, 31341
peer & classroom assistant mediated intervention, social interaction behavior, withdrawn 37–58 mo old preschoolers, 39318
Pennsylvania State University Reticence Program vs public speaking course, reduction of communication apprehension & shyness, college students, 11399
sex & shyness, BP & serum lipids & urinary free cortisol levels & hypertensive & heart disease & diabetic & thyroid disorder & hay fever histories, 50–88 yr olds, 26155
shyness & egocentricity, paranoid or undifferentiated schizophrenic hospitalized vs nonhospitalized healthy 18–80 yr olds, 1722
shyness, communicative adaptability & interpersonal skills constructs of competence, college students, 21482
sociability vs shyness, speech & heart rate during social interactions, 2nd graders, Germany, 37094
state depression & trait shyness & vulnerability to allergies & physical irritants, conference presentation, 1653
temperament & security of attachment & behavioral inhibition, 2 day olds, 24 mo study, 13100
Timidity—Books
Social withdrawal, inhibition, and shyness in childhood, 29072
Timidity—Chapters
Antecedents and consequences of shyness in boys and girls: A 6-year longitudinal study, 29084
Beyond temperament: A two-factorial coping model of the development of inhibition during childhood, 29076
Communicative competence as a dimension of shyness, 29085
Social withdrawal, inhibition, and shyness in childhood: Conceptual and definitional issues, 29102
Timid and withdrawn children, 6539
Tinnitus—Serials
acupuncture, perceived intensity & annoyance & awareness of symptoms & anxiety, 25–81 yr olds with tinnitus, 26911
amitriptyline, depression, female 69 yr old with tinnitus, case report, 6935
audiometric & EP measured hearing sensitivity & personality traits, normal hearing adults with tinnitus, Wales, replication, 26373
benzodiazepine precipitated musical hallucinations & tinnitus & pathogenesis of schizophrenia, commentary, letter, 41477
coping & communication strategies, male 40–60 yr olds with noise induced hearing loss with vs without tinnitus, 22436
current frequency of electrical stimulation through round window electrode implant, auditory perception & discomfort & symptoms, patients with unilateral deafness & severe tinnitus, 35062
frequency & bandwidth of ipsilateral vs contralateral tone vs noise, masking of external sound induced tinnitus, 21–38 yr olds, 14429
self hypnosis vs masking vs attentiveness to complaint, therapeutic efficacy, male 34–53 yr olds with chronic tinnitus, Israel, 38667
severity of depressive symptoms & functional disability, patients with chronic tinnitus, 38105
severity of disorder & perceived attitudes & social support & disability, 21–89 yr olds with tinnitus, 2348
social support & SES & degree & acceptance of auditory disability, perception of handicap, male 40–60 yr olds with noise induced hearing loss with vs without tinnitus, Sweden, 34261
Tiredness [See Fatigue]
Tissue Donation—Serials
attitudes toward & willingness to consider organ donation, African American 14–18 yr olds vs adults, 26927
demographic & social psychological variables, willingness to consider cadaveric kidney donation, Black 18–64 yr olds, 34720
guilt & responsibility & other responses to death of unrelated bone marrow recipient, bone marrow donors, 30609
moral stigma, paid plasma donors, 33215
motivation to donate blood, minority college students, conference presentation, 45214
recognition & appreciation of past donations, recruitment into bone marrow donation registry, blood donors, 46690

responses to donation request & experiences, bereaved family members who granted vs refused permission for organ donation from deceased relative, Netherlands, 10957
substrates of attitudes & intentions & behaviors, organ donors, 46655
utilization of naturalistic sexual behavior & artificial vagina in semen collection, nonanesthetized captive male orangutan, implications for genetic diversity preservation, 40320
Tissue Donation—Chapters
The legislation of organ donation, 23913
Organ donation and procurement, 30702
Tissues (Body) [See Also Bone Marrow, Bones, Connective Tissues, Membranes, Meninges, Myelin Sheath, Nerve Tissues, Nictitating Membrane, Olfactory Mucosa, Skin (Anatomy)]—Serials
ip or icv adipose satiety factor extracted from adipose tissue, food intake, male rats, 24798
novel nicotinic agonist 1-acetyl-4-methylpiperazine, ligand binding & locomotor activity, male rats, 44622
unmodified ECT induced internal tissue injury assessed by serial measurements of acute phase reactants, 15–55 yr olds with acute functional psychosis, Nigeria, 22808
Tobacco (Drug) [See Nicotine]
Tobacco Smoking—Serials
abstinence & relapse rates following smoking cessation, adult self quitters, 2 day through 6 mo followups, 11118
acute & habitual smoking, blink rates & alpha brain waves during smooth pursuit eye movements, neuroleptic medicated schizophrenic patients, 33639
ad libitum smoking followed by deprivation, tobacco withdrawal symptoms, hospitalized smokers, erratum, 15102
adolescent & adult smoking, occupancy of young adult social roles, 21 yr olds & younger vs over 21 yr olds, 25204
advertising restrictions, tobacco consumption, Organization for Economic Cooperation & Development countries, 1960–86, commentary, 17424
advertising restrictions, tobacco consumption, Organization for Economic Cooperation & Development countries, 1960–86, commentary reply, 17422
affect regulation & nicotine addiction, cigarette smoking behavior & cessation & abstinence & relapse, 1889
age & sex & experience, smoking initiation & offers & cigarette acquisition & craving & quitting attempts & difficulty & peer smoking & parental influence, 12–17 yr olds, 1111
age & sex & race & other demographics, cigarette smoking trends, 12–75 yr olds & older including reproductive age females, 5484
age of smoking debut, smoking patterns & amount in early pregnancy, pregnant females, 37397
alcohol & cigarette & caffeine & other drug use, alcoholic &/or drug dependent clients, 45731
alcohol & tobacco consumption, male 25–68 yr olds with episodic cluster headache, Sweden, 22215
alcohol consumption & smoking & physical activity & social support from close relationships, mortality risk, adults, Germany, 29321
alcohol intake & smoking & body weight & relation to blood lipids, male 40–59 yr olds, UK, 4689
anticonvulsant drugs, smoking habit & body weight, 36–78 yr old psychiatric inpatients, 30511
appetite vs metabolic changes, weight gain associated with smoking cessation, 35–57 yr old males, erratum, 15091
assessment of affective processes & attributional style & expectations, prediction of smoking motivation & role of stress, 17–52 yr old smokers vs nonsmokers, 5490
association of Tridimensional Personality Questionnaire scores with smoking variables, adult smokers, 51
attitudes toward adoption of no smoking policy in day hospital, patients & staff, 7165
behavioral economics & regulation hypothesis of nicotine self administration, smokers, reanalysis of research, 697
behavioral training with vs without nicotine gum & physical exercise, smoking cessation, 50 yr old & older chronic smokers, 12 mo followup, 35021
belief & attachment & commitment & involvement in social bonds & control & early trauma, smoking, adults, 45167
beliefs about health dangers posed by cigarette smoking, scientists funded by Council for Tobacco Research, 14162
beliefs about vs actual effects of nicotine, cigarette smokers, 41200
best friend vs social crowd, peer influence on cigarette smoking, 11th graders, 1 yr study, 1129
body composition & exercise & dietary & alcohol & caffeine intake, male 17–54 yr old light vs heavy vs never vs former smokers, 5485
body weight concerns & belief in smoking as weight control strategy, smoking status, high school students, 21231
BP & baroreceptor stimulation & blood lipids, pain thresholds & antinociception, heavy vs medium vs light smokers, 45168
brief interventions, patients with excessive alcohol use or cigarette smoking, Australia, 11116
brief telephone outreach as recruitment & intervention strategy in smoking cessation, 25–74 yr old smokers, 15109
Centers for Disease Control vs Carter Center Program health risk appraisals, prediction of 10 year mortality risk, smoking vs nonsmoking 25–60 yr olds, 13384
change in concurrent cigarette & alcohol use, subsequent use, 6th–8th graders, 4 yr study, 13915
chronic disease events & other characteristics, prediction of smoking cessation & relapse, 65–85 yr old & older smokers, 3 & 6 yr followups, 15126
cigarette & alcohol & marihuana use & delinquency & other problem behaviors, urban 7th vs 9th grade males vs females, 5987
cigarette & alcohol use & exercise & binge purge & other weight control practices, secondary amenorrhea, female 13–18 yr olds, 14177
cigarette & smokeless tobacco & illicit drug use, college students, 33849
cigarette consumption & major depression, twins, 25778
cigarette lighting & physical activity level & heart rate during 2 workday shifts & 2 days off, female smokers, 45160
cigarette smoking & nicotine dosage, hemispheric EEG lateralization, male smokers, 12851
cigarette smoking & personality & Type A behavior & life events, 18–25 yr olds, US vs Italy vs Poland, 33212
cigarette smoking & sex & age, psychopathology & neuroleptic doses & side effects, 23–64 schizophrenic patients, 10682
cigarette smoking & suicide, 30–55 yr old nurses, 12 yr study, 29780
cigarette smoking, elderly with Alzheimer's disease, 30167
cigarette smoking motives & anxiety & alertness 1 mo vs 1 day before examinations, college students, 13399
cigarette smoking, novel & signal & frequent tone stimulus evoked skin conductance response, adult male smokers in abstinent vs smoking conditions, Japan, 36678
cigarette smoking, subjective stress vs cardiovascular arousal during high vs low challenge computer task, male vs female smokers vs nonsmokers, 12704
cognitive task demand & smoking instructions, electrodermal activity arousal, male smokers, 28645
college based smoking cessation course, 16 yr old vocational college student smokers, England, 7544
community level influences, attitudes toward cigarette smoking & alcohol use & dietary fat consumption, 18 yr olds & older, 38754
community wide educational effort, cigarette sales, minors, 1 yr followup, 13088
compliance with Comprehension Smoking Education Act through rotation of surgeon general's warnings in magazine advertisements, tobacco companies, 47497
concentration of formaldehyde, odor detection thresholds & perceived odor intensities, 20–45 yr old female cigarette smokers, 4225
construct validity & temporal stability & internal consistency of Revised Fagerstrom Tolerance Questionnaire, assessment of physiological dependence on nicotine, cigarette smokers, 31812
controlled smoke delivery apparatus, measurement of stopping point of rapid smoking, male heavy smokers, 11119
coping strategies & effort & perceived stress, cigarette smoking, 7th graders, 40953
correlates & causes of smoking initiation, Black vs White 12–14 yr old nonsmokers, longitudinal study, 13120

craving to smoke during active task engagement, outcome of graded smoking reduction, smokers, 46936
daily cigarette consumption & body mass & carboxyhemoglobin level, healthy smokers, 17419
demographic & health characteristics, tobacco smoking & use of snuff, Army & Air Force officers, Norway, 17427
demographic & psychosocial & behavior variables, 6th graders with vs without active parental consent to participate in tobacco use study, 29001
demographic characteristics & smoking habits, pregnant 15–35 yr old & older females, Sweden, 5486
demographic characteristics vs sex vs race vs sponsor's rank, tobacco use, 10–21 yr old children of Army personnel, 5166
detrimental health effects of smoking & methods for smoking cessation & prevention activities, elderly, 35015
development & reliability & validity of reactive irritability scale, assessment of smoking cessation induced irritability, 18–45 yr old abstaining vs nonabstaining smokers vs nonsmokers, 20014
development of questionnaire, assessment of attitudes toward & beliefs about health consequences & social value of smoking, 6–15 yr olds, 28988
developmental approach to smoking education & prevention, children & adolescents, 15117
diet & exercise habits, 18 yr old & older smokers vs ex-smokers vs nonsmokers in smoking vs nonsmoking households, Great Britain, 21456
distribution & predictors of precontemplation vs contemplation vs preparation stages in smoking cessation, male 41–60 yr olds, Finland, 15119
educational aspirations & parental educational background, cigarette smoking, high school students, 44987
educational level, effectiveness of mass media led antismoking campaign, adults, Australia, 15111
ethanol & smoking, pharmacokinetics & therapeutic efficacy of antidepressants & anxiolytics & neuroleptics, patients, literature review, 6792
etiology & prevention of tobacco & alcohol & drug abuse, adolescents, 3064
evaluation of effectiveness & recall of government cigarette warnings for smoking prevention, 7th–9th graders, 11125
exhaustion & psychological work stressors & smoking, adult males with 1st acute myocardial infarction, Netherlands, 18321
experimentally induced lapse during early smoking abstinence, probability & time course of relapse, abstinent smokers, 15090
factors in recruitment of others to smoke, 7th grade smokers, 5174
family physician based smoking cessation intervention with vs without followup visits, cessation rates, smokers, 46920
genetic analysis of smoking behavior, male 40–50 yr old monozygotic vs dizygotic twin pairs, 1967–69 vs 1983–85, commentary, 12472
genetic analysis of smoking behavior, male 40–50 yr old monozygotic vs dizygotic twin pairs, 1967–69 vs 1983–85, 12474
genetics, smoking persistence, twin pairs, Australia, reanalysis, 29317
government policies & smoking cessation & mortality rate from smoking related diseases, Great Britain, 31021
grade at 1st use of alcohol & cigarettes, Cuban vs African American vs White male 6th–7th graders, intervention implications, 29890
health behaviors & indicators & risk factors, cigarette smoking, 20–74 yr old Mexican Americans, 13388
historical role of tobacco industry & cultural changes in development of tobacco epidemic, 20th century, 1347
history of major depression, progression to nicotine dependence, smokers, 14 mo followup, 25969
history of tobacco smoking & tobacco industry & role in public health, Australia, 9510
hypnotherapy based on premise of smoking as compulsion vs drug addiction, obsessive smokers, 15123
implications of cigarette smoking cessation for major depression & other psychiatric disorders, 37655
individual differences in hypnotizability & motivation to quit, hypnotic vs nonhypnotic smoking cessation outcomes, adult smokers, 12–24 wk study, 11137
innovative vs nonspecific vs standard weight gain prevention intervention during smoking cessation, weight & smoking behavior, smokers, 1 yr study, 19214
inoculation & self esteem, promotion of resistance to smoking initiation, male vs female 7th graders, 15400
intention to quit & demographic & other characteristics, participation in self help community based smoking cessation intervention, smokers, 23255
interferon parameters of immunosuppression & immunocompetence, alcoholic adults vs heavy cigarette smokers, 29895
intranasal nicotine aerosol delivery device, physiological & biochemical & subjective responses to controlled dosing, male smokers, 12864
intrapersonal & familial & peer factors, smoking during pregnancy, unmarried pregnant 17 yr olds & younger, 1085
issues in smoking & tobacco use, schizophrenic patients, 21815
judgments on smoking as cause of lung cancer, scientist members of tobacco industry's Scientific Advisory Board, 14256
knowledge of & attitudes toward & prevention of health risks of secondary tobacco smoking, married females, Nigeria, 41193
knowledge of & attitudes toward alcohol & tobacco use, K–8th graders, 13123
knowledge of & beliefs & attitudes toward & previous & family smoking, prediction of smoking in young adulthood, male vs female senior high school students, Japan, 3.5 yr followup, 9257
level of interpersonal interaction & exposure to visual &/vs olfactory smoking cues in role playing situation, physiological reactivity & urge response, adult smokers, 21452
low nicotine aerosol smoke solution vs lit vs unlit cigarette, desire for cigarette & sensory & airway intensity ratings & physiological measures, 28–64 yr old smokers, implications for cessation, 46909
magnitude of similarity of parental attitudes toward use &/or cessation vs peer influence, smoking attitudes & initiation, 7 yr olds, Australia, 8 yr study, 21265
maternal cigarette smoking during pregnancy, cognitive & behavioral abnormalities due to brain damage, children, 18394
meaning of craving, smokers vs problem drinkers vs addictions professionals vs college students, Australia, 26017
methadone dosage, cigarette smoking levels, methadone maintenance clients, 35042
methodological issues & intervention approaches & delivery & developments in understanding of smoking & smoking cessation, 3084
moderate exercise, self rated mood & smoking & sugar snacking, 18–52 yr old smokers vs frequent snackers, test of self regulation theory, 17531
moderate maternal alcohol consumption & cigarette smoking, birth weight & gestational age, neonates, Netherlands, 33883
money available & price, consumption choice of own preferred vs other cigarette brand in reinforcement paradigm, 20–38 yr olds, 40086
mood associated with relapse & recovery, adults in smoking cessation program, Australia, 3063
mother's outcome & efficacy expectations & multiple visit nurse based intervention, infant's exposure to environmental tobacco smoke, mothers & infants, 35043
motor activity & attentional stress, heart rate & EEG & smoking during motor task vs stress test, introverted vs extraverted smokers, 16700
Multiple Risk Factor Intervention Trial smoking cessation program, abstinence prevalence, healthy smokers, 16 mo study, 46932
nasal nicotine spray vs aerosol, blood nicotine & other pharmacokinetics & smoking cessation, 23–59 yr old smokers or ex-smokers, England, 15132
nationwide dissemination of smoking cessation methods during prenatal care, projected quit rates, pregnant female smokers, 1990s, 31026

need to broaden view of recovery from tobacco dependence, 45721
negative affect & nicotine dependence, response to smoking cessation with coping skills training vs support & nicotine gum vs rapid smoking nicotine exposure strategies, smokers, 15140
nicotine abstinence, Stroop color & word naming performance, adult male smokers, 44634
nicotine, chronic vs acute tolerance to subjective effects, tobacco smokers vs nonsmokers, 40647
nicotine, delayed & immediate verbal recall, smokers, comparison of attention vs consolidation hypothesis of nicotine induced memory facilitation, 12908
nicotine gum, CFF thresholds & RT & compensatory tracking & memory scanning, 20–42 yr old smokers, 12888
nicotine withdrawal & stress, affective correlates of urges to smoke, adult continuing vs withdrawing habitual cigarette smokers, 15141
nicotine yield of cigarette & chain smoking vs abstinence, puffing patterns & diurnal nicotine & serum cotinine, smokers, 12815
normative expectations for cigarette smoking & perceived smoking by peers & parents, smoking, 7th graders, 13092
oral nicotine, delayed recall, healthy male smokers, 8991
peer attribution of socialization & health promoting behaviors vs use of alcohol or marihuana or cigarettes, 4th–5th graders, 10004
perceived responsibility & patient care practices related to tobacco use, 21–68 yr old Navy health care providers, 27132
perceived severity of cigarette health warnings & probability of occurrence & self efficacy, intentions to quit smoking, 17–64 yr old regular smokers, Australia, 3081
perceptions of smoking associated health risks for self vs typical smokers, 18–80 yr old current vs former smokers vs nonsmokers, 13391
performance on simple vs complex cognitive task, deprived vs nondeprived smokers vs nonsmokers, 8978
personal experiences with & recommended methods of alcohol & tobacco & smoking cessation, alcoholism counselors & medical personnel in chemical dependency units, 35180
personality traits & smoking motivation, 18–59 yr old smokers, 37526
pharmacological approaches to smoking cessation, smokers, 31014
plasma thiocyanate & cigarette smoking, smokers vs nonsmokers, 16659
population prevalence & self expectations & other correlates of stages in readiness to quit, adult cigarette smokers, Australia, 31011
postlearning smoking of low vs medium nicotine cigarettes, paired associate learning & memory consolidation, male smokers, 12756
posttrial nicotine with vs without distraction, delayed recall & memory facilitation, smokers, 12878
precessation vs postcessation self vs O rated symptoms of nicotine withdrawal due to self quitting, adult smokers, implications for relapse, 7223
prediction of smoking cessation intention & behavior, adults vs 18–40 yr old pregnant smokers vs nonsmokers, 6–9 mo followups, application of I. Ajzen's theory of planned behavior, 11111
predictive factors related to initiation & persistence of smoking, 13–15 yr olds, New Zealand, 29036
predictors of cigarette smoking relapse following self initiated quitting, adult smokers, 1 yr study, 1342
predictors of cigarette smoking relapse following self initiated relapse, adult smokers, 1 yr study, erratum, 15098
predictors of regular vs light levels of cigarette smoking, high risk high school students, 29061
prenatal marihuana &/vs cigarette smoking &/vs alcohol, attentional behavior & impulsivity, 6 yr olds, followup study, 17024
presmoking baseline subjective state, nicotine vs smoking induced subjective arousal & cardiovascular activity, male smokers, 749
prevalence & demographic predictors & patterns of cigarette smoking, female Puerto Rican 20–82 yr old caretakers of adolescents, 21455
prevalence of & risk factors for smoking, Latino 10–18 yr olds, 13108
prevalence of smoking, secondary school students, Ghana, 5155
prior quitting experience & self efficacy, relapse in high risk situation, ex-smokers, 3 mo & 1 yr followups, 46922
processes & stages of smoking behavior change, 35–75 yr old smokers & recent ex-smokers with vs without cardiac disease, 22321
program involvement & stage of quitting & characteristics & preferences for program features & extrinsic motivation, smokers in smoking cessation program, 39030
psychological aspects of cigarette smoking, young adults, 9 yr study, 1349
psychological stress vs human corticotropin releasing hormone vs bicycle ergometry, salivary cortisol & heart rate, male habitual smokers vs nonsmokers, 32545
psychosocial & demographic predictors of cigarette smoking onset, 6–18 yr olds, 1980–90, research review, 25205
psychosocial factors & tobacco smoking, 10–17 yr olds, Russia, 13138
psychosocial variables & parent educational attainment, cigarette smoking, 6th–12th graders, 7 yr followup, 21232
psychosocial variables & program attendance, smoking cessation, 28–76 yr old smokers, 15130
radio &/vs TV smoking prevention campaigns, expected consequences of smoking & peer approval, adolescents, 23224
rates of illegal cigarette sales & purchasing behavior from merchants vs vending machines, 11–17 yr olds, 29024
recency of smoking, reasons for smoking vs not smoking, 13 yr olds, New Zealand, 44983
recidivism following 5 Day Plan smoking cessation program, adults, Italy, 28–70 mo followup, 42956
recruitment & experimental design for assessment of lower tar & nicotine level effects on respiratory health, 18–44 yr old male smokers, UK, 7255
refusal skills oriented tobacco use prevention education, smoking & use of smokeless tobacco, 7th graders, 1 yr followup, 43187
relapse prevention training & nicotine gum vs fading, smoking cessation, 18–65 yr old smokers, Australia, 3 & 12 mo followups, 19210
risk taking & perception of own & others' smoking & satisfaction with life & health, smokers vs ex-smokers vs nonsmokers, 17420
role of nicotine addiction in tobacco use, commentary reply, 13971
role of nicotine addiction in tobacco use, 13972
role of nicotine addiction in tobacco use, commentary, 13985
saliva cotinine level during rapid weight loss, obese female smokers in weight loss program, 6 mo study, 14753
school programs with vs without mass media intervention, smoking prevention, 4th–6th graders, 4 yr study, 19212
self exempting & other beliefs about health consequences of smoking, ex-smokers vs smokers, Australia, 30705
self report vs serum cotinine levels, misclassification of smoking status, adults, 13398
sensitivity to nicotine, 21–40 yr old smokers vs never smokers, 29320
SES & demographic characteristics, beliefs about health effects of cigarette smoking, adults, 13383
sex & geographic region, prevalence of tobacco use, adults, US, 13395
sex & personality traits & susceptibility to smoking related disease, 27–65 yr old smokers, Israel, 41308
slowed nicotine elimination &/or reduced tolerance, nondependent cigarette smokers, 25456
smoke busters club, recruitment to smoking, 11–14 yr olds, Scotland, 22 mo followup, 34807
smoking & nicotine dependence & general psychological & physical health, White vs Black 21–30 yr olds, 41706
smoking & nicotine dosage, euphoria, male smokers, 12863
smoking & obesity, annual earnings, workers, 23715

smoking & quitting history & health & social support & other characteristics, abstinence rates, adult volunteers for self help quit smoking intervention, 16 mo followup, 11135
smoking bans on psychiatric units, disruptive incidents & staff attitudes, psychiatric patients & staff, 30959
smoking behavior & other cardiovascular risk factors, Asian American adults, commentary, 18333
smoking behavior & other cardiovascular risk factors, Asian American adults, 18325
smoking behavior, 12–15 yr olds with learning difficulties vs emotional & behavioral disorders in special education, Scotland vs England, 17645
smoking behaviors & motivations to quit & SES, African American vs non-Hispanic White 25–64 yr olds, 30726
smoking cessation, pulmonary maximum midexpiratory flow & forced expiratory volume & vital capacity, 24–55 yr olds, 3 & 6 mo followups, 638
smoking cessation treatment, clients with past alcohol &/or drug problems, 46925
smoking cessation trial, incidence of quitting & smoking habits, relapsed vs abstaining smokers, 1 yr followup, 7242
smoking cigarette with typical tar & carbon monoxide & minimal nicotine, heart rate & EEG & puff & breathing patterns & plasma nicotine & carboxyhemoglobin, male smokers, 12875
smoking, dietary patterns & food preference & frequency, male 65 yr olds & older, Japan, 37228
smoking habits & changes in early pregnancy & attitudes toward smoking cessation, pregnant 18–34 yr olds with vs without smoking partner, Norway, 27137
smoking habits, Black vs White adults, 17421
smoking history & motivation & social support & stress, initial cessation & long term abstinence, smokers in worksite smoking cessation program, 23235
smoking low to middle tar vs nicotine cigarettes, respiratory health, male middle tar cigarette smokers, England, 7256
smoking or coffee consumption or subjective circadian phase or brain laterality, reliability of bilateral electrodermal activity, college students, Austria, 24774
smoking patterns & motivations for & barriers to quitting, 19–64 yr old chemically dependent patients in rehabilitation, 46937
smoking policy restrictiveness & smoking status & perceptions of policies, college students, application of perceptual model of employee smoking policy satisfaction, 31574
smoking prevalence & attitudes, physicians vs medical students, Netherlands, 35184
smoking prevalence & habits, 20–79 yr old physicians residing in Minnesota, 47063
smoking prevalence, male vs female patients with panic disorder, 21881
smoking rates & behavior, physicians, 1963–88, 45169
smoking relapse, male smokers undergoing major noncardiac surgery, 1 yr followup, 14858
smoking relapse prevention in treatment of nicotine addiction, 3067
smoking related behavior & beliefs & social environments, Black female 18–39 yr olds in subsidized public housing, 17423
smoking status & demographic & other characteristics, attitudes toward antismoking legislation & knowledge of active & passive smoking health effects, Ontario residents, Canada, 25455
smoking status & sociodemographic & other characteristics, knowledge of active & passive smoking health effects & antismoking legislation compliance, Ontario residents, Canada, 25454
smoking status, adiposity & dietary intake & physical activity, adult males, 3 yr study, 1343
social influences model, prevention of alcohol & tobacco & marihuana use, adolescents, conference presentation, 7243
social networks & social support & stress, smoking behavior, African American adults, 17426
social resistance competence enhancement approach to smoking prevention, cigarette smoking & mediating variables, predominantly Hispanic urban 7th graders, 11571
sociodemographic factors & educational level & healthy lifestyle information sources & prevalence & population burden of smoking, young vs middle aged vs elderly Blacks vs Whites, 41198
sociodemographic factors, prediction of prenatal & postpartum smoking behavior & cessation, Black vs White adult pregnant females, 17425
socioeconomic factors, parents' alcohol & cigarette consumption & father's aggressiveness toward family members, low vs medium income families, Greece, 33210
stages of change & decisional balance & self efficacy, readiness for smoking cessation, 19–73 yr old former problem drinkers, 3104
status of never vs former vs current smoker, awareness of & reaction to negative behaviors of smokers, adults, 5489
steady state plasma clearance of haloperidol, schizophrenic smokers vs nonsmokers on fixed oral drug dosages, 30495
store's compliance with city no smoking law, retail store employees, 24 mo study, 31745
survey sponsored by health commission vs tobacco industry, attitudes toward tobacco company advertising & sponsorship, 13 yr olds & older, Australia, 3786
systematic evaluation & smoking cessation treatment, cigarette smoking or nicotine dependent psychiatric patients, conference presentation, 11105
targeting in cigarette billboard advertising, Blacks vs Whites, 31659
teachers' attitudes & behavioral intentions & smoking status, prevalence of student smoking, middle & junior high school teachers & 7th graders, 7486
televised smoking cessation intervention with vs without social support & relapse prevention training vs discussion group, abstinence, adult smokers, 27135
televised smoking cessation program, cessation rate, smokers, 24 mo followup, 19235
testosterone levels & parent & peer smoking, cigarette smoking, 12–14 yr olds, 13093
time series assessment of number of cigarettes smoked & salivary cotinine & carbon monoxide, smokers, test of 3 models of nicotine regulation, 1348
tobacco & alcohol use & physical activity & Type A hostility, male active military personnel & their wives, implications for cardiovascular risk prevention, 47472
tobacco smoking, continuous performance task RT, nondeprived 18–43 yr old smokers, test of withdrawal deficit hypothesis, 12867
tobacco use & smoking cessation histories & current status, recovering alcoholic or problem drinking chemical dependency counselors, 47101
tobacco use prevention curricula with content relating to social influences & physical consequences, knowledge, 7th graders, 35326
treatment of nicotine dependence, recovering alcoholic patients, 3061
unsolicited mailed self help smoking cessation program, nonvolunteer female HMO member smokers, 11113
unwillingness to quit smoking during pregnancy, smoking pattern, pregnant females, 12 mo followup, 45765
use of alcohol &/or cigarettes & progression into marihuana & other illicit & prescribed drug abuse, cohort assessed from 15 to 35 yrs old, evidence for gateway theory, 10019
use of chemical analyses in validation of smoking status, smoking cessation program participants, 46919
use of stop smoking telephone help line, HMO members, 33 mo study, 30997
use of tobacco products, 19–50 yr old Navy SEAL personnel, comparison with survey data of general Navy population, technical report, survey appended, 29319
utility & concordance of O vs self report of smoking status & use of nicotine gum & withdrawal behaviors, smoking cessation participants & their Os, 1 wk to 12 mo followups, 46926
utility of explanatory model of processes in marihuana & cigarette & alcohol use & involvement, 7th graders, 12 vs 15 mo followups, 29007
utility of signal detection methods & nicotine dependence & other risk factors for smoking relapse, adult former smokers, 6061

utility of tailored self help smoking cessation guides, adult female smokers with under 6 yr olds, 6 mo followup, 19207
utility of Tolerance Questionnaire, discrimination of major vs minor cigarette consumption, smokers, Spain, 24187
validity of self report measures with vs without bogus pipeline procedure, assessment of cigarette smoking, meta analysis, 31796
vulnerability to major depression & anxiety disorders & other psychopathology, nicotine dependent 21–30 yr old smokers, 45706
worksite characteristics & labor management relations, compliance with nonsmoking policies, employees, 47439
5-HT-3 antagonist ondansetron, cigarette smoking & smoke exposure & mood, 21–39 yr olds, 36911
Tobacco Smoking—Books
Determinants of smoking and smoking prevention in Dutch adolescents. Psychological studies, 23280
Smoking: Making the risky decision, 17431
Tobacco Smoking—Chapters
Environmentally induced changes in sensory sensitivities, 23858
Perceived costs and benefits of cigarette smoking among adolescents: Need instrumentality, self-anger, and anxiety factors, 9321
Smoking modification: Research and clinical application, 11154
Social impact of experts and minorities, and smoking cessation, 5579
Women's issues in alcohol use and cigarette smoking, 37400
Tobago [See Trinidad and Tobago]
Toes (Anatomy) [See Feet (Anatomy)]
Tofranil [See Imipramine]
Toilet Training—Serials
behavioral continence training, bladder control & self initiated toileting, severely & profoundly mentally handicapped 18–29 yr olds, 10 yr followup, 22576
Toilet Training—Chapters
Toileting problems in children, 6269
Token Economy Programs—Serials
behavioral levels & token economy systems in behavior excess management & shaping prosocial behavior & fading prompts & external control, 4–17 yr olds at inpatient child psychiatric facility, 23140
Good Behavior Game token reinforcement program, compliant classroom behavior, 4–5 yr olds, 31290
point system with response cost & contingent home visits, aggression, 16 yr old male with traumatic brain injury, case report, 2519
Social Economy Therapy program, social & living skills, long term inpatients with severe psychotic disorders, 30373
token economy programs, 9 yr old male with newspaper phobia, case report, 22573
Token Reinforcement [See Secondary Reinforcement]
Tolerance—Serials
concept of & tolerance for dissonance between events & their descriptions & role in personality development, 29421
factor analysis & cross validity of Maternal Tolerance Scale, prediction of premature withdrawal of children from treatment, mothers of 5–16 yr olds with nocturnal enuresis, 31952
group & individual tolerance as personality traits, 37502
matching pain management with coping style, pain report & tolerance, 8–10 yr olds, treatment implications, 44868
political tolerance vs traditional civics curricula, 9th graders, 23472
religious observance & attitudes & interpersonal contact & tolerance & perceptions of religious & nonreligious groups, religious vs nonreligious Jewish high school students, Israel, 44984
role of individual tolerance in goal interference model of recreational conflict, motorboaters vs canoeists, 15724
Tolerance—Chapters
Political tolerance: How adolescents deal with dissenting groups, 5242
Tolerance (Drug) [See Drug Tolerance]
Tolerance for Ambiguity—Serials
ambiguity tolerance & conflict management style & argumentativeness, innovativeness, K–12th grade teachers, 23457
intolerance of ambiguity & hopelessness as cognitive vulnerability factors for depression, college students, 13703
reliability & convergent & discriminant validity of Multiple Stimulus Types Ambiguity Tolerance, assessment of tolerance for ambiguity, college students, 31848
reliability of S. Budner's intolerance of ambiguity scale, medical students, 4029
tolerance for ambiguity & choice of practice location, 2nd yr medical students, 3234
tolerance for ambiguity & uncertainty audit qualifications, perceptions of loan risk of company's application, bankers, 47415
Tolerance for Ambiguity—Chapters
Boundary ambiguity: A block to cognitive coping, 30896
Toluene—Serials
exposure to toluene &/vs acetyl salicylic acid, auditory sensitivity, male rats, implications for occupational safety, 44650
presession interval of ip vs po ethanol & toluene, FR operant responding & motor coordination, short vs long sleep male mice, implications for genetic factors in alcoholism, 12733
toluene odor pulse intensity, olfactory EPs, male 18–30 yr olds, 12614
Tomography—Serials
advances in positron emission tomography research & contributions to neurobiological determinants, patients with schizophrenia & affective illnesses, 1604
bilateral MRI guided stereotaxic cingulotomy, 24–69 yr olds with intractable cancer or noncancer pain, conference presentation, 18917
brain computerized tomography & psychiatric & psychological diagnoses, patients with chronic brain syndrome, Yugoslavia, 22377
carbon monoxide intoxication, brain MRI & clinical outcomes, 14 mo & 41 yr old females & 43 yr old male, 4 yr followup, 42042
central pain syndrome & MRI analysis of thalamic toxoplasma abscess, 38 yr old male with HIV infection, commentary, 26227
cerebral anomalies on MRI, dyslexic 15–65 yr olds vs unaffected 6–63 yr old relatives, 33943
clinical & EEG findings, 40 day to 30 yr olds with epilepsy & focal gyral abnormalities detected by MRI, 6367
clinical applications of SPECT brain imaging in psychiatry, conference presentation, 21656
clinical symptoms & disability & MRI & somatosensory & motor EPs, 18–75 yr olds with syringomyelia, 22378
cognitive & psychiatric & MRI abnormalities, patients with clinically isolated lesions characteristic of multiple sclerosis, England, 4.5 yr followup, 18193
cognitive performance & SPECT assessed brain atrophy, elderly patients with drug vs diet treated noninsulin dependent diabetes mellitus, 26210
cognitive test scores related to early vs late computed tomography findings of lesion type & severity, 16–70 yr olds with closed head injury, Finland, 6408
computed axial tomography, detection of organic etiology of psychopathology, psychiatric patients, 41456
computerized tomography, assessment of brain damage & diagnostic utility, patients with epileptic seizures, 2239
correlation of cerebral abnormalities on spectral analyzed EEG vs SPECT, 41–79 yr olds with probable Alzheimer's disease, 30209
cranial computed tomography scan analysis, differential diagnosis, 52–84 yr olds with early vascular dementia vs Alzheimer's disease vs memory complaints, 26336
current & future applications of SPECT in diagnosis & treatment, patients with psychiatric & neurological disorders, conference presentation, 21662
developments in SPECT brain imaging & evaluation of psychiatric disorders, conference presentation, 21661
DST & brain MRI, depressed hospitalized patients, 41535
EEG & cranial ultrasound imaging & MRI abnormalities & functional & neurological outcomes, neonates with leukomalacia, Italy, 12–48 mo study, 14288

frequency & distribution of computerized tomography scanning of head & EEGs & brain MRI, general hospital patients with mental disorders, 19167
frequency of focal brain damage assessed by MRI, psychiatric patients, 21738
functional MRI techniques in psychological research & other methodological issues, adults, conference presentation, 39938
head computerized tomography scan, diagnosis or treatment change, child & adolescent psychiatric patients, 21697
high magnetic field MRI of activity of right motor cortex during contralateral vs ipsilateral vs bilateral manual task, adults, 28583
imaging technologies, structural & functional analysis of brain behavior relationships & speech & language performance & pathology, 26135
interrater reliability for drawing regions of interest on positron emission tomographic data, raters of 55–81 yr olds with mild to moderate memory impairment, 30247
interrater reliability of standardized rating scale for MRI, assessment of Alzheimer's disease, neuroradiologists evaluating elderly with brain lesions, 12037
lateralization of epileptic focus by EEG spectral values & epileptiform abnormalities & MRI & neuropsychological findings, 13–59 yr olds with temporal lobe epilepsy, 14320
lesions on computed axial tomography, intelligence & memory & cognitive dysfunction, epileptic patients, 18409
minimum norm least squares estimate, inference & imaging of regional changes in spontaneous activity & magnetic field of brain, 28600
MRI & neuropsychological measures, assessment of prefrontal brain structure & functioning, schizophrenic adults, 21828
MRI, assessment of leukoaraiosis, elderly, 34131
MRI findings & behavioral & cognitive & neuropsychological features, male with concurrent Tourette's disorder & Asperger's syndrome, 37577
MRI findings in medial temporal lobe, adult male patients with schizophrenia, 41566
MRI findings of cervical dorsal root entry zone surgery, male 31–60 yr olds with deafferentation pain with vs without root avulsion, conference presentation, 18937
MRI measurement of amygdaloid & hippocampal volume, 20–59 yr olds, Canada, implications for assessment of neurological disorders, 12559
MRI, measurement of head of caudate nucleus, adults with obsessive compulsive disorder, 21887
MRI of cerebral atrophy & white matter pathology, male 20–29 yr old drug & alcohol abusers, 41705
MRI of cerebral cortical development & malformation, autistic 8–53 yr olds, reprint, 2006
MRI of sylvian fissure size as indication of size of superior temporal gyri, schizophrenic 18–51 yr olds, 9878
MRI research in late life depression, evidence of white matter & other structural brain changes, literature review, 29595
MRI vs myelin staining, detection of myeloarchitectonic signatures of striate & extrastriate cortex, adults, 24660
National Institute of Neurological & Communicative Disorders & Stroke criteria vs SPECT, diagnosis of Alzheimer's disease, 6351
neuroimaging & related neuropathological & neurobehavioral research in schizophrenia, 45503
neurological findings & seizure outcome, 6–23 yr olds with bilateral opercular macrogyric-like changes detected by MRI, France & Italy, 6366
neuropathology assessed by positron emission tomography vs SPECT, 48–82 yr olds with dementia, 10419
neuropsychological & MRI findings, female 29 yr old with brain damage due to infarction of left tuberothalamic artery territory, case report, 34200
neuropsychological & neuroanatomical assessment & MRI & EEG, male 13 & 14 yr olds with fetal alcohol syndrome, 22000
neuropsychological & nuclear MRI & CNS abnormalities, HIV seropositive homosexual males, England, 2204
neuropsychological assessment & glucose metabolism & neuronal loss & brain atrophy, 19–34 vs 45–63 yr olds with vs without dementia with Down's syndrome, 26329
neuroradiological & neurophysiological findings, 61 yr old male with pure word deafness following acute cerebral ischemia, Italy, case report, 18319
optical imaging of architecture & function in living brain, study of cortical mechanisms in visual & other sensory perception, 24680
physiologic thalamic mapping, 57 & 58 yr olds with central pain secondary to damaging suprathalamic infarcts, case reports, conference presentation, 18328
positron emission tomography & SPECT & other neuroimaging studies of obsessive compulsive disorder, 25853
positron emission tomography assessed synaptic function & neural transmission & pathology, postmortem brains of patients with Alzheimer's disease, 46084
positron emission tomography, assessment of dopamine D2 in basal ganglia & cerebral blood flow, schizophrenic patients, research review, 13786
positron emission tomography data analysis techniques of 18F accumulation ratio vs activity in brain areas vs plasma 18F-DOPA, MPTP lesioned monkeys with parkinsonism, animal model, 28502
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary, 5864
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary, 5896
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, 5895
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary reply, 5894
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary, 5907
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary, 5873
positron emission tomography scanning of regional brain energy metabolism & dopamine receptor functions, schizophrenic patients, commentary, 5885
positron emission tomography, study of lexical processing, research review, 32429
psychopathologic & MRI & other clinical features, 15–70 yr olds with akinetic rigid vs classic hyperkinetic forms of Huntington's disease, 30226
regional cerebral blood flow imaging with SPECT, diagnosis of schizophrenia & anxiety disorders & substance abuse, conference presentation, 21665
relation of brain imaging parameters to antipsychotic drug response, schizophrenic patients, meta analysis, erratum, 30462
relation of brain imaging parameters to antipsychotic drug response, schizophrenic patients, meta analysis, 10680
research & clinical uses of SPECT in neuropsychiatry & neuroreceptor imaging based on ligand studies, 20575
research on & clinical utility of SPECT vs positron emission tomography, individual diagnosis, patients with Alzheimer's disease, 46106
sensitivity of conventional EEG vs quantitative EEG with dynamic brain mapping, assessment of abnormalities, 7–17 yr olds with chronic psychiatric disorders, 41513
SPECT analysis of cerebral blood flow, patients with Alzheimer's disease, conference presentation, 38261
SPECT analysis of regional cerebral blood flow, patients with obsessive compulsive disorder, commentary, letter, 45558
SPECT assessed Tc-exametazime uptake, patients with major depression, Scotland, 17728
SPECT, assessment of cerebral dopamine D2 receptor blockade due to antipsychotic treatment, schizophrenic 27–65 yr olds, England, 14687
SPECT brain imaging in neurological & psychiatric disorders, conference presentation, 21623

SPECT findings, schizophrenic male 24 & 48 yr olds with catatonic syndromes of unknown origin, letter, 37734
SPECT imaging of temporal hyperinfusion, patients with eating disorders, commentary, letter, 10177
SPECT in benzodiazepine & dopamine neuroreceptor imaging, conference presentation, clinical implications, 20540
structural & functional brain imaging in schizophrenia, 29708
subcortical white matter hyperintensity on MRI & relationship to cognitive performance, healthy 45–84 yr olds, 36569
tacrine, neuropsychological performance & cholinergic nicotinic receptors & glucose metabolism, 64–72 yr olds with Alzheimer's disease observed prior to & 3 wk & 3 mo posttreatment, Sweden, 26912
teeth clenching during panic & anticipatory anxiety, cerebral blood flow assessed by positron emission tomography, adults, 554
test retest reliability of positron emission tomography analysis of age effects on raclopride binding & putamen to cerebellum ratios, healthy adults & schizophrenic patients, 9871
utility of SPECT in early diagnosis, male 56 yr old with progressive multifocal leukoencephalopathy, letter, 38243
value of cerebral computer tomography & MRI for differential diagnosis, patients with Alzheimer's disease vs other causes of dementia, 26330
3-dimensional image analysis, assessment of trauma induced degenerative change, 39 yr old male with severe closed head injury, case report, 2241
3-dimensional tomography of lumbar spine, diagnosis of physical abnormalities, 27 & 52 & 54 yr old males misdiagnosed with psychogenic pain, case reports, 26180

Tomography—Books

Positron-emission tomography in schizophrenia research. Progress in psychiatry, No. 33, 37759

Tomography—Chapters

Cognitive and neuroimaging changes in multiple sclerosis, 30093
CT, MRI, and PET studies of hippocampal pathology in Alzheimer's disease, 14386
Laterality in schizophrenia: Positron-emission tomography studies, 37762
The neurobiology of learning disabilities: Potential contributions from magnetic resonance imaging, 45826
Neuroimaging and cognitive function, 2338
Neuroimaging in neuropsychiatry, 1646
Neuroimaging studies of depression in neurologic disease, 38314
Positron-emission tomography and regional brain metabolism in schizophrenia research, 37761
Positron-emission tomography: From the physics to the instrument, 36463
SPECT imaging in medical psychiatry, 45359
Structural brain imaging and ECT, 30547
The use of positron-emission tomography in identifying and quantitating receptors involved in schizophrenia, 37769

Tone (Frequency) [See Pitch (Frequency)]

Tongue [See Also Taste Buds]—Serials

chemical & mechanical stimulation of tongue, afferent discharge of glossopharyngeal nerves, frog larvae, implications for neural development, 20535
nasoincisor duct lesion &/vs chorda tympani nerve section removal of anterior tongue taste input, behavioral response to sucrose, male rats, implications for synergistic contribution, 40413
patient opinion on etiology, 45–89 yr olds with burning mouth syndrome, UK, 22224
perception of tongue position, adults, 24280
psychodynamic & psychopathological characteristics, patients with glossodynia, Germany, 10242
social & chemoreceptive behaviors & tongue extrusion rates, desert iguanas, 4437
stimulus duration & intensity, lingual vibrotactile threshold shift recovery times, adults, 39972
tactile threshold shifts during magnitude estimation scaling of vibratory stimuli on dorsal surface of tongue, 5–9 yr olds with vs without articulation problems, 10193

Tongue [See Also Taste Buds]—Chapters

Measurement of tongue strength and endurance in normal and articulation disordered subjects, 41927

Tonic Immobility—Serials

ablation of various telencephalic areas, unconditional approach responses & tonic immobility & open field behavior, newly hatched quail chicks, implications for neural basis of imprinting, 44409
arginine-8-vasopressin, sudden silence stress induced bradycardia & immobility, 3 vs 14 vs 20 vs 25 mo old male rats, 24855
bilateral intrastriatal dynorphin A & related nonopioid fragment &/vs naloxone, dorsal immobility, male rats, 36834
bilateral intrastriatal enkephalins with vs without naloxone, dorsal immobility & vertical cling & horizontal bar grasping, male rats, 4870
chronic dietary lithium, forced swim test induced immobility & cholinergic induced locomotor activity, male Flinders Sensitive vs Resistant Line rats, animal model of depression, 8973
chronic immobilization stress with vs without serotonin antagonist vs beta-2 adrenergic blocker pretreatment vs chronic corticosterone, immobility time in tail suspension test, male mice, 24870
forced swimming in fresh vs same vs other rat strain soiled water, immobility, male Maudsley reactive vs nonreactive vs Sprague Dawley rats, animal model of anxiety &/or depression, 24814
grasping vs bandaging vs clamping restraints, immobility response, male Mongolian gerbils, 44206
handling by hand vs mechanical conveyors, fear assessed by tonic immobility, laying hens, 36346
heptapeptide deltorphin, hippocampal electrical activity & activity level & immobility, male rabbits, implications for role of delta opioid receptors, 28582
medial frontal cortex lesions, respiration & immobility & ultrasonic vocalization during conditioned emotional responses, male rats, 20527
neonatal clomipramine, immobility in forced swim test, male rat pups, validation of new animal model of depression, 4951
oxytocin vs vasopressin hexapeptide fragments, conditioned freezing behavior, female rats, erratum, 36888
oxytocin vs vasopressin hexapeptide fragments, conditioned freezing behavior, female rats, 12897
physiological tonic immobility as explanation of nonresistance during attack, 18–61 yr old rape victims, 29912
somatosensory pressure, tonic immobility & grasping reaction, bilaterally labyrinthectomized male rats, 44428
tail pinch preceded by neck pinch, tail pinch induced analgesia & immobility, male mice, 28505
upright carrying vs stroking vs inverted carrying, tonic immobility fear reactions, aged Isa Brown laying hens vs young Ross broilers, 12339
vitamin C supplement, corticosterone & tonic immobility fear reactions to stress situations, Japanese quail chicks with high genetic response to stress, 36875

Tool Use—Serials

age & conventional vs nonconventional tool use, reasoning in measurement problem solving, 6–10 yr olds, England, 44891
food stimulus, combinatorial object manipulation & tool use, infant baboons, 12368
imitation of mother's object manipulation & exploration behaviors, 6 vs 12 mo olds, 28966
knowledge transfer & construction of mental models & learning by doing in use of computer as tools, 35653
phylogeny & ontogeny of hierarchical organization in speech & manual object combination & evolution & neural substrates of language & tool use, humans & primates, commentaries with reply, erratum, 8637
sex & social housing, object manipulation, younger vs older rhesus monkeys, 40308
social isolation, development of combinatorial manipulation, 1–6 vs 3–6 mo old baboons, implications for comparative psychology, 24549
social learning & tool use imitation, chimpanzees vs 2 yr old humans, 44247

standing vs running water troughs with vs without novel objects, tool use & temperament & activity & exploration & social interactions & tension & physical condition, captive rhesus monkeys, 24607
tool use & nut behavior, wild chimpanzees, implications for cognitive development, 32316
Tool Use—Books
Chimpanzee material culture: Implications for human evolution, 28384
Tools, language and cognition in human evolution, 32283
Tool Use—Chapters
Aspects of transmission of tool-use in wild chimpanzees, 32350
Capuchin monkeys: A window into tool use in apes and humans, 32358
The complementation theory of language and tool use, 32356
Disorders of language and tool use: Neurological and cognitive links, 33505
The intelligent use of tools: Twenty propositions, 32355
Layers of thinking in tool behavior, 32196
Tool-use, sociality and intelligence, 33053
Tools and language in human evolution, 32913
Top Level Managers—Serials
behavioral complexity in leadership, firm performance, CEOs & company presidents, 47376
career success & advancement factors, female upper vs middle level retail executives, 43423
CEO, structure & strategy making processes, large corporations, 39468
conceptualization & theories of leadership, management executives, Australia, 47386
Cross Cultural Value Network Paradigm for personal value & cross national marketing management & organizational behavior, business executives, US vs India, 39474
demographic characteristics & psychological correlates, business ethics orientation, high level executives, 35558
development of organizational culture based on humor & altruism & cultural values, Southwest Airlines founder H. Kelleher, 15680
environmental scanning activities & competitive organizational strategic management strategies, CEOs, 19686
executive compensation & board of directors' supervision & conditions in simulated labor market, unauthorized leave taking as opportunistic behavior, business students as mock executives, 3679
firing of key corporate executive & simultaneous vs subsequent announcement of temporary vs permanent replacement by insider vs outsider, reactions & market returns, investors, 1963–87, 31540
gaming simulation perspective on post Communist management standards & culture, executives, Poland, 15626
human resources development program covering supervisory & management & executive practices, 43435
informational equivocality & bias, organizational attributions & shared cognitive schema, top strategic managers, test of R. L. Daft & K. E. Weick's convergence argument, 39470
internal & external variables, changes in perception over time & dealing with environment & causal attributions, telecommunications firm top managers, Sweden, 43432
issue selling in business organizations, top management, 47426
leadership styles, managerial effectiveness, 23–38 yr old executives vs supervisors, India, 19696
management & evaluation of executive development process, managers, 31527
methods for gaining access to & interviewing CEOs & data collection, sociologists, 35567
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27661
organizational consultation, company CEO with narcissistic personality & borderline features, 27657
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27652
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27648
organizational consultation, company CEO with narcissistic personality & borderline features, commentary, 27656
perceived purpose & meaning & leadership style, executives, 39465
perceptions of own vs competitors' use of questionable intelligence gathering techniques, manufacturing firm CEOs, 31524
personal & social & leadership qualities & values & role demand requirements in executive advertisements, Scandinavia vs Great Britain vs France vs Germany, 35568
personality assessed by Myers-Briggs Type Indicator & correlation with work performance, Chinese vs European middle & senior managers, 19685
prevalence of & attitudes toward unauthorized copying of microcomputer software, business executives vs college faculty, 35566
procedural justice & organizational commitment & trust in head office management & outcome satisfaction, compliance with multinationals' strategic decisions, subsidiary top managers, 39464
reliability & validity of retrospective accounts as indicators of past business strategy, CEOs, 15627
role of organizational performance & power distribution in dismissal, top managers & CEOs, 11633
self efficacy in tactical & strategic organizational decision making, middle vs upper level managers, Canada, 31519
service focus inside vs outside organization & customer contact, perceptions of importance of top management visibility, service based professional employees, 27681
sex & age, work stress, 24–45 yr old executives, India, 47369
shared social networks & power of target vs bidding firms' managers, resistance vs cooperation during tender offer takeovers, top managers, 47372
situation vs person centered explanation for scarcity of females' advancement & partnership positions in accounting organizations, male vs female accountants, 39467
sociopolitical structures affecting relationship between board & CEO & organizational youth & decline, leadership instability & frequency of succession in top management position, hospitals, 35557
Strategic Research Interview Method, assessment of leader's preoccupations & relationship patterns & organizational outcome, executives & entrepreneurs, 23737
strategic sensemaking processing of information scanning & interpretation of strategic issues & product service change, organizational performance, hospital CEOs, 31533
top management commitment, success of management by objectives program & job satisfaction, employees, meta analysis, 23745
Type A behavior pattern, perceived environmental uncertainty & organizational strategies, 30–67 yr old executives, 3682
Top Level Managers—Chapters
Basic principles in board development and training, 23390
Topography—Serials
features of videotaped & photographed real world terrain salient for low altitude flight, National Guard & Air Force pilots, US & Germany, implications for simulator design, 27816
Torticollis—Serials
dysregulation model of illness in psychoanalysis, male analysand with spasmodic torticollis, 46394
EMG biofeedback training with vs without posture feedback, muscle tension & posture distortion, 71 yr old female with spasmodic torticollis, Australia, case report, 46624
features & treatment of spasmodic torticollis during alcohol withdrawal, male 43 & 44 yr olds with history of heavy alcohol intake, case reports, 35012
obsessive compulsive characteristics, patients with idiopathic spasmodic torticollis, 6211
progressive relaxation & positive practice & visual feedback, 29 yr old male with spasmatic torticollis, 2 yr followup, implications for role of anxiety, 2766
Torture—Serials
changes in attitudes & feelings concerning position in life & experience, 20–48 yr old victims of political torture & organized violence, England, 29776
cultural influences in approaches & responses to psychotherapy, South American vs Indochinese refugee survivors of torture & trauma, 6510

individual & group therapy & community education & other treatment, torture survivors, literature review, 14466
issues in multidisciplinary & specific treatment of trauma from political torture, culturally diverse female refugees living in exile, 26379
mental health & illness effects on individual & community, torture victims, literature review, 13879
mental reactions & coping strategies, immigrant 5–13 yr olds from exiled families with parent who had been tortured in home country, Denmark, 21941
multidisciplinary rehabilitation including oral history technique, empowerment, Cambodian female torture survivors with PTSD, 27118
psychiatric morbidity, survivors of torture & other organized state violence, 25928
psychoanalytic psychotherapy, experience of being "living dead," schizophrenic patients & torture survivors, 42367
science as theology & spiritualism in psychotherapeutic treatment of satanic ritual abuse or torture, commentary, 18553
sexual violence as aspect of torture, male refugees, Europe, 29816
Torture—Books
Torture and its consequences: Current treatment approaches, 25943
Torture—Chapters
Behavioural and cognitive approach in the treatment of torture-related psychological problems, 26542
Long-term effects of torture in former prisoners of war, 25955
Multidisciplinary approach in the treatment of torture survivors, 27124
Overview: The assessment and diagnosis of torture events and symptoms, 25957
The physical sequelae of torture, 25963
The prevention of torture and the clinical care of survivors: A field in need of a new science, 26411
Psycho-social consequences of torture: Current knowledge and evidence, 25966
Psychodynamic approaches in the treatment of torture survivors, 26710
Psychological effects of torture: An empirical study of tortured and non-tortured non-political prisoners, 25959
Psychosocial consequences for tortured refugees seeking asylum and refugee status in Europe, 25946
Psychotherapy for torture survivors, 26529
Rehabilitation of survivors of torture and political violence under a continuing stress situation: The Philippine experience, 27125
The role of uncontrollable and unpredictable stress in posttraumatic stress responses in torture survivors, 24836
Sexual torture and the treatment of its consequences, 26409
Surviving sexual assault and sexual torture, 13911
Terrorism and torture, 33568
Torture and the helping professions in South Africa, 25949
Torture in Argentina, 25950
Torture in Pakistan, 25954
Trauma related to torture, detention, and internment, 45360
Totalitarianism—Chapters
On the psychodynamics of organizational totalitarianism, 43507
Touch [See Tactual Perception]
Touching [See Physical Contact]
Tourette Syndrome [See Gilles de la Tourette Disorder]
Toxic Disorders [See Also Alcohol Intoxication, Carbon Monoxide Poisoning, Drug Induced Congenital Disorders, Lead Poisoning, Mercury Poisoning, Narcosis, Neuroleptic Malignant Syndrome, Toxic Encephalopathies, Toxic Psychoses] —Serials
carbamate physostigmine, soman organophosphate poisoning & cholinergic toxicity symptoms & cholinesterase inhibition, male rats, 36837
deliberate self poisoning, Asian & Caucasian 12–15 yr olds admitted to hospital following overdose, England, 1843
development of pharmacological treatment for environmental toxicant induced cognitive deficits, 46677
ethanol & probenecid ingestion & death, male 36 yr old with previous suicide attempt, 13883
etiological role of passive marihuana usage & child neglect & abuse, water intoxicated male 3 mo old with hyponatremic seizure & hypothermia, case report, conference presentation, 38278
lithium intoxication, male 62 yr old with mixed misidentification syndrome with features of Capgras syndrome, case report, 1619
methylenetetrahydrofolate reductase deficiency & mental deterioration & severe paraparesis with areflexia & other clinical features, 16 yr old female with chronic arsenic poisoning, case report, 26156
motor & memory & psychiatric disturbances, patients with Wilson's disease with vs without neurologic impairment, conference presentation, 6244
proportion of suicide in fatal poisoning by antidepressants vs neuroleptics vs barbiturates vs benzodiazepines, Finland, 21963
propranolol toxicity, 81 yr old female with amnestic Alzheimer-like subacute dementia, case report, 14818
screening difficulties & methods, 2 mo old male with extreme lethargy due to alprazolam poisoning by mother, case report, 33772
taxonomy of behavioral & environmental antecedents of poison ingestions, 3–7 yr olds, 22177
Toxic Disorders [See Also Alcohol Intoxication, Carbon Monoxide Poisoning, Drug Induced Congenital Disorders, Lead Poisoning, Mercury Poisoning, Narcosis, Neuroleptic Malignant Syndrome, Toxic Encephalopathies, Toxic Psychoses] —Chapters
Neuropsychological assessment in alcohol, drug abuse and toxic conditions, 28061
Toxic Encephalopathies—Serials
aluminium intoxication & dialysis encephalopathy syndrome, undialysed 45 & 48 yr old females with chronic renal failure, 10845
childhood lead exposure & early lead encephalopathy, nervous system development & learning skills & disorders, children & adolescents & adults, 22159
memory & attention efficiency, patients with toxic encephalopathy due to organic solvent exposure, 18173
Toxic Encephalopathies—Chapters
Neurobehavioral effects of toxic exposures, 22166
Toxic Psychoses—Serials
auditory ERPs during syllable discrimination task, 20–58 yr olds with methamphetamine psychosis, 45508
olfactory limbic model of multiple chemical sensitivity syndrome & relationships to kindling & affective spectrum disorders, literature review, 14146
sociodemographic data & diagnosis & circumstances & symptoms at admission, psychotic 16–65 yr olds with vs without cannabis positive urinalysis, England, 29714
3,4-methylene-dioxyethylamphetamine, development of toxic psychosis, healthy volunteers, letter, 25982
Toxic Waste [See Hazardous Materials]
Toxicity—Serials
anticholinergic activity of parent compounds of prescribed medications, postoperative delirium, 29–74 yr old surgical intensive care patients, reanalysis of original data, 38739
awareness of lithium toxicity risks, psychiatric patients, letter, 26780
chronic ethanol, GABA & NMDA receptor activation & glutamatergic transmission in excitotoxicity & related brain damage, animals, animal models, 40614
cocaine, plasma cholinesterase activity decrease & lethality, female mice, animal model of cocaine toxicity, 32634
cytotoxic properties of blood serum, 19–60 yr olds with borderline disorders, 17876
detoxification of domestic gas, suicide rate using domestic gas vs other vs all methods, 1950–62 vs 1963–75, Scotland, implications for suicide prevention, 21934
fatal toxicity indices of tricyclic antidepressant & other drugs, UK, 45627
fluoxetine prior to recreational MDMA, serotonergic mechanisms underlying subjective effects & neurotoxicity, 23–45 yr olds, 45737
intentional acute & chronic lithium toxicity, female 43 & male 54 yr old with bipolar disorder, 6698

lethal doses of iv cocaine, pathophysiological & pharmacological mechanisms of lethality & death, 16873
lithium & sodium diet, circadian rhythm of lithium clearance & toxicity, male mice, 16864
lithium induced neurotoxicity at normal therapeutic levels, female 33 & 49 & 68 yr olds with bipolar disorder & depressed mood, 42407
medical & psychiatric risk factors, therapeutic lithium toxicity, 25–71 yr old psychiatric patients, 42479
MK-801, cocaine induced BP & heart rate & body temperature & toxic responses & convuisions, male spontaneously hypertensive vs normotensive rats, 20972
perception & knowledge of toxic & lethal potential of acetaminophen overdose, 14–18 yr olds, implications for suicide, 1846
prenatal or neonatal locoweed, taste aversion learning, lambs, 36856
psychotropic drugs used as antidepressants, behavioral toxicity, adults, 714
role of nitric oxide in glutamate excitoxicity & neurotoxicity in chronic alcohol exposure, animals, literature review, 4847
sensitivity & specificity of screening serum chemistries, detection of disulfiram induced liver test dysfunction, alcoholic inpatients, 42969
symptoms & differential diagnosis of & risk factors for acute & chronic reversible & irreversible lithium neurotoxicity, 10692
use of computerized performance testing batteries in neurobehavioral toxicology, 123
utility of neurobehavioral screening battery, differentiation of effects of permethrin vs cypermethrin pyrethroids, rats, protocol appended, implications for toxicity classification, 39747
Toxicity—Chapters
Aluminum ingestion: A risk factor for Alzheimer's disease?, 26356
Behavioral toxicology: A new agenda for assessing the risks of environmental pollution, 7796
Caveats in hazard assessment: Stress and neurotoxicity, 25022
Central nervous system plasticity and pathology induced by exposure to organophosphate pesticides, 26147
The concept of direct and indirect neurotoxicity and the concept of toxic metal/essential element interactions as a common biomechanism underlying metal toxicity, 26141
Convulsive disorders: Toxicity of anticonvulsants, 10877
Intestinal absorption of aluminum: Relation to neurotoxicity, 26151
Methylmercury neurotoxicity and its uptake across the blood–brain barrier, 25018
Neuropsychological toxicology, 14392
The neurotoxicity of methylmercury in the developing nervous system, 26146
Silver impregnation of organophosphorus-induced delayed neuropathy in the central nervous system, 25025
Toxins [See Poisons]
Toy Selection—Serials
gender constancy & judgments of cross gender behavior & gender typed toy preferences, 3–6 yr olds, Israel, 17166
pen size, toy preference, 4 wk old gilts, 20398
Toy Selection—Chapters
Sex differences in aggressive play and toy preference, 13172
Toys [See Also Anatomically Detailed Dolls, Educational Toys]—Serials
familiar vs unfamiliar toys, exploratory behaviors, male vs female 5 mo olds, 1110
independent vs toy centered play with mother, affective responses, preterm medically high vs low risk 6 mo olds, 14169
mastery motivation in toy exploration & parental perceptions of child's play & childrearing attitudes, 1 yr olds & their parents, US vs Korea, 25129
models & services of toy libraries, children & families, Sweden & UK & Canada & Australia, 38878
nouns & verbs in maternal speech during toy vs nontoy play, tokens & nouns in early lexicon, 1 yr olds & their mothers, 28919
role of toys in instigation of playful creativity & imagination, children, 5227
televised toy advertisement in related adjacent vs nonadjacent toy based cartoon, advertisement/cartoon distinctions & perceived commercial intent, female 4–6 vs 7–8 vs 9–11 yr olds, 25170
toy realism & instruction & modeling & free vs structured play content, symbolic play development, 20–26 mo olds with expressive specific language impairment, 18163
type of play materials, vocabulary & amount & richness of language in play with educational toys, 2–6 yr olds, South Africa, 40927
Toys [See Also Anatomically Detailed Dolls, Educational Toys]—Chapters
Block play, 46284
Finger puppets and mask making, 46268
Tracking [See Also Rotary Pursuit, Visual Tracking]—Serials
arm tracking performance with vs without visual feedback, clumsy 6–7 vs 10–11 yr olds, 984
impairment of simple RT & predictive tracking due to deficit in response initiation vs movement accuracy in absence of visual target, patients with Parkinson's disease, 42057
manual & hemispheric specialization in joystick manipulation in tracking paradigm, RT & transfer, baboons, 24715
monocular vs binocular vision & advance vs retreat to maintain ball's constant vertical optical velocity & estimated trajectory ball catching, adult softball players & college students, 16248
rhythm providing timing cues, acquisition of motor skills in tracking task, 18–25 yr olds, 8272
task specificity & vision, schema development during pursuit tracking acquisition, right handed college students, Canada, 36136
vehicle & track width, speed & errors in automobile driving & self paced tracking task, 18–25 yr old college students, safety implications, 23863
visual feedback deprivation & imaginary targeting, intermittency in visuomotor tracking responses, 22–45 yr olds, 40058
visual or motor acuity, error deadzone area in compensatory visuomotor tracking, adult males and male monkey, 24363
Tractotomy—Serials
descending trigeminal tractotomy, 48–71 yr olds with surgically failed trigeminal neuralgia, 9 mo to 15 yr followup, conference presentation, 18910
Traditionalism [See Conservatism]
Traffic Accidents (Motor) [See Motor Traffic Accidents]
Trainable Mentally Retarded—Serials
age & sex & motor & social communication skills, self reported preferences for & participation & interests in leisure activities, moderately mentally retarded 33–79 yr olds, 45837
aggressive incidents, male moderately to severely mentally handicapped residents of long term care center with vs without psychiatric diagnosis, Ireland, 34929
Asperger's syndrome & transvestism & sexually offending behavior, moderately mentally handicapped male 38 yr old, England, case report, 41867
autism & moderate or severe mental retardation, 6–15 yr olds with fetal alcohol syndrome, Canada, 6065
behavior during group teaching, 16–21 yr olds with moderate or severe mental retardation vs their teachers, 15514
behavior management & coercive control & positive exchange in inhome interactions, parents of 6–18 yr olds with vs without mild or moderate mental retardation, 38039
behavioral training through parent participation & training, mentally handicapped 4–8 yr olds & their mothers, India, 26579
chlorpromazine vs thioridazine, discrimination learning, 10.9–14.8 yr olds with moderate mental retardation, 30443
choral vs individual responding during small group word reading instruction, moderately mentally retarded 10–13 yr olds, 31417
chromosome 18 mosaicism, autistic female 15 yr old with moderate mental retardation, 45796
cognitive profiles, mildly vs moderately vs severely mentally retarded adolescents, 14087

communicative context of listener happy vs sad affective state & busy & idle activity level, linguistic form of directives, mildly to moderately mentally retarded 10–20 yr olds, 26094
constant time delay in small group instructional arrangement, sight word reading, moderately mentally retarded 8.7–12.8 yr olds, 35439
constant time delay procedure with adaptive device, training in selection of lower priced grocery items, moderately mentally retarded male 14–19 yr olds, 10541
constant time delay teaching procedure, chained vocational skills, trainable & educable mentally retarded high school students, 43311
decision making in major life actvity areas, residents with mild or moderate intellectual disability in community residential units, Australia, 46825
divided half instruction, chained skill education in nonschool setting, moderately mentally retarded 16–18 yr olds, 7192
educational support & placement, trainable mentally retarded students with severe problem behaviors, 15502
fire safety & exiting training using video prompting, moderately intellectually handicapped 21–35 yr olds living independently, New Zealand, 14574
frequency of work related skills on individual education plans, moderately mentally retarded students, 43324
group cognitive behavioral treatment, self blame & guilt, mothers of moderately to profoundly mentally retarded children, 38509
handedness, nonspeaking 8–37 yr olds with moderate or severe or profound mental retardation, 22128
health care, parents of children with moderate vs severe mental retardation, Canada, 18997
hearing ability & performance on cognitive tasks, adolescents & young adults with Down's syndrome vs moderate mental retardation, 14072
individual teaching vs room management, individual instruction, 20–30 yr olds with profound or moderate mental handicaps & aphasia, 3008
intention action correspondence training, intention exercise correspondence, 13 yr old males with moderate mental retardation, 15079
mainstreaming, student on task behavior & teacher approving vs disapproving comments, regular & moderately or mildly intellectually handicapped primary school students & their teacher, Australia, 31392
medication utilization & behavior problems, moderately mentally retarded adults, 30470
mentor model of individualized residential habilitative foster services for developmentally disabled, male moderately mentally retarded 32 yr old & 30 yr old with quadriplegic cerebral palsy, 15077
peer teaching program, acquisition & generalization of first aid skills, 7–11 yr olds with mild or moderate intellectual disabilities, 23628
perceptions on facilitating friendships between disabled & nondisabled students, teachers of students with moderate to profound disabilities, 43320
personal photographs in training, development of verb usage in response to figural stimuli, moderately mentally retarded 10–11 yr old students, 23621
preinstruction & vocational training, functional use of assistive communication device, moderately mentally retarded male with cerebral palsy, 15189
prevalence of personality disorders, mildly to moderately mentally handicapped 20–77 yr olds with epilepsy, 14062
school based self management skills program, transfer to home environment, moderately to severely mentally retarded 15–18 yr olds, 10539
self scheduling & training, self directed leisure activities, 31–57 yr olds with moderate intellectual disabilities living in supported community, 3040
SES & child cognitive functioning, parenting attitudes & behaviors & problems, parents of mildly or moderately mentally retarded 6–18 yr olds, 14065
sex education program, sexual knowledge, 17–49 yr olds with mild or moderate intellectual disabilities, 23196
simple number games teaching method, counting ability, moderately mentally handicapped 11.6–18 yr olds, 3 mo followup, 27585
simultaneous prompting vs constant time delay procedures, sight word learning, moderately mentally retarded 10–11 yr old students, 7530
social & verbal interactions, 22–66 yr old employees with moderate or severe mental retardation, 26085
social guide model, social relationships, adult females with moderate to severe mental retardation, 38472
social skills problem solving training, teaching & generalization of question asking across settings & coworkers, moderately mentally retarded 23 & 41 & 44 yr old workers, 23295
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, commentary, 39362
system of least prompts in small group instruction, acquisition of discrete skills & word reading & secondary nontarget stimuli, moderately mentally retarded 7–9 yr olds, 39333
Task Demonstration Model vs Standard Prompting Hierarchy in group instruction, correct responses & task engagement, severely or moderately mentally retarded 16–21 yr olds, 3553
validity of Rockport Fitness Walking Test, cardiorespiratory fitness, moderately mentally retarded male adults, 3963
Training [See Education]
Training (Athletic) [See Athletic Training]
Training (Clinical Methods) [See Clinical Methods Training]
Training (Clinical Psychology Grad) [See Clinical Psychology Grad Training]
Training (Community Mental Health) [See Community Mental Health Training]
Training (Graduate Psychology) [See Graduate Psychology Education]
Training (Mental Health Inservice) [See Mental Health Inservice Training]
Training (Personnel) [See Personnel Training]
Training (Psychiatric) [See Psychiatric Training]
Training (Psychoanalytic) [See Psychoanalytic Training]
Training (Psychotherapy) [See Psychotherapy Training]
Trains (Railroad) [See Railroad Trains]
Tranquilizing Drugs [See Also Amitriptyline, Chlordiazepoxide, Chlorpromazine, Fluphenazine, Haloperidol, Molindone, Neuroleptic Drugs, Perphenazine, Phenothiazine Derivatives, Pimozide, Promazine, Reserpine, Thioridazine, Thiothixene, Trifluoperazine]—Serials
alpidem, benzodiazepine withdrawal, 22–63 yr old chronic normal dose benzodiazepine users, 42449
alpidem, psychomotor & mnesic performance, 65–80 yr olds with generalized anxiety or adjustment disorders with anxious mood, Italy, 18725
alpidem vs lorazepam, EEG & auditory EPs & RT & skin conductance & memory & cognitive & psychomotor performance & clinical status, patients with anxiety disorder, England, 6770
alpidem vs lorazepam, 20–59 yr olds with generalized anxiety disorder, 6718
alpidem, 18–65 yr olds with panic disorder with vs without agoraphobia, 38592
amphetamine vs fenfluramine vs cholecystokinin vs diazepam vs chlorpromazine, visual reinforcement vs food maintained responding, rhesus monkeys, 40538
angiotensin II receptor antagonist DuP753, anxiolytic-like inhibition of suppressed behavior in light/dark aversion test, male albino BKW mice, 32575
anpirtoline, light dark aversion & 5-HT receptor affinity, male mice, implications for anxiolytic-like potential of anpirtoline, 44679
antiaggressives fluprazine & eltoprazine vs various 5-HT receptor agonists, anxiety & fear related behaviors in elevated maze test, male mice, 28774
anxiolytic & antidepressant function & action of arylpiperazine derivatives, 12845
anxiolytic activity of 5-HT3 antagonist BRL 46470A, rats & rabbits & guinea pigs, animal models of anxiolysis, 44582

anxiolytic DN-2327 vs diazepam vs pentylenetetrazol discrimination in operant learning paradigm, male rats, 44738
anxiolytic effect of clonidine vs alpha 2-adrenoreceptor agonist UK-14,304, conflict behavior, female rats, 20856
anxiolytic vs nonanxiolytic drugs, social competition & development of hierarchies, male rats, animal model of anxiolytic treatment of anxiety, 4832
anxioselective anxiolytic DN-2327 vs diazepam, vs buspirone, EEG & sleep wake stages & motor & other behavior, cats, 24895
bentazepam vs cloracepate, 18–65 yr olds with anxiety disorders, 2639
beta carboline abecarnil, epileptic activity vs slow wave vs REM sleep vs EEG vs voluntary vs automatic vs immobile behaviors, WAG/Rij vs Wistar rats, animal model of epilepsy treatment, 4764
beta-CCE & FG 7142, dopamine release & metabolism in nucleus accumbens, male rats, 20923
buspirone vs gepirone, iv cocaine self administration, male rhesus monkeys, implications for treatment of cocaine abuse, 12785
cerebral depressant & anxiolytic properties of benzodiazepines vs 5-HT receptor ligands, implications for animal models of drug treatment of anxiety, 4846
chronic abecarnil vs diazepam, withdrawal symptoms, male mice, 36885
clovoxamine fumarate, depression vs anxiety, 18–70 yr olds with major depression, implications for drug classification, 22709
conditioned taste aversion, discrimination between chlordiazepoxide or serotonin agonist tetralin vs saline, male rats, 4948
d-AP159 vs buspirone, anticonflict activity, male rats with intradorsal raphe lesions of serotonergic neurons, 21013
development of new anxiolytics & antidepressants for treatment of anxiety & depression, conference presentation, 46438
dexmedetomidine, learning & memory in passive avoidance & water maze tasks, male rats, 12892
diazepam or flesinoxan vs fluvoxamine or desmethylimipramine, footshock induced long lasting motor responses, male rats, 25002
diazepam vs ipsapirone vs putative anxiolytic, extracellular 5-HT & 5-HIAA in ventral hippocampus during elevated X-maze behavior, male rats, 21048
drug therapy with minimal anxiolytic dependence & abuse, patients with anxiety, conference presentation, 46521
efficacy & withdrawal effects of alpidem vs lorazepam, patients with anxiety disorders, 22745
gepirone vs diazepam vs ethanol, high frequency ultrasonic vocalizations elicited by anesthetized conspecific, male vs female rats, 36724
neuropharmacology of new potential anxiolytic F2692, male rats, 36708
pharmacological properties & mechanism of action of cyclopyrrolones zopiclone & suriclone, mice & rats, 16870
prediction of initiation & cessation of buprenorphine vs temazepam use, 15–25 yr olds, Scotland, 1 yr followup, 10013
prevalence of benzodiazepine use & anxiolytic drug abuse & dependence, alcoholic patients, Canada, 29880
ranitidine, adinazolam & N-desmethyladinazolam pharmacokinetics & pharmacodynamics, healthy males, 773
rectal doxepin &/vs carbamazepine, seizures & pain, cancer patients, 22943
serotonin antagonist GR 38032F vs chlordiazepoxide vs 5-HTP, potentiated startle response, male rats, animal model of anxiolytic treatment of anxiety, 4802
tolerance to & dependence on & other neuropharmacological properties of potential anxiolytic F2692, benzodiazepine withdrawal in elevated plus maze, male rats, 36738
trimipramine vs oxaprotiline vs doxepine vs their stereoisomers, calcium uptake in hippocampal synaptosomes, male rats, 36718
use of DSM-III-R criteria for generalized anxiety disorder for studies of anxiolytic efficacy, literature review, 34562

Tranquilizing Drugs [See Also Amitriptyline, Chlordiazepoxide, Chlorpromazine, Fluphenazine, Haloperidol, Molindone, Neuroleptic Drugs, Perphenazine, Phenothiazine Derivatives, Pimozide, Promazine, Reserpine, Thioridazine, Thiothixene, Trifluoperazine]—Chapters
Anxiolytics, sedatives, and miscellaneous drugs, 46180
Prescribed psychotropic drugs: The major and minor tranquillizers, 10746
What are the differences between abecarnil and conventional benzodiazepine anxiolytics?, 12927

Transactional Analysis—Serials
Adlerian & neo-Freudian concepts in E. Berne's transactional analysis, 29481
affective & nonintrusive touch techniques in model for transactional analysis, victims of childhood sexual & physical abuse, 2433
application of game analysis on intrapsychic & interpersonal planes to transactional analysis, adults, 26478
integration of intuitive right hemispheric creativity in supervision session for transactional analysis treatment planning, 26429
integration of transactional analysis concepts into rehabilitation, patients with physical disability, 27114
paradigms & models of ego states in transactional analysis, 46199
principles of group developmental sequences & application to music therapy, review of psychotherapy & transactional analysis & behavior therapy models, 18828
rainbow specs as therapeutic tool, linkage of colors to transactional analysis ego states, 9 yr old & older clients, 2479
separation of individual & social psychiatry in transactional analysis using Drama Triangle & Game Pentagon, female & 3 male clients, 46230
transactional analysis as humanistic psychotherapy & physis as unconscious drive toward health, 46193
transactional analysis perspective on & interventions for resistance to affirmative action program, managers, Netherlands, 3687
transactional analysis perspective on cognitive dysfunction as response to stimulus overload, clients with psychosomatic diseases, 2431
transactional analysis perspective on competitive & narcissistic nature of Top Gun games, therapists & their colleagues or clients, 3247
transactional analysis perspective on examinee emotional arousal & behavior during pretest interview phase of control question polygraph test, examiners & examinees, 39669
transactional analysis perspective on racket systems & predisposition to burnout, helping professionals, 3219
transactional analysis redecision therapy model, adjustment to childhood parental divorce, adults, 2474
types & group leadership theories of & transactional analysis group interventions for psychological distance, 26605
use of physis concept of growth force in transactional analysis, 26428

Transactional Analysis—Books
Eric Berne. Key figures in counselling and psychotherapy, 2487

Transaminases—Serials
ethanol, blood platelet gamma aminobutyrate aminotransferase & MAO activity, alcoholic male 19–64 yr olds, Sweden, 26016
GABA-aminotransferase inhibitor, scopolamine induced spatial navigation deficit, male rats, 16822
GABA transaminase inhibitor vigabatrin as therapeutic agent, striatal dopamine receptors & development of psychosis, epileptic patients, 14843

Transcultural Psychiatry—Serials
methodological issues in cross cultural psychiatry, 30305
use of Explanatory Model Interview Catalogue, diagnosis of mental illness, 18–68 yr olds with leprosy, India, implications for cross cultural psychiatry, 6267

Transcultural Psychiatry—Chapters
Culture and psychopathology: Directions for psychiatric anthropology, 34300
Development of the Diagnostic Interview Schedule, 115
A prologue to a psychiatric anthropology, 34305

Transfer (Learning) [See Also Negative Transfer]—Serials
acquisition & transfer of declarative & procedural knowledge in data entry task, 18–60 yr olds with memory disorders & other cognitive deficits, 18374
acquisition & transfer of oddity from sample discrimination, pigeons, 28407
acquisition & transfer of visual texture discrimination, pigeons, 4448
ACT theory of skill acquisition & transfer & combination of old & new skills in human computer interaction training, new task learning rate, adults, 43571
binary transitive choice & symbolic distance effect & triadic transfer & RT, squirrel monkeys, 16446
care skill training, training transfer & occupational flexibility, motor mechanic & baker trainees in vocational college, 19482
conditioned inhibitor/CS serial compound, fear of conditioned inhibitor & transfer of inhibition to new serial compound, 6 vs 10 vs 14 wk old kittens, 44235
content domain & logic training & IQ, rule acquisition & transfer during deductive reasoning task, college students, 32148
contextual reinforcement vs nonreinforcement, transfer of response to CS during autoshaping, female pigeons, 36347
conventional vs worked vs completion training strategies, cognitive load & training & transfer performance in statistics problem solving, 16–18 yr olds, Netherlands, 13061
cross stimulus transfer signal duration & choice contingencies, delayed matching task learning, pigeons, 44237
delay of feedback, immediate vs delayed pattern recognition transfer for concept learning, college students, 20326
distraction, attentional vs nonattentional sequence learning & transfer in serial RT task, adults, 16334
flight simulator training with high vs low detail pictorial vs symbolic scene varying crosswind levels, transfer of pilot landing skills, inexperienced 18–30 yr olds, implications for simulator design, 23867
fuzzy logic vs prelabeling integration training models, transfer & retention in learning to lipread, female college students, 44033
goal attainment &/vs problem space exploration emphasis, nonisomorphic transfer in analog problem solving, 3rd graders, application of cognitive load theory, 21188
immediate vs delayed testing after statistical reasoning training, retention & transfer & generalization, college students, commentary, 20325
indirect vs direct mapping of stimulus response location & crossed vs uncrossed hand placement & practice, transfer performance on choice reaction task, college students, 44102
individual differences in confidence in pretraining knowledge & awareness of training performance, accession of prior knowledge & strategy transfer in problem solving, college students, 318
inhibitory learning & transfer & memory, octopi, 4440
intelligence, learning & maintenance & transfer of problem solving strategies, gifted vs average vs mentally retarded 7.3–11.8 yr olds, 5090
isokinetic strength testing & learning effect during work reentry program, torque output & fear of reinjury, male 44 yr old with low back pain, 19261
knowledge transfer & construction of mental models & learning by doing in use of computer as tools, 35653
laterally overlearned ideographic writing, learning transfer to contralateral hand, right handed 18–42 yr olds, implications for organization of trajectorial storage mechanism, 40367
learning & transfer & maintenance performance on problem solving tasks, low achieving vs learning disabled 7th–8th graders, 43308
learning & transfer of identity & difference relationships in toy discrimination, 25–33 wk olds, 28963
linear vs computer assisted interactive video teaching method, transfer of cognitive learning of aseptic technique to clinical performance, students in medical surgical course, 31136
Logo language & route strategy training & learning style, Logo mastery & problem solving & learning & transfer, 4–5 yr olds, 28970
majority vs unanimity vs no consensus requirement in group problem solving, group performance vs member's learning vs subsequent individual performance, college students, 5528
manual & hemispheric specialization in joystick manipulation in tracking paradigm, RT & transfer, baboons, 24715
mediated instruction & relationships among cognitive components of working memory & representation & metacognition & performance, Logo learning & transfer, 2nd graders, 35360
multiple concurrent VI schedules of reinforcement, stimulus preference & preference transfer to novel stimulus, pigeons, 24521
number of trials, transfer learning, memory impaired 20–68 yr olds, 34153
numeral stimuli, transitive inference of ordinality in discrimination paradigm, chimpanzees, 44231
organizational & work context & individual characteristics, training transfer & opportunities to perform trained tasks, Air Force personnel, 7725
planning & situated action in cognitive science, clarification of J. Lave's position on transfer of school learning, commentary, 40127
practice & visual display pattern & element identity & color, memory based automaticity & transfer during counting task, college students, 32213
repeated stimuli & transfer of matching & nonmatching concept, male rats, 24541
scaffold vs nonscaffolded teaching method, performance & transfer in balance scale task, 3rd graders, 23554
scene detail & visual prediction & guidance augmentation & speed of roll response, landing skill acquisition & transfer, male 18–30 yr old college students in aviation course, 31687
schedule imposed sequential & quantitative constraints, transfer effects during discrimination task performance, college students, Germany, conference presentation, 40098
schema abstraction vs exemplar based model of motor skill memory representation, prediction of response bias in novel task transfer & retention, right handed male college students, 24458
school based self management skills program, transfer to home environment, moderately to severely mentally retarded 15–18 yr olds, 10539
strategic transfer as tool for academic problem solving & classroom learning, 19531
summation & transfer of negative occasion setting in serial feature negative & negative patterning discrimination, rats, 44246
symbolic approach vs situated action worldviews vs theories of cognitive science, application to transfer of school learning & computer programs, commentary, 40073
symbols & parallel mental processes & affordance in situated action theory, issues related to transfer of training & human machine relations & planning & action, commentary reply, 40135
textmarking strategy transfer, college developmental reading students, 39206
theoretical prototype & transfer stimuli, categorization of sorted visual patterns, 6 vs 11 yr olds vs adults, 37037
transfer & knowledge specificity in composition & literary understanding in literacy research, students, teaching implications, 11481
transfer & learning of new programing language similar vs dissimilar to known language, graduate students vs professional programers, 12290
transfer in sentence processing, 19–44 yr old early vs late Chinese-English vs English-Chinese bilinguals, 16276
transfer of educational experiences & learning, classroom test scores, college students, 47226
transfer of responses to discriminative stimuli in equivalence classes during extinction, college students, 28311
transitive inference in multiple conditional discriminations, male pigeons, 32296

type of practice condition, task performance & development of verbalizable knowledge about task in occupational training & skills transfer, 16–19 vs 30–39 yr olds, 9180
verbalization, individual vs group solution of computer based mathematics problems & transfer learning, 10–11 yr olds, England, 27438
Transfer (Learning) [See Also Negative Transfer]—Chapters
Cooperative writing: Direct effects and transfer, 3476
An exception that proves the rule!, 24387
Explanation, analogy, and transfer in an intelligent tutoring system paradigm, 11822
Immediate and delayed transfer of training effects in statistical reasoning, 28287
Training decision makers for the real world, 39152
Transfer Students—Serials
employment hours during high school, dropout rate vs school transfer vs early graduation, high school students, 19563
entry level characteristics & academic & communication skills & academic achievement, native vs transfer deaf & hard of hearing community college students, 43309
school &/vs parent based preventive home tutoring, academic achievement & coping behavior, high risk transfer 3rd–5th graders, 39216
school mobility, achievement, elementary school students, 39252
school transfer as alternative vs precursor to drop out, alienated public vs Catholic high school students, 7491
unscheduled school transfer, self concept & academic achievement & teacher & peer ratings, male vs female 3rd–5th graders, 2 yr study, 15448
Transferases [See Also Transaminases]—Serials
amphetamine induced activity & striatal dopamine, mice with hypoxanthine-guanine phosphoribosyltransferase gene mutations, animal model of Lesch-Nyhan syndrome, 32363
creatinine phosphokinase level, 24–45 yr old medically asymptomatic active crack cocaine abusing males, 12 wk followup, 22017
icv 192 IgG-sapozin induced immunotoxin of forebrain cholinergic system, choline acetyltransferase activity in hippocampus & cortex & water maze spatial learning impairment, female rats, 40642
increased serum creatine phosphokinase, schizophrenic male 18 & 28 & 40 & 55 yr olds with tardive dyskinesia, 41574
lithium, ornithine decarboxylase & spermidine/spermine N1-acetyltransferase activity, implications for effects in manic depression, 16819
postnatal aluminum, brain choline acetyltransferase activity & learning ability, rat pups, 4762
spatial learning in water maze task & choline acetyltransferase & high affinity choline uptake in frontal cortex & hippocampus & striatum, aged male rats, 44397
Transference (Psychotherapeutic) [See Psychotherapeutic Transference]
Transfusion (Blood) [See Blood Transfusion]
Transgenerational Patterns—Serials
application of transgenerational family theory & therapy to college student psychotherapy, college students, 31424
brief therapy group, dysfunctional interactional patterns & beliefs learned from family of origin, mothers of children with parenting related emotional disturbances, 38511
child abuse screening, physically abusive vs nonabusive mothers with childhood history of abuse, 9920
child disciplinary practices & community aggression, intergenerational transmission of approaches to conflict & family violence, San Andres vs La Paz families, Mexico, 41058
ethnicity & parent's sex & psychopathology, parents & siblings of cocaine vs opioid addicted patients, 41740
family disruption during childhood, socioeconomic inheritance & social mobility, Black vs White male 20–64 yr olds, 33057
generational changes in party identification, non-Black voters, pre-1932 vs 1932–64 vs post-1964, 5444
interpersonal behavior & cognitions & intimacy & marital instability, 21–42 yr old married vs divorced males from divorced vs intact families of origin, 25394
mother's early exposure to abuse, abuse likelihood & general behavioral disturbance, abused vs nonabused 8–12 yr olds & their mothers, 33797
multigenerational family history of alcoholism, psychiatric history & psychopathology, 8–18 yr olds, 21991
number of proband & family refusals, recruitment procedures & feasibility of large scale investigation of familial transmission of bulimia, 17–41 yr old females with bulimia nervosa, letter, 20176
parental marital violence, verbal aggression & physical abuse in current relationship, dating couples, 1819
parental violence & self esteem & defense mechanisms & psychotic symptomatology, intergenerational transmission of violent behavior, violent vs nonviolent 12–18 yr old males, Canada, 6029
process & functions of genograms in academic counseling, 39405
psychoanalytic perspective on repetition & incomplete mourning in intergenerational transmission of traumatic themes, 33437
sex role similarities, adults & their parents, 37359
structural equation modeling of intergenerational continuity of depressed mood & rejecting parenting, parents & their school age & adolescent children, 13320
Transgenerational Patterns—Chapters
Children of alcoholics and the intergenerational transmission of alcoholism: A biopsychosocial perspective, 37975
Intergenerational alcoholism: The family connection, 10068
Intergenerational links in earnings, income, and wealth in the United States: Evidence for the contribution of genetic factors, 33062
The postwar generation and depression, 33610
Transgenerational triangles of abuse: A model of family violence, 9990
Transitional Objects—Serials
attachment to & utilization of transitional object, separation behaviors, 18–36 mo olds observed during daily separation from caregivers, 33005
classification & cluster analysis of characteristics & functions of favorite objects, 1.5–3 yr olds, Sweden, 40920
concepts of transitional object vs selfobject in psychoanalytic treatment, borderline & narcissistic patients, 6645
group culture & cohesion & transitional phenomena in long term psychotherapy group, preadolescent females, 2549
psychoanalytic concepts of transitional phenomena & potential space in D. Winnicott's theory of creativity & P. Roth's fiction, 21084
psychoanalytic perspective on role as transitional objects in creative process, philosophers & artists, 25036
psychoanalytic perspective on role as transitional objects in creative process, philosophers & artists, commentary, 25042
security of attachment to mother, attachment to blanket or other soft object, 12 mo olds, 18 mo study, 13129
transitional object usage & presleep preparation rituals & psychopathology, 18–55 yr olds, 29504
use of inanimate transitional objects in coping with hassles, 2.1–3.9 yr olds, 1094
use of stones or other transitional objects as mediators in psychotherapeutic dialog, inhibited or silent or depressive 15 & 19 & 45 yr old females, conference presentation, 30321
Transitional Objects—Chapters
Observations on the role of transitional objects and transitional phenomena in patients with multiple personality disorder, 41522
Transpersonal Psychology—Serials
hierarchies in great chain of being from matter to spirit based on transpersonal psychology, 45075
history & transformation of transpersonal psychology, 23986
history & virtues of transpersonal psychology, 24007
need for clear definition of transpersonal psychology, 3945
period of egoic regression prior to transpersonal level of spiritual maturity, elderly, India & England, analysis of K. Wilber's & M. Washburn's theories of transcendence, 45071
recollection vs retention, transpersonal vs rational approach to memory, 8355
representation of self in value theory approach to ecophilosophy vs transpersonal psychology, commentary, 32752

retrospective & analytical definition of transpersonal psychology based on literature between 1968 & 1991, 7898
transpersonal psychology approach to psychoreligious/religious/spiritual dimensions of healing & proposal of diagnostic category for DSM-IV, literature review, implications for clinical practice, 9719
transpersonal psychology approach to spiritual & religious issues & therapeutic alliance in ministerial counseling, 32 yr old female with kundalini experience during meditation practice, case report, 34622
transpersonal psychology perspective on lucid dreaming, 32267
transpersonal treatment approach, 31 yr old male with symptoms of depression in suicidal crisis, 6507
Transpersonal Psychology—Chapters
Does psychotherapy need a soul?, 6544
Does psychotherapy need a soul? Response, 6546
Transpersonal psychology: The role of the Afrocentric paradigm, 16911
Transplants (Organ) [See Organ Transplantation]
Transportation [See Also Air Transportation, Ground Transportation, Water Transportation]—Serials
quality criteria for computer generated image systems on vehicle simulators, 27806
transportation outreach, driver identification of client mental health problems & independence & self esteem, noninstitutionalized male 95 & female 75 yr olds, 7094
whole body vibration stimulation, aversive response in passive avoidance paradigm, domestic fowl, implications for welfare in transportation, 44220
Transportation [See Also Air Transportation, Ground Transportation, Water Transportation]—Chapters
The challenge of public transportation and mobility, 30100
Transportation Accidents [See Also Air Traffic Accidents, Motor Traffic Accidents]—Serials
ecological & personality characteristics, pedestrian & bicycle injuries, urban 9–11 yr olds vs record data for 14 yr old & younger accident victims, England, 30010
guilt & psychological distress, 17–55 yr old survivors of ferry disaster, 3 yr followup, 17552
injury or death of person under train, psychophysiological reactions & work absenteeism, 21–42 yr old subway drivers, Sweden, 1 yr followup, 3855
occupational identification & indirect victimization following disaster at sea, ferry workers with PTSD, UK, 45554
psychological distress & changes in alcohol & drug use, 17–55 yr old suvivors of ferry boat accident, UK, 6 & 30 mo followups, 45562
substance abuse related accidents in railroad industry & implementation of voluntary employee assistance & peer prevention programs & federal drug testing regulations, conference presentation, 31679
Transsexualism—Serials
characteristics & factorial structure of cross genderism, male heterosexual vs marginal transvestites vs transsexuals, 45152
characteristics, female 13 yr old monozygotic twins discordant for transsexualism, case report, implications for social vs genetic basis of transsexualism, 29773
childhood neglect & other experiences & characteristics, 22 yr old female to male transsexual homicide offender, Australia, case report, 29787
fa'afafine subculture & social development & sexual history, male 22 yr old transsexual, Samoa, case report, 29300
gender dysphoria & autogynephilia, nonhomosexual males sexually aroused by image of self as female, 37379
gender identity disorder & 47,XYY karyotype, transsexual 37 yr old male, case report, 18245
hand preference, female to male vs male to female transsexuals, Netherlands, 13371
hormone treatment after sex reassignment, tension & aggression & anger, transsexual patients, 46656
hormone treatment, promotion of sex reassignment, transsexual patients, 46649
issues in evaluation & diagosis & hormonal &/or surgical sex reassignment, transsexual patients, 26805
model of female gender disorder & relationship to transsexualism, female clients, case reports, 45364
orgasmic capacity & sexual & general surgical satisfaction, male to female vs female to male postoperative transsexuals, 33193
prevalence of transsexualism, adults, Netherlands, 37378
psychoanalytic perspective on transmission of transgenerational haunting & dreams of urgent & voluntary errands, transsexual clients & their mothers, 30414
sex reassignment surgery, treatment satisfaction & adjustment to new gender role, transsexual 19–69 yr olds, Netherlands, commentary, 42621
sex typing & psychopathology in person drawings, biologically male transsexual clients vs psychiatric inpatients, 37580
sociodemographic characteristics & psychosocial processes, transsexual 18–40 yr olds in group therapy, Turkey, 29304
voice change, male to female transsexual 22–59 yr olds, 37384
Transsexualism—Books
Accounting for transsexualism and transhomosexuality: The gender identity careers of over 200 men and women who have petitioned for surgical reassignment of their sexual identity, 1339
Transsexualism—Chapters
Transsexualism and psychotic decompensation at adolescence, 5788
Transvestism—Serials
Asperger's syndrome & transvestism & sexually offending behavior, moderately mentally handicapped male 38 yr old, England, case report, 41867
buspirone hydrochloride, 24 yr old male with atypical paraphilia & transvestic fetishism, case report, 6724
characteristics & factorial structure of cross genderism, male heterosexual vs marginal transvestites vs transsexuals, 45152
cross dressing, learning disabled male 17–41 yr olds, 41829
culture change & role of male transvestism, Samoa, 5457
HIV & syphilis & hepatitis B prevalence & crack use & receptive anal sex, male transvestite prostitutes, 30027
overview of gender disturbance & transvestism, adult males, 41688
video aversive satiation procedure, cross dressing & interest in dominance submission sexuality, 38 yr old male patient, 30374
Transvestism—Books
Cross dressing, sex, and gender, 33205
Vested interests: Cross-dressing & cultural anxiety, 21444
Tranylcypromine—Serials
efficacy & tolerability of tranylcypromine &/vs amitriptyline, 18–65 yr olds with endogenous vs neurotic depression, 38574
phenelzine vs tranylcypromine, amino acid & trace amine brain levels & receptors & enzymes, rats, analysis of pharmacological mechanisms, 28664
4-methoxytranylcypromine vs tranylcypromine, brain & liver & heart A-MAO activity & pons-medulla & hypothalamus & hippocampus 5-HT, male rats, 765
Trauma (Emotional) [See Emotional Trauma]
Trauma (Physical) [See Injuries]
Traumatic Neurosis—Serials
growth of & trends in literature on emotional & disordered trauma in "Psychological Abstracts", 1970–90, 5928
prevalence of posttraumatic psychopathology & PTSD, traumatized persons & psychiatric outpatients, US & UK & Australia & Netherlands & Israel, 5929
Traumatic Neurosis—Chapters
Psychoanalytic contributions to a theory of traumatic stress, 45583
Traumatic Psychosis [See Reactive Psychosis]
Traveling—Serials
demographics & technological & environmental & taxation trends & lifestyle & health concerns, tourism & consumer behavior, North America, 19775
dermo-optical perception of color, traveling reference points, congenitally blind adults, 30264
India expedition stress, personality, male vs female 17–20 yr olds, England, 9643

map use & pathfinding & traffic information & route diversion for commuting vs noncommuting trips in familiar vs unfamiliar environment, automobile drivers, 47548
perspectives on growth & selectivity & universalism of world tourism & relationships between social groups, 19778
perspectives on urban tourism based community economic & physical planning strategies, Canada, 19831
pluralist vs neopluralist vs neocorporatist models of private interest in tourism's contribution to public policies, Great Britain & European Community, 17270
self regulation skills & personality characteristics, travel frequency, visually impaired adults, 22432
social & psychological readjustment & physical complaints following return to home country after living abroad, 6–18 yr olds, Japan, 32829
social networks perspective on structural aspects of tourism & recreation experiences & tourist behavior, 19777
sociocultural & economic & environmental impacts of tourism on host communities, Europe, implications for tourism brokers & social scientists, 19776
travel & HIV infection, research review, 45987

Trazodone—Serials

fluoxetine or trazodone, dysthymic 23–58 yr olds, 14725
prolonged ECT seizure duration related to trazodone, female 70 yr old with major depression, letter, 26754
time to onset of fluoxetine vs trazodone induced mania, psychiatric patients, letter, 42495
trazodone, aggressive behavior, male 7–9 yr olds with oppositional defiant disorder with or without conduct disorder, 26736
trazodone, assaultive aggressive behavior, mildly mentally retarded 33 yr old prisoner, letter, 10656
trazodone, female 34 yr old with trichotillomania & obsessive compulsive disorder & dysthymia, letter, 26783
trazodone, impulsive & aggressive behavior, hospitalized 5–12 yr olds unresponsive to other treatments, 14746
trazodone vs fluoxetine, pharmacological & preclinical & clinical antidepressant & serotonergic & other action, literature review, 24933

Treatment Compliance—Serials

acculturation to mainland US culture, compliance with oral theophylline, Puerto Rican 4–15 yr old asthma clinic patients & their 21–60 yr old parents, conference presentation, 42616
adherence to medical or psychological prescriptions as self rule following behaviour, 22471
age & disease duration, treatment adherence & health & glucose & lipid metabolism, school age children with insulin dependent diabetes mellitus, followup, 14178
age & sex & other factors, initial & continued attendance at outpatient child guidance center, 1–16 yr olds with behavior problems & their parents, application of linear logistic models, 46811
antecedents of adherence to medical recommendations, patients with chronic hypertension or diabetes or coronary heart disease, 14856
assessment interview audit & attendance at marital & sexual difficulties clinic & therapy, clients, England, 38500
attendance & dropout, adults referred to hospital outpatient psychotherapy departments, New Zealand, 7145
behavioral & educational intervention, adherence to therapeutic regimen, patients with primary hypertension, 30577
beliefs about medical condition & treatment & family & physician roles, medical noncompliance, 42–66 yr old patients & their spouses & physicians, 30642
cholesterol levels & knowledge & health risk factors, adherence during worksite cholesterol intervention vs outcome adherence, intervention participants, 6 mo & 1 yr followups, 46750
client characteristics & reasons for missed appointments & rescheduling vs drop out, psychiatric outpatients, 46812
clinical & psychological & demographic characteristics, daily inhaled bronchodilator medication usage, 17–81 yr olds with asthma, 30648
clinical vs clerical vs no confirmation telephone contacts, attendance rate for intake appointments, adult clients of community mental health center, 30829
cognitive status & self medication, medication knowledge & postdischarge compliance, 45–88 yr old medical patients, followup study, evaluation of pilot project, 14811
cognitive vs behavioral interventions, adherence to fluid restrictions & reduction of interdialytic weight gain, adult male hemodialysis patients, 10790
color keyed picture schedule, overcoming medication noncompliance & literacy & physiological aging based learning barriers, elderly male with medical problems, 22916
compliance & other issues in pharmacotherapy, drug addicted patients, 15115
compliance with & treatment integrity of relaxation training, 24–48 yr olds with tension headaches, 1 yr followup, 22857
compliance with assertive community outreach treatment, homeless patients with severe mental illness, conference presentation, 42752
compliance with lithium treatment for mood disorders, suicide victims, Finland, 22733
compliance with maintenance neuroleptics, Afro Caribbean adults with schizophrenia or manic depression, England, 14737
compliance with nasal continuous positive airway pressure treatment, 28–79 yr olds with obstructive sleep apnea vs nonapneic snoring, conference presentation, 26896
compliance with neuroleptic treatment, schizophrenic 18–68 yr olds, England, 1 & 2 yr followups, 14671
compliance with neuroleptic treatment, schizophrenic 18–68 yr olds, England, 1 & 2 yr followups, erratum, 46417
compliance with recommendation for reevaluation of child's elevated cholesterol or BP level following school based screening examination, parents of 5th–8th graders, 38763
cost effectiveness of new antimalarial drug &/vs health educational message, malaria chemoprophylaxis compliance, pregnant females, Malawi, 30570
demographic & clinical characteristics & residential history & compliance with aftercare, homeless vs housed psychiatric patients readmitted to urban state hospital, 15054
demographic & clinical variables, relationship of medication compliance to long term prophylaxis, patients with recurrent depression, conference presentation, 18724
depot administration of disulfiram, improved compliance, alcoholic patients, conference presentation, 27141
determinants & conceptual models of compliance with treatment & lifestyle adjustment, chronically ill patients, 22463
development & validity of Adherence Determinants Questionnaire, assessment of compliance with medical treatment & prevention, adults with vs without vs at risk for cancer, questionnaire appended, 24188
development of self medication administration program, therapy compliance, geriatric outpatients, 30628
drug use & psychosocial history & cognitive impairment, compliance & length of stay in therapeutic community, drug abusing 17–50 yr olds, 35014
electronic monitoring of compliance with cardiac glycoside & diuretic therapy following hospital discharge, 65–93 yr olds with atrial fibrillation &/or congestive heart failure, Germany, 14828
factors in treatment adherence, 26384
familial expressed emotion & glucose control, diabetic 13–39 yr olds & their family members, 45904
family stress & resources & coping skills & disease related knowledge, metabolic control, 2.2–18 yr olds with insulin dependent diabetes mellitus, 38081
family support & illness related physical impairment, compliance with dietary & fluid intake restrictions, hemodialysis patients with end stage renal disease, 6911
fixed & dynamic factors, prediction of retention in therapeutic community, drug abusing under 19 to over 26 yr olds, 35008
guidelines for assessment of competency to agree to treatment plans, psychiatric patients, implications for therapist's liability, 37654
health beliefs & locus of control & demographic variables & symptoms of papillomavirus infection, compliance with recommended medical regimen, females with abnormal Pap smear, 30624

health status & adherence with health recommendations & perceived self efficacy & social support, patients with rheumatoid arthritis, 41984
implants & incentives & contracts & instructions as strategies for compliance with disulfiram treatment, alcoholic patients, 27126
individual differences in cognitive behavioral therapy homework compliance, recovery, depressed patients, 10527
individualized preventive care reminder system, preventive care & compliance, 40–60 yr old medical clinic patients & their physicians, 26986
information intervention, nonattendance at marital & sexual difficulties clinic, clients, 30390
interventive letter, antenatal class attendance, primigravidous females, England, 6997
issues in adherence to medication regimen, medical patients, 22932
issues in compliance with home based occupational therapy programs, learning disabled children, research review, 35058
knowledge of & compliance with lithium therapy, Chinese 16–57 yr old outpatients, Hong Kong, 22738
legal issues in treatment refusal & commitment & competency, psychiatric patients, 11043
lifestyle & behavior & cosmic viewpoint, treatment noncompliance, adolescents with epilepsy or diabetes, conference presentation, 6910
low demand respite residence, treatment resistant & noncompliant mentally ill homeless females, 2913
Medical Compliance Incomplete Stories Test, prediction of medical compliance & moderating variables, hemophiliac male 8–18 yr olds, 4050
medication group in day hospital, medication compliance & understanding of & fears about medication, day hospital patients, 11070
medication regimen complexity & adherence, 65–101 yr olds, 30454
membership in self help group, adherence to exercise programs & health locus of control & behavior & social support, patients with ankylosing spondylitis, England, 6 mo study, 42549
methadone maintenance treatment compliance & persistent heroin use, social adjustment & criminality & relation to outcome, substance abusers, Italy, 23226
methods for assessing compliance in clinical trials, 14731
motivation to comply with therapeutic regimens, elderly patients, 22937
negative vs positive wording in widely used treatment descriptions, advance medical directive decisions, 65–94 yr olds, 22472
noncompliance in contact lens use, optical patients, 38737
outpatient clinic attendance patterns, 10–18 yr old suicide attempters vs nonattempters, 23044
parenting style, treatment adherence difficulties, 3–10 yr olds with cancer & their 22–44 yr old parents or other caregivers, 30644
patient education techniques & assessed treatment compliance, pharmacists, 6919
patient variables in & home assessment of medication adherence, elderly, 2619
perceptions of client attractiveness & anxiety & disturbance, prediction of vs actual client attendance at therapy sessions, clinicians & practicum students, 15305
personal & medical & psychological characteristics, compliance with rehabilitative home based walking program, male 32–75 yr olds with myocardial infarction, 34997
personality & demographic & other factors, adherence to aerobic exercise treatment program, adults with hypercholesterolemia, 6876
personality characteristics, compliance with behavior therapy program, outpatients with obsessive compulsive disorder, 45555
physician recommended screening & demographic & attitudinal factors, adherence, asymptomatic patients in intervention vs usual care vs continuity groups, conference presentation, 27002
physician's adaptation to patient's health locus of control, prediction of treatment compliance, physicians vs patients, 14822
physician's personal & practice variables, treatment adherence, patients with diabetes or hypertension or heart disease, 2 yr followup, 26883
plasma clomipramine & compliance with treatment, Black vs Caucasian outpatients with major depression, Benin, 14665
polymedication & medication compliance, 20–84 yr olds with chronic nonmalignant pain, 1–24 mo followups, 34711
predictors of compliance with aftercare treatment, patients with dual diagnosis of Axis I psychiatric & psychoactive substance use disorders, 27023
pregnancy related health beliefs & compliance with prenatal care & perinatal outcomes, pregnant 19–41 yr olds, 42657
presence of lay vs professional health counselor at cholesterol screening & followup intervention, compliance with referral for retesting & diagnosis, 20–65 yr olds, 18965
pretreatment expectations & compliance, clomipramine vs live exposure outcome, 18–60 yr olds with obsessive compulsive behavior, 6452
prevalence & correlates of failure to have prescriptions filled, Black 62–96 yr olds, 34708
prevalence & predictors of pervasive noncompliance with medical treatment, 8.3–13.9 yr olds with insulin dependent diabetes mellitus, longitudinal study, 22926
psychodynamic factors in pharmacotherapy noncompliance, psychiatric patients, 42430
psychodynamics of antidepressant therapy & compliance, females with bulimia nervosa, 18752
psychopathological & psychosocial influences, behavioral adherence to blood sugar control & management, 14–50 yr olds & older with insulin dependent diabetes, 6917
psychopathological variables, treatment compliance, 15–85 yr olds with head & neck cancer, longitudinal study, 6923
psychosocial & psychoeducational strategies, compliance with maintenance psychotropics, patients with schizophrenia or mood disorders, conference presentation, 18731
rate of & factors in maintenance lithium treatment acceptance vs dropout, bipolar patients, 33 mo study, 10705
reasons for & incidence & impact of patient nonattendance, occupational therapists, 23291
reasons for noncompliance with medication, schizophrenic patients vs their family members vs primary nurses, 2657
replacement & care compliance in planned replacement contact lens program, 14–65 yr olds & older, application of Health Belief Model, 30657
Rivers v Katz case decision, formal refusal of medication & time to resolution, involuntarily committed state vs private psychiatric hospital patients assessed 1 yr prior vs 1st–2nd yr after decision, 43636
role of clinical review panels vs court hearings & guardianship requirement in legal refusal of medication, homeless schizophrenic 40 yr old male involuntary patient, 15818
role of legal pressure in attendance at alcohol treatment unit, newly attending alcohol dependent patients, Ireland, 23237
social construction of noncompliant behavior & expectation based client management strategies, staff of multiservice senior center, implications for cross cultural geriatric practice, 14976
social skills program with vs without cognitive behavioral treatment adherence intervention, treatment dropout & giving & receiving criticism & fear of negative evaluation, college students, 22626
sociodemographic & health related & situational factors, clinic utilization & appointment keeping following hospital discharge, 18–74 yr old disadvantaged clients, 30936
special treatment for management of aggressive or acting out behaviors or noncompliance or suicidal or runaway ideation, child & adolescent partial hospitalization patients, 11062
standard general practitioner vs practice nurse care, adherence to antidepressants, patients with depressive disorders, England, 46531
teaching & adherence promotion skills in patient nutrition education, dietitians, 6964

understanding & history of hypertension & comorbidities, medication compliance, 30–78 yr old veterans with hypertension, 46695
working alliance & development of insight at termination of outpatient crisis intervention, treatment compliance & outcome, depressed psychiatric patients, 19137
zuclopenthixol induced hypouricemia as marker of drug compliance, psychotic 19–70 yr olds, 22694
4 hr vs 6 mo intervention duration & health locus of control, adherence to dietary change program, healthy female adults, 1 yr followup, 7001
Treatment Compliance—Books
Developmental aspects of health compliance behavior, 18939
Treatment Compliance—Chapters
Adherence intervention research: The need for a multilevel approach, 18495
Chronic diseases of childhood: Assessing compliance with complex medical regimens, 18842
Compliance and control in insulin-dependent diabetes: Does behavior really make a difference?, 14773
Compliance and long-term follow-up for childhood obesity: Retrospective analysis, 18644
Compliance interventions for children with diabetes and other chronic diseases, 18943
Compliance problems and their management, 38373
Compliance research in pediatric and adolescent populations: Two decades of research, 18840
Enlarging the scope of the compliance construct: Toward developmental and motivational relevance, 18865
Family context and compliance behavior in chronically ill children, 18838
Health promotion and disease prevention: A social action conception of compliance behavior, 18986
The measurement of compliance: Medication taking, 18867
Medication compliance and childhood asthma, 18942
Predicting compliance of dual diagnosis inpatients with aftercare treatment, 46813
Theories of compliance, and turning necessities into preferences: Application to adolescent health action, 18843
Toward a developmental theory of compliance, 18841
Treatment Dropouts—Serials
alcoholism treatment completion, drinking related locus of control, male clients, 19227
attendance & dropout, adults referred to hospital outpatient psychotherapy departments, New Zealand, 7145
attributions for abstinence violations during very low calorie diet fasting & behavior education program, weight loss success, obese clients, 2695
attrition from phenelzine & haloperidol & psychotherapy research trial vs open treatment, patients with borderline personality disorder, 34287
blood alcohol level & clinic absenteeism & depression & predictive validity of tests, 24–53 yr old alcoholic methadone outpatients, 42916
characteristics & severity & therapy criticisms & comments, patients with obsessive compulsive disorder who dropped out vs successfully completed therapy, 2446
client attractiveness, return for second appointment & therapeutic involvement, therapists & therapist trainees & patients, 30335
client characteristics & results of day treatment program, 18–45 yr old patients with schizophrenia or affective disorders, 6 mo study, 7166
cognitive behavioral approach, retention rate for therapeutic community treatment, drug abusing 19–27 yr olds & older, 27134
completion vs premature termination of outpatient treatment, 5–13 yr olds with antisocial behavior & their families, 42731
differential attrition of experimental & control groups as unproblematic in evaluation of psychological intervention with accessibility of attrition causing mechanism, 21458
frequency of premature departure from therapeutic community, adult residents, England, 42860
health locus of control & other patient characteristics, dropout from lithium clinic, patients, 18734
individual & treatment & other variables, persistence in outpatient parent behavioral training, parents of children with behavior problems, 22622
multiple regression analysis, prediction of risk of early termination of family therapy, chemically dependent 28–51 yr olds & their families, 176
novelty seeking & harm avoidance & reward dependence, early dropout from clinical medication trials, patients with generalized anxiety vs panic disorder, 46532
patient contact system, treatment dropout rate, alcoholic 19–71 yr olds, Brazil, 7248
patterns of failure to return following intake, clients of male vs female school counselors, replication & extension, 19646
psychiatric & demographic characteristics, treatment completing 13–18 yr old psychiatric patients with substance abuse & comorbid psychiatric disorders, 23141
psychological mindedness & other pretherapy variables, dropout from short term psychoanalytic group therapy, psychiatric patients with personal loss, Canada, 6605
rate of & factors in maintenance lithium treatment acceptance vs dropout, bipolar patients, 33 mo study, 10705
rate of & factors in psychotherapy dropout, clients, meta analysis, 30339
reasons for initial withdrawal from long term disulfiram treatment, alcoholic patients, conference presentation, 27129
self efficacy & esteem & anxiety & outcome expectations, motivation for & attrition from counseling, college students, test of social cognitive theory, 6505
sex & self initiation into program & use of alcohol only vs additional substance abuse, graduation from evening alcohol rehabilitation program, 22–65 yr olds, 35038
social class & congruence of attitudes & perception of therapist & practical issues, prediction of dropout, psychotherapy clients, 6484
therapeutic jurisprudence analysis of court review of patient refusal of psychotropic drug therapy & patient & therapist satisfaction, 23–59 yr olds with schizophrenia or bipolar or other disorder, 47620
Treatment Dropouts—Chapters
Predictors of attrition and weight loss in patients treated by moderate and severe caloric restriction, 6844
Treatment Duration—Serials
acute vs continuation nortriptyline & interpersonal psychotherapy, 61–80 yr olds with recurrent major depression, 18487
arguments for & use of short vs long term residential treatment, severely emotionally disturbed 12 yr old male in treatment since age 5, 38936
brief interventions, clients with alcohol problems, literature review, 35002
characteristics & disabilities & need for residential psychiatric care, 18–91 yr old new longstay psychiatric patients, 1981–91, Ireland, 42861
characteristics predicting long hospital stay, psychiatric patients, Switzerland, translated article, 38957
client perceptions & retention in therapeutic community, Black vs Hispanic vs White drug abusing clients, 39005
clozapine dosage & time course, tardive dyskinesia, patients with schizoaffective disorder or schizophrenia, 26761
cumulative duration of methadone maintenance, male chronic opioid users, 10 yr followup, 3087
dementia & iv drug use & other patient factors, days of care & length of stay, 19–65 yr old patients with AIDS in nursing homes, 38934
demographic & psychosocial & stressor & psychopathology & disposition variables, prediction of length of psychiatric hospital stay, 4–12 yr olds, 23133
demographics & diagnosis & insurance vs other source of payment & length of psychiatric hospitalization, 13–17 vs 18–22 yr olds with psychiatric or substance abuse disorders, 1986–88, 11050
diagnosis & symptoms & sociodemographic & other characteristics, prediction of hospitalization stay, long & short stay psychiatric inpatients, Switzerland, 42874
drug use & psychosocial history & cognitive impairment, compliance & length of stay in therapeutic community, drug abusing 17–50 yr olds, 35014

duration of hospital treatment, rate & rapidity of relapse, schizophrenic patients, conference presentation, 19138
ethical & practical issues in informed consent, candidates for long term psychotherapy, 38428
ethical conflicts in long term care settings, nurses, England & Sweden, 39131
ethnicity & pay code & diagnostic category, length of psychiatric inpatient treatment, male vs female patients, 42890
factors associated with reduction in antipsychotic medication dosage, female institutionalized mentally retarded 18–73 yr olds with or without psychosis, 46480
factors in length of hospital stay, depressed adolescents, 30940
fiberoptic vs conventional home phototherapy, daily decline in bilirubin & treatment duration & mother's attitudes toward treatment, infants with hyperbilirubinemia, 2978
group psychotherapy model for acute treatment in short term partial hospitalization settings, 11060
Hispanic staff &/or clinic, service utilization & duration, Hispanic clients of community mental health centers, test of cultural compatibility hypothesis, 10947
injury severity & time postaccident & age & duration & cost of treatment, prediction of outcome, patients with automobile accident induced traumatic brain injury, 23207
interrater reliability of Predictor Variable Rating Scales, assessment of variables influencing need for & prediction of length of psychiatric hospital stay, psychiatric patients, 7987
interventions during brief hospitalization, schizophrenic patients, 27103
length of acute &/vs social care stay, total length of hospital stay, hospitalized frail elderly, 34947
length of stay & activities of daily living, long term care patients in mental hospital facing closure, Sweden, implications for relocation planning, 42865
length of stay & admissions & health insurance coverage & other changes in private psychiatric hospitalization care, psychiatric patients, 1980–91, 46881
length of stay & ancillary service use, married vs unmarried male vs female hospital patients, 34942
length of time on neuroleptic medication, risk of tardive dyskinesia, 19–73 yr old chronic psychiatric patients, 42429
lithium maintenance, mortality rate, patients with manic depression or schizoaffective disorder, Austria & Canada & Denmark & Germany, 14717
long term cyproterone acetate, sexual arousal & serum testosterone & gonadotropin & prolactin, pedophilic male 35 yr old, 38 mo study, case report, 30455
long term lithium treatment, clinical & personality & therapeutic & biological characteristics, 22–83 yr olds with recurrent mood disorders, 6697
long term pharmacological prophylaxis of bipolar & unipolar depression, conference presentation, 46474
long vs short term lithium vs imipramine vs amitriptyline, suicide & mortality rates vs toxicity, manic depressive patients, Scotland, 6730
long vs short term paroxetine vs imipramine, depressed 18–70 yr olds, conference presentation, 10665
maintenance & continuation pharmacotherapy, patients with recurrent depressive disorders, 10729
mental illness & substance abuse & other risk factors, length of stay & replacement in foster care, children, 2 yr study, 38887
model of short term residential treatment, disturbed adolescents, 38931
negative psychotherapy process indicators, therapeutic alliance & outcome, adults in short vs medium vs long sessions, 46200
number & duration of seizures in ECT, interictal cognitive & attention & memory changes, 63–80 yr olds with depression, 2698
optimum duration of antidepressant treatment, depressed elderly, 10679
outcomes of long term disulfiram treatment, alcohol dependent patients, conference presentation, 27143
perceived support from extended vs nuclear family, length of hospital stay, Navajo Indians, 46894
personality disorders & treatment duration & outcomes, acute vs extended care unit patients with schizophrenia or schizoaffective disorder, longitudinal study, 30954
personality subtypes & relation to length of stay & treatment outcome, substance abusing 17–50 yr olds in therapeutic community, 23243
preoperative anxiety, duration of postoperative hospital stay, cholecystectomy patients, 11047
prevalence of HIV infection, long stay schizophrenic & other psychiatric inpatients, 30943
psychiatric vs multimodal behavioral therapy for 1 vs 2 yrs, attrition & drinking outcome & psychosocial adjustment, alcoholic adults, Sweden, 31010
reading & spelling & arithmetic achievement, length of stay in day psychiatric hospital, 6–14 yr olds with emotional disorder, 18–24 mo followup, 30963
satisfaction with brief intervention, community mental health center clients, 11001
severity & etiology & blood alcohol & cranial operations & payer, costs & length of stay in acute care vs rehabilitation in model systems program, patients with traumatic brain injury, 42145
severity of crime & other clinical & demographic variables, prediction of length of hospitalization, involuntarily committed male 15–79 yr olds found not guilty by reason of insanity, 42859
short & long term fluvoxamine, patients with obsessive compulsive disorder, 6758
short term alprazolam vs propranolol, patients with panic disorder, 15–36 mo followup, letter, 38570
short term psychopharmacological vs behavioral vs cognitive vs psychotherapeutic treatment, patients with panic disorder with or without agoraphobia, 10450
short vs long term individual dynamic psychotherapy, opioid dependent 21–27 yr olds, 1 & 2 yr followups, 7230
social & clinical characteristics & social deprivation & accumulation rates within local health districts, "new long stay" psychiatric inpatients, England, 19172
social deprivation assessed by Jarman underprivileged area score, admission rates & length of stay, psychiatric patients, England, 7142
sociodemographic & clinical variables, length of hospitalization, 12–77 yr old psychiatric patients, Brazil, implications for mental health care, 7144
stages of change, patients in long term weight control programs, clinical implications, 18630
statistical & conceptual issues in psychiatric inpatient length of stay measurement, implications for policy & service delivery strategies, 27095
stepwise approach to entry into time limited psychoeducational group & transition to open ended psychodynamic therapy group, clients with eating disorders, 2548
time course & biological correlates of antipsychotic treatment, 16–40 yr olds with 1st episode schizophrenia, 38563
time in treatment & employment outcomes, posttreatment drug use & criminal activity, drug treatment clients, 12 mo followup, 30995
time in treatment & methadone maintenance vs residential vs outpatient & drug free modality, posttreatment employment & earnings, drug abuse clients, longitudinal study, 15097
treatment & alternative care, prolonged length of stay, hospitalized psychiatric patients in general hospital, Canada, 46884
treatment duration, subjective evaluations of psychotherapy, clients vs therapists, Finland, 6 mo to 5 yr followups, 18551
treatment outcomes, 26–51 yr olds in long term methadone maintenance, 42968
typology of symptomatological & behavioral characteristics, difficult male long term psychiatric patients on secure ward, Japan, 15050
utilization review & determination of appropriate care & criteria for hospital admission, 29 yr old male who attempted suicide, 30953

2 vs 3 ECT sessions per wk, patients with major depressive disorder of melancholic subtype, 38613
4 hr vs 6 mo intervention duration & health locus of control, adherence to dietary change program, healthy female adults, 1 yr followup, 7001
Treatment Duration—Books
Successful case management in long-term care, 42720
Treatment Duration—Chapters
Continuation and maintenance therapy with outpatient ECT, 30552
Treatment Effectiveness Evaluation—Serials
active drug placebo difference as effect size, power analysis for sample size estimation in clinical studies of psychotropic drug efficacy, meta analysis, 2623
adequacy of estimates of child & adolescent psychotherapy effectiveness, commentary on meta analysis, 2452
adequacy of estimates of child & adolescent psychotherapy effectiveness, meta analysis, 2473
alternatives to seizure duration as measure of therapeutic effects of ECT, 34606
assessment & degree of treatment integrity in school based behavioral intervention studies, preschool & elementary & high school students, 1980–90, literature review, 47315
client demographic & history factors & service characteristics, evaluation of family preservation & reunification services, adolescent status offenders & their families, 27191
collaborative midpoint review in time limited therapy, clients & therapists, 42227
confounding variables & selection effect in outcome of randomized maintenance therapy clinical trials for affective disorders, conference presentation, 8152
contingency vs self management vs family & marital therapy vs social skills training vs brief intervention treatment approaches, alcoholism, 23262
correlational vs change event paradigms of process research on psychotherapy outcome & effectiveness, 6518
cost benefit & efficacy analyses of primary care clinical psychology, 19027
counseling update as methodology for practice evaluation & empirical theory of social work practice, adults with marital conflict & childrearing problems, 38863
critique of adjustment indicators as outcome measures in evaluation of mental health treatment program, mentally ill inmates, 11197
cumulative vs stabilizing behavior effects of methadone maintenance assessed using retrospective self report data, heroin addicted patients, 1978–81, 42951
decreased within group variance & increased effect size, power in randomized clinical trials, conference presentation, 8156
design of & recruitment for randomized clinical trials, transferability of pharmacologic or psychotherapeutic care from psychiatric to primary care settings, patients with major depression, 42708
determination of success & other neglected topics in chronic pain treatment outcome studies, 46153
development of rehabilitation index & evaluation of effectiveness of electropuncture diagnosis & therapy, patients with traumatic spinal cord disorder, translated article, 34996
development of Social Phobia Endstate Functioning Index, assessment of functional status as indicator of treatment outcome, 28–49 yr olds with social phobia, 31926
differential attrition of experimental & control groups as unproblematic in evaluation of psychological intervention with accessibility of attrition causing mechanism, 21458
effectiveness evaluation of Botvin life skills training vs antiviolence & values clarification models, substance using 14–18 yr old males, 3075
effectiveness evaluation of comprehensive prevention & intervention & rehabilitation program, delinquent high risk 15–18 yr olds, longitudinal study, 3141
effectiveness of sleep clinics, children with sleep disorders, 2 yr study, 14939
effectiveness of stroke rehabilitation programs, functional abilities & discharge destinations, patients with stroke, meta analysis, 30980
evaluation of anger control group, aggressive behavior & anger, 11–17 yr old males in residential treatment, 46868
evaluation of art therapy, children with chemically dependent parents, 3107
evaluation of care, elderly with senile dementia in long stay hospitals vs cantou form of communal nonmedical care, France, 7161
evaluation of effectiveness of multidisciplinary workshops, rural mentally handicapped 3–13 yr olds with or without cerebral palsy, Zimbabwe, 15076
evaluation of group communication skills intervention, 63–94 yr olds with hearing impairment or dementia or Parkinson's disease, 39054
evaluation of intensive 2 day group retreat treatment with followup session, self esteem & eating attitudes & locus of control, bulimic females, 2530
evaluation of preventive group intervention, emotional & behavior reactions to divorce, 4th–6th graders, 22608
evaluation of Redirection Through Education Program, self esteem & social adjustment & symptomatology & life satisfaction, former vs current clients with psychiatric disabilities, 34998
evaluation of short term school based counseling, self esteem, 9th–12th graders, 7547
evaluation of skills training & social support substance abuse risk reduction program, 11–18 yr olds with substance abusing parents, 3079
evaluation of social work group therapy, adjustment, separated or divorced 25–53 yr olds, 26616
evaluation of treatment effectiveness, elderly patients in psychiatric hospital, 7137
evaluation research in community based drug treatment programs, US, 46941
family reunification program following foster care, abused &/or neglected children & their families, 2 yr study, 30823
Fateful 43 schema, assessment of effects of early intervention & prevention programs in mental retardation, 18469
Global Assessment Scale vs Manchester Scale, assessment of clinical progress following psychiatric unit hospitalization, 21–63 yr olds with schizophrenia or schizoaffective disorder, 15967
importance of sensitivity to change in outcome measures used in nursing intervention evaluation studies, 30775
information systems used in & efficacy of New Mexico Treatment Outcome study, evaluation of drug rehabilitation effectiveness, male drug abusing 20–44 yr olds, 3074
institutional pressures & other problems with drug abuse prevention program outcome evaluations, 31007
integration of stress & coping theory into evaluation research, long term outcome, unipolar depressed & alcoholic patients, 10454

issues in evaluation of social work effectiveness, 2909
mathematical models for determination of optimal time for efficacy evaluation of clozapine, psychiatric patients, implications for health care rationing, 6766
method for assessment of effect of dihydroergocristine on memory, patients with chronic cerebrovascular disorders, 10821
methodological flaws of evidence supporting efficacy of eye movement desensitization as treatment technique, 22575
methodology to risk adjust & integrate outcomes of anesthesia services into measures of quality, surgical patients, 30623
methods for deriving measures of treatment effect for interrupted time series designs for meta analysis, application to behavior therapy, 42286
monitoring indicators & quality assessment in group psychotherapy, 22606
N-of-1 randomized amitriptyline trial, assessment of side effects & efficacy, 24 yr old female with lightheadedness & fatigue & other symptoms-590 31, 46426

need & methodology for systematic assessment & evaluation in clinical practice, depressed 39 yr old female, 26443
need for & selection of alternative treatment formats & validation of coping therapy, depressed patients, conference presentation, 26483
outcome evaluation & process of 6 session family therapy, 22 yr old male with depression & suicidal ideation & his parents, 38514
parent rated effectiveness evaluation of residential mental health program & use in decision making, troubled 6–15 yr olds, Canada, 15024
parental factors & treatment effectiveness evaluation, 11.4–16.7 yr old psychiatric inpatients vs outpatients, replication, 22993
pragmatic & eclectic approach to evaluation of social work effectiveness, commentary, 2930
problems in & methods for multidisciplinary audit in child & adolescent psychoanalytic psychotherapy, 5 yr old male, 42365
professional program evaluation & quality improvement systems in traumatic brain injury program, 23192
psychophysiologic response to script driven imagery, measurement of systematic desensitization outcome, male 21 & female 32 & 40 yr olds with PTSD, Israel, 14569
quality improvement strategy based on Total Quality Management concept, drug treatment program management & staff, 23245
random regression model, analysis of data from multicenter clinical trials, psychiatric patients, 4184
rationale for development & applications of Michigan Adequacy of Treatment Scale, patients with major depressive disorder undergoing ECT, letter, 43761
recommendations for monitoring alcoholism treatment, 23259
research designs & methodological issues in psychiatric treatment effectiveness evaluations, 14454
research on cost effectiveness of psychotherapy, 10496
sensitivity to change measures of treatment effect vs psychopathology, adult & elderly males with coronary heart disease in cardiac rehabilitation vs standard medical care, Belgium, 43753
single-S designs for mental health treatment planning & evaluation, 26990
systematic planned practice approach to clinical decision making & evaluation, social workers, 14994
Texas Rehabilitation Commission system, assessment of quality rehabilitation, task forces, 2 yr study, 3053
time series analysis of fluoxetine intervention, female 22 yr old with major depression & personality disorder, 22732
treatment duration, subjective evaluations of psychotherapy, clients vs therapists, Finland, 6 mo to 5 yr followups, 18551
triangulation based evaluation of multidisciplinary support groups, Mexican American 29–84 yr olds widows, 42526
use of Fateful 43 schema in New Jersey, assessment of effects of early intervention & prevention programs in mental retardation, commentary, 18465
use of Fateful 43 schema in Virginia, assessment of effects of early intervention & prevention programs in mental retardation, commentary, 18492
utility & statistical analysis of visual field awareness system using carrier lens with press on prisms, patients with visual field loss, 7190
yrs since biofeedback treatment with vs without additional treatment, headache activity, females with migraine headaches, 2–7 yr followups, 26841

Treatment Effectiveness Evaluation—Books

Assessing interventions: Traditional and innovative methods. Research methods for primary care, Vol. 4, 19035

Treatment Effectiveness Evaluation—Chapters

Analyzing large data sets, 19037
Assessing primary health care delivery, 19056
Assessment of an intervention in primary care: Counseling patients on smoking cessation, 19256
The effect of treatment on juvenile delinquents: Results from meta-analysis, 22060
The effectiveness of drug treatment, 11148
Effectiveness of treatment strategies for the chronic mentally ill, 38847
Evaluating family support services: Two quantitative case studies, 30786
Evaluating the effectiveness of a multifaceted community-based support program, 19116
An evaluation of an occupational therapy service for persons with dementia, 46959
Evaluation of the efficacy of a homeopathic treatment for plantar warts, 19047
An examination of inpatient treatment outcome and follow-up of a psychiatric children's unit, 38987
An example of assessing health care delivery, 19052
Hearing a word, sensing what's wrong, finding a way: Physicians' responses to patients' concerns, 19255
How effective is substance abuse treatment—Compared to what?, 11161
Intervention studies in primary medical care: Trials and tribulations, 19036
Meta-analysis in primary care: Theory and practice, 19051
Options for nurses in the primary care setting, 19050
Qualitative designs for assessing interventions in primary care: Examples from medical practice, 19094
Randomized trials for assessing interventions in primary care, 19040
The Sioux Lookout Project as an example of a large data set, 19038
Statistical methods and clinical trials, 18502
Theoretical considerations of qualitative method: Behavioral science research of relevance to primary care interventions, 19046
Traditional interventions in primary care: Issues of control, 19041
Using instruments of self-report to assess interventions: Examples, 19055

Treatment Facilities [See Also Clinics, Community Mental Health Centers, Halfway Houses, Hospitals, Nursing Homes, Psychiatric Clinics, Psychiatric Hospitals, Therapeutic Camps]—Serials

clinical applications of mental health computer software, VA facilities, 2871
cost benefits of payment for hospital based vs freestanding alcoholism treatment, Medicare recipients, 31002
crisis intervention & drug therapy & psychotherapy, depressed inpatients of special treatment wards, past 10 yrs, West Germany, 23137
history & treatment & research & EAP activities of Addiction Research & Treatment Corporation treatment facility, 7209
multifacility utilization & disjointedness of shared care, schizophrenic patients discharged from veterans' hospitals, 7147
multivariate risk profile model, prediction of clinical depression onset, 20 yr olds & older admitted to medical long term care facility, 1 yr study, 38950
neuropsychological & cognitive functioning, alcoholic 21–59 yr olds in VA vs community treatment programs, 39032
treatment center vs prison, suicide rate, male sex offenders, 1959–89, 11206
treatment services provided, cocaine or alcohol dependent males in day hospital vs inpatient rehabilitation program, 42914
types of treatments for mentally disordered offenders, directors of forensic facilities, 27098
workshops on team building & communication skills & self esteem & stress management, burnout, 22–58 yr old staff of long term care facility, 35194

The rise of alcohology in France: A monopolistic competition, 11163

Treatment Methods (Physical) [See Physical Treatment Methods]

Treatment Outcomes [See Also Psychotherapeutic Outcomes] —Serials
abstinence from bingeing & purging, treatment response & long term outcome, females with bulimia nervosa, 2 yr followup, 2079
acute gerontological vs medical unit care, functional & mental status outcomes, 55 yr olds & older, 23139
alcohol & drug abuse treatment intake characteristics & completion & outcomes & evaluation, inpatients vs outpatients, 42933
amylase level monitoring, diagnosis & assessment of treatment response, females with bulimia nervosa, 18140
application of treatment outcome research to clinical practice, alcohol & drug abusing clients, 23277
attitudes toward shape & weight & other predictors of psychological treatment outcome, patients with bulimia nervosa, 4 & 8 & 12 mo followups, 46202
autonomy, family functioning during alcoholism treatment & drinking outcomes, alcoholic outpatients, 46933
belief in efficacy of 5 medical & surgical treatments, power of nonspecific effects on treatment outcomes, doctors & patients, 46687
child & parent characteristics & family dysfunction & treatment modality, short term outcome of psychiatric hospitalization, 6–13 yr olds, 2–6 mo study, 3022
child & parental & family dysfunction & other preadmission factors, outcome in day treatment programs, emotionally & behaviorally disturbed 4–12 yr olds, 11053
child's age, out of home placement & program evaluation, families in intensive family preservation services, 2861
child's age, outcome of parent training, parents & their 2.5–12.5 yr olds, 18667
clinical characteristics & outcome, male vs female alcohol withdrawal outpatients, 35034
clinical history & type & severity of psychopathology & extrapyramidal side effects, prediction of response to haloperidol, acute schizophrenic patients, 6765
clinical outcome & side effects & plasma levels of fluoxetine & norfluoxetine, 24–61 yr olds with major depressive disorder, 42464
clinician vs self ratings of antidepressant outcome, depressed patients, meta analysis, 6735
clozapine response, chronic schizophrenic 18–76 yr old inpatients, Northern Ireland, 34554
coexisting depression, prediction of response to amantadine vs desipramine, cocaine abusers on methadone maintenance, conference presentation, 11139
comorbidity of personality disorders & depression, response to treatment, patients, 14471
conjoint collaborative training & supervision model, client outcome, paraprofessional companion therapists & clients with eating disorders, 3192
construction & administration & psychometrics of rating scales, measurement of severity & outcome of obsessive compulsive disorder, 24120
convergent validity of Halikas-Crosby Drug Impairment Rating Scale for cocaine, assessment of drug & psychosocial treatment outcome, cocaine abusers, conference presentation, 15958
cost management & outcome & value of brain injury rehabilitation, 3rd party payers, 23203
cyclic antidepressant therapy vs ECT, cognitive & affective outcome, 55 yr olds & older with major depression, 15 mo & 4 yr followups, 46151
day treatment, nights per wk spent away from hospital as indication of treatment feasibility, 18–65 yr olds & older referred for hospitalization, 11063
definitions of secondary depression, comorbidity & treatment outcome findings, patients with anxiety disorders, conference presentation, 5944
depressive symptoms & cognitive impairment & physical ill health, length of stay & mortality & activities of daily living, 64–102 yr olds with emergency hip surgery, 1 yr followup, 2820
descriptive & clinical & treatment & other characteristics, outcome of partial hospitalization program, severely disturbed 13–18 yr olds, 3–5 yr followups, 11061
determination of success & other neglected topics in chronic pain treatment outcome studies, 46153
development of Social Phobia Endstate Functioning Index, assessment of functional status as indicator of treatment outcome, 28–49 yr olds with social phobia, 31926
developmental level of cognitive functioning, prediction of response to behaviorally oriented inpatient alcoholism treatment, alcoholic adult males, replication, 15083
discontinuation of alprazolam following successful treatment, relapse & outcome, patients with panic disorder, followup, 38535
drug involvement & social isolation & support & motivation & demographics, treatment retention, cocaine using adults in outpatient treatment, 39009
dual diagnosis of mental illness & substance abuse & treatment according to chronicity of mental illness, outcome, psychiatric patients, 3 mo followup, 30935
duration of depressive episode, response to placebo vs antidepressant clinical trials, conference presentation, 10693
duration of illness before treatment, time to & level of remission & outcome, 1st episode schizophrenic patients, 3 yr followup, 9867
early & comprehensive discharge planning protocol by social workers, medical & psychosocial assessments & client satisfaction, hospitalized patients, Israel, 3 wk & 2 mo followups, 46890
effectiveness in management of depression, patient outcomes, general practitioners vs practice nurses, 19030
efficacy of & outcome predictors for brief behavioral treatment program, 19–75 yr olds with chronic insomnia, 6 mo followup, 38669
feasibility of smoke free policy & effect on treatment outcomes, drug or alcohol dependent patients, 46927
gender issues in treatment outcomes, alcohol vs nicotine vs other drug abusing adults, 1984–89, research review, 3110
goal attainment scaling, evaluation of clinical change, occupational therapy clients, 31809
high vs low parent involvement, treatment outcome & effectiveness, 13–17 yr old psychiatric patients in adolescent day treatment program, 3034
identification & selection & utilization of outcome measures in psychiatric clinical trials, 10451
imipramine, depressed 18–65 yr old outpatients after unsuccessful cognitive therapy, conference presentation, 38599
importance of sensitivity to change in outcome measures used in nursing intervention evaluation studies, 30775
injury severity & time postaccident & age & duration & cost of treatment, prediction of outcome, patients with automobile accident induced traumatic brain injury, 23207
inpatient psychiatric unit, outcome, adolescents with conduct &/vs emotional disorders, England, 2 yr followup, 38979
inpatient vs outpatient private substance abuse treatment, addiction severity & treatment services & outcomes, alcohol &/or cocaine dependent adults in EAP program, 6 mo followup, 42944
institutional pressures & other problems with drug abuse prevention program outcome evaluations, 31007
integration of economic & psychological perspectives in health & mental health services outcomes related research, patients, 2873
intervention process variables, prediction of changes in cardiovascular disease risk factors in family based diet & exercise change program, 5th–6th graders & families, 1–2 yr followups, 46733
level of consumption & pretreatment drinking patterns & social integration, treatment outcomes, inpatients vs outpatients in alcohol treatment programs, 42925
life stress, course & outcome of psychotherapy with antidepressants, adults with recurrent depression, 6456
matching of patient indicators to group cognitive vs supportive self directed therapy vs focused expressive psychotherapy, maintenance of treatment gains, depressed patients, 1 yr followup, 34315
melancholic symptoms, response to antidepressants vs placebo, patients with endogenous depression &/or major depressive episode, 10712

multidisciplinary nursing intervention, functional status outcomes, elderly hospitalized patients with medical disorders, 34968
nonpharmacological treatment, psychological side effects, tension & migraine headache patients, 26836
optimistic & pessimistic explanations for treatment outcomes, drug addicted patients, 7240
outcome & process research on couple therapy, 26597
outcome measurement & economic evaluation of clinical practices in speech & language pathology & audiology, Canada, commentary, 46961
outcome measurement & economic evaluation of clinical practices in speech & language pathology & audiology, Canada, 46960
outcome measurement & economic evaluation of clinical practices in speech & language pathology & audiology, Canada, commentary, 46964
outcome measures following 1 yr of clozapine, patients with neuroleptic resistant schizophrenia, 6768
outcome of abstinence based treatment for alcohol & drug dependency, 7222
outcome of hospitalization in state forensic unit, mentally ill criminal defendants found incompetent to stand trial, 7283
outcome of inpatient psychiatric treatment on psychosomatic medicine unit, 15–68 yr olds with persistent somatization with vs without depression, 7163
outcome of intensive residential center program, patients with acute behavioral or emotional &/or alcohol or drug abuse problems, 1988 vs 1989, 11036
outcome of psychosocial interventions, patients with chronic medical illness, conference presentation, 26846
outcomes & costs of VA inpatient treatment programs, alcoholic male 45–70 yr olds & older, 1 yr followup, 15106
outcomes of weight loss program participation, predominantly female clients, 1980s, 22954
partial rhizotomy of dorsal root ganglion, EMG & sensory EPs & side effects & pain, 26–69 yr olds with intractable cervical pain, 30672
partner involvement in group cognitive behavioral stress coping intervention, treatment outcome, 19–59 yr olds with chronic headaches, 30578
past history of substance abuse, desipramine treatment outcomes, 18–45 yr old females with bulimia nervosa, 2675
patient & physician & family management behavior, care & health outcomes, asthmatic patients, conference presentation, 34762
patient characteristics & treatment trial analgesia, prediction of long term spinal cord stimulation treatment, 29–71 yr olds with failed back surgery syndrome, 30613
patient variables, prediction of response to group treatment, females with bulimia nervosa, Canada, 14591
perceived formal & informal caregiver support, prediction of discharge & postdischarge outcome & readiness for self care, hospitalized 24–93 yr olds with cardiac conditions, 3007
perceived similarity of psychiatrists' vs significant others' vs own attitudes toward illness severity, therapeutic outcomes, depressed 21–72 yr old inpatients, 30947
personality characteristics, prediction of response to cognitive behavior therapy, 16–67 yr olds with agoraphobia with panic attacks vs social phobia, Australia, 10528
personality disorder, outcome of clomipramine hydrochloride treatment, patients with obsessive compulsive disorder, 14660
personality subtypes & relation to length of stay & treatment outcome, substance abusing 17–50 yr olds in therapeutic community, 23243
pharmacokinetic aspects of & clinical response to neuroleptic treatment of schizophrenia, 34524
pharmacokinetics of psychotropics & relationship of plasma & serum levels to treatment response, children & adolescents, literature review, 6729
plasma fluphenazine, treatment response, schizophrenic male 26–61 yr olds, 6806
preadmission & parent & family variables & prediction of treatment outcome, 12–18 yr old psychiatric patients from adolescent vs nonspecialized unit, comparison with data from 4–12 yr olds, 3013
prediction of haloperidol response & development of dyskinesias, autistic 2–8 yr olds, 6756
prediction of outcome of cognitive behavior therapy with vs without antidepressants, neurotic depressive inpatients, Germany, 46294
predictors of fluvoxamine &/vs behavioral exposure therapy outcome, outpatients with obsessive compulsive disorder, 30271
premorbid adjustment & brain morphology & growth hormone & CNS dopamine activity & smooth pursuit eye movement, severity & drug treatment response & subtypes, 1st episode schizophrenic patients, 9866
prenatal care enhanced vs conventional methadone maintenance, pregnancy outcomes, pregnant opiate dependent 20–33 yr olds, 23231
preoperative psychological adjustment & postoperative seizure reduction & other variables, emotional & psychosocial outcome following anterior temporal lobectomy, patients with complex partial seizures, 2797
prescriptive cognitive behavioral vs exploratory psychodynamic interpersonal therapy, interpersonal & intrapersonal functioning, professional & managerial workers with depression &/or anxiety, England, 26444
presence of cluster B personality disorder, prediction of outcome of cognitive behavioral & desipramine therapy, female bulimic 18–65 yr olds, 38363
pretreatment family functioning & autonomy level, drinking outcomes, alcoholic adults in outpatient treatment, 18 mo followup, 15113
pretreatment illness severity, choice & outcome of psychotherapy vs relaxation training vs behavior therapy vs pharmacotherapy, depressed adults, 2390
pretreatment orthostatic BP, prediction of response to tacrine, elderly with Alzheimer's disease, conference presentation, 10850
pretreatment postural BP drop, prediction of response to velnacrine, elderly with Alzheimer's disease, conference presentation, 10841
pretreatment variables, prediction of immediate & long term partial hospitalization outcome & treatment performance, 24–64 yr old male veterans, 11072
prevalence of Millon Clinical Multiaxial Inventory-II diagnosed personality disorders, outcome of exposure therapy & eclectic psychotherapy, agoraphobic 17–64 yr olds, 2432
program features predictive of outpatient drug treatment outcomes, 15112
progress in & methodological problems with therapy outcome research, preschoolers, conference presentation, 14495
psychiatric diagnosis & surgical outcome, pancreas transplantation patients with Type I diabetes mellitus, 38729
psychiatric hospitalization, outcome as assessed by continued military service, active duty psychiatric inpatients, 19170
psychiatric severity & social support, treatment outcomes, inpatients vs outpatients with substance dependence, 42950
psychological & sociodemographic factors & psychiatric diagnosis, prediction of cognitive behavioral treatment outcome, 18–73 yr olds with irritable bowel syndrome, 6862
psychological health-sickness, prediction of outcomes of dynamic & other psychotherapies, research review, 46379
psychological well being as conceptual framework for nursing care outcomes, cognitively impaired older patients, 34817
psychotherapy vs psychoanalysis, treatment outcome, anaclitic vs introjective patients, 6487
regrets following sex reassignment surgery, adult patients, 46571
rehabilitation, outcome & activities of daily living & locomotion & hand function & cognitive abilities & communication, older adults with 2nd stroke with right vs left vs mixed hemisphere site, 3052
rehabilitation outcome & value & quality of life, head injured patients & their family members, 23178
rehabilitation outcomes & patient & financial provider satisfaction, patients with acquired brain injury, 23184
reliability & validity of self report measures of treatment outcome, homeless mentally ill adults, 39799
response to amobarbital interview, predictions of hospitalization outcome, patients with catatonic mutism, 11067

response to fluoxetine following washout after initial nonresponse, 26–40 yr olds with major depression, 10662
response to therapeutic sleep deprivation, prediction of subsequent fluvoxamine vs maprotiline response, patients with major depression, 42443
role play measures of coping skills, outcome of alcoholism aftercare treatment based on interactional therapy vs coping skill training, alcoholic adults, 6–24 mo followups, 15105
seizure disorder, treatment outcomes, patients with mental retardation & psychiatric disorder, 42151
self efficacy, rehabilitation outcome, 25–58 yr old chronic low back pain patients, 6 mo followup, 42899
self esteem & ineffectiveness & disorder severity, prediction of outcome of cognitive behavioral therapy, females with bulimia nervosa, replication & extension, 10524
sex & marital status & age & education & duration & severity of illness, prediction of placebo response rate, depressed 18 yr olds & older, 2682
sex, alcohol rehabilitation treatment outcomes, adults with alcohol abuse problems, 1953–91, meta analysis, 11120
sexual functioning & other postsurgical consequences after hysterectomy, premenopausal females, 2 yr study, 38694
social support & family members' reactions, outcome of intensive behavioral treatment, adults with obsessive compulsive disorder, 9 mo followup, 42299
sociodemographic & emotional health factors, prediction of methadone maintenance outcome, narcotic addicts, Canada, 35027
staff management & intervention, client outcomes for developmentally disabled, literature review, 38923
T-cells & T-cell subgroups, disease course & prognosis & neuroleptic outcome, 18–58 yr olds with schizophrenia vs schizoaffective psychosis, 30491
therapeutic outcomes, autistic patients followed up at 18–33 yrs old, conference presentation, 6450
therapy progress & personality & other characteristics, 19–70 yr old sexually repressed vs nonrepressed child molesters, 29811
time in treatment & methadone maintenance vs residential vs outpatient & drug free modality, posttreatment employment & earnings, drug abuse clients, longitudinal study, 15097
transfer from city hospital's acute psychiatric care unit to long term care state hospital, outcome, children with psychiatric disorders, 34948
transfer involvement & preparation & characteristics, prediction of satisfaction with & outcome of transfer between units, private psychiatric hospital patients, 7148
transition from inpatient program & outcome as assessed by self esteem & contentment & program satisfaction, adult day hospital patients, 34951
treatment expectations & motivations & outcomes, patients undergoing orthognathic vs cosmetic surgery vs orthodontics, longitudinal studies, 46675
treatment outcome & demographic & psychosocial characteristics, female clients of traditional mixed vs specialist women's drug & alcohol services, 35009
treatment outcome assessment & continuous quality improvement in psychiatric hospital program evaluation, psychiatric patients, 46891
treatment outcome profiles for behavior therapy vs amitriptyline vs psychodynamic psychotherapy vs relaxation training, adults with unipolar depression, 3 mo followup, 30287
treatment outcomes for Family Project Approach model for family therapy, adolescents with conduct disorders at risk for placement & their families, 42331
treatment outcomes, 16–65 yr olds with facial pain disorders, England, 4 yr followup, 38352
treatment outcomes, 26–51 yr olds in long term methadone maintenance, 42968
utility of ordinal scale derived from clinical & tomographic data, prediction of clinical outcome, patients with normal pressure hydrocephalus, Netherlands, 34241
validity of Social Phobia & Anxiety Inventory, assessment of treatment change, 21–56 yr olds with social phobia, 27998
working alliance & development of insight at termination of outpatient crisis intervention, treatment compliance & outcome, depressed psychiatric patients, 19137

Treatment Outcomes [See Also Psychotherapeutic Outcomes] —Chapters

Analysis of treatment experience and outcome from the Johns Hopkins Eating Disorders Program: 1975–1990, 30787
Critique of follow-up studies, 30297
Drug and alcohol misuse: Treatment outcomes and services for women, 31028
An examination of inpatient treatment outcome and follow-up of a psychiatric children's unit, 38987
Intervention in persistent criminality in children, 22059
Long-term outcome in personality disorders, 42194
Reducing primary risk factors by therapeutic weight loss, 6840

Treatment Termination—Serials

analyst as old & new object during adaptive compromise formations following termination, female analysand with severe anxiety & depersonalization, followup studies, conference presentation, 34506
application of drive structural vs object relations vs self psychology models to premature termination of psychotherapy, male with anxiety & impotence, 6526
attitudes toward & expectations about individual helping process, decision to continue process, 10–16 yr olds in residential care & their social workers, Israel, 34930
cessation of haloperidol decanoate treatment, plasma haloperidol & reduced haloperidol, schizophrenic patients, 34532
cessation of long term naltrexone, self injurious behavior, profoundly mentally retarded female 28 yr old, case report, 46431
cognitive behavior therapy, benzodiazepine discontinuation difficulties, patients with panic disorder, 2505
counselor loss history & perceived client sensitivity to loss, affective reactions to termination of counseling, psychologists, 43089
development of Termination Scale, assessment of processes of therapist initiated termination of psychotherapy, 24–41 yr old doctoral students in supervised training rotation, 79
discontinuation of alprazolam, patients with panic related disorders, 14683
guidelines for prevention of premature group psychotherapy termination, Asian American clients, 14590
neuroleptic discontinuation, relapse rates & serum neuroleptic levels, long term stable chronic schizophrenic patients, 22754
neuroleptic dosage & symptom severity & dyskinetic movements, prediction of relapse following neuroleptic discontinuation, outpatients with schizophrenia or schizoaffective disorder, 14672
patient therapist interaction, premature termination of time limited dynamic psychotherapy, 49 yr old male with personality disorder, 6671
perceptions of decision & relation to time of treatment discontinuation, patients & therapists in long term psychodynamic setting, 14513
perspectives on traditional termination vs continuous psychoanalysis, 46388
rapid vs gradual lithium discontinuation, risk for & timing of new episodes, patients with bipolar type I vs type II disorder, Italy, followup, 46440
rituals in treatment termination, social workers & clients, 38865
separation individuation & exploratory entering & leaving psychotherapy, college students, 31445
strength of working alliance, mutual vs unilateral termination, counselors & college student clients, 14521
termination of chemotherapy, psychological distress & perceived problems, 33–68 yr old females with breast cancer, application of crisis theory, 18934
theory & anticipatory processes of & intervention for forced termination in psychotherapy, 26474
therapist's use of executive & joining skills during initial interviews, family therapy continuations & completion, families with child focused problems, 46341

Treatment Withholding—Serials
attitudes & psychosocial & demographic characteristics, decision making for use of life sustaining measures, adult offspring of terminally ill 62–104 yr olds, Israel, 46777
attitudes & psychosocial & demographic characteristics, ethics of decision making for use of life sustaining measures, adult offspring of terminally ill 62–104 yr olds, Israel, commentary, 46782
attitudes toward involvement in life sustaining treatment plan discussions, 29–98 yr old nursing home residents, 23108
cancer vs comatose vs quadraplegic simulated case & presence vs absence of living will, right-to-die decision making & strength of conviction, adult mock jurors, 47615
conditions for presentation of discussion of termination or refusal of medical treatment except pain relief, 30676
contemporary secularism vs Orthodox Judaism, approach to individual rights & autonomous decision making vs obligation to others & God in right to die context, 41019
conversion of proceedings from civil commitment to protective placement, client rights & denial of treatment, mentally ill adults, 7855
do-not-resuscitate orders, depressed elderly psychiatric inpatients, 6446
individual rights vs state interests & ethical concerns in legal decisions to withhold life support in cases of persistent vegetative state, 27863
Jewish perspective on death & dying & withdrawal of life sustaining treatment, 46147
legal quidelines for determination of mental competence & right to treatment refusal, psychiatric hospital patients, Canada, 7167
moral responsibility & negotiation of death in ethical decision making in rejection of life supporting therapy, male 66 yr old in intensive care, 6961
perceptions of support of patient autonomy in do not resuscitate decisions, nurses, 39123
public attitudes toward consent to treatment & advance directives & related issues & legislation, adults, Canada, 31748
role in right to die & treatment termination & withholding decisions, counselors treating terminally ill patients, 27862
therapeutic jurisprudence perspective on competency & treatment rights & other criminal justice mental health issues, death row inmates & sex offenders, 39685
Treatment [See Also Related Terms]—Serials
abstinence from smoking, diagnosis & treatment of psychiatric disorders & withdrawal effects, psychiatric patients, 41406
age & length of stay & previous admission, rating of music vs art vs recreation vs traditional therapy vs overall care during hospitalization, 21–73 yr old psychiatric patients, 38956
anxiety & coping & family environment & health locus of control, 8–19 yr olds with optimal vs nonoptimal metabolic control of diabetes, application to selection of psychosocial treatment targets, 30675
approaches to psychological & therapeutic jurisprudence, 31749
arousal training with urine alarm, nocturnal enuresis, 6–12 yr olds & their parents, 2.5 yr followup, 42574
attitude toward & practices in pain & pain management in neonates & infants, physicians, 30053
attitudes toward computers in home based treatment of aphasic patients, speech therapists, 31159
behavioral assessment & multicomponent intervention, remediation of problem behavior in community settings, male autistic 16–18 yr olds, 42287
blindfolding therapy, depressed 65 yr old female with visual & auditory hallucinations & initial insomnia & anxiety, case report, 38360
chelation or nutrition therapy or other treatment, children with lead poisoning, 38690
child & family problems & demographics & assessment & treatment & followup & outcome & parental perceptions of outcome, consumer satisfaction, parents & referral sources of child inpatients, Canada, 46878
clinical & public policy perspectives on & shortcomings of instruments in functional assessment of communication & implications for therapy, aphasic patients, commentary, 28017
clinical & therapeutic aspects of sleep related respiratory resistive loads with vs without associated obstructive apneas, infants & children, conference presentation, 26173
clinical approach to diagnosis & management & definition & pathogenesis of Alzheimer's disease, 26332
clinical developmental approach to research & theory & intervention, adolescents with psychopathology, 26399
clinical management, 25–77 yr olds with treatment resistant affective disorder, reply to commentary on literature review, letter, 34290
clinical practice guidelines for treatment planning & implementation by psychiatrists & physicians, 18 yr olds & older with major depressive disorder, 34279
clinical principles & treatment strategies for frequent hospital readmission, adult females with borderline personality disorder or paranoid schizophrenia & male with schizoaffective disorder, 30934
components of developmental & clinical intervention model, prevention of conduct disorder, school age children with aggression &/or peer difficulties, 26382
compulsory treatment as compassion vs coercion, patients with anorexia nervosa, 42162
computer stimulation vs computerized reading treatment program, aphasic 49–74 yr olds, 31049
conceptual framework based on therapeutic jurisprudence for conflicting values in mental health law, 31747
concerns about & use of questionable nutritional therapies for medical & psychological maladies, 30272
consultation & prevention & intervention services for child sexual abuse, school psychologists, 31434
control of severe bone pain, alcoholic 49 yr old male with multiple bone metastases, Canada, 38721
definition & treatment of sexual addiction, 29775
demographic characteristics & source of fear & psychiatric comorbidity, treated vs untreated patients with simple phobia, 45548
demographics & clinical & treatment profiles, school age children adopted before vs after 6 mo old, 45327
determination of success & other neglected topics in chronic pain treatment outcome studies, 46153
development of constitutionally rooted least restrictive alternate principle & application to mental health treatment decisions & behavioral analysis, 43638
developmental & social context approach to prevention & treatment & school entry & transition risks, children with conduct disorder, commentary, 46137
developmental approach to prevention & treatment, children with conduct disorder or antisocial behavior, 46146
developmental psychopathological model for diagnosis & classification & development of made-to-measure treatment planning, children with autism or related pervasive developmental disorders, 29950
diagnosis & current pharmacotherapy & other treatments, difficult to treat depressed patients, conference presentation, 34286
diagnosis & multicomponent treatment of insomnia, conference presentation, 30572
direct & indirect costs associated with treatment, depressed patients, England & Wales, conference presentation, 30276
dual diagnosis & treatment, psychiatric patients with substance use disorders, 42957
dysfunctional parenting, behavior problems, children, implications for prevention & treatment, 45642
effectiveness of psychosocial treatment of personality disorders, literature review, 34365
efficacy of clinician vs clinician-assisted microcomputer treatment, aphasic patients, 31050
establishment of nonpain "normal" temporomandibular-masseter EMG values, treatment & diagnosis of myofacial contraction & related headache, 14–74 yr olds, 26183
etiology of & diagnostic instruments & treatment methods for obsessive compulsive disorder, 41622
exercise therapy for depression, conference presentation, 46564

family system perspective to etiology of & interventions for infant sleep problems, 38133
FORTRAN program TREND for generation of orthogonal polynomials in analysis of trend among independent treatments, 32003
functional communication group therapy, communication ability, 42–75 yr old chronically aphasic patients, 42982
goal directed care, aggressive behavior, nursing home residents with dementia, 27091
guidelines for diagnosis & treatment of anorexia & bulimia nervosa, erratum, 38053
ideological beliefs in sterilization & colony segregation & community care during interwar period, mentally deficient or insane, 19th & 20th centuries, Great Britain, 26403
impaired production of spoken & written sentences, male aphasic 60 yr old, application of model of normal spoken sentence production, 31051
interventions in aggression reduction, patients with learning difficulties, literature review, 30288
intrapsychic & therapeutic significance of symbol use, 4 yr old female with elective mutism, 46186
issues in assessment & treatment decision making, children, 42154
issues in multidisciplinary & specific treatment of trauma from political torture, culturally diverse female refugees living in exile, 26379
issues in sex offender treatment programs, 31063
issues in treatment of male erectile disorder, 38665
knowledge of & attitudes toward law & medical ethics & clinical practice regarding care of patients near end of life, nurses & physicians, 31186
legal remedies & aspects of clinical care, homeless mentally ill, conference presentation, 27859
life & work with mentally ill & development of moral treatment & founding of Spring Vale Asylum, T. Bakewell, England, 34965
management of chronic somatization, nonpsychiatrists, 42532
nature & cause & treatment strategies for wandering behavior, elderly nursing home residents, nursing practice implications, 27077
need for descriptive developmental psychopathology & applied treatment research for conduct disorder, 46138
needs & expectations concerning psychosocial support & social services in early treatment stages, patients with rheumatic diseases, 42569
needs for assessment of treatment vs social skills, long stay psychiatric inpatients, Wales, 42886
neurophysiological bases of exchange & development therapies, social & functional deficits & acquisition, autistic 2–8 yr olds, 26395
nutritional support at personal & interpersonal & organizational & societal levels, patients with HIV, 30607
operant & social learning & cognitive behavioral intervention strategies, children with social skills deficits, 46351
operational classification system & diagnostic strategies & treatment options for low back pain, 41957
outcome of psychosocial interventions, patients with chronic medical illness, conference presentation, 26846
patient delay in seeking help & provider delay in treatment, adult females with breast cancer symptoms & health care providers, 1975–92, meta analysis, 42591
patient issues in & strategies for identification & treatment of wife abuse, family physicians, 30743
prevalence & clinical descriptions & pathophysiology & psychological treatment of headaches, children & adolescents, research review, 45932
prevalence & costs & partners of use of unconventional therapies, adults with chronic pain or cancer or anxiety or other disorders, 30569
prevalence of suicide & treatment after attempted suicide, Austria, conference presentation, 45632
prevention & assessment & treatment of sexual concerns & dysfunctions, stroke survivors & their partners, 38199
prevention & treatment of juvenile delinquency, literature review, 27190
psychiatric aspects & management of leech therapy, debridement & revascularization, 18 yr old male & 35 yr old female, case reports, 26891
psychic healing & complementary medicine, research review, 42156
psychological & pharmacological & combination therapies, patients with bulimia nervosa, 38367
psychological assessment & intervention in schizophrenia, annotated bibliography, 29679
psychologists' role in & models of treatment & management & prevention, patients with chronic mental illness, 46150
psychopathology & classification & pathophysiology & treatment of obsessional slowness, 45576
psychosocial interventions, adults with myocardial infarction or coronary bypass surgery or cancer, literature review, 26843
psychosocial interventions, schizophrenic patients, 30273
psychosomatic integrative viewpoint on etiological models & treatment, patients with temperomandibular joint pain dysfunction syndrome or bruxism, 42551
quality of care in management of epilepsy, mentally retarded, 42141
quality vs quantity of life & mind body dichotomies & molecular biology & psychogeriatric treatment of manifest behavioral symptoms of Alzheimer's disease, 38660
recent data on treatment of difficult depressed patients, 34277
responsibility in bioethical decision making for catastrophically ill newborns, child welfare, implications for Child Abuse Amendments of 1985, 46142
risk factors & common characteristics & onset & progression of offending & goals of prevention & intervention, perpetrators of sexual abuse & domestic violence, conference presentation, 37899
risky decision making & allocation of treatment resources to patients with AIDS vs leukemia, college students, 26191
role in treating dysfunctions following traumatic brain injury, speech language pathologists, 46965
role of changing conception of mental health law & legal scholarship in therapeutic jurisprudence, 31751
role of developmental theory in prevention & intervention, children & adolescents at risk for psychopathology, 26380
role of MAO in emotions & adaptations to stress in humans & animal models of psychopathology, treatment implications, 46509
role of pineal gland melatonin secretion & picotesla magnetic field treatment, 42 yr old female with migraine or cluster headache, 34060
role of religion in residential treatment, troubled children & adolescents, 30911
scheduled naps, daytime alertness & frequency of sleep attacks & quality of life, 21–65 yr old narcoleptic patients, 38731
selection & training in treatment foster family pilot program, foster families & children, Canada, 30841
self psychology approach to treatment, 20 yr old female with chronic fatigue syndrome, 34684
self treatment of symptoms & illness behavior, 65 yr olds & older, 26926
self vs physician perceptions of physical symptoms & psychosocial impact & treatment efficacy, elderly patients with urinary incontinence, 26901
sensory retraining, hemiplegic 44–81 yr olds with sensory deficit in hand following stroke, Israel, 34999
serial vs parallel vs integrated treatment model, patients with dual diagnosis of addictive & psychiatric disorders, 42953
sex & training & length of service, attitudes & practices toward spousal assault victims, general practitioners, Australia, 35186
sex, recovery from myocardial infarction & medical care & social support & caregiving assistance, 43–87 yr olds, 1 yr study, 42024
short term residential treatment, depression, 8–12 yr olds with severe behavior problems & learning disabilities, 30917
sleep management & parental coping, parents of newborns with apparent sleep problems, England, 42541

social support networks in grief process, treatment of patients with life threatening illness, allied health professionals, 42566
sociodemographic & clinical treatment characteristics, patients with idiopathic catatonia vs schizophrenia vs depression with catatonic symptoms, diagnostic implications, 45365
spread of fraudulent & pseudoscientific methods in theories & treatment of AIDS, 30665
suicide risk & precautions & management, psychiatric & other inpatients, research review, 30927
systemic belief therapy, 41 yr old female survivor of partner's suicide & her 15 yr old daughter, 34372
techniques for reduction of aversive mental states & emotional arousal, 42155
theoretical & treatment issues, patients with panic or anxiety or obsessive compulsive disorder or social phobia, 26402
treatment approaches, anxious attachment in infancy & early childhood, 26383
treatment issues & approaches, grandparent headed families with 3–9 yr olds with disruptive behaviors & anxiety, 30284
treatment modalities & long term outcome, patients with borderline personality disorder, literature review, 34292
treatment of comorbid anxiety & alcoholism, conference presentation, 46139
treatment options & implementation time & side effects profile, ratings of acceptability of treatment for nursing home residents' disruptive behavior, nurses, 42845
treatment, patients with lithium induced polyuria or nephrogenic diabetes insipidus, 38662
treatment programs in civilian contexts, patients with PTSD, annotated bibliography, 26387
treatment, sexual functioning & rehabilitation, females with gynecological cancer, 26924
types & efficacy & setting of treatment for multiple personality disorder, mental health personnel, 46145
types of treatments for mentally disordered offenders, directors of forensic facilities, 27098
unrecognized psychosocial & psychiatric factors & clinical diagnosis & treatment, 26–62 yr olds with insomnia, 30031
utility of psychiatric rehabilitation model for understanding & treatment, patients with borderline personality disorder, 34345
verbal & written detailed vs brief & flexible procedural risk & benefit disclosure, informed consent information recall & satisfaction, mothers of neonates at risk for respiratory failure, 26876
weight loss & malnutrition & other aspects in assessment of & interventions for failure to thrive, elderly, 26196
3 step approach to treatment planning based on consumer involvement, mental health practitioners, 34281

Triadic Therapy [See Conjoint Therapy]
Trial and Error Learning—Serials
Pavlov's 2 factor learning theory, associations & conditioning & trial & error learning & scientific discovery, 8372
Triazolam—Serials
abrupt vs tapered discontinuation of triazolam, rebound insomnia with vs without disturbed sleep, 20–50 yr olds, 2662
adverse reactions to triazolam & other benzodiazepines, 30506
brotizolam vs triazolam, 20–50 yr olds with anxiety & insomnia, 26779
contingent & practice augmented tolerance to triazolam, male rats, 36769
continuous vs step infusion of acute triazolam, tolerance & psychomotor performance, male adults, 36814
oral self administration & physical dependence on diazepam vs triazolam vs ethanol, male baboons, implications for abuse liability of benzodiazepines, 12732
placebo vs triazolam vs lormetazepam, development of anxiety & psychiatric side effects, 40–70 yr old poor sleepers, commentary reply, letter, 30438
repeated triazolam, activity induced circadian entrainment, 9 wk vs 14 mo old hamsters, 40690
repeated triazolam vs nitrazepam, daytime sleepiness & psychomotor performance & EEG & motor coordination & plasma levels, male 23–27 yr olds, 8950
sleep deprivation & triazolam, EEG NREMs & EMG & sleep wake cycle & sleep homeostasis, male rats with lesions of suprachiasmatic nuclei, 12901
temazepam vs triazolam, cognitive & psychomotor performance, 65 yr olds & older with insomnia, 10837
triazolam induced nocturnal bingeing & amnesia, moderately overweight female 53 yr old, case report, 2653
triazolam, nighttime sleep quality & excessive daytime sleepiness, narcoleptic 38–60 yr olds, 2823
triazolam vs ethanol dosage, mood & memory & psychomotor performance & perceived drug effects, healthy male 21–38 yr olds, replication, 28773
triazolam vs lorazepam, learning & psychomotor performance & perceived drug effects, male 21–26 yr olds, 36865
triazolam vs other benzodiazepine hypnotics, patients, research review, conference presentation, 30475
triazolam vs other hypnotics, CNS sedation & short term memory, healthy 18–50 yr olds, 40594
triazolam vs placebo vs d-amphetamine, discrimination in standard 2 response vs novel response procedures, male 19–32 yr olds, 28670
triazolam vs quazepam every vs every other night, hypnotic effectiveness & daytime anxiety, insomniac patients, 30666
zolpidem vs triazolam, memory & psychomotor performance & postural sway, healthy 20–32 yr olds, France, 36719
zolpidem vs triazolam, patients with insomnia & anxiety with or without depression, 26765
zopiclone vs flunitrazepam vs triazolam vs levomepromazine, sleep wake schedule change & daytime condition, 21–28 yr olds, 24910
Tribes—Serials
abuse & family violence, learning, Aboriginal children, Australia, 17899
attitudes toward traditional & modern health care delivery systems, Ibo traditional healers vs physicians vs patients, Nigeria, 19000
bilingualism & metalinguistic competence & development, bilingual vs unilingual Kond tribal 2nd vs 4th vs 5th graders, India, 44864
challenges to bicultural educational research, Maori adults, New Zealand, 39144
commitment to tribal vs Anglo culture, attitudes toward counseling & seeking services, American Indian 17–71 yr old college students, 2466
experience of terminal illness, 30–60 yr old Zulu speaking patients with cancer or other illness & their families & caregivers, South Africa, 38123

intentional collective behaviors in egalitarian control & sociopolitical leveling of leaders & reverse dominance hierarchy, tribe & band level societies, commentaries with reply, 41011
nature culture parallelisms in behavioral responses to strong population pressure, tribal 2nd form & high school students, Kenya, 25364
neurobehavioral organization, Efe Mbuti neonates, Zaire, 16986
polysexualization as reconceptualization of oedipal complex, male 4–6 yr olds, Trobriand Islands, commentary, 13146
social group work interventions, transfer from pastoralism to urban settlement, Bedouin tribe, Israel, 34871
social groups, scientific aptitude, Oraon tribal vs nontribal 10th graders vs college students, India, 27511
validity of Degree Holders & Technical Personnel survey, assessment of scientific & technical manpower potential & culture specific vocational choice, tribal vs nontribal high school students, India, 27922
verbal self instruction & operant manipulation in cognitive intervention, impulsive cognitive tempo, disadvantaged tribal school age children, India, 22557

Tribes—Chapters
So-so sexuality: Field research on gender roles with a preliterate polygynous African tribe, 13362

Trichotillomania [See Hair Pulling]

Trifluoperazine—Serials
trifluoperazine, progressive adult onset stuttering, 25 yr old male with schizophrenia with paranoid & catatonic features, case report, 22744

Trigeminal Nerve—Serials
chemical stimulation of nasal trigeminal nerve, electrophysiological cross adaptation & chemoreceptor discriminative ability & receptive pathways, male rats, 16541
descending trigeminal tractotomy, 48–71 yr olds with surgically failed trigeminal neuralgia, 9 mo to 15 yr followup, conference presentation, 18910
interaction of dihydroergotamine or sumatriptan with trigeminovascular systems, cats & 22–40 yr olds with migraine, animal model, 26888
percutaneous trigeminal rhizotomy or cordotomy under general anesthesia, 72–83 yr olds with trigeminal neuralgia & 20 yr old with bone pain due to osteosarcoma, conference presentation, 18896
projection of periaqueductal gray axon terminals into nucleus raphe magnus to sensory vs caudal spinal trigeminal nucleus, male rats, implications for endogenous descending pain control system, 32409

Trigeminal Neuralgia—Serials
descending trigeminal tractotomy, 48–71 yr olds with surgically failed trigeminal neuralgia, 9 mo to 15 yr followup, conference presentation, 18910
etiology & electrodiagnostic evaluation & carbamazepine response, 68 yr old male with trigeminal neuralgia secondary to tumor, 18909
percutaneous trigeminal rhizotomy or cordotomy under general anesthesia, 72–83 yr olds with trigeminal neuralgia & 20 yr old with bone pain due to osteosarcoma, conference presentation, 18896
tizanidine, neuronal transmission in spinal trigeminal nucleus oralis & attack frequency, cats & patients with trigeminal neuralgia, 44620

Trigonum Cerebrale [See Fornix]

Trihexyphenidyl—Serials
clozapine vs haloperidol with vs without trihexyphenidyl, electrical brain stimulation reward threshold sensitivity in mesolimbic & nigrostriatal dopamine system, male rats, 36772
trihexyphenidyl, memory functioning, healthy 60–78 yr olds, 24948

Triiodothyronine—Serials
augmentation of desipramine or imipramine with liothyronine vs lithium, patients with unipolar refractory depression, Canada, 38555
chronic desipramine, plasma & brain triiodothyronine & thyroxine, male rats, 32642
partial sleep deprivation intervention, thyroxine & triiodothyronine levels, depressed 20–77 yr olds, letter, 10759
repeated triiodothyronine, susceptibility to isoniazid & picrotoxin induced convulsions, male rats, animal model of hyperthyroidism, 756

Trinidad [See Trinidad and Tobago]

Trinidad and Tobago—Serials
audience design factors & societal norms, variation in production of Creole vs standard English, 2–4 yr olds, Trinidad & Tobago, longitudinal study, 40859
marble playing terminology, male 50–75 yr olds, Trinidad & Tobago, implications for sex role discourse socialization, 37366

Triplets—Serials
adjustment to births, prognosis for future relationship with infants, mothers of newborn triplets, 4 mo & 1 yr followups, 41134
beta-galactocerebrosidase deficiency & psychomotor deterioration & other clinical features, female monozygotic triplets with Krabbe disease assessed from 0–41 mo old, 2114
concordance for homosexual orientation, 20–68 yr old monozygotic vs dizygotic twins vs triplets, 37391

Trisomy [See Also Trisomy 21]—Serials
morphological & morphometric properties of locus ceruleus, trisomy 19 mice pups, animal model of Down's syndrome, 4596
partial trisomy of chromosome 5p, female schizophrenic child, case report, 5881
passive & active electrical properties of cultured hippocampal neurons, Trisomy 16 vs diploid 16 mice, animal model of Down's syndrome, 44477

Trisomy 21—Serials
clinical aspects & mechanisms of epileptic seizures, patients with Down's syndrome or trisomy 21, 41881

Trochlear Nerve [See Cranial Nerves]

Truancy [See School Truancy]

Trucks [See Motor Vehicles]

Trust (Social Behavior)—Serials
creation & maintenance of trust in business relationships, organizations, 23780
dependence of learning & successful technological collaboration on interorganizational trust between partners, biotechnology organizations, Great Britain, 23770
empathy & respect & shared information in therapeutic process, trust development, 19–79 yr old Black patients in natural health care setting & their napropaths or chiropractors, 10951
grief over death of loved one, self esteem & liking & trust of others, college students, US vs Spain, 41286
individual & interpersonal & organizational & interorganizational/interdepartmental & project factors in trust in market research relationships, research users, 43855
marital adjustment & trust & social intimacy, 22–55 yr old Hindu & Muslim couples, 17324
oppression due to sex & education & culture, trust & consultation & decisions to diagnose, nurses, 15215
perceptions of fairness & climate of employee employer trust as necessary factors in macroergonomic analysis of electronic performance monitoring, clerical employees using VDTs, 15618
profit expectations vs uncertainty, building trust & establishing profit seeking enterprises, startup firms, 11675
psychological climate within sales unit, trust in managers, salespersons, 47440
recall of politicians involved in scandals, perceived trustworthiness of exemplars of politicians in general, college students, Germany, test of inclusion/exclusion model of assimilation, 9461
secure vs anxious ambivalent vs avoidant attachment style, trust & amount of & comfort with self disclosure, 17–52 yr olds, counseling implications, 21508
social distrust & risk communication in hazardous facility siting, 23850
social judgment & expectations, willingness to trust, school superintendents & teacher union presidents, implications for education reform, 19330
subjective theories of trust between superior & subordinates, 36–46 yr old middle managers in business or military agencies, Germany, 23744

therapeutic strategies, reestablishment of trust in troubled marriages due to discipline transgressions or pervasive selfishness, spouses, 6607
transient & chronic systems faults & changes in & development of trust in human machine systems, operator's use of & trust in automatic vs manual control, college students, 3830
trust & perceived quality of interaction, market research providers & users, 3796
trust in appraisal system & performance rating, satisfaction with & perceived utility of appraisal & behavioral intentions, bank tellers, 35552
trust in authorities, psychological distress following accident, adults living near Three Mile Island, 4 yr followup, 17500
wording of contract agreement, level of trust in international joint venture, business students & businessmen, US vs Japan, 43373

Trust (Social Behavior)—Chapters
Affiliative trust–mistrust, 7977
Between truth and trust: Elements of direct address, 6554
Knowledge in the definition of social situations: Actualization of subjective theories about trust in counselling, 6547
Trust disturbance and the sexual revictimization of incest survivors: A self-psychological perspective, 17972

Tryptamine—Serials
5-carboxamidotryptamine or 5-methoxytryptamine, stimulation of 5-HT receptors & subsequent hindlimb scratching, male rats, 699

Tryptophan [See Also Hydroxytryptophan (5-)]—Serials
acute tryptophan depletion & serotonin dysregulation, symptom worsening, autistic female 35 yr old, case report, 45800
acute tryptophan depletion, exacerbation of depression & body dysmorphic disorder, female 42 yr old receiving 5-HT reuptake inhibitors, letter, 10652
age, kynurenine aminotransferase synthesis of kynurenic acid in hippocampus vs striatum vs cerebral cortex vs thalamus vs cerebellum vs liver, male 3 mo to 2 yr old rats, 12508
blood brain barrier transport & protein binding of L-tryptophan & alpha-methyl-L-tryptophan, lithium chloride treated rats, implications for treatment of manic depressive psychosis, 21012
CNS disorder progression after discontinuation of L-tryptophan, depressed 48 yr old female with eosinophilia-myalgia syndrome, case report, 14709
dietary depletion of tryptophan, cold pressor pain threshold & tolerance & morphine analgesia & mood, 18–30 yr old males, Canada, 674
electric foot shock vs conditioned fear stress, brain 5-HT & tryptophan & 5-HIAA & defecation & freezing behavior, male rats, 36521
fenfluramine vs fluoxetine with vs without dietary tryptophan, ethanol intake & body temperature, food & water deprived chickens, 20915
icv tryptophan metabolite kynurenic acid, drug tolerance & spontaneous locomotor activity changes, amygdala kindled male rats, 20843
iv levotryptophan & seasonal influences, mean peak delta prolactin response, melancholic patients, commentary, letter, 10658
iv levotryptophan, prolactin response, depressed patients, commentary reply, letter, 10714
L-tryptophan, breaking point under progressive ratio schedule of iv cocaine reinforcement, male rats, 32665
L-tryptophan, induction of sexual disinhibition, male 72 yr old with unipolar depression, case report, 22751
L-tryptophan, patients with neuropsychiatric disorders, literature review, 34579
lithium & tryptophan maintenance therapy, 44–53 yr olds with bipolar disorder, 6751
neuroendocrine responses to m-chlorophenylpiperazine or L-tryptophan challenge, females with bulimia nervosa, 14092
plasma tryptophan & ratio to neutral amino acids, 17–66 yr olds with major depression vs obsessive compulsive disorder, 33533
predator induced stress, brain 5-HT & 5-HIAA & tryptophan, male bicolor damselfish, 36584
rapid tryptophan depletion, antidepressant action & neurobiological correlates of mood, depressed patients, replication, conference presentation, 10670
simple vs complex carbohydrate vs protein meal composition & delayed reinforcement, plasma tryptophan & mood, female college students, 32537
striatal vs hippocampal vs midbrain tryptophan hydroxylase activity, male rats bred for predisposition to catalepsy, animal model, 20554
tricyclic antidepressant with vs without lithium augmentation, L-tryptophan induced serum prolactin increase, 20–68 yr olds with refractory depression, 2651
tryptophan depletion paradigm, study of role of 5-HT in antidepressant action, depressed patients, conference presentation, 17753
5-HIAA & HVA & tryptophan concentrations in frontal cortex, victims of suicide or homicide or accidents or physical diseases, 13890
5-HT uptake inhibitors vs tricyclic antidepressants, plasma tryptophan availability, adult patients with depression, 42462

Tuberculosis—Serials
incidence & acceptance of scars from bacillus Calmette-Guerin vaccine for tuberculosis, 13–16 yr olds, England, 22956
reliability & concurrent validity of long & short forms of Beck Depression Inventory, rapid screening of depression & self esteem, low literate hospitalized Blacks with tuberculosis, South Africa, 15988

Tumors [See Neoplasms]

Turkey—Serials
age & sex & nature & level of education & involvement in ethnic organizations, ingroup vs outgroup vs global human identities, Turkish Armenians, Turkey, 9395
conceptions of & satisfaction with community, residents of traditional vs modern city districts, Turkey, 9371
learned helplessness & explanatory style, depressive vs nondepressive psychiatric patients vs normal college students, Turkey, 1582
norms & reliability & validity of Turkish version of Problem Solving Inventory, college students, Turkey, comparison with US data, 43731
social desirability of personality items, endorsement, college students, US vs Turkey, 33276
social network characteristics & self image & life satisfaction & attitudes toward aging & loneliness, 55–71 yr olds, Sweden vs Turkey, 29117
social roles of women & beliefs about rape, adults, Turkey, replication, 41771

Turkey—Chapters
The question of altruism during the Armenian Genocide of 1915, 25516
Support for Rohner's parental acceptance-rejection theory as a psychological abuse theory in Turkey, 6038

Turners Syndrome—Serials
abilities & achievement & behavior & self esteem, 6–16 yr olds with Turner syndrome, 38131
auditory EP amplitude asymmetry & cognitive ability in visual spatial task, female 7–14 yr olds with Turner's syndrome, 18240
cognitive behavioral modification approach, verbal mediation in spatial matching task, 7–14 yr olds with Turner's syndrome or nonverbal learning disabilities, 17665
educational & occupational achievement & personal happiness, adult females with Turner's syndrome, 10239
hormonal treatment, onset of anorexia nervosa, female 28 yr old with Turner's syndrome, 45917

Turnover [See Employee Turnover]

Tutoring [See Also Peer Tutoring]—Serials
development of Statutor knowledge based tutoring system in legal domain, 23893
dilemmas of constructivist perspective in mathematics tutoring interactions, teacher & 8th grade prealgebra student, conference presentation, 31237
effectiveness of human vs computer model tracing tutoring systems, 47177

family SES & supportive home visiting by teachers, success of & parental involvement by nonprofessional tutoring in reading, children, UK, 3397
HyperCard based genetics tutoring system with delayed vs immediate feedback, learning, students, application of learning theory of J. R. Anderson et al, conference presentation, 11404
integration of computer & instructional science in process of building computational cognitive knowledge based model of tutoring, 27480
model for intelligent tutoring system & development principles for computer based instruction, application of cognitive theory, 35314
model of tutoring interaction processes for mathematics & complex subject matter, students & teachers, conference presentation, 31283
parental implementation of paired reading home tutorial program, reading skills & satisfaction & perceptions, parents & their 2nd–4th graders, 47174
parental tutoring, oral reading rates & generalization to different academic & other tasks at home vs school, 7–9 yr olds with vs without learning disabilities & their parents, 7516
school &/vs parent based preventive home tutoring, academic achievement & coping behavior, high risk transfer 3rd–5th graders, 39216
SES & culture, SEARCH/TEACH perceptual remediation vs traditional phonetic tutoring, kindergartners at risk for reading failure assessed at 1st & 2nd grade, longitudinal study, 3360
Sherlock I tutoring system, dynamic assessment of learners' problem solving proficiency, students, 19479
structure & development of paired reading technique, 19501
student & tutor race & sex, tutoring outcomes, academically underprepared African vs Asian American vs Hispanic college students, 3348
tutoring with inductive vs explicit explanatory feedback, text based inferencing, poor reading 3rd–5th graders, Canada, 31298

Tutoring [See Also Peer Tutoring]—Chapters

Automated tutoring in interactive environments: A task-centered approach, 11823
General principles for an intelligent tutoring architecture, 19849
Question asking during tutoring and in the design of educational software, 43243

Tutors [See Teachers]

Twins [See Also Heterozygotic Twins, Monozygotic Twins] —Serials

appropriateness of size for gestational age, prediction of temperament stability, same sex twin pairs assessed from neonatal period to 30 mo old, conference presentation, 37153
astrological analysis of personality differences, 2 mo to 59 yr old twins, France, 13527
childhood behavior problems, 6–16 yr old twins vs nontwins, 9242
definitions of reading disability, sex differences in reading disability, 13 yr old twins, England, 22112
demographic & diagnostic & symptomatic variables, twin vs singleton child psychiatric patients, 13636
development & heritability of empathy, 14 mo old male vs female monozygotic vs dizygotic twins, 6 mo followup, 9311
development of verbal & nonverbal cognitive functions & birth order & hand & eye preference, 5–17 yr old monozygotic & dizygotic twin pairs discordant for hydrocephalus, 6340
early rearing environment, similarity in personality & legal drug use & physical health stature, same sex reared apart older adult twins, Sweden, 5622
fears & night terrors & other disorders & physiological & behavioral characteristics, 3 yr old monozygotic vs dizygotic twins & their mothers, 38079
genetic & environmental factors, prevalence of comorbid bulimia & major depression, 17–55 yr old female twin pairs, 13644
genetic &/or environmental factors & methodological issues, discrimination of odor of human monozygotic vs dizygotic twins, dogs, commentary, 8596
genetic &/or environmental factors, odor discrimination of human twins zygosity & methodology, dogs, commentary reply, 8593
genetic vs environmental contributions to individual differences in self reported depressive symptoms, 29–87 yr old twins reared together vs apart, Sweden, 13715
genetic vs environmental factors, optimism vs pessimism & mental health, identical vs fraternal twins reared together vs adopted apart, 5623
genetics & neuropsychological factors, validity of age vs IQ discrepancy definitions of reading disability, twins, 10153
genetics, family environment & extraversion vs neuroticism, twins reared together vs apart, 16511
heritability of general & specific cognitive ability late in life, middle aged & elderly identical vs fraternal twins reared together vs apart, Sweden, 20499
heritability of temperament & emotion & cognition & language, 14 mo old identical vs fraternal twins, 12986
implications of twin research for legal issues, child & adult twins, 27851
latent class model of multivariate categorical data, analysis of gene & environment interaction in etiology of conduct disorder, mothers of male 8–16 yr old monozygotic & dizygotic twins, 41669
lifetime criminal & psychiatric histories, psychotic 20–80 yr old twins, England, 25807
living conditions & marital status & health & contact with twin sibling & other factors, male vs female 35 yr old monozygotic vs dizygotic twin pairs, Sweden, followup, conference presentation, 37132
multigroup genetic covariance structure analysis, decomposition of phenotypic means into genetic & environmental components, twins, 538
multiple regression methodology vs maximum likelihood estimation of genetic vs environmental parameters, analysis of twin data, monozygotic vs dizygotic twins, 4554
parental protection & representation as assessed with Parental Bonding Instrument, monozygotic & dizygotic same sex twin pairs discordant for schizophrenia, 41598
physical & mental development & parent's expectations & perceptions of delivery, premature low birth weight twin pairs assessed at 9 vs 18 mo vs 4 yrs old, Sweden, conference presentation, 36966
prediction of adult IQ, 5 mo old same sex twins, 4 mo study, application of midtwin-midparent analysis, 32858
prevalence of fragile X anomaly, autistic twins vs clinic patients vs members of families multiplex for autism or related cognitive phenotypes, England, 45792
psychoanalytic aspects of bonding & behavioral differences & expectations, parents of twins, Uruguay, 3 yr study, 13102
psychopathology & heritability & psychoactive drug treatment, twin pairs, Sweden, commentary, letter, 26717
school history information as diagnostic criterion for reading disability, 8–20 yr old twins with positive vs negative school history for reading problems, 6153
similarity in physical & mental development, low vs normal birth weight monozygotic vs dizygotic twin pairs assessed from 0–18 yrs old, Sweden, conference presentation, 36965
social causation & childhood experiences & health selection, relationship of SES & health, monozygotic vs dizygotic twins reared together vs apart, 30720
twin & sibling & adoption methods in evolutionary based studies of genetic & environmental influences, 44373
twin cohorts in Alzheimer's disease research, 30166
visual & auditory orienting responses, preterm twin 2 day to 5 mo olds, 1977–87, 961

Twins [See Also Heterozygotic Twins, Monozygotic Twins] —Books

Methodology for genetic studies of twins and families. NATO ASI series D: Behavioural and social sciences, Vol. 67, 32368

Twins [See Also Heterozygotic Twins, Monozygotic Twins] —Chapters

Nurturance or negligence: Maternal psychology and behavioral preference among preterm twins, 13323

Some unconventional analyses of resemblance coefficients for male and female monozygotic and dizygotic twins, 4563
A twice-told tale: Twins reared apart, 4561
Tympanic Membrane [See Middle Ear]
Type A Personality [See Coronary Prone Behavior]
Type B Personality [See Coronary Prone Behavior]
Type I Errors—Serials
calculation of alpha percentage & Type I errors in statistical significance tests in communication research, 20143
computer simulated correction of student "t" statistic for nonindependence of sample observations, probability of Type I & Type II errors, 28143
correction for multiple IQ/achievement comparisons, Type I error & discrepancy determination & relation to rates of diagnosis of learning disabilities, K–11th graders, 177
data transformation, improvement of power & probability of Type I & Type II errors in Monte Carlo simulated within-S design, 28122
dichotomization of continuous multiple predictor variables, statistical significance & Type I errors, reseachers, 16093
homoscedastic vs heteroscedastic variances & normal vs non-normal distributions, Type I error rates for G. James's 2nd order test & R. Wilcox's H test, 12096
management of Type I errors & number of iterations necessary for detection of departure from robustness in Monte Carlo studies, 12098
multivariate statistics & Type I & II errors, 43885
Type I & Type II errors in pattern analysis, 24251
visual inspection of graphed data & response guided experimentation, Type 1 error rates in single case research designs of applied behavior analysis, 39931
Type I Errors—Chapters
How significant is "significance?", 20161
Pairwise comparison procedures for one-way analysis of variance designs, 20172
Type II Errors—Serials
computer simulated correction of student "t" statistic for nonindependence of sample observations, probability of Type I & Type II errors, 28143
data transformation, improvement of power & probability of Type I & Type II errors in Monte Carlo simulated within-S design, 28122
false positive rates for Luria-Nebraska Neuropsychological Battery, 18–30 vs 65–85 yr olds, 20074
multivariate statistics & Type I & II errors, 43885
P3 EPs component in visual vs auditory stimulus modality & methods to control statistical Type II error, 20–37 yr olds, 16631
Type I & Type II errors in pattern analysis, 24251
Typing—Serials
age, motoric aspects of transcription typing skill, 21–71 yr old typists, Canada, 25113
auditory click rate, time perception & timing of motor action, professional typists, 4289
copytyping vs letter detection vs reading, saccade programing during short duration fixations, touch typists & college students, 12651
ergonomic analysis of work activity & need for innovative thinking, 19–45 yr old female data entry clerks, 3663
keyboard size & experience, typing speed & error rates & preference for touchscreen keyboards, college students, 31673
ternary chorded keyboard, learning time & typing speed, 17–23 yr olds, 19821
Typing—Chapters
Laboratory induction of nonspeech action errors, 32043
Typists [See Clerical Personnel]
Typologies (General) [See Taxonomies]
Typologies (Psychodiagnostic) [See Psychodiagnostic Typologies]
Tyramine—Serials
development of brofaromine & moclobemide & other reversible MAO inhibitors, tyramine potentiation & therapeutic efficacy & 5-HT reuptake inhibition, animals & humans, 25006
diagnostic validity of tyramine test, elderly with major depression vs dementia, 17630
Tyrosine [See Also Alpha Methylparatyrosine]—Serials
antipsychotic drugs, messenger RNA coding for dopa decarboxylase & tyrosine hydroxylase in brain, male rats, animal model of antipsychotic drug effects, 687
chronic imipramine, cold stress induced tyrosine hydroxylase immunoreactivity in locus ceruleus, male rats, 731
ECS vs haloperidol, in vivo tyrosine hydroxylation & tetrahydrobiopterin & DOPA in nigrostriatal system, 6-OHDA lesioned male rats, animal model of Parkinson's disease, 28720
L-tyrosine, phenylpropanolamine vs ephedrine vs amphetamine induced BP, male rats, 20883
linkage analysis of tyrosine hydroxylase gene, 9 multigenerational family pedigrees with 2 or more schizophrenic members, 37728
tyrosine, corticotropin releasing factor induced suppression of FR or FI CRs, rats, 12724
Tyrosine [See Also Alpha Methylparatyrosine]—Chapters
Effect of acute and repeated immobilization on tissue content of DOPA, 8804
Uganda—Serials
demographic & personal risk factors, AIDS related stigma & attitudes & behaviors & career objectives, medical students, Uganda, 3214
family caregiving & support, extended families of 22–66 yr olds with AIDS, rural Uganda, 30888
historical & cultural factors, male sexuality & condom use & HIV transmission, Uganda, 26236
HIV prevalence & attitudes & behavior & counseling, 15 yr old & older clients of AIDS information center, Uganda, 6297
HIV risk factors, rural 13 yr olds & older, Uganda, 10299
psychosocial impact on & relations & structure in family, urban 18–55 yr old family members of adults with AIDS, Uganda, 30118
sociogeographical mating networks, risky sexual behaviors & HIV transmission, urban elite & rural residents, Uganda, 38181
Uganda—Chapters
So-so sexuality: Field research on gender roles with a preliterate polygynous African tribe, 13362
Ulcerative Colitis—Serials
general vs specific life event stress, relapse, patients with ulcerative colitis or Crohn's disease, 22256
reliability of Karolinska Psychodynamic Profile & Schalling-Sifneos Personality Scale, stable character assessment, 19–63 yr olds with ulcerative colitis assessed before & 16–34 mo after abdominal surgery, 8027
Ulcers (Gastrointestinal) [See Gastrointestinal Ulcers]
Ulnar Nerve [See Spinal Nerves]
Ultrasound—Serials
air temperature vs isolation vs contact comfort, ultrasonic vocalizations, rat pups, 4485
incidence & characteristics of antipredator ultrasonic vocalizations, male vs female rats, 4484
locomotive processes & respiratory biomechanical by-products, short ultrasound vocalization & communication, rodent species, 12629
male mating vs preejaculatory ultrasonic vocalizations vs odor cues, elicitation of calls with vs without devocalized males in vicinity, female rats, conference presentation, 32348
predictive value of neonatal cerebral ultrasound vs neurological examinations vs obstetrical & neonatal optimality, neurodevelopmental outcome, low birth weight infants observed between 0–3.6 yrs old, 16987
prenatal aluminum sulfate, postnatal ultrasonic calling & physical & neurobehavioral development, mice pups, 40656
recovery from deep hypothermia, ultrasonic vocalizations, 9–10 day old rats, 20698
thermal stimulation, ultrasonic vocalization during transfer from nest to warm environment, rat pups, 20693
Uncertainty—Serials
ambiguity & uncertainty & human vs technological information source & use of base rate vs individuating information in probability judgment, college students, 310

bystander intervention variables of diffusion of responsibility & ambiguity, helping responses to suicidal peers, 9th & 11th graders, implications for suicide prevention programs, 41681
certainty vs risk vs uncertainty, strategies in resource allocation decision making, 21–60 yr old Coast Guard personnel, 28255
clinical history & radiologically ambiguous films, diagnosis of bronchiolitis, novice vs experienced radiologists, Canada, 7335
concurrent validity of Self Directed Search, identification of chronic career indecision, 12th grade vocational school students, 31991
context, violation of monotonicity & certainty equivalents in choices between gambles & amounts of money, college students, 8283
cooperation, certainty vs uncertainty in problem solving task, 30–40 yr olds, 1360
coping with sustained uncertainty, parents of children with chronic life threatening illnesses, 30022
decision field theory as mathematical foundation for & dynamic stochastic theory of decision behavior in uncertain environment, 40080
decision making under uncertainty & risk, racetrack bettors, Finland, application of utility function model, 29430
development of epistemic modality & attribution of certainty & uncertainty of modal expressions, 4 vs 6 vs 8 yr olds, France, 891
disjunction effect in decision making under uncertainty, college students, 8327
environment uncertainty perceptions during decision making & organizational effectiveness assessments, airline & container industry managers, 47383
experience of uncertain motherhood, females with high risk pregnancies &/or ill premature infants, longitudinal study, 34067
illness trajectory & coping with uncertainty, patients with cancer treated with chemotherapy & their families, commentary, 38727
illness trajectory & coping with uncertainty, patients with cancer treated with chemotherapy & their families, 38742
individual difference variable of uncertainty orientation, compliance with diagnostic health behavior, college students, Canada, support for protection motivation theory, 41283
perceptions of & coping with uncertainty, 53–81 yr old hospitalized patients with chronic obstructive pulmonary disease, nursing implications, 46889
possible normal causes of some coincidences in human psychology, research review, 8174
profit expectations vs uncertainty, building trust & establishing profit seeking enterprises, startup firms, 11675
resolution of resource dilemmas with environmental uncertainty played under sequential protocol, college students, Israel, 40999
responses to misleading conservation questions, 3rd vs 6th graders vs college students, 44916
risk perceptions & uncertainty, decision making in foreign exchange risk management, multinational corporations, terminology & methodology appended, 31594
role of ordered weighted averaging, measurement of overall realization of objects in uncertain environment, 4198
stimulus uncertainty, acoustic discrimination during contextual interference, 20–28 yr olds, mathematical model of signal detection, 8246
theory of certainty equivalents for uncertain alternatives & violation of monotonicity, 8308
Type A behavior pattern, perceived environmental uncertainty & organizational strategies, 30–67 yr old executives, 3682
uncertain payoff alterations, rational choice behavior in 2 person symmetric games, college students, 16257
uncertainty & evidence of past performance, prediction of hypothetical student's future academic performance, 19–42 yr olds, 39269
uncertainty & psychological gratification & costs & information acquisition in shopping vs teleshopping, 15743
uncertainty about product's price promotion pattern, timing of purchases, shoppers, 31636
uncertainty, coping strategy, 38–78 yr old coronary bypass surgery patients, 6 wk followup, commentaries & reply included, 14842
uncertainty manager of knowledge based system with facts as nodes of network, modeling of subjective judgment, 19837
uncertainty of difference in spatial frequency vs reference contrast, discrimination thresholds in single vs dual judgment task, adults, 28191
undecided career &/or major, persistence in education, college freshmen, 4 yr followup, 35408

Uncertainty—Chapters

Chaos theory: A brief tutorial and discussion, 346
Choosing between uncertain options: A reprise to the Estes scanning model, 338
Duration experience under conditions of suspense in films, 16141
On prospective time estimation, temporal relevance and temporal uncertainty, 16162
A practical approach to automated reasoning in vague and uncertain environments, 47564
Uncertainty orientation, 7980

Unconditioned Reflex [See Unconditioned Responses]

Unconditioned Responses—Serials

aversive stimulation, spinal motor reflex & vocalization threshold UCRs support of avoidance conditioning, female rats, test of epicritic sensory & protopathic emotive system interrelation, 40236
classical conditioning of gape jaw movement, topography of CR vs UCR acquisition, pigeons, 44252
fear relevant vs irrelevant CS, skin conductance UCR diminution, 18–33 yr olds, Netherlands, 8378
intensity & duration of electrotactile & corneal airpuff UCS, likelihood & amplitude & time course of nictitating membrane UCR, albino rabbits, 16444
iv vs icv pertussis toxin in amygdala, fear potentiated startle & shock sensitization, male rats, 4867
lesions to basolateral region & central nuclei of amygdala, conditioned vs unconditioned analgesia, male rats, 32458

Unconditioned Stimulus—Serials

amphetamine vs nicotine vs atropine vs caffeine vs lithium chloride vs foot shock as UCS, drug-drug heart rate conditioning with pentobarbital as CS, male rats, 4903
auditory CS, UCS elicited neuronal activity in cerebellar anterior interpositus & dentate nuclei during nictitating membrane classical conditioning, male rabbits, 16597
contextual conditioning & UCS vs extinguished CS, CR augmentation to appetitive CS, female rats, 28390
CS & UCS association & responding, occasion setting, rats, 16428
CS & UCS context association vs occasion setting, fluid intake in taste aversion learning, male rats, 32302
CS pairing with aversive UCS, 1st & 2nd interval conductance response magnitude indication of predicted UCS aversiveness, college students, Germany, conference presentation, 40139
CS vs UCS & VI reinforcement, maintenance vs suppression of observing response, 18–22 yr olds, 16355
electrical stimulation of cerebellum as UCS in paired conditioning, rabbits, 4626
extending continuous vs discontinuous CS before vs after UCS, conditioned suppression, male rats, 44227
forced extinction, passive avoidance response consolidation gradient & UCS intensity & engram strength relationship, male rats, 40250
intensity & duration of electrotactile & corneal airpuff UCS, likelihood & amplitude & time course of nictitating membrane UCR, albino rabbits, 16444
interferon beta as UCS, conditioned augmentation of natural killer cell activity & communication with CNS & immune system, female mice, 44445
interpositus lesions, eyeblink CR, rabbits trained with low UCS intensities, 44405
mass vs distributed presentation of unsignaled shock, contextual conditioning deficit, rats, 24530

phylogenetic vs ontogenetic fear relevant stimuli, UCS expectancy bias, college students, implications for laboratory preparedness effects, 32253
probability of UCS in presence vs absence of CS, conditioned lick suppression, water deprived rats, application of contingency theory, 8476
UCS devaluation, decrease in preference conditioned to CS, rat pups, 442
UCS inflation processes in etiology, 29–46 yr olds with anxiety disorders, Netherlands & England, 41623
UCS reinstatement, ability of extinguished CS to limit manifest learning about another association in conditioned taste aversion, rats, 8495
unconditioned vs conditioned aversive stimulation, forebrain c-fos immunoreactivity, male rats, 16571
unsignaled UCS interspersed with CS-UCS trials, unsignaled UCS response to target CS & extinction of target CS training context, rats, application of comparator hypothesis, 36322

Unconscious (Personality Factor)—Serials

A. Maury's dismissal of psychology of unconscious & rejection of involuntary forms of psychological experience as outcomes of disturbed physical processes, 17598
creations of metaphors of loss in art therapy, unconscious knowledge of dying prior to cancer diagnosis, 71 yr old female psychiatric patient, case report, 18823
description & implications of M. Merleu-Ponty's approach to unconscious thought & insight in interpretation of works of Freud & others, 31787
EP indicators of dynamic unconscious processes, patients with phobias or pathological grief reactions, 33686
Freud's concepts of consciousness & unconsciousness in "Studies on Hysteria" vs "Project for a Scientific Psychology", 29483
implicit perception & memory & Freud's concepts of free association & transference & recovery of unconscious material in psychotherapy, literature review, 42198
postmodern philosophical interpretation of impact of mass media images of ravaged environment on unconscious, implications for pedagogy, 5655
process dissociation framework for study of Freudian slips & projective tests & subliminal perception & signal detection theory as unconscious influences, 25614
process dissociation procedure, assessment of conscious recollection vs unconscious influences of memory, college students, 36166
psychoanalysis, reconstruction of shattered unconscious body image through words & language, female 34 yr old, case report, 22633
psychoanalytic approach to unconscious psychology & dynamics of bullfighting & toreros, 23805
psychoanalytic perspective on characterization of unconscious in film "Birdy", 44761
quantitative assessment of unconscious communication in psychotherapy, female clients, 34344
role of limbic system in emotion & laterality & unconscious, 12515
scholarly writings on unconscious & its relationships with communicative behavior, 12948
transactional analysis as humanistic psychotherapy & physis as unconscious drive toward health, 46193
writings of C. Castoriadis & J. Lacan supportive of Freud's view of unconscious & Copernican revolution, 41372

Unconscious (Personality Factor)—Books

Death dreams: Unveiling mysteries of the unconscious mind, 37567
The right brain and the unconscious: Discovering the stranger within, 12564
The voice of the other: Language as illusion in the formation of the self, 25178

Unconscious (Personality Factor)—Chapters

The artist's relation to the unconscious, 33451
A case history before Freud: Intimations of the unconscious in Wordsworth, 4989
Emerson's myth of the unconscious, 16913
The Freudian unconscious and the cognitive unconscious: Identical or fraternal twins?, 9691
Freud's view of mental health and fate, 10643
An interpretation of four of Freud's letters, 9684
Jung's psychology adopted in law, 23918
Person schemas and emotion, 20349
The "royal road" to the unconscious revisited: A signal detection model of dream function, 28352
Type and text in "A Study in Scarlet": Repression and the textual unconscious, 32732

Underachievement (Academic) [See Academic Underachievement]

Underdeveloped Countries [See Developing Countries]

Undergraduate Degrees [See Educational Degrees]

Undergraduate Education—Serials

assessment program for college competency based communication core curriculum, faculty, 7396
attendance motivation & self perceptions as learners & evaluation of student experience, 61–94 yr old college students in Donovan Scholars Program, 39200
balance between scientist & practitioner models in undergraduate psychology education, Australia, 35157
college math course work, performance in introductory economics course, college students, 7453
common goals & course requirements & curricular models for undergraduate psychology major, commentary, 11401
content analysis of college level creativity courses, course syllabi, 31271
development of local area network computer lab for undergraduate research in psychology, conference presentation, 43219
development of opinions on soil & water conservation issues in agricultural education, college students, 11527
economic class & cultural & educational assets, attendance at postsecondary institutions & selective colleges, female high school seniors, 11519
educational & vocational attainment, 16–29 yr old college early entrance program participants vs qualifiers vs nonaccelerated 26–32 yr old scholarship finalists, 39374
extracurricular activity participation, academic & occupational & postsecondary education outcomes, high school students, 15476
family & high school experience factors, postsecondary educational plans & predisposition to attend college, 9th graders & their parents, 3500
frame analysis of fundamentalist protest of classroom showing of "The Last Temptation of Christ", college English professor & Southern Baptist community, 29167
importance of animal research facilities in undergraduate psychology curriculum, commentary, 19500
labor force vs military vs college as post-high school social context, development of self esteem, male 10th graders, 5 yr study, 13134
likes & dislikes concerning university education, liberal vs conservative 19–44 yr old college students with low vs high grades, 47261
literacy requirements in high demand & high attrition history course, college students & faculty, implications for academic preparation, 15432
perceived differential treatment at university based on sex, male vs female college alumni, 35416
policy toward & development of brochure on student suicide, student personnel practitioners at small liberal arts university, 23665
psychohistorical perspective on psychosocial aspects & liminality of university experience, Japan, 23430
retrospective view of role of college experience in personal growth, male vs female Black vs White college graduates, 19570
role of 4th yr in scientist practitioner model of undergraduate professional psychology education, Australia, 35145

Undergraduate Education—Books

Handbook for enhancing undergraduate education in psychology, 47202
Promoting diversity in college classrooms: Innovative responses for the curriculum, faculty, and institutions. New directions for teaching and learning, No. 52, 31299
What matters in college? Four critical years revisited. The Jossey-Bass higher and adult education series, 23431

Undergraduate Education—Chapters

A classical case for gay studies, 23543

Curriculum, 47207
Developing and improving advising: Challenges to prepare students for life, 47333
Evolution of undergraduate curricula in psychology, 1892–1992, 27483
A longitudinal study of the effects of undergraduate training on reasoning, 31331
National conferences on undergraduate psychology, 27359
Toward a psychology of variance: Increasing the presence and understanding of ethnic minorities in psychology, 47122
The traditional American Indian approach to learning and knowledge in the formal college and university setting: A panel discussion, 3466
Undergraduates [See College Students]
Underprivileged [See Disadvantaged]
Understanding [See Comprehension]
Underwater Effects—Serials
mental stress & photopic contrast sensitivity at 20 vs 40 meters deep, air breathing scuba divers, 8790
underwater acoustic communication, male vs female African pipid frog, 523
Underwater Effects—Chapters
Hyperbaric environments, 11791
Underweight [See Anorexia Nervosa]
Undifferentiated Schizophrenia—Serials
clozapine, pregnant 30 yr old with chronic undifferentiated schizophrenia, letter, 18788
fluoxetine & chlorpromazine, 43 yr old male with undifferentiated schizophrenia with obsessive compulsive features, letter, 46458
prior response perseverence & intrusion, 48 yr olds with bipolar disorder or undifferentiated or paranoid schizophrenia & toxic dementia, application of cholinergic deficiency hypothesis, 41475
Unemployment—Serials
age & race, influence of unemployment & inflation & public relief & police expenditure & opportunity on crime, 16–44 yr olds, 1958–87, 29930
age & sex & religion & education & employment status, explanations for & solutions to high unemployment, adults, Northern Ireland, 35523
attempted & committed suicide rates, unemployed vs employed 16–65 yr old residents, 1976–85, Germany, conference presentation, 25922
authoritarianism & sociopolitical beliefs & perceived socioeconomic threat & perception of social security, stereotyped beliefs about unemployed, adults, Netherlands, 35515
continuous unemployment vs re-employment & economic stress, perceptions of social support, displaced workers, 43455
contributions from Marienthal study to & recent advances in social science research on unemployment, 23693
employment history, psychological well being, unemployed young adults, 31475
expectancy value theory, analysis of impact of unemployment on psychological well being & job seeking behavior, 23689
group job club intervention, job placement success & depression, unemployed 50 yr olds & older, 35528
intervention strategies for emotional & financial & vocational adjustment to future unemployment, displaced workers & their families, implications for social work practitioners, 30847
job loss, mental health & family relations & support & other psychosocial factors, unemployed adults, 31473
job loss, mental health & symptoms, blue collar females, 1 yr followup, 15583
job stress, attribution of negative or positive personality traits to & attitudes toward clients, officers working with unemployed clients, Poland, 47395
knowledge about scale of & attitudes toward unemployment & estimations of own vs others' future employment chances, 18–24 yr old college vs secondary school vs vocational students, Poland, 47255
level of protest activity as test of value of political process model of social movement activity, unemployed, 1890–1940, 5304
overview & impact of Marienthal study on unemployment & mental health, 1931, Austria, 23690
parental employment status, school achievement & attitudes & learning environment, disadvantaged 11 yr old males, Ireland, 5 yr study, 11485
perceptions of employment barriers for older unemployed workers, employers, Canada, 23691
personal development training, depression & self esteem & distress & life satisfaction & health, long term unemployed female 25–55 yr olds, Australia, 19661
perspectives on psychological research & literature on unemployment vs other labor market phenomena, implications for social psychology, 23686
preventive job search intervention, prevalence & incidence of depressive symptoms, high vs low risk unemployed adults, 1 vs 4 vs 28 mo followups, 2398
reasons & internal vs external stable vs unstable causal attribution for unemployment, distress & self esteem & hopelessness, 18–20 yr old school leavers, Australia, 7568
reemployment & mental & physical disorders, long term unemployed adults, Norway, 2 yr followup, 33471
reliability & construct validity of My Vocational Situation, assessment of adjustment to career transition, autoworkers coping with plant shutdown, 35992

multiple & unique service requirements in urban environments, mentally ill homeless females, 14915

need for transgenerational design in urban environments & information technology & products, elderly, 23835
neighborhood satisfaction & perceptions & perceived quality of life & self efficacy, residents of city vs inner vs outer suburban neighborhoods, 13243
noise, physical & psychological well being & learning, urban residents, implications for architects & engineers & urban planners, 47535
normative mainstream & culture specific values & cognitive factors & relationship with broader American society, Black 18–58 yr old friends & relatives living in deteriorating urban area, 29186
object relations approach to psychoanalysis, urban poor 11 & 30 yr old public clinic clients, commentary with case examples, 22639
overwork & stress & related neuroses & employer sponsored stress management, 20–60 yr old urban workers, Japan, 19653
parental involvement & life events & sociodemographic characteristics, prediction of early school adjustment, inner city K–1st graders, 2 yr study, 27542
parental involvement projects & power in urban school districts, parents, 43193
patterns of social affiliation, prediction of impact of chronic economic strain on depressive symptoms, urban Black adults, 13709
perceptions of vaccine efficacy & parenthood task & child's illness & health, inner city parents of infants, 22961
perspectives on urban tourism based community economic & physical planning strategies, Canada, 19831
physical & subjective & social availability of alcohol, alcohol consumption, urban vs rural adults, 37395
poverty, metropolitan vs nonmetropolitan elderly, 33036
preference for environmental sounds, urban vs rural high school students, Japan, 32963
prevalence & characteristics of violent experiences & morbid thoughts of death or injury, depressive symptomatology, urban 6–12 yr olds, 33586
prevalence of alcohol use, Jewish 13–18 yr olds in large city vs developing town, Israel, implications for prevention, 9280
prevalence of illicit drug usage, metropolitan 12–35 yr olds & older, US, 13949
prevalence of mental disorders, native vs foreign inner city residents, Germany, test of segregation hypothesis, 5780
prevalence of psychiatric disorders, urban 65 yr olds & older, Spain, 9780
prevalence of substance abuse & dual diagnosis, inner city psychiatric patients, commentary reply, letter, 9708
prevalence of substance abuse or dependency & dual diagnosis, inner city psychiatric patients, commentary, letter, 9739
primary prevention art group, inner city children, 10978
prior courses & class rank & full vs part time status & sex & interrole conflict, performance in statistics, urban college students, 19556
psychiatric morbidity, clients of small town vs inner city social workers, England, 33527
psychological distress & associated structural & developmental & situational factors, urban Black & White vs other minority 65 yr olds & older, 5271
psychometric scaling technique, reporting & analysis of crime rates & victimization in large cities, 8107
public perceptions of leisure opportunities & quality of life in metropolitan area, adults, 1982 vs 1986 vs 1988, 39546
racial exclusion & poverty, vulnerability to homelessness, inner city Blacks, 29146
racial residential segregation & demographic characteristics, homicide victimization, urban African Americans, conference presentation, 45787
regional & rural vs urban location & social support & religious affiliation, suicide, Jews vs Catholics vs Protestants, 6017
residential place & urbanism, delinquency, male high school students, 4 yr study, 37988
risk & protective variables, change in depressive symptoms & disorder, urban 13–18 yr olds, 17768
sex & rural vs urban environment, death anxiety, 15–18 yr olds, 17183
social & residential features, incidence of schizophrenia, residents of Nagasaki City, Japan, 9873
social resistance competence enhancement approach to smoking prevention, cigarette smoking & mediating variables, predominantly Hispanic urban 7th graders, 11571
spatial configuration of environment, preferences for urban spaces, college students, 23840
store patronage & urban vs rural living area & demographic characteristics, fashion & apparel shopping perceptions, 18 yr olds & older, 23816
stress coping framework for psychosocial health & mental health service needs & use, urban vs rural elderly females, 34824
stress resiliency, self views of personal qualities & expressive motor behavior styles, urban 10–12 yr olds vs their parents, 28997
Success for All schoolwide restructuring program, reading achievement, inner city 1st–3rd graders, 3 & 4 yr study, 31264
survey design, response rate, difficult to reach inner city families with problem adolescents, 4216
theory & measurement of & research in urban related place identification, 27791
time of day & number of people present, perception of outdoor public scenes photographs, male vs female 18–25 yr olds, 35650
transplantation into White suburban schools, high school retention & grades & placement & college attendance & employment status, low income urban Black 15–25 yr olds originally assessed as children, 15441
use of Nursing Child Assessment Satellite Training instruments, urban American Indian mothers & their 1 mo to 3 yr olds, 11945
use of stories & tales for metaphorical communication in family logotherapy, urban Appalachian family, 26601
violence related cases at inner city hospital outpatient child psychiatry clinic, female 19 yr old & male 5.8 & 8.5 & 9.5 & 16 & 18 yr olds, 37854

Urban Environments—Books

Semiotics of cities, selves, and cultures: Explorations in semiotic anthropology. Approaches to semiotics, 102, 37267

Urban Environments—Chapters

Stress as a consequence of the urban physical environment, 35668
The support systems of American urban widows, 41239

Urban Planning—Serials

demographics, attitudes toward & participation in urban water management & planning & perceptions of special interest groups, city dwellers, Australia, 8–9 mo followup, 11784
perspectives on urban tourism based community economic & physical planning strategies, Canada, 19831

Urbanization—Serials

demographic & social changes, development & functioning of self help groups for hypertension, elderly, Yugoslavia, 10902
growth ideology in context of urban political economies in period of deindustrialization & restructuring, 5319
modernization, healing role & prestige of elderly females, Papua New Guinea, 10921
urbanization & migration, caregiving vs receiving & social support, female 65–83 yr olds in Tswan society, Botswana, 21290

Urbanization—Chapters

Media development and public space: The legislating of social interaction, 37459
Rural-urban migration and the problems of crime and delinquency, 38006

Uric Acid—Serials

renal tubular urate transport, serum & fractional excretion of urate & sodium & lithium, elderly with Alzheimer's disease vs multi-infarct dementia & rats exposed to plasma of study Ss, 42072
zuclopenthixol induced hypouricemia as marker of drug compliance, psychotic 19–70 yr olds, 22694

Urinalysis—Serials
mother's use of crack cocaine during pregnancy, postpartum quantitative analysis of crack cocaine from hair vs urine analyses vs self report, infants & mothers, 33862
self report vs clinical assessment vs urinanalysis, detection of substance use, male psychiatric inpatients, 5729
Urinalysis—Chapters
Urine drug screens in adolescent programs, 10057
Urinary Function Disorders [See Also Urinary Incontinence]—Serials
clinical features & stress & psychosocial factors, 4–10 yr olds with sudden onset of extraordinary daytime urinary frequency, 45891
Urinary Incontinence—Serials
age & symptom group & leakage amount & duration, quality of life & psychosocial & physical dysfunction, female 40–70 yr olds with urinary incontinence, Norway, erratum, 10222
arousal training with urine alarm, nocturnal enuresis, 6–12 yr olds & their parents, 2.5 yr followup, 42574
behavioral bed alarm system, bedwetting, 6.4–12.9 yr olds, Sweden, followup study, 46625
behavioral continence training, bladder control & self initiated toileting, severely & profoundly mentally handicapped 18–29 yr olds, 10 yr followup, 22576
burden of maintaining urinary function, depressive symptoms & change in health, caregivers of noninstitutionalized chronically ill elderly, 7115
cognitive therapy vs bell & pad vs token economy methods, self control, children with nocturnal enuresis, 22875
coping behavior & psychosocial effects & help seeking behavior & self care, female 19–91 yr olds with urinary incontinence, Norway, 34059
cost effectiveness of urinary catheterization vs incontinence pads & patient preferences, elderly females with intractable urinary incontinence, Scotland, 6940
factor analysis & cross validity of Maternal Tolerance Scale, prediction of premature withdrawal of children from treatment, mothers of 5–16 yr olds with nocturnal enuresis, 31952
imipramine, TRH induced urinary urgency, healthy male 21–39 yr olds, 12727
medical & functional & cognitive & affective characteristics, elderly veterans with cognitive impairments & urinary incontinence, 22226
mental status interviews vs run-in strategies, screening for urinary incontinence rehabilitation program, nursing home residents, 39874
nocturnal & diurnal functional enuresis related to behavior & stressful events, 4 yr olds & older, Germany, 10219
prestimulation induced startle modulation, male 6–11 yr olds with attention deficit hyperactivity disorder & enuresis, 9728
response prevention & contingency management, 9 & 14 yr old males with continuous vs intermittent nocturnal enuresis, case reports, 34690
self vs physician perceptions of physical symptoms & psychosocial impact & treatment efficacy, elderly patients with urinary incontinence, 26901
social skills training in forensic psychiatry ward, social behavior & anxiety & nocturnal enuresis, schizophrenic 26 yr old male, case report, 30941
toileting skills & mobility & cognitive status, continent vs incontinent 57–91 yr old day care clients, 23050
urinary & bowel control & incontinence & need for catheterization or other assistance, 4–18 yr olds with myelomeningocele, 2288
urinary incontinence & functional psychosis severity, 23 & 54 & 55 yr olds with schizophrenia or depression or mania, 41517
visualization technique, bladder control, 10 yr old male with nocturnal enuresis, case report, 46621
Urinary Incontinence—Books
Key aspects of elder care: Managing falls, incontinence, and cognitive impairment, 6465
Urinary Incontinence—Chapters
Managing incontinence: The current bases for practice, 7083
Patterned Urge Response Toileting for urinary incontinence: A clinical trial, 6896
Pelvic muscle exercise for elderly incontinent women, 6895
Reduction of incontinence among elderly in a long-term care setting, 7135
Selecting patients for toileting programs: A computerized assessment and management system, 7134
Toileting problems in children, 6269
Urine control by elders: Noninvasive strategies, 6899
Urination—Serials
treatment, patients with lithium induced polyuria or nephrogenic diabetes insipidus, 38662
urinary & bowel control & incontinence & need for catheterization or other assistance, 4–18 yr olds with myelomeningocele, 2288
Urine—Serials
discrimination of diet induced urine odor, male mice, 8450
estimation of daily urine volume, psychotic patients, 21838
estimation of 24 hr urine output & creatinine, diagnosis of polyuria & polydipsia, 18–59 yr olds with chronic schizophrenia or manic affective disorder, 9768
freshly voided vs metabolic cage collected female urine, conditioned chemosignally induced vocalization, sexually naive vs experienced male mice, 16494
level of adulteration & genetic strain of urine odor stimuli with generalization stimuli, response latency in odor discrimination, male rats, 12356
lithium chloride aversive conditioning to odor vs taste of female urine vs female vs novel odor, precopulatory ultrasonic vocalizations & olfactory preference, male mice, 4457
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary reply, 7233
methadone dose, heroin use & urine morphine, methadone maintenance clients, commentary, 7241
phase transfer catalyst, determination of lithium ion concentration in urine, clinical practice implications, 6814
social status & familiarity of urine donor, priming effects of urine substrate marks on interactions, male house mice, 28434
urinary protein patterns, autistic adults, 26063
Urogenital Disorders [See Also Amenorrhea, Dysmenorrhea, Genital Disorders, Gynecological Disorders, Hermaphroditism, Hypogonadism, Infertility, Kidney Diseases, Klinefelters Syndrome, Male Genital Disorders, Menstrual Disorders, Turners Syndrome, Urinary Function Disorders, Urinary Incontinence]—Serials
antidepressants or neuroleptics or lithium or benzodiazepines, adverse effects on genitourinary & sexual function, literature review, 34570
life stressors, cervical intraepithelial neoplasia, African American vs Hispanic adult females, implications for cervical cancer, 46015
preexisting disorders of gonadal differentiation & maturation, females with bulimia nervosa, England, 18152
psychological factors in etiology of recurrent urinary tract infection, females, literature review, 38099
trimethoprim-sulfamethoxazole, development of visual hallucinations & delusions, female 74 yr old with urinary tract infection, 46669
Urogenital Disorders [See Also Amenorrhea, Dysmenorrhea, Genital Disorders, Gynecological Disorders, Hermaphroditism, Hypogonadism, Infertility, Kidney Diseases, Klinefelters Syndrome, Male Genital Disorders, Menstrual Disorders, Turners Syndrome, Urinary Function Disorders, Urinary Incontinence]—Chapters
Reproductive disabilities: An overview of congenital factors, 38162
Urogenital System [See Also Cervix, Female Genitalia, Gonads, Kidneys, Male Genitalia, Ovaries, Penis, Prostate, Testes, Uterus, Vagina]—Serials
instruction by parents vs teachers, knowledge of & ability to learn genital terminology, Head Start preschoolers, 3462
Urogenital System [See Also Cervix, Female Genitalia, Gonads, Kidneys, Male Genitalia, Ovaries, Penis, Prostate, Testes, Uterus, Vagina]—Chapters
Genitourinary system effects of psychotropic drugs, 22779

Uterus [See Also Cervix]—Serials
demographic characteristics, underuse of mammography & Pap smear screening techniques, female 18 yr olds & older, 30703
Utilization (Health Care) [See Health Care Utilization]
Vacation Benefits [See Employee Leave Benefits]
Vacationing—Serials
cross community holiday projects, interreligion relations, Protestant vs Catholic 9–12 yr olds, Northern Ireland, 1113
dimensions of involvement in family vacations, married couples, erratum, 45096
dimensions of involvement in family vacations, married couples, 25384
therapeutic impact of vacation, analysts & their patients, 46373
Vaccination [See Immunization]
Vagina—Serials
behavioral & psychological aspects of vaginal use of herbal & other agents to enhance sexual experience, females, Zimbabwe, 9492
fluoxetine induced vaginal anesthesia, depressed female 37 yr old, letter, 46468
Q-tip pap smear from upper vagina, detection of cervical intraepithelial neoplasia, mentally retarded 15–63 yr olds, 10910
role of psychic representation of vagina in perception of mental defectiveness, females, 33428
utilization of naturalistic sexual behavior & artificial vagina in semen collection, nonanesthetized captive male orangutan, implications for genetic diversity preservation, 40320
vaginal reconstructive surgery, psychosexual development & functioning, 16–33 yr old females with congenital adrenal hyperplasia, Netherlands, 14859
Vaginismus—Serials
modified Mien-Ling balls, 30 yr old female with treatment resistant vaginismus, Hong Kong, case report, 22870
Vagus Nerve—Serials
anterior hepatic vagotomy & total parenteral nutrition, food intake & feeding behavior, male rats, 8689
cardiac vagal tone, adult females with generalized anxiety disorder, Hungary, 29730
duodenal vs hepatic portal vein infusion of plant glycoside phloridzin, food intake, intact vs vagotomized female rabbits, 20984
electrical stimulation of cervical vagus nerve, excitation vs inhibition of activity of upper cervical & lumbar spinal cord neurons, rats, 20528
electrical stimulation of subdiaphragmatic vagus nerve, heat evoked responses of spinal dorsal horn neurons & central substrates & nociceptive tail flick reflex, male rats, 24712
medullary afferent vagal axotomy, sodium chloride induced delayed vs nondelayed taste aversion learning, male rats, 32371
morphine sulfate &/vs ingestion of placenta, opioid enhanced analgesia, female rats with vs without gastric vagotomy, 4629
vagal afferent input to CNS, nociception, animals, literature review, 16574
volume expansion induced & vagal afferent mediated antinociception & neuron activity changes in rostral ventromedial medulla, male rats, 28531
Validity (Statistical) [See Statistical Validity]
Validity (Test) [See Test Validity]
Valium [See Diazepam]
Valproic Acid—Serials
acute & prophylactic effects of valproate, 34–70 yr olds with mania or bipolar affective psychosis, 6722
carbamazepine & valproate, 32–44 yr olds with treatment resistant bipolar disorder, 10691
carbamazepine & valproic acid, 57 yr old male with rapid cycling bipolar disorder, case report, 2647
carbamazepine vs phenytoin vs sodium valproate, psychiatric disturbances, 5–14 yr olds with childhood epilepsy, 34710
combined valproate & lithium, 29–71 yr olds with rapid cycling bipolar disorder, Canada, 42485
diagnosis & duration of illness & number of hospitalizations & dose & side effects & maximum serum concentration, valproate augmentation, patients with refractory bipolar disorder, 42458
divalproex sodium, 35–58 yr olds with persistent chronic daily headache, 22929
ethosuximide, development of manic episode, 11 yr old male with absence seizures, letter, 22743
factors predictive of response to lithium or carbamazepine or valproate, patients with pure or dysphoric mania, 42421
sodium valproate & clonazepam, 25–35 yr olds with treatment resistant panic disorder, 10709
sodium valproate augmentation of fluoxetine or fluvoxamine, depressed female 67 & 80 yr olds with panic attacks or hypochondriasis, letter, 10666
sodium valproate with vs without carbamazepine or phenytoin, cognitive functioning, epileptic adults, Scotland, 2790
treatment guidelines for valproate, patients with bipolar or schizoaffective disorder, 42459
valproate & lithium carbonate, 72 yr old female with rapid cycling affective disorder, case report, 22756
valproate & other anticonvulsants, patients with bipolar disorder, 42440
valproate, behavioral dyscontrol & aggression, 68 yr old female with chronic paranoid schizophrenia & mentally retarded 63 yr old female with schizoaffective disorder, 10701
valproate, clonidine induced hypothermia, male rats, 40548
valproate, patients with rapid cycling bipolar disorder, 42415
valproate, spontaneous & lactate induced panic attacks, patients with panic disorder, conference presentation, 46465
valproate, stress induced brain monoamines, juvenile male rats, animal model of depression, 24942
valproate, 17–88 yr olds with refractory recurrent migraine or chronic tension or mixed headache, 14837
valproic acid, nonaffective aggression, 55 yr old mildly retarded & 34 yr old profoundly retarded females, 10699
valproic acid, 24–70 yr olds with refractory bipolar disorder, letter, 22726
Values [See Also Ethnic Values, Personal Values, Social Values]—Serials
aesthetic vs competitive vs vertigo vs cathartic motivations & values & culture, 15–37 yr old male surfers & surf shop personnel, 7711
career choices & value orientations, 26–53 yr olds with developmentally disabled siblings, 33924
casual bodybuilding as micropolitical technology of body & cultural values, 15702
change in radical attitudes & values, male former left wing student activists, Australia, 12 yr followup, 9459
changes in values & political opinions & acculturation to American society, behavioral intentions to return to Israel, 25–55 yr old kibbutz immigrants, 29192
Chinese Value Survey dimensions of Integration & Confucian Work Dynamism & Human Heartedness & Moral Discipline, managers, US vs Hong Kong vs China, 7620
clinician's interpersonal values, ratings of therapy outcome vignettes endorsing client's independence vs conformity, clinical & counseling psychologists, 35205
concept of affordances & theory of values in ecological approach to perception & action in social context, 13485
conceptual framework based on therapeutic jurisprudence for conflicting values in mental health law, 31747
cultural values of management teams & organizations, innovations dominated by control vs flexibility concerns, hospital management teams, Great Britain, 23746
decision model & role of facts & values behind PL 99-457 in policy making, infants & toddlers with disabilities & their families, 3545
development of organizational culture based on humor & altruism & cultural values, Southwest Airlines founder H. Kelleher, 15680
educational measurement instruction, meaning of grades & value judgments made during grading, student teachers, 43155
empirical validity of typology of ethical value systems, adults, 37521

ethics & right & societal values, mentally ill, conference presentation, 41482
exposure to American TV programs, traditional values, 13–18 yr olds, Korea, 17154
familial traditions & values & substance abuse, alcohol & drug abuse, female adolescent victims of sexual abuse, 29762
human values discussion group program, medical students in 3rd yr of clinical clerkship, 3179
liberalism & traditional values & other dimensions, perceptions of others' attitudes, male vs female college students, Canada, 41248
moral challenges & values in treatment of elderly patients, psychiatrists & medical clinicians & physicians, 7356
multiplicative combination between severity & probability of threat, conjoint measurement of expectancies & values tradeoff for hypothetical health threat, college students, 34787
organizational culture & values & demographic characteristics, employee retention, college graduates hired in public accounting firms, 15653
patient identification of & responsiveness to therapist values & changes in dysfunctional beliefs, cognitive vs pharmacotherapy & supportive therapy outcomes, 65 yr olds & older with depression, 42211
perceived personal environmental risk, factor loading & normative priority of Clean Environment as Terminal value on Rokeach Value Survey, adults, 31676
personality traits & values, graduate & undergraduate social work students, US vs India, 31124
proverbs in assessment of family values, 19–38 yr old females, Zimbabwe, 25385
racial & ethnic identity & traditional family values, coming out process, gay 17–20 yr olds, 25239
reproduction motives & marriage & parenthood values, urban & rural spouses, Malawi, 5406
sexual norms & values & morality in study of sexuality & sexual behavior, 17405
Skinner's system of naturalized ethics & values, 12944
social & personal values & personality, career choice, male vs female graduate social work vs business students, 3631
storytelling as teaching method, development of clinical values & attitudes & healthy doctor patient relations, medical students & residents, 7310
systems of values, Polish American vs European 46–100 yr olds, US vs Poland vs Bulgaria vs USSR, 37233
theoretical analysis of development of achievement task values, children, implications for expectancy value & achievement choice models, 1138
value orientations of staff vs Jewish community vs government vs parents of patients with cognitive disabilities, policy on clients' sexual behavior in group homes, social work agency, 15023
values & attitudes toward nuclear threat & war, Native American vs Caucasian 10th–12th graders, 5194
values & behaviors & attitudes, college students, implications for counselors & administrators, 31338
values, attitudes toward 1 child per couple policy, rural residents, China, 37336
values in case management evaluation, 30757
values in long term care decision for elders, 70–94 yr olds & adult family members & friends & medical & social service professionals, 46768
views on values & role of scientist in G. Kelly's personal construct psychology, 5660
workplace value orientation, organizational commitment, elementary vs secondary school teachers, 7389

Values [See Also Ethnic Values, Personal Values, Social Values]—Books

Identifying and implementing the essential values of the profession. New directions for student services, No. 61: The Jossey-Bass higher and adult education series, 39175
The role of values in psychology and human development, 13010
So human a brain: Knowledge and values in the neurosciences, 534
The study of human values, 25590

Values [See Also Ethnic Values, Personal Values, Social Values]—Chapters

Altruism and the moral value of rescue: Resisting persecution, racism, and genocide, 25592
Approaches to a psychology of value, 37556
Are values real? The enigma of naturalism in the anthropological imputation of values, 37269
Asian cultural commonalities: A comparison with mainstream American culture, 1252
At the intersection of knowledge and values: Fragments of a dialogue in Woods Hole, Massachusetts, August 1990, 607
Behavior, reinforcement, and utility, 37252
Biology and the origin of values, 36473
Co-constructive, intersubjective realism: Metatheory in developmental psychology, 13024
Developmental conceptions of good work: A longitudinal study, 23702
Equality, human dignity, and altruism: The caring concerns, 39179
The essential values of the profession, 39186
The feminist graduate student in psychology: Stranger in a strange land?, 17397
Hermeneutics and developmental psychology: Toward an ethic of interpretation, 13023
How are values transmitted?, 37249
Leadership, values, and accountability, 13469
The meaning, nature, and source of value in economics, 37254
Moral philosophy and mental representation, 36930
Morality recapitulates phylogeny, 37255
Normative-affective factors: Toward a new decision-making model, 5571
On the social construction of distinctions: Risk, rape, public goods, and altruism, 37257
Organizational imperatives for implementing the essential values, 39180
Religiosity and value priorities: A study of Protestants, Catholics, and Jews, 5334
Religious values in secular theories of psychotherapy, 38444
Science, values, and rationality: Philosophy of science from a critical co-constructivist perspective, 12947
The teaching of values, 39183
Truth, freedom, justice: Academic tradition and the essential values, 39184
The use of normative metatheoretical values in the process of personality theory development, 13586
Value elicitation: Is there anything in there?, 37250
Values and anger, 37560
Values come in styles, which mate to change, 37256
Values in decision making: The INVOLVE model, 39181
Values in postpositivist developmental research: Communication among researchers, participants, and consumers, 13567
Values research in the social and behavioral sciences, 37251
Valuing differences at Digital Equipment Corporation, 3713

Vandalism—Serials

prevalence & characteristics of art vandalism in public art galleries, perpetrators, Great Britain, 29908

Variability (Response) [See Response Variability]

Variability (Stimulus) [See Stimulus Variability]

Variability Measurement [See Also Analysis of Covariance, Analysis of Variance, Standard Deviation]—Serials

classical test theory vs factor analytic approach to structural models analyzing change, 39921
serial position & primacy & recency effects on working memory & statistical variability, animals, 437
visual vs auditory quartiles, detection of dissimilarity between central tendency & variability & shape of data distributions, graduate students, conference presentation, 8101
3 vs 4 factor structure of & item variability in Self Consciousness Scale, introductory psychology students, 15914

Variable Interval Reinforcement—Serials

choice in concurrent VI VI reinforcement schedules, rats & pigeons, reanalysis, 454
cis z-flupentixol induced dopamine blockade, contrast effects in response frequency for VI reinforcement schedule, male rats, 36805

CS vs UCS & VI reinforcement, maintenance vs suppression of observing response, 18–22 yr olds, 16355
density of multiple VI reinforcement & extinction, free operant conditioning, college students, 32220
determinants of performance on multiple concurrent VI schedules, 17–35 yr olds, 28313
FI vs VI schedules of delayed reinforcement & intertrial interval, keypeck response rate, pigeons, 16445
food deprivation & body weight, pecking on VI omission schedule, pigeons, 446
methadone vs buprenorphine, response rate under VI reinforcement, female pigeons, application of Heyman's matching law & Nevin's resistance to change hypothesis, 28698
multiple concurrent VI schedules of reinforcement, stimulus preference & preference transfer to novel stimulus, pigeons, 24521
multiple VI reinforcement with vs without reinforcement delay signal, response frequency potentiation vs overshadowing, pigeons, 16453
preference for unsegmented vs segmented aperiodic VI schedules of reinforcement in air defense video game, college students, test of effect of psychological distance to reward, 32151
reinforcement maximization vs matching on VI schedules, pigeons, 8500
reinforcement supply variation & VI reinforcement schedule, response rate, pigeons, application of economic regulatory reinforcement theory, 16437
restricted number of reinforced responses with VI schedule, response rate decline, male rhesus monkeys, evidence for stock optimizing strategy, 32307
tone & VI schedule reinforcement delay, blocking in operant responding, 19–32 yr olds, Germany, 32205
varying concurrent VI reinforcement depletion & repletion, reinforcement acquisition & venue dwell time, male pigeons, 16434
VI & quality of reinforcement, response time allocation, 14–18 yr old females with borderline range intelligence, 14080
VI & VR conjoint & extraneous reinforcement, reinforcement reallocation & behavioral contrast, pigeons, 16447
VI reinforcement & component duration, key press contrast & functional differences in response. rats, 8490
VI reinforcement & discriminative stimuli, choice behavior, pigeons, 8477
VI schedules of delayed reinforcement, keypecking, pigeons, 8494
VI vs VR reinforcement, response rates, male pigeons, 32289
VI vs VR schedule of outcome presentation, judgment of causal effectiveness of response, adults, England, 40122
visual stimulus variety on VI schedule, choice behavior during visual pattern sequences, college students, Japan, 16199
VR vs VI schedules, development of preference in choice situations, pigeons, 4460

Variable Ratio Reinforcement—Serials

brief visual stimulus, choice between concurrent VR schedules, male rats, 44251
FR vs VR reinforcement schedules, variability of responding, college students, 32232
preferences for FR vs bivalued VR schedule of reinforcement, pigeons, 24519
VI & VR conjoint & extraneous reinforcement, reinforcement reallocation & behavioral contrast, pigeons, 16447
VI vs VR reinforcement, response rates, male pigeons, 32289
VI vs VR schedule of outcome presentation, judgment of causal effectiveness of response, adults, England, 40122
VR reinforcement with changing criteria, exercise, 11 yr old obese males, Canada, 14095
VR vs VI schedules, development of preference in choice situations, pigeons, 4460

Variance Homogeneity—Serials

computer simulated modified t test for protection against homogeneity of variance, 194
computer simulated variance increase vs decrease in high vs low error conditions, correlation between change & initial level values, generated data, implications for psychophysiology, 43870
homoscedastic vs heteroscedastic variances & normal vs nonnormal distributions, Type I error rates for G. James's 2nd order test & R. Wilcox's H test, 12096
issues & methods in testing for moderator variables in meta analysis & value of homogeneity tests & goodness of fit indices of effect size variability, commentary, 20132
measure of homogeneity for nominal categorical data, 43872

Vascular Disorders [See Cardiovascular Disorders]

Vasectomy—Serials

previous irreversible vasectomy, request for & outcome of donor sperm insemination & marital quality, couples attending infertility clinic, 46671

Vasoconstriction—Serials

demanding cognitive task & coping treatment, cranial & peripheral vasomotor stress responses, migraine patients, 45907

Vasoconstrictor Drugs [See Amphetamine, Angiotensin, Bufotenine, Dihydroergotamine, Ephedrine, Methamphetamine, Norepinephrine, Serotonin, Tryptamine, Tyramine]

Vasodilator Drugs [See Also Nicotinic Acid, Verapamil] —Serials

cholinergic vs dopaminergic vs purinergic drugs, dilazep potentiated physostigmine vs bromocriptine vs pilocarpine induced yawning, male rats, 21026
ethanol &/vs nifedipine, locomotor activity, rats, 786
indeloxazine hydrochloride vs propentofylline, passive avoidance conditioning, gerbils with transient cerebral ischemia, animal model, 44749

Vasopressin—Serials

acquisition & retention of delayed alternation tasks, female rats genetically deficient in vasopressin, 12496
acute vs chronic ketocyclazocine with vs without oxytocin or vasopressin, food intake during dark vs light phase, free fed male rats, erratum, 32629
acute vs chronic morphine with vs without oxytocin vs vasopressin, food intake during dark vs light phase, male rats, erratum, 32628
angiotensin II with vs without angiotensin receptor antagonists losartan vs PD123177, BP & drinking & vasopressin responses, male rats, 8912
apomorphine, blood serum growth hormone & vasopressin & oxytocin neurophysin, male schizophrenic inpatients, Belgium, 29689
arginine vasopressin & V1 receptor antagonist, social recognition, male castrated mice, implications for vasopressinergic neurotransmission involvement, 44584
arginine vasopressin, plasma cortisol & ACTH & beta endorphin, depressed patients, Netherlands, implications for pituitary adrenal sensitivity, 38551
arginine-8-vasopressin, sudden silence stress induced bradycardia & immobility, 3 vs 14 vs 20 vs 25 mo old male rats, 24855
arginine-8 vasopressin vs lithium chloride, appetitively motivated discrimination, male rats, implications for aversive & memory enhancing qualities of vasopressin, 28697
arginine-8-vasopressin vs oxytocin in central nucleus of amygdala, conditioned footshock stress induced immobility & bradycardia, male Roman high vs low avoidance rats, 20976
binding of arginine vasopressin to human peripheral blood mononuclear cells, adults, implications for pathophysiology of autoimmune disorders, 20806
central medial amygdala arginine vasopressin, motor effects & sensitization process, male rats, 21042
concentration of arginine vasotocin in brain sensory regions, male vs female newts & bullfrogs, 12492
desglycinamide-arginine8-vasopressin, endocrine profile & free choice alcohol drinking, male rhesus monkeys, 20899
dexamethasone suppression status & arginine vasopressin, ACTH response, patients with major depression, 37679
exogenous vasopressin following corticotropin releasing hormone, pituitary adrenocortical response in corticosterone secretion, male rats, 12542
fetal suprachiasmatic nucleus grafts, circadian drinking rhythms & immunocytochemical development, male rats with suprachiasmatic nucleus lesions, 36513

fluoxetine & desipramine vs trazodone, in vitro hypothalamic arginine vasopressin secretion, male rats, animal model of treatment of obsessive compulsive disorder, 20795
fluoxetine, CSF corticotropin releasing hormone & arginine vasopressin & mood, patients with major depression, 38542
fluoxetine, voluntary exercise induced weight loss & vasopressin & oxytocin abnormalities, food restricted male rats, animal model of anorexia nervosa, 40520
food deprivation & subsequent feeding, vasopressin & oxytocin concentration in hypothalamus, male rats, 20509
food restriction stress, plasma glucose & urea nitrogen & protein catabolism, male vasopressin deficient vs containing rats, 44559
histaminergic receptor antagonist ranitidine, blood plasma levels of vasopressin & oxytocin & prolactin & ACTH responses to fear related stress, male rats, 28760
hypertonic saline, plasma epinephrine & norepinephrine & cortisol & ACTH & arginine vasopressin, 23–45 yr old males, implications for physiology of panic attacks, 32680
intranasal desglycinamide arginine vasopressin, cognitive recovery, head injured patients, 30606
left side periaqueductal gray L-glutamate, arterial BP & plasma arginine vasopressin & stereotyped & other motor behavior, male rats, 16813
medial preoptic area injection of vasopressin vs oxytocin, social recognition facilitation, male rats, 40651
microdialysis vasopressin vs vasopressin antagonists into septum during behavior test, acquisition of pole jumping behavior, male rats, 8893
oxytocin vs vasopressin, cocaine induced behavioral sensitization, male mice, 20986
oxytocin vs vasopressin hexapeptide fragments, conditioned freezing behavior, female rats, erratum, 36888
oxytocin vs vasopressin hexapeptide fragments, conditioned freezing behavior, female rats, 12897
paraventricular dorsomedial nucleus of hypothalamus vasopressin vs vasoactive intestinal peptide vs vasopressin antagonist, corticosterone release, suprachiasmatic nucleus lesioned male rats, 8922
plasma testosterone & lateral septum vasopressin & innervation density, male mice with genetic short vs long attack latency, 28494
short term vasopressin & adenohypophyseal hormone response to ECT, female 20–77 yr olds with schizophrenia or mood disorders, implications for biological marker of ECT efficacy, 46549
single-dose des-glycinamide-Arg8-vasopressin vs oxytocin, cognitive processes & memory & vigilance & attention & mood & BP, male vs female college students, 4751
stress of lumbar puncture procedure, plasma osmolality & salivary cortisol & arginine vasopressin, nuclear disc prolapse patients, 14802
vasopressin & oxytoxin in septum, social recognition of intruder, male rats, 8958
vasopressin analog or oxytocin, facilitation of social transmission of flavor preference via olfactory cues, male rats, 32683
vasopressin neuropeptides, social recognition, adult male rats, 40670
ventral hippocampal arginine vasopressin or antiserum, retrieval & relearning in visual discrimination & immunoreactive fiber changes after medial amygdaloid nucleus lesion, male mice, 32667
vomerectomy vs castration, sensitivity of social recognition to vasopressin receptor antagonism, male rats, 44382
5-HT antagonist odansetron, cholecystokinin induced feeding behavior & lysine vasopressin & cortisol secretion, prepubertal pigs, 20956

Vasopressin—Chapters

Chronic stress and adrenalectomy both induce vasopressin synthesis and storage in corticotropin releasing factor neurons in the paraventricular nucleus, 8815
Evolutionary precedents for behavioral actions of oxytocin and vasopressin, 20725
Role of vasopressin in aggressive and dominant/subordinate behaviors, 20720
Vasopressin and the regulation of hamster social behavior, 20714

Velocity—Serials

apparent size & speed of computer simulated aerial predators, alarm calls & antipredator behavior, male chickens, 44287
complete & incomplete occlusion of precollision velocity & angle information, visual perception of relative mass, adults, Sweden, commentary & replication, 43997
contrast & spatial & temporal frequency & angular velocity of sinusoidal drifting gratings, perception of curvilinear vection, 22–28 yr olds, 43999
correlation of IQ & peripheral nerve conduction velocity & information processing RT, college students, Canada, 40417
correlation of visual P100 latency & nerve conduction velocity & nonverbal IQ, male 18–25 yr olds, 40401
discrimination of accelerated vs decelerated movements of 9 vs 18 degrees in auditory localization task, adults, 36123
eccentricity & dot number & span, simple vs complex pooling of unidirectional 3-dimensional motion & speed discrimination for looming stimuli, adults, 16194
eccentricity, speed & direction selectivity of middle temporal neurons, macaques, 28585
elbow & arm movement speed, upper limb synchronistic coupling strength, female right handed 18 yr olds, Belgium, 12205
global & local visual information, speed & braking in goal directed walking task, male 19–40 yr olds, 24294
haptic tau analysis of temporal force pattern & constant angular velocity in rotation of object on supporting edge until unstable equilibrium is reached, 16121
heterogeneity of speed vs direction of stimulus, motion coding by visual system in visual search, adults, England, 238
model of perceptual motion transparency & coherence for processing stages of image velocity, adults, 16173
modulation frequency & speed, modulation thresholds & optic acceleration, adults, 16204
monocular vs binocular vision & advance vs retreat to maintain ball's constant vertical optical velocity & estimated trajectory ball catching, adult softball players & college students, 16248
movement objectives vs constraints & speed &/vs accuracy bias, motor control strategy in reciprocal aiming movements, 18–32 yr olds, Netherlands, 281
noninvasive measurement of cerebral blood flow velocity during word association task, left vs right handed adults, implications for language lateralization detection, 20562
object & background size & vergence & velocity & simulated ego motion perpendicular to object trajectory, judgment of object velocity, adults, 36069
perceptual strategies, grasping object in motion at constant velocity, right handed 20–25 yr olds, 28234
quantitative models of baseball's rising fastball & breaking curveball as perceptual illusions due to batter's misestimation of speed of pitch, adults & male 9–13 yr olds, 20200
reliability of amplitude of return sweep velocity in reading eye movements, male college students, 8314
response choice structure & error feedback, sensitivity to constant vs image acceleration cue, judgment of landing location of free falling projectiles, adults, 20199
retinal velocity in optic flow & depth perception through motion, 36095
sound pressure levels at & velocity of external surface of tympanic membrane during vocalization & playback, male frogs, 8658
spatial vs temporal transients of pattern speed, perception of velocity differences in visual tracking, adults, 4272
speaking rate, speech movement velocity profiles of lower lip & tongue tip during production of stop consonants, 19–35 yr olds, 25057
target & movement velocity, coincident timing performance, 18–29 yr olds, 24354
target eccentricity, slow control velocity & stability & direction of eye movements, Os, application of velocity vs position corrective models, 32076
understanding of relations among time & distance & velocity, 4.9–10.7 yr olds vs college students, Japan, 40835

vehicle & track width, speed & errors in automobile driving & self paced tracking task, 18–25 yr old college students, safety implications, 23863
velocity & motion trajectory, estimation of vehicular motion, male vs female 20–45 vs 65–83 yr olds, 17063
velocity control perspective on handwriting generation, adults, 40061
velocity gradient & ratio & image compression, perceived orientation in depth & 3-dimensional shape for perspective translations & orthographic rotations of dihedral angles, adults, 39981
velocity of approaching plastic sphere, transport & grasp components of prehension movements, male 20–25 yr olds, 16246
velocity of random dots, thresholds for shearing motion, 13 vs 20 wk olds, 9128
visual angle, imagined speed, college students, implications for legal eyewitness testimony, 8207
3 dimensional properties of eye position & velocity during pursuit eye movements, adults, 4268
Velocity—Chapters
A theory of rapid movements, 24379
Venereal Diseases [See Also Gonorrhea, Herpes Genitalis, Syphilis]—Serials
age of male partner, sexually transmitted disease & pregnancy & birth rates, female 13–19 yr olds, 22221
assessment of nongovernmental sexually transmitted disease/AIDS education & prevention programs, marginalized groups, developing countries, 6983
caretaker acceptance of possibility of sexual abuse, disclosure of abuse, 3 yr olds to premenarcheal children diagnosed with sexually transmitted disease, 17926
changes in sexually transmitted disease rates following HIV testing & posttest counseling, HIV positive vs negative 10–50 yr olds & older, 1 yr followup, 45996
condom use & prevention of HIV infection & sexually transmitted diseases, 46741
correlation between self report vs medical records of illicit drug use & sexually transmitted diseases & HIV, pregnant 18 yr olds & older, 9726
crack cocaine abuse & sexual behavior & sexually transmitted disease, psychiatric patients, 1909
demographic characteristics & knowledge & attitudes & perceived risk of venereal disease, condom use, 14–52 yr old Black males at risk for venereal diseases, 34024
distribution of free condoms, frequency of sexual activity & condom use, pregnant females & their partners at high vs low risk for sexually transmitted diseases, 13377
eroticization of condom use & sexual behaviors & communication skills & other factors, Black & Hispanic patients at sexually transmitted disease clinic, letter, 18185
ethnomedical perspective on beliefs regarding transmission & traditional vs biomedical treatment, adults with sexually transmitted diseases, Africa, implications for AIDS policy, 7045
frequency & thoroughness of sexually transmitted disease & HIV risk assessment, primary care physicians in high risk area, 14226
gender role socialization & health care developments & campaign against sexually transmitted diseases, females, 18964
Health Belief Model components & sexual behavior & demographics & other factors, delay behavior in seeking medical care, adults with suspected sexually transmitted disease, Netherlands, 38718
HIV infection & risk factor history & genital ulcer disease & crack cocaine use, patients with sexually transmitted diseases, 14161
knowledge of AIDS & other sexually transmitted diseases, adult females attending family planning clinic, Kenya, implications for prevention, 30032
method for identification of populations at high risk for sexually transmitted diseases & HIV, 15–24 yr old & older clinic patients, 45923
multicomponent school based HIV & sexually transmitted disease prevention & education programs with parental & community involvement, 7th–8th vs 9th–12th graders, 3386
professional isolation & secrecy & splitting & other psychodynamics in sexually transmitted diseases clinic, clients & health professionals, 23040
prophylactic methods for prevention of HIV & other sexually transmitted diseases, females, commentary, 18951
prophylactic methods for prevention of HIV & other sexually transmitted diseases, females, 18975
referrals between sexually transmitted disease clinics & HIV counseling & testing centers, 14–67 yr old clients, 10998
sex, knowledge & intentions & behaviors regarding prevention of pregnancy & sexually transmitted diseases, high school students, 17163
sexually transmitted disease clinic approach to design of intervention strategies for HIV & AIDS, Southern Africa, 26831
sexually transmitted diseases & sexual abuse & sex activity initiation & alcohol & drug use & dysfunctional family situations, female 12–15 yr old clients of family planning clinic, 5727
standard care with vs without AIDS education & counseling, HIV risk behaviors, adolescents with sexually transmitted diseases, 38771
symbolic importance & features of female condom & role in prevention of AIDS & sexually transmitted diseases, 46719
validity of self report vs serological screening of prior sexually transmitted disease infection, iv drug users, 41738
venereal disease & HIV education, college residential assistant peer educators, 43178
Venereal Diseases [See Also Gonorrhea, Herpes Genitalis, Syphilis]—Chapters
Management approaches to sexually transmitted diseases in women with disabilities, 38164
Sexual activity, 1142
Sexually transmitted diseases, 18264
Venezuela—Serials
lithium research & therapy, Venezuela, 6702
previous neighborhoods & homes, present housing satisfaction, housewives in public housing project, Venezuela, 23839
Venezuela—Chapters
Matrifocality and female aggression in Margariteño society, 13506
Ventral Roots—Serials
excitatory amino acid receptor antagonists vs morphine vs clonidine vs baclofen, capsaicin induced nociceptive reflexes assessed by ventral root EPs, neonatal rats, 32573
Ventral Tegmental Area [See Tegmentum]
Ventricles (Cerebral) [See Cerebral Ventricles]
Ventricles (Heart) [See Heart Ventricles]
Verapamil—Serials
nifedipine vs verapamil vs lithium, neuroleptic resistant patients with schizoaffective disorder or acute mania, commentary, letter, 14677
oral verapamil therapy, blood plasma & erythrocyte lithium concentrations, 20–41 yr old healthy males, 4877
slow vs instant release gallopamil, ischemic attacks & intake of nitrates, 36–65 yr old males with prior angiography, 2774
verapamil & phenelzine, exacerbation of symptoms, 49 yr old female with recurrent depression, letter, 46435
verapamil, acquisition of tolerance to ataxic effects of ethanol, male rats, animal model, 32703
verapamil, female 66 yr old with acute mania unresponsive to neuroleptics, case report, 26734
verapamil, male 23 yr old with bipolar disorder & myoclonic tardive dystonia, case report, 42401
verapamil vs flunarizine, model of tardive dyskinesia & postsynaptic dopaminergic receptors, rats, animal models, 24960
verapamil vs flunarizine, PCP induced EEG & head weaving & ataxia & other behavior, male rats, 16844
verapamil vs lithium, patients with acute mania, commentary reply, letter, 26733
verapamil vs lithium, patients with acute mania, commentary reply, letter, 14686
verapamil vs lithium, patients with acute mania, commentary, letter, 26791

verapamil vs nifedipine, ethanol intoxication & effects on heart rate & BP & short term memory & psychomotor performance & blood alcohol, young adult males, 12859
Verbal Ability—Serials
anticonvulsant drugs, overall & general vs steps of verbal memory processing, patients with left temporal lobe epilepsy under reduced medication, 6916
caffeine & time of day & history of caffeine consumption, short term memory & mental arithmetic & reading comprehension & serial search & verbal reasoning, 19–39 yr olds, 24941
cognitive & linguistic ability, verbal analogical reasoning, 9.4–13.5 yr olds with language learning disabilities, 26073
conceptual complexity & verbal ability & fluid intelligence & divergent thinking, college students, 12253
development & reliability & validity of Spot-the-Word test, assessment of premorbid verbal intelligence, 16–85 yr olds, England, 27966
distribution of vocabulary according to grammatical classes, adults with aphasia, Romania, 30225
diurnal oscillations in hemispheric performance on verbal & spatial tasks, female right handed 18–25 yr olds, Spain, 32511
grammar & cohesion & developmental level of spontaneously generated oral narratives, 4.4–16.1 yr olds treated for posterior fossa tumor, 30198
grammatical morphology & expressive vocabulary, language impaired 4.4–6.9 yr olds learning English vs German as 1st language, 10196
hemispheric size asymmetry, prediction of verbal & nonverbal IQ, healthy male vs female college students, 40418
hippocampal neuron loss, verbal memory vs intellectual ability vs language skills, epileptic patients with left vs right seizure foci before vs after mesial temporal lobe removal, 14345
identification of emotional facial expression & production of equivalent emotional word adjectives, educable mentally retarded 8–12 yr olds with high vs low verbal ability, Greece, 26099
intelligence & language skills, 9–25 yr olds with perinatal vs early childhood unilateral cerebral lesions, 46098
intelligence & verbal ability & level of information processing, incidental learning, 7th graders, Poland, 31318
knowledge map vs text communication aid, acquisition of scientific material in cooperative learning situation, college students with high vs low verbal ability, 35316
left hemisphere dysfunction in early life, verbal vs nonverbal ability, adult males vs females with epilepsy, 14357
linguistic inefficiency & executive dysfunction & spatial disabilities during childhood, learning disabilities & attention deficit hyperactivity disorder in adulthood, 29939
manually coded English sign systems' morphemic incompatibility with visual modality & learnability, reading achievement & expressive English skills, deaf 7.1–14.10 yr olds, 14441
math & verbal achievement & self concepts, 6th graders, Norway, application of internal external frame of reference model, 43267
metalinguistic awareness, reading comprehension, 4th graders, India, 17020
microlinguistic & macrolinguistic abilities in discourse production, 43–61 vs 67–88 yr olds, 1158
narrative ability & story retelling, male 7–11 yr olds with vs without attention deficit hyperactivity disorder, 26058
narrative ability, 6.3–11.3 yr old stutterers vs nonstutterers, test of hypothesis of delayed expressive language development in stutterers, 6201
native linguistic coding deficits in phonology & syntax & semantics, foreign language learning problems, male 20 & 15 & 14 yr olds & female 15 yr old, 32167
ontological knowledge structure & verbal & nonverbal ability, decontextualization task performance assessing vocabulary acquisition, 1st & 3rd & 5th graders, 904
oral language ability, male 9-13 yr olds with chronic behavior disorder, 1837
pain assessment & management, confused nonverbal elderly with chronic brain syndromes & potentially painful conditions, 26314
performance on verbal vs visuospatial cognitive tasks, patients with Parkinson's disease with left vs right motor predominance, 18382
phonological awareness & linguistic analysis ability, language delayed vs nondelayed 4–5 yr olds, Canada, 14142
prereading phonological abilities, prediction of reading & spelling skills, 10 yr olds, 6 yr followup, 9196
processing speed & word knowledge, verbal task performance, young adults vs elderly, 25156
reading ability, metalinguistic skills & reading comprehension, elementary school students, India, 21186
rule ambiguity & ability to follow & break self formulated rule in verbal task, college students, 24410
selegiline, verbal memory performance, patients with Alzheimer's type dementia, Italy, 2788
sequential vs relational verbal task description, low vs high task complexity perception & performance & memory, college students, Germany, 12243
sex & language ability, humor appreciation, college students, 9020
social competence & self control & vocabulary ability, prediction of impulsive aggressive problem behavior, 4–5 yr olds, 1 yr followup, 40774
spatial & verbal ability, impairment in analysis of global vs local features of complex visual stimuli, elderly with Alzheimer's disease, 6350
syntactic & lexical & phonological skills, subsequent reading disability, 30 mo olds from dyslexic families, 6 yr study, reprint, 2030
testosterone vs estradiol vs ACTH levels, spatial vs verbal vs musical performance, late adolescents, Germany, 12692
text conversion into new regularized orthography, writing speed & spelling accuracy, college students, 4995
verbal & gestural language during procedural discourse, adult female with progressive aphasia, case report, 3 yr study, 14280
verbal & nonverbal cognitive skills, specifically language impaired vs normal 4.2–5.9 yr olds, 33997
verbal & spatial ability & diagrams &/or summaries during computer aided reading, free recall & comprehension, 13 yr olds, Australia, 35309
verbal processing skills, foreign language reading proficiency, Japanese language students, implications for instruction, 24405
verbal self regulation & mode of comparison rule presentation, listening skills, kindergartners vs 1st graders, 25154
verbal visuospatial correlation & single physiological brain processes, individual & sex & race differences in intelligence, commentary, 12236
verbal vs nonverbal skills, 5–7 yr olds with hydrocephalus caused by aqueductal stenosis vs prematurely & intraventricular hemorrhage vs spina bifida, 1 yr followup, 6358
verbal vs spatial skill impairment, directed attention to & processing of global vs local forms, elderly with Alzheimer's disease, 34204
vocabulary size & lexical access & sentence based speech-reading, hearing impaired adult males, 2357
word specific knowledge & spelling ability, word recognition & spelling production, college students, 44786
Verbal Ability—Chapters
Early stimulation and the development of verbal talents, 1010
Using 'Somerset Thinking Skills' to promote oracy in the classroom, 23527
Verbal Communication [See Also Articulation (Speech), Conversation, Handwriting, Language Proficiency, Manual Communication, Oral Communication, Pragmatics, Storytelling, Written Communication]—Serials
absolute vs professional frequency measures of differences in speech heard in interactions with mother, 1–2 yr olds, commentary, 17057
adult child interaction & elicitation patterns, development of narrative skills, 5 vs 7 vs 10 vs 14 yr olds & adults, Germany, 13119
age, verbal categorization of odors, 10–90 yr olds, US & Canada, 32894
behavior analysis of socially constructed knowledge based on Skinner's principles of verbal behavior, 13482

canonical correlation analysis of verbal & nonverbal score clusters of Differential Ability Scales Upper Preschool Level, assessment of cognitive ability, 3.5–5.9 yr olds, 15903
children's speech &/vs gesture cues, assessment of knowledge level & reasoning, adult Os, implications for teacher student interaction & appraisal, 17027
cognitive behavioral modification approach, verbal mediation in spatial matching task, 7–14 yr olds with Turner's syndrome or nonverbal learning disabilities, 17665
comprehension of metaphoric figurative language, 15–21 yr olds with traumatic brain injury vs language learning disability, 45344
computerized alternative communication system training, production & comprehension of locative prepositional phrases, male 46–63 yr olds with aphasia, 46105
conscious & deliberate distortion of verbalized pictorial images, semantic & textual characteristics of verbalization of distortion, college students, translated article, 24393
content analysis of verbal behavior, measurement of quality of life, patients, 21631
content analysis of verbal or written communication related to early intervention, 35443
convergence, natural language understanding in human computer dialog, office workers & computer operators & engineers, 27792
convergence of Skinner's study of verbal behavior & poststructuralist linguistics, 44778
cultural use & universal interpretation displayed in madre terms of personal address, Colombia, 816
debate participation & forensics training, argumentativeness & verbal aggression, 13–18 yr old high school students, 47163
degree of imposition & schematicity & instruction, primary & face goal request production fluency, college students, 25066
development of dialog coordination skills & cooperative maze game performance, 7–8 vs 9–10 vs 11–12 yr olds, 28917
developmental aspects of narrative in clinical diagnosis & psychotherapy, preschoolers, 2481
developmental processes & verbal statements, 24–58 yr olds in small vs large groups, 29357
discourse strategies, survivors of rape or incest or sexual assault, 25887
effectiveness & impressions of verbal concessions vs excuses vs refusals as accounts for errors in social encounter, male vs female college students, 17501
emergence of codependency as discursive formation & life story in search for identity & role of power & knowledge, 5718
emotional & psychological factors in talk about AIDS, adults, 14248
eroticism in safe sex talk, 9482
existence of privileged verbal access, organized unitary content hypothesis vs multiple semantics, commentary reply, 44796
exposure to environmental & verbal information, language acquisition, blind vs sighted children, 38330
face management & language production & comprehension & person perception & cross cultural communication, 1362
facial expressions & verbal reports of pain & coping strategies, female 18–60 yr olds with chronic vs recent onset temporomandibular disorder pain, 26190
framing techniques in narratives of sexual harassment experiences & role of hegemony & dominant interests in organizations, working women, 47424
hemisphericity due to verbal priming influences, verbal vs kinesthetic response positioning task performance, male vs female right handed 16–38 yr olds, 17016
informational lecture vs practice training, performance & confidence in interpretation of verbal vs nonverbal behaviors, college students, 2565
integration of pictorial/spatial & verbal information in communication, linguistic analysis of prepositions, 16935
item homogeneity in verbal subtests of Intelligence Structure Test, 12–15 yr olds, Netherlands, application of dichotomous Rasch model, 7935
joint puzzle solving task, words spoken & maternal utterances used to direct child's physical activity, mothers & their 23–27 mo olds, implications for development of thinking, translated article, 36981
language comprehension, schizophrenic outpatients & their nonschizophrenic brothers with vs without psychiatric disorders, implications for family vulnerability to schizophrenia, 21792
language use & vocabulary diversity in routine vs nonroutine interactions, developmentally delayed 3–6.3 yr olds, 6139
level of task abstraction, linguistic performance & frequency of irrelevant utterances, children with spina bifida & hydrocephalus, 2257
limits of classical realist account of social science life & sources of meaning in F. W. de Klerk's opening of parliament speech, 1990, South Africa, 17369
linguistic imitation, preschool & school age children with vs without Down's syndrome, 6172
low vs high control in teacher conversational style, classroom verbal participation, shy kindergarten students, 31341
memory & verbalization of trauma occurring before 28 mos, preschoolers, 13638
nighttime verbalization & recall of mental sleep experience after wakening from REM sleep, morning recall, male college students, Italy, 8391
parental control, children's responses & initiations & verbal input during collaborative letter writing, 3–5 yr olds & their parents, 17304
perceived & actual control, memory for spoken language, 18–37 vs 58–78 yr olds, 44904
personal power & competence dimensions of self esteem, argumentativeness & verbal aggressiveness, college students, 17464
phonological & lexical incidental errors in language production, male 2–3 yr olds, Netherlands, 25169
preferences & reasons for conveying &/vs receiving probabilistic information & uncertainty in verbal vs numerical terms, college & graduate students, US & Israel, 40760
prelinguistic intentional communicative behaviors, profoundly mentally retarded 6–12.7 yr olds, 6168
psychological sex type, small group decision making effectiveness assessed by vigilant communicative behavior, college students, 5500
recall & recognition memory for typical vs atypical actions in script based stories, preschoolers vs 1st graders, 28908
recall of verbal commands with vs without self performed vs observed enactment, 17–24 yr olds, Croatia, 40151
relationship of inarticulate & articulate disruptive vocal activity to emotional states, psychogeriatric ward residents with dementia, 30194
repeated exposure to well structured descriptions vs randomly presented information, time distance relation in mental scanning of visual images, college students, 16259
retrospective verbalization of problem solving strategies, insight problem solving performance, college students, 36184
robustness in natural language understanding systems, 27831
role enactment & perspective taking in interpersonal communication & shared reality & creation of meaning of messages, literature review, 17449
role of verbal relations & control in development of behavior analysis, 12957
same sex vs mixed sex group composition, developmental patterns in types of verbal statements, 24–58 yr olds, 5533
self monitoring program, frequency of negative statements, male mildly mentally retarded 12 yr old middle school student, 35451
semantic cue word generation & sentence comprehension test sensitivity to verbal communication breakdown, patients with Alzheimer's disease, Italy, 42047
sentence structure & subject strategy & working memory, errors in solution of verbal problems, adults, Australia, 44063
serial position in presentation of exemplars, research on verbal description of music prototypes, implications for neural networks, 4278
sex & age & low vs middle SES, verbal & nonverbal communication & private speech, 4–5 yr olds, 960

significance of word "well" in discourse according to relevance theory, 44788
speech heard in dyadic interactions with mother, 1–2 yr olds & their working vs upper middle class mothers, implications for assessment of speech input frequency, 17031
training issues in use of touch with elderly patients, communication & verbal interactions, student nurses, 23388
type of knowledge resource, perceived similarity of anchor vs comparison jokes, college students, verification of General Theory of Verbal Humor, 40752
verbal & nonverbal expression of emotion & physiological activity & health, adults, 33298
verbal aggression & argumentativeness & marital quality, nondistressed couples, 21362
verbal commentary of TV coverage of women's vs men's NCAA basketball tournament & singles vs doubles vs mixed doubles US Open tennis tournament matches, 1989, 31618
verbal exchange structure in medical interviews, patients & clinicians, 42703
verbal memory performance on Luria Memory Words Test, alcoholic vs brain damaged male 22–61 yr olds, 17658
verbal slips during psychoanalysis, analysts, 14649
verbal specificity as operational index of transitional knowledge, 4th–5th graders, 44869
verbal vs colored graphic analysis aids, learning of music by heart, guitar students, 11402
verbally mediated traumatization about violent war death of uncle & subsequent PTSD, 11 yr old female, Lebanon, case report, 17862
veridicality & reactivity of retrospective vs concurrent vs no verbal report of strategies underlying mental arithmetic, 3rd graders, 9132
written & verbal & nonverbal communication, employment interview decisions, recruiters, 7585

Verbal Communication [See Also Articulation (Speech), Conversation, Handwriting, Language Proficiency, Manual Communication, Oral Communication, Pragmatics, Storytelling, Written Communication]—Books

Discursive psychology. Inquiries in social construction, 5015
Mapping the language of racism: Discourse and the legitimation of exploitation, 29201

Verbal Communication [See Also Articulation (Speech), Conversation, Handwriting, Language Proficiency, Manual Communication, Oral Communication, Pragmatics, Storytelling, Written Communication]—Chapters

Block play, 46284
Competence processes and achievement motivation: Implications for intrinsic motivation, 33363
Conflict talk: Approaches to adversative discourse, 25104
Emotion and narrative: The agony and the ecstasy, 29470
Free speech for campus bigots?, 23597
In search of student expertise in the classroom: A metacognitive analysis, 3526
Integrative action of narrative, 13649
Speaking and understanding from viewpoints: Studies of perspectivity, 836
Voice and context in a new gerontology, 21316

Verbal Comprehension [See Also Listening Comprehension, Reading Comprehension, Sentence Comprehension]—Serials

age, use of noun phrase to infer speaker's goal & understand request as yes-no question vs directive, 5–12 yr olds vs adults, 9120
cognitive deficits & speech production & syntax comprehension, 45–81 yr olds with mild or moderate Parkinson's disease, 6379
comprehension of personally relevant vs novel language, male 67 & 68 yr olds with poststroke global aphasia, 30250
computerized alternative communication system training, production & comprehension of locative prepositional phrases, male 46–63 yr olds with aphasia, 46105
computerized sentence verification technique, assessment of language comprehension, 21121
consistent vs random presentation order & type of auditory verbal yes-no questions, auditory comprehension, aphasic 46–78 yr olds, 6337
context & familiarity, comprehension & production of idioms, 6.8–11.8 yr olds, Italy, test of global elaboration vs acquisition via exposure hypothesis, 938
convergence, natural language understanding in human computer dialog, office workers & computer operators & engineers, 27792
critical values for evaluation of observed score discrepancies for Clinical Evaluation of Language Fundamentals-Revised, school age children, 35835
direct vs indirect meaning of speech acts, comprehension of utterances, college students, 44797
epistemological belief in simple knowledge & mathematical text comprehension, college students, 15452
face management & language production & comprehension & person perception & cross cultural communication, 1362
familiarity & aptness & topic vs vehicle priming words, comprehension & figurative activation of metaphors, college students, 20252
imitation vs modeling teaching, novel morpheme learning, 5–6.9 yr olds with specific language impairment vs normal 3–4.9 yr olds, 3537
implicit causality of main gender cue & congruity, interpretation of pronouns & pronoun containing clauses, college students, 9044
intellectual ability, recall of meaningful text, 16–18 yr olds, 40184
interpretation of figurative language expressions, 10–14 yr olds with language & learning disabilities, implications of educational assessment & placement, 47293
joint attention & verb comprehension & learning in impending & completed nonostensive vs ongoing ostensive pragmatic context, 1.1–2 yr olds, followup, 980
language proficiency & cognitive style & metaphor comprehension, native English speaking vs ESL college students, Canada, 40748
mental models perspective on discourse representation & text processing, analysis of combinatory semantics & anaphora & inference, 9045
metaphoric transparency & length & natural language frequency & inserted nonsense words, comprehension & classification RT for idioms vs literal vs nonsense phrases, college students, 28236
Natural Language driven Image Generator for understanding descriptions of object spatial configurations & drawing corresponding scenes, 3861
pause before novel target word, quick incidental learning of object vs attribute word, specific language impaired 51–69 mo olds, 14136
preparation for alternate finger tapping vs syllable vocalization task, facilitatory priming for semantic sensibility judgments, college students, 12120
residual lexical knowledge of word phonological form vs meaning, atrophic male 68 yr old with deficit in word comprehension & naming, 14354
strategies in identification of polysyllabic words, 6th graders with high vs moderate vs poor abilities, 968
understanding of conventional indirect speech acts & sarcasm, closed head injured male 29 & 42 yr olds with brain damage, 14324
understanding of function of additive & causal & adversative & sequential logical operators in reading, native English speaking vs ESL college students, 12221
understanding of speaker's meaning in referential communication, kindergartners vs 2nd vs 4th graders, 28893
validation of causal bridging inferences in text comprehension, college students, 4340

Verbal Comprehension [See Also Listening Comprehension, Reading Comprehension, Sentence Comprehension]—Books

Spoken language comprehension: An experimental approach to disordered and normal processing. Issues in the biology of language and cognition, 6414

Verbal Comprehension [See Also Listening Comprehension, Reading Comprehension, Sentence Comprehension]—Chapters

Children's comprehension and production of locative expressions, 37074
Cognitive processes and mechanisms in language comprehension: The structure building framework, 40148

Deaf to the meaning of words, 2233
Verbal Conditioning [See Verbal Learning]
Verbal Fluency—Serials
acoustic measurements of fundamental frequency & jitter & shimmer in fluent vocalized utterances, stuttering 36–56 mo old males, 14118
amplitude & duration of EMG of lip muscle during perceptually fluent speech, male 19–28 yr old stutterers vs nonstutterers, 26134
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary reply, letter, 14130
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary reply, letter, 14131
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary, 2103
application of neuropsycholinguistic function theory to stuttered vs nonstuttered speech disruptions & fluency, commentary, 2094
articulatory precision & fluency vs standard distributional & frequency criteria method, identification of segmentation strategies & vocabulary growth, preschoolers, 28947
communicative fluency & English grammar & structure, reading, congenitally deaf 16–18 yr olds with deaf vs hearing parents, 34267
comparison of verbal fluency tasks in detection of dementia of Alzheimer's type, 52–89 yr olds, 38268
concurrent validity of Screening Test of Adolescent Language, recent Asian immigrants with limited English & other medical students, 3987
content units & syllable & content unit rate of speech samples, fluent vs nonfluent 23–77 yr olds with mild vs moderate vs severe aphasia, 38229
degree of imposition & schematicity & instruction, primary & face goal request production fluency, college students, 25066
fluency & recollection, word recognition memory, patients with amnesia, 18420
fluent vs nonfluent semantic & perceptual errors in freehand category drawing, 35–60 yr olds with aphasia, 18376
hypnosis, verbal word & design fluency & other neuropsychological left frontal lobe functions, female college students with high vs low hypnotic susceptibility, 44182
letter & semantic category fluency, 50–64 vs 75–91 yr olds, 37229
level of demand of parent's requests & length & complexity of utterance, disfluencies in conversational responses to questions vs assertions, 4–10.6 yr old stutterers & their parents, 18166
mainstreaming vs special education, language & mathematics ability, 13 yr olds in mixed ability vs special classes, 7520
multiple compatible vs incompatible goals, speech onset latency & temporal fluency cognitive process indicators in message production, college students, commentary, 32139
need for achievement, verbal & figural & behavioral fluency & verbal & performance IQ, college students, 11970
normal language development & presence of fluent aphasia, female 3 yr old with left middle cerebral artery infarction, 2 yr study, 18322
performance on National Adult Reading Test, estimation of premorbid or expected verbal fluency, healthy 16–88 yr olds vs neurologically impaired adults, 10347
perseveration in visual search & verbal fluency tasks, 3–7 yr olds, application of developmental & neuropsychological perspectives, 908
precision fluency shaping program, 15.1–46.3 yr old male stutterers, Netherlands, 6 mo followup, 35061
primed fluency vs recollection, word completion, male amnesic patients with Korsakoff's psychosis or encephalitis or anoxia, 18357
rationale & theoretical origins & procedural aspects of semi-intensive fluency therapy, stutterers, 35066
screening measure of verbal fluency & frontal lobe dysfunction, 7–14 yr olds with attention deficit hyperactivity disorder vs depression, 26050
selective attention in verbal fluency & neural network modeling of Wisconsin Card Sorting Test, frontal lobe damaged patients, literature review, 30230
semantic vs letter category, generative naming ability & verbal fluency, elderly patients with idiopathic Parkinson's vs Alzheimer's disease, 46040
sensitivities to visual vs lexical & semantic discrepancies in fluent rereading of familiar texts, college students, Canada, 4319
sex, oral & written orthographic fluency & composition, 1st–3rd graders, implications for assessment of writing disabilities, 17009
speaking rates & RT latencies & interrupting & child speech disfluencies, male 3.3–4.7 yr old stutterers & their mothers, 18162
storage & retrieval capacity, cued vs uncued semantic fluency, patients with Alzheimer's vs Parkinson's vs Huntington's disease, 18397
verbal fluency & regional cerebral glucose metabolism & activity, 21–71 yr olds, 547
verbal fluency, prediction of peer problems, 9–11 yr olds with attention deficit hyperactivity vs learning disorders & school problems, 45804
verbal vs nonverbal fluency deficits, 28–79 yr olds with Parkinson's disease, 34139
word retrieval with pictogramic stimuli, fluent vs nonfluent dysphasic 30–77 yr olds, 41916
Verbal Fluency—Chapters
Implications of research on deaf and hearing children's language learning, 23653
A longitudinal study of the effects of undergraduate training on reasoning, 31331
Verbal Learning [See Also Paired Associate Learning]—Serials
active response error correction during sight word instruction, acquisition & maintenance & generalization of words, 8–9 yr olds with developmental disabilities, 31369
age & demographic characteristics, norms & reliability & validity of new versions & procedures of verbal memory tests, 20–79 yr olds, 4127
attributions & divergent thinking, cognitive strategies in retention of nonsense syllables vs nonrelated words, college students, 24459
classwide peer tutoring procedure, retention & generalization of spelling words, learning disabled vs mildly mentally retarded 8.6–10.3 yr olds, 35441
computer based auditory stimulus control shaping, auditory discrimination learning & responding to spoken words, 20 & 64 yr old severely mentally retarded females, 19609
distractor type, verbal recognition memory performance before vs after anterior temporal lobe resection, patients with left vs right unilateral temporal lobe epilepsy, 26331
easy vs difficult word learning in hypnotic state with vs without learning trials & posthypnotic amnesia suggestion, amnesia, college students, test of output inhibition model, 20350
following child's lead vs recruiting attention in object label instruction, vocabulary learning & loss of interest, mentally retarded 3.3–3.9 yr olds, 27597
joint attention & verb comprehension & learning in impending & completed nonostensive vs ongoing ostensive pragmatic context, 1.1–2 yr olds, followup, 980
knowledge of ability to learn names for & nonlinguistic properties of solid substances, 2.5–3.5 yr olds, 40844
language function, verbal learning & memory, 16 yr olds & older with right vs left temporal lobe epilepsy, 18379
lateralization of verbal memory in paired associate learning & logical memory tasks, patients with left vs right hippocampal sclerosis, Australia, 46091
listening, vocabulary learning, less able reading 6th graders, 3457
melodic vs verbal information learning vs delayed recognition, adults with left vs right temporal lobectomy, Canada, 10403
nicotine, delayed & immediate verbal recall, smokers, comparison of attention vs consolidation hypothesis of nicotine induced memory facilitation, 12908

phonological similarities of subset of class members, acquisition of word classes in artificial language, college students & 9–10.8 yr olds, 28904
presentation rate, individual differences in learning arbitrary sentences, college students, 20331
reading comprehension & text informativeness & context, acquisition of meaning of new words, hearing impaired 9.2–18.6 yr olds from oral vs total communication education background, 18440
reduction of anticonvulsant medication, verbal learning performance, 6–50 yr olds with right vs left temporal lobe epilepsy, 30620
Rey Auditory Verbal Learning Test performance, federal prison inmates with AIDS, 2214
speech rate vs movement time, verbal & spatial span recall prediction, college students, England, 16297
talking computer system & whole word vs syllabic vs subsyllabic vs grapheme-phoneme units, short term learning, 1st–2nd graders with low vs average reading ability, 11437
temporal lobe & other lesion locations, patterns of verbal memory deficits, 17–58 yr olds with traumatic or nontraumatic brain injury, 34160
test retest reliability & task comparability of Complex Figures vs Rey-Auditory Verbal Learning Test, normal 22–67 yr olds, 15878
verbal learning & memory & frontal lobe dysfunction, patients with schizophrenia vs schizoaffective disorder, 45489
verbal learning & memory abilities, patients with major or manic depression vs Huntington's disease vs Alzheimer's disease, 13629
verbal short term memory for serially ordered lists, application of network model of articulatory loop, 4372
whole word vs phonetic prompt error correction & acquisition & maintenance of sight read words, 8–9 yr olds with developmental disabilities, 31368

Verbal Learning [See Also Paired Associate Learning]—Chapters

Establishing spontaneous verbal behavior, 43354

Verbal Meaning [See Also Word Meaning]—Serials

accompanying verbal interpretation, recall & recognition of ambiguous pictorial stimuli, good vs poor visualizers, 44138
caption meaning, recognition & recall of nonsense figures, college students, 20318
direct vs indirect meaning of speech acts, comprehension of utterances, college students, 44797
lexical & semantic processing, sentence plausibility & meaning, college students, 5012
literalness & familiarity & word frequency, reading time of idiom phrases, college students, 32134
paradigmatic & syntagmatic codes for signifying meaning, recall & comprehension, 10 & 12 & 14 yr olds, Australia, 17065
profound verbal creativity & phenomenological presence & temporal lobe function, 18–65 yr olds, 16285
prosodic structure, sentence meaning & recognition, college students, 40126
ratings of familiarity with figurative meaning & likelihood of encountering literal meaning of idioms, college students in Ohio vs New Hampshire vs Illinois, 21119
relevance theory of cognition & communication & interpretation of "no-pas" in Catalan, 36939
role enactment & perspective taking in interpersonal communication & shared reality & creation of meaning of messages, literature review, 17449
semantic processing, incidental detection of verbal anomalies, college students, Scotland, 44057
semantic word choice in right-to-die questions & demographic characteristics, attitudes toward legalization of euthanasia & choice for self vs others, 21–93 yr olds, conference presentation, 31740
sexual preference, interpretation of literary texts, homosexual males, 33186
target detection & sound vs meaning cues, retrieval of intended word, college students, 16351
understanding of speaker's meaning in referential communication, kindergartners vs 2nd vs 4th graders, 28893
verb inflection error, oral reading speed & expectation derived strategic vs automatic processes, college students, 12959

Verbal Reinforcement [See Also Praise]—Serials

self monitoring & corrective verbal feedback & contingent verbal praise, body rocking, congenitally blind male 23 yr old, 38469
verbal reinforcement & monetary reward, conservation oriented harvests vs exploitive strategies in commons dilemma simulation, college students, 41246

Verbal Stimuli—Serials

age & hemispheric laterality, perception of musical & verbal stimuli, normal vs learning disabled 1st–4th graders, 18107
arousal, right ear advantage in dichotic listening to consonant-vowel syllables, female college students, Norway, 4274
audio vs visual headphone vs soundfield presentation of speech stimuli from 4–5 yr olds, judgments of phoneme errors, graduate students, 8248
consistent vs random presentation order & type of auditory verbal yes-no questions, auditory comprehension, aphasic 46–78 yr olds, 6337
cortical area related to verbal vs nonverbal visual EPs, right handed 25–48 yr olds, 16636
diazepam, female 7 yr old with verbal auditory agnosia, Japan, case report, 46685
discriminative vs function altering effects of verbal stimuli, implications for behavior analysis, 39964
examiner related visual cues, WAIS-R Digit Span subtest, college students, 44142
expectation priming & color words vs neutral stimuli manipulation, Stroop effects, college students, Israel, 16200
imagery vs verbal encoding, recall, college students, England, 44152
impairment of serial recall of visually presented lists with irrelevant speech, disruption at memory vs encoding levels & effect of changing state of auditory channel, 16344
pictorial vs verbal interview methods, assessment of knowledge & attitude change following systematic drug education, high risk 3–8 yr olds, 44949
picture labeling vs word priming, word fragment completion test performance, college students, 44121
recall of taxonomically vs schematically organized verbal materials, young adults vs elderly, 25126
retention interval & verbal vs pictorial vs figural stimuli, forgetting rates, healthy adults, 32206
serial recall of lipread vs auditory vs audiovisual memory lists with vs without verbal suffix, recency effect & disruption by suffix, college students, Netherlands, 16335
sex, age associated decline in verbal memory, 17–79 yr olds, 25133
speed of search for singular word in nonword list vs nonword in word list, college students, support for internal noise principle, 4317
tachistoscopic words vs nonwords & familiar vs unfamiliar geometric figures in left vs right visual field, hemispheric processing, stuttering vs nonstuttering 7–15 yr olds, 33995
target letter string above vs below fixation & cue validity & presence of irrelevant stimuli & word frequency & lexical status, spatial attention in lexical decisions, adults, 12234
unexpected color or word in semantic context, N400 EPs component, 20–29 yr olds, Japan, 16625
verbal rehearsal, visual recognition, 1st graders, 28923
verbal vs visual presentation, memory for racial & other social information, 3–4 yr olds, France, 44872
visual &/vs audio vs text modality, evaluation of candidates during presidential debate, college students, 13491
visual vs auditory vs pictorial presentation of words, priming on implicit memory tests of word identification vs stem vs fragment completion vs anagram solution vs free recall, college students, 44163

Verbal Stimuli—Chapters

Visual information processing in a study task using text and pictures, 40032

Verbal Tests—Serials

factor structure & model of WAIS-R & Wechsler Memory Scale-Revised & Auditory Verbal Learning Test score battery, 56–97 yr old patients in Mayo Older Americans Normative Sample, replication, 24183

Verbalization [See Oral Communication]
Verbs—Serials
comprehension & production of object & action names outside sentence context in Chinese, 30–83 yr olds with Broca's vs Wernicke's aphasia, Taiwan, commentary reply, 46039
comprehension & production of object & action names outside sentence context in Chinese, 30–83 yr olds with Broca's vs Wernicke's aphasia, Taiwan, commentary, 46109
comprehension & production of object & action names outside sentence context in Chinese, 30–83 yr olds with Broca's vs Wernicke's aphasia, Taiwan, erratum, 14278
constraints on dissociation & plasticity in connectionist model of past tense learning of regular vs irregular English verbs following brain injury, 39647
converse part-instance association in categorization of activity verbs, college students, Belgium, 40132
cue & target association during encoding, verb vs noun cued recall, college students, Germany, 40178
developmental shift from frame to verb compliance in grammatical vs ungrammatical sentence interpretation, 5 vs 7 vs 9 vs 10 vs 12 yr olds, 32887
distractor cohyponyms vs target hyponyms, lexical access & retrieval of verbs in speaking during action naming tasks, adults, Netherlands, test of A. Roelofs' nondecompositional theory, 32224
human vs simulated generalization of regular & irregular morphological inflection patterns from existing to novel verbs, adults, 28841
interpretation of verb forms in & parameters & classification of conditionality in English, 44781
joint attention & verb comprehension & learning in impending & completed nonostensive vs ongoing ostensive pragmatic context, 1.1–2 yr olds, followup, 980
knowledge of inflectional morphology of Spanish verbal paradigm, 7.7–11.5 yr olds vs adults, Puerto Rico, 32785
L. Karttunen's & Z. Vendler's thesis of conveyance of truth with verb "tell", commentary, 36950
lexical & notional & morphological contributions to verb number agreement processing, college students, 28835
Macintosh version of Computer Assisted Language Analysis System, categorization & proportioning of verb types in spoken text, conference presentation, 9046
personal photographs in training, development of verb usage in response to figural stimuli, moderately mentally retarded 10–11 yr old students, 23621
positive negative asymmetry in normative samples of traits & nouns & verbs, Ss, 9071
preference choices for verb types & their complements, sentence processing, college students, 28847
reassessment of past conditional verb form & late grammatical development & role of semantics, 4–8 yr olds, France, 28902
speaker intention & lexical memory of performative verbs in commitment statements, college students, 25058
syntactically compatible vs incompatible verbs in sentences, conceptual vs verbatim regeneration in short term recall, college students, 24465
use of experiencer stimulus vs stimulus experiencer verbs in naming interpersonal experiences, duration & latency of experiences, 20–37 yr olds, 29345
verb lexicon size & discourse condition of undergoer accessibility vs omission, acquisition of meaning of transitive verb "to eat", 1 yr olds, 2 yr study, 9188
verb lexicons, language impaired vs normal preschool age children, 38077
verb lexicons, preschool age males with language impairments, 38076
verb specific syntactic subcategorization constraints, complementizer effect in sentence processing & complementizer naming & reading time & eye movements, college students, 32171
Verbs—Chapters
Critical influences on the acquisition of verb transitivity, 37080
The inferential properties of interpersonal verbs, 1398
Verdict Determination [See Adjudication]
Vergence Movements [See Eye Convergence]
Verification (of Theories) [See Theory Verification]
Vernier Acuity [See Visual Acuity]
Vertigo—Serials
audiologic & caloric & vestibulo-ocular reflex activity testing, 28–55 yr olds with panic disorder with prominent dizziness, 29739
development of self report Vertigo Symptom Scale, assessment of severity & anxiety & depression & handicap, 18–80 yr olds with vertigo, 15990
dyscalculia & visual error recognition, adult patients with vertigo, 30265
transient global amnesia & vertigo episodes, 46 yr old male with transient cerebral ischemia, case report, 18324
Vestibular Apparatus—Serials
ACTH positive neurons in vestibular ganglion, juvenile & adult pigeons, 36516
audiologic & caloric & vestibulo-ocular reflex activity testing, 28–55 yr olds with panic disorder with prominent dizziness, 29739
binocular telescopic spectacle enhanced visual stimulation, visual vestibular interaction during sinusoidal head rotation, volunteers, 28611
brain stem commissural incision, short term vestibulo-ocular adaptation, cats, 28493
dynamic visual acuity test, assessment of visual vestibular interaction, 24 yr old male naval aviator with loss of spatial awareness due to defective vestibulo ocular equilibrium reflex, 6427
electrical stimulation of vestibular labyrinth, vestibuloocular reflex pathway expression of motor learning, male monkeys, 619
fixation distance & convergence condition & fast adaptation to lenses, compensatory eye movements & gain of vestibulo-ocular reflex during head rotation, 18–21 yr olds, 4674
horizontal head & trunk rotation in dark environment, self motion perception, 18–30 yr olds with vestibular function loss, conference presentation, 30259
lateral dominance compensation, symmetry of primary & secondary optokinetic afternystagmus, 15–65 yr olds with vestibular neuritis, 3 & 12 mo followups, 30257
linear vestibular stimulation, body rocking behavior, institutionalized profoundly mentally retarded adults, 9 wk followup, 14750
model of clinical relationship between anxiety & vestibular disorders incorporating overlaps in panic disorder & phobic avoidance, 17647
otolithic function presurgery vs postsurgery, patients with unilateral vestibular neurectomy, conference presentation, 26878
peripheral lesion of labyrinth, caloric & nystagmal response, adults with vestibular neuritis or surgically removed acoustic neuroma, comparison with primate data, 30184
remembered saccades procedure, assessment of perceived neck rotation, male 57 yr old with absent vestibular function vs healthy 30–68 yr olds, 36640
smooth pursuit & vestibuloocular reflex, horizontal combined head & eye visual tracking, male 24–42 yr olds, test of superposition theory, 20215
spatiotemporal response properties to linear head acceleration in vestibular neurons, decerebrated rats, 44385
subanesthetic nitrous oxide narcosis, voluntary nonvisual suppression of vestibulo ocular reflex gain, 23–34 yr olds, 4888
vestibular system response to vibrational phenomena in music, commentary, 32050
Vestibular Apparatus—Books
Sensing and controlling motion: Vestibular and sensorimotor function. Annals of the New York Academy of Sciences, Vol. 656, 16664
Vestibular Apparatus—Chapters
Computer-assisted three-dimensional reconstruction and simulations of vestibular macular neural connectivities, 19868
Cortical control of vestibular memory-guided saccades, 18432
Effect of head orientation and position on vestibuloocular reflex adaptation, 16159

Spatial orientation of the vestibular system, 16154
What is motion sickness?, 16160
Vestibular Nystagmus [See Nystagmus]
Vestibular Stimulation [See Somesthetic Stimulation]
Veterans (Military) [See Military Veterans]
Veterinary Medicine—Serials
balance of animal & human interests in facing ethical issues, veterinarians, 31187
Vibration—Serials
amplitude modulation frequency of vibration, amplitude & latency of steady state somatosensory EPs, 18–28 yr olds, 8727
development of Music Vibration Table, vibrotactile music stimulation & pain relief, patients with ankle vs muscle & joint vs osteoarthritis pain, 18813
duration of whole body vibration, continuous manual control in pursuit tracking task, male 17–28 yr olds, England, human factors implications, 39597
extraversion vs neuroticism vs psychoticism, perceived illusory kinesthetic movement sensations induced by tendinous vibratory stimulation, 19–44 yr olds, France, 16174
mechanical vibration, haptic perception of object distance, college students, 24283
quiet sleep duration, behavioral sensitivity to single vibroacoustic stimulus, 37–41 week old fetuses, 40814
vibroacoustic stimulation, maturation of heart rate acceleration & movement responses, 23–36 wk old fetuses, Canada, 12995
vibroacoustic stimulus, heart rate & movement, fetuses at risk for preterm birth assessed at 23–36 wks gestational age, conference presentation, 6234
vibrotactile stimuli via SOMATRON device, identification of pitch change, hearing impaired 8–11 yr olds, 38333
whole body vibration stimulation, aversive response in passive avoidance paradigm, domestic fowl, implications for welfare in transportation, 44220
Vibration—Chapters
Different stressors and blood lipid peroxidation, 8828
Vibration, 8176
Vibrotactile Thresholds—Serials
adaptation & stimulus amplitude, vibrotactile amplitude discrimination & detection thresholds, 20–44 yr olds, 36061
crossed & uncrossed hand posture & overt attention & external cues, vibrotactile choice RT, 40–70 yr olds with Parkinson's disease, 30165
menstrual phase, vibrotactile perception thresholds in genital region, female 27–44 yr olds, implications for sexual function, 24282
stimulus duration & intensity, lingual vibrotactile threshold shift recovery times, adults, 39972
tactile threshold shifts during magnitude estimation scaling of vibratory stimuli on dorsal surface of tongue, 5–9 yr olds with vs without articulation problems, 10193
vestibular system response to vibrational phenomena in music, commentary, 32050
vibrator probe contractor position, lingual vibrotactile thresholds of sensitivity, 18–26 yr olds, 43939
Vicarious Experiences—Serials
doctor & child facial affect in videotape of routine medical examination, autonomic reactions & information processing errors, 5–10 yr olds, 854
in vivo &/vs vicarious exposure therapy, water phobic 3–8 yr olds, Australia, 3 mo followup, 22585
role of vicarious victimization in sexual dysfunction & sex therapy, marital partners of adult victims of childhood sexual abuse, England, case report, 38346
Vicarious Reinforcement [See Vicarious Experiences]
Victimization—Serials
age & sex & race/ethnicity, homicide victimization rate, 0–14 yr olds, 37998
alcohol & drug & mental problems & victimization & traumatic injuries, homeless adults, 9729
assessment of bullying prevalence in middle & secondary school, 8–11 yr olds, UK, 31363
barriers to & facilitation of victim participation in criminal justice procedures, female domestic violence vs other violent crime victims, 39672
breaches of protection orders made by family or district court of criminal justice system, female victims of domestic violence, New Zealand, 43644

PTSD & other psychological reactions & factors affecting recovery, adult female rape victims, literature review, 37993
public health framework for research on & interventions for assaultive violence & victimization, African American male adolescents, 22995
Rogerian approach to communication & counseling, 3rd grade victims of bullying incidents & their teacher, 23670
severity of situation & target response & sex, perceptions of & responses to sexual harrassment, male vs female college students, application of social exchange theory, 9934
sex, incidence & characteristics of abuse & offenders, college students with childhood vs adolescent or adult sexual abuse, 37875
sex role attitudes & victim's use of physical resistance, perceptions of rape victim's responsibility, female college students, 13897
sexual assault & aggression victimization 18–46 yr old female college students, Canada, 41668
sexual attitudes & knowledge & experience & prior sexual abuse, prediction of sex offenses, college students, 6114
sexual behavior, sexually abused children, literature review, 33753
social structural risk factors & rates of homicide victimization, males vs females, US cities, 45789
sociodemographic variables & perceptions of violence & control & previous experience, fear of victimization, 14–68 yr olds, Mexico, 41776
stranger vs acquaintance rape & rape location & victim's attributions, reactions to rape victim, male vs female college students, 29759
symptomatology & outcomes, sexually abused children, literature review, 17922
tentative profile of obscene telephone callers, victims & 19–46 yr old male perpetrators calling in to telephone help line, UK, 29812
treatment considerations & symptom identification & facilitation of disclosure & recovery & successful resolution of memories of child sexual abuse survivors, counselors, 1850
type of sexual harassment & victim's sex & marital status & response, perceived appropriateness of response & attribution of blame, male vs female college students, India, 25921
unresolved childhood sexual abuse, chronic depression & revictimization & dementia or mental illness misdiagnosis, female 66 & 79 & 81 yr olds, 1803
vampire metaphor in therapeutic conceptualization of cycle of childhood abuse, 45622
victim to patient process in damage to self & psychological traumas & disorders, female victims of sexual assault or abuse or wife assault, 17936
victim's resistance, judgment of consensuality in rape, adults, 45682
victim's services program with combined advocacy & research & direct services & community education, victims of assault or other violence, 14958
violence & illegal drug usage & victimization, 8th & 10th graders, 17923
vulnerability to & impact of & assistance needs in & recovery from sexual assault victimization, disabled, 41392

Victimization—Books

Intimate violence: Interdisciplinary perspectives, 9976
Torture and its consequences: Current treatment approaches, 25943
Towards a critical victimology, 11843
Violence against women: The bloody footprints. A gender & society reader, 37905

Victimization—Chapters

Bully/victim problems among schoolchildren: Long-term consequences and an effective intervention program, 39326
Bullying among schoolchildren: Intervention and prevention, 17980

Bullying: Pupil relationships, 23592
Criminal behavior and victimization among homeless people, 1987
From Hiroshima to the Nazi doctors: The evolution of psychoformative approaches to understanding traumatic stress syndromes, 45591
Hate crimes against lesbians and gay men: Issues for research and policy, 26040
Interpersonal violence and traumatic stress reactions, 33821
Male victims of sexual assault—Legal issues, 15833
The physical sequelae of torture, 25963
Psycho-social consequences of torture: Current knowledge and evidence, 25966
Victimization among schoolchildren: Intervention and prevention, 3527
Victimization by peers: Antecedents and long-term outcomes, 29096
Violence among intimates: Major issues and approaches, 9998
Women in the maze of power and rage, 42394
Video Display Terminals [See Video Display Units]
Video Display Units—Serials
angle of hard copy adjacent vs orthogonal to VDT screen & text highlighting, text editing & text & background screen reversal, experienced vs naive computer users, 39592
array shape & characteristics & presentation of status information, eye movements & visual search in computer visual display unit tasks, Ss, 47519
color CRT display, pupil size, color blind male 18–25 yr olds, Japan, 18451
continuous vs 15 min spells of VDT work, visual acuity & refraction & oculomotor functions in myopia & fatigue, 20–22 yr olds, 22446
dichoptic nonius targets on CRT, psychological assessment of temporal variability of fixation disparity & accommodation, 19–39 yr olds, 16649
frequency specific spatial adaptation & contrast sensitivity to lower case text on video display terminal, adults, 4672
health impact & prevention of vision problems associated with VDTs, male newspaper staff members, Japan, 19757
identification of best examples of common colors viewed on electronic visual display, 20–47 yr olds, ergonomic design implications, 43977
moving icon signal on computer screen, typing task interruption & RT to signal, adults, 23834
outcomes & processes in reading from paper vs screen displays & medium usability, literature review, 3823
physical exercises, musculoskeletal discomfort prevention in workplace, VDT workers, 23795
picture image processing & video display usage, same vs different concept learning task, male rhesus monkeys, 4443
premenstrual vs menstrual vs postmenstrual phase, VDT based task performance & cognitive indices & subjective ratings of psychological & physiological correlates, 19–26 yr old females, 28624
repetitive data entry vs learning task on VDT, psychological & physiological stress, male college students, ergonomic implications, 39596
risk of computer visual display terminal induced myopia, children, 35662
spatial frequency & 2 vs 4 hr visual display unit work, contrast adaptation & visual fatigue & related symptoms, college students, 27807
Turbo Pascal unit providing standard tachistoscopic routines & millisecond timing compatible with video monitors & microcomputers, conference presentation, 8153
VDT vs hard copy, urinary catecholamines & work speed, college students, 47450
VDT work content vs distribution vs specialization, psychosocial & musculoskeletal & vision complaint risk, VDT operators, implications for development of common taxonomic assessment of VDT work, 19758
VDU text editing & contrast adaptation time course, male 25 & 29 yr olds, implications for VDU induced fatigue, 35658
VDU vs keypunch to VDU usage, job satisfaction, 19 & 54 yr old mail service industry workers, questionnaire appended, 35571
Video Display Units—Chapters
Display properties and eye-movement control, 40020
Motion nulling techniques and infant color vision, 17128
Visual display units, 11630
Video Games [See Computer Games]
Videotape Instruction—Serials
fire safety & exiting training using video prompting, moderately intellectually handicapped 21–35 yr olds living independently, New Zealand, 14574
golf videotape, mental practice via observational learning, 20–27 yr old introductory golf students, 3752
Jasper Woodbury problem solving series, attitudes & motivation & learning to think & reason about complex problems, elementary school students, application of constructivist theories, 19467
video technology, feedback in communication courses, students, 7426
videotape instruction & feedback, mothering behaviors, 13–20 yr old mothers, 1-2 mo followup, 18671
videotaped native speakers vs traditional instruction, listening comprehension & vocabulary & grammar learning, foreign language college students, 27462
Videotape Recorders—Serials
length of ownership, VCR attitudes & behaviors, VCR owners, 7737
PROCODER software system, tape control & coding & analysis system for behavioral research using videotapes, 43918
Videotapes—Serials
attitudes toward advertisements on videocassettes, 19–60 yr olds & older, 31657
cable & videocassette recorder penetration, network TV audiences & revenue shares, 1980–90, 28853
characteristics of career information videotapes, responses & number of visual & verbal memories, 9th–12th graders, Canada, 39398
maprotiline, video rating of affective & cognitive & global impression, 48–96 yr olds with dementia & mild depression, Austria, 42593
music video with erotic vs romantic theme, premarital & other sexual attitudes, college students, 37380
network therapy with videotaped disclosures, adult survivors of child abuse, 2467
photographic slides & videotapes as medium for simulation of service setting, test of consumer congestion on service experience, adults viewing tapes vs actual purchasers, 7731
point of view of videotaped criminal confession, judgment of voluntariness, college students, 23933
standard counseling with interactive video vs stress prevention training, adults tested for HIV, 38668
supervision-of-supervision videotapes, training & supervision, clinical trainees, 7321
training in critical TV viewing skills vs video production, program content analysis, gifted 5th–8th graders, 27601
use of audio & videotape recordings of therapy sessions in supervision & practice of dynamic psychotherapy, 2572
use of introductory videotape in cognitive behavioral therapy, depressed inpatients, 38458
video recording of client behavior as counseling tool, child & adult & elderly clients, 34311
video resume program, job search & communication skills, deaf college students, 22439
videotape in hospital admitting room, anxiety & concerns about hospitalization, hospitalized patients, 15041
videotape self modeling, modification of fidgeting & distractibility & vocalization & math performance, male 9–10 yr olds with attention deficit hyperactivity disorder, 22561
videotaped deposition vs in court testimony in child sexual abuse case, thoughts & perceptions & evaluation of defendant, 17–33 yr old mock jurors, 43650
videotaped group psychotherapy teaching materials with focus on Y. Agazarian's system centered therapy & short term loss therapy, 31087
videotaped presentation of mnemonic imagery training, list learning & name & location recall & generalization, middle aged & older adults, 8371
videotapes of own illness, psychotic 27 yr old male with hallucinations & delusions, letter, 17796

Videotapes—Chapters
Videotechnology and the child witness, 7878
Vietnam—Serials
risk factors, psychological distress, Vietnamese Amerasian 15–28 yr old refugees awaiting US placement, Vietnam, 9398
Vigilance—Serials
age & subjective work load & stimulus event rate, sensory vs cognitive vigilance, 18–85 yr olds, 24484
aging, vigilance & choice & other behaviors following cocaine administration, 6–36 mo old male rats, 4808
alertness & sleep during military service, male conscripts, Finland, 27756
amphetamine vs methylphenidate vs caffeine vs nicotine, vigilance, literature review, 40603
beta carboline ZK 91 296 vs chlordiazepoxide vs midazolam with vs without Ro 15-1788, behavioral vigilance & attention & RT, male rats, 24874
body activity & visual orientation during vigilance task, hyperactive 9.2–11.8 yr olds, 14150
body size & vigilance & habitat, grooming behavior, antelopes, 20424
caffeine vs diphenhydramine, auditory EPs during visual vigilance, male 19–28 yr olds, 44731
coherence of fluctuations & alertness in auditory detection performance & EEG spectrum changes, adult males, 28587
continuous positive airway pressure, neuropsychological deficits & daytime somnolence & vigilance impairment, male 35–65 yr olds with obstructive sleep apnea syndrome, Canada, 6 mo followup, 34709
coping ability & cortisol reactivity during vigilance task & cognitive performance, patients with mild head injury with vs without postconcussion symptoms, Netherlands, 2242
E presence vs absence & time of task administration, performance on vigilance task, 6.4–12.9 yr olds with attention deficit hyperactivity disorder, 18087
fipexide, CNS stimulation & vigilance & EEG, 59–75 yr old females, 4852
frequency of daydreams, sustained attention during visual vigilance task, Type A vs Type B college students, 17564
group size, vigilance during & duration of drinking bouts, coati, 24569
hypnotic susceptibility & state & endogenous eyeblink during auditory vigilance task, college students, 40500
illumination, nocturnal serum melatonin & vigilance & RT & other task performance, 19–39 yr old males, 28612
introversion/extraversion, vigilance & sustained attention, meta analysis, 5612
lesions of nucleus medialis dorsalis of thalamus, vigilance & attentive behavior & electrocorticographic patterns, cats, 24754
low vs high achievement in abacus learning, simple vs complex auditory vigilance performance, male vs female 5th–6th graders, Japan, 37036
Multiple Vigilance vs Multiple Sleep Latency Test vs Stanford Sleepiness Scale ratings, assessment of daytime sleepiness & other sleep disorders, patients with sleep apnea, conference presentation, 41954
neurobiology & neuroanatomic substrate of vigilance, right hemisphere involvement in attention deficit hyperactivity disorder & other incidences of hypovigilance, 28563
plasma cortisol & RT & attention in vigilance task, females with anorexia or bulimia nervosa, 29984
practice & chlordiazepoxide vs beta carboline ZK 9346 vs scopolamine, simple vs choice RT & vigilance, 4 vs 12 vs 18 mo old rats, animal model of attentional abilities, 24944
predator abundance & brood size, parental vigilance, barnacle goslings & geese, 40285
psychological sex type, small group decision making effectiveness assessed by vigilant communicative behavior, college students, 5500
reliability of Preschool Vigilance Task & Continuous Performance Task, assessment of attentional differences, hyperactive 4–6 yr olds, 12005
sensing & decision making components of signal regularity effect in simultaneous vs successive vigilance performance, college students, application of signal detection theory, 4405
sensory vs symbolic stimuli in simultaneous vs successive discrimination, attentional resources & cognitive components of attention in vigilance, college students, human factors implications, 36263
sleep deprivation, vigilance, introverted vs extraverted 22–33 yr olds, translated article, 36654
stimulus complexity, phasic alertness & information processing speed in selective & sustained attention, 16–45 yr olds with severe closed head injuries, Australia, 14336
tianeptine, vigilance & memory, healthy adults, 782
time, EPs & vigilance performance in visual discrimination task, 18–25 yr old males, 12605
time of day, recall of words & drawings with vs without interfering interpolated task, male chemical plant shift workers, France, 27730
vigilance performance on Continuous Performance Test & Span of Apprehension Test, patients with schizophrenia vs affective disturbances, Norway, 13675
Vigilance—Chapters
Attention and memory for threat in anxiety, 33371
Coping dispositions, attentional direction, and anxiety states, 33365
Strategies in blood pressure estimation: The role of vigilance, cognitive avoidance, and gender, 32056
Vigilance, 8375
Violence [See Also Family Violence]—Serials
abnormal cerebral lateralization assessed with finger tapping & overt aggressive behavior, violent male 19–58 yr old psychiatric patients in maximum security hospital, 41404
age & geographic pattern of rape, patterns of fear of violence, male vs female Christchurch residents under 25 to over 60 yrs old, New Zealand, 6120
age & sex, rate of violent homicide vs robbery vs aggravated assault vs burglary in New York City, Black vs Hispanic vs White under 15 to over 40 yr olds, 1987–90, 33908
aggression & violence, Aboriginal males vs females, Australia, 5978
aggressive & violent behavior, humans & animals, 1992, bibliography, 17887
aggressiveness vs violence, adolescents, implications for primary prevention, conference presentation, 5158
antecedents & progress of research on nature & extent & consequences of exposure to violence, children, 37889
anxiety & depressed mood & anger & impulsivity, violent vs nonviolent 18–64 yr old psychiatric inpatients with vs without suicide attempts, 29757
attitudes & parental role, viewing of TV violence & aggression, adolescents & their parents, 21272
attitudes toward interpersonal violence & aggression against women & depression, male sexual offenders vs batterers vs violent vs normal males, 18060
biographical accounts of organizational processes & subjective realities in escalation of violent political conflicts, New Left vs Neo-Fascist activists, 1960s–80s, Italy, 29270
blue vs white collar employment, violence toward spouse vs nonfamily victim, male adults, 17920
borderline & schizotypal personality features, male murderers vs violent vs nonviolent offenders, England, 33906
Buddhist responses to violence & war & resources for socially engaged spirituality, 9361
California Psychological Inventory assessment, maritally violent males, 1805
Capgras syndrome with violence after heavy drinking, male 30 & 34 yr olds, 41755
carbamazepine, episodic violence, female 17 yr old with multiple personality disorder & 32 yr old with dissociative disorder not otherwise specified, case reports, 22700
changes in attitudes & feelings concerning position in life & experience, 20–48 yr old victims of political torture & organized violence, England, 29776
characteristics of serial murderers & violence as part of behavioral spectrum & legal standards for insanity, analysis of J. Dahmer's behavior, 10089

clinical & demographic characteristics, 18–45 yr old psychiatric patients with repetitively assaultive behavior, 17679
coercive interactional style & other antecedents, prediction of violence & aggression, 18–87 yr old psychiatric patients, 21717
contextual elements of physical violence within couple relationship, batterers & victims, 41695
conventional vs delinquent activity involvement & lifestyle, risk of violent vs robbery victimization, adolescents, implications for prevention, 18066
convergent validity of self reports & arrests, assessment of violent offending, juvenile delinquents, 37986
convictions for violent &/vs nonviolent offenses, male mentally disordered inmates with vs without co-occurring antisocial personality disorder, Canada, 41774
countertransference & ethical issues in psychotherapy, victims of massive violence with PTSD, 22507
CSF 5-HIAA, early onset alcoholism with impulsive violent behavior & hypoglycemia, male criminal offenders, conference presentation, 18069
cultural & economic patterns in development of violence & strategies for change, New Zealand, 41696
cultural & religious perspectives on nature & categories of abuse & violence, wives & other females, conference presentation, 37876
culture of violence & impact on early development & morality, children, US, 37871
dating violence, 13–19 yr olds from abusive vs nonabusive households, 1853
debate regarding assignment to special hospital vs long term prisons, violent adults with psychopathic disorder, UK, 19281
demographic & psychosocial risk variables & types of violent behavior, 11th–12th graders, 29815
denigrating statements about victim during group psychotherapy, male violent vs seductive sex offenders, 39059
description of legal & extralegal violence & pain in capital trials, Black male tried for murder of White female, 43649
development & factor structure of Severity of Violence Against Women Scale, 17–75 yr old females, 92
development & psychometrics of Violence Scale, measurement of aggressive & violent behavior, hospitalized psychiatric patients, 35903
development of preventive action program with emphasis on health education & health care, infants & young children at risk for violence & their families, Brazil, conference presentation, 46761
development of typology based on relationship characteristics, college students who expressed violence toward exclusive dating partner, 17954
developmental changes in empathy & perspective taking, aggressive behavior, 4 yr olds from violent vs nonviolent homes, Canada, 9279
developmental significance of violence related trauma & danger in lives of young children, conference presentation, 44959
discussion of violence in psychiatric evaluations, recently violent psychiatric patients, 5755
drinking patterns & alcohol related problems, emergency room patients with vs without violence related injuries, conference presentation, 30021
duration of drinking, violent behavior, hospitalized alcoholic male 20–50 yr olds, 18019
early sexual experiences & adult violent criminal outcome, sexually assaultive male adolescents, 8 yr followup, 22049
early strategies & responses, increase in violence & forms & severity of physical & emotional abuse, 19–64 yr old females in short vs long term abusive relationship vs out of relationship, 17908
ecological/transactional model of developmental consequences of community violence & maltreatment, children, 37865
effect of community violence on development & influence of mass media on prosocial vs violent behavior, children, 37878
effects of living with violence, families living in slums, 25893
effects of sexual abuse as model for impact of chronic trauma, children, implications for study of effects of community violence, 37896
environmental stress & developmental issues & cultural identity & physical & mental health problems, interpersonal violence, urban Black youth, 6031
evaluation of & drug & seclusion & restraint & other management methods for violence, mentally abnormal offenders, 11215
evaluation of secondary school primary prevention program, knowledge & attitudes & behavioral intentions regarding wife assault & dating violence, 9th–13th graders, Canada, 19641
experience of & attitudes toward assault by patients, psychiatric hospital nurses, 31144
Experience Sampling Method, assessment of temporal & interpersonal & ecological contexts of anger, hospitalized male 22–38 yr old violent forensic patients, 9769
exposure to & handling of bodies after violent death, perceived stressors & coping strategies, experienced & inexperienced disaster & military personnel, 35204
exposure to & participation in violent acts, inner city predominantly Black 14–23 yr olds, 44981
exposure to community & intrafamily violence & stress symptoms & behavior problems, Black 9–12 yr olds in violent city area, 37894
exposure to violence & incidence of depression, low income African American 7–18 yr olds, 37686
exposure to violence as witness vs victim vs perpetrator, inner city elementary to high school students & medical vs psychiatric outpatients, 37853
exposure to violence, distress symptoms & depression, 6–10 yr olds in moderately violent inner city community, 37891
factors in & prevalence of crime & violence, schizophrenic patients & prisoners, 10093
family & neighborhood & other programatic interventions, rage & distrust & hopelessness, children chronically exposed to violence & poverty, 23054
family characteristics & exposure to violence as victim vs witness, 6–10 yr olds in moderately violent inner city community, 37897
family resemblance in disgust & violence sensitivity & animal phobias, 12–28 yr olds & their 35–63 yr old parents, 21862
fatal vs nonfatal interpersonal violence related injuries, urban African American neonates to over 85 yr olds, 17966
fluoxetine, development of aggressive or violent behavior, psychiatric patients, 26743
frequency & salience of aggression & violence in TV programing, Finland, 36956
frequency & severity of & preventive training for hospital violence, nurses at public vs private general vs public psychiatric hospitals, 15266
GABA-B binding site in frontal cortex, postmortem brains of 22–74 yr old violent vs nonviolent suicide victims with vs without depressive symptoms, Sweden, 25890
gender equality & legitimization of violence & social disorganization, homicide & suicide rates, 1980, 13247
geographic region & cultural & structural effects & aggregation level, homicide & other violent crime rates in Southern states, 1960–80, 10107
husband vs nonspouse perpetrator in rape vs aggravated assault, psychological distress, female crime victims, 13895
impact of interpersonal school violence, students & school personnel, implications for preventive strategies, 31345
implementation & evaluation of educational community based violence prevention project, urban 10–19 yr olds, 23056
incidence of trauma & PTSD, clinical vs nonclinical staff at private psychiatric facility vs state psychiatric hospital who were victims of patient violence, 7139
incidents of violent vs nonviolent prison misconduct, mentally retarded male prison inmates, 23316
increased doctor patient contact, frequency of violent episodes, chronic psychiatric inpatients, 1 yr study, 42862
issues in & benefits & drawbacks of measurement of patient violence & dangerousness, 37601

issues in & guidelines for legal action & prosecution, assaultive 31 yr old male psychiatric patient, 15825
legislation regulating acquisition of firearms, rate of violent crime & suicide & accidental death, 1977, Canada, commentary, 25910
legislation regulating acquisition of firearms, rate of violent crime & suicide & accidental death, 1977, Canada, commentary reply, 25923
lifetime psychiatric diagnoses & violent & other antecedent behaviors, male spouse batterers, 17903
market size & preference for neutral vs participant journalism, consonance in depiction of violence in TV newscast, self labeled objective vs interpretive TV news directors & producers, 25077
mental or physical stress or violence, production & amplification of sexual arousal & orgasm & reproduction, humans & plants & animals, 25913
military build-ups & associated violence in best selling novels, 1933–84, US, 44760
mortality from suicide vs homicide vs motor vehicle vs other accidents or violence, English vs American vs Scottish vs Italian immigrants, Canada, 1563
nature & foundation & ethical & legal consequences of expert testimony predictive of future violent behavior of clients, mental health personnel, 15823
nature of & anxiety associated with activity & number of officers & civilian bystanders present, violence encountered on patrol, police officers, Australia, 31778
negotiation process & political violence during transition from apartheid to democratic majority rule, South Africa, 33145
neuropsychological & clinical correlates of extreme violence or murder, male 17–25 vs 30–67 yr old forenic psychiatric inpatients, 1848
neuropsychological disturbances & violence, forensic implications, 2279
neuropsychological factors in violent crime, offenders, 10117
nuclear weapons & warfare costs & violence ethic & military approach to conflict resolution, implications for nonviolent peacemaking, 9360
objectification of females & violence & social control & sociocultural factors, adult female victims of wife abuse, Appalachia, 33755
objectives of APA commission on psychosocial consequences of violence, youth, 21918
parental loss & early childhood abandonment, emotional & personality development & violent criminal acts, adult offenders, treatment implications, 18067
parental violence & self esteem & defense mechanisms & psychotic symptomatology, intergenerational transmission of violent behavior, violent vs nonviolent 12–18 yr old males, Canada, 6029
past experiences of violence & aggressive behaviors, Black vs White male vs female college students, 1361
perceptions of seriousness of patient violence & aggression toward self or others or property, 23–53 yr old psychiatric nurses vs student nurses, conference presentation, 47069
perinatal health & complications & other factors, violent & aggressive behavior & antisocial personality in later life, high vs low risk criminal vs noncriminal male children, 14012
phases of S recruitment & selection for study of episodic violence, male 18–62 yr olds, 32030
potential for dangerous behavior & violence toward child victims, psychotic adults with Capgras or other delusional misidentification syndromes directed toward children, 13805
predictability of violent behavior & dangerousness, mentally ill, commentary reply, letter, 13671
predictability of violent behavior & dangerousness, mentally ill, commentary, letter, 13668
pregnancy complications, 19–40 yr old females in sociopolitically violent neighborhoods, Chile, 14209
prevalence & characteristics of violent experiences & morbid thoughts of death or injury, depressive symptomatology, urban 6–12 yr olds, 33586
prevalence & correlates of physical & verbal dating violence, male vs female college students, Canada, 29798
prevalence & severity of personality disorder & history of aggression & assaultive behavior & impulsive violence, 13–19 yr old suicide attempters, 21906
prevalence of exposure to community violence & sociodemographic characteristics, prediction of PTSD symptoms, low income African American 7–18 yr olds in 8 city communities, 33673
priming with aggressive concepts, attraction & selective exposure to media violence, male college students, 5023
prior arrest history, risk for committing violent crime, adult males with primary diagnosis of schizophrenia vs substance abuse vs other disorder, 14008
psychiatric impairment & distress & PTSD after violent assault, bus drivers, England, 18 mo followup, 13655
psychiatric morbidity, survivors of torture & other organized state violence, 25928
psychiatric treatment, violent patients, 2404
psychohistorical perspective on intentional violence & dangerousness, political leaders, 21395
psychopathy & other criminal & clinical variables, prediction of general & violent criminal recidivism, schizophrenic vs nonschizophrenic offenders, 14023
psychosocial model of crowd behavior & sports fan violence, 19772
public health framework for research on & interventions for assaultive violence & victimization, African American male adolescents, 22995
public order guidelines based on community psychology tenets, intervention for reduction of chronic violence at motorcycle event, Australia, 11882
public perceptions of link between mental disorder & violent behavior, Western & nonWestern cultures, implications for legal concept of dangerousness, 1612
public school based psychosocial intervention based on friendship pairing, prevention of fighting & violence, severely emotionally disturbed adolescents & at risk students, 27592
ratings of fear of high vs low predatory vs revulsive animals before vs after exposure to violent vs revulsive video stimuli, college students, 21561
recruitment of nonviolent males as control subjects in marital violence research, 209
regional differences in violence, US, 33782
role of substance & alcohol abuse in violent & criminal behavior, 10085
roles & responsibilities of Victims Task Force, victims of crime &/or violence, New Zealand, 42739
route of cocaine administration & violence, cocaine addicted 19–31 yr olds, 33844
routine activities & subculture of violence & choice in response to victimization, 14–29 yr old members of delinquent street group, Canada, 26030
self & other directed aggressive behavior, 19–58 yr old male violent forensic patients, 14010
self rejection & avoidance vs attack coping style, drug use vs violence vs theft, 7th graders, 21928
serotonergic sequelae of low cholesterol & risk for violent death, multiple national cohorts, implications for cholesterol lowering drug therapy, 41667
serum cholesterol levels, crimes of violence, male forensic hospital patients, 29917
SES & TV violence vs family situation comedy, aggressive behavior, 6th–7th grade Black males, 5218
severity & violence of abuse & trigenerational patterns, sexually abusive grandparents vs stepgrandparents & their grandchildren, 9944
sex & age, risk of violent death, 1950–86, Canada, 5714
sex hormone levels & body dimensions & alcohol consumption & acculturation, adult Kung San males with history of violent vs nonviolent physical aggression, Namibia, 649
sex role & violence attitudes & romantic jealousy & received vs expressed interpersonal physical & verbal aggression, prediction of expressed dating violence, female vs male college students, 45621
sexual violence & problems in context of organized violence in country of origin, refugees & asylum seekers, implications for health care, 1858

sexual violence as aspect of torture, male refugees, Europe, 29816
shame & role in genesis of violent behavior & treatment with group psychotherapy, male batterers, 30403
situational & management factors in high vs low risk licensed public drinking clubs & pubs, violence, patrons, Australia, 10015
social dominance orientation, political conservatism & belief in racial superiority & support of Persian Gulf War & approval of police actions in R. King incident, adults, 29158
social environmental & other controls of aggression & violence, rats & other animals vs children & assaultive adults & entire societies, 16481
social learning & drug use & knowledge of use of dating violence by others, dating violence, males vs females, 1857
social perspective on violence, New Zealand, 41690
socially desirable responding, wife assaulters vs females in abusive relationship, 1813
sociocultural vs psychodynamic factors, aggression & crime & violence, 9945
themes of fear & violence & collectivism in Black society in R. Wright's novels & works, 12939
therapeutic community, prevention of sadistic murder & violent rape, potentially violent male 10–15 yr olds, 27189
timing & outcomes of televised professional football games, violent assaults on females, female emergency room patients, 1988–89, 17963
treatment implications of Tarasoff case & other legal decisions concerning treater's duty to protect endangered 3rd parties, potentially violent psychiatric patients in partial hospitalization, 11057
treatment vs prevention approach to violence, conference presentation, 6457
TV & movie violence, aggressive behavior, children & adults, 36955
underreporting of cocaine related trauma by Drug Abuse Warning Network vs hospital toxicology tests, emergency patients with major trauma from violent assault vs motor vehicle accidents, 45707
utility of animal models of aggressive behavior & need for clinical violence research to focus on severely & repetitively aggressive psychiatric patients, 533
victim's services program with combined advocacy & research & direct services & community education, victims of assault or other violence, 14958
viewing of violent scenes of war vs nonviolent scenes of soldiers, patriotic responses, male vs female 18–25 yr olds, 29136
viewing of violent vs nonviolent TV programs, fantasy style, 2nd–4th graders, Netherlands, 3 yr study, 9308
violence & drug abuse reduction as public health priority for Black Americans, Black public health & political leaders, 13898
violence & illegal drug usage & victimization, 8th & 10th graders, 17923
violence addiction model as paradigm for analysis of powerlessness of peace movement during Persian Gulf War, 9356
violence related cases at inner city hospital outpatient child psychiatry clinic, female 19 yr old & male 5.8 & 8.5 & 9.5 & 16 & 18 yr olds, 37854
violence toward family caregivers, 13–97 yr old psychiatric inpatients, 37669
violence viewing curriculum, attitudinal judgments of TV crime series, 10–12 yr olds, 2 yr followup, 47197
violent action programed by violent dreams, borderline psychotic 29 yr old male inmate, case report, 33749
violent content & appreciation of TV episode, TV viewers, conference presentation, 44816
violent suicide attempts, urinary free cortisol & norepinephrine & epinephrine & dopamine & serum cortisol, suicide attempters, 9943

Violence [See Also Family Violence]—Books

Aggression and violence: Social interactionist perspectives, 41235
Aggression and violence throughout the life span, 17971
The ego ideal, ideology, and hallucination: A psychoanalytic interpretation of political violence, 9464
Mental disorder and crime, 37621
Understanding and preventing violence, 21970
Violence against women: The bloody footprints. A gender & society reader, 37905
Violent attachments, 22054
Women and sacrifice: Male narcissism and the psychology of religion, 9392

Violence [See Also Family Violence]—Chapters

Aggression and violence, 33820
Dealing with dangerousness: Community risk management strategies with violent offenders, 19296
Depression and extreme violence in adolescence, 5858
Do we need enemies? The origins and consequences of rage, 40327
Epidemiology and family violence involving adults, 1865
Factors related to physical violence in dating relationships, 9983
From dangerousness to risk assessment: Implications for appropriate research strategies, 37640
Good violence and bad violence: Self-presentations of aggressors through accounts and war stories, 41272
The Holocaust: Survivors and their children, 25965
Human vectors of trauma: Illustrations from the Marquis de Sade, 29821
Interpersonal violence and traumatic stress reactions, 33821
Lifestyles and violence: Homosexual victims of assault and murder, 25445
Mental disorder and violence: Another look, 37634
Mental health policy for victims of violence: The case against women, 46806
Ordinary fear: Women, violence, and personal safety, 37916
Organization of care and rehabilitation services for victims of torture and other forms of organized violence: A review of current issues, 27026
"Our hearts are collectively breaking": Teaching survivors of violence, 39244
Parental psychopathology, congenital factors, and violence, 38002
Reducing violence in institutions: Maintaining behavior change, 19175
Schizophrenia and crime: Distinctive patterns in association, 37773
Section B: Research from World War II to the present, 45425
Serotonin in personality disorders with habitual violence and impulsivity, 37642
Sex and violence on Acali: Six females and five males isolated on a raft on the Atlantic and the Caribbean for 101 days, 13463
Television violence: A proactive prevention campaign, 849
A theory about disputes and the efficacy of control, 41242
Violence against women in Australia's capital city, 9987
Violence as a weapon of the dispossessed, 37915
Violence towards women, 37911
Youth gangs, 45701

Viral Disorders [See Also Encephalitis, Herpes Genitalis, Herpes Simplex, Human Immunodeficiency Virus, Influenza, Poliomyelitis, Rubella]—Serials

herpes simplex virus type I or varicella-zoster virus in postmortem temporal cortex, schizophrenic patients, 25801
hypnotherapy, 6–56 yr olds with warts, 6870
integration of genetic & environmental & viral predisposing factors into model of early onset schizophrenia as neurodevelopmental disorder, 25833
perceived severity of common cold symptoms, adult male vs female volunteers vs medically trained O, England, 18219
perceived stress & negative life events, common cold susceptibility, healthy adults, England, 22183
percentages of CD3 & CD4 & CD8 lymphocytes in peripheral blood & relation to acute herpetic pain, patients with herpes zoster, Japan, 22207
psychiatric & neurological illness & presence of serum antibodies, family members with borna disease virus, letter, 6209
psychological & social & financial impact of childhood chickenpox, infected children & their families, 38101

repressive coping style & defensiveness & trait anxiety, antibody titers to Epstein-Barr viral capsid antigen, healthy college students, 26169
understanding of causality of AIDS & colds & cancer, 4th vs 6th vs 8th graders vs college students, 26209
Viral Disorders [See Also Encephalitis, Herpes Genitalis, Herpes Simplex, Human Immunodeficiency Virus, Influenza, Poliomyelitis, Rubella]—Chapters
Colds, influenza and performance, 10270
Cytokines and the central nervous system: Links with mental disorders, 9794
Viral etiology of chronic fatigue syndrome, 45956
Virginity—Serials
abstinence sex education program, sexual attitudes, male vs female virgin vs nonvirgin high school students, 35329
inductive analytical approach to tampon advertisements portraying beginner user & threatened virginity, 1989–90, 43546
sexual experience with vs without pregnancy & parenthood, nonsexual behavior problems, 15–17 yr olds, 9259
Vision [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Foveal Vision, Linear Perspective, Monocular Vision, Peripheral Vision, Stereoscopic Vision, Visual Discrimination, Visual Field, Visual Perception, Visual Thresholds]—Serials
age & binocular static visual acuity & horizontal visual field & contrast sensitivity screening criteria, crash involvement, 16–76 yr old & older drivers, 39611
biofeedback & vision & vision disorders, annotated bibliography, 18456
central vs peripheral precues & cue & target position on same vs opposite side of vertical meridian, saccadic & manual response costs & covert orienting, adults, 12172
circadian clock in neurotransmission of efferent signals to lateral & ventral & median eyes, horseshoe crabs, implications for peripheral visual system functions, 12518
clinical examination techniques & prescription of optical & nonoptical rehabilitative devices, low vision, head trauma patients, 7205
display set size, sensory contributions vs attentional effects on perception vs decision rules in visual search task, adults, 20225
electronic implementation of physiologically based front end processor neural network, explanation of visual sensory phenomena & integration into multilayer neural architectures, 27837
functional associations among posterior brain regions for occipitotemporal & occipitoparietal pathways of extrastriate visual cortex in object & spatial vision, male 19–34 yr olds, 20537
intraretinal grafts, light inhibition of acoustic startle reflex & visual function, light blinded rats, 32384
layered architecture for image processing regularization problems in early vision network based on lower vertebrate retina, 47577
local gain control & focal accommodation of spatial frequency, application of Self Similar Stack vision model, 36079
mathematical modeling of & theoretical results for light intensity dependent spread functions in human vision, 16190
melatonin binding asymmetry in left habenular nucleus & receptor distribution in optic tectum, lizards, implications in neuronal visual information processing, 20597
mesopic photometry system, light evaluation in terms of comparative brightness relationships, 19–21 yr olds, 8220
neural network model of hierarchy of maps in visual cortex & egocentric spatial representation in early vision, 39649
optometric vision therapy, enhancement of performance on WISC-III, children, conference presentation, 40826
Pavlovian conditioning vs error correction analysis of pattern contingent color aftereffects, assessment of neuropsychological processes in visual brain, commentary, 28482
Pavlovian conditioning vs error correction analysis of pattern contingent color aftereffects, assessment of neuropsychological processes in visual brain, commentary reply, 28501
primate/arboreal heritage as factor in biased use of English visual terms as metaphors for mental states, humans, 25063
problems of vision & intelligence in skilled performance, soccer players, 47451
real & optimal neural images in visual system information processing, blowflies, 20594
resolution & contrast sensitivity & receptive field organization of primary visual cortex cells correlating with cortical layers & cytochrome oxidase, bush babies, comparison with macaques & cats, 28497
Sonja's Intermediate Vision System architecture for intermediate vision, 31704
spatial & temporal frequency of grating stimuli, orientation bandwidth of visual system & pattern detection following adaptation & threshold discrimination, 19–27 yr olds, 8222
spatiotemporal contrast sensitivity based theory of early vision, 28207
subcortical connections of object & spatial vision cortical processing pathways of inferior temporal & posterior parietal cortex, rhesus monkeys, 28484
temporal deblurring technique, psychophysical measurement of human visual impulse response waveform, 257
test of visual EPs &/vs contrast sensitivity &/vs flight of colors vs color vision vs pupillary light reflex, diagnosis of visual system lesions, 28–60 yr olds with multiple sclerosis, 18251
text scrolling in scanning laser opthalmoscope, assessment of reading performance & visual function at retinal locations, 25–75 yr olds with normal vision or macular disease or degeneration, 6428
vision & olfaction, homing & orientation performance, pigeons, 4538
visual skills & ability, female volleyball vs male & female general high school athletes, 948
16 point plan for involvement in optometry, behavioral optometrists, 18833
3 dimensional mirror training, indirect vision skills, dental students, 31107
Vision [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Foveal Vision, Linear Perspective, Monocular Vision, Peripheral Vision, Stereoscopic Vision, Visual Discrimination, Visual Field, Visual Perception, Visual Thresholds]—Books
Regeneration and plasticity in the mammalian visual system. Proceedings of the Retina Research Foundation symposia, Vol. 4, 20611
Understanding vision: An interdisciplinary perspective. Readings in mind and language, 1, 44017
Vision, 20607
The visual system from genesis to maturity, 17073
Vision [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Foveal Vision, Linear Perspective, Monocular Vision, Peripheral Vision, Stereoscopic Vision, Visual Discrimination, Visual Field, Visual Perception, Visual Thresholds]—Chapters
Computational vision, 35692
Constructing the perception of surfaces from multiple cues, 44024
Correlating perceptual and neuronal development, 17105
From nerves to eyes, 615
Historical perspective on regeneration and plasticity in the visual system, 20645
Linking the sensory and motor visual correlates of dyslexia, 41844
Testing visual system toxicity using evoked potential technology, 26140
The visual environment, 8235
Vision Disorders [See Also Eye Disorders]—Serials
anomalous distribution of rods & cones vs postreceptoral deficit in transient visual channel, dyslexic patients, commentary reply, 10158
anticonvulsants, extraocular muscle disorders & retinal & lens abnormalities & other adverse ocular reactions, psychiatric patients, 34546

biofeedback & vision & vision disorders, annotated bibliography, 18456
cognitive & visual impairment status, 70–84 yr olds with Charles Bonnet visual hallucinations, 1520
development of Visual Neglect Recovery Index, patients with right vs left hemisphere acute stroke & visual neglect, 0–6 mo followups, 135
dyslexia & perceptual processing & other vision disorders & care issues, literature review, 41426
exercise, transient impairment of visual function, 31 yr old female & 24 yr old male with multiple sclerosis, case reports, 10413
eye acupressure, myopia & other eye & vision symptoms from visual close work, 27–30 yr olds, Sweden, 14838
family history of blindness & borderline mental retardation & retinal malformation, diagnosis of Norrie's disease vs persistent hyperplastic primary vitreous, blind male 6 yr old, case report, 2354
health impact & prevention of vision problems associated with VDTs, male newspaper staff members, Japan, 19757
interaction of neuroophthalmology & psychiatry in diagnosis of visual dysfunction, 38339
myths about vision impairments & psychosocial rehabilitation, patients with vision disabilities & mental illness, 34993
object & environmental agnosia & other clinical features & pathological brain anatomy, female 66 yr old with pure alexia & right hemiachromatopsia in context of dementia, 2267
optometric visual therapy, 20 & 25 yr old males with binocular dysfunctions secondary to head trauma, 7183
prevalence of cerebral visual disturbance, 6 mo to 19 yr olds with cerebral palsy, 2316
primary care of optometric evaluation & rehabilitation of visual deficits, traumatic brain injury patients, 7185
psychological & psychosocial factors in adjustment process & rehabilitation, patients with vision loss due to head trauma, 7196
pupil size, chromostereopsis & chromatic diplopia, adults, 16209
recognition & rehabilitation of visual disorders of higher cortical function, 22445
rehabilitation optometry & occupational therapy, visual impairment, male 21 yr old with mild brain injury, case report, 42908
role of optometrist in evaluation & rehabilitation of visual & visually related disturbances, head trauma & stroke patients, 7184
social support & visual acuity & perceived health & other factors, prediction of loneliness, female 75–94 yr olds with low vision, 14423
unstable binocular control, reading ability, 7.2–14.4 yr olds with reading difficulty, 2019
use of temporal mirror coating in back lens surface as visual field enhancement device, 37 yr old male with right homonymous hemianopia due to head trauma, case report, 7204
utility & statistical analysis of visual field awareness system using carrier lens with press on prisms, patients with visual field loss, 7190
vertical & horizontal bar bisection & displacement of visual midline, 30–70 yr olds with attitudinal scotomata, 38336
visual ability, verbal & nonverbal intelligence test scores, visually impaired Braille educated 6–15 yr olds, Netherlands, 23
visual acuity & magnification & eye movement, reading performance, patients with low vision or scotomas, 26375
visual development program, 1–13 mo olds with severe visual impairment, 2765
visual hallucinations, patients with age related macular degeneration, 18445
visual hierarchy model for evaluation & treatment of visual perceptual deficits, adults with acquired brain injury, 19192
visual hierarchy model of visual perceptual deficits, adults with acquired brain injury, implications for evaluation & treatment, 18425
visual impairment variant of Alzheimer's disease, 59 yr old male, case report, 30213
visual perceptual dysfunction, 18–41 yr olds with schizophrenia or affective disorders, 17689

Vision Disorders [See Also Eye Disorders]—Books
Vision and school success: A guide to understanding vision's role in learning and what the teacher can do to facilitate learning in the classroom, 38344

Vision Disorders [See Also Eye Disorders]—Chapters
An anatomic substrate for visual disconnection in Alzheimer's disease, 26357
Cognitive development in visually impaired children, 22461
Disorders of higher visual processing: Theoretical and clinical perspectives, 2367
Do dyslexics have a visual deficit?, 42132
Fixation, contrast sensitivity and children's reading, 42131
Impairments of visual awareness, 44197
Ophthalmologic aspects of dyslexia: Binocular full correction of dyslexics with prismatic glasses, 42631
The orthoptic treatment of dyslexia, 42632
The roles of sustained (P) and transient (M) channels in reading and reading disability, 42130
The treatment of hemochromatosis and severe visual dysfunction by covert conditioning, 46638
Vision problems, juvenile delinquency, and drug abuse, 10437
Visual agnosia in monkey and in man, 20631
Visual impairments in children with developmental disabilities, 41814
Visual perception, 22462

Visions (Mysticism) [See Mysticism]
Visitation (Institution) [See Institution Visitation]
Visitation Rights [See Child Visitation]

Visual Acuity—Serials
age, Vernier thresholds vs grating resolution, 2 mo to 9 yr olds, 991
awareness of age related sensory & cognitive deficits & driving behavior, 54–80 yr old drivers vs nondrivers, England, implications for road safety, 5265
bandwidth of spatial information with order moving from coarse to fine detail & spatial frequency of edge information, order bias in perceptions of image quality, college students, 8215
cataract operations, visual acuity & psychosocial disabilities in daily activities, 71–76 yr olds, 38704
degree of motor disability & mental retardation, variability of repeated visual acuity testing, 1.5–8 yr olds with cerebral palsy & mental retardation, 1533
development of neural mechanisms of vernier vs grating acuity, infant macaques, longitudinal study, 12468
development of Rotterdam C-chart, assessment of & norms for visual acuity & interocular differences, 5 yr olds & young adults, Netherlands, 13062
discrimination learning method, assessment of visual acuity, Japanese Black heifers, 8444
early visual experience, visual field size & grating acuity development, low risk & very low birth weight preterm infants, Netherlands, 1 yr study, 14204
eccentricity, position & movement acuities in spatial scaling, adults, 8232
experimental strabismic amblyopia, development of neural mechanisms of vernier vs grating acuity, infant macaques, longitudinal study, 12467
extra dot in high vs low density cluster of pseudorandom dots, sequential mapping of weighting functions for visual location in vernier acuity task, adults, 261
focal vs divided attention & foveal vs parafoveal target location with vs without visual imagery, visual acuity, college students, test of explanations of Perky effect, 4253
grating acuity & visual field development, 4–24 mo olds with bronchopulmonary dysplasia vs hyaline membrane disease, 14188
hippocampal lesion, visual acuity & size-difference threshold, pigeons, 24648
lesion of ectopic vs regular nucleus isthmo-opticus in centrifugal visual system, visual discrimination & acuity & object motion detection, pigeons, 12509
linearity of binocular vs monocular grating resolution & acuity development, neonates, 1 yr study, 13072

luminance of gray strip between black & white sides of sharp edge, perceived location of contour & vernier alignment of edge, adults, 43988
luminance, preferential looking vs visual EP in grating acuity, 16 wk olds, 17002
measurement of visual acuity & fixation & contrast sensitivity & refractive error, 9–18 yr old rural Aborigines, Australia, comparison with European Australians, 25142
noninvasive transcutaneous electrical stimulation of visual periphery, frequency contrast characteristics & visual acuity, visually handicapped, translated article, 18454
pedestal contrast & sinusoidal grating length & spatial frequency, prediction of grating visual acuity by contrast discrimination thresholds, adults, 39993
prenatal & perinatal complications, development of visual acuity, high vs medium vs low risk preterm vs full term neonates, Italy, 1 yr study, 14175
reliability of acuity card procedure, assessment of visual ability, severely or profoundly mentally retarded 1–63 yr olds, 39761
sighting dominance & contrast sensitivity, male collegiate vs professional football players, 24320
spatial discrete trial conditioned discrimination procedure, visual acuity, domestic hens, 8466
spatial frequency & 2 vs 4 hr visual display unit work, contrast adaptation & visual fatigue & related symptoms, college students, 27807
stimulus magnification & eccentricity, spatial scaling of Vernier acuity thresholds for abutting lines vs separated dots, adults, 262
stimulus orientation & extrapolation & feedback, long term learning of hyperacuity, Os, Germany, 32077
target visibility & contrast & exposure duration & separation, role of putative spatial filter & local sign mechanisms in line vernier detection thresholds, adults, 36097
target visibility & contrast & retinal illuminance & quantal limitations, line detection & vernier thresholds, adults, 36098
vertical separation & spatial frequency of strips of horizontal gratings, vernier acuity, adults, 24331
visibility & target exposure duration & contrast & spatiotemporal mask, vernier & contrast detection thresholds for lines & sinusoidal gratings, adults, 36099
visual acuity & magnification & eye movement, reading performance, patients with low vision or scotomas, 26375
visual acuity & stereoacuity, mentally retarded 12–16 yr olds, 26090
visual discrimination learning & resolution acuity, female horses, 16403
visual peripheral sensitivity to letter & color stimuli, dyslexic college students, 45814

Visual Acuity—Chapters

Statistical properties of 500-trial infant psychometric functions, 17129

Visual Contrast [See Also Brightness Contrast, Color Contrast]—Serials

age, visual contrast sensitivity results on Vistech vs Pelli-Robson chart vs Cambridge low contrast gratings test, optometrists evaluating 10–80 yr olds, clinical implications, 5088
apparent depth, visual search for direction of luminance gradient, college students, Canada, 233
background pattern & contrast, prey discrimination, female praying mantis, 20445
binocular disparity & transparency, perceived depth in surface segmentation & motion signal grouping, Os, 32101
blurred spot detection threshold measurement in L vs M vs S-cone contrast space, Os, 24661
color & contrast in education & visual environments, visually impaired students with multiple disabilities, 27576
contrast & spatial & temporal frequency & angular velocity of sinusoidal drifting gratings, perception of curvilinear vection, 22–28 yr olds, 43999
contrast & temporal presentation & relative orientation, perceived speed & direction of moving gratings, 16–40 yr olds, 255
contrast dependence of short range apparent motion, adults, replication with commentary, 16184
contrast dependence of short range apparent motion, adults, replication, 16164
contrast discrimination & eccentricity, oscillatory motion detection threshold across visual field, adults, 16206
contrast of counterphase grating, responses of cells of striate cortex & contrast gain control of cortical neuron sensitivity, cats, 558
contrast, perceptual coherence & transparency of 2-component plaid Fourier &/vs non-Fourier drifting gratings, 26–41 yr olds, 16201
contrast sensitivity & spatial localization deficits, strabismic vs anisometric amblyopic patients, 6430
contrast sensitivity function based & linear systems models of pattern vision, adults vs infants, 37058
diameter of incremental vs decremental foveal disks, brightness vs apparent contrast matching & symmetrical vs asymmetrical perception of luminance, adult male, erratum, 28183
diameter of incremental vs decremental foveal disks, brightness vs apparent contrast matching & symmetrical vs asymmetrical perception of luminance, adult male, 20206
dichoptic masking, binocular integration in contrast, 18–43 yr olds with strabismus &/or amblyopia, 18443
disparities in contrast &/vs apparent motion, directional bias in perception of spatial separation in cluster illusions, adult Os, 32081
edge sharpness of blurred disks & spatial frequency of concentric cosine gratings, matching of center brightness maxima vs minima vs apparent contrast, adult male, 28185
frequency specific spatial adaptation & contrast sensitivity to lower case text on video display terminal, adults, 4672
horizontal vs vertical orientation, contrast detection thresholds for elliptical Gaussian blobs, adults, 28178
individual differences in contrast sensitivity & spatial mechanism development, 4 mo olds, comparison with data from 1–3 mo olds, 32890
injurious falls, body sway & tactual & visual contrast sensitivity & stability & quadricep strength, 60 yr olds & older, 1 yr followup, Australia, 18218
line contrast & length & duration of motion, motion sensitive units involved in direction discrimination for lines, adults, 40389
luminance & contrast & spatial frequency, age related changes in visual EPs, 19–84 yr olds, 32503
luminance & noise, spatial contrast sensitivity through 3rd generation image intensifiers in night vision goggles, 21–40 yr olds, 43993
luminance & spatial frequency & waveform & contrast of orthogonal gratings, binocular summation in form of dichoptic plaid perception, adults, 246
luminance increment vs decrement against background, large field asymmetry in perception of brightness vs apparent contrast of foveal disk, adult male, 28184
mean illuminance & low temporal frequency, visual contrast sensitivity for mirror image sawtooth & sine waveforms, color normal or deuteranopic adults, 4249
measurement of visual acuity & fixation & contrast sensitivity & refractive error, 9–18 yr old rural Aborigines, Australia, comparison with European Australians, 25142
mental stress & photopic contrast sensitivity at 20 vs 40 meters deep, air breathing scuba divers, 8790
noise & signal modulation & sine wave grating embedded in spatial temporal broadband noise, contrast detection in luminance & chromatic noise, adults, 16170
pedestal contrast & sinusoidal grating length & spatial frequency, prediction of grating visual acuity by contrast discrimination thresholds, adults, 39993
perceived contrast of illusory luminance defined contour strength, Os, 24293
perceptual grouping & preattentive search & depth & motion perception & extraction of shape from shading information, adults, 243
photophase contrast & light intensity, photostimulation & subjective interpretation of day vs night, male blackheaded buntings, 643
probe flash vs contrast cancellation technique, measurement of achromatic & chromatic afterimages, Os, 24306

psychophysical correlates & magnitude estimation of perceived visual contrast & contrast constancy, 43981
reversal of color vs luminance contrast in portion of stereogram, role of magnocellular vs parvocelluar interblob vs blob visual pathways in stereopsis, adults, 32098
salience of discrete target elements, global effect on saccades, college students, 43970
scaling of stimuli in visual field, contrast detection threshold, adults, 8185
sighting dominance & contrast sensitivity, male collegiate vs professional football players, 24320
spatial bandwidth & scale & contrast & separation & visibility of Gabor bars, 3 line spatial interval discrimination, adults, test of E. H. Weber's law for position, 16181
spatial bandwidth & temporal presentation, contrast sensitivity to patch stimuli, adults, 36089
spatial frequency & contrast & exposure duration, separation discrimination thresholds for embedded visual targets with vs without masking, adults, 16163
spatial frequency & retinal illuminance & exposure time in wave display, contrast sensitivity to spatial noise, 25–27 yr olds, 43996
spatial frequency of interference fringes & distortion gratings, curve, Os, 32072
spatial frequency of interference fringes projected onto retina, changes in neural spatial contrast sensitivity at photopic level due to aging of visual system, 17–29 vs 60–80 yr olds, 36071
spatiotemporal contrast sensitivity based theory of early vision, 28207
spatiotemporal frequency, spatial undersampling in contrast thresholds for detection & direction discrimination of moving sine wave gratings, adults with strabismic or anisometropic amblyopia, 38335
stimulus duration & spatial frequency & fixational eye movements, acuity & contrast sensitivity threshold for real & artificial zebra stripes, adults, 8214
stimulus parameters, temporal aspects of depth contrast effect following continued observation, adults, 36083
target angular velocity & spatial frequency & duration, contrast sensitivity functions in horizontal visual pursuit, college students, 32089
target visibility & contrast & exposure duration & separation, role of putative spatial filter & local sign mechanisms in line vernier detection thresholds, adults, 36097
target visibility & contrast & retinal illuminance & quantal limitations, line detection & vernier thresholds, adults, 36098
transient sustained theory of visual processing & color filtering intervention reduced contrast, reading comprehension, reading disabled 8–12 yr olds, 2410
uncertainty of difference in spatial frequency vs reference contrast, discrimination thresholds in single vs dual judgment task, adults, 28191
VDU text editing & contrast adaptation time course, male 25 & 29 yr olds, implications for VDU induced fatigue, 35658
visibility & target exposure duration & contrast & spatiotemporal mask, vernier & contrast detection thresholds for lines & sinusoidal gratings, adults, 36099
visible flicker in grating patterns during contrast modulation, Os, 24310
visual pattern disparity, hysteresis vs cooperativity vs depth averaging, adults, 4247

Visual Cortex—Serials

activity dependent mathematical model of self orientation of receptive field columns in visual cortex, 36539
age & long term callosal lesions, synaptic reorganization in visual cortex & black vs white discrimination, male rats with monocular enucleation at birth vs maturity, 20539
area 17 lesion, mapping & neural responses of middle temporal visual area to visual stimuli, owl monkeys, 12516
axon outgrowth from retina & lateral geniculate nucleus & striate cortex during prenatal development, ferret embryos, 28519
bicuculline, orientation biases in dorsal lateral geniculate nucleus neuronal responses & orientation sensitivity of visual cortical neurons, cats, 36904
bilateral ablation of cortical visual area V4, color categorization & discrimination, rhesus monkeys, 24718
bilateral ablation of cortical visual area V4, shape & visual landmark discrimination, rhesus monkeys, 12556
calcium/calmodulin dependent protein kinase II, long term potentiation of evoked responses of visual cortex neurons, rats, synaptic model of learning & memory, 36601
coactivation of neurons & synaptic potentiation plasticity in adjacent neurons of visual cortex slices, 2–4 wk old rats, implications for memory & learning, 32492
color perception profiles, male 33 yr old & female 72 yr old with central achromatopsia due to visual cortex lesions, 46088
configuration of Phaseolus vulgaris leucoagglutinin labeled axons projecting from area V2 to V4, macaque monkeys, 24705
contrast of counterphase grating, responses of cells of striate cortex & contrast gain control of cortical neuron sensitivity, cats, 558
cortical blindess, visual motion perception, male 40 yr old with damage to visual cortex, 10390
delayed operant alimentary reflexes to light, statistical analysis of functional interneuronal connections of visual & motor cortex, cats, translated article, 4602
distribution of callosal neurons in visual cortex, male vs female rats, 20552
electrical stimulaiion to visual cortex, corticocollicular EPs, rabbits in awake state, translated article, 24759
electrophysiological mapping & number & laminar distribution of neurons in callosal connections between visual cortex 17 & 18, normally pigmented vs Siamese cats, 4568
environmental complexity, dendritic branches & length in occipital cortex, male rat neonates, 8683
excision of visual cortical areas 17 & 18 & 19, laminar thickness & neuron survival in posteromedial lateral suprasylvian visual area, 4 day vs 6 mo old vs adult cats, 20573
face discrimination task, oscillating multiunit neural activity & local field potentials in visual cortex, monkeys, replication, 602
functional associations among posterior brain regions for occipitotemporal & occipitoparietal pathways of extrastriate visual cortex in object & spatial vision, male 19–34 yr olds, 20537
global motion signal segmentation & reorganization in visual cortex, application of motion boundary contour system neural network model, 39643
homologies in cortical position & internal organization of visual receptive field maps, cats vs macaque monkeys, 28540
intervals & onset delay of magnetic coil stimulation of calcarine cortex, visual perception depression, adults, implications for information processing delays, 36481
laminar & tangential organization of visual callosal projections of critical areas 17 & 18, ferrets, implications for binocularity, 4585
lateral magnetic coil stimulation of calcarine cortex, visual unmasking, right handed adults, 36480
lesion of corpus callosum, extension of suppressive regions surrounding receptive fields of area V4 into ipsilateral visual field, monkeys, 28499
lesions of visual cortical area V4, color constancy & discrimination, monkeys, replication, 44388
looming visual stimulation of hemianopic field, defensive responses, monkeys with unilateral striate cortical lesions, 20548
monocular deprivation, postnatal development of cholinergic receptors & protein kinase C & dihydropyridine sensitive calcium antagonist binding in layers of visual cortex, rats, 28524
movement of stimulus object vs background, responses of ventral part of medial superior temporal area of visual cortex, macaques, 28598
MRI vs myelin staining, detection of myeloarchitectonic signatures of striate & extrastriate cortex, adults, 24660
neonatal vs adult lesion to visual cortical areas 17 & 18 & 19, visual orienting & nystagmus & depth discrimination, cats, 40411

neural network model of hierarchy of maps in visual cortex & egocentric spatial representation in early vision, 39649
neural network model of 3 dimensional visual perception & figure ground separation by visual cortex, 47573
occlusion related movements of background pattern cue behind object, detection by single cells in ventral part of medial superior temporal area, monkeys, 36561
perceptual motion coherence & middle temporal visual area neural sensitivity, rhesus monkeys, 12618
relationship between pyramidal cell cones of striate cortex layer IVA & honeycomb cytochrome oxidase pattern, rhesus monkeys, 20574
resolution & contrast sensitivity & receptive field organization of primary visual cortex cells correlating with cortical layers & cytochrome oxidase, bush babies, comparison with macaques & cats, 28497
role of NMDA receptors in visual cortical plasticity, application of theoretical criteria for correlated presynaptic activity detection, 32389
short or long term monocular deprivation during critical postnatal period, physiological & anatomical axonal changes in visual cortex, kittens, 44378
spatial & temporal coherence in cortico-cortical connections between visual cortical areas 17 & 18, cats, 4606
spatial frequency of Munsterberg or Cafe Wall illusions, cooperative coding by visual cortical cells in representation of visual borders of illusions, adults, 8226
spatially 1-dimensional envelope stimuli, processing stream in area 17 & 18 visual cortex neurons, cats, 44450
static visual stimulation, oscillatory activity in visual cortex during face recognition, monkeys, implications for neural temporal synchronization, 36566
stimulus specific high frequency oscillations in primary visual cortex, awake male monkey, 36599
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary reply, 16539
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary, 16591
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground discrimination, commentary, 16564
topological organization of cortical visual system, primates, 8690
torsional disparity in optically induced cyclotropia, monocular vs binocular depth thresholds & visual acuity & neurophysiology of visual cortex, kittens, 3 yr study, 12544
tuning of aftereffects & adaptation in spatial domain of visual cortex, cats, 589
tuning of aftereffects & adaptation in temporal domain of visual cortex, cats, 588
unmasking of visual deficits of each hemifield, male 55 yr old & female 25 yr old with ventral prestriate area lesions, 34210
visual cortex hyperactivity & glucose metabolism during arm movements, brain injured adults with hemiparesis, implications for neural mechanisms, 10334
visual EP thresholds from visual cortex area 17 vs superior colliculus, albino vs pigmented rats vs adult humans, 12602
visual EPs indicating involvement of primary visual cortex in contour processing from motion in image segmentation, monkeys & human adults, 40384
visual stimulation vs microstimulation vs lesions of extrastriate visual cortex area MT, visual motion perception, monkeys, 28532

Visual Cortex—Chapters

An anatomic substrate for visual disconnection in Alzheimer's disease, 26357
The functional organization of projections from striate to prestriate visual cortex in the rhesus monkey, 20658
A memory system in the monkey, 20638
Self-organization of orientation sensitive cells in the striate cortex, 47607
Self-organizing neural networks: Hebbian learning in development and biological computing, 47603
Visual responses outside the classical receptive field in primate striate cortex: A possible correlate of perceptual completion, 16602
What can rates of development tell us about underlying mechanisms?, 17104

Visual Discrimination—Serials

abrupt texture gradients, visual texture discrimination, college students, 12154
abstract processes & techniques in digital image processing of texture segmentation, implications for modeling of visual perception, 20205
acquisition & transfer of visual texture discrimination, pigeons, 4448
acquisition of visual simultaneous identity matching to sample performance, female rats, 40247
age & long term callosal lesions, synaptic reorganization in visual cortex & black vs white discrimination, male rats with monocular enucleation at birth vs maturity, 20539
age, intensity difference thresholds & luminance discrimination, 2–17 yr old pigeons, 4518
age, P3a & P3b latency during visual discrimination tasks, 19–91 yr olds, 16638
alternation & distance between stimulus dots, phase discrimination as objective measure of apparent leftward vs rightward motion, adults, test of A. Korte's 3rd law, 20224
anticholecystokinin-8 antiserum in cingulate cortex, acquisition & retrieval in visual discrimination conditioning, male mice, 28747
attended vs unattended stimuli, cognitive processing & visual EPs, 46–78 yr olds with multiple lacunar infarcts, 18330
auditory &/vs visual witnessing of mock crime, auditory vs visual identification of guilty suspect, college students, 44094
background pattern & contrast, prey discrimination, female praying mantis, 20445
bilateral ablation of cortical visual area V4, color categorization & discrimination, rhesus monkeys, 24718
bilateral ablation of cortical visual area V4, shape & visual landmark discrimination, rhesus monkeys, 12556
binocular disparity, surface & depth vs feature detection in visual search, adults, 12155
caffeine & automaticity & task difficulty, information processing in visual search & detection, college students, 36822
changes in surface reflection vs spectral composition of scene, color constancy discrimination, adults, 4252
cognitive style of category width, categorization & auditory & visual discrimination & decision in bimodal speech perception, college students, 36171
cold suppression of temporal cortex, recall or preexposed vs nonexposed face discrimination, monkeys, 24685
context discrimination, visibility of square's feature components, college students, 43978
contour closure, RT in discrimination of outline features of stimuli by 2-dimensional shape, adults, 36075
declarative memory in visual paired comparison task, normal vs amnesic 40–78 yr olds, 22381
defocusing of visual display, time between presentation of spatially disparate stimuli for perception of temporal order, 23–62 yr olds, 12161
density of component items, accuracy in identification of local letters in compound letter & geometrical forms & role of lateral masking in global dominance effect, adults, 32094
dichoptic vs monocular stimulation, feature detection & neon flank & illusory contour in neon color spreading, 23–27 yr olds, 12176
dimensional organization of stimuli, texture discrimination, pigeons, 4429
discriminability & sequential priming, RT & choice & detectability during visual search, pigeons, 432
discrimination of contour deleted pictorial images, pigeons, 4438
discrimination of fully vs partially viewed 3-dimensional shape specified by motion carried information, 4 mo olds, replication, 5077

discrimination of genuine vs suppressed vs faked facial expressions of pain, college students, 10248
discrimination of photographs of male vs female faces, discriminant function analysis of simple & ratio distances & angle & 3-dimensional measurement of key points vs human Ss, 32068
discrimination threshold for color changes, Os, development of visual capacity model, 44016
discriminations based on single vs multiple eye fixations & eccentricity, interference with memory for visual attributes, adolescents & adults, 12168
dissociation of discrimination thresholds for time to contact & rate of angular expansion of moving stimuli, male 23 & 31 yr olds, 36092
distractors & multiple target interference, visual target detection, epileptic patients with unilateral frontal vs temporal lobectomy, 34224
eccentricity & spatial aliasing by extrafoveal retina, discrimination of low pass filtered vs unfiltered edges, adults, 16169
eccentricity, red green color discrimination thresholds in peripheral vision, adults, development of modified form of R. M. Boynton & N. Kambe's equation for foveal thresholds, 28198
exogenous cue, spatial distribution of covert visual attention in target discrimination paradigm, college students, Canada, 32246
expectancy of abrupt onset near vs far peripheral cues & target duration, attention & latency of visual target discrimination, college students, 4266
exposure duration & stimulus area & vector density of dynamic random dot stimuli, discrimination of perceived global direction, Os, application of ideal observer model, 24330
frontal system dysfunction, memory & learning & visual discrimination, elderly with Parkinson's disease, 18352
global scene background vs individual companion objects, object identification, college students, Belgium, 24299
habituation to & visual discrimination & recognition of anger vs fear vs surprise, 4–6 mo olds, 9192
habituation to compound stimulus with visually moving & sound change parameters, discrimination of bimodal & unimodal changes, 4–10 mo olds, 17042
heterospecific vs conspecific facial feature discrimination, RT measures of feature salience, budgerigars, 4428
hue, binary simultaneous discrimination, coatis vs kinkajous, 414
hypnosis, hemispheric asymmetry in visual field brightness discrimination, male medical students with high vs medium hypnotic susceptibility, 44186
interconnected neural network system with biologically motivated architectures, visual discrimination based on depth from occlusion, 15788
isoluminance & adaptation, color discrimination variation over color space, adults, 16180
jitter in orientation &/vs position of textured elements, segregation of mesh derived textures in figure detection task, adults, 8200
left brain compensatory strategies in visual recognition & topographical orientation & time planning, female 16 yr old with right brain damage, Switzerland, 38224
lesion of ectopic vs regular nucleus isthmo-opticus in centrifugal visual system, visual discrimination & acuity & object motion detection, pigeons, 12509
lexical decomposition in visual recognition of Kanji characters, college students, Japan, 44072
line drawing discrimination, stimulus generalization of deleted contours, pigeons, implications for weight of features in object recognition, 28410
luminance &/vs color gratings, visual spatial contrast sensitivity, adults, 4256
masking & manipulation of facial features & textual cues & dimensional representation, ability to discriminate male vs female faces, adolescents & adults, 32065
memory provoking visual discrimination, single neuron activity in amygdala, male rhesus monkeys, 582
monocular vs binocular discrimination, choice RT, pigeons, implications for binocular summation, 36305
morphine &/vs naloxone, wavelength & luminance discrimination, male pigeons, 40531
neuronal firing patterns in inferotemporal cortex during visual short term memory task, monkeys, 36572
nimodipine as dietary supplement, recovery of learned visual discrimination after neocortical lesions, male rats, 16808
number of display items & nontarget distractors & tapering of line termination, parallel discrimination of subjective contours defined by offset gratings in visual search task, adults, Canada, 12153
oblique lines between vs outside shafts in Ponzo-like patterns, visual distortion & spatial attention, college students, Canada, 4264
orienting of attention & RT of visual target detection, professional volleyball players, 36260
pairing of auditory & visual stimuli, visual learning during filial imprinting, domestic chicks, 36349
parsing & spatial relations of object parts, speed & accuracy of object identification, college students, 32071
perception of rigidity of rotation of 3-dimensional structure, naive & experienced Os, 43971
phase shift & drift & illusion cues, bias & perceived direction of square wave illusion & phase discrimination, adults, 20233
precuing with vs without circling & presentation time, perceptual enhancement of tumor targets in chest X rays, radiology students, 43980
prey vs nonprey stimulus representation, visual discrimination, female praying mantids, 4528
priming, automatic vs attentional processing in letter matching & tone discrimination dual task performance, college students, 28325
ratio of physically specified to total edge length, strength of visual boundary interpolation, college students, 253
recognition of mothers based on pelage pigmentation, 2–4 mo old goats, 36345
reversal rate, discrimination of phase shifting grating patterns, 1 mo olds, 13045
schema vs local processing hypothesis & object identification in visual processing of natural scenes, research review, 24301
sciatic nerve transplantation to sectioned optic nerve with bridge to superior colliculus, light dark discrimination in shuttlebox avoidance paradigm, male golden hamsters, 36557
separation discrimination threshold in visual encoding of relative spatial position, Os, analysis of Weber's law for separation, 24295
set size & featural overlap of target & distractors, recognition of & popout effect with words vs nonwords in visual array, adults, 4265
signal exposure duration & task repetition, RT & decision criterion & confidence level on visual discrimination task, 21–25 vs 57–65 yr olds, 9124
single vs multiple letter group arrays, perceptually based oddity task performance, mildly mentally retarded vs learning disabled 6–8 yr olds, 38016
size & visual field of stimulus, hemispheric processing of global vs local information in divided attention task, right handed college students, Spain, 546
skill in detection of feature differences of visual images & hemispheric specialization, female 21–62 yr old medical technologists, 32073
spatial bandwidth & scale & contrast & separation & visibility of Gabor bars, 3 line spatial interval discrimination, adults, test of E. H. Weber's law for position, 16181
spatial frequency & contrast & exposure duration, separation discrimination thresholds for embedded visual targets with vs without masking, adults, 16163
spatial frequency & orientation & other cues, discrimination of spatial pattern of gratings, adults, 8212
spatial frequency of sinusoidal gratings, computer model of texture discrimination with local Fourier analysis, adults, 242
spatiotemporal frequency, spatial undersampling in contrast thresholds for detection & direction discrimination of moving sine wave gratings, adults with strabismic or anisometropic amblyopia, 38335

square wave grating orientation change, visual EPs & orientation selectivity, 3 mo olds vs adults, 9170
standard vs deviant visual stimuli & interstimulus interval, EPs vs discrimination RT, 18–28 yr olds, 8193
stimuli in fixed vs changed position, inspection times for 2 line stimuli, adults, replication, 12143
stimulus features, effects of precued attention to target location on visual discrimination, adults, 24296
subitizing vs counting enumeration & visual feature detection, RT & accuracy, college students, implications for spatial preattentive processing, 28327
surrounds, chromaticity discrimination thresholds on short vs medium vs long wavelength sensitive cones, adults, 32091
syllable length vs silent letters, visual parsing RT, college students, 16271
symmetry & plane presentation, determination of perceptual center of flat figures, college students, 4254
syntax, letter detection in words, college students, 16267
temporal & spatial frequency & contrast, speed & auditory matching & perceived flicker rate & frequency discrimination in fovea & periphery, adults, 24333
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary reply, 16539
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground segmentation, commentary, 16591
temporal coding in visual cortex & binding of neuronal activities into organized patterns & integration in neuronal networks, implications for scene & figure ground discrimination, commentary, 16564
temporal vs lateral entorhinal cortex vs hippocampal vs perforant path lesions, acquisition & retention of visual discrimination task, male rats, 8657
textons & priming, delayed vs immediate object recognition & discrimination & pop out effects, infants, 13067
texture boundaries, visual discrimination of contour curvature & line separation, adults, 16207
time, EPs & vigilance performance in visual discrimination task, 18–25 yr old males, 12605
uncertainty of difference in spatial frequency vs reference contrast, discrimination thresholds in single vs dual judgment task, adults, 28191
unconventional viewpoint & monocular depth cues & visual field, object identification, college students, 28193
unique target discrimination in visual search task, RT measured attention shift, pigeons, 24522
unrewarded pattern in training, visual discrimination & classification of pattern attributes, honey bees, 20364
varying delay interval & pattern size, visuospatial memory, 17–59 yr olds, 8181
ventral lateral geniculate nucleus lesions, simultaneous pattern & color discrimination, pigeons, 24717
visual discriminability of living vs nonliving things as basis for category specific visual agnosia for living things, normal 23–45 yr olds & monkeys, 24532
visual discrimination, basal forebrain & frontal cortex neuron excitation & other responses, male rats, 36548
visual discrimination capabilities, telencephalectomized &/vs anesthetized Japanese quail chicks with unconditional approach preference for blue vs red vs achromatic pattern stimulus, 36524
visual discrimination learning & resolution acuity, female horses, 16403
visual discrimination task, P300 EP latency, 40–79 yr olds with multiple cerebral infarcts, 26264
visual discrimination training, diagnosis of volleyball errors, physical education majors, 1 yr followup, 11729
visual form & color discrimination, regional blood flow in cerebral cortex, male 22–56 yr olds, implications for cortical field mapping, 36515
visual motion stimuli, ventral intraparietal area neuronal selectivity to direction & speed & distance, monkeys, 36497
visual search matching to sample & attentional set shifting performance, patients with senile dementia of Alzheimer's vs Lewy body type, 26328
vividness of visual imagery, reality monitoring of presentation frequency, college students, 43982
5 dimensional visual stimuli, category discrimination, pigeons, implications for feature analysis, 28403
6-OHDA induced depletion of forebrain norepinephrine, visual discrimination, male rats, 8883

Visual Discrimination—Chapters

Neuronal firing in the inferotemporal cortex of the monkey in a visual memory task, 20620
On the measurement of conspicuity and visibility for a feature and a conjunction target, 40012
Visual agnosia in monkey and in man, 20631

Visual Displays [See Also Video Display Units]—Serials

ability to give correct route directions from map, 6 vs 8 vs 10 vs 12 yr olds vs adults, 898
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, commentary reply, 40198
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, commentary, 40201
abrupt onset or invalid color precues & color discontinuities, contingent involuntary orienting & attentional shifts for visual displays, adults, 12300
acuity & sign contour size & separation, visibility distance & comprehension of standard text vs standard vs improved symbolic signs, 19–35 vs 37–59 vs 61–76 yr olds, 39614
basic shape & physical separation between dels in flat panel display & ergonomic considerations, subjective preferences, college students, Netherlands, 7781
categoric vs discrete vs continuous type of & patterns in tabulated data vs prose & postquestions & academic ability, recall of data & covariation, 13–14 yr olds, educational implications, 44890
coherence of visual displays &/vs simultaneous story, recognition memory for detail, adults, 20309
color coded symbolic tactical display of flight information & mental work load, eye movements & pupillary response during visual search, 19–45 yr old engineers & student engineers, 15761
compatibility & consistency in display control movement relations, flight control with command vs status displays, male college students, implications for aircraft decision aid design, 27803
configural vs bar graph display, extraction of high level constraints & low level data in control of simulated dynamic system & memory probe task, 19–35 yr olds, 39590
customized programing vs software packages, microcomputer based analysis & visualization of complex psychophysiological data, conference presentation, 8784
defocusing of visual display, time between presentation of spatially disparate stimuli for perception of temporal order, 23–62 yr olds, 12161
desktop graphical vs character based user interface with menu selection, benchmark task solving time, novices vs experts, 15768
development of standardized head-up display configuration for vertical velocity information, pilots with vs without head-up display experience, 31701
direction of motion preferences for display control relationship, 20–60 yr olds, China, comparison with Western data, implications for equipment design, 284
display vs standard vs haptic experience of weight vs lifter size information, judgment of lifted weight, college students, 28168
driving experience & type of sign, perceived utility of & attitudes toward road signs, drivers, Sweden, 43594
eigenvector range of face image, recognition & categorization of learned vs unlearned faces & determination of sex, adults, 28201
emergent perceptual features in visual display design with vs without explicit instructions, dynamic failure detection speed & accuracy, college students, 3835

encoding specificity with intact reference map vs random distribution of map features as cues, recall of text with map related facts, college students, 40171
flight simulator training with high vs low detail pictorial vs symbolic scene varying crosswind levels, transfer of pilot landing skills, inexperienced 18–30 yr olds, implications for simulator design, 23867
graphical vs tabular information display & linear vs multilinear number progression & problem type & memory capacity, problem solving, college students, 24407
half image separation magnitude & crossed vs uncrossed separation direction & viewing distance & stimulus size & exposure duration, depth perception in stereoscopic displays, college students, 24314
hand held map as supplement to wall signs, navigation in hospital outpatient department, adults, 34970
holography as memory model to explain deja vu experience, commentary reply, letter, 36290
holography as memory model to explain deja vu experience, commentary, letter, 36288
illumination modulation of visual display, distinctness of perceived 3 dimensional form, adults, 43955
information presented through lists vs flowcharts vs maps, procedural task performance, college students & staff, 28266
information theory vs percentage accuracy, measurement of effectiveness of interactive augmentative & alternative communication display, 23303
instrumented car with data collection & presentation devices for study of within car information system design & driving behavior & safety, 35679
issues in stereopsis, literature review, implications for design of stereoscopic display systems, 24315
knowledge map vs text format of information & prior knowledge & vocabulary, visual information search processes, college students, 32159
layout of radio frequency display on instrument approach plates, RT & errors in location of target frequency, 19–61 yr old airline pilots, 35677
liquid crystal display surface incident ambient illumination forward field of view adaptation luminance, detection of gap in Landolt-C type acuity target, male 25–37 yr olds, 16179
local vs global search task, abstraction & other cognitive processes in understanding of graphs & tables & illustrations, college students, 32140
localization & mental rotation in map reading, male college students, 12208
navigational & organizational & cognitive distance in aviation multifunction display, access of target screen from starting screen, student pilots & flight instructors, 19824
orientational instructions & spatial diagram of route, memory for landmarks & sequential order & turns & configurations, 25–40 vs 60–75 yr olds, 940
parameters of vertical display with rotary control, direction of turn & other stimulus response stereotypes, Chinese 19–34 yr olds, Hong Kong, comparison with US vs Japanese vs Australian data, 11765
pattern induced flicker colors, phase dependent lateral interaction effect on activity of color opponent neurons, 22–28 yr olds, 16579
posted feedback, litter control in cafeteria, college students, New Zealand, implications for environmental litter control, 15769
process of information search in visual diagrams, readers, research review, 32176
quality criteria for computer generated image systems on vehicle simulators, 27806
quantitative performance model of search strategies & response accuracy in computer menu search task, 15758
quantitative performance model of search strategies & response accuracy in computer menu search task, erratum, 47517
quantitative use of color in computer generated displays using coding scales, Os, 7757
random distribution vs high vs moderate spatial clustering of display item features, perceptual confirmation bias & framing effects in estimates of feature numerosity, college students, 40097
retinal position specific learning & other learning effects for random dot stereograms, learning of surface properties & depth edges & internal depth regions, adults, 8213
scene detail & visual prediction & guidance augmentation & speed of roll response, landing skill acquisition & transfer, male 18–30 yr old college students in aviation course, 31687
semantic similarity & omission probability & alternatives, search strategies & response accuracy in selection of sequential vs simultaneous computer menus, college students, 15757
set size & number & roles of pop out & grouping processes in visual conjunction search, college students, 8216
severe color vision deficiency, detection of color highlighted targets in simulated high workload air traffic control task, 18–29 yr olds, technical report, 10434
signs vs you-are-here maps, route preferences & heuristics for wayfinding in unfamiliar complex building, adults, 39606
simulated TV newscast with vs without graphics/visuals, audio recall & preferences & comprehension, college students, 25074
simultaneous graphic iconic vs textual representation of alternative choices, decision making, college students, 329
size & resolution of area of interest display, visual search & head movements in simulated flight, male pilots, technical report, military applications, 40006
spot elevation vs smooth contour depiction in terrain situation display with erroneous air traffic control vector information, recognition of hazardous terrain in flight simulation, pilots, 35676
standard vs time line genogram vs note taking, representation of family events & relationships, college students, 8151
static vs animated visual displays & natural &/vs intentionally mediated feedback, electronic troubleshooting skills in computer based instruction, college students, 27456
stationary fixation vs eye movements in computer generated visual tracking display, heading perception, adults, 20229
stereokinetic effect in computer based depth from motion visual displays, 19812
structural characteristics & diagrammatic notation for design of computer display menus & menu based systems, 11759
symbolic &/vs textual visual display in-car warning, RT & perceived urgency, automotive research & design workers, England, 15760
technique for production of large scale tritanopic displays, vision with equiluminant color contrast, adults, 8190
time constraint stress & uncertainty, processing of digital vs polygon displays, college students, 27805
trace intensity of phosphors P15 & P31 & interstimulus interval, confounding effects of phosphor persistence in oscilloscopic displays in visual temporal integration task, adults, 36078
use of decision worksheets, personal decision making regarding drugs & alcohol, college students, 13952
utility & classification of icons in user interface design, 11771
viewing orientation & target spatial position & depth cues & binocular disparity, spatial judgments with monoscopic vs stereoscopic perspective displays, adults, 16210
visual aids in public speech, anxiety, college students, 21853
visual development of database applications, 808
visual perception & extrapolation of linear trajectories of moving stimuli, adults, 16189
visual vs auditory quartiles, detection of dissimilarity between central tendency & variability & shape of data distributions, graduate students, conference presentation, 8101
written vs spoken vs computer assisted visually presented commands, cooking related task performance, aphasic male 50 yr old, 31055

Visual Displays [See Also Video Display Units]—Chapters

Cognitive processes and cartographic maps, 32191
Do illustrations serve an instructional purpose in U.S. textbooks?, 47213

Eye movements during "area of interest" viewing, 40015
Overcoming visual obstacles with the aid of the supposer, 39249
Statistical analysis in single-case research: Issues, procedures, and recommendations, with applications to multiple behaviors, 4203
Understanding illustrations in text, 47210
Visual Evoked Potentials—Serials
a priori stimulus form & color classification model, prediction of visual EP deviation waveshapes, adults, 32082
acute im scopolamine, flash visual EPs & EEG, healthy male 21–27 yr olds, 44720
acute vs chronic levo-acetyl-carnitine, visual cognitive ERPs, monkeys, 44575
age & semantic appropriateness of read vs heard sentences, contextual priming & amplitude & latency of early & late EPs underlying language comprehension processes, 5–26 yr olds, 17033
age, brain stem auditory & visual & long latency EPs & P3, 23–57 yr olds with chronic alcoholism, 10005
amplitude & temporal ranges of latency of visual EPs, 5–16 yr olds with congenital bilateral complicated vs uncomplicated myopia with amblyopia, 26377
amplitude of pattern visual EPs, 43–73 yr olds with transient ischemic attacks or prolonged reversible ischemic neurological deficits of anterior circulation, 14359
analysis of visual EPs in visual perception, 14–56 yr olds with left temporal vs left parietal local brain lesions, 26311
area 17 lesion, mapping & neural responses of middle temporal visual area to visual stimuli, owl monkeys, 12516
attended vs unattended stimuli, cognitive processing & visual EPs, 46–78 yr olds with multiple lacunar infarcts, 18330
auditory & visual EPs & severity of neurological dysfunction, mentally retarded 17 yr old male with undiagnosed classical phenylketonuria, 45832
auditory &/vs visual EPs & academic performance, psychology students, 47220
check size & single trial response variability, visual pattern reversal EP amplitudes, male vs female 61–75 yr olds, 8726
checkerboard flash to left vs right visual field, occipital visual EP measures of interhemispheric transfer time, right handed dyslexic 9–12 yr olds, 18092
color CFF, pattern electroretinograms & visual EPs, normal vision or protanopic 23–33 yr olds, 4642
correlation of visual P100 latency & nerve conduction velocity & nonverbal IQ, male 18–25 yr olds, 40401
cortical area related to verbal vs nonverbal visual EPs, right handed 25–48 yr olds, 16636
efferent copy & extraocular proprioception, visual EPs before & during horizontal saccades, cats, translated article, 16614
electrical microstimulation of nondirectional & directional superior colliculus neurons, evoked eye movements, cats, translated article, 16632
electrical stimulation of peribrachial region of reticular formation, timing & amplitude of visual evoked discharge of lagged vs nonlagged cells of lateral geniculate nucleus, cats, 16622
electrical stimulation to visual cortex, corticocollicular EPs, rabbits in awake state, translated article, 24759
environmental enrichment, flash & somatosensory EPs & grip performance & motor activity, male rats, implications for neurotoxicity screening methods, 28596
epidural mapping & contribution of lateral geniculate nucleus to surface recorded flash visual EPs, male monkeys, 8724
EPs & automatic processing in parallel & serial visual search, 17–36 yr olds with closed head injury, replication, 6369
ethanol, body temperature & pattern reversal & paired flash EPs, male rats, 28675
face discrimination task, oscillating multiunit neural activity & local field potentials in visual cortex, monkeys, replication, 602
flash & pattern reversal stimuli, serial visual EPs, 65 yr olds & older with senile dementia of Alzheimer's type or multi-infarct dementia or major depression, Scotland, 10408
flash & pattern reversal visual EPs, cortical response, 6 wk to 10 yr olds with cerebral blindness, 2349
flash & pattern stimulation, visual EPs, 21–71 yr olds with acephalgic migraine vs migraine with vs without aura, 22227
focal EEG & visual EP changes vs epileptiform activity, response to anticonvulsants & neurological complications, psychiatric patients, Mexico, 18373
focused & divided attention in visual selection, visual EP onset & P3 latency & RT & EMG, young vs older adults, Netherlands, 28601
Fourier vs non-Fourier motion, psychophysical analysis of visual EPs, 30–41 yr olds, 630
frequent vs infrequent visual vs auditory stimuli & event probability, P300 component of ERPs during attention task, 18–21 vs 56–71 yr olds, 44471
full vs temporal vs nasal half field stimulation, pattern reversal visual EPs, 15–75 yr olds with compressive lesions of optic chiasm, 10337
Grass photic stimulator flash with vs without auditory click, flash visual & auditory EPs, male rats, 12617
high vs low contrast & spatial frequency pattern reversal vs flash stimulation, P1 & P2 & P100 components of visual EPs, elderly with Alzheimer's disease, 2245
lesion to area 7 of parietal cortex, short term visuospatial memory & visual EPs, rhesus monkeys, 24702
lexical decision following 4 hypnotic hallucination conditions, visual EPs & RT & response bias & sensitivity of target detection, college students, 44189
light scatter, psychophysical perspective on pattern reversal visual EPs, 25–42 yr olds, 4661
luminance & contrast & spatial frequency, age related changes in visual EPs, 19–84 yr olds, 32503
luminance, preferential looking vs visual EP in grating acuity, 16 wk olds, 17002
magnetoencephalographic evaluation of P3 visual EP source location during visual oddball task, 20–40 yr olds, 36685
magnocellular pathway function & visual EPs, reading disabled 8–11 yr olds, 33942
menstrual cycle phase & EEG & visual EPs, 27–33 yr old females, 12604
modality specific brain responses by principal components analysis vs metric multidimensional scaling of auditory & visual EPs, elderly, 16633
nitrous oxide with vs without alcohol vs dextroamphetamine, RT & P300 latency, 21–35 yr olds, implications for stimulus vs response related processes in drug effects in inert gas narcosis, Canada, 44619
ocular convergence, lateral suprasylvian area neuronal spike discharge, alert cats, 28597
optical tract EPs, retinal discharge during gaze fixation & blinking stages, cats, translated article, 16613
pattern electroretinograms & visual EPs, elderly vs young adults, 4657
pattern onset stimuli, visual evoked magnetic response, 23–41 yr olds, 16615
perceptual closure & object identification, EP localization, male 21–39 yr olds, 4660
physostigmine, amplitude vs phase spatial frequency of visual EPs, cats, 40519
prefrontal brain damage, responsiveness of P3b component of EPs to deviation of visual targets & nontargets from stimulus category, 18–65 yr olds, 28590
probe location & onset asynchrony & target focused attention, EPs in visual search of array, right handed 18–27 yr olds, 36608
properties of 40 Hz EP response measurement of spectral sensitivity vs magnocellular vs parvocellular pathway cells, adult humans vs macaques, 40451
rapid presentation of stimuli, electrical response to recognizable vs unrecognizable images, English- vs Chinese-speaking adults, 8723
replicability of principal components & multidimensional scaling, assessment of pattern reversal visual EP topography, normal adults vs 58–79 yr olds with Alzheimer's disease, 20676
spatial frequency of full field vs hemifield stimulation, foveal visual EPs & hemispheric asymmetrical distribution of N70 response, 22–67 yr olds with homonymous hemianopia, 10429

spatial frequency of gratings, hemispheric asymmetry in visual EPs, right handed 20–40 yr olds, 32487
square wave grating orientation change, visual EPs & orientation selectivity, 3 mo olds vs adults, 9170
stages of infection, visual & brainstem auditory EPs & neurological & neuropsychological impairment, HIV-1 seropositve 16–61 yr olds with vs without AIDS, 42004
standard vs deviant stimuli & task difficulty, EPs & orienting responses, college students, Netherlands, 4653
standard vs deviant visual stimuli & interstimulus interval, EPs vs discrimination RT, 18–28 yr olds, 8193
stimulus specific high frequency oscillations in primary visual cortex, awake male monkey, 36599
task response probability & detection of within category deviation of visual stimuli, P300 EPs, college students, 20671
temporoparietal zone hemispheric specialization, visual EP measured structural information perception compensation, brain damaged 14–56 yr olds, translated article, 26310
test retest reliability of visual or auditory EPs, alcohol patients, 29884
time, EPs & vigilance performance in visual discrimination task, 18–25 yr old males, 12605
time of day & semantic categorization task, visual EP amplitudes, female 18–26 yr olds, 4664
visual & auditory stimulus intensity, auditory & visual EP amplitude augmentation or reduction, 18–50 yr olds, 40431
visual EP latency, prediction of relapse, alcoholic adults assessed after 21–45 days of sobriety, 33846
visual EP stimulus intensity & sensation seeking, 19–59 yr old thrill seekers, 36655
visual EP thresholds from visual cortex area 17 vs superior colliculus, albino vs pigmented rats vs adult humans, 12602
visual EPs during gaze fixation & vergence, cats, translated article, 16612
visual mismatch potentials in forebrain & optic tectum, pond turtles, 36610
visual selective attention & mnemonic memory processes & power in time epochs & correlation between left & right visual EPs, 9–13 yr olds, 12981
visual stimuli omissions, late magnetic fields & positive EPs, adults, 4659
visual vs auditory EPs & omitted stimulus, theta response during cognitive performance, 19–21 yr olds, 16616
white noise, pattern reversal visual EPs, 21–28 yr old females, 625
wrist flexion & extension responses assigned to separate stimuli & no go response to visually similar stimuli, primary cortex neuron responses & preliminary perceptual output, monkeys, 12611
4-tert-butyltoluene, auditory & flash EPs, male rats, implications for measurement of neurotoxicity, 28737

Visual Evoked Potentials—Chapters

Testing visual system toxicity using evoked potential technology, 26140

Visual Feedback—Serials

arm tracking performance with vs without visual feedback, clumsy 6–7 vs 10–11 yr olds, 984
early vs delayed visual feedback & spatial misalignment of eye & hand induced by optical displacement, adaptive coordination in pointing to visually implicit vs explicit target, college students, 40063
effort & relational body displacement alteration & visual feedback, adaptive perceptual motor processes, adults, 32123
handwriting with vs without visual feedback, cues in judgment of age of 67–85 vs 18–24 yr old writers, college students, 40831
immediate vs delayed visual feedback, handwriting dysfluency & movement time, adults, 12203
interactive dual feedback adaptation model of accommodation & vergence following viewing of stimulus, adults, 4675
kinesthetic vs visual feedback, computer mode error rate, college students with vs without computer text editing experience, Canada, 11776
motor &/vs visual feedback, Mueller Lyer vs Horizontal Vertical illusions, 19–46 yr olds, 43959
negative feedback control model of near response to distant or 3-dimensional space mediated by proximal convergence & accommodation, 4685
neural network with recurrent feedback connections, response modulation & system output amplitude, application of learning & memory model to vestibulo ocular reflex, 23905
progressive relaxation & positive practice & visual feedback, 29 yr old male with spasmatic torticollis, 2 yr followup, implications for role of anxiety, 2766
textual &/vs symbolic visual feedback from simulated automatic speech recognition device, performance on verbal decision task, college students, implications for control room systems, 27784
vision & writing duration, cursive handwriting RT & variability, college students, Netherlands, 24361
visual feedback & intersensorimotor integration, skilled aiming movement, 5–6 vs 8–9 vs 11–12 vs 20–30 yr olds, 25116
visual feedback about target changes, grasping vs pointing to target, college students, 44044
visual feedback conditions, asymmetries in manual aiming strategies, right handed males, 40051
visual feedback deprivation & imaginary targeting, intermittency in visuomotor tracking responses, 22–45 yr olds, 40058
visual feedback, rapid aiming at moving target, adult males, 36135
visual pattern disparity, hysteresis vs cooperativity vs depth averaging, adults, 4247

Visual Feedback—Chapters

Online control of hand reaching at undetected target displacements, 24375

Visual Field—Serials

added stimulation in peripheral visual field, perceived self motion in flight simulator, college students, 287
apparent depth & central vs peripheral displays & motion, linear vection strength & direction of self motion, 19–45 yr olds, 12177
attended vs unattended & visual field separation of semantic primes, lexical decision task, college students, Spain, 4306
attentional bias & visual field effects, bilateral visual presentation task performance, college students, 32090
background illumination vs darkness & line length, line bisection, right vs left brain damaged 41–78 yr olds with vs without left visual neglect, 18380
briefly presented flashing lines to left vs right visual field, illusions of movement perception, right handed adults, test of correlation type direction detection model, 244
central vs peripheral vs ecological cockpit flight displays & type & visual field location of task, reduction of central visual overload in dual tasks, college students, 11778
central vs right vs left visual half field input, mental rotation & mirror image matching, baboons & adults, 36571
CH cell large field inhibition of figure detection cell small field selectivity to motion of small objects, female blowflies, 32457
classical migraine attacks, visual field interference in performance of lateralized visual tasks, male 36 yr old, 34009
concurrent memory load, hemispheric difference in visual field advantage in mental rotation rate, right handed 18–38 yr olds, 36498
constriction of binocular visual field, driving, 24–35 yr olds, Australia, implications for driving safety, 7802
contralateral vs ipsilateral visual field stimulation, RT indicated interhemispheric interaction, left vs right brain damaged patients, 30161
contrast discrimination & eccentricity, oscillatory motion detection threshold across visual field, adults, 16206
dichotic listening & visual half field testing, assessment of hemisphere asymmetry from developmental perspective, 5 vs 8 vs 11 yr olds, Sweden, 16020
early visual experience, visual field size & grating acuity development, low risk & very low birth weight preterm infants, Netherlands, 1 yr study, 14204

exogenous vs endogenous cuing, automatic vs controlled visual field spatial attention orienting, drug free schizophrenic adults, 1714
field of view size, control of roll motion during visual tracking task, adult males, 39995
flow structure & sources of internal & external depth information, onset & magnitude of linear vection, adults, 44005
fundamental vs harmonic spatial frequency range of visual stimuli presentation to left vs right visual field, hemispheric asymmetry, male right handed adults, 16557
grating acuity & visual field development, 4–24 mo olds with bronchopulmonary dysplasia vs hyaline membrane disease, 14188
head angle relative to horizontality during landing flight & fixation of perch in visual field, pigeons, 16401
hemifield & disparity of dichoptic targets, horizontal saccades, 24–43 yr olds, 36629
hemifield of emotional cue & hemispheric arousal style & mood, perception of emotion of chimeric faces, right handed college students, 16550
hemispheric specialization vs reading habits & sentence length & number & congruence of primes, right visual field superiority in lexical decision, native Hebrew speaking male 20–30 yr olds, Israel, 32388
individual differences in cerebral hemisphere arousal asymmetry & visual half field stimulus, lexical decision RT & hemispheric alpha activity, male college students with right handed parents, 16547
inhomogeneity & anisotropies for motion detection in monocular visual field, adults, 44008
interactional attention to stimulus in right visual field with left visual field distractors in negative priming paradigm, male split brain 36 & 38 yr olds, 38260
left vs right field presentation of emotionally threatening vs nonthreatening words, opposite hemispheric attentional bias & visual field performance, male 18–27 yr olds, Netherlands, 8680
left vs right visual field targets, ability to shift covert visual attention independent of eye movements, schizophrenic patients, 21819
left vs right vs bilateral visual field stimulus presentation & task difficulty, response latency, 20–38 yr olds, implications for stage process model of hemispheric interaction, 20571
left vs right vs full visual field sinusoidally modulated light stimulation, interhemispheric alpha activity, female 20–28 yr olds, 24776
lesion of corpus callosum, extension of suppressive regions surrounding receptive fields of area V4 into ipsilateral visual field, monkeys, 28499
luminance increment vs decrement against background, large field asymmetry in perception of brightness vs apparent contrast of foveal disk, adult male, 28184
motion direction discrimination within blind field, patients with striate cortex lesions, 34215
neonatal vs adult left cerebral hemispherectomy, contralateral visual field & cytochrome oxidative & glucose metabolism & neural loss in superior colliculus, cats, 28512
neural motion input organization of inhibitory ventral CH cells in visual field, female blowflies, 32387
number of stimuli presented, performance on visual target cancellation task, 73 yr old female with unilateral neglect, case report, 26277
overlap of visual fields, ipsilateral retinal projections, 2 species of turtles, 20533
presentation of facial vs nonfacial stimuli to left vs right visual field, response to & integration of information across hemispheres, 22–36 yr olds with Capgras delusion & paranoid schizophrenia, 33623
priming stimuli in field contralateral to lesion, visual processing RT to highly congruent vs congruent vs noncongruent target in neglected field, brain damaged 42–82 yr olds with unilateral neglect, 22336
right vs left visual field presentation, judgment of semantic distance in word pairs, adults, implications for hemispheric dissociation, conference presentation, 12539
RTs to blocked vs randomly alternating visual stimuli ipsilateral vs contralateral to lesion, right vs left brain damaged 20–75 yr olds, 18343
scaling of stimuli in visual field, contrast detection threshold, adults, 8185
semantic relatedness of unattended words in left vs right visual field, lexical decision, adults, 28253
sex & brain hemisphere stimulation & threat manipulation, response bias on perceptual ESP test & defensiveness, college students, Netherlands, 4423
sex & masking & visual field angle of frame, laterality in rod & frame test, 18–28 yr olds, 36575
size & shape of attentional distribution in visual field during same different judgments, college students, 32093
spatial cues, judgments of temporal order for digits presented to right vs left visual field, college students, 32141
stimuli in right vs left visual field, numerosity judgments, commissurotomized 36 yr old male, 16534
target location in 3-dimensional visual space, saccadic latency, adults, UK, 4258
target presentation to left vs right visual field, lateral asymmetry in spatial localization RT of original vs mirror imaged targets, male right handed adults, 16531
unconventional viewpoint & monocular depth cues & visual field, object identification, college students, 28193
use of temporal mirror coating in back lens surface as visual field enhancement device, 37 yr old male with right homonymous hemianopia due to head trauma, case report, 7204
utility & statistical analysis of visual field awareness system using carrier lens with press on prisms, patients with visual field loss, 7190
valid vs invalid directional cues in left vs right visual field, automatic orienting of attention, schizophrenic adults, 41587
verbs & adjectives & word category & visual field presentation, lexical decision task RT & right hemisphere specialization, right handed 19–30 yr olds, 16551
visual attention shifts at vs away from fixation in visual field, adults, 43998
visual field framework with tilted room & body, perception of true vertical & horizontal, adults, reprint, 12144
visual field framework with tilted room & body, perception of true vertical & horizontal, adults, commentary on reprint, 12173
visual field presentation, performance on modified vs original categorical vs coordinate spatial relations task, 18–21 vs 56–86 yr olds, 928
visual half field technique for assessment of memory functions, neurosurgery patients with unilateral temporal lobe epilepsy, 26278

Visual Field—Chapters

Asymmetry of the effective visual field in vertical reading as measured with a moving window, 40025
Processing information in the functional visual field, 40031

Visual Hallucinations—Serials

blindfolding therapy, depressed 65 yr old female with visual & auditory hallucinations & initial insomnia & anxiety, case report, 38360
clinical considerations & etiologic hypotheses & treatment of visual & somatosensory & olfactory & gustatory hallucinations, 5742
cognitive & visual impairment status, 70–84 yr olds with Charles Bonnet visual hallucinations, 1520
complex visual hallucinations as presenting symptoms of dementia, 78 & 79 & 80 yr old females, case reports, 2243
dextromethorphan during fluoxetine therapy, development of visual hallucinations, female obese dysthymic 32 yr old, letter, 10646
lexical decision following 4 hypnotic hallucination conditions, visual EPs & RT & response bias & sensitivity of target detection, college students, 44189
visual hallucination of familiar face, 30 yr old male with temporal lobe hemorrhage, 22342
visual hallucinations & 5 hydroxytryptamine receptors, patients with senile dementia, commentary, letter, 18364
visual hallucinations, patients with age related macular degeneration, 18445

visual hallucinations without cognitive impairment or other psychopathology, female 84 yr old with senile dementia, 14309

Visual Masking—Serials

backward facial masking, recognition of emotional expressions, college students, 39984
backward masking with illumination of all fields vs checkerboard pattern, visual pattern recognition, patients with presenile Alzheimer's type or vascular dementia, diagnostic implications, 2298
density of component items, accuracy in identification of local letters in compound letter & geometrical forms & role of lateral masking in global dominance effect, adults, 32094
digital halftoning technique using blue noise mask, binary pattern & image perceptions, adults, 16183
distance between target & masks, contrast detection thresholds for flanked foveal Gabor signal & space dependent lateral interactions between spatial channels, adults, 36091
duration & interstimulus interval & contrast & spatial & temporal frequency of pattern adapter vs forward pattern masker, contrast threshold of Gabor pattern, adults, 36077
equal vs unequal interocular contrast & binocular spatial frequency pattern encoding, binocular unmasking, Os, application of phase vector vs summation models, 24319
lateral magnetic coil stimulation of calcarine cortex, visual unmasking, right handed adults, 36480
sex & masking & visual field angle of frame, laterality in rod & frame test, 18–28 yr olds, 36575
strength of temporal edge in amplitude of sudden increase in field luminance & masking duration, detection thresholds for changes in brightness, adults, 8191
task determined strategies during lateral masking, tachistoscopic letter recognition, severely dyslexic vs nondyslexic English vs Hebrew 18–58 yr old readers, 22101
visual background masking, affectively disturbed vs chronic vs nonchronic schizophrenic patients, Norway, 25735
visually masked vs unmasked semantically related vs unrelated prime, N400 EP as reflection of lexical access vs integration, 18–29 yr olds, Netherlands, 24755
width of overlying & flanking mask contours with words vs letters, recognition of letters in words vs isolated, adults, 40170

Visual Masking—Chapters

The role of visible persistence in backward masking, 266
Saccadic suppression: A functional viewpoint, 16215

Visual Perception [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Eye Fixation, Face Perception, Foveal Vision, Interocular Transfer, Monocular Vision, Peripheral Vision, Stereoscopic Vision, Texture Perception, Visual Acuity, Visual Contrast, Visual Discrimination, Visual Field, Visual Thresholds]—Serials

active vs passive activation of left limbs, visual & sensory neglect, male 62 yr old stroke patients, 38207
acuity & sign contour size & separation, visibility distance & comprehension of standard text vs standard vs improved symbolic signs, 19–35 vs 37–59 vs 61–76 yr olds, 39614
adapting amplitude & temporal repetition rate & retinal eccentricity & dark adaptation, properties of visual channels underlying adaptation to luminance change in ramp aftereffect, adults, 24645
advantages in use of graphic workstations & supercomputers to visualize scientific data, visually oriented dyslexic adults, 14056
age & line orientation & blob size, texture segregation, neonates through adults, 13069
age & spatial cues, visuospatial attention RT, 19–79 yr olds, 39988
age & sports practice, development of controlled covert orienting of visual attention, 13 vs 16 vs 25 yr old tennis players vs nonplayers, 13060
age, visual motion detection, infant macaques, 4435
age, visuomotor organization, male vs female left handed 5.5–20.5 yr olds, 28925
aging, visuospatial memory, 20–90 yr olds, 13047
aircraft operational factors & experience, importance of scene properties for visual low altitude flight, F-16 vs A-10 vs F-111 vs inexperienced Air Force pilots, 35635
algebraic representation of closed object shape by location implicit coding of visual shape constancies, 43863
allocation of visual attention & target eccentricity, RT, young vs older adults, 4257
amodal completion in perception of color spreading surrounding 3-dimensional object, Os, 44014
analysis of visual EPs in visual perception, 14–56 yr olds with left temporal vs left parietal local brain lesions, 26311
antidepressants, visual pattern integration, depressed patients entering treatment vs midtreatment, 42463
argument against extinction of left ear input during dichotic stimulus presentation as auditory attentional neglect, male 67 yr old with unilateral visual neglect, commentary, 22333
arousal condition, visual preferences for light stimuli, neurologically at risk neonates, 2270
array exposure duration & brightness & number of array items & retinal eccentricity, performance in partial report tasks, adults, 12149
attentional & visual orienting deficits, high functioning autistic 13–27 yr olds, Canada, 26061
availability of depth information through differences in bar width & luminance of gratings in plaid pattern, perception of vertical motion, adults, 32064
awareness for left side of internal visual images, female 52 & 73 yr old stroke patients with left side extrapersonal neglect, 30143
background illumination vs darkness & line length, line bisection, right vs left brain damaged 41–78 yr olds with vs without left visual neglect, 18380
bimodal frequency distribution in severity of visual hemineglect, elderly with unilateral cerebral infarct lesions, 34217
binding of visual attributes & role of object tokens in visual attention, implications for possible neural correlates, 28195
binocular visual information pick up, single handed ball catching, male 19–40 yr olds, 44048
brain lesions, visual recognition memory expressed in d' or arcsine terms, macaques, commentary, 24644
caffeine use & task automaticity & difficulty, visual search & detection, adults, 8935
central vs peripheral vs abrupt onset arrow cues, visual attention in character recognition task, college students, 20220
cerebral blood flow activation during visuoperceptual task, male patients with dementia of Alzheimer's type, 30191
change in appearance of object, awareness & timing of onset of reaching movement of subjective vocal utterance, adults, 36072
circuit architecture of & spatial summation by ganglion cells for efficient encoding of natural scenes, cat area centralis vs on-alpha cells vs monkey parasol cells, conference presentation, 8677
close visual scrutiny vs less visually demanding tasks, saccadic eye movements, 25–45 yr olds, 20212
cognition, mediation of visual perception & motor connection during mirror tracing, college students, 24273
color & rotation & movement manipulations of matrix of letters, ratings of letter vividness in perceptual vs drawings vs memory vs imagine modality, 15–48 yr olds, 21172
color vs form salience, perceptual selectivity in visual search, 18–25 yr olds, 4267
complete & incomplete occlusion of precollision velocity & angle information, visual perception of relative mass, adults, Sweden, commentary & replication, 43997
complexity of task load in visual scanning task, dimensionality of EEG, college students, replication, 40440
comprehension of relationship between visual perception & knowledge formation in self vs others, 3 vs 4 yr olds, comparison with research on chimpanzees & rhesus monkeys, 5122
computer character identification task system for test of scanning & monitoring abilities, 19–40 yr olds, 7930
concurrent validity of Rey-Osterrieth vs Taylor complex figures, measurement of visual memory, 20–80 yr olds, 11951

conditions of inattention, texture segregation & perceptual grouping by similarity or proximity, adults, 12163
consciousness or phenomenal experience as essence of psychological studies, discussion of thesis of A. J. Marcel & study on visual guidance of locomotion of J. J. Gibson, 8172
construct validity of the Continuous Visual Memory Test, healthy 18–61 yr olds, 127
contrast sensitivity function based & linear systems models of pattern vision, adults vs infants, 37058
cortical blindess, visual motion perception, male 40 yr old with damage to visual cortex, 10390
crystalline lens activity during real perceptual activity vs imagery, 18–25 yr olds, 8786
cue invariance & view instability & morphic generality in 3-dimensional illusory contour & surface perception, adult Os, 20202
development of Visual Assessment Procedure-Capacity Attention & Processing Test, assessment of visual functioning, visually impaired 3 mo to 4.5 yr olds, Australia, 27964
development of visual perception of motion & stability, infants, 37042
development of visual structures & spatial vision & oculomotor skills, infants, 37034
direct manipulation vs command based computer interface & learning mode & visual ability, attitudes toward computer system & learning performance, college students, 47513
direction & velocity & contrast & pattern configuration of stimulus, visual response properties of units in cerebellar cortex, turtles with vs without ventrocaudal brain stem transection, 40438
discrepant visual & haptic information, dominance of vision vs proprioception in form perception, college students, 24281
discrimination of point light animation sequence depicting biological motion, cats, 28389
display set size, sensory contributions vs attentional effects on perception vs decision rules in visual search task, adults, 20225
dissociation of object & spatial processing domains in neurons of prefrontal cortex, monkeys, 40420
distance from target of noise interference, judgments of orientation of imaginary line for formation of visual group, adults, implications for visual channels & boundaries, 12162
distinct vs shared features of visual stimuli, cortical involvement & RTs & ERPs in visual scanning, female macaques, 44383
divergent vs convergent perspective in perception of parallel lines, adults, Scotland, 20204
dominant subordinate neural unit-against-unit theory for explanation of visibility decrease of 1 phenomenal group in cases of simultaneous or metacontrasting stimuli, 36526
duration of prior exposure, fatigue & set effects in configurational perception of reversible ambiguous figure, college students, 24308
dyslexia & perceptual processing & other vision disorders & care issues, literature review, 41426
echolocation vs visual vs sound vs movement cues in sensory basis of prey detection, prey availability & selection, long eared bats, 4496
edge extraction vs early visual experience, 3 dimensional orientation & identification of objects in photographs & line drawings, Os, 12150
edge orientation & movement direction, apparent misalignment perception, college students, 43966
EEG topographies during simple detection & form & rhyme discrimination of letters, dysphonemic dyslexic 11.2–14.5 yr olds, 22109
element similarity & line orientation, texture segmentation & pop out & grouping of targets in preattentive vision, adults, 16187
expectancies for noise, interference & choice of parallel vs focused phase for visual processing, adults, 12151
expectation priming & color words vs neutral stimuli manipulation, Stroop effects, college students, Israel, 16200
expression of perceived & remembered visual areas in figure recognition & recall, college students, replication, 36080
eye & head latency & movement times, visual localization of targets outside initial field of view, deaf & aurally handicapped 5–7 & 10–12 yr olds, implications for motor development lags, 10436
eye movement during text reading, 56 yr old male with right basal ganglia infarction & left sided visual hemineglect, case report, 6372
eye movements & scene perception, literature review, 24317
facial & auditory affect recognition & ability to comprehend & follow instructions, institutionalized depressed vs nondepressed 6.1–10.8 yr olds, 45470
facial motion & temporal correspondence, intermodal perception of happy vs angry expressive events, 7 mo olds, 970
family history of alcoholism, visual spatial learning, male vs female college students, 45718
feature similarity between image elements & specific constraints, perception of apparent motion, adults, 32069
field dependence independence & visual space memory, college students, 41292
filling in gaps in visual vs somatosensory perception, patients with scotomas of cortical origin vs phantom limbs, 38129
forebrain structures, visually guided eating behavior, female pigeons, 564
gravity cue hypothesis of estimation of distance to & size of visually perceived moving objects, 8230
haptic vs visual volume cues, size-weight illusion, 17–40 yr olds, 36060
hemispheric differences, categorical vs size judgment based on semantic memory vs visual imagery in processing pictorial stimuli, patients with schizophrenia vs affective disorder, 33518
heterogeneity of speed vs direction of stimulus, motion coding by visual system in visual search, adults, England, 238
high level psychological vs low level computational physiological processes in explanation of visual illusions, 28188
higher order structure & detection of global regularities in visual patterns, college students, Belgium, 44010
horizontality representation in haptic version of water level task, female vs male 19–34 yr olds, Canada, 43931
hypertext & sensory level supports, visual learning of aircraft names & shapes, college students, implications for education, conference presentation, 40185
illustrated vs photographed fashion advertisements, perceptual & affective responses, 22–87 yr old females, 27775
imaging ability, individual differences in visual processing of EEG waveforms, male neurologists, 44011
inattention trial & unknown stimulus objects in visual distraction task, line judgment & shape & color & other visual perception, 12–53 yr olds, 13066
independence of neural pathways & subsystems mediating visual behavior, primates, research review, 32418
individual differences in hypnotic susceptibility & visuospatial skills, afterimage persistence, adults, 20193
inferior temporal cortex neurons, visual memory, monkeys, 20521
inferior temporal neurons, visual memory & multiplication of visually elicited temporal waveforms with waveforms from memory in 3 layer neural network, monkey, 20520
initial registration of visual information, recent onset vs chronic schizophrenic vs substance abusing patients, 17657
instore influence & visual perception, impulse or unplanned purchasing, customers, modification of classical views of buyer behavior, 23814
integral vs separable dimensions, asymmetries & interactions among processing of position & width & contrast of light bar, college students, implications for neuron mapping, 12175
integrated account of visual sensation & recognition & attentional selection, 236
interletter distance & eye fixation & word length & shape, letter visibility & optimal viewing position effect in word recognition, college students, Germany, test of visual acuity, 12166
internal representation vs external memory as compensatory mechanisms for blind spot & eye movement defects in visual perception, 24313

intervals & onset delay of magnetic coil stimulation of calcarine cortex, visual perception depression, adults, implications for information processing delays, 36481
judgment & errors in visual perception & robotic observation, 47565
lateral magnetic coil stimulation of calcarine cortex, visual unmasking, right handed adults, 36480
laterality effect for speed & accuracy of judgments of low vs high frequency tones, comparison to visual laterality, college students, 28215
lesion to area 7 of parietal cortex, short term visuospatial memory & visual EPs, rhesus monkeys, 24702
lesion topography, patterns of hemineglect, 30–83 yr olds with right hemisphere stroke, 22310
light intensity & stimulus length & similarity & confusion, slowing of preprocessing & identification stages of visual processing, adults with induced hypoxia, 38092
light scatter, psychophysical perspective on pattern reversal visual EPs, 25–42 yr olds, 4661
light stimulus intensity, neural visual adaptation, male young vs adult vs aged rats, 32451
line drawings of objects from memory vs line drawings vs real objects, female 36 yr old with visual form agnosia caused by brain damage, implications for surface property cue importance, 38290
liquid crystal display surface incident ambient illumination forward field of view adaptation luminance, detection of gap in Landolt-C type acuity target, male 25–37 yr olds, 16179
list of results from visual subliminal psychodynamic activation experiments, 239
living vs nonliving stimuli, visual recognition performance, 21 yr old male with presumptive herpes encephalitis, 6391
luminance & exposure duration, perception of transparency, 26–32 yr olds, 8229
MA & development of intellectual to realism shift in drawing, autistic 6–18 yr olds, 41786
magnetic field vs color preference vs celestial light intensity & polarization, visual vs olfactory response, seed chalcids, 12340
mathematical model of & psychophysical aspects in interdependence of signal dependent vs independent RT components during visual spatial position detection, Os, 175
mathematical model of visual motion analysis based on decomposition of image transformations into 2-dimensional affine Lie subgroups, 20210
mathematical modeling & representation & explanation of visual perception & McCullough effect, 28182
mathematical modeling of light adaptation with aperiodic vs periodic stimuli, 4671
measurement & meaning of inspection time & relation to individual differences in intelligence, literature review, 5615
mental imagery with vs without drawing support, recognizability & creativity of patterns produced in visual synthesis task & limitations of cognitive resources, college students, 39978
mere exposure effect in recognition of subliminal vs consciously perceived visual stimuli, college students, 4248
method of reproduction, Mueller Lyer illusions, college students, 32075
model for retinocentric & geocentric & egocentric & pattern-centric levels of representation in veridical detection of visual orientation of objects, 28209
model of communication between & interplay of audition & vision in identification of out of sight sound source, 16127
model of dynamic integration in visual system organized into streams for form & color & motion, 20231
model of perceptual motion transparency & coherence for processing stages of image velocity, adults, 16173
model of visual learning & perception based on cognitive development, visually impaired children with developmental disabilities, 18455
modified open field apparatus, rapid assessment of responses to visual change, male rats, 40233
monocular vs binocular vision & advance vs retreat to maintain ball's constant vertical optical velocity & estimated trajectory ball catching, adult softball players & college students, 16248
moving visual stimuli with vs without directionally synchronized sound, visual preferences & intersensory discrimination, 4 vs 8 mo olds, 9166
Mueller-Lyer & Oppel-Kundt & Ponzo & Poggendorf & vertical horizontal & Zollner & Delboeuf geometrical illusions in haptic vs visual mode, sighted college students, 12142
multidimensional scaling analysis of perceptually relevant features of M. C. Escher's prints vs artist's classification of his work, college students, 28123
multiple object adaptive grouping of image components neural network, learning of image segmentation based on dynamic feature binding, 23906
N. Goodman's relativist theory vs J. J. Gibson's ecological approach to picture perception, 43956
narrow vs wide aperture, anorthoscopic images, adults, 28205
nature of blind spot in spatial visual system, 24316
neural network controllers based on feedback error learning & modular architecture, recognition of manipulated objects by somatic &/or visual information, 47572
neural network model of 3 dimensional visual perception & figure ground separation by visual cortex, 47573
neuropsychological framework for specialization in visual recognition system, 20211
noise & visual obstruction, distance of hand from body during signing & vocal intensity, hearing 23–41 yr olds, 16953
nonaccidental properties & symmetry in object recognition experiments, Ss, 12179
noninvasive transcranial magnetic stimulation, suppression of visual perception, 19–38 yr olds with optic neuritis vs healthy adults, 46068
nonlinear oscillator model of multiple resonance peaks in double flash effect, 20221
normative data on Hooper Visual Organization Test, assessment of early acquisition of visual organization ability, male vs female 5–13 yr olds, 5108
number of stimuli presented, performance on visual target cancellation task, 73 yr old female with unilateral neglect, case report, 26277
olfactory & visual characteristics of white card landing surface, landing position during pheromone mediated flight, male brown apple moths, 16471
olfactory & visual cues, nest location & recognition, female carpenter bees, 16475
optic flow motion patterns, heading perception robustness, 28–59 yr olds, 4269
optical flow & spatial constancy & visual perception of curvature, 43965
optical imaging of architecture & function in living brain, study of cortical mechanisms in visual & other sensory perception, 24680
optical information, perceived harshness of computer simulated collision, college students, mathematical model of locomotion, 20219
parallel pattern processing in visual search, elderly male with visual agnosia, 26302
parietal vs temporal cortex lesions, visual memory & visual spatial & cognitive functioning, rats, 28496
passive viewing of Necker cube during massed vs distributed practice, reversals, high school students, 32896
perceived head motion & absolute distance, perception of sagittal motion, college students, 241
"Perception" HyperCard stack, demonstration of visual illusions & other perceptual phenomena, conference presentation, 39982
perception of boundary interpolated & spatially fragmented & illusory objects, 24305
perception of illusion of 3-dimensional rotation from vertical sine wave line translation, college students, 32084
perception of moving phantom illusion, college students with light vs dark pigmented fundus in eye, 44356

perception of unilateral vs bilateral tactile vs auditory vs visual stimuli vs tactile finger recognition vs fingertip number writing, adults with left vs right cerebral lesions, reanalysis, 18398
perceptual & cognitive spatial learning processes, college students, 40153
perceptual & optometric testing battery, assessment & differential diagnosis of visual perceptual deficits, traumatic brain injury patients, 6333
perceptual characteristics of Paleolithic art, 12934
perceptual motion coherence & middle temporal visual area neural sensitivity, rhesus monkeys, 12618
perceptual strategies, grasping object in motion at constant velocity, right handed 20–25 yr olds, 28234
performance on Benton Visual Retention Test Revised Edition visual memory & copy tasks, healthy elderly vs 51–96 yr olds with senile dementia of Alzheimer's type, 132
peripheral vs central symbolic cues & stimulus onset asynchrony, endogenous & exogenous visual spatial attention shifts, 17–21 vs 53–82 yr olds, 918
physical & visual & orientation sensory deficits, male 62 yr old with right occipital pole infarction, case report, 2289
picture content information, expectations of spatiotemporal characteristics of next picture, 2 vs 3 mo olds, 988
pointing rate & visual feedback availability, visual & proprioceptive components of prism adaptation, college students, 8278
possible loci of impairment of object naming with spared visual action naming, brain damaged male 60 yr old with optic aphasia, England, case report, 6385
posterior parietal vs temporal cortex lesions, visual spatial & gross kinetic functioning & equilibrium, rats, 28529
postsaccadic sensitivity to retinal input during picture scanning, visual recognition, Os, 36094
preattention & cognitive processes, perceptual completion of visual information at blind spot on retina, 18–35 yr olds, 32037
presence of visual constancy at birth & early infancy, 44901
preserved figure ground segregation & symmetry perception, 69 yr old male with right hemisphere damage & left visual neglect, case report, 22349
primary depth cues & background pattern, detection of slant in depth of rectangular & trapezoidal surfaces, 19–30 yr olds, 251
priming stimuli in field contralateral to lesion, visual processing RT to highly congruent vs congruent vs noncongruent target in neglected field, brain damaged 42–82 yr olds with unilateral neglect, 22336
principal interest & greatest stimulus weight & directional cues in mirror reversed vs original depictions of paintings, aesthetic evalution, sinistral vs dextral college students, 16562
prior brief presentation of image, recognition in visual priming, college students, 12148
prior knowledge as supplement to retinal image information & deliberate miscuing by bowler, visual judgment of ball angle & location, cricket batsmen, 11723
procedure for production of luminance distribution of perceived image of scene & mathematical modeling of visual inhomogeneity & decreased acuity with eccentricity, Os, 240
processing load & negative vs positive thought disorder, visual selective attention performance, patients with schizophrenia vs manic type bipolar disorder, 33549
profile vs motion of points of correspondence, perception of 3-dimensional shape, college students, 4263
pyridostigmine bromide as nerve agent exposure pretreatment, visual functions, male aviator candidates, 12911
quality & perceptual processing demands of visual signal, fixation duration & saccadic eye movement initiation, 20–25 yr olds, 4270
ratio of physically specified to total edge length, strength of visual boundary interpolation, college students, 253
recognition by components incorporating general viewpoint invariance vs stimulus variations dependent of object orientation theoretical models of visual perception, 12178
recognition polynomials vs solution to problem of recognition of configuration, implications for computerized object recognition, 32062
redundancy & visual context, object feature perception, college students, Canada, 32095
response bias in perceptual judgment of geometric illusions, adults, 32080
Rey-Osterrieth vs Taylor Complex Figure Test, measurement of constructional praxis & visual recall & interference, adults referred for neuropsychological assessment, conference presentation, 126
right hemispace visual stimulation, left sided neglect in line cancellation task, 55–87 yr olds with right cerebral infarct, 18353
role of inferior temporal cortex in associative long term memory & integration of visual perception & memory capacity, research review, 32419
salience of visual stimulus context, closure & division & visibility outcomes, college students, test of salience independence theory, 43979
segmentation of pitch glide stimulation vs synthesized vowel sounds & subsequent changing state effect, visual short term serial recall, college students, 40168
set size & coordination between items in working memory & visual perception, response latency & serial position effect in list processing tasks, college students, 40082
sex & molt stage, courtship & mating behavior, vision deprived male vs female lobsters, 24615
shape & size dissociation, perception of symmetry, adults, 8218
shipboard landing helicopter simulator scenario with visual tasks & protocol analysis, Navy helicopter pilots, 15763
short term memory storage of phonological vs visuospatial information, EPs, 19–39 yr old males, 20679
similarity of auditory vs visual phonological stimuli, verbal short term memory, left brain damaged 21–82 yr olds with aphasia, 18418
simple visual &/or auditory &/or movement &/or complex &/or choice RT, 24–60 yr olds with vs without HIV, Norway, implications for development of neuropsychological test battery, 18273
size of & open vs closed & occluded vs not occluded repeated figure, ability to recognize stimulus, adults, 43961
spatial contrast sensitivity display driver for assessment of visual performance, 8192
spatial frequency bandwidth & highpass vs lowpass filtered images, perceived image duration, adults, Scotland, 4259
spatial frequency of 2 dimensional pattern motion, coherence capture & perceived direction of gratings, adults, 4273
steady fixation vs free looking, apparent contraction of spatial separation between moving visual objects along direction of motion, Os, 20207
step height & practice, perceptual judgments of stair climbing ability & difficulty, short vs tall 9 vs 12 vs 19–45 yr old males, 28932
stimulus blindsight vs neglect, visual perception vs nonconscious visuospatial localization, college students, application of signal detection theory, 28190
stimulus color & luminance & motion & looming, visual processing responses of cells in subdivisions of nucleus rotundus, pigeons, 28562
stimulus complexity in color & location in block pattern, holistic vs dissociative perception of symmetry, college students, 4260
stimulus duration & global & local information eccentricity in hierarchical patterns, processing dominance, 22–35 yr olds, 43983
stimulus response compatibility task without visual cues marking stimulus position, spatial distribution of selective attention, 17–36 yr olds, 17004
structural asymmetry in thalamofugal visual projections & hemispheric differences in synaptic density of hyperstriatum accessorium, 2 day old male chicks, 8674
structural information processing deficit & feature attentional strategy use in object recognition, female 58 yr old with Alzheimer's disease & visual agnosia, case report, England, 22406

subjective spatial organization & perception of transparency, orientation contingent color aftereffects, 25–43 yr olds, 4271
symptoms of posttrauma vision syndrome, patients with traumatic brain injury, implications for rehabilitation, 38271
target location in 3-dimensional visual space, saccadic latency, adults, UK, 4258
target types & preferences & display frequency, redundancy gains & coactivation & RT on 2 targets, college students, test of interactive race model of divided attention, 43986
task criterion, early visual recognition & processing deficits, schizophrenic 18–40 yr olds, 5893
task specificity & vision, schema development during pursuit tracking acquisition, right handed college students, Canada, 36136
temporal frequency of dynamic vs static random noise vs uniform background, time of fading of peripheral visual target, adults, 8223
temporoparietal zone hemispheric specialization, visual EP measured structural information perception compensation, brain damaged 14–56 yr olds, translated article, 26310
textons & priming, delayed vs immediate object recognition & discrimination & pop out effects, infants, 13067
theoretical context of Space Contraction in Motion effect in visual kinematics, 20208
theory of visual processing based on redundancy reduction, derivation of color coding & other retinal transfer functions, goldfish & primates & other species, 8440
threatening vs nonthreatening visual stimuli, behavioral responses & duration of attention, male cynomolgus macaques, 16402
tools for visual simulation of architectural space, college students, 19828
training in virtual worlds, learning of spatial procedural & spatial navigational tasks, adults, 16191
transient sustained receptor hypothesis of dyslexia, commentary reply, 10142
transient sustained theory of visual processing & color filtering intervention reduced contrast, reading comprehension, reading disabled 8–12 yr olds, 2410
unbiased perception of projection equivalence as basis of kinetic depth effect, adults, test of projection hypothesis, 12167
unmasking of visual deficits of each hemifield, male 55 yr old & female 25 yr old with ventral prestriate area lesions, 34210
use of chaos in generation of keys for associative noise-like coding memories, application in computerized image classification, 47550
validity of Test for Visual Analysis Skills, White 6–8 yr olds with visual perceptual problems, South Africa, 15979
variability of slant, adjustment of local gauge figure to perceptually fit apparent surfaces of objects in photographs, adults, 16176
vegetation density, structure visibility from road traffic, 47533
verbal visuospatial correlation & single physiological brain processes, individual & sex & race differences in intelligence, commentary, 12236
vertical & horizontal bar bisection & displacement of visual midline, 30–70 yr olds with attitudinal scotomata, 38336
vertical vs horizontal vs oblique optokinetic stimulation & gravitoinertial force in parabolic flight, optokinetic nystagmus & perception of visual stimulus orientation, 28–47 yr olds, 635
vestibular stimulation, motor deficit & hemiplegia & somatoparaphrenic delusions, 69 yr old female with unilateral neglect due to right parieto-temporo-occipital infarct, 2310
viewing instructions & stimulus frequency, suppression of optokinesis by stabilized target, 20–45 yr olds, 4262
viewpoint orientation in object recognition, implications for perceptual constancy, 43989
visibility of partner, rate of sign production & distance of hands from body, deaf 31–67 yr olds, 18453
visible surface layout & geographical slant, perceived maximal slope & affordance for walking, college students, 16247
vision vs memory guided or spontaneous saccades in dark, neuron burst discharges in fastigial oculomotor region, monkeys, 28591
vision vs no vision conditions, movement time & trajectory size of handwriting stroke movements, college students, Netherlands, 40069
visual & auditory orienting responses, preterm twin 2 day to 5 mo olds, 1977–87, 961
visual & motor strategies in ball catching, 4–10 yr olds, England, 9111
visual abstraction, backpropagation neural network vs regression & correlation modeling vs college students, conference presentation, 43610
visual allochiria, 69 yr old female with left visuospatial neglect after right frontoparietal hemorrhage, England, 10363
visual angle, imagined speed, college students, implications for legal eyewitness testimony, 8207
visual attention & judgment of relative location of objects &/vs object parts, college students, application of spatial vs object based theory, 39979
visual attention in form identification task, perceptual grouping, adolescents & adults, 12145
visual attention shift to unpredictable location, time course of sensitivity to information, college students, 4250
visual control of linear braking & tau function of body angle in upright landing from forward somersault, trampolinists, 12136
visual decoding performance on 2-flash fusion & backward masking tasks, male schizophrenic 23–44 yr olds, 29716
visual field presentation, performance on modified vs original categorical vs coordinate spatial relations task, 18–21 vs 56–86 yr olds, 928
visual functioning, implications for visual therapy for visually impaired infants & children, 14801
visual graphics &/vs auditory representation, efficiency in exploratory data analysis, college students, conference presentation, 39971
visual hierarchy model of visual perceptual deficits, adults with acquired brain injury, implications for evaluation & treatment, 18425
visual judgment of low vs medium vs high postural angles of shoulder flexion, engineering students, ergonomic implications, 31671
visual laterality & asymmetry in spatial frequency processing, reply to commentary on literature review, 36492
visual learning & recall & pattern recognition, synaptic metabolism measured by regional cerebral blood flow, 20–34 yr olds, 32438
visual localization & segmentation of oriented textures, 14–18 week olds, England, 13030
visual mental image generation & maintenance & rotation, deaf vs hearing American Sign Language signers, 34259
visual orienting performance & attentional asymmetry, schizophrenic patients, 17799
visual pattern disparity, hysteresis vs cooperativity vs depth averaging, adults, 4247
visual perception & extrapolation of linear trajectories of moving stimuli, adults, 16189
visual perception & recognition of pictorial stimuli & memory, patients with associative visual agnosia, 14426
visual perceptual grouping & role of cooperative neural connections & emergent features & lateral vs terminator relationships of subjective contour, 28187
visual recognition & mental imagery, copying vs drawing from memory, 24 yr old male with closed head injury induced visual agnosia, 18416
visual skills & ability, female volleyball vs male & female general high school athletes, 948
visual stimulation vs microstimulation vs lesions of extrastriate visual cortex area MT, visual motion perception, monkeys, 28532
visual vs olfactory cues, nest localization & recognition, solitary bees, 20465
visuomotor integration & visual form perception & handwriting performance, clumsy vs dysgraphic vs normal 10 yr olds, 26192
visuospatial memory, elderly patients with mild vs moderate senile dementia of Alzheimer's type, 2312

visuospatial neglect, line bisection errors, 57–76 yr olds with left hemiplegia vs right hemisphere stroke, 30155
vodka dosage, RT & anticipation time & visual performance during 140 min post ingestion, 21–40 yr olds, 25008
wavelength adaptation, differential sensitivity of short wavelength sensitive cone color system, adults, 4690
wrist flexion & extension responses assigned to separate stimuli & no go response to visually similar stimuli, primary cortex neuron responses & preliminary perceptual output, monkeys, 12611
2nd order motion perception, adults, 43984
Visual Perception [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Eye Fixation, Face Perception, Foveal Vision, Interocular Transfer, Monocular Vision, Peripheral Vision, Stereoscopic Vision, Texture Perception, Visual Acuity, Visual Contrast, Visual Discrimination, Visual Field, Visual Thresholds]—Books
First drawings: Genesis of visual thinking, 13077
Neural computation of pattern motion: Modeling stages of motion analysis in the primate visual cortex. Neural network modeling and connectionism, 31727
Perception and cognition: Advances in eye movement research. Studies in visual information processing, Vol. 4, 40009

What can rates of development tell us about underlying mechanisms?, 17104
Visual Perspective [See Linear Perspective]
Visual Receptive Fields—Serials
activity dependent mathematical model of self orientation of receptive field columns in visual cortex, 36539
bicuculline, orientation biases in dorsal lateral geniculate nucleus neuronal responses & orientation sensitivity of visual cortical neurons, cats, 36904
concealed color opponency & dark vs background adaptation, changes in shape of relative field sensitivities in medium vs long wavelength cone pathways, adults, test of 2 pathway 2 site detection model, 40362
electrical microstimulation of nondirectional & directional superior colliculus neurons, evoked eye movements, cats, translated article, 16632
face discrimination task, oscillating multiunit neural activity & local field potentials in visual cortex, monkeys, replication, 602
full vs temporal vs nasal half field stimulation, pattern reversal visual EPs, 15–75 yr olds with compressive lesions of optic chiasm, 10337
global & local motion processing in middle temporal visual area, owl monkeys, 548
homologies in cortical position & internal organization of visual receptive field maps, cats vs macaque monkeys, 28540
lesion of corpus callosum, extension of suppressive regions surrounding receptive fields of area V4 into ipsilateral visual field, monkeys, 28499
looming visual stimulation of hemianopic field, defensive responses, monkeys with unilateral striate cortical lesions, 20548
midazolam dosage, visual receptive fields, light vs dark adapted adults, 24890
number of priming word prompts contextually congruent vs incongruent with word vs nonword target in right vs left visual field, hemisphericity in lexical decision, 20–30 yr old males, 20523
pattern elicited electroretinograms during color opponent processing, field spectral sensitivity, 27 vs 66 yr olds, 16208
resolution & contrast sensitivity & receptive field organization of primary visual cortex cells correlating with cortical layers & cytochrome oxidase, bush babies, comparison with macaques & cats, 28497
spatial frequency of full field vs hemifield stimulation, foveal visual EPs & hemispheric asymmetrical distribution of N70 response, 22–67 yr olds with homonymous hemianopia, 10429
spatial frequency of Munsterberg or Cafe Wall illusions, cooperative coding by visual cortical cells in representation of visual borders of illusions, adults, 8226
spatial patterns of antagonistic cone inputs in receptive field centers of P & M retinal ganglion cells & their targets in lateral geniculate nucleus, macaque monkeys, conference presentation, 8670
Visual Receptive Fields—Chapters
Visual properties of neurons in inferotemporal cortex of the macaque, 20624
Visual Search—Serials
age, performance on memory & visual search tasks, adults, erratum, 36054
angular orientations between target & distractor, visual search for oriented lines, adults, 20235
apparent depth, visual search for direction of luminance gradient, college students, Canada, 233
application of signal detection theory to visual target acquisition, 40007
array shape & characteristics & presentation of status information, eye movements & visual search in computer visual display unit tasks, Ss, 47519
binocular disparity, surface & depth vs feature detection in visual search, adults, 12155
caffeine & automaticity & task difficulty, information processing in visual search & detection, college students, 36822
caffeine use & task automaticity & difficulty, visual search & detection, adults, 8935
chromaticity & luminance of target &/vs distractors, target coding & visual search times, adults, implications for visual display design, 16186
cognitive rehabilitation, visual spatial scanning deficits, 56–74 yr olds with hemineglect disorder due to right hemisphere brain lesions, Italy, 15073
color coded symbolic tactical display of flight information & mental work load, eye movements & pupillary response during visual search, 19–45 yr old engineers & student engineers, 15761
color vs form salience, perceptual selectivity in visual search, 18–25 yr olds, 4267
discriminability & sequential priming, RT & choice & detectability during visual search, pigeons, 432
display set size, sensory contributions vs attentional effects on perception vs decision rules in visual search task, adults, 20225
display size, representation & selection of relative position of shapes & attention in visual search tasks, college students, Canada, 39990
display size, visual search with symmetric vs asymmetric target distractor pairs, chimpanzees vs adult males, 44262
distinct vs shared features of visual stimuli, cortical involvement & RTs & ERPs in visual scanning, female macaques, 44383
EPs & automatic processing in parallel & serial visual search, 17–36 yr olds with closed head injury, replication, 6369
eye movements in ocular exploration for light in darkened room, 49–55 yr olds with visual neglect, 6370
focused & divided attention in visual selection, visual EP onset & P3 latency & RT & EMG, young vs older adults, Netherlands, 28601
heterogeneity of speed vs direction of stimulus, motion coding by visual system in visual search, adults, England, 238
IQ, RT for detection of straight vs slanted lines in presence of distractors, college students, 16165
lesioning of Search via Recursive Rejection connectionist model by internal noise & elimination of processing units, simulation of abnormal human visual search & distractor grouping, 24303
local variation in orientation & curvature, visual search, college students, 20236
local vs global search task, abstraction & other cognitive processes in understanding of graphs & tables & illustrations, college students, 32140

neural activity of inferior temporal cortex in visual search for target in memory, monkeys, 40434
number of display items & nontarget distractors & tapering of line termination, parallel discrimination of subjective contours defined by offset gratings in visual search task, adults, Canada, 12153
number of distractors, RT for detection of fast target among slow distractors vs slow target among fast distractors, college students, 12157
orientation & number of display items, target detection vs identification vs localization in visual search, adults, 32079
parallel pattern processing in visual search, elderly male with visual agnosia, 26302
perceptual grouping & preattentive search & depth & motion perception & extraction of shape from shading information, adults, 243
perseveration in visual search & verbal fluency tasks, 3–7 yr olds, application of developmental & neuropsychological perspectives, 908
physical vs phonological matching task, eye fixation duration in visual search, 20–25 yr olds, Japan, 24304
probability of target-distractor combinations, visual search RT, pigeons, 44230
probe location & onset asynchrony & target focused attention, EPs in visual search of array, right handed 18–27 yr olds, 36608
process of information search in visual diagrams, readers, research review, 32176
properties of parallel preattentive stage of guided visual search, 24487
random vs direct path eye movements during visual search, female graduate students, 40466
rapid 10 hr time zone changes, desynchronization & resynchronization of circadian rhythms of body temperature & alertness & visual search, 21–50 yr old female flight attendants, Finland, 36648
SEarch via Recursive Rejection model of visual search, prediction for conjunction targets with homogeneous vs heterogeneous distractors, adults, 20216
self terminating vs exhaustive processing models in rapid visual & memory searches, research review, 44119
serial vs lateral visual search efficiency, 26–74 yr olds with focal lesions to dorsolateral frontal vs lateral vs temporal parietal cortex, 22351
set size & number & roles of pop out & grouping processes in visual conjunction search, college students, 8216
short term memory requirements of concurrent nontemporal task, memory & visual searches & time estimation & production, 18–38 yr olds, 44143
size & resolution of area of interest display, visual search & head movements in simulated flight, male pilots, technical report, military applications, 40006
status conspicuity & peripheral presentation of text editing information, eye movements, 21–55 yr olds with computer keyboard expertise, implications for human factors engineering, 28203
stimulus color &/or letter, target detection RT, college students, implications for visual information processing, 43985
stimulus orientation congruency, visual search time, college students, 12159
target &/vs distractor learning deficits, semantic category visual search, young adults vs elderly, 17059
target set size, attention & RT in visual search, 24–63 yr olds, 4251
ultradian variability during repeated measurement of imagery vividness & correlation with visual search performance, college students, 20293
unique target discrimination in visual search task, RT measured attention shift, pigeons, 24522
verbalization, visual search & planning performance, 9.8–10.3 yr olds, India, 32877
visual scanning of cocaine related paraphernalia, cocaine cravings & urges, cocaine addicted inpatients, 45750
visual search in multiple alternative matching to sample paradigm, RT, chimpanzees vs college students, 24516
visual search matching to sample & attentional set shifting performance, patients with senile dementia of Alzheimer's vs Lewy body type, 26328
visual search patterns, unilateral neglect, female 73 yr old stroke patient, 6325
visual search performance, 50–75 yr old stroke patients with unilateral left vs right brain damage, England, 22318
visual task & performance efficiency, adults with influenza or colds, commentary, 10254

Visual Search—Chapters

Analysis of visual search patterns of tennis teachers, 40026
A cognitive approach to skilled performance and perception in sport, 43528
The effects of stimulus symmetry and task requirements on scanning patterns, 40022
Features of forms in pigeon perception, 421
On the measurement of conspicuity and visibility for a feature and a conjunction target, 40012

Visual Stimulation [See Also Dichoptic Stimulation, Illumination, Photopic Stimulation, Prismatic Stimulation, Stereoscopic Presentation, Tachistoscopic Presentation, Visual Displays, Visual Feedback]—Serials

affine transformation of symmetric vs random patterns, projective equivalence in pattern discrimination, college students, 28210
angle of regard vs visual scene inversion, moon illusion, college students, 28181
anticonvulsants, male 7–11 yr olds with fire setting & photoparoxysmal responses to intermittent photic stimulation & temporal lobe EEG abnormalities, 6943
arousal vs cognitive executive processes & mental capacity in compound stimulus visual information test, Zulu speaking 11 & 13 yr olds, South Africa, 949
asymmetric perception of space in visuotactile-kinesthetic bisection tasks, female right handed 19.5 yr olds, implications for egocentric reference, 36073
auditory &/vs visual imagery, free recall, college students, 370
blacklight as visual stimulation, performance in tracking & reaching tasks, profoundly mentally retarded 11–21 yr olds with multiple handicaps, 29969
brief visual stimulus, choice between concurrent VR schedules, male rats, 44251
center off vs center on peripheral previewed fixation target, outward vs return delayed saccades, 54–73 yr olds with Parkinson's disease, 6384
change in local features vs structure of visual objects during study task, implicit vs explicit memory performance, adults, 20307
chromatic driving & temporal frequency characteristics of vision, male college students, 16177
close visual scrutiny vs less visually demanding tasks, saccadic eye movements, 25–45 yr olds, 20212
code regularity & complexity in serial pattern interpretation, college students, 20232
cognitive significance of visual stimuli, EPs, professional city drivers, 12598
columns for visual object features, response of adjacent neurons in anterior inferotemporal cortex, monkeys, 20529
conditioned drug interoceptive & visual exteroceptive stimuli, development of equivalence relations, 20–23 yr olds, 8171
conditions of corner Poggendorff vs Judd illusions, college students, commentary, 43972
conditions of corner Poggendorff vs Judd illusions, college students, 44009
contact lens method for asymmetrical visual deprivation, lateral asymmetry of hemispheric function, 18–34 yr old males, 44421
diagonal line targets orientational asymmetry of vertical or horizontal lines outside central focus of attention, RT, college students, 43964
direction vs velocity of past stimulation vs contradictory pattern & depth information, directional bias in perception of translating patterns, adults, 32063
discrimination & phonetic equivalence of visually influenced & audiovisually compatible syllables, college students, 16239

distortion of spatial & temporal resolution of video stimuli, emotion recognition from facial expression, college students, 259
distraction from computer tracking game, defensive head movements in response to looming visual stimuli, college students, 8204
distributed presentation of visual stimuli, recency effect on serial recall task, college students, replication, 16347
divided attention to prespecified stimulus color & letter, RT & accuracy, college students, test on interactive race & coactivation models, 44172
dominant subordinate neural unit-against-unit theory for explanation of visibility decrease of 1 phenomenal group in cases of simultaneous or metacontrasting stimuli, 36526
duration & information content of visual stimulus, immediate recall, 22–32 yr olds, Ireland, 8365
early vs delayed visual experience, intersensory development, bobwhite quail embryos & hatchlings, 32273
edge extraction vs early visual experience, 3 dimensional orientation & identification of objects in photographs & line drawings, Os, 12150
emotionally evocative film viewing, EEG asymmetry, college students with high positive vs negative affectivity, 16624
ERPs during visual information processing tasks, high functioning autistic 17–38 yr olds, 41801
examiner related visual cues, WAIS-R Digit Span subtest, college students, 44142
exposure duration & stroke number of characters, cerebral lateralization in processing of Chinese characters, college students, Hong Kong, 40130
extrafoveal visual stimulation, unimanual RT, adults, research review & meta analysis, implications for interhemispheric transfer, 40350
feature & configuration cues, human face recognition, rhesus monkeys, 44214
flicker frequency, steady state accommodation response vs stimulus curve, emmetropic 18–26 yr olds, UK, 4668
forward pairing of auditory stimulus with facial expression, potentiation of visual fixation of novel pattern, 4 mo olds, 5107
fundamental vs harmonic spatial frequency range of visual stimuli presentation to left vs right visual field, hemispheric asymmetry, male right handed adults, 16557
gaze angles & vertical disparities, computational vs fusional explanations of induced effect, commentary, 12147
global & local visual information, speed & braking in goal directed walking task, male 19–40 yr olds, 24294
Grass photic stimulator flash with vs without auditory click, flash visual & auditory EPs, male rats, 12617
high vs low contrast & spatial frequency pattern reversal vs flash stimulation, P1 & P2 & P100 components of visual EPs, elderly with Alzheimer's disease, 2245
horizon & texture & perspective & color cues in visual scene, somatogravic illusion, adult males, 12139
illusory occluding contours & surface formation by depth propagation, depth spreading effect distinguishable from known interpolation phenomena, adults, 8227
information trade offs & cue effects in selective attention to global vs local structure of naturalistic scene, adults, 16369
integral vs separable dimensions, asymmetries & interactions among processing of position & width & contrast of light bar, college students, implications for neuron mapping, 12175
lateral geniculae nucleus magnocellular vs parvocellular lesions, visual response latencies & transience in striate cortex neurons, macaque monkeys, 20563
left vs right vs full visual field sinusoidally modulated light stimulation, interhemispheric alpha activity, female 20–28 yr olds, 24776
linear models of surface & illuminant tristimulus spectral representations for color, applications to computer graphics, 16182
looming visual stimulation of hemianopic field, defensive responses, monkeys with unilateral striate cortical lesions, 20548
magnetoencephalographic evaluation of P3 visual EP source location during visual oddball task, 20–40 yr olds, 36685
monocular deprivation, postnatal development of cholinergic receptors & protein kinase C & dihydropyridine sensitive calcium antagonist binding in layers of visual cortex, rats, 28524
moving disks vs computer generated vs video images, selective response of descending contralateral movement detector neuron, locusts, 20576
multiple neural analyzers of visual stimulus patterns, 24679
natural upright vs unfamiliar inverted stimulus orientation, recognition of biological motion of animal pattern, adults vs 3–4 & 6–7 yr olds, 39998
noise & signal modulation & sine wave grating embedded in spatial temporal broadband noise, contrast detection in luminance & chromatic noise, adults, 16170
optical information, perceived harshness of computer simulated collision, college students, mathematical model of locomotion, 20219
optokinetic stimulus, initial eye velocity & steady state velocity gain & afternystagmus duration peak velocity & duration of vestibular nystagmus, 7 teleost species, implications for neural storage, 4576
organization of visual pattern information by Gestalt principle of lightness similarity, 3 mo olds, 28949
pairing of auditory & visual stimuli, visual learning during filial imprinting, domestic chicks, 36349
pattern elicited electroretinograms during color opponent processing, field spectral sensitivity, 27 vs 66 yr olds, 16208
pattern induced flicker colors, phase dependent lateral interaction effect on activity of color opponent neurons, 22–28 yr olds, 16579
perspectives on controlled approach & passive judgment paradigm in research on optical variables utilized in active control of locomotion using computer simulated collisions, 20218
perspectives on perceptual influences of colored paper during pen & paper tasks, 31802
pixelized vision simulator, walking speed & collisions & mobility in maze, college students, implications for electrical visual prosthesis for blind, 6426
positive vs negative affective visual stimuli, facial EMG & heart rate & skin conductance & arousal ratings, college students with vs without physical anhedonia, 20742
presentation of facial vs nonfacial stimuli to left vs right visual field, response to & integration of information across hemispheres, 22–36 yr olds with Capgras delusion & paranoid schizophrenia, 33623
prior brief presentation of image, recognition in visual priming, college students, 12148
prior inspection memory & attention & imagery, perceptual recognition of ambiguous figures, college students, 43975
P3 EPs component in visual vs auditory stimulus modality & methods to control statistical Type II error, 20–37 yr olds, 16631
random dot kinematogramic visual stimuli, slow cortical EPs, adults, 36609
rapid presentation of stimuli, electrical response to recognizable vs unrecognizable images, English- vs Chinese-speaking adults, 8723
rapid succession of eccentric circle pattern & its mirror image, depth perception, college students, 28179
rate of visual flash & binocular vs monocular vision & multiple vs single reference points & local motion parallax, mobility performance, 15–31 yr olds, 32120
ratings of fear of high vs low predatory vs revulsive animals before vs after exposure to violent vs revulsive video stimuli, college students, 21561
recognition of novel vs familiar visual stimuli, inferior temporal cortical cell activity during delayed matching to sample task, rhesus monkeys, 44484
relation between visual & infrared input to same dendrite in optic tectum, pythons, 20550
repeated & novel erotic film vs fantasy, habituation & dishabituation of sexual arousal, 19–30 yr old males, 41179
retina area stimulation & optic flow, judgment of heading, Os, 36074

retinal error signal & fixation point & field of visual stimulation, latent periods & amplitudes of horizontal saccades with fixed head, 25–30 yr olds, 245
role of audition & vision in interactive multimedia for instruction, 7411
salience of discrete target elements, global effect on saccades, college students, 43970
same modality interference, immediate serial recall of auditory vs visual information, college students, 16361
semantic vs nonsemantic orienting task, word recall & memory for visual vs auditory modality, 7–10 vs 17–24 vs 55–77 yr olds, 937
serial recall of lipread vs auditory vs audiovisual memory lists with vs without verbal suffix, recency effect & disruption by suffix, college students, Netherlands, 16335
serial vs spatially distributed visual presentation, processing time during vs after display & saccadic overhead, adults, 44093
short term memory for timing of irregular sequences of auditory vs visual signals, college students, 4400
signal to photon noise ratio associated with photoreceptor detection of small visual signals at high light intensities, drone honeybees, conference presentation, 8623
spatial & temporal frequency of moving stimuli, retinal starburst amacrine cell release of acetylcholine, rabbits, 36545
spatial bandwidth & temporal presentation, contrast sensitivity to patch stimuli, adults, 36089
spatial scale of visual stimuli, perceived geometric angle & speed of rotation, adults, 32104
spatially 1-dimensional envelope stimuli, processing stream in area 17 & 18 visual cortex neurons, cats, 44450
square wave grating orientation change, visual EPs & orientation selectivity, 3 mo olds vs adults, 9170
standard vs deviant stimuli & task difficulty, EPs & orienting responses, college students, Netherlands, 4653
standard vs deviant visual stimuli & interstimulus interval, EPs vs discrimination RT, 18–28 yr olds, 8193
static visual stimulation, oscillatory activity in visual cortex during face recognition, monkeys, implications for neural temporal synchronization, 36566
stimulus spatial frequency & dichoptic vs monocular & continuous vs brief presentation, mislocations of vertical bars, adults, 12174
stimulus specific high frequency oscillations in primary visual cortex, awake male monkey, 36599
tactile & visual cues, host recognition, parasitoid Pimpla instigator wasps, 32344
tail electrical stimulation, visual flash EPs in ventral lateral geniculate nucleus neuronal units, male rats, 12500
task response probability & detection of within category deviation of visual stimuli, P300 EPs, college students, 20671
temporal deblurring technique, psychophysical measurement of human visual impulse response waveform, 257
temporal frequency of dynamic vs static random noise vs uniform background, time of fading of peripheral visual target, adults, 8223
temporal or serial order of unpredictable visual events, short term memory & judgments of recency, monkeys, animal model of order memory, 24534
tone sequences vs speech pitch, visual serial recall & phonological coding in working memory, adults, 20312
unilateral labyrinthectomy, visually cued vs noncued goal location in spatial orientation task, guinea pigs, 24793
unilateral visual stimulation, false localization in left vs right hemifield, patients with schizophrenia or depression, translated article, 33563
variance in perceptual cues for verticality, environment vs object vs viewer centered spatial frame of reference interpretation, college students, 32070
various biocular vs uniocular vs dark visual conditions, spontaneous saccades, pigeons, 36530
varying area &/vs luminance of visual stimulus, simple RT, adults, 8186
velocity & contrast & size in approaching vs receding image cues, visual detection & descending contralateral motion detector neuron response, locusts, 20585
verbal recoding of visual stimuli in short term memory, long term memory encoding & mental image rotation, college students, 4292
verbal vs visual presentation, memory for racial & other social information, 3–4 yr olds, France, 44872
vestibular &/vs visual vestibular vs optokinetic stimulation, nystagmal reflex, neck muscle lesioned pigmented rats, 28625
vibrotactile stimulation &/vs erotic video, erectile & other sexual & affective & cognitive responses, 21–61 yr old males, 4683
viewing of video of tarantula moving forward vs backward & self efficacy, fearfulness, college students, test of harm looming vs self efficacy models of fear, 37531
viewing of videotaped sentences in isolation vs following why questions, speechreading, hearing impaired 38–79 yr olds, assessment & therapeutic implications, 42120
vision stimulation & training, children with visual impairments, 38997
visual & auditory cues for signaling of impending painful medical invasive procedures, affective behavior, male hospitalized 9 mo old, 30616
visual & auditory stimulus intensity, auditory & visual EP amplitude augmentation or reduction, 18–50 yr olds, 40431
visual & oculomotor tasks, single cell neuron activity in subthalamic nucleus, Macaca fuscata, 575
visual &/vs kinesthetic stimuli, visual dominance & attention to certain stimuli during motor learning, college students, 36141
visual borders & color assimilation, color perception, Os, 32100
visual components of print advertising for goods vs services, 39576
visual cues & target orientation assessment during air combat simulation, Air Force pilots, technical report, 32102
visual environments, metabolic activity in hyperstriatum accessorium, 2 vs 17 day old male chicks, 12488
visual illustrations vs imagery instruction, recognition vs recall measured use of imagery, college students, 16343
visual pattern discrimination & perceptual metricity, honeybees, 8449
visual pattern disparity, hysteresis vs cooperativity vs depth averaging, adults, 4247
visual roll stimulus, postural adjustment vs self motion perception latencies, 18–45 yr old Air Force personnel, 28627
visual sexual stimuli & stimulus anticipation, contingent negative variation amplitude, male 23–44 yr olds, replication, application to assessment of sexual object preference in sex offenders, 16621
visual short term memory & oscillatory neuronal activity in temporal pole, male monkeys, 36544
visual simulation as help system, understanding of computer functions, 14–15 yr olds, Finland, 5089
visual sine wave grating stimuli of 2 frequency components, phase reversal discrimination, Os, 36068
visual stimuli omissions, late magnetic fields & positive EPs, adults, 4659
visual vs auditory attention during tasks on cochlea, transiently evoked otoacoustic emission amplitudes, adults, 44474
visual vs auditory overload vs deprivation, subjective time estimation, 19–45 yr olds, Israel, 224
visual vs auditory vs tactile learning modality, voice pitch matching accuracy, K–3rd graders, 35319
visual vs nonvisual information, perceived ambiguity of depth of 3-dimensional surface with motion parallax, adults, England, 16192
visual word presentation with vs without pictorial stimulus, word naming, children, Australia, 5132
visually triggered motor task, neuronal activity in premotor & precentral motor cortices & supplementary motor area, monkeys, 40396
2nd order visual motion, horizontal eye movement & optokinetic nystagmus, adults, 12647

Visual Stimulation [See Also Dichoptic Stimulation, Illumination, Photopic Stimulation, Prismatic Stimulation, Stereoscopic Presentation, Tachistoscopic Presentation, Visual Displays, Visual Feedback]—Chapters
An ecological approach to stimulus control and tracking, 468
Infants' perception of biomechanical motions: Intrinsic image and knowledge-based constraints, 17086
Motion nulling techniques and infant color vision, 17128
One word at a time: A solution to the visual deficit in SRDs?, 41849
The optimal viewing position for children with normal and with poor reading abilities, 41840
Timing and the development of perinatal perceptual organization, 32285
Visual Thresholds [See Also Critical Flicker Fusion Threshold]—Serials
age & stimulus duration, motion threshold & Filehne illusion during pursuit eye movement, adults, 16205
blurred spot detection threshold measurement in L vs M vs S-cone contrast space, Os, 24661
color & luminance, visual detection & sensitivity, Os, 28180
color differential thresholds within 2-color cone excitation spaces, adults, 43995
contrast discrimination & eccentricity, oscillatory motion detection threshold across visual field, adults, 16206
curved line attribute cues, increment thresholds in contour & curvature discrimination, Os, 32078
discrimination threshold for color changes, Os, development of visual capacity model, 44016
dissociation of discrimination thresholds for time to contact & rate of angular expansion of moving stimuli, male 23 & 31 yr olds, 36092
hippocampal lesion, visual acuity & size-difference threshold, pigeons, 24648
im cocaine, RT & auditory & visual thresholds, male baboons, 40593
inhomogeneity & anisotropies for motion detection in monocular visual field, adults, 44008
mathematical formulas, evaluation of chromatic & color threshold differences, Os, 8209
near threshold stimuli of long duration, RT distribution measured neural discharge patterns of chromatic vs achromatic pathways, adults, 16580
presaccadic signals at spatiotopic position of saccade goal, threshold contrast of postsaccadic foveally presented signals, Os, 32086
psychophysical assessment of reduced tolerance to light & sound, patients with mild head injury, 14155
red vs yellow appearance of filled in backgrounds, hue cancellation & incremental detection thresholds, adults, 28200
relative vs absolute motion, visual displacement thresholds, adults, 24324
scaling of stimuli in visual field, contrast detection threshold, adults, 8185
separation discrimination threshold in visual encoding of relative spatial position, Os, analysis of Weber's law for separation, 24295
spatial bandwidth & scale & contrast & separation & visibility of Gabor bars, 3 line spatial interval discrimination, adults, test of E. H. Weber's law for position, 16181
spatial frequency adaptation & test duration, elevation of detection thresholds for patterns of spatial frequency & orientation, adults, 44013
stimulus duration & spatial frequency & fixational eye movements, acuity & contrast sensitivity threshold for real & artificial zebra stripes, adults, 8214
stimulus generalization to sinusoidal gratings of different spatial frequencies, goldfish, implications for training in testing animal visual thresholds, 16398
strength of temporal edge in amplitude of sudden increase in field luminance & masking duration, detection thresholds for changes in brightness, adults, 8191
surrounds, chromaticity discrimination thresholds on short vs medium vs long wavelength sensitive cones, adults, 32091
target visibility & contrast & exposure duration & separation, role of putative spatial filter & local sign mechanisms in line vernier detection thresholds, adults, 36097
target visibility & contrast & retinal illuminance & quantal limitations, line detection & vernier thresholds, adults, 36098
threshold of luminance & asymmetry of red green chromatic flash sensitivity in fovea & periphery, adults, 8225
velocity of random dots, thresholds for shearing motion, 13 vs 20 wk olds, 9128
visibility & target exposure duration & contrast & spatiotemporal mask, vernier & contrast detection thresholds for lines & sinusoidal gratings, adults, 36099
visual EP thresholds from visual cortex area 17 vs superior colliculus, albino vs pigmented rats vs adult humans, 12602
visual or motor acuity, error deadzone area in compensatory visuomotor tracking, adult males and male monkey, 24363
visual thresholds on dotted backgrounds flux equated to same size uniform backgrounds, adults, 8206
Visual Tracking—Serials
bandwidth of target signal, high speed tracking performance vs computer simulations of visual tracking behavior, male 18–50 yr olds, implications for adaptive model theory, 28199
blacklight as visual stimulation, performance in tracking & reaching tasks, profoundly mentally retarded 11–21 yr olds with multiple handicaps, 29969
caffeine vs nicotine vs cocaine vs apomorphine, visual tracking, male rats, 36764
externally generated vs manual control of target motion, frequency response range for gain & phase of smooth pursuit & ocular tracking, 22–52 yr olds, 44051
field of view size, control of roll motion during visual tracking task, adult males, 39995
genetic transmission of smooth pursuit eye tracking, schizophrenic adults & their 1st degree relatives, US & Canada, 9853
horizontal visual tracking vs fixation, neural discharge patterns in medial vestibular nucleus vs nucleus prepositus hypoglossi vs their common border, male macaques, 4600
microstimulation & lesion & neuron recording of frontal eye field cortex, smooth pursuit eye movements, monkeys, 20559
reversible lignocaine inactivation of dentate vs interpositus cerebellar nuclei, adaptation to alterations in visual & motor demands of visually guided tracking task, monkeys, 28521
short term vertical position specific phoria adaptation vs multiple stationary vertical disparity binocular adaptation, pursuit & fixation phoria, 24 & 37 & 46 yr olds, 24322
smooth pursuit & vestibuloocular reflex, horizontal combined head & eye visual tracking, male 24–42 yr olds, test of superposition theory, 20215
smooth pursuit eye movements, crack cocaine dependent vs schizophrenic males, 9733
smooth pursuit eye movements, schizophrenic vs depressed vs bipolar 15–72 yr olds, Scotland, 13670
smooth pursuit initiation & latency & postsaccadic & peak pursuit velocities in visual motion processing, 29–35 vs 60–76 yr olds, 28197
spatial vs temporal transients of pattern speed, perception of velocity differences in visual tracking, adults, 4272
square wave jerks & anticipatory saccadic intrusions into smooth pursuit eye tracking, patients with affective disorders vs schizophrenia, 9766
static fixation vs tracking during image motion over retina, motion aftereffect, adults, 24326
stationary fixation vs eye movements in computer generated visual tracking display, heading perception, adults, 20229
stationary textured background & interocular transfer & dichotic presentation, initiation of ocular pursuit of target in motion, monkeys, 28522
stimulus target path prediction, psychomotor performance, rhesus monkeys vs college students, 420
target angular velocity & spatial frequency & duration, contrast sensitivity functions in horizontal visual pursuit, college students, 32089
target position vs direction specific adaptation, aftereffects in fixation vs pursuit phorias, 24 & 37 & 47 yr olds, 24300

visual or motor acuity, error deadzone area in compensatory visuomotor tracking, adult males and male monkey, 24363
visual tracking, head movement & motorcycle vs flying helmet slippage, 17–27 yr olds, 40059
visuospatial ability, tracing & other visuomotor responding, elderly with Parkinson's disease, 38282
3 dimensional properties of eye position & velocity during pursuit eye movements, adults, 4268
Visual Tracking—Chapters
An ecological approach to stimulus control and tracking, 468
Oculomotor and manual tracking in a group of Olympic gymnasts, 40013
Visualization [See Imagery]
Visually Handicapped [See Also Blind, Partially Sighted] —Serials
behavioral intervention strategies, skills acquisition & access to integrated community settings & harm to self & others, individuals with visual impairments & multiple disabilities, 14791
client stress associated with orientation & mobility training, visually impaired clients & mobility instructors & welfare workers, 38995
color & contrast in education & visual environments, visually impaired students with multiple disabilities, 27576
development & adaptation & evaluation version of Scales of Independent Behavior for visually impaired students, teachers, 16051
development & implementation of Colorado Individual Performance Profile for determination of service options, hearing or visually impaired students, 159
development of Visual Assessment Procedure-Capacity Attention & Processing Test, assessment of visual functioning, visually impaired 3 mo to 4.5 yr olds, Australia, 27964
early intervention program based on family intervention & parenting skills, preparation & skills for life stage transitions, visually impaired 0–6 yr olds, 38522
educational & employment & independent living & financial status & social integration, 15–26 yr olds with visual vs other impairment in transition from special education programs, longitudinal study, 14435
evaluation of facilitation of communication & multimedia computerization in workplace, visually impaired vs sighted employees, Sweden, 35538
evaluation of telescopic system assisted driver program, visually impaired drivers, 27120
experience & text type & speed, memory & comprehension of texts presented with synthetic vs natural speech, visually impaired 35–55 vs 65–80 yr olds, 22437
features & benefits of & barriers to self help groups, blind or visually impaired elderly, 38675
literacy, visually impaired, 14430
model of service delivery for regular education classrooms, consultative collaborative teachers of visually handicapped students, 39335
model of visual learning & perception based on cognitive development, visually impaired children with developmental disabilities, 18455
neuro-optometric evaluation & vision rehabilitation, multiply handicapped children, 3048
nonacademic skill requirements, successful employment, visually impaired adults, literature review, 22434
noninvasive transcutaneous electrical stimulation of visual periphery, frequency contrast characteristics & visual acuity, visually handicapped, translated article, 18454
retinal location of preferential fixations in visual field, 24–98 yr olds with central scotoma, 42122
school vs rehabilitation based school to work transition program, visually impaired 19–27 yr olds, 35056
self perception, visually impaired 12–19 yr olds, 6425
self regulation skills & personality characteristics, travel frequency, visually impaired adults, 22432
social participation in specialized vs integrated educational environments, 3–4 vs 4.1–5.6 yr olds with visual impairments, 39334
teacher student interaction & visual stimulation during microcomputer assisted learning, visual perception skills, visually impaired 2 yr old preschoolers, 23599
theories of perception & principle of extra knowledge, visually or hearing impaired, 10432
upgrading academic & job skills, visually impaired or blind adults mainstreamed in public secondary school, Canada, 15508
validity of Test for Visual Analysis Skills, White 6–8 yr olds with visual perceptual problems, South Africa, 15979
vision stimulation & training, children with visual impairments, 38997
visual functioning, implications for visual therapy for visually impaired infants & children, 14801
visual limitations & educational techniques & services, teachers & parents of children with albinism & adults with albinism, 22168
visual or hearing impairment, quality of life as seen in mood & social relationships & self sufficiency in daily living, 70–75 yr olds, 38332
Visually Handicapped [See Also Blind, Partially Sighted] —Books
Living and learning with blind children: A guide for parents and teachers of visually impaired children, 42128
Visually Handicapped [See Also Blind, Partially Sighted] —Chapters
The Cambridge assessment and screening of vision in high-risk infants and young children, 15895
The smiling giraffe: An illustration of a visual memory disorder, 2341
The two-legged apple, 2340
Vitamin C [See Ascorbic Acid]
Vitamin Deficiency Disorders [See Also Wernickes Syndrome] —Serials
advanced brain atrophy & vitamin deficiency, cognitive functioning, elderly, Finland, 34054
brain stem symptoms of Wernicke's encephalopathy & amnesic state & role of thiamine deficiency, patients with Korsakoff's syndrome, commentary, 41757
genetic sensitivity to thiamine deficiency, progression & severity of organic brain disease, alcoholic patients, 41743
prevalence & clinical characteristics & response to treatment, cobalamin deficient 65–99 yr olds, 22236
Vitamin Deficiency Disorders [See Also Wernickes Syndrome] —Chapters
Thiamine deficiency as an animal model of diencephalic amnesia, 12579
Vitamin Therapy—Serials
aspirin & nutrients & herbs, psychological & physical & social symptoms, 76 yr old female with probable Alzheimer's disease, 38715
prevalence & clinical characteristics & response to treatment, cobalamin deficient 65–99 yr olds, 22236
pyridoxine & magnesium, autistic 6–18 yr olds, 26787
pyridoxine magnesium, lymphocyte subsets, autistic 3–7 yr olds, France, 46486
therapeutic utility of megavitamins, behavior & cognitive problems, children with mental retardation or autism or fragile X or Down's syndrome or attention deficit disorder, 26751
vitamin & mineral supplementation, intelligence & performance, 12–16 yr olds, commentary reply, 38593
vitamin & mineral supplementation, intelligence & performance, 12–16 yr olds, commentary, 38578
Vitamin Therapy—Books
Beyond deficiency: New views on the function and health effects of vitamins. Annals of the New York Academy of Sciences, Vol. 669, 18940
Vitamin Therapy—Chapters
Case-control study of vitamin supplementation and neural tube defects: Consideration of potential confounding by lifestyle factors, 46711
Effect of vitamin C on transient increase of bronchial responsiveness in conditions affecting the airways, 18941
Influence of vitamins E and B[subscript]6 on immune response, 18945
Vitamin E: Neurochemistry and implications for neurodegeneration in Parkinson's disease, 16683

Vitamins [See Also Ascorbic Acid, Choline, Nicotinamide, Nicotinic Acid]—Serials
acetyl-L-carnitine vs nerve growth factor, dorsal root ganglia neurons, aged rats, 12828
acetyl levocarnitine, neuropsychological & cognitive functioning & activities of daily living & quality of life & clinical impression, 60–80 yr olds with Alzheimer's disease, 22939
alpha-tocopherol, long term potentiation in hippocampal CA1 pyramidal neurons, female guinea pigs, 44748
choline enriched vs deficient diet with vs without vitamin B12, brain acetylcholine & passive avoidance learning, male rats, 20987
chronic immobilization induced simulated weightlessness, vitamin A status, male rats, animal model of space flight stress, 12711
folic vs folinic acid, spontaneous alternation & spatial learning & memory & motor behavior & plasma folate & vitamin B12, 9 vs 20 mo old male rats, 32653
levocarnitine acetyl, active avoidance learning, aged male rats, 4800
prevalence & clinical characteristics & response to treatment, cobalamin deficient 65–99 yr olds, 22236
pyridoxine magnesium, lymphocyte subsets, autistic 3–7 yr olds, France, 46486
pyrithiamine induced thiamine deficiency & diencephalic lesions, spatial learning & anterograde & retrograde memory, male rats, animal model of Wernicke-Korsakoff syndrome, 724
red cell folate & vitamin B12 & thyroid hormone levels, depressed patients, Canada, 29619
serum folate & B12 & cognitive impairment, elderly with Alzheimer's disease or other dementias, Canada, 22375
structure-activity & dose-response aspects of prenatal retinol & tretinoin & isotretinoin, physical & motor & neural & behavioral development & teratogenesis, rodents, research review, 44566
vitamin B-6 supplementation, mood & memory & cognitive performance, male 70–79 yr olds, 24871
vitamin B12 deficiency, cognitive function, HIV-1 positive males, commentary, letter, 41997
vitamin E deficiency vs supplementation, memory & maze learning, male rats, 24905
vitamin E deficient diet, hippocampal monoamine & 5-HT turnover, female rats, animal model of vitamin deficiency disorder, 44389
vitamin E, psychiatric patients with tardive dyskinesia, commentary reply, letter, 46439
vitamin E, psychiatric patients with tardive dyskinesia, commentary, letter, 46428
vitamin E, psychiatric patients with tardive dyskinesia, commentary, letter, 46455
Vitamins [See Also Ascorbic Acid, Choline, Nicotinamide, Nicotinic Acid]—Books
Beyond deficiency: New views on the function and health effects of vitamins. Annals of the New York Academy of Sciences, Vol. 669, 18940
Vitamins [See Also Ascorbic Acid, Choline, Nicotinamide, Nicotinic Acid]—Chapters
Dietary antioxidants and cardiovascular disease, 18335
Effects of drugs on vitamin needs, 18990
Influence of vitamins E and B[subscript]6 on immune response, 18945
Vitamin and mineral intake and human behaviour, 8994
Vitamin E: Neurochemistry and implications for neurodegeneration in Parkinson's disease, 16683
Vitamin E and cancer: Epidemiology, 18313
Vocabulary [See Also Antonyms, Homographs, Homonyms, Neologisms, Sight Vocabulary, Slang, Synonyms]—Serials
academic vs everyday vocabulary, reading comprehension question answering, 4th vs 5th vs 6th graders, 47164
age, interrogative suggestibility & relation to memory & vocabulary, 6–12 yr olds, Iceland, 37024
aligning vocabulary & symbols banks within society shaped by sociocultural factors, neutralization techniques, juvenile delinquent 15–22 yr olds, Israel, 37985
Boston Naming Test norms as framework for determination of word retrieval or word knowledge focus of test, male vs female 5–13 yr olds, 4118
comprehension & vocabulary & written summarization teaching strategy, language arts learning, 2nd graders, 1 yr followup, 3334
cooperative learning strategy & field dependence vs independence & vocabulary level, recall & enactment of medical procedure, college students in dyads, 363
critical thinking skills & vocabulary & cognitive ability, reading comprehension, underachieving college students, 27491
derivational morphology, vocabulary acquisition, profoundly deaf college students & graduates, 46128
developmental association between phonological memory & vocabulary knowledge, 4 yr olds, 4 yr study, 922
developmental changes & 2nd language acquisition of productive vocabulary, bilingual 6–19 yr old German emigrants, Sweden, 37046
distribution of nouns vs verbs vs adjectives vs adverbs in vocabulary, 28–69 yr olds with Broca's or Wernicke's aphasia, Romania, 30186
distribution of vocabulary according to grammatical classes, adults with aphasia, Romania, 30225
following child's lead vs recruiting attention in object label instruction, vocabulary learning & loss of interest, mentally retarded 3.3–3.9 yr olds, 27597
grammatical morphology & expressive vocabulary, language impaired 4.4–6.9 yr olds learning English vs German as 1st language, 10196
individual differences in early vocabulary composition, 11 mo to 2.3 yr olds, 939
individual differences in exposure to print & vocabulary & cultural knowledge, 18–65 yr old & older recreational readers vs nonreaders, 28272
interdependent vs independent study session, vocabulary test performance, African American college students, 27498
keyword vocabulary acquisition method & patterns of forward vs backward recall in foreign language learning, college students, 24462
language use & vocabulary diversity in routine vs nonroutine interactions, developmentally delayed 3–6.3 yr olds, 6139
lexical familiarity, individual differences in visual naming & lexical decision & semantic categorization, college students, implications for working memory, 44088
lexical level & academic & 1st language reading ability, 2nd language reading ability, ESL college students, 16273
listening, vocabulary learning, less able reading 6th graders, 3457
MA & lexical knowledge, mildly mentally retarded school age children, 26083
metacognitive training during reciprocal teaching, reading comprehension & vocabulary, 1st yr Black college students at risk due to low reading scores, 27430
ontological knowledge structure & verbal & nonverbal ability, decontextualization task performance assessing vocabulary acquisition, 1st & 3rd & 5th graders, 904
processing speed & word knowledge, verbal task performance, young adults vs elderly, 25156
reading aloud of stories with vs without explanation of new words, vocabulary acquisition, 9–10 yr olds, 19503
receptive vocabulary in English vs Spanish, bilingual Hispanic 1st graders, 983
recognition memory for sign language vocabulary, beginning vs advanced 23–64 yr olds in community American Sign Language classes, 9058
relativism vocabulary & expressions in common social speech, 21113
role of syntax & structural information in vocabulary acquisition, infants & preschool age children, 28918
semantic context vs mnemonic keyword method, German vocabulary learning & immediate vs delayed recall, 1st vs 2nd vs 3rd yr college students, 3368
sensitivity to predominant stress patterns of words, vocabulary development, 6 vs 9 mo olds, 40823
spatial locative words in locative action expressions, 1.5–3 yr olds, 9194
symbols & vocabulary in conversation using computerized speech output device, moderately or severely mentally retarded male 6.9–20.4 yr olds with spoken language disability, 2 yr study, 19276

TOAST study system vs student selected study methods, retention of vocabulary, 6th graders, 15368
videotaped native speakers vs traditional instruction, listening comprehension & vocabulary & grammar learning, foreign language college students, 27462
vocabulary composition & use of nouns during discourse & word learning, 20 mo olds & their mothers, 28940
vocabulary learning & teaching in literature discussion groups, 4th graders, 3435
vocabulary size & lexical access & sentence based speech-reading, hearing impaired adult males, 2357
vocabulary teaching intervention, teacher implementation & academic achievement & attitudes, general & special education teachers & learning disabled students, 3571
working memory capacity & vocabulary knowledge & bridging of related ideas near vs far apart in text, inference processing, college students, 16296
Vocabulary [See Also Antonyms, Homographs, Homonyms, Neologisms, Sight Vocabulary, Slang, Synonyms]—Chapters
The relationship of maternal speech to children's first words, 37079
Understanding of personality and dispositions, 44941
Vocal Cords—Serials
functional stridor characterized by paradoxical vocal cord motion, 13 & 14 yr old females, case reports, 45910
Vocalization [See Also Animal Distress Calls, Animal Vocalizations, Crying, Infant Vocalization, Laughter, Subvocalization, Voice]—Serials
age differences, vocalizations & game relevant gestures in playing games with mother, 24 mo olds observed since 6 mo, longitudinal study, 17060
delayed auditory feedback, vocal intensity & duration, English speaking college students learning Japanese or Spanish, 5002
final stop consonant & phonemic vowel experience, vocalic duration & F1 offset frequency voicing cues, native English vs Japanese vs Mandarin Chinese speaking adults, 12954
infant vs adult directed approval vs prohibition vocalizations in English vs unfamiliar languages, looking time to side of stimulus & positive & negative facial affect, 5 mo olds, 40810
length & intensity of utterance & respiratory phase, prephonatory chest wall movements at voice initiation in RT task, 20–31 yr olds, 12656
nurse assessed noisy behavior & depression & response to doxepin, 55–94 yr old chronic care hospital patients, Canada, 19152
perception of overtone singing, speech therapy students & phoneticians, 12186
preparation for alternate finger tapping vs syllable vocalization task, facilitatory priming for semantic sensibility judgments, college students, 12120
programed pitch practice vs private vocal instruction, vocal reproduction accuracy, 11–12 yr olds with severe vs profound hearing loss, 19583
relationship of inarticulate & articulate disruptive vocal activity to emotional states, psychogeriatric ward residents with dementia, 30194
vocal intensity variation, laryngeal & respiratory function, male vs female 20–30 yr olds, 24812
Vocalization [See Also Animal Distress Calls, Animal Vocalizations, Crying, Infant Vocalization, Laughter, Subvocalization, Voice]—Books
Nonverbal vocal communication: Comparative and developmental approaches. Studies in emotion and social interaction, 525
Vocalization [See Also Animal Distress Calls, Animal Vocalizations, Crying, Infant Vocalization, Laughter, Subvocalization, Voice]—Chapters
Disorders of vocal signaling in children, 2107
Early ontogeny of vocal communication in parent–infant interactions, 1149
The evolution of vocal communication, 529
Human maternal vocalizations to infants as biologically relevant signals: An evolutionary perspective, 12971
Meaningful melodies in mothers' speech to infants, 1145
On the neurobiology of vocal communication, 608

Vocalization (Infant) [See Infant Vocalization]
Vocalizations (Animal) [See Animal Vocalizations]
Vocational Adjustment [See Occupational Adjustment]
Vocational Aspirations [See Occupational Aspirations]
Vocational Choice [See Occupational Choice]
Vocational Counseling [See Occupational Guidance]
Vocational Counselors—Serials
employment placement & followup methods used with clients with serious mental disorders, vocational rehabilitation counselors, 46958
inductive training style, preparation for teaching high school student career orientation program, employment counselors, Germany, 43036
job stress, attribution of negative or positive personality traits to & attitudes toward clients, officers working with unemployed clients, Poland, 47395
multicultural sensitivity & competence training, career counselors, 47045
perspectives on role in vocational guidance vs employment placement & professional identity, career officers, England, 15648
role in school based career guidance & consultation, career counselors & assessment officers, 43369
vocational bias & career aspirations & confidence & influences on career choice & evaluation of experiences with male vs female high school counselors, male vs female college freshmen, Canada, 23673
Vocational Education [See Also Cooperative Education]—Serials
adaptation & use of Fukuyama Profile in vocational orientation curriculum, 8th–9th graders, Germany, 27616
care skill training, training transfer & occupational flexibility, motor mechanic & baker trainees in vocational college, 19482
career & vocational planning & counseling needs, disabled high school students, 11586
college based Special Educational Needs Curriculum Enhancement Courses on practical/vocational skills, secondary residential school students with emotional & behavioral problems, England, 27567
culturally based health promotion model of occupational therapy & prevocational & life skills curriculum, children through adult Gitskan Indians, Canada, 3120
demographic & psychosocial variables, prediction of academic persistence, business & administration students at vocational center, Canada, 27550
development & status of state administered prevocational education in grades 7–10, state education agency directors, 3322
instructional setting demands & expectations, vocational vs junior high school teachers of learning disabled students, 43316
motivation training program, financial independence self efficacy, 17–59 yr old recipients of Aid to Families with Dependent Children in vocational training, 7269
occupational transition adaptability based on self management & salience & competence, implications for transition interventions, 23696
practices & perceptions of grading disabled secondary vocational education students, teachers, 3566
work experience in revised national educational curriculum, occupational selection ability, 9th graders, 1981 vs 1989, Japan, 27454
Vocational Education [See Also Cooperative Education]—Books
Vocational preparation and employment of students with physical and multiple disabilities, 43333
Vocational Education Teachers—Serials
age & sex & educational level & teaching specialty, cognitive style, 20–69 yr old vocational education teachers, 3298
effectiveness & acceptability of peer contingency management program, 26–35 yr old vocational instructors working with mentally retarded adults, 15496
Vocational Evaluation—Serials
content & sources of articles in volumes 11–24 of 'Vocational Evaluation & Work Adjustment Bulletin', 1978–91, comparison with previous volumes & other rehabilitation literature, 15229

development of local norms for use in vocational evaluation, 11181
developments in vocational assessment, disabled, 1967–92, 15183
issues in assistive technology & vocational evaluation, 35054
psychosocial & environmental variables in evaluation of work, implications for occupational therapy, 31036
reliability of Pennsylvania Bi-Manual Worksample, assessment of vocational skills, developmentally disabled 25–51 yr olds, 8015
training needs in community based vocational assessment & adjustment services, professionals in rehabilitation or related occupational specialties, preservice & inservice training implications, 31104
vocational evaluation, self estimated aptitudes & interests, 17–54 yr old rehabilitation clients, 15177
Vocational Evaluation—Books
Transdisciplinary vocational assessment: Issues in school-based programs, 35972
Vocational Evaluation—Chapters
Best practices in the vocational assessment of special needs learners, 35975
Job-oriented rehabilitation, 19274
Vocational evaluation and planning, 19275
Vocational Guidance [See Occupational Guidance]
Vocational Interests [See Occupational Interests]
Vocational Maturity—Serials
academic achievement & career maturity, gifted vs regular curriculum 7th–8th graders, 19631
age & demographics, differences in vocational decision making readiness, Native American 14–21 yr olds, 13140
career development level, male vs female entering medical students, 7309
development & standardization & psychometrics of Transition Competence Battery for Deaf Adolescents & Young Adults, assessment of vocational & independent living skills, deaf 18–19 yr olds, 70
group process in career planning intervention & vocational maturity, goal instability, career undecided females, Canada, 2 mo followup, 31471
instructional module, career education & maturity, low achieving vs learning disabled 9th–10th graders at risk for dropping out, Canada, 27581
Self Appraisal subtest of Career Maturity Inventory, appropriateness of career choice, male vs female 9th graders, 32001
structured career planning program, career maturity, African American premedical students, 3185
Vocational Mobility [See Occupational Mobility]
Vocational Preference [See Occupational Preference]
Vocational Rehabilitation [See Also Vocational Evaluation, Work Adjustment Training]—Serials
analysis of proportion of participants & agencies & outcomes of Supported Employment Initiative, mentally retarded or mentally ill adults, 5 yr study, 27178
application for & acceptance to vocational rehabilitation services, Whites vs racial ethnic minorities with disabilities, 39049
community based training & employment program, 18–41 yr old & older methadone maintenance clients, 42924
computer aided occupational program, activity choice behavior & engagement, deaf & partially blind male 20 yr old & female 24 yr old with profound developmental disabilities, 31033
computer assisted instruction, acquisition of domain specific knowledge & vocational training, patients with traumatic brain injuries, 7189
computer assisted interactive task guidance, simulated vocational task performance, 22–55 yr olds with traumatic brain injuries, 7270
conceptualization of mental disorders as psychological process vs psychopathological state & 5 step vocational rehabilitation program, chronic schizophrenic 48 yr old, conference presentation, 19258
concerns about Americans with Disabilities Act, employers, implications for vocational rehabilitation counselors, 11184
constant time delay teaching procedure, chained vocational skills, trainable & educable mentally retarded high school students, 43311
conversion to community based supported employment, agency serving handicapped workers, 1984 vs 1989, 15172
Delphi method, assessment of consensus in implementation of Federal Rehabilitation Act of 1973, federal & state policy makers & rehabilitation center directors & staff, 31031
diagnosis & referral to & eligibility for vocational rehabilitation, learning disabled, 3122
employee vs supervisor ratings of motivation & work adjustment, participation & readiness for competitive employment, 21–75 yr olds in psychiatric vocational rehabilitation, 3124
employment background & other characteristics, mentally ill in vocational rehabilitation, Germany, 15181
employment placement & followup methods used with clients with serious mental disorders, vocational rehabilitation counselors, 46958
empowerment & choice in supported employment, severely disabled adults, 11188
estimates of alcohol abuse by clients with physical or mental disorders or developmental disabilities, vocational rehabilitation counselors, 11185
evaluation of job skill acquisition & maintenance in workstation, developmentally disabled workers, 23298
evaluation of psychiatric hospital vocational rehabilitation program, 18–60 yr old psychiatric patients, Canada, 38965
factor structure of WAIS-R & Verbal Memory & Visual Memory Indices of Wechsler Memory Scale-R, adults in vocational rehabilitation, 43764
family support, vocational rehabilitation outcomes, clients with physical or developmental disabilities or mental or substance abuse disorders, research review, 15178
history of policy & legislation & planning & services for & outcomes in transition to employment & independence, learning disabled secondary students, 19645
individual supported employment program, chronically mentally ill adults, Canada, 42978
integrated vocational rehabilitation & case managed survival services, homeless mentally ill 21–57 yr olds, 31032
isokinetic strength testing & learning effect during work reentry program, torque output & fear of reinjury, male 44 yr old with low back pain, 19261
job coaching, employment in professional & technical occupations, patients with traumatic brain injuries, 11180
job retention & vocational outcome in supported employment placements, workers with traumatic brain injury, 12 & 30 mo followups, 11183
job satisfaction, developmentally disabled 18–50 yr olds in supported employment, 31035
movement science & pathology & functional analysis conponents of physical therapy & contributions to occupational rehabilitation, 19262
multidisciplinary occupational rehabilitation, patients with chronic low back pain, 5 yr followup, 27169
onset of alcohol abuse or major depression or somatization disorder, vocational rehabilitation patients with work related injuries, 19264
perception & use of computer applications in vocational rehabilitation, vocational rehabilitation professionals, 7271
problem behaviors of workers & supervisor's techniques & needs, vocational supervisors of learning disabled workers, 27175
problem solving safety skills program, prevention of work injuries & generalization to & maintenance in natural work environments, 28–62 yr olds in supported employment service, 15179
psychosociodemographic factors, signs & symptoms of chronic locomotor pain, vocational rehabilitation patients, Sweden, 27170
rehabilitation services, past 25 yrs, bibliography of Vocational Evaluation & Work Adjustment Bulletin, 27165
resource components approach to collecting & reporting costs of habilitation training & sheltered workshops & supported employment, adults with developmental disabilities, 30977

responses to criticisms of transitional employment in clubhouse model of psychiatric rehabilitation, mentally ill, 23176
role of work & work ordered day in clubhouse model of psychiatric rehabilitation, mentally ill, conference presentation, 23214
role of work in clubhouse model of psychiatric rehabilitation, mentally ill, conference presentation, 23190
role of work unit in clubhouse model of psychiatric rehabilitation, mentally ill, 23216
sales & business practices in job development & growth in supported employment, 11187
school vs rehabilitation based school to work transition program, visually impaired 19–27 yr olds, 35056
skill acquisition & generalization of training strategies in community supported employment program, female moderately mentally retarded 30 yr old vs severely mentally retarded 27 yr old, 11191
social skills problem solving training, teaching & generalization of question asking across settings & coworkers, moderately mentally retarded 23 & 41 & 44 yr old workers, 23295
strategies & methods & issues in vocational rehabilitation counseling, clients with traumatic brain injury, 35055
suggestions for job related social skills problem interventions for learning disabled or mentally retarded or physically or other handicapped workers, managers & entry level employees, 23285
supported employment, developmentally disabled, 11192
supported employment, quality of life, severely mentally ill adults, 15175
supported employment, wages, developmentally disabled adults, 3128
systems & S & modulating factors, return to work, injured employees, 3127
training needs in community based vocational assessment & adjustment services, professionals in rehabilitation or related occupational specialties, preservice & inservice training implications, 31104
transitional employment program in clubhouse model of psychiatric rehabilitation, mentally ill, Sweden, 23204
transsystemic feminist theory of vocational rehabilitation with emphasis on family issues, role of empowerment, disabled females, case report, 19257
utilization of splinter skills in calendar calculation & music trivia in job training as order filler for music distribution company, autistic male 21 yr old, 23297
vocational evaluation, self estimated aptitudes & interests, 17–54 yr old rehabilitation clients, 15177
vocational rehabilitation assessment & counseling & placement, psychosocial adjustment, clients with carpal tunnel syndrome, 11186
Young Adult Institute employment training & placement program, employment outcomes & monitoring process, 16–42 yr olds with mental retardation & learning disabilities, 39050

Vocational Rehabilitation [See Also Vocational Evaluation, Work Adjustment Training]—Books
Vocational preparation and employment of students with physical and multiple disabilities, 43333

Vocational Rehabilitation [See Also Vocational Evaluation, Work Adjustment Training]—Chapters
Employment training interventions, 31037
Initial case assessment forms in rehabilitation counseling, 27180
Job analyses procedures in rehabilitation counseling, 27179
Job-oriented rehabilitation, 19274
Natural vocational supports for persons with severe mental illness: Thresholds Supported Competitive Employment Program, 27181
Supported employment and opportunities for integration, 31042
Supported employment: Emerging opportunities for employment integration, 42981
Vocational evaluation and planning, 19275
Vocational rehabilitation in the treatment of multiple personality disorder, 31039

Vocational School Students—Serials
care skill training, training transfer & occupational flexibility, motor mechanic & baker trainees in vocational college, 19482
concurrent validity of Self Directed Search, identification of chronic career indecision, 12th grade vocational school students, 31991
perceptions of desired professor traits, vocational vs college students, 43295

Vocational Schools [See Technical Schools]

Vocations [See Occupations]

Voice [See Also Crying, Infant Vocalization]—Serials
A. Wolfsohn's application of Jung's analytical psychological approach to nonverbal vocalization & singing, 1507
acoustic correlates of vocal emotion, literature review, implications for synthetic speech, 39628
acoustic measurements of fundamental frequency & jitter & shimmer in fluent vocalized utterances, stuttering 36–56 mo old males, 14118
adaptive Wiener filter for analysis of voicing irregularities, dysphonic 25–65 yr olds, 10198
algorithm for pitch extraction & voiced vs unvoiced decision based on temporal analysis of virtual tone components of auditory model, 8260
content free voice analysis of discussion about child as measure of affect & communicative process, mothers of nonorganic failure to thrive infants, 22078
duration & interval parameters of voice samples, identification of mock abductor's voice immediately vs 24 hrs vs 1 wk following voice exposure, college students, 8265
interrater reliability of equal appearing interval vs anchored scale, evaluation of voice quality, speech & voice clinicians, 24052
intrarater & interrater reliability of equal appearing interval vs visual analog scales, assessment of voice quality roughness, voice & speech clinicians, implications for perceptual evaluations, 24053
mood content & temporal pacing of speech & voice quality & fundamental frequency, depressed mothers, 25755
number of intervening words & number & sex of talkers & same vs different voice, recognition memory for voices & repeated spoken words, adults, 20322
phonetic context, perception of & distinction between voiced vs voiceless fricative consonants, adults, 5011
pitch discrepancies in natural voice vs speech intonations, schizophrenic vs manic & reactive psychotic patients, 21835
postvocalic consonant voicing & syllabic structure, duration of long vs short vowels in Afrikaans, native speakers, 827
reliance on situational vs vocal cues for recognition of angry vs happy vs neutral emotion, preschoolers vs 2nd vs 5th graders, Turkey, 32960
sentence length & speechreading with vs without processed vs unprocessed vs quantized voice fundamental frequency, recognition of words, normal hearing 24–40 yr olds, implications for deaf, 14428
speech rate, vocal intensity & fundamental frequency, 19–27 yr olds, 28844
vocal attractiveness & maturity, person perception, college students, 1405
voice & vowel length in phonological representations, word identification, college students, Netherlands, 16231
voice change, male to female transsexual 22–59 yr olds, 37384
voice intensity & intonation & issue involvement, attitudes toward advertising messages, college students, Canada, 11748
voice quality & acoustic characteristics & personality impressions & attractiveness perceptions, college students, 41234
white noise & semantic vs nonsemantic encoding & voice change, auditory priming effects on explicit vs implicit memory in auditory word identification & stem completion tasks, college students, 4392

Voice Disorders [See Dysphonia]

Volition—Serials
A. Burgess's focus on behavioral intervention & destruction of free will in "A Clockwork Orange", 797

brain damage location & relation to emotional vs volitional facial muscle control, 27–75 yr olds with emotional vs volitional facial paresis, 22369
flaws in cognitive & volitional standards of insanity defense, 23936
free will vs determinism in criminal law, 7873
motivational & volitional characteristics & classroom environments, responsibility for learning & performance, elementary school students, implications for teaching methods, 15434
prediction of goal directed behavior with low vs high degree of volitional control, college & graduate students, comparison of theories of reasoned action vs planned behavior, 9628
reconceptualization of free will & determinism controversy to include 2 independent bipolar dimensions & agentic theories of human action, implications for counselors, 32751
Volition—Books
Experimental slips and human error: Exploring the architecture of volition. Cognition and language, 32786
Volition—Chapters
Free choice, practical reason, and fitness for the rule of law, 9519
Is our behavior primarily determined by biological processes?, 4992
The many uses of error: Twelve steps to a unified framework, 32787
A new ideomotor theory of voluntary control, 32183
Philosophy, 4990
William James and the concept of free will, 24021
Volunteer Civilian Personnel—Serials
demographics & level of acceptance from staff & clients & motivation & length of & reasons for service, volunteers at rape crisis centers & shelters for battered females, 14965
development & reliability & validity & factor structure of Attitude Towards Volunteer Motivation scale, AIDS volunteers, 15933
perceived program support & grief/bereavement needs, AIDS buddy program volunteers, 34876
program contract status & motivation, length of service, ombudservice volunteers for elderly in nursing homes, 23110
self vs other oriented work motives, 20–60 yr old & older volunteers, Japan, 17511
unidimensional vs multidimensional approach to aggregating motive items, prediction of intent to continue volunteering, 55 yr olds & older, 1164
Volunteer Personnel [See Also Volunteer Civilian Personnel] —Serials
characteristics of volunteer service agencies, drug abusing clients, England vs Scotland vs Australia, 19211
combination of measures of perceived control information of psychological empowerment construct & relation to level of involvement in community organizations, Black vs White 18–94 yr olds, 41344
critical incident characteristics & stress responses & coping behavior, 18–54 yr old volunteer emergency service personnel, Australia, 19406
development & nature of continuing education program in psychotherapy, voluntary faculty, 23386
empowerment model of service delivery, personal efficacy & self esteem of elderly participants & staff motivations & attitudes, volunteers in multipurpose senior center, 34883
expected definitions vs actual enactment of & satisfaction with role, female volunteer workers, 39510
length of service, death coping & anxiety & competency, hospice volunteers, 19398
past trends & increase in & future prospects for volunteerism, elderly, 33031
perceived sources of stress & satisfaction & organizational change, hospice care organization volunteers, England, 43095
positive & negative nonwork to work spillover & coping strategies, male vs female managers, 47379
recruitment for intergenerational programs, elderly volunteers, 29118
research on volunteerism, implications for functionally oriented approach to personality & motivation & social behavior, 41229
sex vs role identity vs taking vs age vs educational background vs occupational status vs club membership, prediction of volunteer type choice, 55 yr old & older office vs day care center volunteers, 13206
social & psychological aspects of volunteerism in response to HIV epidemic, staff of community based grassroots & other organizations & programs, 27045
social & role & environmental & resource & lifestyle & religious & individual difference variables, retired 47–93 yr old actual vs latent vs conditioned volunteers vs nonvolunteers, 25313
stress & burnout & coping strategies, hospice volunteers & staff, literature review, volunteer training implications, 15285
student evaluated performance in required 3rd yr family medicine clerkship, volunteer vs full time medical faculty & students, 23381
volunteer Neighborhood Watch & symbolic relationship between western law & social control & crime, US & Australia, 39694
volunteer satisfaction, continuation in volunteer role, elderly, 37227
Volunteer Personnel [See Also Volunteer Civilian Personnel] —Books
Bearing witness: Gay Men's Health Crisis and the politics of AIDS, 46839
Older volunteers: A guide to research and practice, 39433
Volunteers (Experiment) [See Experiment Volunteers]
Vomeronasal Sense—Serials
chemoreception for triglyceride oil, rats, 417
chemosensory vs verbal influences & labeling, long term odor recognition memory, male vs female 18–27 yr olds, Austria, 39974
knowledge of & practices related to chemosensory disorders, physicians, implications for medical education, 43101
nuzzling, delivery of odors to vomeronasal organ & function as saliva scent marks, gray short tailed opossums, 40400
sexual dimorphism in vomeronasal pathway & sex differences in reproductive behaviors, rats, literature review, 32446
vomerectomy vs castration, sensitivity of social recognition to vasopressin receptor antagonism, male rats, 44382
vomeronasal organ removal & icv LH releasing hormone, mating behavior deficits, male hamsters, 8654
vomeronasal system deafferentation, home range usage, free ranging eastern garter snakes, 36331
Vomit Inducing Drugs [See Emetic Drugs]
Vomiting—Serials
abstinence from bingeing & purging, thyroid function, normal weight bulimic females, 41901
behavioral analysis & treatment based on interoceptive classical conditioning, 52 yr old male with gagging & vomiting response to bladder &/or similar visceral sensation, 1 yr followup, 22858
calories retained after binge eating & vomiting, normal weight female 14–30 yr olds with bulimia, 45861
carbohydrate vs protein volume vs concentration vs amount of solute, food handling & foraging time & ingestion & regurgitative bubbling, apple maggot flies, 32327
clinical & psychological features, patients with restricting anorexia nervosa with vs without bulimia who do vs do not binge & purge, implications for psychodiagnostic subtyping, 33976
food related scenes with vs without prospect of vomiting, subjective & behavioral & physiological anxiety, adult females with bulimia nervosa, Canada, 41892
history of self induced vomiting, presence of personality disorder, patients with anorexia nervosa, 26115
history of vomiting as method of medical treatment, 26909
issues in regurgitation as weaning strategy, canines, 36402
lithium vs radiation vs amphetamine UCS, taste aversion conditioning & vomiting, ferrets, 16451
music therapy during chemotherapy, nausea & emesis, 38–73 yr olds with cancer, 22881

neuroleptic treatment, vomiting, 24–57 yr olds with schizoaffective disorder or schizophrenia, Canada, letter, 6802
neuroleptics, development of supersensitivity psychosis with concurrent episodic vomiting, male 37 yr old with psychiatric disorder, case report, 14710
parasitoid behavior vs anatomical origins of induced regurgitation by host onto mouth & abdominal trichomes of parasitoid, Lasius flavus workers & myrmecophilous beetles, 24572
persistent functional vomiting, female 13 & male 16 yr olds, case reports, 2070
temporal relationship between binge eating & self induced vomiting onset, females with bulimia nervosa, England, 10180
video distraction &/vs relaxation, chemotherapy induced anticipatory vomiting, male 29 yr old with adenocarcinoma of stomach, 2751
vomiting & binge eating, hyperamylasemia & salivary gland enlargement, patients with bulimia vs anorexia nervosa, Austria, 26121

Voting Behavior—Serials

candidate's personal traits & issue positions & political sophistication, preference for 1984 national election candidates, voters, 45139
content analysis of negative TV advertising in presidential election & relation to voter behavior, 1988, 1310
determinants of voting behavior in union representation elections, college faculty, test of multivariate model, 39160
freshman effect pattern of indecisiveness & equivocation in voting with vs against established ideological blocs, newly appointed justices of Supreme Court, 1921–90, 31774
generational equity & perceptions of vs actual voting behavior in US presidential elections, elderly, 17228
group membership & political orientation & perceptions of racial outgroup threat & public resources, support for White vs Black political candidate, registered Democratic voters, 1988, 45132
issue vs image strategies & attack vs support appeals & music & visual content, impact of TV political commercials on attitudes & voting intent, college students, 5445
party in office & inclusion of Dow Jones Industrial averages in R. C. Fair's model of popular vote determination, 17371
perception of favored presidential candidate as taller than nonfavored candidate, voters during 1992 elections, US, 45133
perceptions of political candidates & election issues & voting intentions & ideology & moral judgment development, 18–23 yr olds, 37170
personal & political characteristics & community participation, voting behavior, low income Black 62 yr olds & older, 17226
political ideology & party affiliation & presidential vote choice, Hispanic vs Anglo Americans, 1980–88, 29283
pre-election preferences & attraction to candidates, voting behavior in 1988 presidential election, male vs female college students, 37347
presidential debate & its media coverage & political knowledge, pre-election vs postelection candidate preferences, voters, 1980, 1313
private vs social value & incentives for acquisition of information in majority decisions, voters, 29272
prospective mathematical model of voting behavior & party identification research, 5431
response latency vs certainty on voting intention survey, prediction of discrepancies between voting behavior & intentions, adults, Canada, 37343
social change & world view, voting behavior & political attitudes, manual workers, 1964 & 1966 & 1970, Great Britain, 41149
social pressure & job satisfaction & perception of union instrumentality, voting behavior, 24–64 yr old employees in union certification elections, 27680
theoretical perspectives on majority rule voting procedures & protection of individual interests, 25417
type of political commercial & TV programing, candidate evaluation & issue recall & vote likelihood, civic groups members & college students, 16972
union authorization card signing & certification voting, employees, 31559
versatility of Mueller-Moulin algorithm for computing outcome of sequential voting by veto, group decision makers, 41209
voter misrepresentation, inaccurate exit polls in Virginia gubernatorial race, voters, 1989, 1315
voting behavior & political attitudes, employed vs unemployed 18–35 yr olds, Belgium, reanalysis, 33140
wishful thinking assessed by voting intention & preference for Labor vs Likud block, expectations for election outcomes, adult voters, Israel, 1988, 45131

Voting Behavior—Chapters

Stability, convergence, and computation of stereotype voting groups, 47555

Vowels—Serials

age, vowel perception in native vs nonnative speech, 4–12 mo olds vs adults, implications for consensus hypotheses, 44915
auditory EP component mismatch negativity & discrimination of synthetic vowels, aphasic male 46–77 yr olds with left posterior vs anterior brain damage, Finland, 26265
consonant effects, timing of upper lip protrusion movements & anticipatory coarticulation for vowel /u/ relative to acoustic events, native English speaking college students, 5009
critical band, vowel discrimination, adults, 16242
ear model based architecture & features of phonetically based multilayered neural networks for vowel classification, 7835
formant frequency & vowel duration, role of spectral & temporal cues in vowel identification, adults with sensorineural impaired hearing, 14442
fundamental frequency & steady states vs parallel vs crossed gliding pitch contours, perceptual segregation of simultaneous vowels with harmonic vs shifted vs random components, college students, 32107
Ineraid cochlear implant, vowel production, deaf adults, longitudinal study, 7277
intensity & duration of final syllable of sentence, perception of vowel & syllable duration, adults, letter, 24346
interaural time, binaural cue & fundamental frequency difference in concurrent vowel identification, normal hearing adults, 8254
interstimulus interval, auditory discrimination of consonants & vowels, adults, 12196
long term memory in auditory discrimination of consonants & vowels, adults, application of dual process vs trace context theories, 12195
natural vowel perception & transmission of formant & fundamental frequency & vowel duration, deaf 21–59 yr olds with Ineraid cochlear implant, 11098
noise, perceptual restoration of isolated vowels, 21–35 yr olds, 16241
postvocalic consonant voicing & syllabic structure, duration of long vs short vowels in Afrikaans, native speakers, 827
role of vowels in reading in English vs Hebrew, 40124
RTs for vowels vs consonants in phoneme detection task, 19–46 yr olds, England, 8261
sentence accent & word stress & class, acoustic properties & reduction & duration & identification of Dutch vowels, adults, 40758
speaking rate & vowel duration & context & stress, formant track shape of Dutch vowels, adult speaker, 825
speech rate, coarticulatory nasalization of vowels, English vs Spanish speakers, 16954
speech rate, production of tense vs lax vowel duration, fluent vs nonfluent aphasic adults, 38214
talker differences & reverberation vs noise degradation, vowel identification, hearing impaired 50–69 yr olds vs 20–46 yr olds, 18452
time waveform in vs distribution of energy among electrode channels, coding of formant frequency in vowel recognition, patients with Ineraid cochlear implant, letter, 27182
use of dynamic acoustic information in identification of vowel quality in CVCs, normal hearing 19–25 vs 61–75 yr olds, 919

utilization of static & dynamic speech cues in vowel identification, 24–60 yr olds with multichannel cochlear implant, 11194
vocal tract constrictions for vowels in speech simulations, perception of vowel phoneme boundaries, phonetically trained graduate students, 16226
voice & vowel length in phonological representations, word identification, college students, Netherlands, 16231
vowel duration in English words with final letter /d/ vs /t/, Chinese or Taiwanese nonnative English speakers, 36940
vowel perception strategies, deaf school age children to adults with cochlear implants, 18929
Voyeurism—Serials
J. Lacan's psychoanalytic work on gaze & application to A. Robbe-Grillet's novel "The Voyeur", 21083
Vygotsky (Lev)—Serials
action theoretical approach & Soviet's & Vygotsky's contribution to educational psychology, 27349
cognitive & social developmental approach to play based on Piagetian & Vygotskian perspectives, children, literature review, 32981
cognitive & social developmental approach to play based on Piagetian & Vygotskian perspectives, children, commentary on literature review, 32990
L. S. Vygotsky's definitions & descriptions of creative imagination development from childhood through adulthood, 5080
L. S. Vygotsky's theoretical hegemony & creativity research, implications for synergistic psychology, 5632
L. S. Vygotsky's theory of creative imagination as framework for research on play development through social interaction, mother child dyads, 5222
person centered vs social processes approach vs L. S. Vygotsky's sociocultural perspective & creativity research, 5610
private speech categories, cognitive task performance variables, 3–5 yr olds, test of L. Vygotsky's theory of self regulatory functions of language, 921
reconstruction of L. S. Vygotsky's theory of creative imagination, conference presentation, 5221
rhetorical responsive & ethical themes in Vygotskian approach to internalization of psychological functions & semiotic mediation, 40125
Vygotskian theory of language development & special education provision & practice, special education students, Russia, 47266
Vygotsky (Lev)—Books
The collected works of L. S. Vygotsky, Vol. 2: The fundamentals of defectology (abnormal psychology and learning disabilities). Cognition and language: A series in psycholinguistics, 37625
Vygotsky (Lev)—Chapters
The beginning of a new psychology: Vygotsky's psychology of art, 25054
Dynamic assessment: Implications for classroom consultation, peer tutoring and parent education, 7439
The encoding of distance: The concept of the zone of proximal development and its interpretations, 37005
Paradoxes of children's play in Vygotsky's theory, 25273
Wages [See Salaries]
Wakefulness—Serials
brain stem auditory EPs during wake vs sleep, introverted vs extraverted female 17–28 yr olds, 36690
catecholamine, modafinil vs amphetamine induced wakefulness, cats, 24926
daytime sleepiness & EEG alertness, 20–33 vs 51–64 vs 75–82 yr olds, 24770
dissociated states during wakefulness &/vs REM &/vs NREM sleep, patients with neurological or sleep or other disorders, 2149
ethanol, frontal cortex noradrenaline concentrations, awake male rats, 24973
frequency & circumstances of occurrence of waking altered states of consciousness, college students, Poland, 44184
hippocampal cellular conditioning during paradoxical vs slow wave sleep vs wakefulness, male rats, 571
napping & caffeine, alertness & performance on night work shift, 21–38 yr olds, 35611
nocturnal vs diurnal sleep vs sleep deprivation, EEG during resting wakefulness, 23–27 yr olds, 20664
pairing of tone & electrotactile stimulation to ear while asleep vs awake, lick suppression CR while awake, male rats, 440
parental attitudes & cosleeping & nighttime habits & other factors, night waking & crying patterns, 3 mo to 2 yr olds, Korea, 9096
partial sleep deprivation, EEG during REM sleep & wakefulness, male college students, 32257
rapid 10 hr time zone changes, desynchronization & resynchronization of circadian rhythms of body temperature & alertness & visual search, 21–50 yr old female flight attendants, Finland, 36648
REM sleep vs wakefulness, spectral analysis of EEGs in right vs left temporal regions as biological marker, 53–66 yr olds with mild to moderate Alzheimer's disease, 6396
repeated triazolam vs nitrazepam, daytime sleepiness & psychomotor performance & EEG & motor coordination & plasma levels, male 23–27 yr olds, 8950
ritanserin &/vs zimeldine, waking behavior & REM & slow wave sleep, cats, 24984
sodium lactate, median sleep stage & frequency of awakening during nocturnal sleep, 20–59 yr olds with panic disorder, 17854
zolpidem, sleep & daytime wakefulness & psychomotor ability & simulated flight & EEG, male Air Force ground personnel & Navy fighter pilots, France, 36880
5-HT1-like receptor agonists vs antagonists, sleep wake patterns vs wakefulness, male rats, 4782
Wales—Serials
activity programs in day services of adult training centers, mentally handicapped, Wales, 23197
admissibility of & issues in expert psychological & psychiatric case evidence, England & Wales, 23931
characteristics of sectorized psychiatric services, district health authorities, England & Wales, 34829
epidemiological data on suicide & attempted suicide, 1970–90, England & Wales, 6018
geographical clustering of neuroleptic malignant syndrome, 30–79 yr olds with dementia or schizophrenia, South Wales, 33482
implementation of national assessment system & role in teaching & measurement driven instruction, 6–7 yr olds, England & Wales, 31984
seasonal temperature, crime rates, England & Wales, 6112
suicide, Indian & West Indian male vs female 15–64 yr olds, 1979–83, England & Wales, 13902
Wales—Chapters
From alcoholism to problem drinking: Alcohol treatment in England and Wales, 1945–1990, 11153
Walking—Serials
age related gait qualities, perceived age & sex & personality traits of 5–70 yr old walkers, college students, Korea, comparison with US data, 41257
attentional & physical & cognitive aspects of walking & potential for falling, application to litigated cases, 283
development of integration among voluntary movement & anticipatory postural adjustment & locomotor activity, 6 vs 10 vs 14 yr olds, 9091
developmental trends in differentiation & specific cues for depiction of standing vs walking in human figure drawing, 4–10 yr olds, England, 44902
forced targeted foot fall pattern, ground retention forces during level walking, male college students, 44050
global & local visual information, speed & braking in goal directed walking task, male 19–40 yr olds, 24294
intention, stride frequency & amplitude flexibility, adults, 28225
match of depth intervals on ground plane to frontal intervals at same distance & walking toward location with closed eyes or pointing while walking, 20–33 yr olds, 12160
obstacle proximity, anticipatory limb adjustments during locomotion, 20–31 yr olds, 44047
personal & medical & psychological characteristics, compliance with rehabilitative home based walking program, male 32–75 yr olds with myocardial infarction, 34997

pixelized vision simulator, walking speed & collisions & mobility in maze, college students, implications for electrical visual prosthesis for blind, 6426
psychotherapeutic technique of "walking in your shoes", empathic awareness of others & sense of oneness, clients, 46194
spouse solicitousness, walking time & pain reported & heart rate during treadmill test, chronic back pain patients, 22219
tidal volume & breathing rate & minute ventilation & inhibitory breathing & natural environment, ambulatory 22–56 yr olds, 12624
undernourishment during suckling, walking locomotion, female rats, 12633
visible surface layout & geographical slant, perceived maximal slope & affordance for walking, college students, 16247
walking education program, functional capacity & symptom management self efficacy, patients with osteoarthritis, 34768

Walking—Chapters

Neuronal control of stance and gait, 24733
Posture and independent locomotion in early childhood: Learning to walk or learning dynamic postural control?, 40868

Wandering Behavior—Serials

Guttman scaling analysis of distributional data on types of wandering behavior, hierarchical structure & centrality of purposeless activity, elderly with dementia, commentary, 18340
nature & cause & treatment strategies for wandering behavior, elderly nursing home residents, nursing practice implications, 27077

War [See Also Nuclear War]—Serials

adaptation & validity of Bar Ilan Picture Test for Children, assessment of affective reactions & coping during threat of missile attack in Persian Gulf War, 4th–5th graders, Israel, 39758
anxiety during Persian Gulf War missile attacks, female 19–42 yr olds with normal vs at risk pregnancies, Israel, 37797
attachment style, coping strategies & posttraumatic psychological distress in response to Iraqi missile attacks during Persian Gulf War, college students, Israel, 33333
battle intensity, disease & nonbattle injury vs casualty rates, Marine infantry personnel involved in Okinawa assault vs Korean War, technical report, 9699
Buddhist responses to violence & war & resources for socially engaged spirituality, 9361
causal attributions for & expectations & feelings about & preferred policy response to Arab Israeli conflict, Jewish college students, Israel, 25321
clinical characteristics & classification & mental health care system use during Persian Gulf War, Army soldiers with combat stress, 1990–91, conference presentation, 7059
combat related events of Persian Gulf War, course & severity of PTSD, Vietnam veterans, 25861
community based crisis intervention school psychology services during Gulf War, 1991, Israel, 15555
contribution of school mental health services to community wide emergency intervention during Persian Gulf War, parents & children, 1991, Israel, 7099
contributions to psychology & success of careers compared to male counterparts, female psychologists, WWII, Canada, 27212
coping behavior in sealed room during scud missile attacks & post-Gulf War stress reactions, 5th vs 7th vs 10th graders, Israel, 37816
coping resources & strategies & optimism & perceived control, anxiety & physical symptoms & cognitive functioning during Iraqi SCUD missile attacks, adults, 1991, Israel, 21562
demographic background & stressor exposure & postdisaster environment, immediate stress response, evacuees during Persian Gulf War, Israel, letter, 37808
demographics & anxiety & physical symptoms & perceived control & pessimism & coping with threat of SCUD missile attacks during Persian Gulf War, 16–80 yr olds, Israel, 17575
development of Worker's Sick Fund hot line during Gulf War, citizens, Israel, 19068
diagnosis of medical vs psychiatric disorders, male vs female soldiers deployed during Persian Gulf War, 29497
diffusion theory of war experience & shell shock, insanity defense & psychiatric practice & reform, post-WWI Great Britain, 34284
disease & nonbattle injuries during Operation Desert Shield, Navy & Marine personnel, Saudi Arabia, 5720
distressful reactions to Scud missile attacks & coping strategies & trait anxiety, 18–73 yr olds assessed during Persian Gulf War, 1991, Israel, 41313
ethical dilemmas during Persian Gulf War, social workers, Israel, 11316
ethical issues in Vietnam war & other combat treatment, military psychiatrists, 47081
exposure to SCUD missile attacks during Persian Gulf War, stress reactions & psychological distress & symptoms, male vs female 11 vs 13 vs 16 yr olds, Israel, 45338
group analytic psychotherapy at residential treatment facility, emotionally disturbed adolescents & young adults during threat of Persian Gulf War, Israel, 30429
group fantasy elements about Persian Gulf War & themes of violence in "Home Alone" & "The Silence of the Lambs", 842
group psychotherapy during Serbo-Croatian War, defenders of town of Vukovar, Croatia, 30392
guidelines for conceptualization & measurement & testing & development of theory of international norms & their effects on state behavior & military conflict, 13220
habituation of stress reactions in 1st vs 4th wk of Persian Gulf War, 14–24 yr olds in high risk areas, Israel, 13128
health & psychological experiences of being in sealed rooms during Iraqi SCUD missile attacks of Persian Gulf war, family medicine patients, Israel, 45321
heart rate & skin conductance & left lateral frontalis EMG responses to personal combat experience imagery, male WWII & Korean War veterans with vs without PTSD, 25865
history & principles of military psychiatry from War of Independence through Persian Gulf War, 1948–91, Israel, 31626
history of PTSD & psychological & social & medical sequelae of war experience, war veterans, 1918 to present, Europe, 25864
hope for peace vs increased national productivity in 1988 vs during Persian Gulf War vs recession, college students & parents, 41001
integrative complexity & political rhetoric of utterances, leaders involved in Persian Gulf War, 1990–91, 25068
internal displacement due to war violence, psychosocial adaptation & empowering roles, females, Central America & Philippines, 25334
knowledge & opinions & feelings concerning Persian Gulf War, state mental hospital patients, 1991, 5751
military service before vs after Operation Desert Storm, enlistment motivations, Army Reserve enlistees, 47471
multimodal unit based intervention, war stress & PTSD, 19–55 yr old soldiers surviving SCUD missile attack during Persian Gulf War, 42152
pacifism & socialism movements in organized opposition to Persian Gulf War, activists, US, 45137
party & religious affiliations, vote on military operations against Iraq, members of Congress, analysis in terms of G. Santayana's hypothesis of Catholic-Protestant schism, 29277
perceived sources of stress & war situation & effect on family, families assessed during 1st wk of Persian Gulf War, Israel, 41062
perceptions of children's reactions to Persian Gulf War related stressors, mothers & their 4–36 mo olds, Israel, 32991
Persian Gulf War, occupational burnout & well being, 21–65 yr old working civilians, Israel, 27685
personal & situational & familial moderating factors, effect of war, infants & toddlers, conference presentation, 44970

pictorial depiction of war in American & world history high school textbooks & similarities to modern entertainment-fiction violence, 27457
political repression & terror during Dirty War, psychoanalysis, 1976–83, Argentina, 6653
preoperational vs concrete vs formal operational level & family deployment, understanding of Persian Gulf War, male vs female 4–6 vs 8–10 vs 13–17 yr olds, 40839
prevalence of hemorrhagic strokes during Persian Gulf War, patients, 1989–92, Israel, 22320
prevalence of nonpsychotic psychiatric symptoms, WWI vs WWII military personnel, research review, 33539
preventive mental health outreach program, adjustment during & after Gulf War, disadvantaged Soviet immigrant families, Israel, 27010
prewar attitudes & opinions during Operation Desert Shield, US Army soldiers, Saudi Arabia, 27759
process & viability & flexibility of Persian Gulf War support group, stress, community members near military base, 30558
psychoanalytic theories of war neurosis & role of psychoanalysis in social change, commentary, 29134
psychohistorical perspective on role of childhood abuse & other experiences in President G. Bush's conduct of Persian Gulf War, 13336
psychological effects of Persian Gulf War, elderly Holocaust survivors, Israel, 17257
PTSD, veterans of Vietnam vs Afghanistan conflict, US vs USSR, 41639
PTSD, 19–40 yr old Persian Gulf War veterans, implications for treatment, letter, 33692
rational actor model of nature & causes & termination of international disputes & conflicts, application to US experience in Cold War, 33046
repeated missile attacks during Persian Gulf War, platelet imipramine binding & plasma cortisol, 28–37 yr old civilians, Israel, 16706
role in & traumatic characteristics of war zone stressors & PTSD symptomatology, Vietnam veterans, commentary, 17864
role in & traumatic characteristics of war zone stressors & PTSD symptomatology, Vietnam veterans, 17844
sanitization & silence about traumatic impact of war, veterans of Operation Desert Storm, 7728
sex & age & maternal reaction, reactions to war related stress, 4–9 yr olds & their mothers, Lebanon, 28993
simulated chemical & biological warfare environment, psychological symptoms & fatigue & perceived social support, Air National Guard medical personnel, 15731
simulated chemical & biological warfare environment, psychological symptoms & fatigue & perceived social support, Air National Guard medical personnel, commentary, 15735
situational factors & individual characteristics of generals, military success & casualties in land battles, 321 BC to 1905 AD, reanalysis, 27757
social dominance orientation, political conservatism & belief in racial superiority & support of Persian Gulf War & approval of police actions in R. King incident, adults, 29158
sociocultural & political analysis of Persian Gulf War, religious communities, Middle East, 21333
sociodemographics & prior anxiety & war ties, psychological reactions to Persian Gulf War, adults, 6 mo study, erratum, 5611
stress recovery unit, 19–41 yr old Army soldiers in Persian Gulf War, 1991, 7051
symptoms of PTSD, Army soldiers exposed to combat in Persian Gulf War, 1991, 5940
threat of armed attack & religious beliefs, primitive societies, 29169
threat of SCUD missile attack during Persian Gulf War & coping resources & strategies & optimism & perceived control, anxiety & physical symptoms & cognitive functioning, adolescents, Israel, 21274
traditional Bosnian childrearing practices & family life & infant mortality, war & ethnic cleansing, adults, Yugoslavia, 40998
traumatic stress & telephone therapy provided by Open Line for Students during Persian Gulf War, Israel, 7102
utility of oral history narratives of wartime trauma for PTSD diagnosis, female Vietnamese refugees, 25873
verbally mediated traumatization about violent war death of uncle & subsequent PTSD, 11 yr old female, Lebanon, case report, 17862
viewing of violent scenes of war vs nonviolent scenes of soldiers, patriotic responses, male vs female 18–25 yr olds, 29136
violence addiction model as paradigm for analysis of powerlessness of peace movement during Persian Gulf War, 9356
war & unemployment rates, suicide rate, 1933–86, US, 1836
war crimes by Iraq's military during Persian Gulf War & adverse effects on health care delivery system, Kuwait, 18992
war, marriage & divorce & birth rates, 1933–86, US, 37287
war related mortality & disease & physical trauma & psychological sequelae, children, Mozambique, 37583
war related stressful life events, physical & mental health, families in Beirut, Lebanon, 41398
war vs peace, suicide rates, adults, 1826 to 1913, France, 45647
wartime transformation of personality characteristics & readaptation to civilian life, veterans of Afghan war, USSR, translated article, 35636
WWII vs Vietnam era cognitive framework, positive vs negative ethical judgments of advertisements depicting combat during Persian Gulf conflict, 20–46 yr olds, 11742
yrs of military service & sex & children in family & information from Army commands, anxiety in anticipation of mobilization during Operation Desert Storm, Army Reserve nurses, 19407

War [See Also Nuclear War]—Books

Communication and culture in war and peace. Communication and human values, 36957
The psychology of war: Comprehending its mystique and its madness, 21324
Sequential traumatization in children: A clinical and statistical follow-up study on the fate of the Jewish war orphans in the Netherlands, 13647

War [See Also Nuclear War]—Chapters

America's home front children in World War II, 32847
The culture of Western bureaucratic capitalism: Implications for war and peace, 37351
From domination to partnership: The foundations for global peace, 37272
From Hiroshima to the Nazi doctors: The evolution of psychoformative approaches to understanding traumatic stress syndromes, 45591
Information and culture in war and peace: Overview, 36960
Rising above life's disadvantage: From the Great Depression to war, 32837
Section A: Trauma and the aging process: Studies related to World War II, 45423
Section B: Research from World War II to the present, 45425
Settlement reconstruction and psychological recovery in Iran, 47542
The United Nations and international conflict: The military talks at Kilometre Marker-101, 13236

Water Deprivation—Serials

fluid deprivation, serum testosterone & acceleration of conditioned taste aversion extinction, male intact vs gonadectomized rats with vs without testosterone implants, 32536
hepatoportal osmoreceptive signals, water intake, water deprived male rats, 20549
PCP vs dizocilpine, drinking induced by NMDA vs kainate vs water deprivation, pigeons, 44579
posttraining shift from high to low level water deprivation & preexposure to reinforcer, incentive learning of leverpressing, rats, analysis of motivational control of performance, 24539
scheduled food & water access, circadian wheelrunning rhythms in constant light vs dark vs light-dark, male hamsters, 36635
water deprivation, exercise induced weight loss, male rats, 36643

water or food deprivation induced stress, testicular & body weight, male Syrian hamsters, 40467
Water Intake—Serials
acute hypernatremia, plasma & CSF sodium & water intake, juvenile vs adult rats, 12637
alpha 1-adrenoceptor agonists amidephrine & SK&F 89748, food & water intake, male rats, 40634
anticipation of circadian schedule of water availability, male rats, 645
cimetidine vs gastric acidification vs pentagastrin infusion with vs without captopril, spontaneous water intake, female pigs, 12728
dapiprazole, morphine vs naloxone vs U-50,488H induced diuresis & food & water intake, male rats, 20946
death through water intoxication, 13 yr old anorexic female, case report, 18136
deoxycorticosterone acetate vs adrenalectomy, food & water & sodium chloride solution intake, male rats, 12899
dextroamphetamine with vs without kappa opioid agonist U-50,488H, food & water intake, male rats, 24845
dietary medium &/vs long chain triglyceride with vs without devazepide, food & water intake, male rats, 12641
diurnal & nocturnal patterns of water intake, young vs old male rats, 20694
etiological role of passive marihuana usage & child neglect & abuse, water intoxicated male 3 mo old with hyponatremic seizure & hypothermia, case report, conference presentation, 38278
GABA-A agonist THIP, ethanol & food & water intake, male rats, 20812
Ginkgo biloba extract EGb 761, body weight & water intake, male rats, implications for stress induced polydipsia, 40547
health education with vs without safe water supply & social cohesion, dracunculiasis, villagers, Mali, 30009
hepatoportal osmoreceptive signals, water intake, water deprived male rats, 20549
ibotenic acid lesion of hypothalamic paraventricular nucleus with or without morphine vs naloxone, saccharin preference & body weight & water intake & gustatory threshold, male rats, 12554
ibuprofen vs lipoxygenase inhibitor, interleukin-1 beta induced anorexia & food & water intake, male rats, animal model of anorexia, 12889
icv isradipine, angiotensin II induced water intake, male nondeprived rats, 36731
intrahypothalamic amylin vs calcitonin gene related peptide, water & food intake & conditioned taste aversion, male rats, 16746
intraventricular neuropeptide Y, food or water intake, genetically obese vs homozygous vs heterozygous lean female Zucker rats, 686
kappa opiate agonists PD117302 vs U50,488H, patterns of food & water intake, male rats, 24921
l-arginine nitric oxide in lateral cerebral ventricle, water intake regulation, rats, 8874
lasix induced sodium depletion or lithium chloride toxicosis, saline solution vs water intake, C57BL/6J vs 129/J male mice, 44362
lateral preoptic area kainic acid vs muscimol, angiotensin II vs saline vs polythylene glycol induced water intake, male rats, 36849
lidocaine in zona incerta, water intake, male rats, 36895
mild unpredictable stress, suppression of sucrose solution vs water vs food intake, food & water deprived male rats, implications for anhedonia, 20760
morphine, acquisition & maintenance of ethanol & water intake patterns & amount, male rats, 16786
naloxone or naltrexone, water intake & thirst, thermally dehydrated male rats, 20802
naltrexone vs nor-binaltorphamine vs beta funaltrexamine vs naltrindole vs D-Ala2,Leu5,Cys6-enkephalin vs naloxonazine, sucrose solution & deprivation induced water intake, male rats, 12736
nonintensive behavioral intervention, water intake, 52 yr old male inpatient with psychosis & intermittent hyponatremia & polydipsia, 1 yr followup, case report, 18634
nonpeptide angiotensin receptor antagonists, angiotensin II stimulated water intake & salt appetite, male rats, 20980
norepinephrine in circumscribed brain sites, food & water intake, broiler chickens, 36747
paraventricular hypothalamic alpha 2-adrenoceptors, phenylpropanolamine induced food & water intake, male rats, 44603
PCP vs dizocilpine, drinking induced by NMDA vs kainate vs water deprivation, pigeons, 44579
prepartum vs postpartum food & water intake & body weight change, virgin vs pregnant &/vs lactating vs thelectomized female mice, 12627
sc cocaine, water consumption & weight gain & other maternal & offspring outcomes, pregnant mice & their pups, 16749
serotonergic action of fluoxetine or citalopram or buspirone or ritanserin or ondansetron or chlordiazepoxide, alcohol & water intake, alcohol preferring male rats, 40625
sodium chloride content of food, meal patterns & food & water & sodium chloride intake, male rats, 12634
tachykinin induced sodium ion excretion by kidney or water retention, cell dehydration induced water ingestion, male rats, 4899
unilateral vs bilateral olfactory bulbectomy & photoperiod, body weight & food & water intake, male golden hamsters, 24701
5-HT receptors & beta adrenoceptors, idazoxan induced food & water intake & L-659,066 induced drinking, male rats, 16791
5-HT stimulator MDMA, ethanol vs food vs water vs alcohol intake, Fawn Hooded vs P strain alcohol preferring rats, 16849
Water Transportation—Serials
guilt & psychological distress, 17–55 yr old survivors of ferry disaster, 3 yr followup, 17552
social hierarchy blurring traditional lines of authority, camaraderie & sense of community & institutional efficiency, male officers & unlicensed ship crew members in Army Corps of Engineers, 39552
Weaning—Serials
indoor confinement & presence of adult hinds, weaning stress, red deer calves, 12433
issues in regurgitation as weaning strategy, canines, 36402
practices in & attitudes toward breast feeding & weaning, poor urban mothers of 2–12 mo olds, Egypt, 33125
preweaning nutrition & litter size, postweaning food intake & body mass & fat & feeding efficiency, rat pups, 12421
recall of time when breast feeding stopped & formula & solid foods feeding started, Bedouin Arab females interviewed at 12 & 18 mo postpartum, Israel, 5401
sodium depletion, salt appetite compensation, 17–24 day old preweanling & weanling rats, 32517
weaning, voluntary consumption of solid feed, lambs, 19 wk study, 8540
Weaning—Chapters
Social coercion for weaning, 9458
Weaning from mother's milk to solid foods: The developmental psychobiology of self-selection of foods by rats, 20780
Weapons—Serials
deterrence based framework for analysis of nuclear arms control treaty verification systems & desirability of treaty constraints, 19847
experiences with shootings & ownership of & attitudes & safety practices regarding firearms, 5–12 yr olds vs their parents, 29069
gun ordinance, public firearm homicides & enforcement of mandatory sentencing by criminal justice system, conference presentation, 23940
gun ownership, home suicide victims, 1829
gun ownership, home suicide victims, commentary reply, letter, 25912
gun ownership, home suicide victims, commentary, letter, 25914
gun ownership, home suicide victims, commentary, letter, 25895
health & psychological experiences of being in sealed rooms during Iraqi SCUD missile attacks of Persian Gulf war, family medicine patients, Israel, 45321

per capita density of firearms dealers in 1990, firearm death rates, 1979–87, US, 45648
presence vs absence of weapon during commission of crime, weapon focus effect on lineup identification & perpetrator feature accuracy, eyewitnesses, meta analysis, 3907
psychological consequences of nuclear arms race, children & adolescents & adults, 13126
religious affiliation, handgun ownership, adults, 21335
self psychology perspective on selfobject function of weapons, literature review, 25611
sex & race, attitudes toward & reasons for gun ownership & gun safety training, nonurban 6th–8th & 10th–11th graders, 13130
sex & southern culture & fear of crime, firearm possession, 15 yr olds & older, US, 6102
sex stereotypes & shooting outcome, social inferences about male vs female homeowners using gun to shoot intruder, college students, 33260
support for defensive violence & racial prejudice & political conservatism & hunting activity, gun ownership, White southerners, 25358
victim's resistance & robber's weapon possession, likelihood of robbery completion & victim injury, 1979–85, 37989

Weapons—Chapters

Attitudes toward nuclear disarmament: International comparisons of university students and activists, 5314

Weather [See Atmospheric Conditions]

Wechsler Adult Intelligence Scale—Serials

A. Bannatyne's recategorization of WAIS-R into spatial & verbal conceptual & sequential components, assessment of neuropsychological ability & intelligence & achievement, learning disabled adults, 20068
accuracy of National Adult Reading Test Revised, prediction of WAIS-R IQ score, 20–54 yr olds, 39791
age & sex & education, WAIS-R subtest performance, 57–97 yr olds, 4120
age & sex & educational attainment, changes in crystallized vs fluid intelligence as assessed with Kaufman Brief Intelligence Test & WAIS & WAIS-R, 20–90 yr olds, 31830
cluster analytic approach to number of factors issue in WAIS-R construct validation, 8103
concurrent validity of Silverstein's vs Doppelt's vs Ward's WAIS-R short forms, cost effective estimates of intellectual ability, 16–89 yr old psychiatric inpatients, 4038
concurrent validity of WAIS-R & Wide Range Achievement Test-Revised, educable mentally retarded adolescents & young adults, 24144
correlation of WAIS-R & Kahn Intelligence Test, moderately & severely mentally retarded 35–54 yr old intermediate care facility residents, 31912
efficacy & validity of Satz-Mogel short form WAIS-R in neuropsychological assessment, 17–72 yr old tumor patients with right vs left hemisphere damage, 4121
errors in WAIS-R administration & scoring, experienced practitioners vs graduate assistants, implications for IQ scores, 27923
factor analysis of Spanish version vs original WAIS, 16–54 yr olds, 4011
factor analysis of WAIS & Wechsler Memory Scale-Revised, patients referred for neuropsychological assessment, 129
factor structure & model of WAIS-R & Wechsler Memory Scale-Revised & Auditory Verbal Learning Test score battery, 56–97 yr old patients in Mayo Older Americans Normative Sample, replication, 24183
factor structure of & performance on Verbal & Performance subtests of WAIS-R, 16–54 yr old vocational guidance clients, Australia, educational & clinical implications, 19990
factor structure of WAIS-R & Verbal Memory & Visual Memory Indices of Wechsler Memory Scale-R, adults in vocational rehabilitation, 43764
factor structure of WAIS-R &/vs Wechsler Memory Scale-Revised &/vs Rey Auditory Verbal Learning test as neuropsychological core battery, 55–97 yr olds, 4129
factor structure of WAIS-R, neurologically impaired adults, England, 15982
factor structure of WAIS-R, neurologically impaired patients, UK, comparison with US samples, 8039
factor structure of WAIS-R, 16–85 yr old psychiatric patients, 4075
formula for estimation of vs actual WAIS-R verbal vs performance IQ discrepancies, 75 yr olds & older, 35792
intrasubtest values for WAIS-R subtests, adult psychiatric patients, 11999
Luria-Nebraska Neuropsychological Battery & WAIS-R, assessment of learning disabilities, adults, 35935
normal base rates of intersubtest scatter in WAIS-R vs original standardization sample, 75 yr olds & older, 15904
principal component IQ scores for WAIS & WAIS-R, 27915
regression equations for & predictive validity of full length vs short forms of WAIS-R, healthy adults, UK, 40
reliability of single WAIS-R subtest vs mean of all subtests, mentally retarded adults, 11994
test retest practice effects on WAIS-R, adult traumatically brain injured adults, 20071
verbal & performance IQ discrepancies on WAIS-R, healthy 75 yr olds & older, comparison with standardization sample, 35
WAIS & WAIS-R & WISC & WISC-R subtest patterns, g loadings & estimates of heritability, mentally retarded & borderline mentally retarded, 45849
WAIS profiles, acute closed head injured vs psychiatric patients, 33472
WAIS-R normative data, 56–97 yr olds, 4116
WAIS-R patterns, patients with left vs right frontal vs temporal vs parietal vs occipital lobe damage, 34226
WAIS subtest performance, patients with generalized vs complex partial temporal lobe seizures, 38241

Wechsler Adult Intelligence Scale—Chapters

Current and premorbid intelligence measures in neuropsychological assessment, 28047

Wechsler Intelligence Scale Children—Serials

alternative vs traditional school environment, WISC-R verbal performance IQ discrepancy & cognitive ability, 11 yr old females, Canada, 11475
clinical interpretation of WISC-III subtest scores, children, 35828
clinical utility of WISC-R Split-half Short Form, assessment of cognitive functioning, 7.5–16.2 yr olds with severe closed head injury, 35934
concurrent validity of Kaufman Brief Intelligence Test & WISC-R, male 12.5–16.8 yr old juvenile delinquents, 24146
concurrent validity of WISC-III vs PPVT-R, assessment of IQ & vocabulary scores, 8.7–11.9 yr olds, 31822
factor analysis of WISC-R, deaf & hard of hearing 6–16 yr olds, 11968
factor structure of WISC-R, diabetic 8–16 yr olds, 12008
factor structure of WISC-R, 6–16 yr olds with traumatic brain injury, 31875
grade level, WISC-R IQ scores, 6 yr olds in kindergarten vs 1st grade, 3983
intercorrelation of WISC-R scores across ability groups, children, Scotland, replication, 942
intercorrelations between WISC & WISC-R subtests, high vs low ability children from standardization sample, France, test of C. Spearman's hypothesis, 31827
item equivalence & cross validity of WPPSI-R & WISC-III, 3–16.9 yr olds, 35837
K-ABC vs WISC-R, measurement of relative complexity of cognitive abilities, 6.5–12 yr olds referred to school psychologists, Canada, 151
K-ABC vs WISC-R vs Fourth Edition Stanford-Binet Intelligence Scale profile elevation & shape & variability, prediction of achievement scores, 6–12.5 yr olds, Canada, 11964
optometric vision therapy, enhancement of performance on WISC-III, children, conference presentation, 40826
pairwise vs ipsative approach to comparison of WISC-III IQ & Index scores, 6–16 yr olds, 24060
performance on Test of Nonverbal Intelligence vs K-ABC vs WISC-R, learning disabled 7–12 yr old elementary school students, 153
practice administrations, development of examiner proficiency on WISC-R protocols, graduate students in counselor education, implications for testing courses, 19364

psychometric analysis of WISC-III, 7932
subtest scatter analyses & Kaufman regroupings of WISC-R scores, non-learning-disabled vs learning disabled 6–15 yr olds, 24149
subtest specificities for WISC-III, children, 25
WAIS & WAIS-R & WISC & WISC-R subtest patterns, g loadings & estimates of heritability, mentally retarded & borderline mentally retarded, 45849
WISC-R IQ profiles, hearing impaired 4.5–16.8 yr olds, Nigeria, 39794
WISC-R scores adjusted by System of Multicultural Pluralistic Assessment, identification of giftedness, Black 2nd–5th graders, 4145
WISC-R scores, intellectually gifted 3rd graders, 35971
Wechsler Intelligence Scale Children—Books
Assessment of children: WISC—III and WPPSI—R supplement, 3994
WISC III compilation, 35250
Wechsler Intelligence Scale Children—Chapters
Best uses of the WISC-III, 35841
Wechsler Memory Scale—Serials
abnormality of difference scales between selected indices of Wechsler Memory Scale-Revised, 16–74 yr olds, 28033
actual vs estimated norms of Wechsler Memory Scale-Revised & clinical utility, nondisordered 25–34 yr olds, 4073
age specific norms for Wechsler Memory Scale-Revised, 56–94 yr olds, 4115
differential sensitivity of Wechsler Memory Scale to effects of IQ & brain damage, 16–85 yr olds with vs without brain damage, 16026
discriminant validity of Wechsler Memory Scale-Revised, identification of malingered symptoms, 17–70 yr olds with vs without head injuries, 24180
factor analysis & construct validity of Wechsler Memory Scale-Revised & comparison with Halstead-Reitan Neuropsychological Test Battery, patients, 128
factor analysis of WAIS & Wechsler Memory Scale-Revised, patients referred for neuropsychological assessment, 129
factor structure & model of WAIS-R & Wechsler Memory Scale-Revised & Auditory Verbal Learning Test score battery, 56–97 yr old patients in Mayo Older Americans Normative Sample, replication, 24183
factor structure of WAIS-R & Verbal Memory & Visual Memory Indices of Wechsler Memory Scale-R, adults in vocational rehabilitation, 43764
factor structure of WAIS-R &/vs Wechsler Memory Scale-Revised &/vs Rey Auditory Verbal Learning test as neuropsychological core battery, 55–97 yr olds, 4129
injury severity & attentional deficits & Wechsler Memory Scale-Revised performance, 16–74 yr olds with closed head injury, 34222
normative data on Logical Memory subtests of Wechsler Memory Scale-Revised, cognitively intact 70–99 yr olds, 24177
psychometrics & interpretation of Wechsler Memory Scale-Revised vs Memory Assessment Scales, adults, 39865
Wechsler Memory Scale-Revised performance, schizophrenic patients, 21798
Wechsler Preschool Primary Scale—Serials
adaptation & standardization & normalization of Polish version of WWPSI, 4–6.6 yr olds, Poland, erratum, 35820
ceiling effects in WPPSI-R profiles, high IQ 4.3–6.4 yr olds, 19985
concurrent validity of WPPSI-R & Columbia Mental Maturity Scale, 3.5–7.3 yr olds, 43719
concurrent validity of WPPSI-R & McCarthy Scales of Children's Abilities, preschoolers & kindergartners, 43709
development & validity of short form of WPPSI, 4–6.5 yr olds, Iran, 24061
item equivalence & cross validity of WPPSI-R & WISC-III, 3–16.9 yr olds, 35837
prekindergarten vs postkindergarten performance on WPPSI, high vs low risk preschool age children, followup, 25153
validity of WPPSI-R vs Stanford Binet L-M, assessment of IQ & intellectual functioning, at risk 3–6 yr olds, 11961
Wechsler Preschool Primary Scale—Books
Assessment of children: WISC—III and WPPSI—R supplement, 3994
Weight (Body) [See Body Weight]
Weight (Statistics) [See Statistical Weighting]
Weight Control—Serials
aerobic exercise, psychological adjustment, sedentary obese 21–52 yr old females in weight loss program, 34605
age & race, weight loss goals & duration & rate, male vs female 18–70 yr old & older Whites & Blacks & Hispanics & other races, 14909
attainment of goal weight prior to cessation of behavioral based weight loss program, weight maintenance, adults, 1 yr followup, 14576
attitudes toward eating & dieting & weight loss or gain as measured by Eating Attitudes Test, college students, Hong Kong, 41311
attributions for abstinence violations during very low calorie diet fasting & behavior education program, weight loss success, obese clients, 2695
bibliotherapy on eating & body shape, eating attitudes & behavior & body image, females with history of active weight control, 1 yr followup, 6486
biliopancreatic diversion & normalization of body weight, eating patterns, obese patients, 46545
binge eating prevalence & characteristics, obese 19–54 yr old females in controlled weight reduction program, Austria, 6178
cigarette & alcohol use & exercise & binge purge & other weight control practices, secondary amenorrhea, female 13–18 yr olds, 14177
counseling self efficacy & training in behavior change & beliefs about causes of overweight & smoking, counseling patients to lose weight or quit smoking, physicians, 38832
degree of successful restraint vs perceptions of attempting to diet, restrained eaters, England, 25529
dietary restraint, sensory food cue induced cephalic phase salivation & sensory specific satiety & food intake, college students, 12668
diethyl proprion for weight reduction, induced organic psychosis, female 46 yr old, case report, 42607
dieting motivation & behavior & body shape perception, preadolescent females, implications for eating disorders, 36974
dieting practices & nutrition knowledge & health education, 8th & 12th graders, 46739
exercise & weight control & calorie reduction program, high density cholesterol level, overweight elderly, 34785
feminist perspectives on & techniques for weight loss therapy, adult females, 46192
identity transformations in & factors affecting successful dieting vs weight regain, obese adults in weight loss therapy groups, 46716
informational intervention program, disordered eating & extreme weight loss behaviors & body image, female yr 9 students, Australia, 1 yr followup, 34800
innovative vs nonspecific vs standard weight gain prevention intervention during smoking cessation, weight & smoking behavior, smokers, 1 yr study, 19214
instructions to stay on vs go off diet for 2 days, ice cream intake, overweight vs normal weight self initiated dieters, 18144
model of costs & benefits of weight control based on controlled delay of sexual maturation & 1st reproduction, adolescent females, application of reproductive suppression hypothesis, 12980
multivariate analysis of sociopsychological predictors of weight loss, 20–81 yr olds in weight loss program, 26965
neuroticism vs actual body size & subjective body image, preoccupation with weight control, female 13–30 yr old athletes, Canada, 17146
outcomes of weight loss program participation, predominantly female clients, 1980s, 22954
perceived actual vs ideal body weight, desire to gain or lose weight, male vs female 6–11 vs 12–18 yr olds, Japan, implications for eating disorders in prepubertal females, 32983
perceived control & assertiveness & self esteem & self directed hostility & psychiatric caseness, patients with anorexia vs bulimia vs obese vs nonobese dieters, Great Britain, 45876

placebo effect of subliminal self help audiotapes, weight loss, overweight female adults, Canada, 6883
psychosocial predictors of dieting & extreme weight loss behaviors & binge eating, male vs female adolescents, Australia, 2088
safety & effectiveness of fad diets & other common approaches to weight loss, 46730
saliva cotinine level during rapid weight loss, obese female smokers in weight loss program, 6 mo study, 14753
school based curriculum, eating attitudes & prevention of unhealthful weight regulation, female 6th–7th graders, implications for prevention of eating disorders, 38765
self esteem & current dieting & mood, disinhibition during eating, restrained eaters, 25545
smoking cessation program with vs without nicotine gum &/vs behavioral weight control, weight change & smoking abstinence, female 20–64 yr old smokers, 6 & 12 mo followups, 15120
specific sport team membership & athletic participation, traits associated with eating disorders & use of pathogenic weight control techniques, female 9th–12th grade athletes vs nonathletes, 18153
stages of change, patients in long term weight control programs, clinical implications, 18630
stress management seminar, anxiety, 16–65 yr olds in weight control program, 42643
use of hypnosis in weight reduction, 14778
very low calorie diet & behavior therapy, maintenance of weight loss, obese adults, 2–3 yr followup, 46561
very low calorie diet in behavioral weight loss program, binge eating, obese females, 34607
weight control & eating behaviors, male college lightweight football players, implications for sports related eating disorders, 41891
Weight Control for Life program, body mass index & weight, 18–70 yr olds, 1 vs 2.5 yr followups, 22968
weight loss in behavior modification vs liquid protein diet weight control unit, adult obesity clinic outpatients with Axis I vs Axis II psychiatric disorders, 30355
worksite Healthy Worker Project for weight control & smoking cessation, employees, 47351
3 tiered remedial weight management program, obese Navy personnel, 22971

Weight Control—Books

Improving the long-term management of obesity: Theory, research, and clinical guidelines. Wiley series on health psychology/behavioral medicine, 10466

Weight Control—Chapters

Cardiac structure and function in markedly obese patients before and after weight loss, 6193
The challenge of weight control: A personal view, 6839
Compliance and long-term follow-up for childhood obesity: Retrospective analysis, 18644
Effect of caloric restriction and weight loss on energy expenditure, 6843
Improving maintenance of weight loss following treatment by diet and lifestyle modification, 6476
Medical evaluation and monitoring of patients treated by severe caloric restriction, 6836
Nutritional counseling during severe caloric restriction and weight maintenance, 6842
Predictors of attrition and weight loss in patients treated by moderate and severe caloric restriction, 6844
Reducing primary risk factors by therapeutic weight loss, 6840

Weight Perception—Serials

computer based conceptual models, conceptual change in weight vs density differentiation, 6th–7th graders, 19495
direct estimation, effectiveness & accuracy in determination of lifting capacity of symmetrical & asymmetrical loads, male college students, 282
display vs standard vs haptic experience of weight vs lifter size information, judgment of lifted weight, college students, 28168
haptic vs visual volume cues, size-weight illusion, 17–40 yr olds, 36060
manual lifting task, discriminability of load heaviness, male college students, implications for psychophysical approach to manual lifting, 226
memory of weight perception in lifting common vs novel objects, 21–46 yr olds, Sweden, 44145
weight judging paradigm, assessment of incongruity & stimulus intensity & other aspects of humor, adults, 28329

Weightlessness—Serials

chronic immobilization induced simulated weightlessness, vitamin A status, male rats, animal model of space flight stress, 12711
long term centrifugation, posture & motion sickness, naive vs trained adults vs helicopter pilots, Netherlands, implications for space adaptation syndrome, 32118
simulated microgravity from head down tilt bed rest, circadian cycles, adult males, implications for space shuttle missions, 20707
space microgravity, sensory orientation & behavioral modification, astronaut, 20248
type of inversion illusions in zero gravity, male college students, 32048
weightless conditions, placement of dolls at comfortable distances, college students, 1377

Welfare Services (Government)—Serials

attitudes toward state welfare programs, adults, US vs Israel, application of path analysis with log linear models, 42749
availability of subsidized child care, employment status & attitudes & preferences & child care arrangements, Aid to Families with Dependent Children recipients with preschoolers, 37314
economic & sociodemographic factors, participation in Supplemental Security Income program, elderly, 13196
economic frustration vs level of welfare assistance & rates of sexual assault, cities, US, 1968
effects of Pennsylvania's welfare reform, homeless adults, 29150
evaluation of community based comprehensive social work program, self sufficiency, adolescent mothers receiving Aid to Families with Dependent Children, 14983
knowledge of aging, subsidized housing managers for elderly, implications for training, 38889
Living in Family Environments foster program, placement in former public assistance families, developmentally disabled children & adults, 14990
medical problems, privately insured vs publicly subsidized 5–12 yr old psychiatric inpatients, 29541
social psychological & economic variables, perpetrators of self reported vs officially documented unemployment benefit fraud, Netherlands, 29916
welfare, increase in births & demise of residential homes as means of socialization & prevention, unwed mothers, 30836
work experiences & incentives, work vs welfare choice, females in minimum wage job market, 33059

Welfare Services (Government)—Chapters

The blending of qualitative and quantitative methods in understanding childbearing among welfare recipients, 8167
Child welfare in Japan, 11010
Discrimination, disability and welfare: From needs to rights, 45963
The gender bias in welfare politics: Some remarks on new starting points for the discussion of prevention, 11012
Prevention: Perspectives for its organization in a differentiated society, 10970
Prevention: Some current issues in the UK, 11008

Wellness [See Health]

Wernickes Syndrome—Serials

brain stem symptoms of Wernicke's encephalopathy & amnesic state & role of thiamine deficiency, patients with Korsakoff's syndrome, commentary, 41757
locus ceruleus degeneration, postmortem brains of alcoholic 38–78 yr olds with Wernicke Korsakoff syndrome vs Wernicke's encephalopathy without amnesia, Australia, 29861
neuropsychological sequelae of Wernicke's encephalopathy, 20 yr old female with short but severe history of alcoholism, 37954

personal & medical histories & cognitive & social functioning & psychiatric & neurological symptoms, patients with Korsakoff's syndrome without Wernicke's disease symptoms, 21976
pyrithiamine induced thiamine deficiency & diencephalic lesions, spatial learning & anterograde & retrograde memory, male rats, animal model of Wernicke-Korsakoff syndrome, 724
West Africa—Serials
conservation of distance, male vs female 2–7 yr olds, West Africa, 28955
sociocultural & learning value of traditional games, Yoruba children, Africa, 17136
West German Federal Republic [See West Germany]
West Germany—Serials
attitudes toward adoption, social workers, West Germany, 15302
attitudes toward AIDS & sexual behavior, adults, West Germany, 2213
content & style of university psychology instruction, West Germany & Austria, 47194
crisis intervention & drug therapy & psychotherapy, depressed inpatients of special treatment wards, past 10 yrs, West Germany, 23137
family & personal history & attitudes towards Nazi era & authoritarian personality, citizens born in 1920–1933, West vs East Germany, 41146
interest in & perception of appropriate provider of education programs for patients with chronic obstructive pulmonary disease, physicians, West Germany, 6993
mental health care reform, 1970s, West Germany, translated article, 38827
self image, 12–19 yr olds, Finland vs US vs West Germany, conference presentation, 5171
sexual attitudes & behavior & AIDS related knowledge & preventive behavior & contraceptive use, 8th–10th graders, East vs West Germany, 22286
stress, coping mechanisms, Filipinas, West Germany & Netherlands, 21351
West Germany—Chapters
Alcohol use, abuse, and dependency in West Germany: Lifetime and six-month prevalence in the Munich Follow-Up Study, 1962
West Indies [See Also Barbados, Cuba, Dominican Republic, Jamaica, Puerto Rico, Saint Lucia, Saint Vincent, Trinidad and Tobago]—Serials
academic motivation & sex role attitudes & personal orientation, male vs female high school students, 8 Caribbean territories, 9292
Western Europe—Serials
child protective services, prevention of homicide victimization, infants & children, 1973–88, Western Europe, 27039
frequency & equivalency of emotion words in French vs English vs Italian vs Dutch, college students, Belgium & England & France & Italy & Netherlands & Switzerland, 28849
job & nonwork satisfaction & working & living conditions, prediction of life satisfaction, 15 yr olds & older from 10 countries, 1976, Western Europe, 41319
reaction of political historical establishment to psychobiographical method, US vs Western Europe, 19945
reaction of political historical establishment to psychobiological method, US vs Western Europe, erratum, 31790
Western Samoa—Serials
acculturation & migration & modernization, health symptoms, rural vs urban 18–37 yr olds, American vs Western Samoa vs Hawaii, 41403
perceptions of & change in attitudes toward aging & elderly, Samoan 18–82 yr olds, rural Western vs American Samoa vs urban Hawaii, 5281
Wheelchairs [See Mobility Aids]
Whistleblowing [See Informants]
White Blood Cells [See Leucocytes]
White Collar Workers [See Also Accountants, Clerical Personnel, Management Personnel, Middle Level Managers, Sales Personnel, Secretarial Personnel, Top Level Managers]—Serials
blue vs white collar employment, violence toward spouse vs nonfamily victim, male adults, 17920
business clothing practices & attitudes, white collar female managers vs nonmanagers, 27687
construct validity of California Psychological Inventory scales & adapted Biodata Questionnaire & Employment Inventory, assessment of integrity & personality, white collar offenders vs personnel, 39771
educational level & health problems & lifestyle & body mass & height & working conditions, male white collar workers, France, 9717
information processing &/vs organizational climate & work load & conditions & control & interpersonal tensions, physical symptoms & stress & anxiety & happiness, female office workers, 19755
issues in computer based work monitoring, white collar workers, 43410
job satisfaction & sexual harassment & discrimination & household division of labor, female Chicana white collar workers, 11665
White Noise—Serials
opioid receptor antagonists & white noise exposure, high affinity choline uptake in frontal cortex & hippocampus, male rats, 4593
white noise masked auditory clicks, evoked otoacoustic emission, 21–49 yr olds, translated article, 32490
white noise, pattern reversal visual EPs, 21–28 yr old females, 625
Whites—Serials
academic performance, Asian American vs White medical students, 1981–92, implications for prediction & monitoring criteria, 27270
acculturation, psychological & somatic symptom reporting & response styles, Asian vs Caucasian college students, Canada, 41409
alcohol dehydrogenase & ALDH genotype profiles, Caucasians with alcohol related problems, UK, 33845
application for & acceptance to vocational rehabilitation services, Whites vs racial ethnic minorities with disabilities, 39049
attitudes toward gender stratification, male vs female Blacks vs Whites, 9469
behavioral & demographic correlates & prevalence of obesity, Black vs White 18–30 yr old females, 22140
body image perceptions & weight attitudes & eating behaviors, female African American vs White college students, 17565
cardiovascular reactivity during passive vs active coping stressors, urban vs rural Black vs White males, 12698
caregiving dynamics & burden & nouveau poverty, higher or middle vs lower income Black vs White caregivers of elderly with Alzheimer's disease, commentary, letter, 27070
caregiving dynamics, Black vs White caregivers of elderly with Alzheimer's disease, 2973
change in racial attitudes & racism, White young adults, 1960–90, 9404
change in racial attitudes & racism, White young adults, 1960–90, erratum, 33082
child neglect, Black vs White families referred for child neglect, 6 & 12 mo followups, 45674
childrearing practices, middle class immigrant Chinese- vs Caucasian-American mothers, 17349
coercion & referral to community mental health centers, Black vs White vs Mexican American 13–17 yr olds, 42787
contact with other race, perceived hostility in & commitment to interracial relations, Blacks & Whites, 33081
correlates & causes of smoking initiation, Black vs White 12–14 yr old nonsmokers, longitudinal study, 13120
disordered eating behaviors & attitudes, psychological adjustment, Black vs White female college students, 45853
distinctiveness & race of face, face recognition, White vs Japanese students, UK & Japan, 258
distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4028
distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4024

distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4020
distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary reply, 4016
distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4014
economic inequality, violent crime, Blacks vs Whites, 1974
educational program on personal development & relationships with grandchildren, Black vs White grandparents & their 6–18 yr old grandchildren, 26648
ethnic group membership, world view & cultural values, White 2nd or later generation 17–40 yr olds, 25538
experience of upward social mobility, 25–40 yr old Black vs White female professionals, 5453
factor analytic model testing hypothesis of C. Spearman on nature of differences on IQ tests, 6.5–16.5 yr old Blacks vs Whites, commentary, reanalysis, 4013
family history of essential hypertension, BP & heart rate & stroke volume & vascular resistance & cardiac output responses to video game & cold stressor, Black vs White 6–15 yr old males, 34135
frequency of eating problems, Asian vs White female college students, reanalysis of studies by B. Dolan et al & D. B. Mumford, 6186
history & self actualization & willingness to use services & health, Black vs White homeless males, 45055
hostility, guilt, White vs Native American college students, 37542
identification & education, potentially gifted 4–8 yr old Hispanic vs White 4–8 yr olds & their parents, 7542
inability of facet theory to address distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4023
insufficient milk supply, Black vs White breast feeding mothers, 41122
involvement & effort expended in college activities to promote learning & development, Black vs White college students, 3492
issues in provision of multicultural education, Black & White 6th–8th graders, technical report, 43216
issues in psychometric "g" & C. Spearman's hypothesis & application to nature of differences on IQ tests, Blacks vs Whites, 4188
item analysis of performance differences on Stanford-Binet Intelligence Scale, Black vs White 3 yr olds, 43710
job dismissals, Black vs White US postal employees, 3 yr study, 15619
job insecurity, psychological well being, White managers vs Black production workers in manufacturing company, South Africa, 47412
job preferences, Black vs White males, replication, 27632
knowledge of modes of transmission of HIV & attitudes, White vs Asian Indian males, Scotland, 22275
mammography use, 50–75 yr old female Hispanic vs Anglo community health center clients, 46830
marital status, psychiatric disorders, White vs Black adult males vs females, 1629
mass media news preference, Ethiopian & Nigerian vs White college students, US, 31356
mood, likability & ability & relationship evaluation of couples well matched vs mismatched on physical attractiveness, White vs Asian college students, 25501
motivation & program preferences for TV viewing, Hispanic vs Black vs White adults, 32797
Myers-Briggs Type profile, Hispanics vs Blacks vs Whites, 37506
neurolinguistic mirroring vs nonmirroring of nonverbal empathy & trustworthiness & positive interaction, male Choctaw 14–19 yr olds & White female guidance counselors, 39406
personality variables, perception of political events, White students from liberal English-medium vs conservative Afrikaans-medium university, South Africa, 33341
post-high-school educational & vocational plans & aspirations, White vs Black high school seniors, 1976–86, 11505
primary diagnosis & service placement & exit status in county mental health & disability system, Black vs White children & adolescents, 1980 vs 1985, 2872
problems with 2 step procedure undermining study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4012
psychiatric disorders & symptom profiles & psychosocial problems assessed at psychiatric intake, White vs Black 13–18 yr olds, 33520
psychiatric symptomatology, alcoholic African American vs Caucasian adults, 22009
quantity & quality of available males, marital history, Black vs White females, 21361
racial & ethnic issues in IQ tests, Blacks vs Whites, 7955
racial & genetic vs health behavior vs socioeconomic vs sociostructural models of health disparities, Blacks vs Whites, 14906
racial dynamics in development of sponsor vs mentor supportive relationships, African American & White junior & senior personnel, 43403
racial identity attitudes, racism, White 29–70 yr old college teachers, 19456
racial identity development, biracial 5–16 yr olds & their Black or White parents, 25222
racial stereotyping & communication trait attributes, Black vs White college students, 29194
reasons for drinking, frequent vs heavy drinking vs alcohol abusing Mexican American vs non-Hispanic White adults, 10010
reliability of K-ABC, White vs Mexican American 2–12 yr olds, 3988
risk & protective factors for drug use, Latino vs White high school students & graduates, 6051
RT performance in information processing tasks, Black vs White 4th–6th graders, test of C. Spearman's hypothesis, 32875
same vs cross race intrusion while drinking at water fountain, territoriality & nonconscious racism, Black vs White adults, 25481
self monitoring, Black vs White college students on predominantly White campus, 33343
SES & church attendance & household density & parity & employment status & family history of alcohol problems, alcohol intake, single vs married 19–70 yr old & older African American vs White females, 17417
SES & current vs lifetime rate of psychiatric disorders, Blacks vs Whites, 13689
SES & family structure & maternal education & self perception of health, health status, Black vs White 2–11 yr olds, 36976
sex & satisfaction & personal investments & availability of alternatives & partner physical attractiveness & concern about AIDS, romantic commitment, Black vs White dating couples, 29297
sex, MMPI-2 scores, Caucasian vs Chinese college students, US, 21553
sex, self esteem structure, African American vs White 11–16 yr olds, 40957
smoking habits, Black vs White adults, 17421
social groups & political ideology & changing partisanship, northern Whites, 1972–88, 5433
social intolerance & conformity in intolerance to social diversity, racial stereotypes & policy attitudes, White adults, 17290
sociodemographic & clinical & lifetime prevalence rate of disorder diagnosis, African American vs White 5–17 yr olds with anxiety disorder, 33679
sociodemographic risk factors for depression, Black vs White 18–69 yr olds, 29612
staged robbery video & crime perpetrator's ethnicity, estimate of perpetrator's height, Caucasian vs Asian college students, implications for ethnic stereotyping & cognitive biases of crime witnesses, 35729
standardized test scores as measure of class & caste differences, academic achievement, Black vs White 3rd graders, implications for public policy, 3439

summary of APA symposium on cross cultural research by White investigators & need for reconstruction of psychotherapy & counseling psychology, ethnic minority psychologists, commentary, 35106
summary of APA symposium on ethical & racial issues in cross cultural counseling psychology research by Whites, ethnic minority psychologists, commentary, 35096
summary of APA symposium on issues in & impact of cross cultural counseling psychology research by White investigators, ethnic minority psychologists, commentary, 35097
summary of APA symposium on issues in & impact of cross cultural counseling psychology research by White researchers, ethnic minority psychologists, commentary, 35102
summary of APA symposium on issues in & impact of cross cultural counseling psychology research by White investigators, ethnic minority psychologists, commentary, 35111
summary of APA symposium on issues in & impact of cross cultural counseling research by White investigators, ethnic minority psychologists, commentary, 35110
summary of APA symposium on issues in cross cultural counseling psychology research by White investigators & need for mutual cooperation, ethnic minority psychologists, commentary, 35114
summary of APA symposium on issues in cross cultural research by White investigators & impact on counseling psychology, ethnic minority psychologists & counseling professionals, commentary, 35112
summary of APA symposium on issues in cross cultural research by White investigators & impact on counseling psychology, ethnic minority psychologists, 35108
support for defensive violence & racial prejudice & political conservatism & hunting activity, gun ownership, White southerners, 25358
theoretical basis & evaluation & results of race relations competence workshop, Black vs White managers of corporation, 19680
theories of & clinical strategies for Black White interracial marriage, 10552
TV entertainment & sports & news & interracial contact & integration, beliefs about socioeconomic outcomes & contributions of Blacks vs Whites, White college students, 5018
validity of nonminority version of Tell Me A Story Test, assessment of perceptual & cognitive style & affective state & personality, White 7–14 yr old mental health outpatients vs normal students, 20023
work schedules & personal habits & perceived job strain, prevalence of hypertension, Black vs White vs other 20–65 yr old bus drivers, 14259
1st principle components & distortion of factor analysis & mistreatment of "g" in study of hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, commentary, 4027

Wholistic Health [See Holistic Health]

Wide Range Achievement Test—Serials
concurrent validity of WAIS-R & Wide Range Achievement Test-Revised, educable mentally retarded adolescents & young adults, 24144

Widowers—Serials
coping with grief in support group, widowed clients, 14767
death of spouse, economic well being following retirement, widows vs widowers, 10 yr study, application of hazard model, 25296
decremental vs continuity vs compensatory models, assessment of changes in types & sources of social support from significant others, recently widowed vs married vs unmarried elderly, 13289
demographic characteristics & high risk bereavement behaviors & feelings, 25–85 yr old widows & widowers, 5634
EEG sleep parameters & subjective sleep quality & subsyndromal depressive symptoms, spousally bereaved elderly, 4.5 mo followup, 8781
grief reactions & hallucinations & quality of life, 71–74 yr old widows & widowers observed at 1 & 3 & 12 mo postbereavement, Sweden, 29423
mutual help group intervention, bereavement, new widowers, 2 & 8 & 14 mo followups, 30557
sleep disordered breathing, spousally bereaved 60–80 yr olds, 1 yr followup, 26182
socialist feminist perspective on bereavement & well being & coping & adjustment, elderly widows & widowers, 45023
thoughts & feelings & behavioral responses to grief following death of wife, 37–79 yr old widowers, 29404
views & expectations & social support & stressors & distress, bereavement support group utilization, 28–82 yr old widows & widowers, 26828

Widowers—Chapters
Old age and widowhood: Issues of personal control and independence, 40995
Widowhood and bereavement in late life, 13215

Widows—Serials
community integration & hassles & stress & social support & social support seeking, 60 yr old & older widows, 17242
coping with grief in support group, widowed clients, 14767
death of spouse, economic well being following retirement, widows vs widowers, 10 yr study, application of hazard model, 25296
decremental vs continuity vs compensatory models, assessment of changes in types & sources of social support from significant others, recently widowed vs married vs unmarried elderly, 13289
demographic characteristics & high risk bereavement behaviors & feelings, 25–85 yr old widows & widowers, 5634
EEG sleep parameters & subjective sleep quality & subsyndromal depressive symptoms, spousally bereaved elderly, 4.5 mo followup, 8781
grief reactions & hallucinations & quality of life, 71–74 yr old widows & widowers observed at 1 & 3 & 12 mo postbereavement, Sweden, 29423
health & mental health & morale & social functioning, elderly recently widowed vs never vs still married females, 4 yr followup, 17227
kinship hierarchy power structure & religious support, funeral speech & refusal of male domination & remarriage, widows in Samia society, Kenya, 21402
life events & personal relationships & social networks, widows vs caregivers of spouses with Alzheimer's disease, 18393
narcissistic pathology, depressed widows, 1668
paid work history & attitude, health during bereavement of husband, 55–75 yr old widows, 33308
sleep disordered breathing, spousally bereaved 60–80 yr olds, 1 yr followup, 26182
socialist feminist perspective on bereavement & well being & coping & adjustment, elderly widows & widowers, 45023
triangulation based evaluation of multidisciplinary support groups, Mexican American 29–84 yr olds widows, 42526
views & expectations & social support & stressors & distress, bereavement support group utilization, 28–82 yr old widows & widowers, 26828
widowhood as dying status passage, elderly females, 29116

Widows—Chapters
Old age and widowhood: Issues of personal control and independence, 40995
The support systems of American urban widows, 41239
Widowhood and bereavement in late life, 13215

Wilcoxon Sign Rank Test—Serials
point estimate & confidence interval procedures for combined 2-sample Mann-Whitney U Test & matched pair Wilcoxon Sign Ranks Test, implications for special education research, 8098

Wilderness Experience—Serials
adventure based residential drug treatment, behavior change & personality & self esteem & recidivism, 14–17 yr olds convicted of drug offenses, conference presentation, 11205
art therapy in wilderness survival program, sexually or physically or emotionally abused adolescents, 18821
construct validity of post hoc vs real time satisfaction of hike experience, adult day hikers, 11734
development & components of wilderness challenge programs as correctional treatment, adult offenders, 42995
framework for evaluation of outdoor development programs, managers, 7604

outdoor adventure & social & parent skills training, status vs criminal offenses, 12–17 yr old juvenile court probationers, 2 yr followup, 11204
Willpower [See Self Control]
Winter Depression [See Seasonal Affective Disorder]
Witchcraft—Serials
clinical vs popular/cultural diagnostic labeling & treatment & prognosis, Hispanic 25–58 yr old psychiatric patients folk diagnosed as embrujado, 41488
witchcraft explained sudden infant & child death & subsequent medical sequelae & folk illnesses, bereaved parents, Mexico, 34021
Withdrawal (Defense Mechanism)—Serials
intrinsic motivational orientation & perceived role benefits & psychological withdrawal coping strategies, job satisfaction & performance & perceived role conflict & ambiguity, retail buyers, 43453
parallels between psychopathology of A. Tennyson's character "Lady of Shalott" & patient's experiences & withdrawal from sensory world, 30 yr old female, 1606
peer vs self perceptions of competence in social & nonsocial domains, aggressive unpopular vs withdrawn vs aggressive withdrawn unpopular 4th–5th graders, Canada, 40916
rehospitalization, social integration & positive withdrawal, male schizophrenic patients, implications for psychosocial rehabilitation, commentary, 3010
rehospitalization, social integration & positive withdrawal, male schizophrenic patients, implications for psychosocial rehabilitation, 3006
social withdrawal & support offered to & received from confederate, college students in crowded vs uncrowded home, 45181
Withdrawal (Defense Mechanism)—Chapters
Timid and withdrawn children, 6539
Within Subjects Design [See Repeated Measures]
Witnesses—Serials
age & mode of questioning, suggestibility & eyewitness reporting about ambiguously caring vs abusive behavior of mother toward child, 3–4 vs 6–7 vs 18–25 yr olds, 29028
age differences & cognitive & social & biological factors in suggestibility, child witnesses, 1900 to present, 31759
arousal condition & extraversion/introversion & sensate/intuitive personality variables, eyewitness performance, college students, 8380
auditory &/vs visual witnessing of mock crime, auditory vs visual identification of guilty suspect, college students, 44094
bias in lineups based on target/suspect similarity, suggestiveness in selection of foils, college students, 9589
challenges to application of nonempirical eyewitness research to forensic context, 39658
characteristics of & adjudication through trial conviction vs acquittal vs guilty plea in criminal court cases involving children as potential witnesses, case data from southern states, 15824
cognitive interviewing & practice, fact recall, 7–12 yr old witnesses to staged event, legal implications, 5127
confidence in memory & verbal recall & character recognition of crime films, 20–35 vs 40–55 vs 60–75 yr olds, 17001
demand & social influence vs source monitoring failure, suggestibility effect on memory of visually presented incident, eyewitnesses, 365
domestic violence, behavior problems & depression, 8–12 yr old victims of child abuse &/vs witnesses of spouse abuse, Israel, 17953
exposure to violence as witness vs victim vs perpetrator, inner city elementary to high school students & medical vs psychiatric outpatients, 37853
eyewitness identification accuracy & confidence & decision times in simultaneous vs sequential lineups, female 19–32 yr olds, 23944
eyewitness suggestibility effect in verbal vs visual recognition memory test, college students, legal implications, 39679
family characteristics & exposure to violence as victim vs witness, 6–10 yr olds in moderately violent inner city community, 37897
individual differences in anxiety, eyewitness memory & performance, college students, Australia, 24460
information on testimony elicited from witness under hypnosis vs through guided memory, judgments of guilt & innocence in simulated trial, college students, Great Britain, 19909
lay beliefs vs expert opinion about eyewitness testimony, college students & adults vs eyewitness experts, implications for expert testimony, 7868
lineup usefulness & fairness indices, mock witnesses vs college student vs law enforcement evaluators, 11847
linguistic analysis of trial testimony, assessment of legal & communicative competence as witness, female 5 yr old, 25167
neurolinguistic programing techniques, enhancement of psychological testimony in courtrooms, expert witnesses, 35734
paired comparison vs 1st choice analysis of eyewitness data, paradoxical outcomes in data from identification parade, 16265
participant vs police vs O simulated contexts, eyewitness memory, 4 yr olds, 21269
perceived credibility of nervous witnesses, college students, 31758
practice, eyewitness guessing & target present vs absent photo identification in sequential vs simultaneous lineups, male vs female 8–11 vs 18–47 yr olds, 25146
presence vs absence of weapon during commission of crime, weapon focus effect on lineup identification & perpetrator feature accuracy, eyewitnesses, meta analysis, 3907
problems in & alternative solutions for selection of lineup foils based on similarity to initial eyewitness description of crime suspect, 11859
recent advances in psychological knowledge & contributions to expert testimony & eyewitness identification from lineups & photospreads, psychologists, commentary, 39664
recent advances in psychological knowledge & contributions to expert testimony & eyewitness identification from lineups & photospreads, psychologists, 39684
recent advances in psychological knowledge & contributions to expert testimony & eyewitness identification from lineups & photospreads, psychologists, commentary, 39675
recent advances in psychological knowledge & contributions to expert testimony & eyewitness identification from lineups & photospreads, psychologists, commentary, 39668
relation of confidence & accuracy in general knowledge & eyewitness memory, adults, 20323
response bias & accuracy of witness identification in lineups vs showups, college students, 27878
role as support for child witnesses or victims in criminal proceedings, guardians ad litem, England & Wales, 39678
sensory & temporal & spatial proximity to injurious event & relationship to injured person, assessment of damages due to negligent infliction of emotional distress, jurors as mock bystander plaintiffs, 47613
social problem of & child protection policy issues on witnessing female battering, children, 25927
staged robbery video & crime perpetrator's ethnicity, estimate of perpetrator's height, Caucasian vs Asian college students, implications for ethnic stereotyping & cognitive biases of crime witnesses, 35729
time delay & question type, eyewitness hypermnesia vs inaccurate confabulated testimony in multiple accounts of crime, college students, 23928
5 mo delay, eyewitness memory, 5–6 vs 9–10 yr olds vs college students, Scotland, implications for child witnesses, 9142
Witnesses—Books
Children as witnesses. Wiley series in the psychology of crime, policing and law, 7875
Witnesses—Chapters
The child witness in Scotland, 7887
The child witness, the courts, and psychological research, 44937
Child witnesses in British courts, 23953
Child witnesses of marital violence, 1871
Children and the truth, 7883

Children as witnesses in sexual abuse cases: Investigative interview and assessment techniques, 7888
Children in the witness-box, 7881
Children's memory for other people: An integrative review, 44926
Comparison of one-person and many-person lineups: A warning against unsafe practices, 23964
The credibility of children as witnesses and the social denial of the incestuous abuse of children, 23950
The effects of age and intelligence on eyewitnessing ability, 7879
Empowering child witnesses for sexual abuse prosecution, 7880
Eyewitness memory for stressful events: Methodological quandaries and ethical dilemmas, 12123
The further training of professionals dealing with child witnesses, 7891
"I know that you know that I know that you broke the toy": A brief report of recursive awareness among 3-year-olds, 7850
The influence of eyewitness observation and photographic presentation on the identification of persons in lineups, 23962
Influencing public policy on eyewitnessing: Problems and possibilities, 23912
Legal reforms on behalf of child witnesses: Recent developments in the American courts, 7854
Memory and eyewitness testimony, 32239
A model of the diverse effects of emotion on eyewitness memory, 12315
Official ideals and current practice in work with child witnesses in sexual abuse cases in Norway, 23954
Opinions held by professionals who work with child witnesses, 7876
The perceived credibility of child eyewitnesses, 7884
"Phenomenal causality" in eyewitness report, 20334
Social support and children's eyewitness testimony, 7886
Videotechnology and the child witness, 7878
Why knowing a child's age is not enough: Influences of cognitive, social, and emotional factors on children's testimony, 7882
Working with children and adolescents to end the cycle of violence: A social learning approach to intervention and prevention programs, 17978

Wives [See Also Housewives]—Serials

attributions for self vs partner initiated violent vs negative nonviolent behaviors, husbands vs wives in violent marriages, 1826
combat induced psychopathology & combat stress reaction & PTSD, psychiatric symptoms, wives of combat veterans of Lebanon war, 1982, Israel, 9900
conceptualization of & marriage counseling & other treatments for wife abuse vs marital violence, 22607
configurations of care, 55 yr old & older wives vs husbands with functionally limited spouse, 2980
covariates & duration of transition from negative affect following positive vs negative marital interaction, husbands vs wives, 29221
cross cultural perspective on psychological factors in & forms & theories & prevention of wife battering, adults from 14 cultures, 1810
development of Familial Role Expectation Scale, working vs nonworking married females, India, 39753
employment status & characteristics & family conditions, mental health, 21–60 yr old wives, 25382
familial obligations & roles & employment status, married 20–49 yr old females, Hong Kong, 17385
family life cycle & migration, employment status, college educated wives, 35531
health & distress & health service utilization, Army wives, Israel, 42660
husband's health & marital characteristics & other factors, mental health, 65–75 yr old wives, 45034
identity development & psychosocial intimacy of husbands vs wives, marital satisfaction, 22–59 yr old stable vs unstable married couples, 45098
intimacy level with closest friend, codependent wives of alcoholics vs wives of nonalcoholics, 33882
labor force participation & suicide, married females, 1971 vs 1981, Canada, 25937
marital investment & satisfaction & commitment, 20–74 yr old domestically victimized vs nonvictimized wives, application of investment & social learning models, 45618
marital therapy vs individual cognitive therapy, depression, wives in couples with marital discord, 18512
MMPI profiles, females with incestuous offending vs alcoholic husbands, 1849
own career needs & experiences, wives of air force pilots, Israel, 3771
perceptions of & feelings about personal lives, 25–63 yr old spouses of male nuclear power shift workers, UK, 27736
perceptions of equality & sexual intimacy in marriage, husbands vs wives, longitudinal study, 1278
personality traits & MAO activity, wives of alcoholic husbands, Sweden, 17997
personality variables, wife's work type & amount & status & relational correlates, husbands vs wives, 5–20 yr followups, 13292
primary concerns & personal resources & secondary stress reactions to husband's hazardous duty or absence, wives of military reservists, 1988–89, Israel, 39555
ratings of stressful events, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45256
religious homogamy, voluntary or temporary childlessness, Canadian- vs foreign-born Catholic vs non-Catholic wives, Canada, 41127
responsibility attributions for negative wife behavior, maritally violent & distressed husbands, 29781
retrospective reports & prospective diaries of alcohol consumption vs drinking related events, alcoholic husbands vs their wives, 21983
role of wives' characteristics in class identification, couples, Australia, 9414
self esteem & locus of control & accumulated stressors & perceived military stress, psychological well being, Army wives separated from husbands stationed in Persian Gulf, 31627
sensation seeking, marital satisfaction & frequency of intercourse & sexual desire & arousal & assertiveness & attitudes & satisfaction, married females, 29294
sex role attitudes & division of labor, life satisfaction & well being & involvement, wives of Navy submarine officers, analysis of 2 person career, 3769
sexuality & marital sexual relations & intimacy & compatibility, 19–29 yr old abused wives, 29756
social expectations of caregiving role in community & home care, wives with severely disabled husbands, England, 27069
social structural conditions of role satisfaction & affective & behavioral responses, Assemblies of God missionary wives, 1328
socioeconomic & cultural variables, motivation for seeking infertility treatment, Iranian wives vs husbands, England, 6905
style of coping & mental health, female 18–67 yr olds assessed after husband's death vs myocardial infarction vs Women's Aid refuge entrance, Scotland, 45268
transition to parenthood, marital vs individual leisure, husbands vs wives, 1 yr study, 25398
typology of career wife achievement roles, wives of professionals, 5387
wife's labor force attachment, job relocation decision & behavior, male skilled workers, 43461
wife's work involvement, prediction of attitudes & consumption differences, married couple households, test of R. Bartos' classification scheme, 43542
work functioning & impact of family alcohol problems' on workplace, 23–62 yr old wives of alcoholic inpatients, 29837

Wives [See Also Housewives]—Chapters

Therapeutic effects of counseling on wives of alcoholics, 15161

Women [See Human Females]

Womens Liberation Movement—Serials
conjunction of social movement of feminism & academic discipline of psychology, implications for journal "Feminism & Psychology", 19308
Word Associations—Serials
direct instruction vs indirect cues, retrieval processing levels & word association set size, college students, 16354
free recall vs word association vs similarity judgments & perspectives in artificial intelligence, 15781
memory for CVC associates in paired associate recall of emotional words, adults, 8341
network size & interconnectivity of word association in long term memory, cued word recall, college students, 44159
normative data & solution rates for remote associate problems, senior secondary vs college students, Australia, implications for use in performance feedback paradigms, 17067
overlap vs nonoverlap between target & distractor word pairs, forced choice associative recognition of high vs low frequency words, college students, implications for global memory models, 44135
routine word associations, online serial task completion, frontal lobe damaged patients, 38232
validity of quantitative scores of Initial Letter Word Association Test, measurement of attitudes toward surrounding world, psychotic young adults vs normal high school & college students, Yugoslavia, 8032
word associated cues in sentence context, recall, college students, 16353
word association responses & psychoticism, healthy adults, Germany, 41316
word association task performance & positive & negative symptoms, schizophrenic 21–63 yr olds, 41580
Word Blindness [See Alexia]
Word Deafness [See Aphasia]
Word Frequency—Serials
context & stimulus quality & word frequency, visual word recognition RT in lexical decision task, college students, implications for multistage activation model of word recognition processes, 44062
educational level & word frequency effect, lexical decision performance, adults, 12255
frequency & equivalency of emotion words in French vs English vs Italian vs Dutch, college students, Belgium & England & France & Italy & Netherlands & Switzerland, 28849
lexicality & trigram frequency, handwriting production, right handed female 8–12 yr olds vs adults, Switzerland, 40861
literalness & familiarity & word frequency, reading time of idiom phrases, college students, 32134
nonword foil lexicality & semantic priming & word frequency, lexical decision & RT & priming benefit, college students, 12252
presentation frequency bias & word frequency estimation, 18–41 yr olds, implications for encoding dimensions, Canada, 40118
relational vs item specific processing vs intentional learning strategy, recall of high vs low frequency words, college students, 40181
target letter string above vs below fixation & cue validity & presence of irrelevant stimuli & word frequency & lexical status, spatial attention in lexical decisions, adults, 12234
word frequency & multiple repetition in semantic classification task, EPs, 19–33 yr olds, 20688
word frequency & neighborhood size & frequency & orthographic priming, visual word recognition, adults, test of semistochastic variant of interactive activation model, 12226
word frequency & regularity of stress & neighborhood, stress assignment in reading words aloud & RT in lexical decision & naming times, adults, Italy, 12953
word frequency & size of neighborhood, visual identification of target words, college students, 36186
word frequency & study time & number of cues, cuing effects & associative information in recognition memory, college students, 16332
word frequency bias & ambiguity, extrinsic & intrinsic effects on auditory word recognition & RTs in phoneme identification, college students, 16258
word frequency, lexical access in pseudohomophone naming & pronunciation & homophone decision latency, college students, Australia, 4345
word frequency, word recognition in long list, college students, implications for role of processing automatization, 4330
Word Meaning—Serials
anxiety & positive vs negative mood, threat vs neutral spelling & usage interpretations of ambiguous homophones, 18–25 yr olds, 41327
auditory priming & implicit memory, 65 yr old male with word meaning deafness, 34228
dominance of category exemplars presented to left vs right visual field, semantic priming & lexical decision & pronunciation of loosely associated words, right handed adults, erratum, 16530
dominant meaning & context, lexical access to ambiguous words, college students, Italy, 40129
Gogi aphasia with alexia & dissociation between kanji character & kana phonetic processing, male 34 yr old with herpes simplex encephalitis & female 58 yr old with Pick's disease, Japan, 46061
imagery & concreteness & emotionality & meaningfulness of concrete & abstract words with similar meanings, college students, Spain, 301
impaired knowledge of word meaning & surface alexic reading performance, 54–72 yr olds with progressive focal dementia or progressive aphasia, 26322
intralexical & semantic relatedness of compound members & targets, interactive meaning activation of ambiguous nouns in novel nominal compounds, adults, 36153
lexical categorization of meaningful rhymed vs nonrhymed vs meaningless words, auditory EPs & RT, 24–32 yr olds, 4641
meaning frequency, lexical processing of ambiguous words, college students, 8324
meaning of craving, smokers vs problem drinkers vs addictions professionals vs college students, Australia, 26017
meaning of work stress on surveys as occupational stressor vs strain reaction, 18–67 yr old employees, implications for occupational stress research, 7642
object similarity, interpretation of relations among word meanings, 2 yr olds, 987
ontological categories & shape of objects & nonsolid substance terms, inductions of word meanings, 2 yr olds, commentary reply, 13070
positive negative asymmetry in normative samples of traits & nouns & verbs, Ss, 9071
reading comprehension & text informativeness & context, acquisition of meaning of new words, hearing impaired 9.2–18.6 yr olds from oral vs total communication education background, 18440
repetition priming task of pseudoword naming vs definition generation & recall, word identification, college students, 32164
residual lexical knowledge of word phonological form vs meaning, atrophic male 68 yr old with deficit in word comprehension & naming, 14354
semantic & conceptual development, rural vs urban vs elite 5 yr olds & older, Nigeria, 5102
semantic meaning & use of modal catenatives in speech, 3 yr olds, 9148
sensory vs affective vs neutral word, selective recall & recognition, patients with chronic pain &/vs depression, 1524
significance of word "well" in discourse according to relevance theory, 44788
speaker intention & lexical memory of performative verbs in commitment statements, college students, 25058
trait anxiety & positive vs negative affectivity, bias in homophone spelling interpretations, 18–40 yr olds, 41284
verb lexicon size & discourse condition of undergoer accessibility vs omission, acquisition of meaning of transitive verb "to eat", 1 yr olds, 2 yr study, 9188
vocabulary composition & use of nouns during discourse & word learning, 20 mo olds & their mothers, 28940

word meaning & behavioral clues in verbal descriptions of behavior of fictitious person, personality trait judgment, college students, 45208
word meaningfulness, ERPs during written phrase processing, 18–22 yr olds, 44495
Word Meaning—Books
Arenas of language use, 40761
Word Meaning—Chapters
Deaf to the meaning of words, 2233
"'Dress' is birthday" and "'sleep' is night." Young children's word definition strategies, 44930
Relationships between counting and cardinality from age 2 to age 8, 1011
Word Origins [See Etymology]
Word Processing—Serials
angle of hard copy adjacent vs orthogonal to VDT screen & text highlighting, text editing & text & background screen reversal, experienced vs naive computer users, 39592
automated customization for development of structure editors & ease of user interface, 7778
choice of user interface in design of language based editors for software development, 7785
design of ROSE user interface & text editor for software development, 7772
ergonomic analysis of work activity & need for innovative thinking, 19–45 yr old female data entry clerks, 3663
issues in structure of & human interaction with text editors, 7779
kinesthetic vs visual feedback, computer mode error rate, college students with vs without computer text editing experience, Canada, 11776
Pan language based editing & browsing system for software development, 7783
predictive word processing system, quality & quantity of written work, 7–68 yr olds with physical disabilities & severe speech impairments & spelling & language problems, 23301
process analysis of expert-like & novice-like characteristics in interaction with word processor, discretionary computer users, implications for software design, 27799
process oriented instruction with vs without word processor, composing skills, learning disabled 13.3–15.9 yr olds, 15529
recognition & learnability of & speed of interaction with & reactions to voice & touch driven natural language editor VIPX, expert & college student speakers, 3820
word processor, text production in story writing, 4th graders, Italy, 39204
word processor use, writing & classroom culture, teachers & students & professionals, implications for language arts education, 31288
writing instruction with word processor, writing quality & length & attitudes, students, meta analysis, 39189
Word Recognition—Serials
acoustic & phonetic word boundary cues, perceived word segmentation, native speakers of Dutch, Netherlands, 5010
age & level of hearing loss, metalinguistic word awareness, hearing 4–10 yr olds vs orally vs bimodally educated hearing impaired 6–14 yr olds, 34260
auditory vs visual homophone primes, role of phonology in spoken vs printed word recognition, college students, 20257
brief nonword primes, RT to phonology &/or orthography in visual word recognition, college students, France, 16262
caffeine, word recognition after acoustic vs conceptual acquisition, male 19–24 yr olds with high vs low impulsiveness, 36782
change in size of 1 vs 2 letters in 1 vs 2 words, legibility & perceptual grouping in visual word recognition & reading speed, 19–58 yr olds, 40075
cognitive ability & word & text reading skills, 65–87 mo old postkindergarten precocious readers vs comprehension level matched 2nd graders, 44873
cognitive neuropsychological perspective on word finding & reading, patients with developmental dyslexias, 10162
competition & bias, form based phonological priming in spoken word recognition, college students, 4310
completion of depression inventory prior to testing, recall of mood congruent autobiographical memories & affectively toned words, dysphoric vs nondysphoric college students, 17762
concept foregrounding, predictive inference in word stem completion vs lexical decision vs naming tasks, college students, 4353
context & stimulus quality & word frequency, visual word recognition RT in lexical decision task, college students, implications for multistage activation model of word recognition processes, 44062
contextual factors, performance on primed word recognition task, college students, 36151
counting task difficulty & attentional distribution, word recognition & spatial memory, college students, England, 40150
dichotic presentation of competing word pairs, selective perception & representation, college students, 32130
direct instruction vs indirect cues, retrieval processing levels & word association set size, college students, 16354
discovery vs expository training, learning to lipread consonant vowel syllables & retention & transfer to monosyllabic words, normal hearing college students, 15377
divided vs full attention & flanking vs target word congruency & prior presentations & physical similarity, spontaneous recognition of flanking word, college students, 44114
dynamic assessment of word recognition & comprehension & other reading abilities, 15876
effects of speed vs accuracy instructions & short vs long exposure to stimuli on attention, mirror effect in forced choice high vs low frequency word recognition, college students, 32210
effort or priming & sense of familiarity in revelation effect in word recognition task, college students, 20282
emotional violence & relationship to patient concerns, interference in color naming emotional words, anxious patients, 21874
emotional vs nonemotional word & sentence identification vs word discrimination, 39–80 yr old stroke patients with left vs right brain damage, 10335
exposure of 1st letter in incremental vs simultaneously presented word fragment, cue depreciation effect on recognition of unprimed words, college students, 4346
exposure time for appropriate vs homophone vs visually similar prime, naming time & access of semantic information by phonological codes in visual word recognition, adults, 20268
fluency & recollection, word recognition memory, patients with amnesia, 18420
forgetting of words, repetition priming effects at chance recognition level & performance on explicit vs implicit memory test, college students, Israel, 16352
glycine prodrug milacemide & neutral vs semantic stimulus, memory & word retrieval, 19–34 vs 60–78 yr olds, commentary, letter, 718
identity priming, identification & mental representation of Japanese single vs 2 kanji compound words, college students, 20272
imagery vs orthographic task, EPs during identification & recall of primed vs unprimed words, 19–29 yr olds, implications for neurophysiology of memory, 20321
implicit category production vs identification vs explicit cued recall of studied vs unstudied words, schizophrenic veterans, 41602
integration between cue & target information on studied word pairs, recognition failure of recallable words, 15–42 yr olds, 17005
intentional vs incidental learning & reading same language repetition vs translation, verbal free recall & recognition, French & English bilingual college students, Canada, 44161
interletter distance & eye fixation & word length & shape, letter visibility & optimal viewing position effect in word recognition, college students, Germany, test of visual acuity, 12166
language therapy with emphasis on word finding skills, word retrieval, severely language impaired 7.2–8.7 yr olds, 42987

left vs right field presentation of emotionally threatening vs nonthreatening words, opposite hemispheric attentional bias & visual field performance, male 18–27 yr olds, Netherlands, 8680
lexical decomposition in visual recognition of Kanji characters, college students, Japan, 44072
lexical familiarity, individual differences in visual naming & lexical decision & semantic categorization, college students, implications for working memory, 44088
list vs sentence context & lexical priming & sentence meaning, bias in word identification & associations & nonword conversion, college students, test of modular &/vs interactive models, 16286
locus of repetition priming of spoken word production in word recognition, 18–45 yr olds, 334
lorazepam, recollection in word recognition memory, healthy male 21–31 yr olds, 44601
morphological regularity of word, latency of word recognition vs selection in lexical decision vs sentence continuation reading task, adult native speakers of Swedish vs Dutch, 40105
nicotine abstinence, Stroop color & word naming performance, adult male smokers, 44634
noise, recognition of auditory & orthographic CVC syllables, 21–58 yr olds, development of model of context effects in speech recognition, 36109
orthographic vs phonological processing & development of word recognition & spelling, dyslexic 9–15 yr olds, 2 yr followup, 45816
orthographic vs phonological rime priming, target word naming speed, college students, Australia, 40076
overlap vs nonoverlap between target & distractor word pairs, forced choice associative recognition of high vs low frequency words, college students, implications for global memory models, 44135
oxazepam vs kava root extract, ERPs during word recognition & RT, male 24–37 yr olds, 44689
phonologic & phonetic processing of ambiguous Hebrew heterophonic homographs in speech detection & printed & spoken word matching tasks, native Hebrew speaking college students, 16264
phonological priming effects in auditory vs visual word recognition task, college students, implications for structure & organization of lexical memory, 4341
phonological structure teaching program, phonemic awareness & word identification & decoding & spelling, preschoolers, 1 yr followup, 23479
phonological vs orthographic relationship of homophonic masks, isolated word recognition, college students, Netherlands, 299
phonology in multisyllabic word recognition, college students, implications for dual route theory & connectionist models, 44799
prelinguistic vocal & word production & recognition & language specific speech perception, infants, commentary, 44914
prime exposure duration, time course of orthographic vs phonological code activation in visual word recognition, college students, France, 40090
prime reading vs generation of prime target associations, associative priming in word identification & episodic memory for primes, college students, 40078
priming by similar sounding initial phonemes of nonwords, auditory recognition of base word, college students, 44780
print exposure as measured by revised Title Recognition Test & phonological & orthographic skills, word reading & reading comprehension, 5th–9th grade disabled & nondisabled readers, 33944
proportion overlap & ratio of studied to nonstudied items & repeated testing, implicit memory in primed word fragment completion, college students, 36225
psychophysical perspective on language ordered search & interactive activation models & language priming effects in multilanguage word recognition & lexical decisions, bilingual adults, 36160
rapid serial visual presentation, posttarget & pretarget intrusions in parallel processing of color & identity dimensions of uppercase words, college students, 16256
reading &/vs generation of items in word list, reconstruction & free recall & incidental learning of items & long term retention of serial order, college students, 40189
recognition memory for sign language vocabulary, beginning vs advanced 23–64 yr olds in community American Sign Language classes, 9058
rehearsal, word frequency effect in recognition memory, college students, 4381
remedial & retrieval interventions, children & adolescents with word finding difficulties, 11193
repetition of lexicalization across languages, locus of priming effect in word recognition, Welsh-English bilingual adults, UK, 316
repetition priming task of pseudoword naming vs definition generation & recall, word identification, college students, 32164
response bias, implicit vs explicit memory in word stem completion vs recognition tasks, college students, 12277
response latency in Stroop color naming task with socially vs physically threatening vs color words, adults with social phobia, 29732
retention interval & degree of encoding, cryptomnesia & source memory during word search puzzle task with computer partner, college students, 32215
right vs left reading languages, hemifield advantage in naming & lexical decision in word recognition, English vs Farsi readers, test of cerebral dominance vs scanning vs right hemisphere hypotheses, 44427
role of vowels in reading in English vs Hebrew, 40124
rule produced synthetic speech & word recognition & comprehension, listeners, 25061
savant hyperplexia & other exceptional abilities, 22 yr old female with autism, 41799
self reference task prior to viewing erotic videotapes, self schema activation & word recognition & sexual arousal during viewing, 18–35 yr olds, 33194
semantic & syntactic context, online word recognition & monitoring latencies, 20–29 vs 60–68 vs 70–79 vs 80–87 yr olds, 25166
semantic association vs visual word perception, cortical EPs & localization, 29–40 yr olds, 16609
semantic context of prime & target, facilitation vs inhibition effect & RT in lexical decision task & amplitude of N400 EPs during word recognition, 21–24 yr olds, Japan, 12230
semantic priming, cortical EP during auditory word recognition & lexical decision tasks, 19–30 yr olds, 28574
semantic priming effect of target word orientation, word recognition, college students vs elderly, 916
semantic representation & lexical decision times for interlingual polyseme vs homograph recognition, English & Afrikaans bilingual adults, South Africa, 819
sentence length & speechreading with vs without processed vs unprocessed vs quantized voice fundamental frequency, recognition of words, normal hearing 24–40 yr olds, implications for deaf, 14428
set size & featural overlap of target & distractors, recognition of & popout effect with words vs nonwords in visual array, adults, 4265
spelling-to-sound "friends" vs "enemies", single word reading performance, 16–38 yr old dyslexic college students, Wales, 6159
strategy choices in addition & subtraction & word identification, lower vs middle income 1st graders, 40827
Stroop paradigm reading task, interference in vocal & manual word recognition, profoundly congenitally deaf 9–15 yr olds, implications for involuntary word processing, 30261
subthreshold masked semantic primes followed by related vs unrelated word targets, forced choice target recognition, college students, 44078
syllable length vs silent letters, visual parsing RT, college students, 16271
syntax, letter detection in words, college students, 16267
synthetic with vs without analytic phonological task training, phonological awareness skills & word learning ability, kindergartners, 3398
systematic evaluation of naming in assessment of word finding disorders, children & adolescents, 10199

target letter position cues, word decoding & recognition in visual search RT & oral reading tasks, intellectually disabled 10–12 yr olds, 6163
typography, word fragment completion, 55–81 yr olds with amnesia from Korsakoff's syndrome, implications for repetition priming effects, 37944
unrelated vs related semantic priming, lexical decision & naming of Hiragana vs Katakana written Kana scripts, college students, Japan, 28251
verbal list recall & recognition, patients with Alzheimer's vs Huntington's disease, 14284
visual vs auditory vs pictorial presentation of words, priming on implicit memory tests of word identification vs stem vs fragment completion vs anagram solution vs free recall, college students, 44163
visual word presentation with vs without pictorial stimulus, word naming, children, Australia, 5132
voice & vowel length in phonological representations, word identification, college students, Netherlands, 16231
white noise & semantic vs nonsemantic encoding & voice change, auditory priming effects on explicit vs implicit memory in auditory word identification & stem completion tasks, college students, 4392
word finding skills, children & adolescents with history of brain injuries, 10349
word fragment completion, generation effects in implicit memory, college students, Sweden, replication, 364
word frequency & length & encoding difficulty variables of case type & spacing & response selection load, processing stage effects on word recognition, 18–29 vs 61–77 yr olds, 40791
word frequency & neighborhood size & frequency & orthographic priming, visual word recognition, adults, test of semistochastic variant of interactive activation model, 12226
word frequency & size of neighborhood, visual identification of target words, college students, 36186
word frequency & study time & number of cues, cuing effects & associative information in recognition memory, college students, 16332
word frequency bias & ambiguity, extrinsic & intrinsic effects on auditory word recognition & RTs in phoneme identification, college students, 16258
word frequency, lexical decision & word recognition RT, college students, 24391
word frequency, word recognition in long list, college students, implications for role of processing automatization, 4330
word length vs frequency of occurrence & written vs oral expression & auditory vs reading comprehension, word finding ability, Broca's vs Wernicke's vs anomic aphasic 34–81 yr olds, 14353
word level metacognition & word identification & reading comprehension, 9.7–10.8 yr olds, Australia, 21195
word pairs with separate vs interactive pictures, cued recall performance, college students, 8354
word perception, monolingual vs bilingual Turkish & English speakers, 40119
word priming & recognition memory, amnesia patients with mesial temporal lobe damage, 18383
word recognition & phonetic structure acquisition model of speech perception development, commentary, 44905
word recognition & phonetic structure acquisition model of speech perception, infants, 44875
word recognition & prediction & lexical decision, predictive inference in situation model development, college students, 44071
word repetition, memory & cortical EPs, 19–26 yr olds, 20680
word retrieval with pictogramic stimuli, fluent vs nonfluent dysphasic 30–77 yr olds, 41916
word specific knowledge & spelling ability, word recognition & spelling production, college students, 44786

Word Recognition—Books

Orthography, phonology, morphology, and meaning. Advances in psychology, Vol. 94, 24417

Word Recognition—Chapters

"Assembled" phonology and reading: A case study in how theoretical perspective shapes empirical investigation, 24456
Automatic activation of linguistic information in Chinese character recognition, 25070
Beyond orthographic depth in reading: Equitable division of labor, 24452
Can theories of word recognition remain stubbornly nonphonological?, 24427
From unit to gestalt: Perceptual dynamics in recognizing Chinese characters, 16219
Graphemic, phonological, and semantic activation processes during the recognition of Chinese characters, 16317
Morphological analysis in word recognition, 24433
Neighbourhood frequency and stimulus frequency effects: Two different but related phenomena?, 16324
On recognizing misspelled words, 17097
On the relation between the optimal and the preferred viewing position in words during reading, 40023
On the role of cohorts or neighbors in visual word recognition, 24441
Orthographic neighborhoods and visual word recognition, 24436
Reading consonants and guessing vowels: Visual word recognition in Hebrew orthography, 24435
Reading with attentional impairments: A brain-damaged model of neglect and attentional dyslexias, 19864
Recognition processes in character naming, 16319
The relationship between word recognition and spelling, 1014
Representation and processing of morphological information, 24423
Unitization, automaticity, temporal order, and word recognition, 44125
The vowel and what follows: A phonological frame of orthographic analysis, 1016

Words (Form Classes) [See Form Classes (Language)]

Words (Phonetic Units)—Serials

age & educational level & word length, object naming, 25–85 yr olds, Canada, 13053
age & word length & rehearsal, identification & articulation rate in memory span, 5 & 8 & 11 yr olds, 40819
age, development of word definitions, 5–12 yr olds, test of L. Vygotsky's theory of cultural development of higher psychological functions, translated article, 37043
associative relatedness of words, information incorporation & sentence processing, mentally retarded adolescents & adults, 6165
concrete vs abstract word pair of similar meaning, perceived concreteness vs emotionality vs meaningfulness vs length & imagery, college students, Spain, 9034
context effects in text vs word priming in lexical decision tasks, college students, England, 4338
current concerns, skin conductance responses to & affective ratings of words vs self generated thoughts, college students, 32549
dissociative effect of auditory vs visual massed repetition vs single presentation of words, implicit & explicit memory, college students, Canada, 16331
early exposure to symbolic gestures, onset of symbolic use of signs vs words, infants, 40813
expectation priming & color words vs neutral stimuli manipulation, Stroop effects, college students, Israel, 16200
frequency importance functions for monosyllabic words in high vs low context spoken sentences, normal hearing 15–28 yr olds, 269
gender schema & attitude, semantic gender stereotypic vs nonstereotypic polarization & acquired connotation of words paired with male vs female pictures, adults, New Zealand, 32780
generative activity of cuing & target masking & selective attention & encoding time & mood, mobilization of cognitive resources & generation effect in recall of words, college students, 4379
guidelines for use of music combined with hypnotic words as pathway into hypnosis therapy, 34616

imagery & concreteness & meaningfulness, perceived emotionality of words, college students, Spain, 9035
implicit & explicit memory for word pairs presented during REM or Stage 2 sleep, male graduate or medical students, 409
individual differences, effects of induced depression & elation on lexical decision times for positive vs negative words, female college students, 8400
instructions & retention interval & retrieval cues, recall of organizable word & object lists, 18–35 vs 60–69 vs 70–79 vs 80–92 yr old females, 889
interletter distance & eye fixation & word length & shape, letter visibility & optimal viewing position effect in word recognition, college students, Germany, test of visual acuity, 12166
keyword vs S generated vs industry symbols for photocopier functions, preference patterns & matching, college students, 15766
knowledge of task, hypermnesia effect in recall of auditorily presented words, college students, 16327
lexical & semantic processing of ambiguous words, 23–76 yr olds with Broca's vs Wernicke's aphasia, Netherlands, 46057
lexical influences, auditory rhyme decision performance for words & nonwords, 17–47 yr olds, 36173
list vs word method, directed forgetting on implicit vs explicit memory tests, college students, 32198
listening preferences for unfamiliar words with English vs Dutch phonetic & phonotactic patterns, 6 vs 9 mo olds, US vs Netherlands, 40824
manifestation of salience in definitions, 44782
memory & free recall of read vs generated words, blind vs sighted 11.2–14.8 yr olds, England, 22444
memory load, frequency & lexicality & phonology in naming words vs pseudohomophones, college students, 20269
naming latency for Kana vs Kanji numerals & nouns & nonwords & personal names, 21–22 yr olds, Japan, test of selection difficulty hypothesis, 12262
number of intervening words & number & sex of talkers & same vs different voice, recognition memory for voices & repeated spoken words, adults, 20322
pause before novel target word, quick incidental learning of object vs attribute word, specific language impaired 51–69 mo olds, 14136
perspective taking & word "then" as indicator of deictic discontinuity in discourse analysis of film description, 18–30 yr olds, 16928
phonological effects of rhyming vs nonrhyming words, auditory EPs, adults, 40450
phonological selectional constraints on & syllabic length of & consonant clusters & phonemes in attempted spoken words, 2 yr olds, 3 yr study, comparison with adults, 9136
phonological similarity & concurrent irrelevant articulation, short term memory recall of repeated & novel word lists, college & postgraduate students, 44136
phonology of stimulus items, RT to activation of printed content words in lexical decision task, 59 yr old deep dyslexic male, 22105
picture & word descriptions of experiences with pain, 6–18 yr olds, 2128
picture labeling vs word priming, word fragment completion test performance, college students, 44121
positive negative asymmetry in normative samples of traits & nouns & verbs, Ss, 9071
preceding word, pronunciation of body of basic orthographic syllable structure of polysyllabic words & lexical processing, college students, 12968
presentation of words semantically similar to target word, frequency judgments for target word, college students, test of total similarity model, 44082
previous practice writing 1st letter vs entire display, comparison of identity of 1st letter vs entire word vs pseudoword displays, college students, 16278
primed fluency vs recollection, word completion, male amnesic patients with Korsakoff's psychosis or encephalitis or anoxia, 18357
prior knowledge of repetition location, detection of letter repetition in words vs nonwords, college students, 36236
reading ability, reading of words vs nonwords ending with -ed vs -er morphemes, 7–9 yr olds, UK, 9164
recurrent neural network architecture based on hidden Markov model for speech & word recognition, 7833
remember vs forget instructions & part list vs set retrieval cues at time of recall, directed remembering of words, college students, 16340
repetitional spacing, free recall of words vs pictures, 3.4–5.2 yr olds, 44908
selective processing of eating & weight & shape related words, normal vs symptomatic dieters vs females with anorexia vs bulimia nervosa, 10176
self vs forced choice of word vs nonword items, free recall, female college students, Japan, implications for metamemory, conference presentation, 8369
semantic similarity & affect homogeneity of word list, free recall & recognition & discrimination of frequency of words, college students, 16345
spatial vs nonspatial representations of words vs nonwords & RT, 20–25 yr olds, Italy, 317
speech & language therapy, phonological segmentation skills in production of real words vs nonwords, 5 yr old with deviant phonological production, Great Britain, 23299
storage & retrieval processes & development of word finding ability, normal vs language learning disabled children & adolescents, 10197
syllabic stress & finality, perceptual predisposition & attention in word production, 1.4–1.9 yr olds, 28911
syllable boundaries of Spanish vs English words, RT on syllabification task, Spanish- vs English-speaking college students, Australia & Spain, 40742
talking computer system & whole word vs syllabic vs subsyllabic vs grapheme-phoneme units, short term learning, 1st–2nd graders with low vs average reading ability, 11437
target detection & sound vs meaning cues, retrieval of intended word, college students, 16351
temporal characteristics of monosyllabic vs bisyllabic vs trisyllabic words & intraword timing, Thai speaking 23–60 yr olds with unilateral brain lesions with vs without fluent vs nonfluent aphasia, 46053
understanding of function of additive & causal & adversative & sequential logical operators in reading, native English speaking vs ESL college students, 12221
use & function of mental terms, 2 yr olds & their mothers, 1 yr followup, 9145
variation in prelinguistic vocal & word production & intentional communication, English vs French vs Japanese vs Swedish infants & preschoolers vs their mothers, 44910
visual similarity & typicality, categorization of pictures vs word stimuli, college students, Italy, replication, 4315
visual word presentation with vs without pictorial stimulus, word naming, children, Australia, 5132
vocabulary composition & use of nouns during discourse & word learning, 20 mo olds & their mothers, 28940
whole word vs phonetic prompt error correction & acquisition & maintenance of sight read words, 8–9 yr olds with developmental disabilities, 31368
width of overlying & flanking mask contours with words vs letters, recognition of letters in words vs isolated, adults, 40170
word characteristics, factor loading on vocabulary test in Swedish Scholastic Aptitude Test, adults, Sweden, 24211
word fragment completion, generation effects in implicit memory, college students, Sweden, replication, 364
word frequency & imageability & length & familiarity & contextual availability & cognate status & definition accuracy, word translation, bilingual college students, Netherlands, 4299
word length, syllable duration, fluent vs nonfluent aphasic 33–83 yr olds, 30163
word prominence & position & intrinsic duration & time interval, lengthening of & pausing after phrase final word as prosodic vs syntactic representation, college students, US & Canada, 28837
word referent differentiation, development of conscious awareness in thinking, 10–11 yr olds, Estonia, translated article, 37064

word specific knowledge & spelling ability, word recognition & spelling production, college students, 44786
Words (Phonetic Units)—Chapters
Constraints on word learning: Speculations about their nature, origins, and domain specificity, 17113
Decomposed storage in the Chinese lexicon, 16326
The development of the autonomous lexicon of reading disabled students, 41857
Psychological reality of the word in Chinese, 16968
Psychological significance of seemingly arbitrary word-order regularities: The case of kin pairs, 838
Reading comprehension in Chinese: Implications from character reading times, 16312
Units of representation for derived words in the lexicon, 24426
Words (Vocabulary) [See Vocabulary]
Work (Attitudes Toward)—Serials
age & career trajectory & labor market locality, employment commitment, 15–20 yr olds, UK, 2 yr followup, 40888
career attitudes & work values, occupational therapy students, Australia, replication, 23354
career certainty & grade & sex, short term changes in work values, junior high & high school students, 6 mo followup, 29052
career orientation, values & attitudes & motivations toward work, female administrative support employees, 3712
child's sleeping at home vs communal sleeping arrangement, work & leisure attitudes & behavior, mothers vs fathers & preschool & school age children in kibbutz, Israel, 29226
class & marital status, prioritizing & structuring of family & work, professional/managerial vs working class mothers, 5374
conceptual distinction between & causal model of job vs work involvement, adult government & financial organization employees, Australia, 31550
demographic & organizational factors & individualism, commitment to Islamic work ethics, managers, Saudi Arabia, 27646
demographic variables & Protestant work ethic, adults, 3612
demographics & SES & socialization & work values & job satisfaction & status, work centrality, male vs female employees, Israel, 31558
development & validity of Occupational Self-Efficacy Index, middle aged & elderly, 16067
distribution of occupations among prime time network TV characters, work attitudes, high school seniors, 1973–85, 29058
economic labor market, work related attitudes, male vs female 12th graders, Canada, 21267
education & labor market experience, work attitudes & beliefs, 15–18 yr olds, Canada vs UK, 5172
education on careers & nature of work, work attitudes, 3rd graders, 23480
elements & integration of work task learning in elementary & secondary school classrooms, 3445
employment in & willingness to perform dirty work, illegal immigrants vs US citizens, 40996
ethnic cultural background & multicultural interaction, structure of work cognitions, Aboriginal vs Anglo Saxon vs Chinese vs Lebanese Australian males, Australia, 17289
factor structure of Protestant Work Ethic scale, medical school students, Taiwan, conference presentation, 31855
familial vs communal child sleeping arrangements, work attitudes & behavior, kibbutz parents, Israel, 3703
family vs work involvement attitudes & work restructuring, job & marital satisfaction & stress, dual earner spouses, 17317
immigrant networks dominant in dirty jobs, displacement & change in employment practices, US workers, 40997
instrumental vs normative work values, affective & continuance & extrarole behavioral facets of organizational commitment, male military personnel, Israel, 7656
intended year of leaving school & psychological distress & work attitudes, 10th–12th graders, Australia, 43299
intrinsic vs extrinsic motivation & work & leisure enjoyment, psychological well being, 20–30 yr old employees, 3701
intrinsic vs extrinsic vs people oriented occupational values, male vs female high school students, 1976–89, 25228
knowledge about scale of & attitudes toward unemployment & estimations of own vs others' future employment chances, 18–24 yr old college vs secondary school vs vocational students, Poland, 47255
labor force plans, female college students from single parent households, economic & counseling implications, 27628
link between Protestant ethic & spirit of capitalism as target of humor, 9353
main vs buffering effect of social support & coping behavior, reactions to work situations, nurses, 11270
maternal occupational characteristics & family position & sex role orientation, work values, 11th graders & their mothers, Israel, 29031
organizational changes in gain sharing allocation, productivity & new work ethic & enhanced social roles, employees, 43482
paid work history & attitude, health during bereavement of husband, 55–75 yr old widows, 33308
parental career & family orientation & hours worked per week & salary & parent & offspring closeness, college students, 41120
perceived nature of & attitudes toward parent's work, 3rd–4th graders, 13086
perceptions of quality oriented intervention & management commitment, perceptions of work characteristics & job related attitudes, petrochemical company professional & support staff, 39486
Protestant work ethic & just world beliefs, male vs female secondary school vs college students vs adults, India vs UK, 29419
Protestant work ethic & Type A behavior pattern, working adults & college students, 17560
Protestant work ethic attitudes, Black high school vs college students, South Africa, 11524
reliability & validity & resource intensity of small group judgment by mail with vs without group discussion vs telephone surveys, measurement of relative work value, surgeons, 15881
role strain & emotional well being & perceptions of children & work preference & working hours & educational level & sex of child, poor Black single working mothers of 3–4 yr olds, 29249
sex & sex role identity, work & career attitudes & behaviors, psychologists, 3241
sex, attitudes toward work & family issues & parental roles & sex role stereotypes, 19–66 yr old business students vs human resource personnel, 27679
sex, work goals, Taiwanese managers in Taiwanese vs Japanese vs US owned firms, Taiwan, 43436
tax rate changes & demographic factors & work & leisure attitudes & political preferences & overtime pay & working conditions, incentive to work, 16–65 yr old workers, England, 23687
test retest reliability of Work Addiction Risk Test, college students, 162
views of work & leisure, 14–15 yr olds, US vs Netherlands, replication, 37167
wealth & industrialization status of country of residence, Protestant work ethic beliefs & power distance scores, college students, 41295
work & retirement attitudes, 50–65 yr old workers vs retirees, Finland, conference presentation, 7563
work experiences & incentives, work vs welfare choice, females in minimum wage job market, 33059
work values & attitudes & performance, male vs female adult garment workers, Bangladesh, 11657
Work (Attitudes Toward)—Books
Employee involvement: Methods for improving performance and work attitudes, 35583
Work (Attitudes Toward)—Chapters
Autonomy and learning about work, 11614
Counseling and career adjustment, 3641
Developmental conceptions of good work: A longitudinal study, 23702
The fair wage–effort hypothesis in unemployment, 39494
Work, 15593

Work Adjustment Training—Serials
education & training model within work adjustment services, job readiness from career development perspective, 23290
job tasks & functions, work adjustment specialists, 11182
quality of life model for evaluation of transition programs, handicapped, implications for research & program development, 46954
role of adjustment services professionals & definition of work adjustment services, 23296
spiritual element in wellness model approach to work adjustment & rehabilitation counseling, 23212
training needs in community based vocational assessment & adjustment services, professionals in rehabilitation or related occupational specialties, preservice & inservice training implications, 31104
work acclimation & educational & behavioral & problem solving & personal growth models of adjustment services for exceptional people, role of adjustment services & specialists within rehabilitation, 23289
work acclimation & vocational development program, multiply handicapped sensory impaired students in institute for deaf & blind, 23614
Work Environments [See Working Conditions]
Work Load—Serials
computer system performance, perceived work load & job pressure & control & psychological stress & mood disturbances, office workers, 19704
costs & benefits of task vs knowledge enlargement in job design intervention, financial services clerical employees & managers, 2 yr followup, 39425
establishment of physiological norms for work & mechanisms of mobilization of functions for activity, 12644
inflight vs postflight probing time, Subjective Workload Assessment Technique, 44–58 yr old commercial airline pilots, 8078
job demands & perceived control, job performance & satisfaction & BP & salivary cortisol, female 21–60 yr old registered nurses, 31151
overwork & stress & related neuroses & employer sponsored stress management, 20–60 yr old urban workers, Japan, 19653
physical space & light levels & academic task demand, visual & sensorimotor functioning, 4th–5th graders, implications for classroom ergonomic design, 39314
real ischemic vs feigned pain with vs without tracking, P300 ERP amplitude & latency during auditory oddball task work load, male college students, 36613
salary & capitation vs capitation & fee for service forms of reimbursement, workload & patient management, general practitioners, Wales & England vs Netherlands, 7328
sensitivity & operator acceptance & resource requirements & special procedures of 4 subjective work load scales, Army systems operators, 4161
strategies for & factors in management of combined household & paid work loads, 20–64 yr old mothers with clerical jobs, Canada, 33160
stress allowance for adjustment of work standards in electronic performance monitoring, employees, 15614
stressful work load & social interaction with coworkers & supervisors, daily mood & health complaints, air traffic controllers, 27735
task type vs age vs skill level, perceived work load & job performance, male 15–60 yr old blue collar shift workers, 23797
work load & psychophysiological strain & coping & support strategies, male innovation project managers, conference presentation, 7614
working conditions & preference for menu selection & direct manipulation vs command keys in human computer interaction, mental work load, college students, 47514
working hours, fatigue, female flight attendants, Japan, 19754
workload & job satisfaction & self esteem & person environment fit, nonself employed vs self employed dentists, test of curvilinear relationship hypothesis of J. R. French et al, 19750
Work Load—Chapters
The effects of workload and the social environment at work on health, 35615
Work Rest Cycles—Serials
activity & rest & sleep deprivation, National Guard members, implications for training exercise scheduling, 7722
generality of work rest ratio in pursuit rotor task & applicability to cognitive performance, female college students, Australia, 8267
psychophysical determination of frequency & duration, work rest schedules in manual handling tasks, male vs female college students, 39521
Work Scheduling—Serials
control of work hours through choice of regular night shift system vs sequencing of flexible rotating shift, acceptability & tolerance of shift work, nurses & midwives, England & Wales, 27715
delayed vs advanced shift rotation with vs without quick return, health & sleep disturbance & social & domestic disruption & job satisfaction, industrial & service shift workers, 27714
restructuring & flexibility needs of counseling delivery system, high school counselors, 19638
rotating vs nonrotating shift work schedule, sleep wake patterns & sleepiness & automobile accidents & medication errors, nurses, 15286
rotation of morning & evening shifts, fatigue & complaints of sleep & schedule regularity & work load & housekeeping & child care & leisure time, railway traffic controllers, Netherlands, 27733
salary & capitation vs capitation & fee for service forms of reimbursement, workload & patient management, general practitioners, Wales & England vs Netherlands, 7328
work hours & schedule inflexibility, depression & anxiety & role strain, dual earner couples, Canada, 15699
work schedules & personal habits & perceived job strain, prevalence of hypertension, Black vs White vs other 20–65 yr old bus drivers, commentary reply, 46023
work schedules & personal habits & perceived job strain, prevalence of hypertension, Black vs White vs other 20–65 yr old bus drivers, commentary reply, 46022
work schedules & personal habits & perceived job strain, prevalence of hypertension, Black vs White vs other 20–65 yr old bus drivers, commentary, 46026
work schedules & personal habits & perceived job strain, prevalence of hypertension, Black vs White vs other 20–65 yr old bus drivers, commentary, 46030
Work Study Programs [See Educational Programs]
Work Week Length—Serials
analysis of standard economic model of labor supply, hours behavior, single mothers, 23679
parental career & family orientation & hours worked per week & salary & parent & offspring closeness, college students, 41120
Workday Shifts—Serials
age, circadian adjustment to night work, 19–59 yr old shift workers, conference presentation, 7702
anticipatory sleep onset time, male night vs continuously rotating shift workers, Brazil, 27732
brozitolam, cognitive performance, 21–34 yr old nurse shift workers with circadian rhythm disorders, Italy, 30626
burnout & psychological stress, male vs female mental health & other nurses in 2 vs 3 shift work, Finland, 27295
change in shift system, interindividual differences in value of leisure time utility, male 19–58 yr old industrial shift workers, Germany, 8 mo followup, 27725
circadian & personality & temperament characteristics, attitudes toward shift work, female 21–55 yr old shift vs day workers of steel plant, 27726
circadian rhythm adjustment & shift work tolerance, female nurses, 16650
coffee consumption, workday vs nonworkday sleep behavior & mood, 31–50 yr old male locomotive engineers on irregular work schedule vs their 27–47 yr old wives, 27719
compressed shift work schedule, attitudes & organizational effectiveness, police officers, 15845

consecutive work nights, health & sleep behavior & job satisfaction & evaluation of & motivation for night work & lifestyle & social support & coping & risk factors, female night nurses, Belgium, 27720
control of work hours through choice of regular night shift system vs sequencing of flexible rotating shift, acceptability & tolerance of shift work, nurses & midwives, England & Wales, 27715
delayed vs advanced shift rotation with vs without quick return, health & sleep disturbance & social & domestic disruption & job satisfaction, industrial & service shift workers, 27714
development & psychometrics of situation specific questionnaire for Standard Shiftwork Index, assessment of coping with shift work & psychological health, nurses & midwives, England & Wales, 24236
educational & intervention strategies in management labor debate, improvement of irregular 3 shift system with anticlockwise rotation, workers at facility for mentally handicapped, 27638
endogenous vs exogenous components of circadian performance rhythms, male 19–20 yr olds, implications for safety in shift work, 24795
factor structure & internal psychometric properties of Polish version of Attitude Towards Shiftwork Scale, 19–60 yr old steel plant shift vs day workers, Poland, 24232
factor structure & psychometric equivalence of basic language morningness scale, manufacturing plant day vs shift workers, 24028
frequency & type of activities in leisure time, 18–50 yr old day vs shift workers of petrochemical plant, Brazil, 27721
habituation to problems of & reminiscence about shift work, male 44–86 yr old former police officers with new daytime job, UK, 27737
illness & psychosomatic symptoms & sleep behavior, shift work selection, applicants for blue collar jobs, Sweden, 11705
individual differences in circadian rhythm parameters of temperature & heart rate & moods & fatigue, tolerance of night shift work, male oil refinery workers, 16 & 39 mo followups, 27740
individual differences in subjective health effects of & tolerance to shift work, personnel, research review, 27723
internal desynchronization & salivary cortisol & circadian rhythm, 30–46 yr old shift work tolerant vs intolerant ambulance personnel, Japan, 3243
morning vs afternoon sleep, polysomnographic & subjective sleep quality, males on simulated night shift work schedule, 27727
napping & caffeine, alertness & performance on night work shift, 21–38 yr olds, 35611
night shift, tension-anxiety & depression-dejection & anger-hostility & vigor-activity & fatigue-inertia & confusion-bewilderment dimensions of mood, female 17–22 yr old student nurses, 27716
night shift work, stress & well being & health & lifestyle & job satisfaction & complaints & sleep problems, male manufacturing plant workers, Austria, 27717
number of consecutive night shifts, mental effort in short term memory task following 32 hr recovery, male cargo transport workers, Netherlands, 27731
Ottawa shift system, mental & physical health & personal & social & work disruption & alertness & sleep, police personnel, UK, 11888
perceptions of & feelings about personal lives, 25–63 yr old spouses of male nuclear power shift workers, UK, 27736
permanent vs rapidly rotating night shifts in 24 hr staffing, sleep & circadian rhythm adjustment & performance & health & satisfaction, workers, research review, commentary, 23794
permanent vs rapidly rotating shifts in 24 hr staffing, sleep & circadian rhythm adjustment & performance & health & satisfaction, workers, research review, commentary, 23799
permanent vs rapidly rotating shifts in 24 hr staffing, sleep & circadian rhythm adjustment & performance & health & satisfaction, workers, research review, 23800
permanent vs rapidly rotating shifts in 24 hr staffing, sleep & circadian rhythm adjustment & performance & health & satisfaction, workers, research review, commentary reply, 23801
permanent vs rotating day vs night work shift, sleep patterns & quality & disturbances, 22–64 yr old female nurses, 23404
personal dosimeter measured light exposure, circadian mood & alertness & activity, male watches on day vs night shifts, 36634
principles in design of education programs for behavior change, shift workers & their families, 27640
psychometric analysis of Circadian Type Inventory vigor & rigidity scales, prediction of tolerance to shift work, 17–47 yr olds, 24045
reliability & temporal stability of measures of individual differences & tolerance to shift work, 19–61 yr old male oil refinery workers, Croatia, 24233
rotating vs nonrotating shift work schedule, sleep wake patterns & sleepiness & automobile accidents & medication errors, nurses, 15286
rotation of morning & evening shifts, fatigue & complaints of sleep & schedule regularity & work load & housekeeping & child care & leisure time, railway traffic controllers, Netherlands, 27733
sex & age, susceptibility to shift work related health & social problems, under 30 to over 50 yr old steel plant workers, Poland, 25659
shift work & department type & job stress & work attitudes & behavioral intention, hospital nurses, Canada, 11285
task type vs age vs skill level, perceived work load & job performance, male 15–60 yr old blue collar shift workers, 23797
time of day, recall of words & drawings with vs without interfering interpolated task, male chemical plant shift workers, France, 27730
turnover & absenteeism & reduction in work schedules, nurses, 5 yr retrospective study, 31173
work hours & schedule inflexibility, depression & anxiety & role strain, dual earner couples, Canada, 15699
12 vs 8 hr workday shifts, fatigue, rotating shift workers, conference presentation, 7703

Workday Shifts—Books

Making shift work tolerable, 7704

Workers [See Personnel]

Working Conditions [See Also Noise Levels (Work Areas), Occupational Safety, Work Rest Cycles, Work Week Length, Workday Shifts, Working Space]—Serials

at home employment, conceptual model of management & productivity & stability & employment &/vs family & household responsibilities, 3745
attitudes toward government policy on work environment & injury & rehabilitation responsibility, employee absenteeism reduction & reemployment, small company executives, Sweden, 19749

Xylocaine [See Lidocaine]
Yawning—Serials
cholinergic vs dopaminergic vs purinergic drugs, dilazep potentiated physostigmine vs bromocriptine vs pilocarpine induced yawning, male rats, 21026
ip dopamine agonists CQ 32-084 vs CQP 201-403 with vs without sulpiride, yawning & sedation & preening & pecking, male chickens, 40564
nicotine dependence, withdrawal induced locomotor activity & weight gain & tremors & yawning & other behaviors, male rats, animal model of nicotine abstinence syndrome, 20919
pindolol, tacrine or cholinesterase inhibitor NIK-247 induced yawning, male rats, 20895
quinpirole from day 10 of gestation to birth vs 1–11 vs 12–22 vs 23–33 days after birth, sensitization to quinpirole induced yawning behavior, adult rats, 36812
scopolamine, spontaneous yawning, male 20–35 yr olds, 44725
time of day & situational factors, yawning, college students, 40463
5-HT receptor agonist S-20499 with or without haloperidol, D2 dopamine receptor binding & apomorphine induced yawning & penile erection & body temperature, male mice & rats, 767
5-HT uptake blocker vs antagonists, physostigmine induced yawning, 15 day vs 2 mo old male rats, 21025
Yemen—Serials
social support & economic & psychological factors, child health, rural 25–39 yr old mothers with at least 1 5 yr old or younger, Yemen, 45334
trained interpersonal dissemination of infant & maternal health information to female friends & neighbors, adults, Yemen, 42647
Yoga—Serials
Hatha Yoga, stress management, management personnel, 7609
hatha yoga vs progressive relaxation therapy, heart rate & BP & physical self efficacy & self esteem, female college students, Japan, 20352
swimming vs yoga, mood, college students, 24488
yoga relaxation & pranayama & thermal biofeedback, stress reactions & hypertension, 45–70 yr olds, India, 6872
yoga therapy, symptoms & stress & coping responses, patients with migraine or tension headache, 42561
yoga training, self ideal disparity, 17–39 yr olds, India, 43524
yoga training, static motor performance, 9–13 yr olds, India, 44837
yogic consciously controlled rhythmic breathing vs concentrated attention, middle latency auditory EPs, 21–33 yr old males, 44555
Yohimbine—Serials
behavioral & physiological & biochemical measures of anxiogenic properties of yohimbine, patients with panic disorder, 34523
benzodiazepine receptor partial inverse agonist FG 7142 vs yohimbine, stimulus discrimination generalization in operant learning, male rats, 16807
clonidine vs yohimbine, novelty induced hypoalgesia, rats, 751
cocaine with vs without yohimbine vs alprenolol, 5-HT-2/1C agonist DOI induced head twitch response, 5-HT-2 receptor supersensitive male mice, 40544
diazepam vs yohimbine, retention of habituation to novel exploratory stimuli, male rats, animal model of anxiety, 24994
experimental set & setting & expectations, yohimbine induced psychological stress, patients with panic disorder, 33669
ibogaine, stimulus control, male rats trained to discriminate yohimbine or 2,5-dimethyoxy-4-methylamphetamine or LSD, 20954
idazoxan vs yohimbine, male adults with erectile dysfunction, 22913
idazoxan vs yohimbine, mood & anxiety & cardiovascular responses & plasma cortisol & MHPG, male adults, 12820
locus ceruleus lesion, yohimbine vs restraint stress induced c-fos immunoreactive response in cerebral cortex, male rats, 32448
mianserin vs cyproheptadine vs zacopride vs ICS 205-930 with vs without yohimbine, audiogenic seizures & locomotor activity, 20–27 vs 30–37 day old DBA/2 mice, 12885
yohimbine & opioid blockers & dopaminergic drugs, enhancement of human sexual function, 34752
yohimbine, acoustic startle reflex, healthy adult males, 44687
yohimbine adjunctive to buproprion, female 50 yr old with treatment refractory dysthmia & recurrent major depression, case report, 34569
yohimbine, clonidine induced total energy & fat vs carbohydrate vs protein intake, genetically obese vs lean male mice, 20838
yohimbine, defensive responses, mice, animal model of panic disorder, 32583
yohimbine or clonidine challenge, behavioral & biochemical & cardiovascular effects, patients with panic disorder, 21858
yohimbine, reproductive behavior, male Nile crocodiles, 20939
yohimbine, sensory gating, male rats, implications for sensory processing in schizophrenia, 28781
yohimbine vs adrenoreceptor antagonist idazoxan, anxiogenic effects in light dark unconditioned vs conditioned conflict paradigms, male mice, 25003
Yugoslavia—Serials
blocking training in group analysis as reflection of Yugoslav crisis, Croatia, 47046
demographic & social changes, development & functioning of self help groups for hypertension, elderly, Yugoslavia, 10902
extent & characteristics of authoritarianism in individual personality structure, Yugoslavia, 33340
history of psychology, Yugoslavia, 15862
Kleinian view of events in former Yugoslav & Serbian identity, developmental arrest & distortion of nations' relationships, 45045
traditional Bosnian childrearing practices & family life & infant mortality, war & ethnic cleansing, adults, Yugoslavia, 40998
Yugoslavia—Books
Development and crime: An exploratory study in Yugoslavia, 29141
Yugoslavia—Chapters
Therapeutic communities and aftercare clubs in Yugoslavia, 11158
Z Scores [See Standard Scores]
Zaire—Serials
AIDS knowledge & sexual behavior & condom use, male vs female 15–19 yr olds, Zaire, 14225

iron &/or vermifuge, cognitive ability, primary school children with intestinal parasites, Zaire, 34713
knowledge of & attitudes toward & preventive behaviors for AIDS, 15–49 yr old females, Zaire, 10274
treatment for intestinal parasites or malaria, cognitive ability & health status & quality of home environment, school age children, Zaire, 34714
use of traditional African healers in community based AIDS education, attitudes toward & use of condoms, interviewees, Zaire, 7002

Zambia—Serials
anti-AIDS campaign, awareness of & attitudes toward AIDS, rural adults, Zambia, 3 yr study, 22972
attitudes toward sexual behavior & sex education, 12–16 yr olds, Zambia, 9287
integration in home decision making & operational thinking ability, urban vs rural nonliterate female 20–40 yr old unmarried heads of household vs married homemakers, Zambia, 5447
psychosocial aspects, unwed pregnant 12–18 yr olds, Zambia, 29046

Zen Buddhism—Serials
application of Zen perspective & Morita therapy to concept of self & human nature, conference presentation, 34342
neurophysiological aspects of Zen meditation, 4579

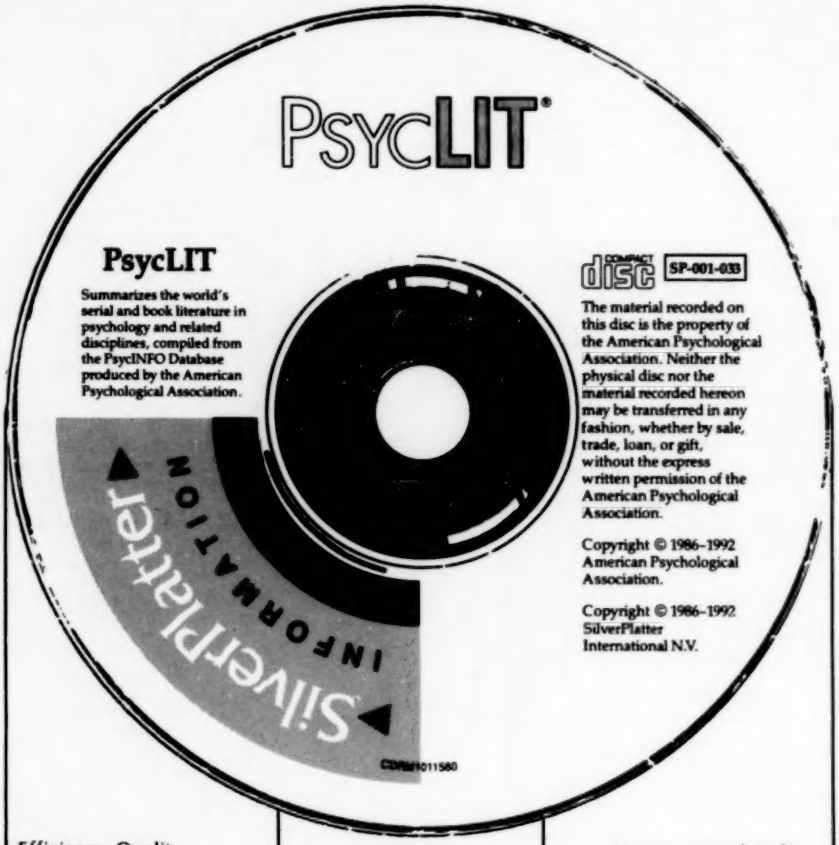
Zimbabwe—Serials
child feeding practices & attitudes & nutritional & health status, females & their infants, Zimbabwe, 37317
content & language of newspaper coverage of HIV & AIDS, Zimbabwe, 5 yr study, 45998
norms on Children's Motivation Analysis Test, male vs female 10–13 yr olds, Zimbabwe, 35819
participative skills vs information based AIDS prevention interventions, AIDS related attitudes & practices, student teachers, Zimbabwe, 10911
predictive factors in intention to use condoms & AIDS beliefs, males vs females, Zimbabwe, test of reasoned action vs planned behavior theories, 22297
proverbs in assessment of family values, 19–38 yr old females, Zimbabwe, 25385
structure & content & evaluation of intensive HIV/AIDS counseling training course, health & mental health care professionals, Zimbabwe, 11236
utility of Health Belief Model vs theory of reasoned action, prediction of ability to tell partners to use condoms, female teacher trainees, Zimbabwe, 9496

Zimeldine—Serials
DST, prediction of response to nomifensine vs zimeldine, 19–66 yr olds with major depression, Belgium, 18698
ritanserin &/vs zimeldine, waking behavior & REM & slow wave sleep, cats, 24984
sensitivity to zimeldine & crossover to fluoxetine, depressed female 31 & 50 yr olds, 18757

Zinc—Serials
dietary intake of zinc & related nutrients, vegetarian vs nonvegetarian female 15–46 yr olds with anorexia nervosa, Canada, 33972
intranasal zinc sulphate, peripheral olfactory deafferentation of primary olfactory system & pup odor discrimination & sniffing & other maternal behavior, female rats, 36536
lithium &/vs neuroleptics, plasma insulin & erythrocyte zinc & glycated protein, schizophrenic or manic depressive patients, Turkey, 38594
moderate vs severe zinc deprivation vs supplementation, sodium chloride taste thresholds & discrimination of sodium chloride vs sucrose, male rats, 12631
quisqualate vs ibotenate with vs without cystine vs zinc, neurotoxic vulnerability of basal forebrain neurons & memory, male rats, 16882
serum zinc & family sinistrality, hand & eye & foot preference & skull length & serum gonadal hormone binding globulin, right handed 17–19 yr olds, 13005
zinc deficiency & supplementation, 9–14 yr olds with childhood onset anorexia nervosa, England, 34558

Zinc—Chapters
Correlation between zinc level in hippocampal mossy fibers and spatial memory in aged rats, 28566

First-Class Searches At A Single Fixed Price.



Efficiency. Quality. That's what you get when you use PsycLIT ... PsycINFO's complete search system on CD-ROM.

PsycLIT truly expands the search capacity for you and those who use your services. With easy-to-use search and retrieval software, tutorial on disc, and quick-reference card, even a novice will find information quickly and independently.

Your clients will appreciate PsycLIT's superior database that provides full bibliographic information as well as summaries from over 1300 journals in the PsycINFO® database. And, beginning with the March 1992 update, the addition of chapter and book summaries will make PsycLIT an unparalleled research tool.

Best of all, PsycLIT on CD-ROM allows *unlimited*, interactive searches for a single annual fee of $4495.00. That way, you'll know your search costs up front... there won't be any surprises at the end of the budget year.

Users can work independently, saving you staff time. Costs are fixed, saving you guess work at budget time. Call or write today for more details...and ask about the PsycLIT discount for *Psychological Abstracts* subscribers.

Only the Best. Only from APA.

PsycLIT

No one pumps up your psychological search capability like PsycINFO!

PsycINFO's computerized databases and printed indexes are trusted psychological reference tools backed by 70 years of experience.

Unrivaled in their depth of psychological coverage, they are enriched with literature from an array of related disciplines such as education, medicine, nursing, law, management, and social work. These dynamic resources are continually updated to keep pace with the growth of newly published material in psychology and the social sciences.

PsycINFO offers a family of products, each tailored to specific research purposes and budgets:

The PsycINFO® Online Database contains journal references from 46 countries in over 30 languages and dissertations from U.S. literature, all from 1967–present. It's accessible through commercial online services or direct tape leasing from APA.

PsycLIT® contains references from 1974–present, including journals, book chapters, and book records. It offers user-friendly interface, unlimited searches, and is distributed through CD-PLUS, EBSCO, and SilverPlatter for a fixed annual subscription cost.

Psychoanalytic Abstracts® is a quarterly printed index featuring abstracts of international journal articles and summaries of international English-language book chapters and books. Affordably priced for personal subscriptions.

PsycSCAN®s are compact, subject-oriented quarterly printed indexes that provide individual researchers with easy access to the latest developments in their special areas of interest. Inexpensive, yet comprehensive!

For more information on the PsycINFO family of products, call **1-800-374-2722**.

PsycINFO – the most comprehensive and authoritative publisher of bibliographic reference sources in psychology

PsycINFO

The Search Is Over

PsycINFO Services & Products Are The Answer To Your Information Needs

ONLY THE BEST

ONLY FROM APA

The PsycINFO® Database

Psychology's most comprehensive source, PsycINFO contains references to all relevant original research and other significant published material, drawn from more than 1,300 journals, dissertations, and technical reports. More than 50,000 new records are added annually. PsycINFO is the source for the printed *PA*, PsycLIT® on CD-ROM, and the PsycSCAN publications. PsycINFO also offers the PASAR® search service, staffed by specialists who can formulate search strategies tailored to your individual requirements. Look to the PsycINFO database for all your research in psychology and related disciplines.

Psychological Abstracts®

The essential reference guide to the world's literature in psychology and the social sciences, *PA* also covers behavioral issues in law, education, business, and medicine. Beginning with the January 1992 volume, *PA* not only includes unparalled worldwide coverage of serial literature in psychology, but also book chapter and book records in psychology. The monthly issues offer:

- more entries than ever before
- an annual index
- monthly indexes
- journal publishers' names and addresses in the annual index
- thorough author and subject listings

This resource is an indispensable complement to every library reference shelf.

1994 *PA* Subscription rates:
APA Members - $654; Institutions - $1,307
(additional subscriptions to the same address - $654)

PsycINFO
INFORMATION SERVICES IN PSYCHOLOGY

PsycSCANs®

A series of inexpensive, subject-oriented publications especially geared for individual use. Each contains abstracts of the primary literature in selected topics in psychology. APA's newest PsycSCAN, *PsycSCAN: Neuropsychology*, will keep you up-to-date on current research in aspects of the relationship between the brain and behavior, in a wide range of clinical and nonclinical areas. PsycSCANs are issued quarterly and include an abstract, index terms, and full bibliographic information. Get more than 1,500 abstracts in a one-year period in the specialty of your choice!
